PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 28, 2009

SOLICITATION AND VOTING OF PROXIES

Community West Bancshares (Company or CWBC) is furnishing this Proxy Statement to its shareholders in connection with the solicitation by the Board of Directors (Board) of proxies to be used at the Annual Meeting (Meeting) of Shareholders, to be held on Thursday, May 28, 2009 at 6:00 P.M. PDT at La Cumbre Country Club, 4015 Via Laguna, Santa Barbara, California 93110, and at any and all adjournments and postponements thereof. The designated proxyholders (Proxyholders) are members of the Company's management. Only shareholders of record (shareholders) on March 31, 2009 (Record Date) are entitled to notice of and to vote in person or by proxy at the Meeting or any adjournment or postponement thereof. This Proxy Statement and the enclosed proxy card (Proxy) first will be mailed to shareholders on or about April 14, 2009. The Company's Annual Report to Shareholders, including consolidated financial statements for the year ended December 31, 2008, accompanies this Proxy Statement.

Regardless of the number of shares of Common Stock of the Company (Common Stock) owned, it is important that the holders of a majority of shares be represented by proxy or be present in person at the Meeting. Shareholders are requested to vote by completing the enclosed Proxy and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are to indicate their vote in the spaces provided on the Proxy. Proxies solicited by the Board will be voted in accordance with the directions given therein. Where no instructions are indicated, signed Proxies will be voted "FOR all nominees" for the election of the nominees named in this Proxy Statement. If any other business is properly presented at the Meeting, the Proxy will be voted in accordance with the recommendations of the Board.

Other than the matters set forth on the attached Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Meeting. Execution of a Proxy, however, confers to the designated Proxyholders discretionary authority to vote the shares in accordance with the recommendations of the Board on such other business, if any, which may properly come before the Meeting and at any adjournments or postponements thereof, including whether or not to adjourn the Meeting. In addition, the Proxy being solicited confers, and the holders of each Proxy shall have, discretionary authority to vote with respect to any matter if the Company did not have notice of such matter by February 21, 2009, which is at least 45 days before the date on which the Company first mailed its proxy materials for the prior year's Annual Meeting of Shareholders.

You may revoke your Proxy at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed Proxy bearing a later date, or by attending the Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need to provide appropriate documentation from the record holder to vote personally at the Meeting.

The following matters will be considered and voted upon at the Meeting:

1. Election of Directors. To elect eight persons to the Board of Directors of the Company to serve until the 2010 Annual Meeting of Shareholders and until their successors are elected and have qualified. The following persons are the Board of Directors' nominees:

Robert H. Bartlein
Jean W. Blois
John D. Illgen
Lynda J. Nahra

William R. Peeples
James R. Sims, Jr.
Kirk B. Stovesand
C. Richard Whiston

2. Shareholder Advisory (Non-Binding) Vote on Executive Compensation. To consider and approve the following advisory (non-binding) proposal:

1

“RESOLVED, that the shareholders of Community West Bancshares approve the compensation of executive officers as described under the heading “Executive Compensation” including the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure.”

3. Other Business. To transact such other business as may properly come before the Meeting and any adjournment thereof, including, without limitation, approving an adjournment(s) of the Meeting, if necessary, to solicit additional proxies for the eight nominees for election.

This solicitation of proxies is being made by the Board. The expense of solicitation of proxies for the Meeting will be borne by the Company. It is anticipated that proxies will be solicited primarily through the use of the mail. Proxies may also be solicited personally or by telephone by Directors, officers and employees of the Company, and its wholly-owned subsidiary, Community West Bank (CWB or Bank), without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, that are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so. The total estimated cost of the solicitation is \$12,000.

VOTING SECURITIES

The securities that may be voted at the Meeting consist of shares of Common Stock. The close of business on March 31, 2009 has been fixed by the Board as the Record Date for the determination of shareholders of record entitled to notice of and to vote at the Meeting and at any adjournments or postponements thereof. The total number of shares of Common Stock outstanding on the Record Date was 5,915,130 shares. Each shareholder is entitled to one vote, in person or by proxy, for each share as of the Record Date, except that in the election of Directors, each shareholder has the right to cumulate votes provided that the candidates' names have been properly placed in nomination prior to commencement of voting and a shareholder has given notice of their intention to cumulate votes prior to commencement of voting. Cumulative voting entitles a shareholder to give one candidate a number of votes equal to the number of Directors to be elected, multiplied by the number of shares of Common Stock held by that shareholder, or to distribute such votes among as many candidates as the shareholder deems fit. The candidates receiving the highest number of votes, up to the number of Directors to be elected, will be elected.

