PROXY STATEMENT

2019 Annual Meeting Of Shareholders

This Proxy Statement is furnished to the shareholders of First Northern Community Bancorp (the "Company") in connection with the solicitation of proxies to be used in voting at the 2019 Annual Meeting of Shareholders of the Company to be held on May 14, 2019, at First Northern Bank's Operations Center located at 210 Stratford Avenue, Dixon, California, at 5:30 p.m., local time, and at any adjournment or postponement thereof. The solicitation of proxies in the form accompanying this Proxy Statement is made by the Board of Directors of the Company, and the costs of such solicitation, including the expense of preparing, assembling, printing, and mailing this Proxy Statement and the material used in this solicitation of proxies, will be borne by the Company. It is contemplated that proxies will be solicited through the mail, but officers and staff of the Company may solicit proxies personally. The Company may, at its discretion, engage the services of a proxy solicitation firm to assist in the solicitation of proxies. The total expense of this solicitation will be borne by the Company and will include reimbursement paid to brokerage firms and others for their expenses in forwarding soliciting material and such expenses as may be paid to any proxy solicitation firm engaged by the Company.

It is expected that this Proxy Statement and accompanying Notice will be mailed to shareholders on or about April 11, 2019.

A proxy for the Annual Meeting is enclosed. Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted by delivering an instrument revoking it, or a duly executed proxy bearing a later date, to our Corporate Secretary at 195 North First Street, Dixon, California 95620. In addition, a proxy will be revoked if the person executing the proxy is present at the Annual Meeting and advises the Chairman of his or her election to vote in person.

The proxy also confers discretionary authority to vote the shares represented thereby on any matter that was not known at the time this Proxy Statement was mailed which may properly be presented for action at the Annual Meeting; action with respect to procedural matters pertaining to the conduct of the Annual Meeting; and election of any person to serve as a director in lieu of a bona fide nominee named herein, if such nominee is unable or unwilling to serve.

UNLESS REVOKED, ALL SHARES REPRESENTED BY A PROPERLY EXECUTED PROXY RECEIVED IN TIME FOR THE MEETING WILL BE VOTED AS SPECIFIED IN SUCH PROXY OR, IF NOT SPECIFIED, THEN IN FAVOR OF THE ELECTION OF NOMINEES TO THE BOARD OF DIRECTORS, IN FAVOR OF THE RATIFICATION OF THE APPOINTMENT BY THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF MOSS ADAMS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2019, AND IN THE DISCRETION OF THE PROXYHOLDERS WITH RESPECT TO ALL OTHER PROPOSALS PROPERLY BROUGHT BEFORE THE MEETING.

Voting Rights and Vote Required

Only shareholders of record at the close of business on the record date of March 29, 2019 will be entitled to vote in person or by proxy at the Annual Meeting. On the record date, there were 12,295,471 shares of our common stock outstanding.

Shareholders of common stock of the Company are entitled to one vote for each share held, except that in the election of directors, under California law and the Bylaws of the Company, each shareholder may be eligible to exercise cumulative voting rights and may be entitled to as many votes as shall equal the number of shares of common stock of the Company held by such shareholder multiplied by the number of directors to be elected, and such shareholder may cast all of such votes for a single nominee or may distribute them among two or more nominees. No shareholder, however, shall be entitled to cumulate votes (in other words, cast for any candidate a number of votes greater than the number of shares of common stock held by such shareholder multiplied by the number of directors to be elected) unless the name(s) of the candidate(s) has (have) been placed in nomination prior to voting in accordance with Article III, Section 23 of the Company's Bylaws (which requires that nominations made other than by the Board of Directors be made at least 30 and not more than 60 days prior to any meeting of shareholders) and a shareholder has given notice to the Company of an intention to cumulate votes prior to the voting in accordance with Article II, Section 13 of the Company's Bylaws. If any shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination, in which event votes represented by proxies delivered pursuant to this Proxy Statement may be cumulated, in the discretion of the proxyholders, in accordance with the recommendation of the Board of Directors. Discretionary authority to cumulate votes in such event is, therefore, solicited in this Proxy Statement. The vote required to approve each proposal is as follows:

In the election of directors, the ten nominees receiving the highest number of votes will be elected. It is required that all shareholders who hold their shares in "street name" provide voting instructions for nominees as brokerage firms no longer have discretionary authority to vote your shares for you; therefore, we respectfully request that you provide voting instructions to your broker if your shares are held in "street name."

Ratification of the appointment by the Audit Committee of the Board of Directors of the independent registered public accounting firm will require the affirmative vote of a majority of the shares represented and voting at the Annual Meeting.

If you hold your shares in street name, you must vote your shares in the manner prescribed by your brokerage firm, bank or other nominee. Your brokerage firm, bank or other nominee has enclosed or otherwise provided a voting instruction card for you to use in directing the brokerage firm, bank or other nominee how to vote your shares. If you hold your shares in street name and do not provide voting instructions to your broker or other nominee, your shares will be considered to be "broker non-votes" and will not be voted on any proposal on which your broker or other nominee does not have discretionary authority to vote. Shares that constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum. Your broker or other nominee has discretionary authority to vote your shares on the ratification of Moss Adams LLP as our independent auditor. Brokers that have sent proxy soliciting materials to a beneficial owner but have not received voting instructions from the beneficial owner may nevertheless vote on routine matters, including the ratification of the appointment by the Audit Committee of the Board of Directors of Moss Adams LLP as independent registered public accounting firm. If you hold your shares in street name and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from your broker and present it at the Annual Meeting.

