## PROXY STATEMENT

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Measurement Specialties, Inc. of proxies to be voted at our Annual Meeting of Shareholders, to be held on September 13, 2005, and at any meeting following postponement or adjournment of the Annual Meeting.

You are cordially invited to attend the Annual Meeting, which will begin at 10:00 a.m. Eastern time. The meeting will be held at the University Club, One West 54<sup>th</sup> Street, New York, New York. Shareholders will be admitted beginning at 9:30 a.m. Eastern time.

We are first mailing this proxy statement and proxy card (including voting instructions) on or about July 29, 2005, to persons who were shareholders at the close of business on July 25, 2005, the record date for the meeting.

Our fiscal year begins on April 1 and ends on March 31. References in this proxy statement to the year 2005 or fiscal 2005 refer to the 12-month period from April 1, 2004 through March 31, 2005. References in this proxy statement to the year 2006 or fiscal 2006 refer to the 12-month period from April 1, 2005 through March 31, 2006.

## PROXIES AND VOTING PROCEDURES

### Who Can Vote?

You are entitled to vote at the Annual Meeting all shares of Measurement Specialties' common stock that you held as of the close of business on the record date. Each share of common stock is entitled to one vote with respect to each matter properly brought before the meeting.

On July 8, 2005, there were 13,617,944 shares of common stock outstanding.

In accordance with New Jersey law, a list of shareholders entitled to vote at the meeting will be available at the meeting.

### Who Is the Record Holder?

You may own common stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares are registered directly in your name, we are sending these proxy materials directly to you. If the record holder of your shares is a nominee, you will receive proxy materials from such record holder.

---

## How Do I Vote?

*If you are the record holder:*

- By Telephone. You can vote your shares by telephone, by calling the toll-free telephone number on your proxy card. Telephone voting is available 24 hours a day. If you vote by telephone, you do not need to return your proxy card. Your vote by telephone must be received by 11:59 p.m. Eastern time, September 12, 2005.
- By Internet. You can also vote on the Internet. The website address for Internet voting is on your proxy card, and voting is also available 24 hours a day. If you vote by Internet, you do not need to return your proxy card. Your vote by Internet must be received by 11:59 p.m. Eastern time, September 12, 2005. Please be aware that if you vote over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible.
- By Mail. If you choose to vote by mail, mark your proxy, date and sign it, and return it in the postage-paid envelope provided. Your vote by mail must be received by the close of voting at the Annual Meeting on September 13, 2005.
- By Attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares in person.

*If your stock is held by brokers, banks or other nominees:*

If your common stock is held by a broker, bank or other nominee, you will receive instructions from such nominee that you must follow in order to have your shares voted.

If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of common stock on July 25, 2005.

If you hold your shares through a broker, your shares may be voted even if you do not vote or attend the Annual Meeting. Under the rules of the American Stock Exchange, member brokers who do not receive instructions from beneficial owners will be allowed to vote on the election of Directors and the ratification of auditors.

The method by which you vote will in no way limit your right to vote at the meeting if you later decide to attend in person.

## How Many Votes Are Required?

A quorum is required to transact business at the Annual Meeting. We will have a quorum and be able to conduct the business of the Annual Meeting if the holders of a majority of the shares entitled to vote are present at the meeting, either in person or by proxy.

If a quorum is present, a plurality of votes cast is required to elect Directors. Thus, a Director may be elected even if the Director receives less than a majority of the shares represented at the meeting. Proxies cannot be voted for a greater number of nominees than are named in this Proxy Statement. To ratify the selection of independent auditors, an affirmative vote of a majority of the votes cast is required.

### **How Are Votes Counted?**

All shares that have been properly voted, and not revoked, will be voted at the Annual Meeting in accordance with the instructions given. If you sign and return your proxy card, but do not specify how you wish your shares to be voted, your shares represented by that proxy will be voted as recommended by the Board of Directors: "for" the nominees for Director, and "for" the ratification of the appointment of KPMG LLP as our independent auditors for fiscal 2006.