Of the shares of Common Stock outstanding on the Record Date, 1,178,015 shares of Common Stock (19.92%) of the issued and outstanding shares of Common Stock were beneficially owned by Directors and executive officers of the Company. Such persons have informed the Company that they will vote “FOR” the election of the nominees to the Board. Under California law and the Company's Bylaws, a quorum consists of the presence in person or by proxy of a majority of the shares entitled to vote at the Meeting, and a matter (other than the election of Directors) voted on by shareholders will be approved if it receives the vote of a majority of the shares both present and voting, which shares also constitute a majority of the required quorum, unless the vote of a greater number of shares is required. Abstentions and broker non-votes will be included in the number of shares present at the Meeting and entitled to vote for the purpose of determining the presence of a quorum. Accordingly, in the event the number of shares voted affirmatively does not represent a majority of the required quorum, abstentions and broker non-votes will have the effect of a “no” vote. Abstentions and broker non-votes do not have the effect of votes in opposition to any nominee for election of Director.

Further, the advisory proposal regarding the compensation of the Company's Named Executive Officers will be approved if a majority of the votes cast are “FOR” the proposal. Abstentions and broker non votes will have no impact on the approval of the advisory proposal.

If you hold Common Stock in “street name” and you fail to instruct your broker or nominee as to how to vote such Common Stock, your broker or nominee may, in its discretion, vote such Common Stock “FOR” the election of the Board nominees.

Audit Committee Report

The Report of the Audit Committee of the Board shall not be deemed filed under the Securities Act of 1933 (Securities Act) or under the Exchange Act.

The Board maintains an Audit Committee comprised of four of the Company's Directors, who each met the independence and experience requirements of NASD Rule 4200 (a) (15). The Audit Committee assists the Board in monitoring the accounting, auditing and financial reporting practices of the Company. The Audit Committee operates under a written charter, which was last amended on December 20, 2007 and last ratified on December 18, 2008, and is assessed annually for adequacy by the Audit Committee. A copy of the Charter is included as Appendix A to the Company's 2008 Proxy Statement, as filed with the SEC on April 7, 2008, and is available at www.sec.gov.

Based on the attributes, education and experience requirements required by NASD Rule 4350 (d) (2) (A), the requirements set forth in section 407 of the Sarbanes-Oxley Act of 2002 and associated regulations, the Board has identified William R. Peebles as an "Audit Committee Financial Expert" as defined under Item 407 (d) (5) of Regulation S-K, and has determined him to be independent.

Management is responsible for the preparation of the Company's financial statements and financial reporting process, including its system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee:

- Reviewed and discussed with management the audited financial statements contained in the Company's Annual Report on Form 10-K for fiscal 2008; and
- Obtained from management their representation that the Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

The Company's independent auditors, Ernst & Young LLP (Ernst), are responsible for performing an audit of the Company's financial statements in accordance with the auditing standards generally accepted in the United States and expressing an opinion on whether the Company's financial statements present fairly, in all material respects, the Company's financial position and results of operations for the periods presented and conform with accounting principles generally accepted in the United States. In fulfilling its oversight responsibilities, the Audit Committee:

- Discussed with Ernst the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T; and
- Received and discussed with Ernst the written disclosures and the letter from Ernst required by applicable requirements of PCAOB regarding Ernst's communications with the Audit Committee concerning independence, and reviewed and discussed with Ernst whether the rendering of the non-audit services provided by them to the Company during fiscal 2008 was compatible with their independence.

In addition, the Company received a letter from Ernst to the effect that Ernst's audit of the Company was subject to its quality control system for the United States accounting and auditing practice to provide reasonable assurance that the engagement was conducted in compliance with professional standards, that there was appropriate continuity of Ernst personnel working on the audit and the availability of national office consultation.

In performing its functions, the Audit Committee acts only in an oversight capacity. It is not the responsibility of the Audit Committee to determine that the Company's financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly the results of

operations of the Company for the periods presented or that the Company maintains appropriate internal controls. Nor is it the duty of the Audit Committee to determine that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's auditors are independent.

Based upon the reviews and discussions described above, and the report of Ernst, the Audit Committee has recommended to the Board, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission.

Nominating and Corporate Governance Committee

The Company's Nominating and Corporate Governance Committee (NCGC Committee) was established in February 2004 and the committee charter (Charter) was approved. The latest version was approved in December 2006 and is included as Appendix A to the Company's 2007 Proxy Statement, as filed with the SEC on April 12, 2007, and is available at www.sec.gov. The NCGC Committee, consisting of three independent Directors, makes recommendations to the Board regarding the Board's composition and structure, nominations for elections of Directors and policies and processes regarding principles of corporate governance to ensure the Board's compliance with its fiduciary duties to the Company and its shareholders. The NCGC Committee reviews the qualifications of, and recommends to the Board, candidates as additions, or to fill Board vacancies, if any were to occur during the year.

The NCGC Committee will consider, as part of its nomination process, any Director candidate recommended by a shareholder of the Company who follows the procedures in this Proxy Statement shown under the heading "2009 Shareholder Proposals" set forth below. The NCGC Committee will follow the processes in the Charter when identifying and evaluating overall Board composition and individual nominees to the Board.

