Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The original Form 4 inadvertently reported the exercise of options originally granted on June 28, 2006 with an exercise price of \$13.47 per share. The options actually exercised covering 56,086 shares of common stock were originally granted on February 27, 2009 with an exercise price of \$6.14 per share (the "\$6.14 Options"). This amendment is being filed to correct the exercise price, vesting schedule and number of \$6.14 Options held following the exercise. The number of shares of common stock reflected in Table I, column 5 of this amended Form 4 filing reflects the reporting person's holdings of common stock as of the date hereof. The \$6.14 Options vest in four equal annual installments beginning on February 27, 2010 and ending on February 27, 2013. As of the date of this amendment, and as reported in Table II, column 9 of this amended Form 4, the reporting person holds \$6.14 Options covering 123,914 shares of common stock as of the date hereof.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
