**Annual and Special Meeting of Shareholders
to be held on April 26, 2006
MANAGEMENT PROXY CIRCULAR
SOLICITATION OF PROXIES**

This Management Proxy Circular (the Information Circular) is furnished in connection with the solicitation by the management of Oncolytics Biotech Inc. (Oncolytics or the Corporation) of proxies to be used at the annual and special meeting (the Meeting) of the shareholders (the Shareholders) of the Corporation, which is to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and in this Information Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation.

Appointment of Proxyholders and Revocation of Proxies

Bradley G. Thompson and Douglas A. Ball (the management designees named in the accompanying Instrument of Proxy) are both officers of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than Bradley G. Thompson or Douglas A. Ball, to represent the Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the other person in the blank space provided on the Instrument of Proxy or complete another appropriate form of proxy. A form of proxy will not be valid unless it is deposited at the offices of Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, (fax number: 905-771-4414) not less than forty-eight (48) hours (excluding Saturdays and holidays) before the time of the Meeting, or any adjournment thereof.

A Shareholder who has given a form of proxy may revoke it, in any manner permitted by law including, by instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, executed by a duly authorized officer or attorney of the corporation and deposited either at the registered office of the Corporation, being Bennett Jones LLP, 4500 Bankers Hall East, 855 2nd Street S.W., Calgary, Alberta T2P 4K7, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the form of proxy is to be used, or with the Chairman of such Meeting on the day of the Meeting or any adjournment thereof. In addition, a form of proxy may be revoked by the Shareholder personally attending at the Meeting and voting his or her shares.

Signing of Proxy

The Instrument of Proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer. An Instrument of Proxy signed by a person acting as attorney or in some other representative capacity (including a

- 2 -

representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Voting of Proxies and Exercise of Discretion by Proxyholders

All common shares of the Corporation (Common Shares) represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the Instrument of Proxy, the Common Shares represented by the proxy will be voted in accordance with such instructions. The management designees named in the accompanying Instrument of Proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing them on any ballot that may be called for at the Meeting. **In the absence of such direction, the Common Shares will be voted FOR: (i) the election of directors set forth in this Information Circular; (ii) the reappointment of Oncolytics' current auditors, at such remuneration as may be determined by the board of directors of the Corporation; (iii) the approval by way of ordinary resolution, of an increase in the number of Common Shares reserved for issuance pursuant to the Corporation's stock option plan (the Plan); and (iv) the approval by way of a special resolution, of the amendment to the articles of the Corporation, all as more particularly described in this Information Circular. The accompanying Instrument of Proxy also confers discretionary authority upon the persons named therein with respect to amendments of, or variations to, the matters identified in the Notice of Annual and Special Meeting and with respect to other matters that may properly be brought before the Meeting.** At the time of printing this Information Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Annual and Special Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS OF COMMON SHARES

Voting of Common Shares - General

The record date for the purpose of determining holders of Common Shares is March 17, 2006. Shareholders of record on that date are entitled to receive notice of and attend the Meeting and vote thereat on the basis of one vote for each Common Share held, except to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares, subsequent to March 17, 2006; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting in which case the transferee shall be entitled to vote his or her Common Shares at the Meeting. The transfer books will not be closed.

As at the date hereof, there were 36,236,748 Common Shares issued and outstanding.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular as Beneficial Shareholders) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If the Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in the

-3-

Shareholder's name on the records of the Corporation. Such shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The purpose of the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communications (ADP). ADP typically mails a special proxy form to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to ADP. Alternatively, Beneficial Shareholders can either call their toll-free telephone to vote their Common Shares or access ADP's dedicated voting website at www.proxyvotecanada.com to deliver their voting instructions. ADP then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a proxy form from ADP cannot use that proxy to vote shares directly at the Meeting – the proxy must be returned to ADP well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the Instrument of Proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Principal Holders of Common Shares

To the best of the knowledge of the directors and executive officers of the Corporation, as at the date hereof, no persons or companies beneficially own, directly or indirectly, or exercise control or direction over, shares that carry more than 10% of the voting rights attached to the issued Common Shares other than as set forth below:

Name and Address	Number of Oncolytics Common Shares Owned	Percentage of Oncolytics Common Shares
Mellon Financial Corporation Pittsburgh, Pennsylvania	3,716,799 ⁽¹⁾	10.25%

The following table sets forth certain information respecting the numbers and accrued value of unexercised stock options as at December 31, 2005 and options exercised by the Named Executive Officers during the financial year ended December 31, 2005:

	Securities Acquired on Exercise (#)	Aggregate Value Realized (\$) ⁽¹⁾	Unexercised Options at December 31, 2005		Value of Unexercised : in-the-Money Options at December 31, 2005

Douglas A. Ball	Nil		641,500		\$ 293,070	
Dr. Matthew Coffey	Nil		677,500		\$ 1,547,420

- (1) The aggregate value realized represents the dollar value equal to the difference between the exercise price of the options exercised and the market value of the Common Shares on the Toronto Stock Exchange on the date the options were exercised, multiplied by the number of options exercised.
- (2) The value of the unexercised in-the-money options has been determined by subtracting the exercise price of the options from the closing Common Share price of \$5.24 on December 31, 2005, as reported by the Toronto Stock Exchange, and multiplying by the number of Common Shares that may be acquired upon the exercise of the options.

Employment Contracts

The Corporation has entered into employment agreements with each of the Named Executive Officers (each an Employment Agreement). Pursuant to the terms of the Employment Agreements, Dr. Thompson is entitled to an annual salary of \$349,982 for the calendar year 2006, Mr. Ball is entitled to an annual salary of \$228,000 for the calendar year 2006 and Dr. Coffey is entitled to an annual salary of \$228,000 for the calendar year 2006. Further, each Named Executive Officer is entitled to additional benefits and performance-based bonuses. The Employment Agreements provide that each Named Executive Officer is subject to certain confidentiality and non-competition restrictions during and following the course of their respective employment with the Corporation. Each Employment Agreement shall continue until terminated by either party in accordance with the notice provisions thereof.

Termination of Employment or Change of Control

If an Employment Agreement is terminated by the Corporation other than for cause, then all unexercised and unvested stock options then held by the Named Executive Officer shall forthwith vest and become exercisable and the Named Executive Officer shall be entitled to 12 months pay in lieu of notice; except for the President and Chief Executive Officer who is entitled to 18 months pay in lieu of notice. Further, if there is a change of control of the Corporation and a Named Executive Officer is terminated without cause within two years following such change of control, then the Named Executive Officer shall be entitled to 24 months pay in lieu of notice; except for the President and Chief Executive Officer who is entitled to 36 months pay in lieu of notice.

Compensation of Directors

Each director who is not a salaried employee of the Corporation is entitled to a fee of \$1,500 per board meeting attended and \$750 per committee meeting attended (\$1,500 in respect of audit committee meetings attended). The Corporation also grants to directors, from time to time, stock options in accordance with the Plan and the reimbursement of any reasonable expenses incurred by them while acting in their directors capacity. In the aggregate, a total of \$52,500 in director s fees was paid to the

- 6 -

board of directors of the Corporation (the Board or Board of Directors) during the fiscal year ended December 31, 2005. During the fiscal year ended December 31, 2005, there were no options granted to the directors.

Composition of the Compensation Committee

The Corporation has formed a Compensation Committee consisting of two outside directors (Dr. Noujaim and Mr. Stewart for the first portion of the year and Mr. Stewart and Dr. Cochrane for the latter portion of the year), neither of whom are nor have been employees or officers of the Corporation or any of its affiliates. Mr. Stewart is presently the Chair of the Compensation Committee.

Report on Executive Compensation

In arriving at its compensation decisions, the Compensation Committee considers the long-term interests of the Corporation as well as its current stage of development. Based on these factors, compensation is focused on performance-based factors. The Compensation Committee undertakes market comparisons and provides advice to the Board of Directors on developing appropriate compensation arrangements, based on information from other corporations, published data and reports from external consultants. The Compensation Committee also makes specific recommendations to the board of directors of Oncolytics with respect to compensation paid to the Corporation's executive and senior officers.