Additional information regarding (i) the NCGC Committee's policy with regard to the consideration of any Director candidates recommended by security holders and related procedures to be followed by security holders in submitting such recommendations, (ii) minimum qualifications of Director candidates, and (iii) the NCGC Committee's process for identifying and evaluating nominees for Directors, is incorporated herein by reference to the Charter.

Personnel / Compensation Committee

The Personnel / Compensation Committee (PCC) is responsible for reviewing and approving the Company's overall compensation and benefit programs and for administering the compensation of the Company's executive and senior officers. There currently is no formal charter enumerating the PCC's functions and objectives.

The PCC's functions and objectives are: (i) to determine the competitiveness of current base salaries, annual and long-term incentives relative to specific competitive markets for the President and Chief Executive Officer and other senior management; (ii) to develop a performance review mechanism that has written objectives and goals which are used to make salary increase determinations; (iii) to develop an annual incentive plan for senior management; and (iv) to provide guidance to the Board in its role in establishing objectives regarding executive compensation. The PCC's overall compensation philosophy is as follows: (i) to attract and retain quality talent which is critical to both short-term and long-term success; (ii) to reinforce strategic performance objectives through the use of incentive compensation programs; (iii) to create a mutuality of interest between executive and senior officers and shareholders through compensation structures that share the rewards and risks of strategic decision-making; and (iv) to encourage executives to achieve substantial levels of ownership of stock in the Company.

On February 17, 2009, the American Recovery and Reinvestment Act (ARRA) was signed into law which amends several key provisions of the 2008 Emergency Economic Stabilization Act of 2008 (EESA). EESA, as amended by

ARRA, applies to the Company for so long as any obligation resulting from the Company's participation in the Troubled Asset Relief Program – Capital Purchase Program remains outstanding and requires that: (i) the PCC be comprised entirely of independent directors; (ii) the PCC meet at least semiannually to discuss and evaluate employee compensation plans in light of an assessment of any risk posed to the Company from such plans; and (iii) provide certain certifications that the PCC has reviewed with the Company's senior risk officers the incentive compensation arrangements and has made reasonable efforts to ensure that such arrangements do not encourage such officers to take unnecessary or excessive risks that threaten the value of the Company.

PROPOSAL 2

A NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF
THE NAMED EXECUTIVE OFFICERS

ARRA requires the Company, during the period in which any obligation arising from the Company's participation in the Trouble Asset Relief Program - Capital Purchase Program (TARP-CPP) remains outstanding to submit to the Company's shareholders a non-binding vote on the compensation of the Company's Named Executive Officers, as described in the section entitled "EXECUTIVE COMPENSATION" below, including the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in this Proxy Statement.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies through the following resolution:

"RESOLVED, that the shareholders of Community West Bancshares approve the compensation of executive officers as described under the heading "EXECUTIVE COMPENSATION," including the tabular disclosure regarding named executive officer compensation and the accompanying the narrative disclosure in this Proxy Statement."

This vote shall not be binding on the Board of Directors and will not be construed as overruling a decision by the Board nor create or imply any additional fiduciary duty by the Board. However, the PCC will take into account the outcome of the vote when considering future executive compensation arrangements.

In voting to approve the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the meeting. On this matter, abstentions will have no effect on the voting. The Board of Directors believes that the compensation practices of the Company are designed to accomplish the objectives of the PCC's compensation philosophy, and they are appropriately aligned to the long-term success of the Company and the interests of shareholders.

The Board of Directors recommends a vote "FOR" approval of the compensation of the Named Executive Officers.

The grant date fair value of option awards granted was determined in accordance with Statement of Financial Accounting Standards No. 123R (SFAS 123R) and is recognized as compensation cost over the requisite service period. The terms of the 1997 and 2006 Plans are described in "Employment Arrangements and Other Factors Affecting 2006 Compensation". Furthermore, the amount recognized for these awards was calculated based on the Black-Scholes option-pricing model. See the Company's Annual Report on Form 10-K, at Note 8 to the Company's Financial Statements for the year ended December 31, 2008.

(2) Column represents 401(k) Company match for all executives. (3) Mr. Favor commenced his position as of 9/07.

EMPLOYMENT ARRANGEMENTS AND OTHER FACTORS AFFECTING 2008 COMPENSATION

Employment Arrangements

Ms. Nahra and Messrs. Baltuskonis and Favor (Named Executive Officers) have entered into written employment agreements with the Company. For a description of the material terms of such employment agreement, please see "Potential Payments upon Termination or Change-In-Control" herein.

In connection with the Bank's participation in TARP-CPP, each Named Executive Officer has entered into a written agreement with the Company pursuant to which they have agreed to certain modifications to compensation, bonus, incentive and other benefit plans, arrangements and agreements, including golden parachute, severance and employment agreements (Benefit Plans). The modifications to the Benefit Plans are intended to comply with the requirements for executive compensation set forth in EESA pursuant to which the TARP-CPP was authorized. These agreements modify Benefit Plans in the following ways: (i) the payment of golden parachutes to the Named Executive Officers is prohibited; (ii) any bonus and incentive compensation paid to a Named Executive Officer is subject to recovery or "clawback" by the Company if the payments were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria; and (iii) compensation incentives for Named Executive Officers to take unnecessary and excessive risks that threaten the value of the Company are prohibited.