Proxies marked as abstaining, and any proxies returned by brokers as "non-votes" on behalf of shares held in street name because beneficial owners' discretion has been withheld as to one or more matters to be acted upon at the Annual Meeting, will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting. However, any shares not voted as a result of a marked abstention or a broker non-vote will not be counted as votes for or against a particular matter. Accordingly, marked abstentions and broker non-votes will have no effect on the outcome of a vote.

### **How Can I Revoke My Proxy or Change My Vote?**

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy (including an Internet or telephone vote) or by voting in person at the meeting.

### **Who Will Pay the Expenses of Proxy Distribution?**

Measurement Specialties will pay the expenses of the preparation of the proxy materials and the solicitation of proxies. Proxies may be solicited on behalf of the company by Directors, officers or employees of the company, who will receive no additional compensation for soliciting, in person or by telephone, e-mail or facsimile or other electronic means. In accordance with the regulations of the Securities and Exchange Commission and the American Stock Exchange, we will reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of Measurement Specialties stock.

## **ITEM 1 -- ELECTION OF DIRECTORS**

The Board of Directors is divided into three classes. One class is elected each year for a term of three years.

One Director will be elected at this Annual Meeting to serve for a three-year term expiring at our Annual Meeting in 2008. One Director will be elected at this Annual Meeting to serve for the balance of a three-year term expiring at our Annual Meeting in 2006. The Board has nominated Morton L. Topfer to serve for the term expiring in 2008 and Satish Rishi to serve for the term expiring in 2006. Mr. Rishi will be appointed immediately prior to our Annual Meeting to fill a vacancy on the Board created by the resignation of The Honorable Dan J. Samuel, who will resign effective immediately prior to our Annual Meeting. Mr. Rishi, if elected by shareholders at this meeting, would remain in the class of Directors whose term expires in 2006 (of which class Mr. Samuel had been a member). You can find information about Messrs. Topfer and Rishi below.

The persons named in the proxy card will vote such proxy “for” the election of Messrs. Topfer and Rishi unless you indicate that your vote should be withheld. If elected, each of Mr. Topfer and Mr. Rishi will continue in office until his successor has been duly elected and qualified, or until the earliest of his death, resignation, retirement or removal. Each of Messrs. Topfer and Rishi has indicated to the company that he will serve if elected. We do not anticipate that either Mr. Topfer or Mr. Rishi will be unable to stand for election, but, if that happens, your proxy will be voted in favor of another person nominated by the Board.

The Board of Directors recommends a vote FOR the election of Messrs. Topfer and Rishi as Directors.

## **ITEM 2 -- RATIFICATION OF INDEPENDENT AUDITORS**

### **Appointment of Auditors for Fiscal 2006**

The Audit Committee has appointed KPMG LLP as our independent auditors for fiscal 2006. We are not required to have the shareholders ratify the selection of KPMG LLP as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the shareholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain KPMG LLP but may retain such independent auditors. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of Measurement Specialties and its shareholders. Representatives of KPMG LLP are expected to be present at the Annual Meeting with an opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions.

The Board of Directors recommends a vote FOR the ratification of the appointment of KPMG LLP as our independent auditors for fiscal 2006.

### **Changes in Our Independent Auditors**

On July 13, 2005, the Company notified Grant Thornton LLP of its decision to dismiss Grant Thornton LLP as the Company's independent auditors.

Concurrently, the Audit Committee and the Board of Directors approved the engagement of KPMG LLP as the Company's independent auditors, effective upon completion of KPMG LLP's customary client acceptance procedures, notification to Grant Thornton LLP of dismissal, and execution of an engagement letter. KPMG LLP will serve as the Company's independent auditors beginning with the current fiscal year.

