ANNUAL MEETING OF STOCKHOLDERS

To Be Held September 28, 2013

PROXY STATEMENT

The Board of Directors of 22nd Century Group, Inc. is soliciting proxies from its stockholders to be used at the annual meeting of stockholders to be held at Spaulding Lake Clubhouse, 4805 Spaulding Drive, Clarence, New York 14031, on Saturday, September 28, 2013, beginning at 2:00 P.M. local time, and at any postponements or adjournments thereof. This proxy statement contains information related to the annual meeting. This proxy statement and the accompanying form of proxy are first being sent to stockholders on or about August 14, 2013.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors is soliciting proxies for the 2013 annual meeting of stockholders. You are receiving a proxy statement because you owned shares of our common stock on August 5, 2013 and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board, the compensation of Directors and Executive Officers and other information that the Securities and Exchange Commission requires us to provide annually to our stockholders.

Who is entitled to vote at the meeting?

Holders of common stock as of the close of business on the record date, August 5, 2013, will receive notice of, and be eligible to vote at, the annual meeting and at any adjournment or postponement of the annual meeting. At the close of business on the record date, we had outstanding and entitled to vote 48,082,184 shares of common stock.

How many votes do I have?

Each outstanding share of our common stock you owned as of the record date will be entitled to one vote for each matter considered at the meeting. There is no cumulative voting.

Who can attend the meeting?

Only persons with evidence of stock ownership as of the record date or who are invited guests of the Company may attend and be admitted to the annual meeting of the stockholders. Stockholders with evidence of stock ownership as of the record date may be accompanied by one guest. Photo identification may be required (a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares of stock of the Company as of the record date. Since seating is limited, admission to the meeting will be on a first-come, first-served basis.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the common stock issued and outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting. Proxies received but marked as abstentions or broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for purposes of a quorum.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the annual meeting or by proxy without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting.

Each stockholder receiving proxy materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares represented by your proxy will be voted as you specify on the proxy card.

If you hold your shares in "street name," you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or using the Internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then your shares will not be voted with respect to any proposal. The Board and management do not intend to present any matters at this time at the annual meeting other than those outlined in the notice of the annual meeting. Should any other matter requiring a vote of stockholders arise, stockholders returning the proxy card confer upon the individuals designated as proxy's discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Can I change my vote?

Yes. If you are a stockholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with our Secretary or mailing a proxy bearing a later date or by attending the annual meeting and voting in person. For shares you hold beneficially in “street name,” you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. In addition to mailing these proxy materials, certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies through further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Will stockholders be asked to vote on any other matters?

To the knowledge of the Company and its management, stockholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons named as proxies for stockholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

The approval of the election of each of the Director nominees, the approval of the advisory resolution on executive compensation and the ratification of the appointment of Freed Maxick CPAs, P.C. (“Freed”) require the affirmative vote of the majority of the votes present, in person or by proxy, and entitled to vote at the meeting. With respect to the vote regarding the frequency of future advisory votes on compensation, the choice receiving the highest number of votes will be the frequency that is approved.

How are votes counted?

For the election of Directors, the approval of the advisory resolution on executive compensation and the ratification of the appointment of Freed, you may vote “FOR,” “AGAINST” or “ABSTAIN.” With respect to the vote on the frequency of future advisory votes on compensation, you may vote for “One Year,” “Two Years,” “Three Years,” or “Abstain.” You may not cumulate your votes for the election of Directors.

Abstentions are considered to be present and entitled to vote at the meeting and, therefore, will have the effect of a vote against each of the proposals other than the frequency of future votes on executive compensation.