Voting of Proxies – Quorum

The shares of common stock of the Company represented by all properly executed proxies received in time for the Annual Meeting will be voted in accordance with the shareholders' choices specified therein; where no choices have been specified, the shares will be voted "FOR" each of the ten nominees for director recommended by the Board of Directors, and "FOR" the ratification of the appointment by the Audit Committee of the Board of Directors of Moss Adams LLP as the independent registered public accounting firm for the year ending December 31, 2019, and at the proxyholder's discretion, on such other matters, if any, which may properly come before the Annual Meeting (including any proposal to adjourn the Annual Meeting). A majority of the shares entitled to vote, represented either in person or by a properly executed proxy, will constitute a quorum at the Annual Meeting.

Abstentions and broker "non-votes" are each included in the determination of the number of shares present and voting for purposes of determining the presence of a quorum.

Revocability of Proxy

A shareholder using the enclosed proxy may revoke the authority conferred by the proxy at any time before it is exercised by delivering written notice of revocation or a duly executed proxy bearing a later date to the Secretary of the Company at our executive offices located at 195 North First Street, Dixon, California 95620, or by appearing and voting by ballot in person at the Annual Meeting after advising the Chairman of the shareholder's intention to do so.

Proposal 1

Nomination and Election of Directors

At the Annual Meeting it will be proposed to elect ten (10) directors of the Company, each to hold office until the next annual meeting, until their successors shall be elected and qualified, or until an individual director has reached the mandatory retirement age of 72 years (or, if approved by the Board of Directors, at the adjournment of the first meeting of the Board of Directors following his or her 72nd birthday). It is the intention of the proxyholders named in the enclosed proxy to vote such proxies (except those containing contrary instructions) for the ten (10) nominees named below. The ten (10) nominees consist of all the incumbent directors of the Company.

The Board of Directors does not anticipate that any of the nominees will be unable or unwilling to serve as a director of the Company, but if that should occur before the Annual Meeting, the proxyholders, in their discretion, upon the recommendation of the Company's Board of Directors, reserve the right to substitute a nominee and vote for another person of their choice in the place and stead of any nominee unable or unwilling to serve. The proxyholders reserve the right to cumulate votes for the election of directors and cast all of such votes for any one or more of the nominees, to the exclusion of the others, and in such order of preference as the proxyholders may determine in their discretion, based upon the recommendation of the Board of Directors.

This Committee fulfills the responsibilities of a director nominating committee for the Company. The Nominating and Corporate Governance Committee operates under a written charter.

The Nominating and Corporate Governance Committee will consider candidates nominated by the Company's shareholders, Directors, officers, and from other sources. The Company does not have a formal policy with regard to the consideration of diversity in identifying Director nominees, but the Nominating and Corporate Governance Committee strives to nominate Directors with a variety of complementary attributes so that, as a group, the Board of Directors will possess the appropriate talent, skills, and expertise to oversee our business. In evaluating candidates, the Board of Directors considers the attributes of the candidate (including skills, experience, diversity, age, and legal and regulatory requirements), and the needs of the Board of Directors, and will review all candidates in the same manner, regardless of the source of the recommendation.

The Board of Directors will consider candidates nominated by the shareholders of the Company if the nomination is made in writing in accordance with the procedures for nominating Directors of the Company, as described herein. These nomination procedures are designed to give the Board of Directors advance notice of competing nominations, if any, and the qualifications of nominees, and may have the effect of precluding third-party nominations if the nomination procedures are not followed.

Pursuant to Article III, Section 23 of the Bylaws of the Company, director nominations, other than those made by the Board of Directors, shall be made by notification in writing delivered or mailed to the President of the Company, not less than 30 days or more than 60 days prior to any meeting of shareholders called for election of directors. The provision also requires that the notice contain detailed information necessary to determine if the nominee is qualified under our Bylaws. Under our Bylaws, no person may be a member of the Board of Directors:

- who has not been a resident for a period of at least two years immediately prior to his or her election of a county in which any subsidiary of the Company maintains an office, unless the election of such person is approved by the affirmative vote of at least two-thirds of the members of the Board of Directors of the Company then in office;
- who owns, together with his or her family residing with him or her, directly or indirectly, more than one percent of the outstanding shares of any banking corporation, affiliate or subsidiary thereof, bank holding company, industrial loan company, savings bank or association or finance company, other than the Company or any affiliate or subsidiary of the Company;
- who is a director, officer, employee, agent, nominee, or attorney of any banking corporation, affiliate, or subsidiary thereof, bank holding company, industrial loan company, savings bank or association or finance company, other than the Company or any affiliate or subsidiary of the Company; or
 - who has or is the nominee of anyone who has any contract, arrangement or understanding with any banking corporation, or affiliate or subsidiary thereof, bank holding company, industrial loan company, savings bank or association or finance company, other than the Company or any affiliate or subsidiary of the Company (a “covered entity”), or with any officer, director, employee, agent, nominee, attorney or other representative of such covered entity, that he or she will reveal or in any way utilize information obtained as a director of the Company or that he or she will, directly or indirectly, attempt to effect or encourage any action of the Company.