During the period beginning April 1, 2003 through July 13, 2005 (the date KPMG LLP was appointed), neither the Company nor anyone acting on the Company's behalf consulted with KPMG LLP regarding (1) the application of accounting principles to a specified transaction or the type of audit opinion that might be rendered on the Company's financial statements or (2) any of the matters or events set forth in Item 304(a)(2)(ii) of Regulation S-K.

The reports of Grant Thornton LLP on the Company's financial statements for the past two fiscal years did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the period from April 1, 2003 through July 13, 2005, there were no disagreements with Grant Thornton LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Grant Thornton LLP, would have caused Grant Thornton LLP to make reference to the matter in its report.

Representatives of Grant Thornton LLP, the principal accountant for the most recently completed fiscal year, are not expected to be present at the Annual Meeting with an opportunity to make a statement if they desire to do so and are not expected to be available to respond to appropriate questions.

### **Fees Paid to Our Independent Auditors During Fiscal 2005 and Fiscal 2004**

#### **Audit Fees**

Measurement Specialties was billed the aggregate amount of \$1,127,723 for the fiscal year ended March 31, 2005 for professional services rendered by Grant Thornton LLP for its audit of our financial statements for fiscal 2005, review of the financial statements included in our Forms 10-Q during fiscal 2005 and Sarbanes-Oxley related reviews. We were billed the aggregate amount of approximately \$730,000 for the fiscal year ended March 31, 2004 for professional services rendered by Grant Thornton LLP for its audit of our financial statements for fiscal 2004 and review of the financial statements included in our Forms 10-Q during fiscal 2004.

**Audit-Related Fees**

In fiscal 2005 and 2004, Measurement Specialties did not pay Grant Thornton LLP any fees for audit-related services.

**Tax Fees**

Grant Thornton LLP billed \$214,321 and \$99,321 for fiscal 2005 and 2004, respectively, for tax compliance services.

**All Other Fees**

During fiscal 2005, Grant Thornton LLP billed approximately \$117,037 in fees and disbursements for the services other than those described above. These services related primarily to acquisitions and litigation. During fiscal 2004, Grant Thornton LLP billed approximately \$206,000 in fees and disbursements for the services related to the SEC investigation, acquisitions and structuring of our legal entities.

**Pre-Approval of Audit and Permissible Non-Audit Services**

The Audit Committee pre-approves all audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors. Under the policy, pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may pre-approve particular services on a case-by-case basis. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. All audit and permissible non-audit services provided by Grant Thornton LLP to Measurement Specialties for fiscal 2005 and fiscal 2004 were pre-approved by the Audit Committee.

**GOVERNANCE OF THE COMPANY**

Pursuant to the New Jersey Business Corporation Act and the company's by-laws, Measurement Specialties' business, property and affairs are managed by or under the direction of the Board of Directors. Members of the Board are kept informed of the company's business through discussions with the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. We currently have five members on our Board. The Board has determined that three of its members, John D. Arnold, The Honorable Dan J. Samuel, and R. Barry Uber, are "independent," as defined in the listing standards of the American Stock Exchange ("AMEX"). The Company believes that current nominee Satish Rishi will be "independent", as defined in the listing standards of AMEX, however, the Board will not make such a determination until and if Mr. Rishi is elected to serve on the Board.

During fiscal 2005, the Board held 4 meetings and the committees held a total of 5 meetings. Each incumbent Director attended more than 75% of the total number of meetings of the Board of Directors and the Board committees of which he was a member during the period he served as a Director in fiscal 2005. Our policy, which commenced with our 2004 Annual Meeting, is to require all Directors to attend annual meetings of shareholders, absent extenuating circumstances. All of our Directors then serving attended the Measurement Specialties 2004 Annual Meeting.