If you hold your shares in “street name,” the Company has supplied copies of its proxy materials for its 2013 annual meeting of stockholders to the broker, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. Your broker, bank or other nominee that have not received voting instructions from their clients may not vote on the election of each of the Director Nominees. These so-called “broker non-votes” will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval and will have no effect on the outcome of any of the proposals. Your broker, bank or other nominee is permitted to vote your shares on the appointment of Freed as our independent auditor without receiving voting instructions from you.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

EXECUTIVE COMPENSATION

Compensation Policies and Practices and Risk Management

The Board considers, in establishing and reviewing our compensation philosophy and programs, whether such programs encourage unnecessary or excessive risk taking. Base salaries are fixed in amount and consequently the Board does not see them as encouraging risk taking. We also provide Named Executive Officers and other senior managers with long-term equity awards to help further align their interests with our interests and those of our stockholders. The Board believes that these awards do not encourage unnecessary or excessive risk taking since the awards are generally provided at the beginning of an employee's tenure or at various intervals to award achievements or provide additional incentive to build long-term value and are subject to vesting schedules to help ensure that executives and senior managers have significant value tied to our long-term corporate success and performance.

The Board believes that our compensation philosophy and programs encourage employees to strive to achieve both short- and long-term goals that are important to our success and building stockholder value, without promoting unnecessary or excessive risk taking. The Board has concluded that our compensation philosophy and practices are not reasonably likely to have a material adverse effect on us.

The following table summarizes the compensation paid by us in each of the last two completed fiscal years for our principal executive officer and the two most highly compensated executive officers who received annual compensation in excess of \$100,000. These officers are referred to herein as our "Named Executive Officers."

Employment agreements for each of these four executives also contain non-compete covenants and change of control provisions.

The employment agreement of Messrs. Pandolfino and Sicignano provides that during the executive officer's employment by us and for a period of two (2) years after the executive officer ceases to be employed by us, the following non-compete covenants will apply: (i) the executive officer will not (except on behalf of us) provide or offer to provide any goods or services to any entity engaged in the United States in the making, offering, marketing, distributing and/or selling of products made from the tobacco (*Nicotiana*) plant, and/or providing or offering to provide the same or substantially similar services to any customer or prospective customer, (ii) the executive officer will not interfere with our relationships with any customer, prospective customer, supplier, distributor, farmer and/or manufacturer, and (iii) the executive will not induce or attempt to induce any persons employed by us to leave their employment with us, nor hire or employ, or attempt to hire or employ, any persons employed by us, nor assist or facilitate in any way any other person or entity in the hiring of any persons employed by us.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Related Party Transactions

Our Board is in the process of adopting a written related person transaction policy, which will set forth the policies and procedures for the review and approval or ratification of related person transactions. This policy will be administered by our Board and covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$50,000 and a related person had or will have a direct or indirect material interest. While the policy covers related person transactions in which the amount involved exceeds \$50,000, the policy states that related person transactions in which the amount involved exceeds \$120,000 are required to be disclosed in applicable filings as required by the Securities Act, the Exchange Act and related rules. Our Board set the \$50,000 threshold for approval of related party transactions in the policy at an amount lower than that which is required to be disclosed under the Securities Act, the Exchange Act and related rules because we believe it is appropriate for our Board to review transactions or potential transactions in which the amount involved exceeds \$50,000, as opposed to \$120,000.

Pursuant to this policy, our Board will: (i) review the relevant facts and circumstances of each related person transaction, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the related person's interest in the transaction, and (ii) take into account the conflicts of interest and corporate opportunity provisions of our code of business conduct and ethics. Management will present to our Board each proposed related person transaction, including all relevant facts and circumstances relating thereto, and will update the Board as to any material changes to any related person transaction. All related person transactions may only be consummated if our Board has approved or ratified such transactions in accordance with the guidelines set forth in the policy. Certain types of transactions have been pre-approved by our Board under the policy. These pre-approved transactions include: (i) certain compensation arrangements; (ii) transactions in the ordinary course of business where the related person's interest arises only (a) from his or her position as a director of another entity that is party to the transaction, and/or (b) from an equity interest of less than 5% in another entity that is party to the transaction, or (c) from a limited partnership interest of less than 5%, subject to certain limitations; and (iii) transactions in the ordinary course of business where the interest of the related person arises solely from the ownership of a class of equity securities in our Company where all holders of such class of equity securities will receive the same benefit on a pro rata basis. No director may participate in the approval of a related person transaction for which he or she is a related person.