Nominations not made in accordance with the procedures set forth in the Company’s Bylaws may, in the discretion of the Chairman of the Annual Meeting, be disregarded, and, upon his or her instruction, the inspector(s) of election shall disregard all votes cast for such nominee(s). A copy of Sections 22 and 23 of Article III of the Company’s Bylaws may be obtained by sending a written request to: Ms. Devon Camara-Soucy, Corporate Secretary, First Northern Community Bancorp, 195 North First Street, Dixon, California 95620.

The Bank has several other committees that meet on an as needed basis.

If you wish to communicate with the Board of Directors, you may send correspondence to the Corporate Secretary, First Northern Community Bancorp, 195 North First Street, Dixon, California 95620. The Corporate Secretary will submit your correspondence to the Board of Directors or the appropriate committee, as applicable.

Report of the Compensation Committee

Role of the Compensation Committee

The Committee’s purpose is to (a) review and recommend compensation objectives and policies to the Board of Directors, (b) administer the Bank’s and the Company’s stock plans, long-term incentive plans and certain employee benefit plans, (c) review and recommend to the Board the compensation of the Chief Executive Officer, and review and approve compensation for the Bank’s other named executive officers, (d) provide oversight and manage risks relative to the Company’s annual incentive plan and (e) produce a Compensation Committee Report for inclusion in the Company’s proxy statement for its annual meeting of shareholders.

The Committee also periodically reviews the compensation levels of the Board of Directors. In its review, the Committee looks to ensure that the compensation is fair, reasonably competitive, and commensurate to the responsibilities of both the individual directors as well as the Board in the aggregate.

Subject to the requirements of applicable law, the Compensation Committee may designate persons other than its members to carry out its responsibilities under the Company's incentive plans (including the selection of and the granting of awards under the plans to participants), except that the Compensation Committee may not delegate its authority with regard to the selection for participation of, or the granting of awards under the plans to, persons subject to Section 16 of the Securities Exchange Act of 1934.

The Charter of the Compensation Committee is available on the Company's website (www.thatsmybank.com) and is also available in print upon request (submit requests for copies of the Charter to First Northern Community Bancorp, Attn: Investor Relations, 195 North First Street, P.O. Box 547, Dixon, CA 95620).

Compensation Philosophy

The Bank has determined that the purpose of compensation is to attract, motivate, and retain high performing employees throughout the Bank and the Company. Furthermore, the Bank also has determined that pay programs, especially those for top executives, should be designed in a manner that aligns employee interests with those of the Company's stockholders. In view of these two beliefs, executive compensation programs at the Bank and the Company are designed to meet the following objectives:

Base salaries are targeted at the 50th percentile of the competitive market as defined by appropriate peer data and industry best practices. The Committee has determined that a range of +/- 15% of the market 50th percentile denotes a normal competitive range.

Cash compensation will be targeted between the 50th and 75th percentiles of the competitive market and will be based on individual, business unit, and/or total Bank and Company performance. At least 50% of the executive annual bonus paid under the Bank's Incentive Compensation Plan will be tied directly to overall Bank results.

Long term incentives, including equity awards, will be granted, as appropriate, by the Compensation Committee in accordance with the current equity compensation plan.

The administration of the compensation program will be directed toward ensuring that the executives are paid fairly and competitively while aligning pay with the overall performance of the Bank and the Company. Furthermore, all compensation decisions will be made with the intention to be compliant with all regulatory requirements and guidance.

Role of Executive Officers in Compensation Committee Deliberations

The Compensation Committee frequently requests the Chief Executive Officer and other named executive officers to be present at Committee meetings to discuss executive compensation. Executive officers in attendance may provide their insights and suggestions, but only independent Compensation Committee members may vote on decisions regarding executive compensation.

The Compensation Committee discusses the Chief Executive Officer's compensation with her, but final deliberations and all votes regarding her compensation are made in executive session, without the Chief Executive Officer present. The Committee also reviews and approves the Chief Executive Officer's recommendations and input from the compensation consultant regarding the other named executive officers' compensation. Named Executive Officers are not present when the Committee makes decisions about their compensation.

Board of Directors Meetings

In 2018, the Board of Directors of the Bank held 10 regularly scheduled meetings, and 6 joint meetings with the Board of Directors of the Company. Each Director attended at least 75% of the aggregate of: (1) the total number of meetings of the Boards of Directors held during the period for which he or she has been a director; and (2) the total number of meetings of committees of the Boards of Directors on which he or she served during the period for which he or she served. The Company has a policy to encourage Directors to attend the Annual Meeting. All of the Directors attended the Annual Meeting of Shareholders in 2018.

Director Independence

The Board of Directors has determined that (1) a majority of the Company's directors, (2) each member of the Compensation Committee, (3) each member of the Audit Committee, and (4) each member of the Nominating and Corporate Governance Committee, is "independent" under the applicable standards set forth in the Nasdaq Marketplace Rules. The Board of Directors has determined that all directors except Ms. Walker are independent under the applicable standards set forth in the Nasdaq Marketplace Rules.

The Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having an independent director serve as Chairman is in the best interest of the Company's shareholders at this time. This structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing Board priorities and procedures. Further, this structure permits the Chief Executive Officer to focus on the management of the Company's day-to-day operations.

Director Compensation

2018 Director Compensation Table

Name	Fees earned or paid in cash (\$) ⁽¹⁾
Lori J. Aldrete ⁽²⁾	9,367
Frank J. Andrews, Jr.	29,500
Patrick R. Brady	31,500
John M. Carbahal	34,000
Gregory DuPratt	35,900
Barbara A. Hayes	33,500
Richard M. Martinez	36,168
Foy S. McNaughton	30,900
Sean P. Quinn	29,000
Mark C. Schulze	26,500

Each director who is not an officer or employee of the Company or the Bank received \$1,500 for each jointly-held and regularly scheduled meeting of the Boards of Directors attended, with the exception of the Board Chairman who received \$1,900. In addition, Directors receive \$400 per special meeting of the Board of Directors, and \$500 per Committee meeting attended with the Chairman or Chairwoman of the Committee receiving \$600 per meeting, with the exception of the Audit Committee Chairman who receives \$700 per meeting. In addition, each Director received a \$5,500 retainer fee, with the exception of the Chairman of the Board who received a \$6,500 retainer fee, prorated as necessary for partial year service. Ms. Walker was an employee and she received no additional compensation for her services as a director for 2018.

2. Ms. Aldrete retired from the Board of Directors of the Company and the Bank on April 20, 2018.

The Company has Director Retirement Agreements with each of its non-employee directors with the exception of directors who joined the Company after February 2011. The agreements were intended to encourage existing Directors to remain directors, providing the Company with the benefit of the Directors' experience and guidance in the years ahead. In November 2010, the Board of Directors determined that Director Retirement Agreements would not be offered to new members of the Board of Directors.

For retirement on or after the normal retirement age of 72, the Director Retirement Agreements provide a benefit for 10 years ranging from \$10,000 annually for a director with 10 years of service to a maximum of \$15,000 annually for a director with 15 or more years of service, including years of service prior to the effective date of the Director Retirement Agreements. As of January 1, 2019, there were four active directors who had served more than 15 years as a director and were eligible for director retirement benefits. Benefits under the Director Retirement Agreements are payable solely to those directors who have served for at least 10 years, unless the director terminates service because of death or disability or unless the director's service terminates within two years after a change in control. There were no positive accruals under the Director Retirement Agreements in 2018.

In the case of early termination of a director's service before age 72 for reasons other than death or disability or within two years after a change in control, he or she will receive over a period of 10 years aggregate payments equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which the director's service terminated. However, early termination benefits will not be payable unless the director is at least 55 years of age and has served as a director for at least 10 years, including years of service prior to the effectiveness of the Director Retirement Agreements. If a director becomes disabled before age 72, the director will receive a lump-sum payment in an amount equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which disability occurred, regardless of whether the director has 10 years of service or has reached age 55. If a change in control occurs and a director's service terminates within 24 months after the change in control, the director will receive a lump-sum payment equal to the retirement-liability balance accrued by the Company at the end of the year before the year in which termination occurred, regardless of whether the director has 10 years of service or has reached age 55. For this purpose, the term "change in control" means:

• A merger occurs and as a consequence the Company's shareholders prior to the merger own less than 50% of the resulting company's voting stock;

• A beneficial ownership report is required to be filed under the Securities Exchange Act of 1934 by a person (or group of persons acting in concert) to report ownership of 20% or more of the Company's voting securities; or

• During any period of two consecutive years, individuals who constituted the Company's Board of Directors at the beginning of the two-year period cease for any reason to constitute a majority of the Board. Directors elected during the two-year period are treated as if they were directors at the beginning of the period if they were nominated by a vote of at least two-thirds of the Directors in office at the beginning of the period.

No benefits are payable under the Director Retirement Agreements to a Director's beneficiaries after the Director's death. A Director forfeits all benefits under the Director Retirement Agreement if his or her Director service terminates because of neglect of duties, commission of a felony or misdemeanor, or acts of fraud, disloyalty, or willful violation of significant Bank policies, or if the Director is removed from office by order of the Federal Deposit Insurance Corporation.

The Company has also purchased insurance policies on the lives of the Directors who entered into Director Retirement Agreements, paying the premiums for these insurance policies with one lump-sum premium payment of approximately \$2.15 million. The Company expects to recover the premium in full from its portion of the policies' death benefits. The Company purchased the policies as an informal financing mechanism for the post-retirement payment obligations under the Director Retirement Agreements. Although the Company expects these policies to serve as a source of funds for benefits payable under the Director Retirement Agreements, the contractual entitlements arising under the Director Retirement Agreements are not funded and remain contractual liabilities of the Company, payable on or after each Director's termination of service.

