PROXY STATEMENT

FOR

2015 ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON MAY 1, 2015

GENERAL

This proxy statement is provided to the shareholders of Lincoln Educational Services Corporation, a New Jersey corporation (the “Company” or “Lincoln”), to solicit proxies, in the form enclosed, for use at the Annual Meeting of Shareholders of the Company to be held on May 1, 2015, at Lincoln College of Technology, 2501 Arkansas Lane, Grand Prairie, Texas 75052, at 9:00 a.m. local time, and any and all adjournments or postponements thereof. The board of directors knows of no matters to come before the annual meeting other than those described in this proxy statement. This proxy statement and the enclosed form of proxy are first being mailed to shareholders on or about March 30, 2015.

Solicitation

This solicitation is made by mail on behalf of the board of directors of the Company. The Company will pay for the costs of the solicitation. Further solicitation of proxies may be made, including by mail, telephone, fax, in person or other means, by the directors, officers or employees of the Company or its affiliates, none of whom will receive additional compensation for such solicitation. The Company will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to their customers or principals who are the beneficial owners of shares of the Company’s common stock, no par value per share.

Voting Procedures

Only those holders of our common stock of record as of the close of business on March 13, 2015, the record date, will be entitled to notice of and to vote at the annual meeting. A total of 23,844,905 shares of the common stock were issued and outstanding as of the record date. Each share of common stock entitles its holder to one vote. Cumulative voting of shares of common stock is not permitted.

Shareholders of record can vote either in person at the annual meeting or by proxy whether or not they attend the meeting. To vote by proxy, a shareholder must either: (a) fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope, or (b) vote by Internet (instructions on Internet voting accompany the proxy card).

The presence in person or by proxy of holders of a majority of the outstanding shares of the common stock entitled to vote will be necessary to constitute a quorum to transact business at the annual meeting. Abstentions and broker non-votes will be treated as present for purposes of determining the existence of a quorum. At the annual meeting, directors will be elected by a plurality of the votes cast and a majority of the votes cast will be required to approve any of the other proposals, except that proposal 2 is advisory and non-binding. Abstentions, however, will not be counted as votes “for” or “against” the election of directors or “for” or “against” any of the other proposals. It is expected that brokers will not have discretionary power to vote on any of the proposals other than the ratification of the appointment of Deloitte and Touche LLP.

Proposals 1, 2 and 3 are not considered to be routine matters, and your broker will not have discretion to vote with respect to these matters unless you specifically instruct your broker to do so by returning your signed voting instruction card. If you do not provide voting instructions to your broker, your shares will not be voted for any proposal on which your broker does not have discretionary authority (resulting in a broker non-vote).

Shares of the common stock represented by properly executed proxies in the form enclosed that are timely received by the Secretary of the Company and not validly revoked will be voted as specified on the proxy. If no specification is made on a properly executed and returned proxy, the shares represented thereby will be voted FOR the election of each of the nine nominees for director named in this proxy statement, FOR the advisory approval of compensation of our named executive officers, FOR the approval of the amendment to the 2005 Non-Employee Directors Restricted Stock Plan, and FOR the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company. If any other matters properly come before the annual meeting, it is the intention of the persons named in the accompanying proxy to vote such proxies in their discretion. In order to be voted, each proxy must be filed with the Secretary of the Company prior to exercise.

Table of Contents

Revocability of Proxies

Shareholders may revoke a proxy at any time before the proxy is exercised. This may be done by filing a notice of revocation of the proxy with the Secretary of the Company, by filing a later-dated proxy with the Secretary of the Company or by voting in person at the annual meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

Shareholders will be asked at the annual meeting to elect ten directors. Our bylaws allow for a minimum of three directors and a maximum of 11 directors. Each elected director will hold office until the next annual meeting of shareholders and until the director's successor is duly elected and qualified. The board of directors knows of no reason why any of the nominees would be unable or unwilling to serve, if elected, but if any nominee should for any reason be unable or unwilling to serve, if so elected, the proxies received by the Company will be voted for the election of such other person for the office of director as the board of directors may recommend in the place of such nominee.

Shareholders may withhold authority to vote their proxies for either (i) the entire slate of nominated directors by checking the box marked WITHHOLD AUTHORITY on the proxy card, or (ii) any one or more of the individual nominees, by following the instructions on the proxy card. Instructions on the accompanying proxy card that withhold authority to vote for one or more of the nominees will cause any such nominee to receive fewer votes.

Upon recommendation of the Nominating and Corporate Governance Committee, the following ten persons have been selected by the board of directors as nominees for election to the board of directors: Alexis P. Michas, Shaun E. McAlmont, James J. Burke, Jr., Peter S. Burgess, J. Barry Morrow, Celia H. Currin, Charles F. Kalmbach, Alvin O. Austin, Douglas G. DeGrosso and Ronald E. Harbour. All of the nominees are incumbent directors. Additional information about these nominees is provided in the table and biographical information that follow.

Required Vote

A plurality of the votes cast at the annual meeting is required for the election of directors.

The board of directors unanimously recommends a vote FOR each of the named nominees. Proxies that are executed and returned will be voted FOR each nominee, except to the extent that particular proxies contain instructions to withhold the vote for a particular nominee or nominees.

The board of directors has adopted a written charter for the Audit Committee, which is available on our website at www.lincolnedu.com. The Audit Committee is directly responsible for the oversight of, among other things, our accounting and financial reporting processes; the quality and integrity of our financial statements; the quality and integrity of our system of internal controls; our compliance with laws and regulations; our independent auditor's qualifications and independence; and the audit of our financial statements by a qualified independent auditor.

To fulfill these responsibilities, the Audit Committee will be aware of the current areas of greatest financial risk to us and understand management's assessment and management of the risks; consider the effectiveness of our disclosure controls and procedures to promote timely, accurate, compliant and meaningful disclosure in our periodic reports filed with the Securities and Exchange Commission (“SEC”); periodically review with the independent auditors their assessment as to the adequacy of our structure of internal controls over financial accounting and reporting, and their qualitative judgments as to the accounting principles employed and related disclosures by us and the conclusions expressed in our financial reports; review with management and the independent auditors our accounting policies and practices to ensure they meet the requirements with respect to the Financial Accounting Standards Board, the SEC, the American Institute of Certified Public Accountants and the Public Company Accounting Oversight Board; select, evaluate and, if necessary, replace our independent auditors; actively engage in dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity or independence of the independent auditors; engage advisors, as the committee determines is necessary, to carry out its duties; meet with the independent auditors, the internal auditors and senior management to review the scope and methodology of the proposed audit; discuss with management policies and practices regarding earnings press releases, as well as financial information and earnings guidelines provided to analysts and rating agencies to the extent required by applicable law or listing standards; set clear hiring policies with respect to any current or former employees of our independent auditors; and establish procedures for the receipt, retention and treatment of complaints we receive regarding our internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of their concerns regarding our internal accounting controls and auditing matters. The Audit Committee is also charged with reviewing and approving all related person transactions.

The board of directors has determined that Mr. Burgess is an “audit committee financial expert” within the meaning of the regulations of the SEC. Messrs. Austin, Burgess, Kalmbach and Ms. Currin are independent directors under the Sarbanes Oxley Act of 2002 and the NASDAQ listing standards.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of directors Austin (Chairman), Morrow and Currin. The Nominating and Corporate Governance Committee held six meetings in 2014. The charter for the Nominating and Corporate Governance Committee is published on our website at www.lincolnedu.com. The Nominating and Corporate Governance Committee is responsible for, among other things, making recommendations to the board of directors with respect to corporate governance policies and reviewing and recommending changes to the Company’s corporate governance guidelines that have been adopted by the board of directors. The Nominating and Corporate Governance Committee also recommends to the board of directors candidates for nomination for election as directors of the Company and appointments of directors as members of the committees of the board of directors.

The Nominating and Corporate Governance Committee considers candidates for directors suggested by shareholders for elections to be held at an annual meeting of shareholders. Shareholders can suggest qualified candidates for directors by complying with the advance notification and other requirements of the Company’s bylaws regarding director nominations. Director nomination materials submitted in accordance with the Company’s bylaws will be forwarded to the Chairman of the Nominating and Corporate Governance Committee for review and consideration. Director nominees suggested by shareholders will be evaluated in the same manner, and subject to the same criteria, as other nominees evaluated by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee also considers candidates for director suggested by its members, other directors and management and may from time to time retain a third-party executive search firm to identify director candidates for the Nominating and Corporate Governance Committee.

Generally, once the Nominating and Corporate Governance Committee has identified a prospective nominee, it will make an initial determination as to whether to conduct a full evaluation of the candidate based on information provided to it with the recommendation of the candidate, as well as the Nominating and Corporate Governance Committee’s own knowledge of the candidate, which may be supplemented by inquiries to the person making the recommendation or others. The initial determination is based primarily on the need for additional directors to fill vacancies or expand the size of the board of directors and the likelihood that the candidate can satisfy the evaluation factors described below. If the Nominating and Corporate Governance Committee determines, in consultation with the Chairman of the board and other directors, as appropriate, that additional consideration is warranted, it may request a third-party search firm to gather additional information about the candidate’s background and experience and to report its findings to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee then evaluates the candidate against the standards and qualifications set out in guidelines for director candidates adopted by the board of directors, including, without limitation, the nominee’s management, leadership and business experience, skill and diversity, such as financial literacy and knowledge of directorial duties, and integrity and professionalism.

The Nominating and Corporate Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the board of directors, the balance of management and independent directors, the need for particular expertise (such as audit committee expertise) and the evaluations of other prospective nominees. In connection with this evaluation, the Nominating and Corporate Governance Committee determines whether to interview the prospective nominee, and, if warranted, one or more members of the Nominating and Corporate Governance Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Nominating and Corporate Governance Committee makes a recommendation to the full board of directors as to the persons who should be nominated by the board of directors and the board of directors determines the nominees after considering the recommendation of the Nominating

and Corporate Governance Committee.

