PART III NARRATIVE

State below in reasonable detail the reason why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report portion thereof could not be filed within the prescribed time period.

The registrant's Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2008 could not be filed by the prescribed due date of November 14, 2008 because the registrant had not yet finalized its financial statements for the quarter and the review of registrant's financial statements for the quarter is ongoing. Accordingly, the registrant is unable to file such report within the prescribed time period without unreasonable effort or expense. The registrant anticipates that the subject Quarterly Report on Form 10-Q will be filed on or before November 19, 2009.

PART IV - OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification.

MICHAEL BRAUNOLD, CEO (818) 888-4380

(2) Have all other periodic reports required under Section 13 or 15(d) or the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reason why a reasonable estimate of the results cannot be made.

For the three and nine months ended September 30, 2007, the registrant recorded revenues of \$1,408,000 and \$4,174,000, respectively, and a net loss of \$436,000 and \$899,000 respectively. For the three and nine months ended September 30, 2008, the registrant currently estimates that it had revenues of approximately \$253,000 and \$2,421,000 and a net loss of approximately \$588,000 and \$1,661,000. Results for the 2008 periods remain subject to further adjustment and actual results may differ significantly from the foregoing estimates.

This increase in net loss for the 2008 periods as compared to 2007 is primarily attributable to the decline in revenues in the period.

This Notification of Late Filing on Form 12b-25 contains forward-looking statements, including forward-looking statements relating to the Registrant's financial results for the fiscal quarter ended September 30, 2008. These statements are based on management's current expectations and involve a number of risks and uncertainties, including risks described in our filings with the Securities and Exchange Commission. The Registrant's actual results may differ materially from the Registrant's anticipated or expected results and the results in the forward-looking statements.