Under the Split Dollar Agreements and Split Dollar Policy Endorsements with the Directors, which were entered into on the same date the Director Retirement Agreements were executed, the policy interests are divided between the Company and each Director. The Split Dollar Agreements provide that a Director's designated beneficiary(ies) will be entitled to receive at the Director's death life insurance proceeds in the amount of:

- (a) \$120,000 if the Director dies before age 72,
- (b) \$60,000 if the Director dies after reaching age 72 but before age 75, and
- (c) \$30,000 if the Director dies thereafter.

The Director's beneficiary(ies) would receive no further benefits under the Director Retirement Agreement, and the Company's obligations under that agreement would be extinguished. The Company is entitled to any insurance policy death benefits remaining after payment of the amount indicated above to the Director's beneficiary(ies).

Director Non-Qualified Deferred Compensation

The Company has implemented an elective Deferred Director Fee Plan, a nonqualified plan providing unfunded deferred benefits for participating directors. Under the Plan, deferred director fees earn interest at a rate determined annually by the Company. During 2018, no Director elected to defer their director fees. The Company is entitled to any insurance policy death benefits from an insurance policy purchased by the Company with a lump-sum premium payment of \$75,000. The Company purchased life insurance policies on the lives of participants in the Director Non-Qualified Deferred Compensation Plan as an informal financing mechanism.

Report of Audit Committee

The Audit Committee oversees relevant accounting, risk assessment, risk management and regulatory matters. It meets with the Bank's and the Company's internal auditors and its independent registered public accounting firm to review the scope of their work as well as to review quarterly and annual financial statements and regulatory and public disclosures with the officers in charge of financial reporting, control, and disclosure functions. After reviewing the independent registered public accounting firm's qualifications, partner rotation and independence, the Audit Committee appoints the independent registered public accounting firm subject to shareholder ratification, if required or sought. In addition, the Audit Committee reviews reports of examination conducted by regulatory agencies and follows up with management concerning any recommendations and required corrective action, or to assess the Company's internal control over financial reporting.

The Audit Committee reports regularly to the Board of Directors of the Bank and the Company and has the authority to select, retain, terminate and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate and necessary to perform its duties. In performing its functions, as outlined in the Audit Committee Charter (available for review on the Bank's website at www.thatsmybank.com) approved annually by the Bank's Board of Directors, the Audit Committee of the Bank acts only in an oversight capacity and necessarily relies on the work and assurances of management, which has the primary responsibility for financial statements and reports, and of the Company's independent registered public accounting firm, who, in their report, express an opinion on the conformity of the Company's annual financial statements to generally accepted accounting principles.

In connection with the December 31, 2018 financial statements of the Company, the Audit Committee of the Bank: (1) reviewed and discussed the audited financial statements with management; (2) discussed with the Company's independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61, (3) received the written disclosures and the letter from the Company's independent registered accounting firm required by Independence Standards Board Standard No. 1, and (4) has discussed with the Company's independent registered public accounting firm such firm's independence. Based upon these reviews and discussions, the Audit Committee of the Bank recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC") for the fiscal year ended December 31, 2018.

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate this Proxy Statement or future filings with the SEC, in whole or in part, this report of the Audit Committee of the Bank's Board of Directors shall not be deemed to be incorporated by reference into any such filings except to the extent that it is specifically incorporated by reference therein.

The Audit Committee of the Bank's Board of Directors consists of five members who are each "independent directors," under the standards set forth in the Nasdaq Marketplace Rules. The Board of Directors has determined that Mr. Carbahal and Mr. McNaughton are audit committee financial experts under the rules of the SEC.

Respectfully submitted,

Audit Committee

Instead, the amounts reported above in the "Stock Awards" and "Option Awards" columns represent the aggregate grant date fair value of stock awards and option awards granted in the respective fiscal years, as determined in accordance with ASC 718. 10-K.

Amounts listed in this column represent bonuses paid under our Incentive Compensation Plan for each respective year. Payments made with respect to each year's respective performance are paid in March of the following year.

Includes company funded non-qualified deferred compensation benefits and retirement profit sharing contributions by the Company in 2018 and 2017. The aggregate amount of perquisites and other personal benefits or property in 2018 and 2017 did not exceed \$10,000 for any named executive officer.

Narrative to Summary Compensation Table

Named Executive Officers

The Summary Compensation Table and the table which follows provide compensation information for Ms. Walker as the President and Chief Executive Officer, Mr. Smith as the Senior Executive Vice President and Chief Operating Officer, and Mr. Danelson as the other named executive officer of the Company, other than the President and Chief Executive Officer, who received more than \$100,000 in total compensation during 2018.

Non-Equity Incentive Plan and Bonus Compensation

The Company uses annual incentives to focus attention on current strategic priorities and drive achievement of short-term corporate objectives. Awards are provided under the terms of the Company's Incentive Compensation Plan. All executive officers are eligible to receive annual cash incentive compensation at the end of each year, if performance goals are achieved. The overall incentive compensation pool is created based on actual performance to goals.