The objectives of the Corporation's compensation arrangements are: (i) to attract and retain key personnel; (ii) to encourage commitment to the Corporation and its goals; (iii) to align executive interests with those of its shareholders; (iv) to reward executives for performance in relation to predetermined and quantifiable goals; and (v) to identify and focus executives on key business factors that affect shareholder value.

Indebtedness of Directors and Senior Officers

No director, officer or proposed nominee for election as a director of the Corporation or any associate of any such persons is, or has been, indebted to the Corporation.

Interest of Insiders in Material Transactions

Pursuant to an assignment dated July 29, 1999, the obligation to make certain milestone and royalty payments to the parties that sold shares in the Corporation to SYNSORB Biotech Inc. (SYNSORB) was assigned from SYNSORB to the Corporation. The Corporation thereby agreed to indemnify and save harmless SYNSORB from all actions, suits, demands, claims, costs, losses, expenses, charges and damages brought against SYNSORB in relation to the payment or non-payment of such obligations; however, such assignment does not affect or release SYNSORB from its liabilities and responsibilities under the terms of a share purchase agreement dated April 21, 1999 providing for the acquisition by SYNSORB of all of the then outstanding Common Shares. Part of the milestone and royalty payments outlined in the share purchase agreement will be payable by the Corporation to, among others, Dr. Thompson and Dr. Coffey in partial consideration for the sale of their shares of the Corporation to SYNSORB.

Other than as discussed herein, there are no material interests, direct or indirect, of directors, senior officers, any shareholder who beneficially owns, directly or indirectly, more than 10% of the outstanding Common Shares or any known associate or affiliates of such persons, in any transaction within the last

- 8 -

three years or in any proposed transaction which has materially affected or would materially affect the Corporation.

EQUITY COMPENSATION PLAN INFORMATION

Under the Plan, as amended, the Board of Directors or the Compensation Committee may from time to time designate directors, officers, employees of, or providers of services to, the Corporation to whom options to purchase Common Shares of the Corporation may be granted and the number of Common Shares to be optioned to each. Currently there are 3,662,461 Common Shares reserved for issuance pursuant to the Plan, which represents approximately 10% of the issued and outstanding Common Shares. At the Meeting, a resolution will be proposed to amend the Stock Option Plan to increase the number of Common Shares reserved for issuance thereunder. See Amendment to Stock Option Plan to Increase the Number of Shares Reserved for Issuance .

The number of Common Shares available that may be acquired under an Option granted to a Participant (as defined in the Plan) shall be determined by the Board as at the time the Option is granted, provided that: (i) the aggregate number of Common Shares reserved for issuance under this Plan, together with all other security based compensation arrangement of the Corporation, to insiders shall not exceed 10% of the issued and outstanding Common Shares (calculated on a non-diluted basis); (ii) the aggregate number of Common Shares issued pursuant to this Plan, together with all other security based compensation arrangement of the Corporation, within a one year period shall not exceed 10% of the issued and outstanding Common Shares (calculated on a non-diluted basis); and (iii) the aggregate number of Common Shares reserved for issuance to any one Participant under this Plan, together with all other security based compensation arrangements of the Corporation, shall not exceed five percent of the total number of issued and outstanding Common Shares (calculated on a non-diluted basis).

Options may be exercised at a price (the Exercise Price) which shall be fixed by the Board at the time the Option is granted. No Option shall be granted with an Exercise Price at a discount to the market, which shall be the closing price of the Common Shares on the stock exchange upon which the Common Shares are listed on the first day preceding the date of grant on which at least one board lot of Common Shares traded on such exchange.

Options are generally granted for a term expiring on the tenth anniversary of the date of grant and typically either vest immediately or as to one-third on each of the first, second and third anniversaries following the date of grant.