Related Party Transactions

Immediately prior to the closing of the Merger in January 2011 between the Company (then known as Touchstone Mining Limited) and 22nd Century Limited, LLC ("22nd Century Ltd"), pursuant to the terms of the Split-Off Agreement, the Company transferred all of our pre-merger operating assets and liabilities to the Split-Off Subsidiary.

We then transferred all of the outstanding capital stock of the Split-Off Subsidiary to David Rector, our sole director and executive officer prior to the merger, in exchange for \$1, such consideration was deemed to be adequate by our Board prior to the merger. Prior to the closing of the merger, we paid Mr. Rector \$1,500 in consideration for his service as our sole director and executive officer.

Prior to the closing of the Merger, Touchstone Mining Limited utilized office space located at 11923 SW 37 Terrace, Miami, Florida 33175 that was provided to us on a rent-free basis by Nanuk Warman, a former director and executive officer. Also, prior to the closing of the merger, we cancelled 10,015,200 shares of our common stock held by Mr. Warman and entered into a mutual release agreement with Mr. Warman regarding such cancellation. We previously shared office space and employee services with AC. AC has also advanced funds to us from time to time. Effective December 1, 2010, the \$325,000 promissory note was amended to extend the maturity date until January 10, 2011 and to increase the interest rate to 15% during this extension period. On January 25, 2011, Mr. Tomasello converted the principal amount of this promissory note into 325,000 shares of our common stock through an investment in the Private Placement Offering and cash in the amount of \$79,401, which represents the accrued interest on the original \$325,000 promissory note. In December 2012, Mr. Sicignano agreed to forebear on the collection of our December 14, 2011 convertible notes. On January 22, 2013, we paid Mr. Sicignano the total amount of \$250,696 in principal plus accrued but unpaid interest as payment in full of the December 14, 2011 Convertible Notes owned by Mr. Sicignano. On that same date of January 22, 2013, Mr. Sicignano loaned us \$150,000 and we issued a promissory note to Mr. Sicignano due and payable on July 1, 2013 in the principal amount of \$150,000, with 15% interest per annum accruing thereon. Subsequently, Mr. Sicignano agreed to extend the maturity date to October 1, 2013. In December 2012, Mr. Rider extended the maturity date of his December 14, 2011 convertible note to April 9, 2013. In January 2013, he converted his note.

On March 21, 2012 and April 13, 2012, Rockledge Capital, LLC, a company of which our President, Mr. Sicignano, is the manager, loaned us \$25,000 on each of these dates; such notes were due and payable on October 1, 2012, with 15% interest per annum accruing thereon. These notes were paid in full on January 22, 2013.

On May 15, 2012, Mr. Pandolfino, our Chief Executive Officer, Mr. Sicignano, our President, Mr. Rider, our former Chief Financial Officer, and Dr. Moynihan, our Vice President of Research and Development, acquired 12,000, 20,000, 12,000, and 150,000 shares of the Company's common stock, \$0.00001 par value, respectively, and the same number of warrants with a 5-year term to purchase shares of our common stock at an exercise price of \$1.00 per share, which exercise price was subsequently adjusted pursuant to the terms of the warrants to be \$0.60 per share as of January 22, 2013. The purchase price was \$0.60 per unit. Dr. Moynihan exchanged his minority interest in Goodrich Tobacco (4 units equating to 4%) for stock and warrants valued at \$90,000 in the May 15, 2012 private placement. Dr. Moynihan's transaction resulted in Goodrich Tobacco becoming a wholly owned subsidiary of 22nd Century, Ltd.