In addition, EESA, as subsequently amended by ARRA in February 2009, imposes additional limitations on executive compensation which will apply for so long as any obligation arising from the Company's participation in TARP-CPP remains outstanding. Prior to the enactment of ARRA however, Treasury issued Guidelines clarifying the executive compensation limitations on EESA. To the extent these Guidelines conflict with the express provisions of EESA, as now amended by ARRA, the provisions of ARRA control. The following are some key features of the new executive compensation restrictions in ARRA:

- ARRA prohibits bonus and similar payments to top employees. ARRA prohibits the payment of any "bonus, retention award, or incentive compensation" to the Company's "most highly-compensated employee" for so long as any obligation arising from the Company's participation in TARP-CPP remains outstanding. The prohibition does not apply to bonuses payable pursuant to "employment agreements" in effect prior to February 11, 2009. ARRA does not explain how to identify the "most highly-compensated employee" and does not define "incentive compensation." The Treasury Guidelines do not contain a similar limit on bonuses. Instead, the Treasury Guidelines impose a \$500,000

annual compensation cap for a company's senior executive officers, but allows the cap to be waived for all companies other than those receiving "exceptional" assistance. The Company has not received "exceptional assistance," as this term is used in the Treasury Guidelines. Waiver under the Treasury Guidelines is conditioned on the Company's full disclosure of compensation and allowing shareholders a non-binding "say-on-pay" vote.

- Limited amount of restricted stock excluded from bonus prohibition. "Long-term" restricted stock is excluded from ARRA's bonus prohibition, but only to the extent the value of the stock does not exceed one-third of the total amount of annual compensation of the employee receiving the stock, the stock does not "fully vest" until after all TARP-CPP-related obligations have been satisfied, and any other conditions which the Treasury may specify have been met. The Treasury Guidelines also exempt an unlimited amount of restricted stock from the \$500,000 annual compensation cap described above. Neither ARRA nor the Treasury Guidelines explain how to value various items, such as equity compensation, indirect compensation such as benefits and taxes, when assessing this limit.

- Shareholder “say-on-pay” vote required. ARRA requires every company receiving TARP-CPP assistance to permit a non-binding shareholder vote to approve the compensation of executives as disclosed in the Company’s Proxy Statement. The Treasury Guidelines contain a similar requirement but only for companies receiving “exceptional assistance.” ARRA directs the SEC to adopt regulations within 1 year to implement say-on-pay. The Company has included a say-on-pay proposal as Item 2 in this Proxy Statement.
- Stricter restrictions on “golden parachute” payments. EESA generally limited “golden parachute” payments to senior executives to three times the executives’ base compensation. ARRA prohibits any payment to a senior executive officer or any of the next five most highly-compensated employees upon termination of employment for any reason for as long as any TARP-CPP-related obligations remain outstanding. For all companies other than companies receiving “exceptional assistance,” the Treasury Guidelines limit golden parachute payments to 1 time base compensation and only apply the limit to the senior executive officers.
- Broader bonus clawback requirements. EESA required TARP-CPP-participating companies to recover any bonus or other incentive payment paid to a senior executive officer on the basis of materially inaccurate financial or other performance criteria. ARRA extends this recovery requirement to the next 20 most highly-compensated employees in addition to the senior executive officers. This extension is consistent with the Treasury Guidelines.
- Prohibition on compensation plans that “encourage” earnings manipulation. ARRA prohibits CPP participants from implementing any compensation plan that would encourage manipulation of the reported earnings to enhance the compensation of any of its employees. The Treasury Guidelines do not contain a similar requirement.
- Board compensation committee required. ARRA requires CPP participants to establish a board compensation committee and requires the committee to meet at least semiannually to discuss and evaluate employee compensation plans in light of an assessment of any risk to us posed by such plans. The Treasury Guidelines do not contain a similar requirement.
- New reporting and certification requirements. ARRA requires the CEO and CFO of any publicly-traded CPP-participating company to provide a written certification of compliance with the executive compensation restrictions in ARRA in the Company’s annual filings with the SEC (i.e. in its Annual Report on Form 10-K or Proxy Statement). The Treasury Guidelines require reporting and certification as well but do not detail how the reporting and certification are to be accomplished. On February 26, 2009, the SEC issued written guidance confirming that this requirement is currently not in effect and will become effective following the issuance of Treasury guidelines establishing the compensation and corporate governance standards under ARRA.
- Policy on luxury expenditures. ARRA requires each TARP-CPP-participating company to implement a company-wide policy regarding excessive or luxury expenditures, including excessive expenditures on entertainment or events, office and facility renovations, aviation or other transportation services. This is consistent with the Treasury Guidelines which contain a similar requirement.
- Treasury review of prior payments. ARRA directs the Treasury to review bonuses, retention awards and other compensation paid to the senior executive officers and the next 20 most highly-compensated employees of each company receiving TARP-CPP assistance before ARRA was enacted, and to “seek to negotiate” with the CPP recipient and affected employees for reimbursement if it finds any such payments were inconsistent with CPP or otherwise in conflict with the public interest.