### **COMMITTEES OF THE BOARD OF DIRECTORS**

During fiscal 2005, the Board of Directors had standing audit, compensation and nominating committees. The Audit Committee consisted of John D. Arnold (Chairman), The Honorable Dan J. Samuel and R. Barry Uber. All of the Audit Committee members are independent, as independence for audit committee members is defined in the AMEX listing standards. The Board has not yet successfully recruited a candidate for the Board who would qualify as an “audit committee financial expert,” as defined in Item 401(h) of Securities and Exchange Commission Regulation S-K, but its efforts to do so are ongoing. The Board has, however, determined that Mr. Uber has the financial sophistication and experience required by AMEX listing standards. For additional information regarding the experience and background of Mr. Uber, see “*Item 1: Election of Directors*” above. The Company believes that current nominee Satish Rishi will qualify as an “audit committee financial expert”, as defined in Item 401(h) of the Securities and Exchange Commission Regulation S-K, however, the Board will not make such a determination until and if Mr. Rishi is elected to serve on the Board and appointed to the Audit Committee as a replacement of Mr. Samuel.

During fiscal 2005, the Audit Committee met 4 times. The functions of the Audit Committee are described in its report, which is included in this proxy statement.

During fiscal 2005, the Compensation Committee consisted of The Honorable Dan J. Samuel (Chairman), John D. Arnold and R. Barry Uber. The Company intends to appoint current nominee Satish Rishi to the Compensation Committee as a replacement of Mr. Samuel, however, the Board will not make such an appointment until and if Mr. Rishi is elected to serve on the Board.

During fiscal 2005, the Compensation Committee met once. The functions of the Compensation Committee are described in its report, which is included in this proxy statement.

In May 2004, the Board formed a third standing committee, the Nominating Committee, consisting of R. Barry Uber (Chairman), John D. Arnold and The Honorable Dan J. Samuel. All of the Nominating Committee members are independent, as independence for nominating committee members is defined in the AMEX listing standards. The Nominating Committee was formed to evaluate and recommend to the Board the persons to be nominated for election as directors at any meeting of shareholders, and the persons to be elected by the Board to fill any vacancy on the Board. The Company believes that current nominee Satish Rishi will qualify as “independent”, as independence is defined in the AMEX listing standards, however, the Board will not make such a determination until and if Mr. Rishi is elected to serve on the Board and appointed to the Nominating Committee as a replacement of Mr. Samuel.

During fiscal 2005, the Nominating Committee did not meet. Prior to the formation of the Nominating Committee, the full Board, a majority of the members of which are “independent,” as defined in the AMEX listing standards, performed the functions now assigned to the Nominating Committee. The Board has adopted a written charter setting forth the functions of the Nominating Committee and providing direction as to nominating policies and procedures. This charter is available to shareholders on our website, [www.msiusa.com](http://www.msiusa.com). The Nominating Committee carefully considers all director candidates recommended by our shareholders, and the Nominating Committee does not and will not evaluate such candidate recommendations any differently from the way it evaluates other candidates. In its evaluation of each proposed candidate, the Nominating Committee considers many factors including, without limitation, the individual’s experience, character, demonstrations of judgment and ability, and financial and other special expertise. The Nominating Committee is also authorized to obtain the assistance of an independent third party to complete the process of finding, evaluating and selecting suitable candidates for director. Any shareholder who wishes to recommend an individual as a nominee for election to the Board should submit such recommendation in writing to the attention of Frank D. Guidone (who will forward the recommendation to the Nominating Committee) through Company’s website ([http://www.msiusa.com/investors/ceo\\_comment.asp](http://www.msiusa.com/investors/ceo_comment.asp)) or by mail to the Company (1000 Lucas Way, Hampton, VA 23666, Attn: Chairman of Nominating Committee) , together with information regarding the experience, education and general background of the individual and a statement as to why the shareholder believes such individual to be an appropriate candidate for Director of Measurement Specialties. Such recommendation should be provided to Measurement Specialties no later than 80 days prior to the anniversary of the date of the notice accompanying these proxy materials.

