**Item 2.02 Results of Operations and Financial Condition.**

On May 14, 2007, Fortress International Group, Inc. (the “Company”) issued a press release reporting its results for the three months ended March 31, 2007, a copy of which was furnished with a report on Form 8-K on May 14, 2007 (the “Form 8-K”). The Company is hereby amending the Form 8-K to report the incorrect recording of interest income earned on the common stock subject to redemption that was not redeemed in connection with the merger. The Company determined that the proper accounting is to treat such interest income as additional capital and not as interest income. Accordingly, the Company’s pre-tax loss for the period increased from \$1.3 million as previously reported to \$1.56 million. The revised consolidated statement of operations, along with other related disclosures in the accompanying notes, is contained in the Company’s Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on May 21, 2007.
