INFORMATION STATEMENT

We Are Not Asking You for a Proxy and

You Are Requested Not To Send Us a Proxy

INTRODUCTION

Stockholder Actions

We are disseminating this Information Statement to notify you that the Voting Stockholders, being the owners of more than a majority of the voting power of the Company's outstanding Common Stock, delivered written consent to the Company as of March 4, 2013 to approve the Charter Amendment. The Charter Amendment will increase the number of shares of Common Stock the Company is authorized to issue from 75,000,000 shares to 200,000,000 shares and authorize 20,000,000 shares of Preferred Stock. No further stockholder approval is required to create or issue any series of the 20,000,000 shares of Preferred Stock in the future. Following the Charter Amendment, there will be an aggregate of 220,000,000 shares authorized under our Charter.

Vote Required

We are not seeking consents, authorizations or proxies from you. After the Charter Amendment was unanimously approved by the Board on February 21, 2013, the Voting Stockholders accomplished the vote which was required to approve the Charter Amendment.

On April 24, 2013 (the "Record Date"), there were 7,620,000 shares of Common Stock issued and outstanding, each of which is entitled to one vote. The Voting Stockholders own 6,000,000 shares of Common Stock, or approximately 78.74% of the voting stock.

Chapter 78 of the Nevada Revised Statutes (the "NRS") permits the holders of a corporation's outstanding stock representing a majority of that corporation's voting power to approve and authorize corporate actions by written consent as if such actions were undertaken at a duly called and held meeting of stockholders. In order to significantly reduce the costs and management time involved in soliciting and obtaining proxies to approve the Charter Amendment, and in order to effectuate the Charter Amendment as soon as possible, the Board elected to utilize, and did in fact obtain, the written consent of the Voting Stockholders. The written consent satisfies the stockholder approval requirement for the Charter Amendment. Accordingly, under the NRS no other Board or stockholder approval is required in order to effect the Charter Amendment.

Effective Date

This Information Statement is being mailed on or about May 14, 2013 to the Company's stockholders of record as of the Record Date. The Company will file the Charter Amendment on or after June 3, 2013, a date that is more than 20 calendar days after this Information Statement is first sent to our stockholders.

The expenses associated with the mailing of this Information Statement will be borne by the Company, including expenses in connection with the preparation of this Information Statement and all documents that now accompany or may in the future supplement it. The Company contemplates that brokerage houses, custodians, nominees, and fiduciaries will forward this Information Statement to the beneficial owners of Common Stock held of record by these persons and the Company will reimburse them for their reasonable expenses incurred in this process.

Dissenters' Rights of Appraisal

Under the NRS, Company stockholders are not entitled to appraisal rights with respect to the Charter Amendment.

DESCRIPTION OF STOCKHOLDER ACTIONS

The Voting Stockholders voted in favor of the Charter Amendment in order to allow the Company greater flexibility as the Board and the executive officers attempt to raise money and implement the Company's business plan and current and anticipated operations.

Approval of the Amendment to our Charter

The Certificate of Amendment to our Articles of Incorporation will be filed on or about June 3, 2013, a date that is more than 20 calendar days after this Information Statement is first sent to our stockholders. The Charter Amendment was unanimously adopted by the Board on February 21, 2013, and approved by the Voting Stockholders on or about March 4, 2013. The description of the Charter Amendment in this Information Statement is intended to be a summary only and is qualified in its entirety by the terms of such amendment to the Charter included in this Information Statement as Exhibit A.

Reasons for the Amendment

The Charter Amendment will provide the Company with greater flexibility to issue equity and raise money. By increasing the pool of Common Stock available for issuance, the Company will be in a better position to issue common securities in connection with a financing or other transaction. Further, by authorizing blank check Preferred Stock, the Company will have the ability to issue a lower-risk class of equity to potential investors who seek security in their investment.