The Board has determined that each of Messrs. Arnold, Samuel and Uber is “independent,” as defined in the AMEX listing standards. Consequently, each of the Audit Committee, Compensation Committee and Nominating Committee consists solely of independent Directors.

#### **COMMUNICATIONS WITH THE BOARD OF DIRECTORS**

The Company encourages shareholder communications with the Board of Directors but does not have a formal process. All such communications should be sent to Frank D. Guidone through Company’s website ([http://www.msiusa.com/investors/ceo\\_comment.asp](http://www.msiusa.com/investors/ceo_comment.asp)) or by mail to the Company (1000 Lucas Way, Hampton, VA 23666). Mr. Guidone will circulate them to the other members of the Board. If the communication is directed to a particular Director, Mr. Guidone will forward the communication to that Director. The Board does not screen shareholder communications.

## COMPENSATION OF DIRECTORS

Directors who are our employees, and Mr. Guidone, who is a full-time consultant, do not receive additional compensation for serving on our Board of Directors or on committees of the Board. For fiscal 2005, all of our outside Directors (Mr. Topfer, Mr. Samuel, Mr. Uber and Mr. Arnold), that is Directors who are not employees or full-time consultants of Measurement Specialties, each received a cash retainer of \$35,000. Three of our outside Directors (Mr. Topfer, Mr. Arnold and Mr. Samuel) received options to purchase 10,000 shares. One of our outside directors (Mr. Uber) received an option to purchase 5,000 shares. During fiscal 2004, upon joining the Board, one of our outside Directors (Mr. Uber) received a cash retainer of \$35,000 and an option to purchase 10,000 shares of our common stock.

Outside Directors do not receive retirement or other fringe benefits and do not receive additional compensation related to committee meetings.

## COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee in fiscal 2005 were The Honorable Dan J. Samuel, John D. Arnold, and R. Barry Uber. None of the members has ever been an officer or employee of Measurement Specialties or any of its subsidiaries, and no "compensation committee interlocks" existed during fiscal 2005.

## CODE OF ETHICS

The Company has adopted a Code of Ethics in accordance with SEC regulations, applicable to the Company's Chief Executive Officer, senior financial officers and the Board of Directors. The Code of Ethics is available to shareholders on our website, [www.msiusa.com](http://www.msiusa.com).

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee is appointed by the Board to assist the Board in monitoring:

- the integrity of the financial statements of Measurement Specialties,
- the independent auditor's qualifications and independence,
- the performance of Measurement Specialties' independent auditors, and
- the compliance by Measurement Specialties with legal and regulatory requirements.

We meet with management periodically to consider the adequacy of Measurement Specialties' internal controls and the objectivity of its financial reporting. We discuss these matters with Measurement Specialties' independent auditors and with appropriate company financial personnel.

We regularly meet privately with the independent auditors who have unrestricted access to the committee.

We select, evaluate and, where appropriate, replace the independent auditor, and review periodically their performance, fees and independence from management.

Each of the Directors who serves on the committee is “independent” for purposes of the AMEX listing standards. That is, the Board of Directors has determined that none of Mr. Arnold, Mr. Samuel or Mr. Uber has a relationship with Measurement Specialties that may interfere with his independence from Measurement Specialties and its management.

The Board has adopted a written charter setting out the audit related functions the committee is to perform. The Board amended and restated the charter effective January 2003 to reflect changes in law and applicable SEC and American Stock Exchange regulations and reviews the charter on an ongoing basis to assure that the functions and duties of the Audit Committee will continue to conform to such applicable regulations as they may be amended or modified in the future. The charter is available to shareholders on our website, [www.msiusa.com](http://www.msiusa.com).

Management has primary responsibility for the company’s financial statements and the overall reporting process, including the company’s system of internal controls. The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the company in conformity with accounting principles generally accepted in the United States and discuss with us any issues they believe should be raised with us. We monitor these processes, relying without independent verification on the information provided to us and on the representations made by management and the independent auditors.