The 2018 awards were contingent on company performance relative to Asset Quality, Efficiency Ratio, Mortgage Production, Return on Equity, Net Income and Overall Quality Loan Growth, which were weighted 10%, 15%, 15%, 15%, 15% and 30%, respectively. Achievement of these measures allows for the creation of a pool for the annual incentive plan. After taking into account the weighting of all metrics, the Compensation Committee determined that the annual Company incentive objectives for 2018 were achieved to the degree sufficient to pay out the dollars set aside in the pool. With respect to 2018 performance, the Company made the cash payments identified in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table. The table below shows the award opportunities at threshold, target, and maximum, as well as each executive's actual award as a percentage of salary. The Company reserves the right to exercise downward discretion on payout levels after performance levels have been certified.

Name	2018 Non-Equity Incentive Opportunity as % of Salary			Actual 2018 Award as a Percentage of Salary
	Threshold	Target	Max	
	Louise A. Walker	0%	35.0%	
Jeremiah Z. Smith	0%	30.0%	45.0%	5.29%
T. Joe Danelson	0%	25.0%	40.0%	4.31%

In addition to the 2018 Non-Equity Incentive Plan payouts, the Compensation Committee evaluated NEO performance compared to the 2018 incentive plan goals. The Committee determined that even though only some of the incentive plan metrics were achieved, the Company achieved significant results that were not included in the 2018 incentive plan goals. It was determined that these results were critical to the Bank's record performance in 2018 and should have a long-term positive effect on the Company's performance. Examples of these achievements include the sale of the Bank's Asset Management and Trust Department and significant improvement in the Bank's net interest income. The Compensation Committee determined that it was appropriate to exercise discretion to recognize these achievements and provided a one-time discretionary bonus to Mr. Smith (\$59,709) and Mr. Danelson (\$41,720) for their leadership and contributions to these results. The Committee determined that while Ms. Walker's exemplary leadership was critical to the Company's 2018 success, no discretion would be exercised to align her with the approved incentive plan goals.

Stock Option and Restricted Stock Awards

In 2018, the three named executive officers received grants of stock options and/or restricted stock awards under the Company's 2016 Stock Incentive Plan. Stock option and restricted stock awards are in line with the Company's compensation philosophy, which is designed to retain executive management and reward long-term contributions to the Company. All stock options awarded to named executive officers during 2018 vest and become exercisable 25% at the end of the first year and 25% on the anniversary of each of the three years thereafter. All restricted stock awards to named executive officers during 2018 cliff vest on the earlier of the fourth anniversary of the date of grant or upon retirement.

The numbers of stock options and restricted stock granted and exercise prices with respect to 2018 awards and detail regarding the number of options and restricted stock held by each named executive officer at year-end is set forth in the 2018 Outstanding Equity Awards at Fiscal Year-End Table.

At the Annual Meeting of Shareholders held on May 19, 2015, the Company's shareholders approved the First Northern Community Bancorp 2016 Stock Incentive Plan. All option grants and restricted stock awards to named executive officers in 2017 and 2018 were made under the 2016 Stock Incentive Plan.

Employment Agreements

In January 2012, the Bank entered into an employment agreement with Ms. Walker. The agreement has a one-year term which renews automatically for consecutive one-year terms unless Ms. Walker or the Bank gives advance notice that the agreement will not renew. Pursuant to such terms, the employment agreement was extended on December 31, 2018 to December 31, 2019. The initial annual base salary stated in the employment agreement was \$234,600. The base annual salary has been adjusted on an annual basis since 2012, and may continue to be adjusted at the beginning of each year based on Ms. Walker's performance in the preceding year, as determined by the Board of Directors. Ms. Walker's annual base salary for 2018 is set forth in the Summary Compensation Table. Upon an involuntary termination without cause (as defined therein) or termination for good reason (as defined therein) outside a change of control period, Ms. Walker will receive, in a lump sum, 150% of the sum of (i) her annual base salary as of the date of termination and (ii) the average of the annual bonuses awarded to her for the three most recent consecutive years prior to the date of termination, as well as subsidized continuation health coverage for herself and her dependents for up to 18 months. Upon an involuntary termination without cause or termination for good reason or election not to extend the term of her employment agreement within two years following a change of control, Ms. Walker will receive, in a lump sum, 250% of the sum of (i) her annual base salary as of the date of termination and (ii) the average of the annual bonuses awarded to her for the three most recent consecutive years prior to the date of termination, subsidized continuation health coverage for herself and her dependents for up to 24 months and outplacement assistance.

In April 2012, the Bank entered into an employment agreement with Mr. Smith. The agreement has an initial nine-month term which renews automatically for consecutive one-year terms, unless the executive officer or the Bank gives advance notice that the agreement will not renew. Pursuant to such terms, the employment agreement was extended on December 31, 2018 to December 31, 2019. The initial annual base salary stated in the employment agreement was \$148,000. The base annual salary has been adjusted on an annual basis since 2012, and may continue to be adjusted at the beginning of each year based on Mr. Smith's performance in the preceding year. Mr. Smith's annual base salary for 2018 is set forth in the Summary Compensation Table. Upon an involuntary termination without cause (as defined therein) or termination for good reason (as defined therein) outside a change of control period, Mr. Smith will receive, in a lump sum, 100% of the sum of (i) his annual base salary as of the date of termination and (ii) the average of the annual bonuses awarded to him for the three most recent consecutive years prior to the date of termination, as well as subsidized continuation health coverage for himself and his dependents for up to 18 months. Upon an involuntary termination without cause or termination for good reason or election not to extend the term of his employment agreement within two years following a change of control, Mr. Smith will receive, in a lump sum, 200% of the sum of (i) his annual base salary as of the date of termination and (ii) the average of the annual bonuses awarded to him for the three most recent consecutive years prior to the date of termination, subsidized continuation health coverage for himself and his dependents for up to 24 months and outplacement assistance.