Compensation Committee

The Compensation Committee consists of directors Morrow (Chairman), Burke and Kalmbach. The Compensation Committee held three meetings in 2014. Each member of the Compensation Committee meets the independence requirements under the NASDAQ Stock Market listing standards, Section 162(m) of the Internal Revenue Code and Section 16 of the Securities Exchange Act. The Compensation Committee has the authority to develop and maintain a compensation policy and strategy that creates a direct relationship between pay levels and corporate performance and returns to shareholders; recommend compensation, special benefits, perquisites, and incidental benefits to our board for approval; review and approve annual corporate and personal goals and objectives to serve as the basis for the chief executive officer's compensation, evaluate the chief executive officer's performance in light of the goals and, based on such evaluation, determine the chief executive officer's compensation; determine the annual total compensation for our named executive officers; with respect to our equity-based compensation plans, approve the grants of stock options and other equity-based incentives as permitted under our compensation plans; review and recommend compensation for non-employee directors to our board; and review and recommend employment agreements, severance arrangements and change in control plans that provide for benefits upon a change in control, or other provisions for our executive officers and directors, to our board. The Compensation Committee may retain compensation consultants having special competence to assist it in evaluating director and executive compensation and may also retain counsel, accountants or other advisors, in its sole discretion. The Compensation Committee did not retain a compensation consultant in 2014. The Compensation Committee also has the power to delegate its authority and duties to subcommittees or individual members of the committee, as it deems appropriate in accordance with applicable laws and regulations. Director Independence

Our board of directors has a majority of independent directors as is required by the NASDAQ Marketplace Rules. Our board of directors has determined that each of our director nominees other than Shaun E. McAlmont, our Chief Executive Officer, is an "independent director" as such term is defined under the NASDAQ Marketplace Rules. All of the members of the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee are independent directors.

Board Leadership Structure

Currently, the roles of Chief Executive Officer and Chairman of the board of directors are held by different individuals. In the past, the position of Chief Executive Officer and Chairman were combined when deemed appropriate by the board of directors.

Our board of directors has adopted a flexible policy regarding the issue of whether the positions of Chairman and Chief Executive Officer should be separate or combined. Our board of directors regularly evaluates whether the interest of the Company and its shareholders are best served at any particular time by having the Company's Chief Executive Officer or another director hold the position of Chairman. Our board of directors believes that no single, one-size fits all, board-leadership model is universally or permanently appropriate. This structure has proven especially useful to facilitate executive leadership training, succession, and orderly transitions. At present, the board of directors believes that its current structure effectively maintains independent oversight of management.

As Non-Executive Chairman of the board of directors, Alexis P. Michas ensures that the board of directors fulfills its oversight and governance responsibilities and directs the activities and meetings of the board of directors. In addition, Mr. Michas is responsible for coordinating the activities of the non-employee directors and leading executive sessions of the non-employee directors, which are generally held in conjunction with each regularly scheduled board of directors meeting.

Board of Directors' Role in Risk Oversight

Our board of directors has an active role, as a whole and also at the committee level, in overseeing the risk management of the Company. This is designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full board of directors in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company.

Fundamental aspects of the board of directors' risk management oversight activities include:

- understanding the key drivers of success for our business and the associated major risks inherent in our operations and corporate strategy;

- overseeing that appropriate risk management and control procedures are implemented by management and developing and maintaining an effective risk dialogue with management; and

- crafting the right board of directors for our Company, including ensuring that the board of directors has the right mix of background, skills and experience and an appropriate committee structure to carry out its oversight responsibilities effectively.

While the board of directors has the ultimate oversight responsibility for the risk management process, various committees of the board of directors also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from the Company's internal auditors. The Audit Committee also assists the board of directors in fulfilling its oversight responsibility with respect to legal and compliance issues. The Nominating and Corporate Governance Committee, in addition to making recommendations with respect to corporate governance matters and nominations of directors, manages risks associated with the independence of the board of directors and potential conflicts of interest. The Compensation Committee strives to create incentives that encourage a level of risk-taking behavior consistent with the Company's business which are appropriately balanced and do not motivate employees to take imprudent risks. All committees report to the full board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

The Company has reviewed its compensation programs and considered the extent to which its compensation policies and practices influence the behaviors of our executives and other employees with respect to taking business risks that could affect the Company. We believe that our compensation policies and practices are not reasonably likely to have a material adverse effect on the Company, either individually or in the aggregate.

Board Diversity

The Nominating and Corporate Governance Committee, in accordance with the board's governance principles, seeks to create a board that as a whole is strong in its collective knowledge and has a diversity of skills and experience with respect to vision and strategy, management and leadership, business operations, business judgment, crisis management, risk assessment, industry knowledge, accounting and finance, corporate governance and markets in general. The Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity; however, the board of directors and the Nominating and Corporate Governance Committee believe that it is essential that the members of our board of directors represent diverse viewpoints. The Nominating and Corporate Governance Committee focuses on diversity of gender, race and national origin, education, professional experience and differences in viewpoints and skills. In considering candidates for the board of directors, the Nominating and

Corporate Governance Committee considers the entirety of each candidate's credentials in the context of these standards.

Compensation Committee Interlocks and Insider Participation

Messrs. Morrow, Burke, Glaske and Kalmbach served on the Compensation Committee during the entire 2014 fiscal year. There were no Compensation Committee interlocks or insider (employee) participation during 2014.

COMPENSATION DISCUSSION AND ANALYSIS

This section provides an overview and analysis of our executive officer compensation program and policies, the material compensation decisions we have made under those programs and policies, and the material factors that we considered in making those decisions. Later in this proxy statement under the heading “Additional Information Regarding Executive Compensation,” you will find a series of tables containing specific information about the compensation earned or paid in 2014 to the following individuals, whom we refer to as “our named executive officers” or “NEOs.”

In 2014, the Company had six executive officers:

- Shaun E. McAlmont, our Chief Executive Officer
- Scott M. Shaw, our President and Chief Operating Officer
- Brian K. Meyers, our Executive Vice President, Chief Financial Officer and Treasurer
- Kenneth M. Swisstack, our Executive Vice President, General Counsel and Secretary
- Cesar Ribeiro, our former Executive Vice President, Chief Financial Officer and Treasurer
- Piper P. Jameson, our former Executive Vice President and Chief Marketing Officer

The discussion below is intended to help you understand the detailed information provided in the tables that follow and put that information into context within our overall compensation program.

Executive Summary

2014 Advisory Vote on Executive Compensation and Shareholder Outreach.

At the 2013 Annual Meeting, we held a non-binding advisory “say-on-pay” vote on our executive compensation program as set forth in our 2013 proxy statement. Approximately 52% of the votes cast on the say-on-pay proposal voted in favor of the program. We were disappointed in these results and, as a consequence, at the direction of the Compensation Committee, we met with our largest institutional investors during 2013 to discuss, among other things, our compensation program. At our 2014 Annual Meeting, approximately 70% of the votes cast on the say-on-pay proposal voted in favor of the program. We have continued to meet with our largest institutional investors in 2014 regarding our compensation program and we continuously strive to align our compensation with corporate performance and our shareholders’ interests.

Performance-based restricted stock comprises 40% of our equity compensation and vests based upon the attainment of both (i) a threshold operating income margin target and (ii) annual earnings before interest, taxes, depreciation and amortization (“EBITDA”) targets during the four-year performance period. As we did not meet the EBITDA targets in 2011 through 2014, our NEOs have not received any shares with respect to their performance-based restricted stock grants and have forfeited 100% of the performance-based shares that were issued in 2011 and 25% of the performance-based shares that were issued in 2013. The terms of these awards are described in more detail below under “Long-Term Stock Incentives.”

We maintain an annual performance-based management incentive compensation plan, the MIC Plan. Payments under the MIC Plan are based on the attainment of predetermined net income, revenue and company-wide quality focused outcome targets. We did not meet some of the specified target levels of performance in either 2013 or 2014 and as a result payments under the MIC Plan were significantly below the target award opportunity. In 2014, our NEOs received payment of approximately 63% of their MIC Plan target award opportunity and in 2013 the MIC Plan paid out at approximately 55% of the target award opportunity. The terms of these awards are described in more detail below under “2014 Annual Performance-Based Incentive Compensation.”

The Compensation Committee believes that these practices highlight the close link between pay and performance under our compensation program.

Recent Changes to Compensation Program.

Over the past few years we have implemented a number of important changes to our compensation practices. These changes reflect our continuing commitment to improving our pay-for-performance alignment, while embracing contemporary compensation and governance best practices. The changes include the following:

Employment agreements with each of our NEOs provide for “double-trigger” change in control severance benefits. As a result, no severance benefits will be provided to an NEO unless the NEO incurs an involuntary termination during the two-year period following a change in control. The terms of these employment agreements are described in detail below under the heading “Employment Agreements.”

Table of Contents

Over the past few years, we made key changes to our annual cash and long-term stock incentive compensation program to enhance our pay-for-performance philosophy to better align with the interests of our executives and shareholders. These included:

eliminating the individual performance component of our annual incentive compensation plan and adding a § component linked to company-wide quality focused outcomes that directly impact the Company's overall health and viability (placement rates, graduation rates and cash collections);

§ capping the maximum amount payable under the annual incentive compensation plan at 200% of target; and

§ granting performance-based restricted stock that vests upon the attainment of EBITDA targets during each year of the four-year vesting period.

The Compensation Committee continually reviews the executive compensation program and may, from time to time, modify certain aspects of the program to ensure that it remains aligned with the interests of the Company's shareholders.

Sound Compensation and Corporate Governance Practices.

The Company seeks to implement and maintain sound compensation governance practices to ensure adherence to our pay-for-performance philosophy while appropriately managing risk and aligning our executive compensation program with the financial interests of the Company's shareholders. Highlights of our practices include:

Double-Trigger Change in Control Severance Benefits. Our executives will only be eligible to receive severance benefits if they experience an involuntary termination of employment within the two-year period following a change in control.

Cap on Annual Incentive Compensation. The aggregate maximum annual incentive award that can be earned by each of our named executive officers is capped at 200% of their target.

No Retirement Programs. We do not maintain enhanced retirement arrangements for our executive officers. Executive officers are eligible to participate in our 401(k) plan in the same manner as all employees.

·No tax gross-ups.

Compensation Philosophy and Objectives

The Company and the Compensation Committee believe that compensation paid to executive officers should be closely aligned with our performance on both a short-term and long-term basis, and that such compensation should assist us in attracting and retaining key executives that are critical to our long-term success.

Our compensation program is designed to offer executive officers competitive compensation based on our performance, our unique niche, strategy, business model and execution, and on the individual's contribution, performance and leadership. Our compensation policies are intended to motivate, reward and retain highly qualified executives for long-term strategic management and enhancement of shareholder value, to support a performance-oriented environment that rewards achievement of specific internal Company goals, and to attract and retain executives whose abilities are critical to our long-term success and competitiveness. Our compensation goals are further intended to mitigate incentives for our executives who take excessive risks that may be adverse to the Company and our shareholders in the long-term.