In addition to the above requirements, ARRA adopts and continues two requirements from EESA essentially unchanged:

- \$500,000 annual deduction limit. Like EESA, ARRA prohibits CPP participants from deducting annual compensation paid to senior executive officers in excess of \$500,000. The Treasury Guidelines, in contrast, contain the \$500,000 annual compensation cap for senior executives described above (which may be waived by all companies other than those receiving “exceptional” assistance) but do not specifically address the deduction limit.
- No excessive risks. Like EESA, ARRA requires the Treasury Department to implement limits on compensation that exclude incentives for senior executive officers of a CPP-participating company to take unnecessary and excessive risks that threaten the value of the company for as long as any CPP-related obligation remains outstanding. The Treasury Department implemented this directive under EESA by requiring periodic compensation committee review and certification of the risk characteristics of a company’s incentive compensation arrangements, and presumably these same review and certification requirements would apply going forward under ARRA. ARRA requires that the compensation committee perform such a review at least semi-annually.

ARRA requires both the Treasury Department and the Securities and Exchange Commission to issue rules to implement these new executive compensation restrictions.

Many aspects of the foregoing restrictions will not be clear until Treasury and the SEC publish new rules.

The foregoing restrictions imposed by ARRA implement many, but not all, of the restrictions of the Treasury Guidelines. At the present time, Treasury has not announced whether it intends to publish rules to implement the aspects of the Treasury Guidelines that were not addressed by ARRA.

We have already implemented the prior requirements of EESA. The PCC will consider the new limits on executive compensation of ARRA, the Treasury Guidelines (to the extent they apply to us), and any forthcoming regulations. When Treasury publishes such regulations, the PCC promptly will make appropriate changes to our executive compensation program.

Stock Option Plans

In connection with the bank holding company reorganization, the Company adopted the Community West Bancshares 1997 Stock Option Plan (1997 Plan) providing for the issuance, as amended at the 2003 Annual Meeting of Shareholders, of up to 1,292,014 option shares. This Plan expired on January 23, 2007.

On March 23, 2006, the Company’s Board adopted the 2006 Stock Option Plan (2006 Plan), and the 2006 Plan was approved by the shareholders at the 2006 Annual Meeting of Shareholders. The 2006 Plan provides for the issuance of up to 500,000 shares of the Company’s Common Stock (Common Stock) to Directors, officers and key employees of the Company and CWB. See separate table for grants made to date. See tables entitled “OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END TABLE” and “DIRECTOR COMPENSATION TABLE” for more information regarding options outstanding as of December 31, 2008.

Eligibility. Full-time employees, officers and Board members of the Company and subsidiaries, including CWB, are eligible to receive awards under the 2006 Plan at the discretion of the Board.

Plan Term. The 2006 Plan’s term commenced on May 25, 2006 and will terminate on March 23, 2016 (subject to early termination is described herein).

Administration. The 2006 Plan is administered by the Board, serving as the “Stock Option Committee”, one or more of whom may also be executive officers and therefore may not be deemed to be “independent,” as that term is defined in the listing standards of the NASDAQ Stock Market, Inc. Members of the Board receive no additional compensation

for their administration of the Plans. Each Director will abstain from approving the grant of any options to themselves. Options may be granted only to Directors, officers and key employees of the Company and any subsidiary, including CWB. Subject to the express provisions of the 2006 Plan, the Board is authorized to construe and interpret the 2006 Plan, and make all the determinations necessary or advisable for administration of the 2006 Plan. The full text of the 2006 Plan is available as Appendix A to the Company's Proxy Statement filed with the SEC on April 13, 2006.

Incentive and Non-Qualified Stock Options. The 2006 Plan provides for the grant of both incentive stock options and non-qualified options. Incentive stock options are available only to persons who are employees of the Company, and are subject to limitations imposed by applicable sections of the Code, including a \$100,000 limit on the aggregate fair market value (determined on the date the options are granted) of shares of Common Stock with respect to which incentive stock options are exercisable for the first time by an optionee during any calendar year (under the 2006 Plan and all other “incentive stock option” plans of the Company). Any options granted under the 2006 Plan which do not meet the limitations for incentive stock options, or which are otherwise not deemed to be incentive stock options, shall be deemed “non-qualified”.