Supplemental Executive Retirement and Salary Continuation Plan Agreements

The Company does not have a qualified defined benefit pension plan providing retirement benefits based on final compensation and years of service. However, the Company has entered into Supplemental Executive Retirement Plan Agreements (“SERP”) with Ms. Walker and Mr. Smith. From 2002 until December 2012, Ms. Walker had been a party to a Salary Continuation Agreement. In 2006, the Board changed the manner in which retirement benefits are provided to certain executive officers. The Board’s intent was to coordinate the various forms of retirement benefits provided to executives in order to enhance internal equity and to better target the overall level of retirement benefits provided. The result was the adoption of a new SERP that provides a total benefit of 50% of average compensation from three sources: social security retirement benefits, the profit sharing plan, and the new SERP. Mr. Smith and the Company entered into the new SERP agreement in 2011.

The Salary Continuation Agreements included a provision limiting changes to the agreement without executive written consent. In order to comply with this provision, the Board in 2006 provided each executive officer the option to move from his or her Salary Continuation Plan into the new SERP. Ms. Walker moved into the new SERP agreement on December 31, 2012.

The SERP benefit is calculated using 3-year average salary plus 7-year average bonus (average compensation). For each year of service, the benefit formula credits 2% of average compensation (2.5% for the Chief Executive Officer) up to a maximum of 50%. Therefore, for an executive serving 25 years (20 years for the Chief Executive Officer), the target benefit is 50% of average compensation.

The SERP target benefit is reduced for other forms of retirement income. Reductions are made for 50% of the social security benefit expected at age 65 and for the accumulated value of contributions the Bank makes to the executive’s profit sharing plan. For purposes of this reduction, contributions to the profit sharing plan are accumulated each year at a 3-year average of the yields on 10-year treasury securities. Retirement benefits are paid monthly for 120 months plus 6 months for each full year of service over 10 years, up to a maximum of 180 months.

The SERP agreements provide for reduced benefits in the case of early retirement (the later of the executive officer’s 55th birthday or the age at which the executive officer has at least 10 years of service with the Company). The early commencement factor is 1.0 minus the product of 0.41667% multiplied by the number of full calendar months that early retirement precedes age 65. Benefits are also payable in the event of death, disability, or termination within 24 months following a change in control.

Eligibility to participate in the SERP and Salary Continuation Plans is limited to a select group of management or highly compensated employees of the Bank that are designated by the Board.

Profit Sharing/401(k) Plan and Trust

The Company has an interest in providing financial security and retirement savings opportunities to its employees and views its retirement plans as a means of attracting and retaining employees in a competitive labor market. To accomplish these goals, the Company sponsors a Profit Sharing/401(k) Plan and Trust Agreement pursuant to which the Company makes annual profit-sharing contributions as determined by the Bank’s Board of Directors depending on the profitability of the Bank during the year, subject to certain limitations on contributions under the Internal Revenue Code (“IRC”) and the Profit Sharing Plan.

Employees with a minimum of one year of service with the Company are eligible to participate in the profit sharing portion of the Profit Sharing Plan. The Company's profit sharing contribution is allocated among participating employees, including the NEOs, in the proportion which each participant's covered compensation for the fiscal year bears to the total compensation for all participating employees for such year. Contributions to a participant's account vest after six years, and participants may receive distributions from their profit sharing accounts only upon retirement (or age 65), termination of employment, disability or death.

The Company generally contributes annually to the Profit Sharing Plan an amount equal to the lesser of (a) 10% of the Company's net income before taxes, net of loan loss experiences or (b) a percentage as defined for defined contributions in Section 415(c) of the Internal Revenue Code ("IRC") of the total annual compensation of all Profit Sharing Plan participants.

Other Plans and Benefits

Non- Qualified Deferred Compensation Plan

Consistent with the desire to provide retirement and savings opportunities for a select group of management and highly compensated employees, the Company provides a deferred compensation plan for its NEOs called the "2001 Executive Deferral Plan." This plan provides a way to offset the effect of tax law limitations on benefits under tax-qualified plans. The plan is a nonqualified plan providing the NEOs with an unfunded, deferred compensation program. Under the plan, the NEOs may elect to voluntarily defer a portion of their current compensation. Deferred amounts earn interest at an annual rate determined by the Bank's Compensation Committee and approved by the Board of Directors. In 2018, deferred amounts earned interest at 3.13%, representing 120% of the Applicable Federal Rate. In 2018, no executives elected to voluntarily defer any compensation.