Anti-Takeover and Dilutive Effects

The purpose of increasing our authorized Common Stock and creating Preferred Stock is to facilitate our ability to raise additional capital to support our operations, not to establish any barriers to a change of control or acquisition of our Company. The Common Stock and Preferred Stock that are authorized but unissued provide our Board with flexibility to effect, among other transactions, public or private financings, acquisitions, stock dividends, stock splits and the granting of equity incentive awards. However, these authorized but unissued shares may also be used by our Board, consistent with and subject to its fiduciary duties, to deter future attempts to gain control of the Company or make such actions more expensive and less desirable. The Charter Amendment would give our Board authority to issue additional shares from time to time without delay or further action by the stockholders except as may be required by applicable law. The Charter Amendment is not being recommended in response to any specific effort of which we are aware to obtain control of the Company, nor does our Board have any present intent to use the authorized but unissued Common Stock or Preferred Stock to impede a takeover attempt. There are no plans or proposals to adopt other provisions or enter into any arrangements that have material anti-takeover effects.

In addition, the issuance of additional Common Stock or shares of Preferred Stock for any of the corporate purposes listed above could have a dilutive effect on earnings per share and the book or market value of our outstanding shares, depending on the circumstances, and would likely dilute a stockholder's percentage voting power in the Company. Holders of our Common Stock are not currently entitled to preemptive rights or other protections against dilution. Our Board intends to take these factors into account before authorizing any new issuance of shares.

Effectiveness of the Amendment

The Company will file the Charter Amendment on or about 20 days after the mailing of this Information Statement to our stockholders as required under Rule 14c-2 of the Exchange Act.

DESCRIPTION OF SECURITIES

Our authorized capital stock currently consists of 75,000,000 shares of Common Stock. Upon filing of the Charter Amendment with the Nevada Secretary of State, the Company will have an aggregate of 220,000,000 shares authorized, of which 200,000,000 shares will be Common Stock and 20,000,000 shares will be Preferred Stock.

Common Stock

Upon effectiveness of the Charter Amendment, the Company will be authorized to issue up to 200,000,000 shares of Common Stock. The rights of holders of our Common Stock are as follows:

- have equal ratable rights to dividends from funds legally available if and when declared by the Board;
- are entitled to share ratably in all of our assets available for distribution to holders of Common Stock upon liquidation, dissolution or winding up of our affairs;
- do not have preemptive, subscription or conversion rights and there are no redemption or sinking fund provisions or rights; and
- are entitled to one non-cumulative vote per share on all matters on which stockholders may vote.

We refer you to our Charter, Bylaws and the applicable statutes of the State of Nevada for a more complete description of the rights and liabilities of holders of our securities.

The Company does not currently have any plans, proposals or arrangements to issue any of the newly available authorized Common Stock for any purpose. However, we may issue shares of Common Stock in the future without further stockholder approval.

Preferred Stock

Upon effectiveness of the Charter Amendment, the Charter will authorize the Company to issue 20,000,000 shares of blank check Preferred Stock with such designations, rights and preferences as may be determined from time to time by the Board. No further stockholder approval is required to create or issue any series of the 20,000,000 shares of Preferred Stock in the future. Accordingly, our Board will be empowered, without stockholder approval, to issue Preferred Stock with dividends, liquidation, conversion, voting or other rights that could adversely affect the relative voting power or other rights of the holders of our Common Stock.

The Company does not currently have any plans, proposals or arrangements to issue any of the newly available authorized Preferred Stock for any purpose.

Non-cumulative voting

Holders of shares of our Common Stock do not and will not have cumulative voting rights, which means that the holders of more than 50% of the outstanding shares, voting for the election of directors, can elect all of the directors to be elected, if they so choose, and, in that event, the holders of the remaining shares will not be able to elect any of our directors.

Cash dividends

As of the date hereof, we have not paid any cash dividends to stockholders. The declaration of any future cash dividends will be at the discretion of our Board and will depend upon our earnings, if any, our capital requirements and financial position and our general economic condition. It is our intention not to pay any cash dividends in the foreseeable future, but rather to reinvest earnings, if any, in our business operations.

Anti-takeover provisions

There are no Nevada anti-takeover provisions that may have the affect of delaying or preventing a change in control.