Amendment and Termination of the 2006 Plan. The 2006 Plan, and all stock options previously granted under the 2006 Plan, shall terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization, or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options theretofore granted shall become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate, unless provision is made for the assumption or substitution thereof. As a result of these acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. The Board may at any time suspend, amend or terminate the 2006 Plan, and may, with the consent of the respective optionee, make such modifications to the terms and conditions of outstanding options as it shall deem advisable. Certain amendments to the 2006 Plan may also require shareholder approval if such amendment or modification would: (a) materially increase the number of shares of Common Stock which may be issued under the 2006 Plan; (b) materially increase the number of shares of Common Stock which may be issued at any time under the 2006 Plan to all Directors who are not also officers or key employees of the Company; (c) materially modify the requirements as to eligibility for participation in the 2006 Plan; (d) increase or decrease the exercise price of any option granted under the 2006 Plan; (e) increase the maximum term of options provided for in the 2006 Plan; (f) permit options to be granted to any person who is not an eligible participant; or (g) change any provision of the 2006 Plan which would affect the qualification as an incentive stock option under the 2006 Plan. The amendment, suspension or termination of the 2006 Plan will not, without the consent of the optionee, alter or impair any rights or obligations under any outstanding option under the 2006 Plan.

Adjustments Upon Changes in Capitalization. The total number of shares covered by the 2006 Plan and the price, kind and number of shares subject to outstanding options thereunder, will be appropriately and proportionately adjusted if the outstanding shares of Common Stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through reorganization, merger, recapitalization, reclassification, stock split, stock dividend, stock consolidation or otherwise, without consideration to CWBC as provided in the 2006 Plan. Fractional share interests of such adjustments may be accumulated, although no fractional shares of stock will be issued under the 2006 Plan.

Potential Payments upon Retirement, Termination or Change-In-Control

Employment Arrangements for Lynda J. Nahra

Ms. Nahra has an employment contract, effective January 1, 2007. For 2008, Ms. Nahra's annual base salary was \$225,000. In addition, she has a deferred compensation account established and maintained at CWB for her benefit. To this account, the Company credited \$50,000 each on December 31, 2006 and on March 31, 2007. In addition, \$2,000 per month will also be credited to this account during the term of Ms. Nahra's employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB six-month certificate of deposit rate. No funds in this account will vest prior to the date Ms. Nahra attains age 65, and normal payments would not commence until such time as Ms. Nahra attains age 66, whether or not she is employed by the Company. In the event of a change of control before Ms. Nahra attains age 65, Ms. Nahra will vest 50% of the account balance.

Ms. Nahra's new contract specifies that, in the event of termination without cause, she would continue to receive salary and benefits plus deferred compensation for a period of three months. Also, the contract contains a change of control (as defined) clause whereby, if she is terminated within one year following such event, she would be entitled to base salary and benefits for a period of one year.

Under this contract, Ms. Nahra was granted options covering 5,000 shares in January 2007 and 2008, and will be granted options covering 5,000 shares in 2009.

Under Ms. Nahra's former agreement, she also earned a base salary of \$225,000 and received 6% of this base salary per annum credited to her deferred compensation plan, plus the monthly interest. The CWB contributions to this old plan were discontinued as of 2007, but interest will continue to be credited until Ms. Nahra's termination. Ms. Nahra is also eligible for an annual bonus at the sole discretion of CWB's Board Personnel / Compensation Committee. For 2008 and 2007, such bonus amount awarded was \$15,000 and \$50,000, respectively.

Employment Arrangements for Charles G. Baltuskonis

Mr. Baltuskonis has an employment contract, effective July 1, 2007. For 2008, Mr. Baltuskonis' annual base salary was \$190,512. In addition, he has a deferred compensation account established and maintained at CWB for his benefit. To this account, the Company credited \$40,000 each on July 1, 2007 and on December 31, 2007. In addition, \$1,600 per month will also be credited to this account during the term of Mr. Baltuskonis' employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB six-month certificate of deposit rate. No funds in this account will vest prior to the date Mr. Baltuskonis attains age 65, and normal payments would not commence until such time as Mr. Baltuskonis attains age 66, whether or not he is employed by the Company. In the event of a change of control before Mr. Baltuskonis attains age 65, Mr. Baltuskonis will vest 50% of the account balance.

Mr. Baltuskonis' contract specifies that, in the event of termination without cause, he would continue to receive salary and benefits plus deferred compensation for a period of three months. Also, the contract contains a change of control (as defined) clause whereby, if he is terminated within one year following such event, he would be entitled to base salary and benefits for a period of one year. Mr. Baltuskonis is also eligible for an annual bonus which is determined by the Board in its sole discretion. For 2008 and 2007, such bonus amount awarded was \$15,000 and \$35,000, respectively.

Mr. Baltuskonis was granted options covering 3,750 shares in July 2007 and 2008, and will be granted options covering 3,750 shares in July 2009.

Employment Arrangements for Richard M. Favor

Mr. Favor has an employment contract, effective September 6, 2007. Mr. Favor's annual base salary is \$175,000. Under the terms of his contract, if within one year after a change in control, Mr. Favor terminates his employment for "Good Reason" (as defined) or he is terminated other than "for cause" (as defined), he would be entitled to base salary and benefits for a period of one year. Mr. Favor is also eligible for an annual bonus which is determined by the Board in its sole discretion.