In 2017, the Compensation Committee evaluated and approved the implementation of a performance-based, Company funded non-qualified deferred compensation benefit for two of its NEOs, Mr. Smith and Mr. Danelson. The benefits fall under the Company's 2001 Executive Deferral Plan, which was amended as of July 20, 2017 to allow for Company contributions on behalf of a select group of management and highly compensated employees. The individual benefits became effective on August 1, 2017. The purpose of the benefits is to recognize the contributions of these select key executives to the Company, to drive continued and future business results, and to serve as a retention vehicle for their continued employment. The benefits are performance-based in that the Compensation Committee annually establishes and approves performance metrics at the beginning of each performance period, and no contributions are made to the Executive Deferral Plan unless the goals are achieved. Company contributions are based on a percent of base salary and range from 0% to 15% of base salary for Mr. Danelson and from 0% to 30% of base salary for Mr. Smith. Company contributions are eligible to earn the same interest paid on voluntary deferred contributions. In 2017, the Compensation Committee made a one-time initial contribution to the Executive Deferral Plan to recognize the executives' prior contributions to the Company and to strengthen the retention value of the benefits. The one-time contribution made was \$10,000 for Mr. Danelson; and \$40,000 for Mr. Smith. Company contributions and any interest earned are subject to vesting requirements.

These contributions provide supplementary executive retirement/retention awards that vest and become payable upon attainment of one of the following: continued employment to age 65, death while an employee of the Company, disability while an employee of the Company, an involuntary termination without Cause or voluntary termination for Good Reason (each, as defined under the Executive Deferral Plan), or a termination within 24 months of a change in control. Mr. Smith's award also provides for an immediate vesting if any individual other than Ms. Walker or Mr. Smith is appointed as Chief Executive Officer of the Company and becomes 50% vested on the date that Mr. Smith becomes Chief Executive Officer of the Company.

Change of Control Agreements

The Company provides certain Named Executive Officers with agreements that provide certain specified benefits upon a change in control of the Company. These agreements endeavor to help the Company retain key employees, by providing those executives some certainty in compensation in the event the Company was acquired, and also help to ensure that the Company will have the benefit of its Named Executive Officers during and through the consummation of any merger. For more information, please refer to "Employment Agreements" above.

In January, 2015, the Bank entered into a Change of Control Agreement with Mr. Danelson. Pursuant to the agreement, upon an involuntary termination without cause (as defined therein) or resignation due to change of control (as defined therein) within six (6) months following the Bank's formal approval of a Change of Control (as defined therein), Mr. Danelson will receive in a lump sum, 200% of the sum of (i) his annual base salary on the date of the change of control and (ii) the average of the annual bonuses awarded to him for the three most recent consecutive year prior to the change of control, and subsidized continuation health coverage for himself and his dependents for up to 24 months and possible outplacement assistance.

Proposal 2

Ratification of the Company's Independent Registered
Public Accounting Firm

At the Annual Meeting a vote will be taken on a proposal to ratify the appointment of Moss Adams LLP by the Audit Committee of the Board of Directors to act as the independent registered public accounting firm of the Bank and the Company for the year ending December 31, 2019. Although the appointment of independent public accountants is not required to be approved by shareholders, the Audit Committee believes shareholders should participate in such selection through ratification.

It is anticipated that a representative of Moss Adams LLP will be present at the Annual Meeting, and will have the opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Ratification of the appointment by the Audit Committee of the Board of Directors of the independent registered public accounting firm will require the affirmative vote of a majority of the shares represented and voting at the Annual Meeting.

Your Board of Directors Recommends a vote "FOR" Ratification of the Appointment of Moss Adams LLP by the Audit Committee of the Board of Directors as the Bank's and the Company's Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2019.

Transactions with Related Persons

Certain directors and executive officers of the Bank and the Company and corporations and other organizations associated with them and members of their immediate families were customers of and engaged in banking transactions, including loans, with the Bank in the ordinary course of business in 2017 and 2018. Such loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. These loans did not involve more than the normal risk of collectability or present other unfavorable features. The total of loans granted to certain directors and executive officers in 2018 and 2017 was \$1,682,422 and \$3,014,445, respectively.

Insider Lending policy

The Board of Directors of the Company has a written insider lending policy that covers all officers, directors and “control persons” who have substantial share ownership or other control over election of directors. Loans to insiders must be on terms that are substantially the same as those made to non-insiders, as demonstrated by the submission to the loan officer of at least three comparable non-insider loans that are comparable, including with respect to interest rates and collateral. Extension of credit to insiders must be approved by the Board of Directors and be recommended by the Management Loan Committee and Directors Loan Committee. Insider loans are also subject to maximum percentage and dollar limits. The Board of Directors has not adopted a related party transactions policy with regard to transactions other than loans. Company personnel are expected under the Company’s code of ethics to make immediate disclosure of situations that might create a conflict of interest, or the perception of a conflict of interest, which includes transactions involving entities with which such personnel are associated. The Board of Directors recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof). Such transactions, after full disclosure of the material terms to the Board, must be approved by the members of the Board who are not parties to the specific transaction to determine that they are just and reasonable to the Company at the time of such approval, with those members of the Board (if any) who have an interest in the transaction abstaining. Such procedures are consistent with the terms of California corporate law.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers, directors and greater than ten percent shareholders are required by the SEC to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of such reports, the Company believes that all reports required by Section 16(a) of the Exchange Act to be filed by its executive officers and directors during the last fiscal year were filed on a timely basis.