Subject to any written agreement between the Corporation and a Participant providing otherwise, if any Participant who is a director, officer, employee or consultant of the Corporation shall cease to be a director, officer, employee or consultant of the Corporation for any reason other than death or permanent disability, his Option will terminate immediately as to the then unvested portion thereof, and at 5:00 p.m. (Calgary time) on the earlier of the date of expiration of the Option Period (as defined in the Plan) and the ninetieth (90th) day after the date such Participant ceases to be a director, officer, employee or consultant of the Corporation as to the then vested portion of the Option. Notwithstanding the foregoing, the Board may, at its sole discretion, extend the period during which any Options may be exercised, in the case of Options held by non-management Directors, by not more than one (1) year, and in the case of Options held by other persons, by not more than three (3) years, but in no case longer than the normal expiry of the options.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The Board of Directors is responsible for overseeing the management of the business and affairs of the Corporation. The Board of Directors is responsible for establishing the Corporation's policy direction and fundamental objectives. The Board of Directors delegates to management the responsibility and authority to direct the Corporation's day-to-day operations, subject to compliance with Board-approved budgets and strategic plans. Certain matters, including the acquisition or development of new lines of business, divestments and long-term financing, among other things, must be approved in advance by the Board of Directors.

The Board of Directors discharges its responsibilities through preparation for and attendance at regularly scheduled meetings, and through its committees. The Board of Directors reviews and provides advice with respect to key strategic initiatives and projects, and reviews and assesses processes relating to long range planning and budgeting. The Corporate Governance and Nominating Committee assists the Board in matters pertaining to corporate values, beliefs and standards of ethical conduct, as well as other corporate governance issues and the Audit Committee assists the Board in matters pertaining to management information and internal control systems. The Board of Directors also monitors financial reports, the conduct and results of the annual independent audit, finance and accounting policies and other financial matters. In addition, the Audit Committee reviews and approves the Corporation's interim financial statements, and reviews and recommends the year end audited financial statements for approval by the Board. The Board of Directors also has a Compensation Committee, which is responsible for attracting, retaining and fairly compensating employees of the Corporation. This Committee is also responsible for succession planning. Subject to limited exceptions, these committees generally do not have decision-making authority. Rather, they convey their findings and make recommendations on matters falling within their respective mandates to the full Board of Directors. The Board of Directors supports the principle that its membership should represent a diversity of backgrounds, experience and skills. The Board, through the Corporate Governance and Nominating Committee, reviews on an annual basis the appropriate characteristics of Board members in the context of the current composition of the Board and the objectives and needs of the Corporation.

The following represents a tabular review of the corporate governance guidelines as outlined in National Instrument 58-101 Disclosure of Corporate Governance Practices, and the Corporation's alignment with each of them.

APPOINTMENT OF AUDITORS

The Corporation has requested that Ernst & Young LLP, Chartered Accountants of Calgary, Alberta act as independent auditors for the Corporation subject to Shareholder approval. **Unless otherwise directed, it is management's intention to vote the proxies in favour of an ordinary resolution to appoint the firm of Ernst & Young LLP, Chartered Accountants, as auditors of the Corporation to hold office until the close of the next annual meeting of Shareholders or until the firm of Ernst & Young LLP, Chartered Accountants is removed from office or resigns as provided by law or by the Corporation's by-laws, and to authorize the directors of the Corporation to fix the remuneration of Ernst & Young LLP, Chartered Accountants, as auditors of the Corporation.** Ernst & Young LLP, Chartered Accountants, have been the auditors of the Corporation, since August 27, 1999.

AMENDMENT OF STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES RESERVED FOR ISSUANCE

At the Meeting, a resolution will be proposed to amend the Plan to increase the number of Common Shares reserved for issuance thereunder in order to allow room in the Plan to grant stock options to the current independent members of the Board of Directors and to grant stock options to any new independent members of the Board of Directors. The Plan was established in October, 1999 with the aggregate number of Common Shares reserved for issuance under the Plan limited to ten percent of the total number of issued and outstanding Common Shares. Accordingly, as the number of issued and outstanding Common Shares increased, the number of stock options available for grant also increased. The Plan was amended at each of the annual meetings of shareholders in 2001, 2002, 2003, and 2004. In 2004 the Plan was amended to, among other things, fix the total number of Common Shares reserved for issuance, to 4,033,711, or

approximately 14% of the then issued and outstanding Common Shares.