The Compensation Committee has reviewed all components of the compensation for the named executive officers, including salary, annual incentives, equity and long-term incentive compensation, accumulated realized and unrealized stock options, the dollar value to the executive and cost to the Company of all perquisites, and the actual projected payout obligations under potential severance and change-in-control scenarios.

Setting Executive Compensation

We intend to continue our strategy of compensating our executives through programs that emphasize performance-based incentive compensation. We have structured annual cash and long-term equity incentive compensation to both motivate executives to achieve the business goals set by the Company and to reward the executives for achieving such goals. Our executive compensation program is further designed to discourage excessive risk taking by assessing performance across multiple dimensions and metrics, including both regulatory performance and student outcomes.

Table of Contents

For the named executive officers, the main components of our compensation program are base salary, an annual performance-based cash incentive and long-term performance-based restricted stock. In allocating compensation among these components, the Compensation Committee believes that the compensation of our senior levels of management, the levels of management having the greatest ability to influence our performance, should be predominately performance-based. Base salary is intended to provide a certain level of income commensurate with an executive’s position, responsibilities, and contributions to the Company.

The annual performance-based cash incentive compensation focuses on short-term performance while the performance-based restricted stock is tied to achievement of performance over a longer period of time. This mix of short- and long-term incentives provides sufficient rewards to motivate near-term performance, while at the same time providing significant incentives to keep our executives focused on longer term corporate goals that drive shareholder value. In addition, we believe this balance of short-term and long-term incentive compensation and the mix of varied performance metrics helps mitigate the incentive for executives to take excessive risk that may have the potential to harm the Company in the long-term.

Compensation for the Chief Executive Officer is based on the Compensation Committee’s independent assessment of his performance during the year. The Chief Executive Officer plays a significant role in setting the compensation for the other named executive officers by presenting an evaluation of each executive’s performance and his recommendation for levels of their compensation. The Compensation Committee makes all final decisions with respect to the total compensation package for each of the named executive officers and has the authority to accept, reject, or modify these recommendations in connection with its determination. The Compensation Committee did not retain a compensation consultant in 2014.

Base Salary

Base salaries for our named executive officers are based on job responsibilities and individual contribution with reference to base salary levels of executives at comparable publicly held companies. The Compensation Committee also considers several other factors in setting base salaries, including the executive’s experience and tenure, our overall annual budget for merit increases and pre-tax profit, the executive’s individual performance, changes in the executive’s responsibility and the executive’s overall contribution to our success. We review salary levels annually to recognize these factors. We do not target base salary at any particular percentage of total compensation.

2014 Annual Performance-Based Incentive Compensation

Our named executive officers are eligible to participate in the Management Incentive Compensation Plan (the “MIC Plan”). Under the MIC Plan, the Compensation Committee approves the calculation of performance-based cash incentive opportunity for our named executive officers by taking into account certain financial performance targets and as well as company-wide quality focused outcomes. Awards under the MIC Plan reflect the Compensation Committee’s belief that a significant portion of the total annual compensation of each executive officer should be contingent upon the overall financial performance of the Company as well as the attainment corporate initiatives relating to student outcomes and shareholder value. For 2013, the Compensation Committee set the target incentive compensation award levels at 100% of base salary for our CEO and 75% of base salary for our other NEOs. The maximum amount payable to each named executive officer is 200% of his or her target incentive compensation award.

The 2014 performance measures under the MIC Plan, including their relative weightings, are as follows:

Performance Measure	Percentage of Total Incentive Compensation Opportunity
Net Income	35%

Revenue	25%
Company-Wide Quality Focused Outcomes	40%

At the beginning of 2014, the Compensation Committee set target goals for each of the above performance measures. In general, the Compensation Committee sets the net income and revenue performance targets above the performance targets publicly announced for the Company. This is consistent with the Compensation Committee's philosophy that performance-based annual compensation awards should incent our named executive officers to attain better than average performance.

Table of Contents

Net Income / Loss Component. For 2014, 35% of each named executive officer’s target incentive opportunity was based on the achievement of net income goals. The named executive officers could earn a portion of their target incentive opportunity if our net income was within 10% of our target goal. The percentage of the net income component paid decreases by 10% for each percentage point that actual performance was below our target net income goal. No payments are made with respect to the net income component if actual performance was at or below 90% of our target net income goal. Our named executive officers could earn more than their target net income component if our net income was greater than the target goal. The percentage increases by 8% for each percentage point that actual performance was above the target net income goal.

For 2014, the Compensation Committee set a net income / loss goal of \$(14.65) million. Actual net loss, as adjusted, was \$(14.73) million. As a result, the Company achieved 33.1% of the 35% of their target incentive opportunity attributable to net income / loss.

Revenue Component. For 2014, 25% of each named executive officer’s target incentive opportunity was based on the achievement of revenue goals. The named executive officers could earn a portion of their target incentive opportunity if our revenues were within 10% of our target goal. The percentage of the revenue component paid decreases by 10% for each percentage point that actual performance was below our target revenue goal. No payments are made with respect to the revenue component if actual performance was at or below 90% of our target revenue goal. Our named executive officers could earn more than their target revenue component if our revenues were greater than the target goal. The percentage increases by 8% for each percentage point that actual performance was above the target revenue goal.

For 2014, the Compensation Committee set a revenue goal of \$350 million. Actual revenues, as adjusted, were \$328.1 million. As a result, the Company achieved 9.3% of the 25% of their target incentive opportunity attributable to revenue.

Company-Wide Quality Focused Outcomes Component. Each of our named executive officers could earn 40% of their target incentive opportunity for the achievement of company-wide quality focused outcomes. The performance goals related to the achievement of specific aspects of the Company’s business strategy and corporate initiatives relating to student outcomes and to shareholder value. These initiatives included graduation rates, placement rates and cash collections and were weighted equally.

No payments are made with respect to each initiative of the company-wide quality focused outcomes component if the specified target for such initiative was not attained. Our named executive officers could earn more than their target incentive opportunity for this component if performance with respect to one or more of the initiatives was greater than the target goal. The percentage increased by 8% for each percentage point that actual performance was above the target goal for the initiative.

For 2014, we targeted (i) 90/10 rate of 78%, (ii) cohort default rates of 25%, and (iii) net interrupt of 18.5%. Actual results for these metrics were 79.7%, 16.8% and 19.2%, respectively. As a result, the Company achieved 20.8% of the 40% of their target incentive opportunity attributable to Company-wide quality focused outcomes in 2014 and each of our named executive officers received a corresponding percentage of the company-wide quality focused outcomes component.

Aggregate Incentive Compensation Paid. Based on the above, for 2014, each of our named executive officers received an aggregate incentive award of 63% of their respective target incentive opportunities as set forth below:

Named Executive Officer	Target	Total
	2014	2014

	MIC Plan Award	MIC Plan Payment

Long-Term Stock Incentives

Stock incentives focus executives' attention on the Company from the perspective of an owner with an equity stake in the business. The Compensation Committee believes that the Company's long-term performance is achieved through an ownership culture that encourages long-term performance by our named executive officers through grants of stock-based awards. Our shareholder-approved 2005 Long-Term Incentive Plan provides for the grant of stock options, restricted stock, performance stock and other equity-based awards. Equity awards are generally made at the discretion of the Compensation Committee based on a multiplicity of factors, including total compensation at peer companies, the level of equity ownership of the executives, and judgments of individual performance during the year.

In 2011, the Compensation Committee implemented a restricted stock program pursuant to which each of the named executive officers received awards of both time-based restricted stock and performance-based restricted stock. The Compensation Committee believes that a combination of time-based and performance-based restricted stock grants will better align the interests of our named executive officers with those of our shareholders.

Table of Contents

Time-Based Restricted Stock.

In 2014, the Compensation Committee granted time-based restricted stock awards to two of our NEOs in connection with their promotion to named executive officers. Each NEO received an award of time-based restricted stock that vested on the date of grant and a second award consisting of time-based restricted stock (60% of the total award) and performance-based restricted stock (40% of the total award).

The number of time-based restricted shares granted to each of our NEOs in 2014 is as follows:

Named Executive Officer	2014 Time-Based Restricted Shares
Shaun E. McAlmont	0
Scott M. Shaw	0
Brian K. Meyers	78,573
Kenneth M. Swisstack	75,472
Cesar Ribeiro	0
Piper P. Jameson	0

The Company did not award any time-based restricted stock to any of our NEOs in 2013.

Performance-Based Restricted Stock.

2014 Performance Shares. As mentioned above, the Compensation Committee granted performance-based restricted stock awards to two of our named executive officers in 2014 (“2014 Performance Shares”). The 2014 Performance Shares vest in equal installments over four years based upon the attainment of both (i) a threshold operating income margin of at least 4.65% during any one or more of the fiscal years in the period beginning January 1, 2015 and ending December 31, 2017 and (ii) annual EBITDA targets during each of the four-year performance period.

The EBITDA targets are set by the Compensation Committee at the beginning of each applicable year. Twenty-five percent of the 2014 Performance Shares will vest if the EBITDA target for the applicable year is attained. If the applicable EBITDA target is not attained, the Compensation Committee has the discretion to determine that the 2014 Performance Shares that would have vested had the target been attained will not be forfeited but, instead, will be subject to a catch-up EBITDA target to be set in the subsequent year. A catch-up target is a stretch goal that requires a greater level of performance than the performance goal set for the applicable performance period. In addition, notwithstanding the attainment of the applicable performance targets, the Compensation Committee has the discretion to determine that all or a portion of the 2014 Performance Shares will not vest based on facts and circumstances occurring after the date of grant that the Compensation Committee deems relevant. Provided that the threshold operating income margin is attained, upon a change in control or an executive’s termination of employment due to death, disability, by the executive for Good Reason or by the Company without Cause, the 2014 Performance Shares will immediately vest. If the threshold goal is not attained, the Performance Shares will be forfeited upon a change in control or termination of employment for any reason.

The number of performance-based shares granted to each of our named executive officers in 2014 is as follows:

Named Executive Officer	2014 Performance-Based Restricted Shares
Shaun E. McAlmont	0
Scott M. Shaw	0
Brian K. Meyers	28,572
Kenneth M. Swisstack	32,345

Cesar Ribeiro	0
Piper P. Jameson	0

2013 Performance Shares. On April 30, 2013, the Compensation Committee granted performance-based restricted stock awards to certain members of our senior management, including each of our named executive officers (“2013 Performance Shares”). The 2013 Performance Shares have substantially the same terms and conditions as the 2014 Performance Shares. The 2013 Performance Shares have a threshold operating income margin of at least 6.5% during any one or more of the fiscal years in the period beginning January 1, 2013 and ending December 31, 2016.