This year, we reviewed Measurement Specialties’ audited financial statements as of and for the fiscal year ended March 31, 2005 and the fiscal year ended March 31, 2004, and met with both management and Grant Thornton LLP, Measurement Specialties’ independent auditors for fiscal 2005 and fiscal 2004, to discuss those financial statements. Management has represented to us that the financial statements were prepared in accordance with accounting principles generally accepted in the United States.

We have received from and discussed with Grant Thornton LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm’s independence from the company. We also discussed with Grant Thornton LLP any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Based on these reviews and discussions, we recommended to the Board that the company’s audited financial statements be included in Measurement Specialties’ annual report on Form 10-K for the fiscal year ended March 31, 2005.

John D. Arnold (Chairman)  
The Honorable Dan J. Samuel  
R. Barry Uber

**REPORT OF THE COMPENSATION COMMITTEE  
ON EXECUTIVE COMPENSATION**

The Compensation Committee's policies are intended to attract and retain talented executives, motivate attainment of strategic objectives, and align executives' interests with those of shareholders. Pursuant to the Committee's recommendations, the Board approves officers' base salaries, salary increases, bonuses, stock option grants and, where applicable, employment contracts and severance payments. A significant amount of an officer's yearly compensation is based upon the company's performance for the fiscal year and over time.

The Committee seeks to offer competitive compensation packages that are consistent with market and industry practices, based on input from the Chief Executive Officer with reference to a periodic survey of similar-sized companies in similar industries. The fiscal 2005 average base compensation for the company's officers is intended to be competitive with salaries paid to similarly situated executives. The fiscal 2005 average base salaries of the Company's officers, excluding the Chief Executive Officer and Mr. J. Victor Chatigny, did not increase over fiscal 2004 base salaries.

Annual bonus maximums are intended to be competitive with those available to similarly situated executives and provide for a significant performance incentive. The Chief Executive Officer recommends awards to the Compensation Committee with reference to the level of achievement of corporate and individual objectives. Corporate objectives are measured by sales increases, net income, and other goals determined annually. Individual objectives are intended to be objectives that are under the respective officers' direct control. The Board retains the right to make discretionary adjustments it deems appropriate.

Officers' eligibility for stock option grants, and the frequency and size of such grants, are intended to be competitive with observed market practices for similarly situated executives and encourage increased shareholder value. The company's stock option plans comply with applicable laws and regulations, permitting the company to deduct for federal income tax purposes the cost of any compensation arising thereunder relating to Internal Revenue Code section 162(m). At present, the company has no other compensation programs or policies that could give rise to compensation to an officer in excess of \$1 million a year.

The company has no formal executive severance pay policy. Severance pay and non-monetary severance benefits are determined as appropriate with reference to observed market practice, length of service and reason for termination.

The Committee's policies for compensating the Chief Executive Officer are intended to provide significant annual and long-term performance incentives. The Committee seeks to provide the Chief Executive Officer with compensation which is intended to be competitive with compensation paid to similarly situated chief executives. In May 2002, the company retained Corporate Revitalization Partners ("CRP") to conduct its ongoing operational/financial restructuring efforts. In June 2002, Frank Guidone, a Managing Director of CRP, became the company's Chief Executive Officer. The long-term retention of Mr. Guidone as the company's Chief Executive Officer was approved in April 2003, and became effective as of April 1, 2003 pursuant to a consulting agreement (the "Consulting Agreement") between the company and Four Corners Capital Partners, L.P. ("Four Corners," a consulting firm of which Mr. Guidone is a Principal, and an affiliate of CRP), under which Four Corners agreed to provide the services of Mr. Guidone to the Company. In accordance with the terms of the Consulting Agreement, Four Corners receives an annual fee of \$400,000 and is eligible for a performance-based bonus. Four Corners also received a warrant to purchase up to 600,000 shares of the Company's common stock (the "Four Corners Warrant"), of which 210,000 shares of Common Stock were purchasable in the first year of the warrant, 180,000 shares were purchasable in the second year of the warrant, 120,000 shares were purchasable in the third year of the warrant, and the final 90,000 shares were purchasable in the fourth year of the warrant. In addition, the Four Corners Warrant included provisions pursuant to which vesting of the right to purchase shares could accelerate dependant upon performance of the Company's stock price. During fiscal 2004, all performance milestones triggering accelerated vesting under the warrant were achieved, and in March 2004, Four Corners exercised the warrant in a cashless exercise and received a net of 500,785 shares. The exercise price of the Four Corners Warrant was \$3.16/share, the fair market value of the Company's common stock at the time the Board determined to offer Mr. Guidone a permanent position as Chief Executive Officer. The Committee approved the terms of the Consulting Agreement.