Since May 26, 2004, a total of 21,000 options have been surrendered for cancellation and a total of 7,176,627 Common Shares have been issued pursuant to various private placements, upon the exercise of securities convertible into Common Shares and upon the exercise of options, resulting in the Corporation having 36,236,748 Common Shares issued and outstanding as at the date hereof and leaving a total of 3,662,461 Common Shares reserved for issuance under the Plan (approximately 10% of the current issued and outstanding Common Shares). Currently, there are options outstanding to purchase 3,634,550 Common Shares, leaving 27,911 Common Shares available for future grants. The Board of Directors has determined that an additional 160,000 Common Shares be reserved for issuance under the Plan and the fixed maximum number of Common Shares reserved under the Plan be amended accordingly. The Board of Directors recommends this increase and believes that it is in the best interest of the Corporation as it would allow the Corporation to grant options to new independent directors as well as to grant stock options to the current independent directors thereby encouraging longer term commitment and performance consistent with shareholder expectations. The issuance of stock options has been a critical component of the Corporation's total compensation practices. Management and the Compensation Committee of the Corporation manage compensation by ensuring that its directors, officers and employees are competitively compensated with respect to salary and benefits, performance bonuses and stock options. This practice enables the Corporation to attract and maintain top quality people.

- 17 -

The following table sets forth the number of Common Shares which may be subject to options granted under the Plan, after the proposed amendment and the ratification of the option grants described below, as at the date hereof:

	Common Shares Subject to Outstanding Options	Common Shares Available for Future Option Grants	Options Exercised	Maximum Common Shares subject to and Available for Option Grants
Currently Approved	3,634,550	27,911	371,250 ⁽¹⁾	3,662,461
Proposed Increase		160,000		160,000
Total	3,634,550	187,911	371,250	3,822,461
Percentage of Outstanding Common Shares	10.03%	0.52%	1.02%	10.55%

Notes:

(1) Represents the number of options exercised since May 26, 2004, the date the Shareholders last approved an increase in the number of Common Shares reserved for issuance pursuant to the Plan.

If the Shareholders approve this amendment to the Plan, the number of Common Shares reserved for issuance pursuant to the Plan will represent approximately 10.5% of the issued and outstanding Common Shares.

At the Meeting, Shareholders will be asked to approve the following resolution:

BE IT RESOLVED, as an ordinary resolution of the shareholders of Oncolytics Biotech Inc. (the Corporation), that the amendment to the Corporation's Stock Option Plan to increase the maximum number of common shares issuable pursuant to the exercise of options granted thereunder by 160,000 common shares, as described in the Information Circular of the Corporation dated March 24, 2006, be and is hereby approved and authorized.

The foregoing resolution must be approved by a simple majority of votes cast by Shareholders who vote in person or by proxy at the Meeting with respect to this resolution.

AMENDMENT TO ARTICLES

At the Meeting, a resolution will be proposed to remove the specified locations for meeting of Shareholders. Currently, paragraph (f) of Schedule C to the articles of the Corporation provide that meetings of the Shareholders may be held at any place within Alberta or at any of the following cities: Vancouver, British Columbia; Victoria, British Columbia; Winnipeg, Manitoba; Toronto, Ontario; Montreal, Quebec; or Halifax, Nova Scotia. Recent amendments to the *Business Corporations Act* (Alberta), which came into force on May 17, 2005, have removed the requirement for the articles to specify a specific location in order for meetings to be held outside of Alberta. The Corporation's business activities and its shareholder base are increasingly located around the globe with a particular focus in the United States and Europe. The Board of Directors recommends this amendment and believes that it is in the best interest of the Corporation and the Shareholders to allow for flexibility with respect to the location of Shareholder Meetings, allowing the Corporation to grow and meet the needs of a global shareholder base. At the Meeting, Shareholders will be asked to approve the following resolution:

- 18 -

1. Pursuant to subsection 173(1)(n) of the Business Corporations Act (Alberta), paragraph (f) of the Schedule of Other Provisions to the Articles of the Corporation is hereby deleted and replaced with the following:

2. Pursuant to subsection 180(1) of the *Business Corporations Act* (Alberta), the Articles of the Corporation shall be amended and restated accordingly.

The Board is essentially accountable to shareholders. In pursuing its objectives, the Board recognizes that the Corporation affects and is affected by many stakeholders. The Board will take these relationships into consideration in discharging its responsibilities, but these relationships do not change the nature of the Board's accountability.