2011 Performance Shares. On April 29, 2011, the Compensation Committee granted performance-based restricted stock awards to certain executives including most of the named executive officers (“2011 Performance Shares”). The 2011 Performance Shares have substantially the same terms and conditions as the 2013 Performance Shares. In 2011 the Company had an operating margin, as adjusted, of 8.8%, thereby attaining the threshold performance metric applicable to the 2011 Performance Shares.

Table of Contents

2014 EBITDA Goals. The Compensation Committee set an EBITDA target of \$11.2 million for the 2014 performance period. This target was applicable to both the 2011 and 2013 Performance Shares. Actual EBITDA, as adjusted, for 2014 was \$7.1 million. As the Company did not attain the 2014 EBITDA target, none of the 2011 or 2013 Performance Shares subject to the 2014 goals vested.

In February 2015, the Compensation Committee set a 2015 catch-up EBITDA target applicable to the 2013 Performance Shares that would have vested in 2014. This catch up EBITDA target requires a greater level of performance (25%) than the general performance target set for 2015. These targets will be disclosed in our 2016 proxy.

As disclosed in our 2014 proxy, the 2013 EBITDA target applicable to the 2013 vesting tranche of the 2011 Performance Shares was also not satisfied. The Compensation Committee set a 2014 catch-up EBITDA target of \$16.6 million. This catch up EBITDA target requires a greater level of performance than the general EBITDA target set for 2014. The Company's actual EBITDA, as adjusted, for 2014 was \$7.1 million and the Company did not attain this 2014 catch-up target. As a result, none of the 2011 Performance Shares subject to the 2014 catch-up target vested and those shares (25% of the original grant) were forfeited.

To date, none of our named executive officers has received any shares with respect to their performance-based restricted stock grants and each of our named executive officers has forfeited 100% of the performance-based shares that were issued in 2011 and 25% of the performance-based shares that were issued in 2013.

The total number of performance-based shares that have been forfeited by our named executive officers is as follows:

Named Executive Officer	Performance-Based Shares Forfeited
Shaun E. McAlmont	60,350
Scott M. Shaw	41,270
Brian K. Meyers	4,440
Kenneth M. Swisstack	10,428

No Backdating or Spring Loading

The Company does not backdate options or grant options retroactively. In addition, we do not plan to coordinate grants of options, restricted stock or other equity awards so that they are made before announcement of favorable information or after announcement of unfavorable information. Stock options are granted at fair market value on the date the option grants are approved by our Compensation Committee. Fair market value has been consistently determined as the closing price on the NASDAQ Global Select Market on the grant date. All option grants and restricted stock awards require the approval of the Compensation Committee. The Company's general practice is to grant options and restricted stock only on the dates of a regularly scheduled Compensation Committee meeting, although there are occasions when grants have been made on other dates.

Comparative Data

The Company has not implemented a formal benchmarking process and does not target named executive officer compensation at a specified level of a peer group. In 2014, the Compensation Committee informally reviewed compensation information set forth in public filings with the SEC (including base salaries, annual incentive bonuses and equity-based compensation) for the following companies: American Public Education, Inc., Bridgepoint Education, Inc., Capella Education Co., Career Education Corporation, DeVry, Inc., Education Management Corporation, Grand Canyon Education Inc., ITT Educational Services, Inc., Strayer Education, Inc. and Universal Technical Institute, Inc.

The purpose of this review was to determine whether the level of compensation proposed to be paid to the Company's named executive officers during 2014 was outside the range of the compensation paid to the named executive officers at our peer companies, with the understanding that adjustments would be considered if such proposed compensation proved to be significantly outside the range of our peer groups. After this informal review, the Compensation Committee determined that the compensation proposed to be paid to the Company's named executive officers was within the peer group range and consequently that no adjustments were required at that time.

The Compensation Committee also reviewed general survey data across a broad cross-section of industries for companies with revenues similar to ours.

Employment Agreements and Change in Control Benefits

The Company has entered into employment agreements with Messrs. McAlmont, Shaw, Meyers and Swisstack. Each of these agreements will expire on December 31, 2016. The agreements are described below under “Employment Agreements.”

In 2011, the Compensation Committee amended the employment agreements to provide for a “double-trigger” change in control severance benefits. Previously, the employment agreements contained a “single-trigger” change in control severance benefit. The amended employment agreements provide for severance benefits only upon an involuntary termination of employment during the two-year period following a change of control. All stock options and restricted stock awards held by our named executive officers will immediately vest upon the occurrence of a change in control. The performance-based restricted stock will vest upon a change in control only if the threshold operating income margin target has been attained.

We do not provide our executive officers with tax gross-ups for “excess parachute payments” under Section 280G of the Internal Revenue Code upon a change in control. In the event that any payment or distribution by us to or for the benefit of our named executive officers would be considered a “parachute payment” for purposes of Section 280G, the amount of such payments may be reduced to the largest amount permissible without triggering excise taxes under Section 4999 of the Internal Revenue Code.

Retirement Plans

The Company maintains a plan qualified under Section 401(k) of the Internal Revenue Code for the benefit of all employees. Our named executive officers are eligible to participate in this plan on the same terms and conditions as all other employees. At the discretion of our board of directors, we may make discretionary matching and/or profit-sharing contributions into our 401(k) plan for eligible employees, which may be subject to vesting requirements. We believe that a 401(k) plan encourages our employees to save for future retirement needs and we encouraged this in 2014 by matching 30% of our employee’s annual contributions, up to 6% of total compensation, subject to a compensation limitation and/or a contributions limitation pursuant to the Internal Revenue Code. With respect to each of the named executive officers, the following matching contributions were made on their behalf under our 401(k) plan for 2014: \$3,000 for Mr. McAlmont; \$5,250 for Mr. Shaw; \$1,582 for Mr. Meyers; \$5,250 for Mr. Swisstack; \$5,250 for Mr. Ribeiro and \$4,495 for Ms. Jameson.

We do not provide any additional retirement benefits for our named executive officers. None of our named executive officers participate in a non-qualified deferred compensation program or pension arrangement.

Welfare Benefits and Perquisites

Our named executive officers are eligible to participate in our medical and dental health insurance plans, our life insurance plan and our long-term disability insurance plan on the same terms and conditions as all other employees. We also provide our named executive officers with supplemental life insurance. We believe that the benefits we offer are important components of our comprehensive benefit package, which encourages employees to remain with us.

We also provide each of the named executive officers with use of a vehicle for business and personal use and pay for associated costs, including automobile insurance, parking and fuel. The executives are responsible for all taxes related to this benefit.

We do not provide any other perquisites or benefits to our named executive officers and we do not pay any tax gross-ups with respect to any compensation.

Tax Deductibility of Compensation: Accounting

Section 162(m) of the Internal Revenue Code precludes a public corporation from taking a deduction for compensation in excess of \$1 million with respect to each of the named executive officers (excluding the Chief Financial Officer). Section 162(m) exempts qualifying performance-based compensation from the deduction limit if applicable requirements are met. The Compensation Committee strives to provide our named executive officers with compensation programs that will preserve the tax deductibility of compensation paid by the Company, to the extent reasonably practicable and to the extent consistent with the Company's other compensation objectives. However, the Compensation Committee believes that shareholder interests are best served if it retains the flexibility to compensate executives in a manner intended to promote varying corporate goals, even if certain amounts that may be payable in excess of \$1 million may not be deductible under Section 162(m).

The Compensation Committee also takes accounting considerations, including the impact of Financial Accounting Standards Board Accounting Standards Codification 718 Compensation – Stock Compensation (FASB Statement 123(R), Share Based Payments), into account in structuring compensation programs and determining the form and amount of compensation awarded.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with the Company's management the Compensation Discussion and Analysis included in this proxy statement. Based on that review and discussion, the Compensation Committee has recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement.

(1) In 2014, the Company had six executive officers. Mr. Swisstack became an executive officer on June 2, 2014 and Mr. Meyers on December 18, 2014. Mr. Ribeiro's last day of employment with the Company was December 31, 2014 and Ms. Jameson's last day of employment was February 13, 2015.

(2) Represents the aggregate grant date fair value of restricted stock grants during each of the years presented. The fair values of these grants were determined in accordance with FASB ASC Topic 718 (excluding the effect of estimated forfeitures). See Note 1 to the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2014, regarding assumptions underlying the valuation of equity awards. Whether, and to what extent, a named executive officer realizes value will depend on our actual operating performance, stock price fluctuations and the named executive officer's continued employment. Amounts reported for these awards may not represent the amounts that the named executive officers will actually realize from the awards.

Pursuant to the Securities and Exchange Commission disclosure rules, the dollar value included in the table with respect to 2014 represents (i) the grant date fair value of 25% of the performance-based restricted stock awards granted in 2013 (“Performance Shares”) and (ii) the grant date fair value of (i) the time-based restricted stock granted in the applicable year.

Pursuant to the Securities and Exchange Commission disclosure rules, the dollar value included in the table with respect to 2013 represents the grant date fair value of 25% of the performance-based restricted stock awards granted in each of 2011 and 2013 (“Performance Shares”). The dollar value included in the table with respect to 2012 represents the grant date fair value of (i) the time-based restricted stock granted in the applicable year and (ii) 25% of the performance shares granted in 2011.

Time-based restricted stock awards in 2014 for Mr. Meyers and Mr. Swisstack vest ratably over three years. Time-based restricted stock awards generally vest ratably over four years with 20% vesting on each of the date of grant and the first through fourth anniversaries of the date of grant. The time-based restricted stock awards granted on March 2, 2012 vested in full on March 2, 2013. The Performance Shares vest based upon the attainment of (i) a threshold operating income margin target and (ii) EBITDA targets set by the Compensation Committee each year during the applicable four-year performance period as described in the “Compensation Discussion and Analysis.” As none of the 2011, 2012 or 2013 EBITDA targets were attained, to date, the named executive officers have not received any value with respect to the 2011 or 2013 Performance Shares.

The terms and conditions of the time-based restricted stock and the Performance Shares are described in detail above in the “Compensation Discussion and Analysis.” There is no vesting period on the right to vote or the right to receive dividends on the restricted stock awards.

Mr. McAlmont will receive a minimum annual base salary of \$500,000, will be eligible to participate in the MIC Plan and, to the extent eligible, in all of our employee benefit plans, programs and arrangements that are established for, or made available to, our senior executives.