The Board neither rejected, nor did it materially modify, any action or recommendation of the Committee.

The Honorable Dan J. Samuel, Chairman  
John D. Arnold, Member  
R. Barry Uber, Member

#### EXECUTIVE AGREEMENTS AND RELATED TRANSACTIONS

(a) Transactions with management and others.

In May 2002, we retained Corporate Revitalization Partners ("CRP") to conduct our ongoing operational/financial restructuring efforts. In June 2002, Frank Guidone, a Managing Director of CRP, became our Chief Executive Officer. During the fiscal 2003, we incurred \$2.6 million in consulting fees and expenses payable to CRP (excluding the success fees described below). In addition to consulting fees based on hours billed by CRP consultants (at hourly rates that range from \$175 to \$275, capped at a maximum of 50 hours per consultant each week), CRP earned an aggregate "success fee" of \$138,000 and warrants exercisable to purchase an aggregate of 120,615 shares of our common stock (at an exercise price of \$2.28/share) as a result of the achievement of certain goals in connection with our restructuring program. CRP exercised its warrants in June 2003.

Mr. Guidone may be deemed to have an indirect beneficial ownership interest in the warrants issued to CRP.

On April 21, 2003, the Compensation Committee of our Board of Directors reached a verbal agreement with Frank Guidone regarding his long term retention as Chief Executive Officer. Definitive agreements memorializing this arrangement were entered into on July 22, 2003, between the company and Four Corners Capital Partners, LP, a consulting firm of which Mr. Guidone is a Principal. Pursuant to this arrangement, Four Corners has made Mr. Guidone available to serve as our Chief Executive Officer, for which it received an annual fee of \$400,000 for fiscal 2005 and was eligible to receive a performance based bonus. In addition, Four Corners was issued a warrant to purchase up to 600,000 shares of our common stock. The right to purchase the shares vested over a period of four years (subject to the continued service of Mr. Guidone), but vesting was to be accelerated in the event certain performance milestones were achieved. In addition, in connection with this arrangement, Mr. Guidone entered into a non-competition agreement and Four Corners was granted registration rights relating to any shares purchased under the warrant. During fiscal 2004, all performance milestones triggering accelerated vesting under the warrant were achieved, and in March 2004, Four Corners exercised the warrant in a cashless exercise and received a net of 500,785 shares. Four Corners also exercised its registration rights with respect to such shares.

On December 22, 2004, we consummated the acquisition of all of the issued and outstanding stock of Humirel SA. Jean Francois Allier and certain members of his family, as selling shareholders of Humirel SA, are entitled to their proportionate share (approximately 34.75%) of certain amounts to be paid relating to the deferred acquisition payment and earn-out targets. The aggregate deferred payment of \$1,900,000 is due on December 22, 2006 (less any applicable offsets) and bears interest at the rate of 3% per annum. In addition, the selling shareholders can earn in the aggregate up to an additional €6,300,000 or \$8,400,000 if certain performance hurdles, including established net sales and gross margin levels in 2005, are achieved. No amounts were paid to Jean Francois Allier or his family members for their proportionate share of the deferred payments or earn-out during fiscal 2005.