In October 2012, we entered into a contractor agreement with Angelo Tomasello to provide consulting services to the Company. For consideration under the agreement, Mr. Tomasello was issued 20,000 stock options with the exercise price of \$0.26, which is equivalent to the closing price on our common stock on October 26, 2012. The options vested on October 26, 2012 and are exercisable any time through the expiration date ten years hence.

On November 9, 2012, Mr. Pandolfino, our Chief Executive Officer, Mr. Sicignano, our President, Mr. Cornell, our director, and Mr. Dunn, our director, participated in our private placement and acquired 480,000, 600,000, 60,000 and 60,000 shares of our common stock, \$0.00001 par value, respectively, and warrants with a 5-year term to purchase up to 240,000, 300,000, 30,000 and 30,000 shares of the Company's common stock, respectively, at an exercise price of \$1.00 per share, which exercise price was subsequently adjusted pursuant to the terms of the warrants to be \$0.60 per share as of January 22, 2013. The purchase price was \$0.25 per unit.

PROPOSAL NO. 2
ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION

We are asking stockholders to approve an advisory resolution on the Company's 2012 executive compensation as reported in this proxy statement. As described in this proxy statement, our compensation policies and determinations, including those made for fiscal year 2012, have been the product of discussions between our entire Board.

We are an early stage public company with limited financial resources that provides modest salaries and equity incentives to compensate our officers. In future periods, we may change this depending on future performance. Accordingly, the compensation paid to our named executive officers for fiscal year 2012 is not necessarily indicative of how we will compensate our named executive officers in the future.

We urge stockholders to read the "Executive Compensation" section beginning on page 10 of this proxy statement, as well as the Summary Compensation Table and other related compensation tables and narrative in this proxy statement, which provide detailed information on the compensation of our named executive officers.

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and as a matter of good corporate governance, we are asking stockholders to approve the following advisory resolution:

RESOLVED, that the stockholders of 22nd Century Group, Inc. (the "Company") approve, on an advisory basis, the 2012 compensation of the Company's named executive officers disclosed in the Executive Compensation section and the related compensation tables, notes and narrative in the Proxy Statement for the Company's 2013 Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the board of directors. Although non-binding, the board will review and consider the voting results when making future decisions regarding our executive compensation program.

Recommendation:

Our Board unanimously recommends that our stockholders vote "FOR" the approval of the advisory resolution on executive compensation.

PROPOSAL NO. 3
ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON
EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, we are asking stockholders to vote on whether future advisory votes on executive compensation of the nature reflected in Proposal No. 2 above should occur every year, every two years or every three years.

After careful consideration, the board of directors has determined that holding an advisory vote on executive compensation every year is the most appropriate policy for the Company at this time, and recommends that stockholders vote for future advisory votes on executive compensation to occur every year. Holding an annual advisory vote on executive compensation provides the Company with more direct and immediate feedback on our compensation disclosures. However, stockholders should note that the advisory vote on executive compensation occurs well after the compensation year. Since the different elements of our executive compensation programs are designed to operate in an integrated manner and to complement one another, in many cases it may not be appropriate or feasible to change our executive compensation programs in consideration of any one year's advisory vote on executive compensation by the time of the following year's annual meeting of stockholders. We nevertheless believe that an annual advisory vote on executive compensation is consistent with our executive compensation philosophy, policies and practices.

This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the board of directors. Stockholders will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years or abstain. Although non-binding, the board will carefully review the voting results. Notwithstanding the board's recommendation and the outcome of the stockholder vote, the board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

Recommendation:

Our Board unanimously recommends that our stockholders vote "FOR" the proposal to conduct future advisory votes on compensation every year.

PROPOSAL NO. 4

THE RATIFICATION OF THE APPOINTMENT OF FREED MAXICK CPAs, PC AS
THE COMPANY'S INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FOR
FISCAL YEAR 2013

The Board of Directors has appointed Freed Maxick CPAs, P.C. ("Freed") (formerly Freed Maxick & Battaglia, CPAs, PC) as our independent registered certified public accounting firm for the fiscal year 2013 and has further directed that the selection of Freed be submitted to a vote of stockholders at the annual meeting for ratification. Freed was the independent registered public accounting firm of 22nd Century prior to the merger in January 2011 and, given that the business of 22nd Century is now our sole line of business, our Board concluded that Freed should serve as our independent registered public accounting firm.