Mr. Favor will be granted options covering 3,750 shares in each of September 2009 and July 2010.

Employment Arrangements for Former Chief Executive Officer and President

A former Chief Executive Officer and President of the Company is a party to an Executive Salary Continuation Agreement (ESC) with the Company dated January 1, 1994. The purpose of the ESC was to provide an incentive for the former executive's continuing employment with CWB on a long-term basis. The ESC provides the former executive with a salary continuation benefit of \$50,000 per year for 15 years after retirement. Normal retirement under the ESC was age 61. The present value of the contractual liability has been recognized in the Company's audited financial statements. Beginning in March 2004, benefit payments under the ESC commenced.

Modification of Compensation Arrangements as a result of TARP-CPP

As noted above, in connection with the Company's participation in TARP-CPP, the Company's named executive officers have entered into written agreements with the Company which modify their Benefit Plans to comply with the limitations on executive compensation as set forth in EESA, ARRA and Treasury guidelines issued or to be issued thereunder. One requirement of ARRA is the prohibition on any payment to a senior executive officer for departure from the Company for any reason, except for payments for services performed or benefits accrued during the period in which any obligation of the Company as a result of its participation in TARP-CPP remains outstanding. For more information on these agreements and the other limitations on executive compensation imposed by EESA, ARRA and the Treasury guidelines issued thereunder, please refer to the section entitled "Employment Arrangements," above.

Treatment of Outstanding Stock Options upon Retirement, Termination or Change of Control

Termination of Employment or Affiliation. Under the terms of the 1997 and 2006 Plans, in the event an optionee ceases to be affiliated with the Company or a subsidiary for any reason other than disability, death or termination for cause, the stock options granted to such optionee will expire at the earlier of the expiration dates specified for the options, or 90 days after the optionee ceases to be so affiliated. During such period after cessation of affiliation, the optionee may exercise the option to the extent it was exercisable as of the date of such termination, and thereafter the option expires in its entirety. If an optionee's stock option agreement so provides, and if an optionee's status as an eligible participant is terminated for cause, the options held by such person will expire 30 days after termination, although the Board may, in its sole discretion, within 30 days of such termination, reinstate the option. If the option is reinstated, the optionee will be permitted to exercise the option only to the extent, for such time, and upon such terms and conditions as if the optionee's status as an eligible participant had been terminated for a reason other than cause, disability or death, as described above.

Liquidation or Change of Control. The Plans, and all stock options previously granted under the plans, terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options heretofore granted become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate unless provision is made for the assumption or substitution thereof. As a result of the acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. All options outstanding at the time of completion of the merger(s) will survive and not become immediately exercisable.

Profit Sharing and 401(k) Plan

The Company has established a 401(k) plan for the benefit of its employees. Employees are eligible to participate in the plan after three months of consecutive service. Employees may make contributions to the plan under the plan's 401(k) component and the Company may make contributions under the plan's profit sharing component, subject to certain limitations. The Company's contributions were determined by the Board and amounted to \$260,000, \$255,000 and \$169,000, respectively, in 2008, 2007 and 2006.

Directors' Compensation

CWB's non-employee Directors are paid for attendance at Board meetings at the rate of \$1,000 for each regular Board meeting and \$200 for each committee meeting. If a Director attends a meeting by telephone, only 25% of the above fee is received. In 2008, no additional discretionary compensation was awarded to the non-employee Directors.

The following table sets forth information concerning the compensation paid to each of the Company's Directors during 2008. Compensation paid to Lynda J. Nahra, President and Chief Executive Officer, is not included in this table because she was an employee during 2008 and, therefore, received no additional compensation for her service as a Director.

(2) Column represents the 2008 compensation cost of option awards granted, net of the Company's estimate of forfeitures. The grant date fair value of option awards granted was determined in accordance with Statement of Financial Accounting Standards No. 123R (SFAS 123R) and is recognized as compensation cost over the requisite service period. The terms of the 1997 and 2006 Plans are described in "Employment Arrangements and Other Factors Affecting 2007 Compensation". Furthermore, the amount recognized for these awards was calculated based on the Black-Scholes option-pricing model.

(3) In accordance with an Agreement with the Bank, in lieu of cash, Mr. Bartlein's fees are deferred and maintained in an account at the Bank and earn monthly interest at the Bank's then current six-month certificate of deposit rate. The balance in this account will be paid to Mr. Bartlein in 2011 upon his attainment of age 64.

There were no CWBC Director fees paid during 2008.

Certain Relationships and Related Transactions

Some of the Directors and executive officers of the Company, as well as the companies with which such Directors and executive officers are associated, are customers of and have had banking transactions with CWB in the ordinary course of business. CWB expects to have such ordinary banking transactions with such persons in the future. In the opinion of CWB management, all loans and commitments to lend included in such transactions were made in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and did not involve more than a normal risk of collectibility or present other unfavorable features. Although CWB does not have any limits on the aggregate amount it would be willing to lend to Directors and officers as a group, loans to individual Directors and officers must comply with CWB's internal lending policies and statutory lending limits.

