CORPORATE GOVERNANCE

Audit Committee

We have a separately-designated standing audit committee. During our fiscal year ended March 31, 2009, the members of the audit committee were D. Dale Browning, Rita Cuddihy, Patricia A. Engels, B. LaRae Orullian (Chair), and Robert D. Taylor (Vice Chair), each of whom was an “independent director,” as defined by applicable securities laws and NASDAQ listing standards. Although our common stock was delisted from the NASDAQ Stock Exchange effective May 22, 2008, we continue to apply the independence criteria set forth in the NASDAQ listing standards. The board of directors has determined that both D. Dale Browning and B. LaRae Orullian qualify as “audit committee financial experts.”

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires our directors, officers and holders of more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, we believe that all required reports of our officers, directors and 10% stockholders under Section 16(a) were timely filed during the fiscal year ended March 31, 2009.

Code of Conduct and Ethics

Our board of directors adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees, including the Chief Executive Officer and the Chief Financial Officer. A current copy of the Code of Business Conduct and Ethics is available on our website at www.frontierairlines.com. Any amendments to, or waivers from, any provision of the Code of Ethics applicable to our Chief Executive Officer, Chief Financial Officer, or persons performing similar functions will be disclosed on our website at www.frontierairlines.com.

Narrative to Summary Compensation Table

Bankruptcy

On April 10, 2008, Frontier Airlines Holdings, Inc. and its subsidiaries, Frontier Airlines, Inc. and Lynx Aviation, Inc., filed voluntary petitions for reorganization under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York. The cases are being jointly administered under Case No. 08-11298 (RDD). See Item 1, "Business" and Item 1A, "Risk Factors" in the 2009 Form 10-K for more information. Because of the bankruptcy filings, the compensation-setting process and any decisions regarding compensation of our executive officers varied significantly from the process and decisions previously used in fiscal year 2008 and prior years. We cannot predict what compensation arrangements may be put in place for our executive officers during our bankruptcy proceedings or thereafter.

After filing for bankruptcy on April 10, 2008, we instituted a salary reduction program that is currently in effect. Under the reduction program, Sean Menke, our President and Chief Executive Officer, agreed to a 20% reduction in his base salary, and other officers agreed to a 10% reduction in such officer's base salary for the fiscal year ended March 31, 2009.

On June 22, 2009, we announced our entry into an investment agreement with Republic Airways Holdings, Inc. ("Republic") by which Republic will serve as equity sponsor for our plan of reorganization ("Plan of Reorganization"), allowing Republic to purchase 100% of the equity in the reorganized company for \$108.75 million. The plan sponsorship agreement is subject to bankruptcy court approval and various conditions.

Severance Plan

In June 2008 the United States Bankruptcy Court for the Southern District of New York approved a severance plan that would provide our executive officers and certain other employees with severance if they were terminated without cause. The payments to each of our executive officers cannot exceed \$144,180, and are subject to reduction under the plan's mitigation requirements. The compensation committee believes that this plan was necessary to encourage the executive officers and other employees to continue in employment with us during our bankruptcy proceedings. Such severance arrangements may be modified or cancelled in connection with our Chapter 11 proceedings and any exit or reorganization plan.

Equity Grants

The compensation committee granted restricted stock awards and SOSARs to our named executive officers on April 1, 2008. 50% of the restricted stock award vests one year from the grant date and the remaining 50% of the restricted stock awards will vest on the third anniversary of their grant date; 50% of the SOSARs award will vest one year from the grant date and the remaining 50% of the SOSARs will vest 20% after the first anniversary of the grant date with the remainder vesting 20% on the next four anniversaries of the initial vesting date. Based on the Company's Plan of Reorganization, however, these awards have no value and will be cancelled upon the confirmation of the Plan of Reorganization.

Outstanding Equity Awards at Fiscal Year-End Table

The table below summarizes the unexercised options and unvested stock awards as of March 31, 2009 for each of the named executive officers listed in the Summary Compensation Table who continued to serve as executive officers on March 31, 2009. Based on the Company's Plan of Reorganization, however, these awards have no value and will be cancelled upon the confirmation of the Plan of Reorganization.

Potential Payments on Terminations or Change in Control

As of March 31, 2009, our NEOs did not have any special guaranteed payments due on retirement or change of control. Please see Narrative to Summary Compensation Table above.

ITEM 13. Certain Relationships and Related Transactions, and Director Independence

Policy on Related Person Transactions

Our nominating and corporate governance committee charter requires the nominating and corporate governance committee to review all related party transactions and determine whether the transactions are appropriate for us to undertake. If appropriate, the nominating and corporate governance committee is authorized to approve the transaction.

Director Independence

Each of the directors other than Mr. Menke, our President and Chief Executive Officer, and Mr. Potter, who served as our President and Chief Executive Officer until August 2007, qualify as “independent” under the NASDAQ rules. Although our common stock was delisted from the NASDAQ Stock Exchange effective May 22, 2008, we continue to apply the independence criteria set forth in the NASDAQ listing standards. The NASDAQ independence definition includes objective measures that disqualify a director from being independent, including whether the director is an employee of the company or has engaged in various types of business dealings with the company. These objective measures assist our board of directors in making determinations of director independence under the NASDAQ rules. Our board of directors makes a determination regarding the independence of each director annually based on all relevant facts and circumstances. Although a director who is not disqualified under the NASDAQ rules will be presumed to be independent (except for purposes of serving as a member of the audit committee), our board may make an affirmative determination that a director is not independent based on its review of other factors.

Applying these standards and the NASDAQ independence criteria, our board of directors has made a subjective determination as to each independent director that no relationships exist that, in the opinion of the board, would interfere with the exercise of such director’s independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the company and the directors with regard to each director’s business and personal activities as they may relate to the company and its management.

ITEM 14. Principal Accounting Fees and Services

The following table presents fees for audit services and other professional services provided by KPMG LLP for fiscal years ended March 31, 2009 and 2008:

| | 2009 | 2008 |
|------------------------------|------------|--------------|
| Audit Fees | \$ 879,452 | \$ 987,196 |
| Audit-related Fees | 35,000 | 32,500 |
| Audit and Audit-related Fees | 914,452 | 1,019,696 |
| Tax Fees | 3,069 | 3,404 |
| All other Fees | - | - |
| Total Fees | \$ 917,521 | \$ 1,023,100 |

For purposes of the preceding table, the professional fees are classified as follows:

Audit fees consist of fees for professional services provided in connection with the audit of the consolidated financial statements, the audit of internal control over financial reporting, and review of quarterly consolidated financial statements on Form 10-Q, including bankruptcy related transactions.

Audit-related fees relate to the audit of passenger facility charges.

Tax fees include fees for tax compliance.

-14-

Audit Committee Pre-Approval Policies and Procedures

Consistent with SEC rules regarding auditor independence, the audit committee pre-approves all audit and permissible non-audit services provided by the independent auditors. Prior to engaging the independent auditors, the audit committee reviews a list of audit, audit-related, and tax services that the independent auditor expects to provide during the fiscal year, as well as the proposed fees for each of these services. The audit committee pre-approves the services and the related proposed fees if the services are compatible with maintaining the auditor's independence. During the year, circumstances may arise when it may become necessary to engage the independent auditors for additional services not contemplated in the initial annual proposal. In those instances, the audit committee must pre-approve the additional services and related fees before the independent auditors may be engaged to provide the additional services. All services KPMG LLP performed during fiscal year 2009 were approved under the audit committee's pre-approval guidelines.