Involuntary Termination. In the event of an “Involuntary Termination” (as defined below) of Mr. McAlmont’s employment, we will pay him: (1) two times his base salary, as is then in effect; (2) two times the average of his annual incentive compensation award over the prior two years; and (3) a cash amount equal to the Company’s estimate of the employer portion of the premiums necessary to continue his health care benefits coverage for the earlier of (A) one year and (B) the date on which he is covered under another group health plan. These amounts would be paid by us in a lump-sum 60 days following his termination. In addition, Mr. McAlmont will receive a prorated annual award under the MIC Plan for the year in which the Involuntary Termination occurs based on actual performance, payable at the time that awards are generally paid to employees for the applicable year.

Termination for Cause; Resignation Other than for Good Reason. In the event that Mr. McAlmont’s employment is terminated by us for Cause or Mr. McAlmont resigns from his employment other than for “Good Reason” (as defined below), we will pay him his accrued but unpaid base salary and employee benefits earned through the date of his termination, including, without limitation, any MIC Plan award due but not yet paid for a completed calendar year.

Death or Disability. In the event that Mr. McAlmont dies or his employment is terminated as a result of his disability, we will pay him (or his estate, if applicable) his accrued but unpaid base salary and employee benefits earned through the date of his termination, including, without limitation, any MIC Plan award due but not yet paid for a completed calendar year. In addition, (i) Mr. McAlmont will receive a prorated target MIC Plan award for the year of termination and (ii) all of Mr. McAlmont’s outstanding stock options and restricted stock shall become fully vested, and stock options shall become immediately exercisable and remain exercisable for one year (or until the option’s normal expiration date, if earlier).

Change in Control. Upon a “Change in Control” (as defined below), we (or our successor) will continue the employment of Mr. McAlmont for a period of two years commencing on the date of the Change in Control and ending on the second anniversary thereof.

In the event that any payment or distribution by us to or for the benefit of Mr. McAlmont pursuant to the terms of the employment agreement or otherwise would be considered a “parachute payment” and the amount of the parachute payment, after deduction of all relevant taxes, including excise taxes imposed by Section 4999 of the Internal Revenue Code, is less than the amount Mr. McAlmont would receive if he was paid three times his average “base amount” less \$1.00, then the aggregate amounts constituting the parachute payment will be reduced (or returned by Mr. McAlmont if already paid to him) to an amount that will equal three times his average “base amount” less \$1.00.

Noncompetition. Mr. McAlmont is subject to a noncompetition restrictive covenant during the term of his employment and for two years thereafter, although the covenant will not apply if his employment is terminated due to an Involuntary Termination.

Nonsolicitation. Mr. McAlmont is subject to a nonsolicitation restrictive covenant of clients, employees and key consultants during the term of this employment and for one year thereafter.

Confidentiality. Mr. McAlmont is subject to a confidentiality restrictive covenant of unlimited duration.

Waiver and Release. Our obligations upon a termination of employment under Mr. McAlmont's employment agreement are subject to Mr. McAlmont executing and delivering a waiver and release of claims against us.

Employment Agreements with Messrs. Shaw, Meyers and Swisstack

The terms of the Company's employment agreements for Messrs. Shaw, Meyers and Swisstack are identical to those set forth in Mr. McAlmont's employment agreement described above, except that: (a) Mr. Shaw will serve as President and Chief Operating Officer and will receive a minimum annual base salary of \$440,000; (b) Mr. Meyers will serve as Executive Vice President, Chief Financial Officer and Treasurer, and will receive a minimum annual base salary of \$301,337; (c) Mr. Swisstack will serve as Executive Vice President, General Counsel and will receive a minimum salary of \$306,000; and (d) in the event of an Involuntary Termination, each shall be entitled to receive a payment of one and one half times his base salary and average annual incentive compensation award (as opposed to two times).

"Involuntary Termination" generally means the termination of the executive's employment by the executive for Good Reason or by the Company without Cause.

Table of Contents

Prior to a “Change in Control” (as defined below), “Cause” generally means any of the following: (i) the executive’s willful failure to perform his duties in any material respect, (ii) malfeasance or gross negligence in the performance of his duties, (iii) the executive’s conviction of a felony, (iv) the executive’s intentional or reckless disclosure of confidential information, (v) the executive’s commission of an act of sexual harassment that would normally constitute grounds for termination, or (vi) any other act or omission by the executive which is materially injurious to the financial condition or business reputation of the Company or any of its affiliates. The definition also requires that the Executive be given 30 days’ notice to cure a breach of (i) and (ii) above. After a Change in Control, Cause would not include (v) and (vi) above.

“Good Reason” generally means the occurrence of any of the following without the executive’s written consent: (i) a reduction in the executive’s base salary or target annual incentive compensation award; (ii) an adverse change in the executive’s title, authority, duties or responsibilities; (iii) the relocation of the executive’s principal place of employment to a location more than 10 miles from West Orange, New Jersey; (iv) a failure by the Company to pay material compensation when due; or (v) a material breach of the Employment Agreement by the Company. The definition also requires that the Company be given 10 days’ notice to cure any Good Reason that is susceptible to cure.

“Change in Control” generally means any of the following: (i) when a person directly or indirectly becomes the beneficial owner of 25% or more of either (1) the then outstanding common stock, or (2) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (other than any acquisition directly from the Company, by the Company, or by an employee benefit plan sponsored by the Company); (ii) when, during any period of 24 consecutive months, the individuals who constitute the board of directors cease to constitute at least a majority thereof; (iii) when the shareholders approve a reorganization, merger or consolidation of the Company without the consent or approval of a majority of the board of directors; (iv) when there is a consummation of a merger, amalgamation or consolidation of the Company with any other corporation, the issuance of voting securities of the Company in connection with such a transaction or the sale or other disposition of all or substantially all of the assets of the Company or the acquisition of assets of another corporation (unless there is no significant change in the beneficial ownership of the common stock); or (v) a complete liquidation or dissolution of the Company or the sale or other disposition of all or substantially all of the assets of the Company.

Compensation of Directors

In 2014, the Company paid each of its non-employee directors an annual retainer of \$40,000 for services to the Company. In addition, each non-employee director received \$1,500 per board meeting attended in person or by telephone. Non-employee directors on committees of the board each received an additional payment of \$1,500 for each committee meeting attended on a day other than the day of a board meeting for which that director has been compensated. The Audit Committee Chairman received an additional \$15,000 annual retainer and the chairpersons of the Nominating and Corporate Governance Committee and the Compensation Committee each received an additional \$10,000 annual retainer.

Alexis Michas, our Non-Executive Chairman received an additional annual retainer of \$80,000. Fifty percent of this retainer was paid in cash and the remaining 50% was paid in restricted stock. Mr. Michas received 25,173 shares restricted stock on May 2, 2014. The restricted stock vests in full on May 2, 2015, the first anniversary of the grant date.

Non-employee directors are also eligible to receive awards of restricted stock under the 2005 Non-Employee Directors Restricted Stock Plan (the "Restricted Stock Plan") as compensation for their services as directors.

Annual Grants of Restricted Stock. On the date of each annual meeting, each non-employee director shall automatically receive an award of shares of restricted stock equal to \$55,000 (based on the fair market value of a share of common stock on the date of grant) for service as a director of the Company, provided that such non-employee director continues to serve as a director of the Company immediately after such annual meeting. On May 2, 2014, 13,995 shares of common stock were awarded to each of our eight non-employee directors. The per share fair market value of the common stock on May 2, 2014 was \$3.93.

All awards of common stock under the Restricted Stock Plan granted since 2010 vest on the first anniversary of the grant date. There is no vesting period on the right to vote or the right to receive dividends on these shares.

Audit Committee Report

The Audit Committee assists the board of directors in fulfilling its oversight responsibilities with respect to the Company's financial reporting process, by monitoring, among other matters, the quality and integrity of the Company's financial statements, the independence and performance of Deloitte & Touche LLP ("D&T"), the Company's independent registered public accounting firm, and the performance of the Company's internal auditors. Management has primary responsibility for preparing the financial statements and for the reporting processes, including the design

and maintenance of the Company's system of internal controls. The independent registered public accounting firm is responsible for auditing the Company's consolidated financial statements and opining upon the effectiveness of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee is solely responsible for the compensation, appointment and oversight of the Company's independent registered public accounting firm.

In this context, the Audit Committee has met and held discussions with management, the independent registered public accounting firm and the internal auditors, separately and together, with and without management present, regarding the Company's audited consolidated financial statements as of December 31, 2014, and for the year then ended and regarding the Company's internal controls. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles in the U.S. The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by PCAOB Interim, Auditing Standard No. 16 (Communications with Audit Committees). Further, the Audit Committee discussed with the internal auditors the Company's plans for and scope of internal audits, identification of audit risks and results of audit activities.

The Audit Committee reviewed and discussed with the independent registered public accounting firm the auditor's independence from the Company and its management. As part of that review, the Company's independent registered public accounting firm submitted to the Audit Committee the written disclosures and the letter required by PCAOB Rule 3526 (Independence Discussions with Audit Committees) in which D&T affirmed its independence from the Company. Further, the Audit Committee discussed with D&T the firm's independence and considered whether D&T's provision of non-audit services to the Company was compatible with maintaining D&T's independence. The Audit Committee concluded that D&T is independent from the Company and its management.

Table of Contents

Based upon the considerations described above and subject to the limitations upon the role and responsibilities of the Audit Committee as set forth in the Audit Committee's charter, the Audit Committee recommended to the board of directors that the audited consolidated financial statements for the year ended December 31, 2014, be included in the Company's 2014 Annual Report on Form 10-K.

PROPOSAL 2: ADVISORY VOTE ON THE COMPANY'S COMPENSATION OF NAMED EXECUTIVE OFFICERS

Pursuant to the rules of the Securities and Exchange Commission adopted under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are providing shareholders with a non-binding advisory "say-on-pay" vote to approve the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis and tabular and narrative disclosures of this proxy statement.

We encourage shareholders to read the Compensation Discussion and Analysis beginning on page 11 of this proxy statement, which describes how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative which provide detailed information on the compensation of our named executive officers. The Compensation Committee and the board of directors believe that the policies and procedures articulated in this proxy statement are effective in achieving our goals.

The board unanimously recommends a vote for the following resolution:

"RESOLVED, that the shareholders hereby approve the compensation of the named executive officers as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the accompanying compensation disclosure tables and any related narrative disclosure in this proxy statement."

