As it required additional time to analyze the impact of certain accounting issues on a material acquisition transaction that occurred during the quarter ended March 31, 2006, particularly as the Company transitioned from a development stage enterprise to an operating business, the Company has been unable to complete its Quarterly Report on Form 10-Q for the quarter ended March 31, 2006 by May 15, 2006, without unreasonable effort or expense. The Company continues to review its financial statements with its independent auditor and expects to submit the filing promptly.
