Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 6, 2018, the Board of Directors of Comstock Mining Inc. (the “Company”) elected Walter A. Marting, Jr. as a director of the Company and announced the retirement of Daniel Kappes as a Director of the Company. Both actions were effective as of April 6, 2018.

Mr. Kappes will remain involved with the Company as a member of a newly established Mining Advisory Committee, to assist in all aspects of technical mining and mine development, along with Mr. Leo M. Drozdoff, and Mr. Robert A. Reseigh.

The Company also welcomes Mr. Marting to the Board with an extensive resume in mining, mine planning and development, and strategic and operational finance. Mr. Marting started his mining career with Amax Inc., working there from 1975 to 1984, a worldwide producer of molybdenum, with increasing responsibilities including supervising production from Amax’s largest underground and open pit molybdenum mines, worldwide strategic planning for all of Amax’s new properties, including exploration, and ultimately centralizing all of Amax’s treasury and financial administration for Europe at its European headquarters in Paris, France. He also consolidated and managed all of Amax’s metal trading for molybdenum, tungsten, copper, coal and iron ore into one European center. Amax eventually became part of Freeport-McMoRan, the largest Molybdenum producer in the world. In 1984, he became the Chairman and CEO of Lucky Chance Mining Co., a Nevada-based miner that successfully reopened and restarted production at the famed 16-1 Mine in Allegheny, CA.

Mr. Marting is the Founder and Managing Partner of CereCare, LLC and CoreSource Recovery Services, LLC, providing breakthrough rehabilitation treatment for patients suffering from brain and related substance abuse disorders-most commonly alcoholism and opioid addictions. Most recently, in addition to CereCare, Mr. Marting has held various financial, merchant and investment banking positions serving a variety of industries in strategic and operational finance. Mr. Marting graduated from Yale University in 1969, with a BA in English and holds an MBA from Harvard Business School. Mr. Marting is also a Navy veteran, including service as a member of the US Navy SEAL Team Two.

Mr. Marting will join the audit and finance committee and the nominating and governance committee of the Board of Directors and will be eligible to receive all of the compensation and benefits provided for non-employee directors, including those described in Annex A to the Company’s Compensation Committee charter.

The press release announcing the changes to the board of the Company is attached hereto as Exhibit 99.1 and incorporated herein by reference.