Although the vote on this Proposal 2 is advisory and non-binding, the Compensation Committee and the board will review the voting results on the proposal and will consider shareholder views in connection with our executive compensation program.

Required Vote

A majority of the votes cast at the annual meeting will be required to approve the compensation of the Company's Named Executive Officers.

Our board of directors unanimously recommends a vote FOR the proposal to approve the compensation of named executive officers described in this proxy statement. Proxies that are executed and returned will be voted FOR that proposal, except to the extent that particular proxies contain instructions to vote against, or to abstain from voting with regard to, that proposal.

PROPOSAL 3: APPROVAL OF THE COMPANY'S AMENDED AND RESTATED 2005 NON-EMPLOYEE DIRECTORS RESTRICTED STOCK PLAN

At its February 27, 2015 meeting, the board of directors unanimously approved, subject to shareholder approval, amending the Company's 2005 Non-Employee Directors Restricted Stock Plan (the "Directors Plan") to increase the aggregate number of shares of common stock available under the Plan from 500,000 shares to 700,000 shares (an increase of 200,000 shares). The Directors Plan was initially adopted in 2005 and amended in each of 2009 and 2013.

Table of Contents

As described in greater detail below, the Directors Plan provides each non-employee director with an annual grant of restricted stock valued at \$55,000 on the date of each annual meeting. The Non-Executive Chairman receives an additional annual grant of restricted stock valued at \$40,000 on the date of each annual meeting (or \$95,000 in total). The restricted stock grants represent approximately 50% of the total compensation paid to our non-employee directors as set forth above under "Director Compensation."

Shareholder approval of the Directors Plan is required under the rules of NASDAQ.

As of March 15, 2015, there were only 76,505 shares of common stock available for issuance under the Directors Plan. The Company estimates that approximately 180,000 shares of common stock would be granted to our non-employee directors pursuant to the terms of the Plan upon the 2015 Annual Meeting (based upon a stock price of \$3.00). Accordingly, without this amendment, there will not be a sufficient number of shares under the Directors Plan for all issuances at the 2015 Annual Meeting.

Summary of the Non-Employee Directors Restricted Stock Plan

The following is a summary of the principal provisions of the Directors Plan, but is not intended to be a complete description of all of its terms and provisions. This description is qualified by reference to the Plan document, which is attached to this proxy statement as Annex A.

Administration

The Directors Plan is administered by our Compensation Committee or such other committee appointed by our board. Our Compensation Committee has the authority to interpret and construe the provisions of the Directors Plan and to make all administrative rules, procedures and determinations with respect to the Directors Plan in accordance with the terms of the Plan. Our Compensation Committee may designate one or more of our employees to carry out the day-to-day aspects of our Compensation Committee's responsibilities under the Directors Plan.

Eligibility

Only directors who are not employees of our Company or any of our subsidiaries may participate in the Plan. As of the date of this proxy statement, we have nine non-employee directors.

Number of Shares Available for Issuance

If amended pursuant to this proposal, the maximum number of shares of our common stock that may be issued for all purposes under the Directors Plan will be increased to an aggregate of 700,000 shares. Shares of our common stock issued under the Directors Plan may be either treasury shares or authorized and unissued shares.

Types of Awards

An award of restricted stock or restricted stock units may be made to a non-employee director under the Plan. Awards made under the Plan are granted for no consideration other than the provision of services or for such other consideration as our Compensation Committee may determine or as may be required by applicable law.

Restricted Stock Awards

As of the date of each annual meeting of our shareholders, each non-employee director will automatically receive an award of restricted shares of our common stock equal to \$55,000 (based on the fair market value of a share of common stock on the date of grant). If a non-employee director (i) will not continue to serve as a director on our board

immediately after the relevant annual meeting or (ii) became a director on our board within 60 days or less of the relevant annual meeting, then such non-employee director will not receive any annual award of restricted stock for such year.

Unless otherwise set forth in an award document, an award of restricted stock vests on the first anniversary of the date of grant, subject to our compensation committee's authority to accelerate the vesting of the award upon a Change in Control (as defined in the "Change in Control" section of Proposal 3). Restricted stock will not be transferable until the later of the date on which it becomes vested (other than by the laws of descent and distribution) and six months following the date of grant. A non-employee director will have the right to vote and receive dividends upon receiving an award of restricted stock.

Table of Contents

Deferral Election; Restricted Stock Unit Awards

A non-employee director may be given the opportunity to make an irrevocable election to defer receipt of all or any portion of an award of restricted stock otherwise receivable by him or her. Any such election to defer must be made by the non-employee director within the time specified by our compensation committee no later than December 31st of the taxable year prior to the year in which the applicable award of restricted stock would otherwise be made to such director (except for the first year in which a Non-Employee Director becomes eligible to participate in the Plan, in which such Non-Employee Director must make a Deferral Election within 30 days after the date he or she becomes eligible to participate in the Plan). If a non-employee director makes such a deferral election, he will receive a number of restricted stock units in lieu of, and equal to, the number of shares of restricted stock that is subject to the deferral election. The restricted stock units will have substantially the same terms as the restricted stock.

No shares of common stock will be issued to the non-employee director upon vesting of the award of restricted stock units. Instead, the restricted stock units will be credited to the non-employee director's account under our deferral plan on the applicable vesting date. Any restricted stock units credited to the deferral plan will be held as restricted stock units until such time as they are settled through the delivery of shares of common stock. In addition, following vesting the non-employee director will be entitled to have any dividend equivalents earned as of the applicable vesting date that correspond to such restricted stock units distributed in whole shares of our common stock. Restricted stock units will not be transferable (other than by the laws of descent and distribution). A non-employee director will have no rights as a shareholder in our Company with respect to restricted stock units held by him until shares of our common stock underlying such units are distributed.

Currently, the Company does not provide non-employee directors with the opportunity to defer receipt of their restricted stock.

Termination of Service

In the event that a non-employee director's service on our board terminates, our compensation committee has the authority to accelerate the vesting of an award, which action may be taken at the time of grant or at a subsequent time. In the absence of any action by our compensation committee to the contrary, upon such termination of service, such non-employee director's award will, to the extent unvested, be immediately forfeited as of such date of termination.

Amendment and Termination; Term

Our board may, at any time, terminate, amend, modify or suspend the directors' plan, except that no amendment may be made (i) where required by applicable law or exchange rules, unless shareholder approval is obtained, or (ii) that adversely alters or affects the rights of a non-employee director with respect to any award outstanding without such director's consent. Unless terminated earlier, the directors' plan will terminate on the tenth anniversary of the date on which shareholders' approval is obtained (May 1, 2025), except with respect to awards that are then outstanding.

Other Provisions

Adjustments or Changes in Capitalization. In the event of a stock split, reverse stock split, stock dividend, extraordinary cash dividends, recapitalization, reorganization, liquidation, merger or other similar corporate event or distribution of stock or property affecting the shares of Company common stock, the aggregate number of shares of available for issuance under the Plan, the various Plan limits, and the number of shares subject to, and exercise or grant price of, outstanding awards will be appropriately adjusted by the Compensation Committee in order to preserve the benefits or potential benefits intended to be made available to the participants.

Limited Transferability. Unless the Compensation Committee determines otherwise, restricted stock shall not be transferable other than by the laws of descent and distribution until such restricted stock has vested, but, in no event, prior to the expiration of a period of six (6) months from the grant date. Unless the Compensation Committee determines otherwise, restricted stock units shall not be transferable other than by the laws of descent and distribution.

Plan Benefits

The table below shows restricted stock that will be granted to all non-employee directors granted at the 2015 Annual Meeting on May 1, 2015 if Proposal 3 is approved by our shareholders. The number of shares will equal the dollar value of the award set forth below divided by the closing price of our common stock on the day prior to the grant date. If this Proposal 3 is not approved by our shareholders, the directors will receive a prorated grant based on the number of shares remaining eligible for issuance and the Company may be required to adjust the director compensation program for future years.

U.S. Federal Tax Consequences

The following is a brief description of the federal income tax consequences generally arising with respect to certain awards that may be granted under the Directors Plan based on current tax laws. The summary does not include any state, local or foreign tax laws. This discussion is intended for the information of shareholders considering how to vote at the 2015 Annual Meeting and not as tax guidance to individuals who participate in the Plan.

Restricted Stock. A non-employee director will not recognize taxable income upon the grant of restricted stock. The non-employee director will recognize ordinary income at the time of vesting of the restricted stock equal to the fair market value of the shares received. Any subsequent gain or loss will be capital gain or loss, long-term if the shares have been held for more than one year. The non-employee director may instead elect to be taxed at the time of grant. If the non-employee director makes such an election, the one year long-term capital gains holding period begins on the date of grant. The Company generally will receive a deduction for any ordinary income recognized by a non-employee director with respect to an award.

Restricted Stock Units. A non-employee director will not recognize taxable income upon the grant of restricted stock units. The non-employee director will recognize ordinary income at the time the shares of common stock are delivered equal to the fair market value of the shares received. Any subsequent gain or loss will be capital gain or loss, long-term if the shares have been held for more than one year.

Other Information. The Company generally will receive a deduction for any ordinary income recognized by a non-employee director with respect to an award. As of March 13, 2015, the closing price of a share of our common stock was \$2.78.

Required Vote

A majority of the votes cast at the annual meeting will be required to approve the amendment to the Company's 2005 Non-Employee Directors Restricted Stock Plan.

Our board of directors unanimously recommends a vote FOR the proposal to approve the amendment to the Company's 2005 Non-Employee Directors Restricted Stock Plan. Proxies that are executed and returned will be voted FOR that proposal, except to the extent that particular proxies contain instructions to vote against, or to abstain from voting with regard to, that proposal.

PROPOSAL 4: RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Deloitte & Touche LLP, which has served as the Company's independent registered public accounting firm since 1999, to be the Company's independent registered public accounting firm for the year ending December 31, 2015. Deloitte & Touche LLP has advised the Company that it does not have any direct or indirect financial interest in the Company. Representatives of Deloitte & Touche LLP are expected to attend the annual meeting and will be given the opportunity to make a statement if they choose to do so. They will also be available to respond to appropriate questions.

Before appointing Deloitte & Touche LLP, the Audit Committee carefully considered Deloitte & Touche LLP's qualifications, including the firm's performance as independent registered public accounting firm for the Company in prior years and its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee also considered whether Deloitte & Touche LLP's provision of non-audit services to the Company is compatible with its independence from the Company.

