Item 1.01 Entry into a Material Definitive Agreement

As described in Item 3.02 below, bioMETRX, Inc. (the "Registrant") entered into a subscription agreement on October 28, 2005 with Russell Kuhn (the "Purchaser") for the private sale of its securities to the Purchaser as well as granting the Purchaser "piggy-back" registration rights. The terms of the agreement are more fully described in Item 3.02.

Item 3.02 Unregistered Sales of Equity Securities

Edgar Filing: MARKETSHARE RECOVERY INC - Form 8-K

On October 28, 2005 the Registrant consummated the private sale of its securities to the Purchaser. The securities sold were Two Million Two Hundred Fifty Thousand (2,250,000) shares of the Registrant's common stock (the "Shares") and warrants (the "Warrants") to purchase an additional Two Million Two Hundred Fifty Thousand (2,250,000) shares at an aggregate purchase price of \$450,000 or \$.20 per share without allocating any part of the purchase price for the Warrants.

The Warrants entitle the holder to purchase shares of the Registrant's common stock reserved for issuance thereunder (the "Warrant Shares") for a period commencing on the date of issuance and expiring on December 15, 2005 at an exercise price of \$.20 per share.

Pursuant to the Subscription Agreement between the Registrant and the Purchaser, the Registrant represented that it intends to file a Registration Statement with the Securities and Exchange Commission within 45 days from the closing date and granted the Purchaser "piggy-back" registration rights for the Shares with respect to such Registration Statement.

Simultaneously herewith the Registrant issued an additional 300,000 shares of its common stock to the Purchaser. These shares represent penalty shares as a result of the Registrant's failure to register certain shares previously purchased by the Purchaser in other financing transactions between the Purchaser and the Registrant.

As a result of these transactions, the Purchaser owns approximately 21.7% of the issued and outstanding shares of the Registrant's common stock. This amount does not reflect an additional 2,250,000 shares which may be obtained by the Purchaser from the exercise of the Warrants described above, plus an additional 503,234 warrants owned by the Purchaser prior to the consummation of this transaction.

The Registrant will utilize the proceeds from this offering for general working capital.

The securities discussed above were offered and sold in reliance upon exemptions from the registration requirements of Section 5 of the Securities Act of 1933, as amended (the "Act"), pursuant to Section 4(2) of the Act and Rule 506 promulgated thereunder. Such securities were sold exclusively to accredited investors as defined by Rule 501(a) under the Act.