INDEPENDENT AUDITORS

The Company's independent auditors for the fiscal year ended December 31, 2008 were Ernst & Young LLP (Ernst). The Company has engaged Ernst as independent auditors for the fiscal year ending December 31, 2009. Representatives of Ernst will be invited to attend the Meeting. The Company will afford the representatives an opportunity to make a statement, should they desire to do so, and expect that the representatives will be available to respond to appropriate questions.

Audit Fees

During the years ended December 31, 2008 and 2007, the aggregate fees billed by Ernst for the audit of the Company's consolidated financial statements for such fiscal year and for the review of the Company's interim financial statements were \$247,000 and \$232,000, respectively. These amounts include fees related to the fiscal year audit and interim reviews, notwithstanding when the fees were billed or when the services were rendered. Expenses included were billed from January through December of the fiscal year, not withstanding when the expenses were incurred.

Audit-Related Fees

During the years ended December 31, 2008 and 2007, there were no fees billed by Ernst for other audit-related services.

Tax Fees

During the years ended December 31, 2008 and 2007, the aggregate fees billed by Ernst for professional services related to recurring state and federal tax preparation, compliance and consulting were \$44,000 and \$29,000, respectively.

Other Fees

During the years ended December 31, 2008 and 2007, there were no fees billed by Ernst for information technology consulting services.

The Audit Committee of the Company reviewed and discussed with Ernst whether the rendering of the non-audit services provided by them to the Company during fiscal 2008 was compatible with their independence. The Audit Committee pre-approves all audit and permissible non-audit services to be provided by Ernst and the estimated fees for these services.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Company's independent auditor. These services may include audit, audit-related, tax and other services. Pre-approval is generally provided for up to one year and is detailed as to a particular service or category of service. The independent auditor and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with the pre-approval and the fees for services performed to date. All services performed by Ernst for which fees were billed to the Company during the years ended December 31, 2008 and 2007 as disclosed herein were approved by the Audit Committee pursuant to the procedures outlined herein. All of the services of Ernst in auditing the Company's Financial Statements for the year ended December 31, 2008 were performed by Ernst or its full-time, permanent employees.

2010 SHAREHOLDER PROPOSALS

Shareholder proposals to be considered for inclusion in the Proxy Statement for the Company's 2010 Annual Meeting of Shareholders (2010 Meeting) must be received by the Company at its offices at 445 Pine Avenue, Goleta, California 93117, no later than December 15, 2009. The proposals must also satisfy the conditions and procedures prescribed by the Securities and Exchange Commission (SEC) in Rule 14a-8 for such proposals to be included in the Company's Proxy Statement for the 2010 Meeting, and must be limited to 500 words. To be included in the Proxy Statement, the shareholder must be a holder of record or beneficial owner of at least \$2,000 in market value or 1% of the Company's securities entitled to be voted on the proposal, and have held the shares for at least one year and will continue to hold the shares through the date of the 2010 Meeting. Either the proposer, or a representative qualified under California law to present the proposal on the proposer's behalf, must attend the meeting to present the proposal. Shareholders may not submit more than one proposal.

The SEC has in effect a rule governing a company's ability to use discretionary proxy authority with respect to proposals that were not submitted in time to be included in the Proxy Statement (i.e., outside the processes of Rule 14a-8 as described herein under the heading "2009 Shareholder Proposals"). As a result, in the event a proposal is not submitted to the Company prior to February 27, 2010, and the proxy materials delivered in connection with the 2010 Meeting contain a statement conferring discretionary authority (such statement is set forth in the third paragraph of this Proxy Statement), the proxies solicited by the Board for the 2010 Annual Meeting will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the 2010 Annual Meeting without any discussion of the proposal in the Proxy Statement for such meeting.

Whether or not you intend to be present at the Meeting, you are urged to return your Proxy promptly. If you are then present at the Meeting and wish to vote your shares in person, your original Proxy may be revoked by voting at the Meeting. However, if you are a shareholder whose shares are not registered in your own name, you will need the Proxy obtained from your recordholder to vote personally at the Meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers (as defined in regulations promulgated by the SEC thereunder), Directors and persons who own more than ten percent of the Common Stock to file reports of stock ownership and changes in stock ownership with the SEC. The officers, Directors and greater than ten percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of all reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that during the last year its officers, Directors and greater than ten percent beneficial owners complied with all filing requirements except as follows: (i) Director Whiston filed late a Form 4 on April 28, 2008 reporting a purchase of Common Stock on December 15, 2005; (ii) Director Peeples filed late a Form 4 on June 13, 2008 reporting purchases of Common Stock on June 4, June 6, June 10 and June 12, 2008 and filed late a Form 4 on December 12, 2008 reporting purchases of Common Stock on December 9 and December 10, 2008; and (iii) Director Stovesand filed late a Form 4 on December 17, 2008 reporting a purchase of Common Stock on December 12, 2008.