Shareholders will be asked at the annual meeting to ratify the appointment of Deloitte & Touche LLP. If the shareholders ratify the appointment, the Audit Committee may still, in its discretion, appoint a different independent registered public accounting firm at any time during the year 2015 if it concludes that such a change would be in the best interests of the Company. If the shareholders fail to ratify the appointment, the Audit Committee will reconsider, but not necessarily rescind, the appointment of Deloitte & Touche LLP.

Fees Billed by Independent Registered Public Accounting Firm

As more fully described below, all services to be provided by Deloitte & Touche LLP are pre-approved by the Audit Committee, including audit services, tax services and certain other services.

The SEC requires disclosure of fees billed by the Company's independent registered public accounting firm for certain services. The following table sets forth the aggregate fees billed by Deloitte & Touche LLP during the years ended December 31, 2014 and 2013:

Fee Category	2014	2013
Audit and Audit Related Fees	\$864,212	\$856,090
Tax Fees	185,522	173,325
All Other Fees	7,880	7,880
Total Fees	\$1,057,614	\$1,037,295

Audit and Audit Related Fees consisted principally of audit services of our consolidated financial statements, review of our quarterly financial statements, services that are normally provided by the independent auditors in connection with statutory and regulatory filings and the audit of the effectiveness of our internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.

Tax Fees consisted principally of professional services rendered by Deloitte & Touche LLP in connection with the Company's tax compliance activities, including technical and tax advice related to the preparation of tax returns.

All Other Fees primarily consisted of professional services rendered in connection with the Company's employee benefit plan.

Audit Committee Pre-Approval Policy

The Audit Committee approves, prior to engagement, all audit and non-audit services provided by Deloitte & Touche LLP and all fees to be paid for such services. All services are considered and approved on an individual basis. In its pre-approval and review of non-audit service fees, the Audit Committee considers, among other factors, the possible effect of the performance of such services on the auditors' independence.

Required Vote

A majority of the votes cast at the annual meeting will be required to ratify the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2015.

Our board of directors recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2015.

CORPORATE GOVERNANCE GUIDELINES AND CODE OF ETHICS

The board of directors has adopted corporate governance guidelines, which include guidelines for determining director independence, director responsibilities, director access to management and independent advisors, and director stock ownership guidelines.

The board of directors has adopted an Integrity Assurance Program – A Code of Business Ethics and Conduct that applies to all directors, officers and employees and that is intended, among other things, to comply with Section 406 of the Sarbanes-Oxley Act of 2002 and related SEC and NASDAQ Marketplace Rules requiring a code of ethics for a company's directors, officers and employees. TRANSACTIONS WITH RELATED PERSONS

The Company recognizes that related person transactions present a heightened risk of conflicts of interest. As a general matter, it is the preference of the Company to avoid related person transactions. The term "related person transaction" refers to a transaction required to be disclosed pursuant to Item 404 of Regulation S-K, under the Securities Act of 1933, as amended.

Nevertheless, the Company recognizes that there are situations where related person transactions may be in, or may not be inconsistent with, the best interests of the Company and its shareholders. As a result, pursuant to the Company's Audit Committee written charter, the Audit Committee is charged with the responsibility to review and approve all related person transactions on an ongoing basis. All such transactions must be approved in advance by the Audit Committee.

In addition, the Company's Code of Business Ethics and Conduct (the "Code of Conduct") contains policies and procedures with respect to conflicts of interest and related person transactions. other activity of the Company; using Company property or information for personal gain; obtaining loans or guarantees for personal obligation from the Company; and competing with the Company.

DIRECTORS RESTRICTED STOCK PLAN

1. Purpose of the Plan

The Plan is intended to encourage ownership of Common Stock by Non-Employee Directors of the Company, upon whose judgment and interest the Company is dependent for its successful operation and growth, in order to increase their proprietary interest in the Company's success and to encourage them to serve as directors of the Company.

(ii) when, during any period of 24 consecutive months of service, the individuals who, at the beginning of such period, constitute the Board (the “Company Incumbent Directors”) cease for any reason other than death to constitute at least a majority thereof; provided, however, that a director who was not a director at the beginning of such 24-month period shall be deemed to be a Company Incumbent Director if such director was elected by, or on the recommendation of or with the approval of at least two-thirds of the directors of the Company, who then qualified as Company Incumbent Directors;

(iii) consummation of a merger, amalgamation or consolidation of the Company with any other corporation, the issuance of voting securities of the Company in connection with a merger, amalgamation or consolidation of the Company or sale or other disposition of all or substantially all of the assets of the Company or the acquisition of assets of another corporation (each, a “Business Combination”), unless, in each case of a Business Combination, immediately

(b) Rules of Construction. The masculine pronoun shall be deemed to include the feminine pronoun and the singular form of a word shall be deemed to include the plural form, unless the context requires otherwise. Unless the text indicates otherwise, references to sections are to sections of the Plan.

3. Administration

(a) Authority. Subject to the provisions of Section 12 hereof, the Committee shall have authority to (i) construe and interpret the provisions of the Plan and any Award Document, (ii) to establish such rules and procedures as may be necessary or advisable to administer the Plan, (iii) to make all determinations necessary or advisable for the administration of the Plan, including, without limitation, factual and legal determinations, (iv) to employ such legal counsel, independent auditors and consultants as it deems desirable for the administration of the Plan and to rely upon any opinion or computations received therefrom and (v) to correct any defects, supply any omission or reconcile any inconsistency in any Award Document or the Plan; provided, however, that no such interpretation or determination shall change or affect the selection of persons eligible to receive an Award under the Plan, the number of shares authorized under the Plan or the terms and conditions thereof. The interpretation and construction by the Committee of any provision of the Plan or of any Award Document shall be made in the Committee's sole discretion and shall be final, binding and conclusive for all purposes and upon all persons interested herein.

(b) Delegation. To the extent not prohibited by applicable laws, rules and regulations, the Committee may, from time to time, delegate some or all of its authority under the Plan to a subcommittee or subcommittees thereof or other persons or groups of persons as it deems necessary, appropriate or advisable under such conditions or limitations as it may set at the time of such delegation or thereafter.

(c) Liability of Committee and its Delegates. Subject to applicable laws, rules and regulations: (i) no member of the Board or Committee (or its delegates) shall be liable for any good faith action, omission or determination made in connection with the operation, administration or interpretation of the Plan and (ii) the members of the Board or the Committee (and its delegates) shall be entitled to indemnification and reimbursement in the manner provided in the Company's Certificate of Incorporation as it may be amended from time to time. In the performance of its responsibilities with respect to the Plan, the Committee shall be entitled to rely upon information and advice furnished by the Company's officers or employees, the Company's accountants, the Company's counsel and any other party the Committee deems necessary, and no member of the Committee shall be liable for any action taken or not taken in reliance upon any such information or advice.

4. Eligibility

Awards under the Plan shall be granted pursuant to the provisions hereof to persons who are Non-Employee Directors.

5. Common Stock Subject to the Plan

(a) Plan Limit. Subject to Section 9(b) hereof, the Company is authorized to issue up to 700,000 shares of Common Stock under the Plan (the "Plan Limit"). Such shares may be authorized but unissued shares of Common Stock or reacquired shares of Common Stock held in the treasury of the Company.

(b) Rules Applicable to Determining Shares Available for Issuance. The number of shares of Common Stock remaining available for issuance will be reduced by the number of shares of Common Stock subject to outstanding Awards and, for Awards that are not denominated by shares, by the number of shares actually delivered upon settlement or payment of the Award. For purposes of determining the number of shares of Common Stock that remain available for issuance under the Plan, the number of shares that are tendered by a participant or withheld by the Company to pay the exercise price of an Award or to satisfy the participant's tax withholding obligations in connection with the vesting, exercise or settlement of an Award will not be added back to the Plan Limit. In addition, for

purposes of determining the number of shares that remain available for issuance under the Plan, the number of shares corresponding to Awards under the Plan that are forfeited or cancelled or otherwise expire for any reason without having been exercised or settled or that is settled through the issuance of consideration other than shares (including, without limitation, cash) shall be added back to the Plan Limit and again be available for the grant of Awards.

6. Awards in General

(a) General. The terms and conditions of each Award shall be set forth in an Award Document, which shall contain terms and conditions not inconsistent with the Plan. Each Award made to a Non-Employee Director under the Plan shall be granted for no consideration other than the provision of services (or such minimum payment as may be required under applicable law) or for such other consideration as the Committee may determine.

(b) Effect of Termination of Service. Notwithstanding any provision of the Plan to the contrary, in the event that a Non-Employee Director's service on the Board terminates, the Committee shall have full authority and discretion to accelerate the vesting of an Award, which provisions may be specified in the applicable Award Document or determined at a subsequent time. In the absence of any action by the Committee to the contrary, upon such termination of service, the Non-Employee Director's Award shall, to the extent unvested, be immediately forfeited as of such date of termination of service. The date of a Non-Employee Director's termination of service from the Board for any reason shall be determined in the sole discretion of the Committee.

7. Terms and Conditions of Restricted Stock Awards

The terms of this Section 7 are subject to the terms and provisions set forth above in Section 6.

(a) Annual Grants of Restricted Stock. Subject to the provisions of Sections 7 and 8, on the date of each Annual Meeting, each Non-Employee Director shall automatically receive an Award of shares of Restricted Stock equal to \$55,000 (based on the Fair Market Value of a share of Common Stock on the Date of Grant) for service as a director of the Company, provided that such Non-Employee Director shall continue to serve as a director of the Company immediately after such Annual Meeting.

(b) Vesting. Unless otherwise set forth in an Award Document, an Award of Restricted Stock shall vest and become nonforfeitable on the first anniversary of the Date of Grant (subject to early vesting, if so provided by the Committee in its sole discretion in the applicable Award Document or at a subsequent time, upon a Change in Control of the Company).

(c) Issuance of Shares. A certificate representing the whole shares of Common Stock covered by an Award of Restricted Stock shall be issued in the Non-Employee Director's name, subject to the terms and conditions of the Plan and the applicable Award Document, promptly after the Date of Grant, and such a Non-Employee Director shall be deemed to own such number of whole shares of Common Stock, including, without limitation, for purposes of dividends and voting, as of the Date of Grant. The Board may require that the certificate evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any Award of Restricted Stock, the Eligible Director shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award of Restricted Stock.

