**E-DEBIT GLOBAL CORPORATION ANNOUNCES LAUNCH OF ITS
MICRO PAYMENT AND LOYALT CARD SYSTEM**

Calgary, Alberta E-Debit Global Corporation (E-Debit) announced today launch and deployment of wholly owned subsidiary E-Debit International Inc. (E-Debit International) Micro Payment and Loyalty Card System and Platform for deployment of the E-Debit loyalty, prepaid and debit Card program.

Management s Commentary:

As a result of our recent announcement related to our strategic partnership and equity stake in ebackup Inc. E-Debit is commencing the launch and deployment of our E-Debit loyalty, prepaid and debit Card program advises E-Debit Chief Executive Doug Mac Donald. With ebackup Inc. supplying the additional technical expertise, PCI compliant data centre, technical support, and data protection services we now have the complete end to end infrastructure to initiate our card program.

With the Canadian card product marketplace transitioning over to Chip card security (identified as EMV standards) E-Debit s switching operations has successfully implemented its Interac certification enabling all Canadian Interac card products with the chip embedded security to be utilized in all bank machines processed through E-Debit. E-Debit card products will run on the EMV protocol which is the current state of the business worldwide .

The Canadian financial services industry is the best in the world and E-Debit shares in this marketplace through its strategic business relationships and our leading world class financial processing capabilities. This position allows for our move into the Card Payment services sector utilizing not only our historical world leading enhanced PIN based security but our chip card security experience and capabilities. Currently E-Debit processes in excess of eleven million (\$11,000,000) a month throughout its wholly owned Canadian ATM estate and we will grow our transaction processing as we continue to expand our processing platform and card program along with their related services advises Mac Donald.