(d) Restrictions on Transfer of Restricted Stock. Unless the Committee determines otherwise, Restricted Stock shall not be transferable other than by the laws of descent and distribution until such Restricted Stock has vested pursuant to Section 7(b) but, in no event, prior to the expiration of a period of six (6) months from the Date of Grant.

8. Deferral Election; Terms and Conditions of Restricted Stock Unit Awards

The terms of this Section 8 are subject to the terms and provisions set forth above in Section 6.

(a) Deferral Election. Notwithstanding any provision of Section 7, each Non-Employee Director may, in the discretion of the Committee, be given the opportunity to irrevocably elect to defer under the Deferral Plan receipt of all or any portion of an Award of Restricted Stock otherwise receivable by him under paragraph (a) or (b) of Section 7 through a Deferral Election. Except for the year in which a Non-Employee Director becomes eligible to participate in the Plan, any Deferral Election must be made by a Non-Employee Director within the requisite time specified by the Committee, but in no event later than December 31st of the taxable year prior to the year in which the applicable Award of Restricted Stock is granted to such Non-Employee Director. For the first year in which a Non-Employee Director becomes eligible to participate in the Plan, a Non-Employee Director must make a Deferral Election within 30 days after the date he or she becomes eligible to participate in the Plan.

(b) Grant of Restricted Stock Units. When a Non-Employee Director makes a Deferral Election, he shall receive a number of Restricted Stock Units in lieu of, and equal to, the number of shares of Restricted Stock that is subject to such Deferral Election. The Non-Employee Director shall receive an Award of these Restricted Stock Units on the same date that the Award of Restricted Stock subject to the Deferral Election otherwise would have been granted to him under paragraph (a) or (b), as applicable, of Section 7. Except as otherwise provided by the Committee in any Award Document, the terms and conditions applicable to an Award of Restricted Stock Units are described in this Section 8.

(c) Vesting. Unless otherwise set forth in an Award Document, an Award of Restricted Stock Units shall vest and become nonforfeitable on the first anniversary of the Date of Grant (each, a “Vesting Date”) (subject to early vesting, if so provided by the Committee in its sole discretion in the applicable Award Document or at a subsequent time, including, without limitation, upon a Change in Control of the Company).

(d) No Issuance of Shares; Deferral. Subject to Section 8(f), upon an Award of Restricted Stock Units, or a portion thereof, becoming vested, no shares of Common Stock shall be issued to the Non-Employee Director. Instead, the Restricted Stock Units shall be credited, without any further action on the part of the Non-Employee Director, to the Non-Employee Director’s deferred compensation account under the Deferral Plan on the applicable Vesting Date. Any Restricted Stock Units credited to the Deferral Plan shall be held in the Deferral Plan as Restricted Stock Units until such time as they are settled through the delivery of shares of Common Stock in accordance with the terms and conditions of the Deferral Plan.

Table of Contents

(e) Restrictions on Transfer of Restricted Stock Units. Unless the Committee determines otherwise, Restricted Stock Units shall not be transferable other than by the laws of descent and distribution.

(f) Dividend Equivalent Payments. Unless the Committee determines otherwise, if the Company pays any cash or other dividend or makes any other distribution in respect of the shares of Common Stock underlying an Award of Restricted Stock Units, or a portion thereof, before such Restricted Stock Units are credited to the Deferral Plan in accordance with the terms of Section 8(d), the Company shall maintain a bookkeeping record to which such amount of the dividend or distribution in respect of such shares of Common Stock shall be credited to an account for the Non-Employee Director and distributed in whole shares of Common Stock at the time the Award, or portion thereof is vested.

(g) No Rights as a Stockholder. Except as otherwise provided by the Committee in the applicable Award Document, a Non-Employee Director shall have no rights as a stockholder with respect to any Awards of Restricted Stock Units or any value thereof deferred under the Deferral Plan.

9. No Restriction on Right of Company to Effect Corporate Changes

(a) Authority of the Company and Stockholders. The existence of the Plan, the Award Documents and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the shares of Common Stock or the rights thereof or which are convertible into or exchangeable for shares of Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) Change in Capitalization. Notwithstanding any provision of the Plan or any Award Document, the number and kind of shares authorized for issuance under Section 5 of the Plan shall be equitably adjusted in the manner deemed necessary by the Committee in the event of a stock split, reverse stock split, stock dividend, recapitalization, reorganization, partial or complete liquidation, reclassification, merger, consolidation, separation, extraordinary cash dividend, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase shares at a price substantially below Fair Market Value, or any other corporate event or distribution of stock or property of the Company affecting the shares of Common Stock in order to preserve, but not increase, the benefits or potential benefits intended to be made available under the Plan. In addition, upon the occurrence of any of the foregoing events, the number and kind of shares subject to any outstanding Award and the exercise price per share (or the grant price per share, as the case may be), if any, under any outstanding Award shall be equitably adjusted in the manner deemed necessary by the Committee (including by payment of cash to a participant) in order to preserve the benefits or potential benefits intended to be made available to participants. Unless otherwise determined by the Committee, such adjusted Awards shall be subject to the same restrictions and vesting or settlement schedule to which the underlying Award is subject.

10. Miscellaneous

(a) Tax Withholding. The Company or a Subsidiary, as appropriate, may require any individual entitled to receive a payment in respect of an Award to remit to the Company, prior to such payment, an amount sufficient to satisfy any applicable tax withholding requirements. In the case of an Award payable in shares of Common Stock, the Company or a Subsidiary, as appropriate, may permit or require such individual to satisfy, in whole or in part, such obligation to remit taxes by directing the Company to withhold shares that would otherwise be received by such individual or to repurchase shares that were issued to such individual to satisfy the minimum statutory withholding rates for any applicable tax withholding purposes, in accordance with all applicable laws and pursuant to such rules as

the Committee may establish from time to time. The Company or a Subsidiary, as appropriate, shall also have the right to deduct from all cash payments made to a participant (whether or not such payment is made in connection with an Award) any applicable taxes required to be withheld with respect to such payments.

(b) No Right to Awards or Continued Directorship. Nothing in the Plan shall confer upon any Non-Employee Director the right to continue as a director of the Company or affect any right that the Company or any Non-Employee Director may have to terminate the service of such Non-Employee Director.

(c) Section 16(b) of the Exchange Act. The Plan is intended to comply in all respects with Section 16(b) of the Exchange Act.

Table of Contents

- (d) Securities Law Restrictions. An Award may not be exercised or settled, and no shares may be issued in connection with an Award, unless the issuance of such shares (i) has been registered under the Securities Act of 1933, as amended, (ii) has qualified under applicable state “blue sky” laws (or the Company has determined that an exemption from registration and from qualification under such state “blue sky” laws is available) and (iii) complies with all applicable foreign securities laws. The Committee may require each Non-Employee Director purchasing or acquiring shares of Common Stock pursuant to an Award under the Plan to represent to and agree with the Company in writing that such Non-Employee Director is acquiring the shares of Common Stock for investment purposes and not with a view to the distribution thereof. All certificates for shares of Common Stock delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any exchange upon which the shares of Common Stock are then listed, and any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.
- (e) Headings. The headings of sections herein are included solely for convenience of reference and shall not affect the meaning of any of the provisions of the Plan.
- (f) Satisfaction of Obligations. Subject to applicable law, the Company may apply any cash, Shares, securities or other consideration received upon exercise or settlement of an Award to any obligations a participant owes to the Company and the Subsidiaries in connection with the Plan or otherwise, including, without limitation, any tax obligations or obligations under a currency facility established in connection with the Plan.
- (g) No Limitation on Corporate Actions. Nothing contained in the Plan shall be construed to prevent the Company or any Subsidiary from taking any corporate action, whether or not such action would have an adverse effect on any Awards made under the Plan. No participant, beneficiary or other person shall have any claim against the Company or any Subsidiary as a result of any such action.
- (h) Successors. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.
- (i) Expenses. The cost and expenses of administering the Plan shall be borne by the Company.
- (j) Governing Law. The Plan and all agreements entered into under the Plan shall be construed in accordance with and governed by the laws of the State of New York.
- (k) Unfunded Plan. The Plan is intended to constitute an unfunded plan for incentive compensation. Prior to the issuance of Shares in connection with an Award, nothing contained herein shall give any participant any rights that are greater than those of a general unsecured creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Shares with respect to awards hereunder.
- (l) Section 409A of the Code. To the extent that the Committee determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Document evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Documents shall be interpreted in accordance with Section 409A of the Code and interpretive guidance issues thereunder. Notwithstanding any contrary provision in the Plan or an Award Document, if any provision of the Plan or an Award Document contravenes any regulations or guidance promulgated under Section 409A of the Code or would cause an Award to be subject to additional taxes, accelerated taxation, interest and/or penalties under Section 409A of the Code, such provision of the Plan or Award Document may be modified by the Committee without consent of the

Participant in any manner the Committee deems reasonable or necessary. In making such modifications the Committee shall attempt, but shall not be obligated, to maintain, to the maximum extent practicable, the original intent of the applicable provision without contravening the provisions of Section 409A of the Code. Moreover, any discretionary authority that the Committee may have pursuant to the Plan shall not be applicable to an Award that is subject to Section 409A of the Code to the extent such discretionary authority would contravene Section 409A of the Code or the guidance promulgated thereunder.

11. Term of the Plan

Unless earlier terminated pursuant to Section 12 hereof, the Plan shall terminate on the tenth anniversary of the Effective Date, except with respect to Awards then outstanding.

12. Amendment and Termination

Notwithstanding anything herein to the contrary and subject to applicable laws, rules and regulations, the Board may, at any time, terminate or, from time to time, amend, modify or suspend the Plan; provided, however, that no termination, amendment, modification or suspension of the Plan (i) shall be effective without the approval of the stockholders of the Company if such approval is required under applicable laws, rules and regulations, including the rules of the NASDAQ Stock Market or (ii) shall materially and adversely alter or impair the rights of a participant in any Award previously made under the Plan without the consent of the holder thereof and no amendment which increases the Plan Limit shall be effective without stockholder approval (other than in connection with a transaction or event described in Section 9(b) of the Plan). Notwithstanding the foregoing, the Board shall have broad authority to amend the Plan or any Award under the Plan without the consent of a participant to the extent it deems necessary or desirable to (a) comply with, or take into account changes in or interpretation of applicable tax laws, securities laws, employment laws, accounting rules and other applicable laws, rules and regulations, (b) to take into account unusual or nonrecurring events or market conditions (including, without limitation, the events described in Section 9(b)), or (c) to take into account significant acquisitions or dispositions of assets or other property by the Company participant.