As described below, the stockholder vote is not binding on the Board. If the appointment of Freed is not ratified, the Board will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to stockholders. Even if the appointment of Freed is ratified, the Board may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders.

Representatives of Freed are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Recommendation:

Our Board unanimously recommends that our stockholders vote "FOR" the ratification of the appointment of Freed as our independent registered certified public accounting firm for the year 2013. If the appointment is not ratified, our Board will consider whether it should select another independent registered certified public accounting firm.

INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FEES AND SERVICES

The following table shows the fees billed to us for the audits and other services provided by Freed and RSM McGladrey, Inc. (an affiliate of Freed), its independent registered public accounting firm, for the fiscal years ended December 31, 2012 and 2011, respectively. On December 21, 2011, the alternative practice structure with RSM McGladrey ceased to exist and any future tax services will be performed by Freed. Touchstone Mining Limited had a different independent public registered accounting firm serving as its independent auditors prior to the Merger.

	2011	2012
Audit fees	\$92,500	\$100,000
Audit-related fees	37,500	\$20,000
Tax fees	3,000	-
All other fees	-	-
	\$133,000	\$120,000

Audit Fees consist of the aggregate fees billed for professional services rendered for the audit of our consolidated annual financial statements and the quarterly reviews of financial statements and for any other services that are normally provided by our independent public accountants in connection with our statutory and regulatory filings or engagements.

Audit Related Fees consist of the aggregate fees billed for professional services rendered for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements and the financial statements of our subsidiary that were not otherwise included in Audit Fees. Amounts include review of private placement memorandums and 8-K's related to the private placements and merger.

Tax Fees consist of the aggregate fees billed for professional services rendered for tax advice and tax planning. Included in such Tax Fees were fees for consultancy and advice on tax planning matters.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services

Our Board, which performs the equivalent functions of an audit committee, has the responsibilities of appointing our independent registered public accounting firm to serve as our auditor and overseeing the auditor's work. In addition, our Board, in performing the equivalent functions of the audit committee, pre-approves all audit and related services. Should our Board pre-approve any services other than audit and related services, it will evaluate whether those

services would compromise our auditors' independence.

Of the services provided in the fiscal years ended December 31, 2012 and 2011, all fees and services were pre-approved by the Company's chief executive officer, which also performed the equivalent functions of an audit committee of the Company.

Prior Accounting Firm

On January 27, 2011, our Board approved the dismissal of Child, Van Wagoner & Bradshaw, PLLC ("Child"), as our independent registered public accounting firm and engaged Freed, as our independent registered public accounting firm, both effective as of January 27, 2011. Freed was the independent registered public accounting firm of 22nd Century Limited, LLC prior to the merger between the Company and 22nd Century Limited, LLC in January 2011 and, given that the business of 22nd Century Limited, LLC is now our sole line of business, our Board concluded that Freed should serve as our independent registered public accounting firm.

In connection with the merger in January 2011, we changed our fiscal year ended from September 30 of each year to December 31 of each year. Child's report on our financial statements for each of 22nd Century Group, Inc.'s past two fiscal years ended September 30, 2010 and 2009 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, except that the report was qualified as to 22nd Century Group, Inc.'s ability to continue as a going concern.

During the fiscal years ended September 30, 2010 and 2009 and the subsequent interim period through January 27, 2011, there were no: (i) disagreements with Child on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure which, if not resolved to the satisfaction of Child, would have caused Child to make reference to the matter in their report, or (ii) reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. We do not expect a representative of Child to be present at the annual meeting of stockholders.

During the fiscal years ended September 30, 2010 and 2009 and the subsequent interim period through January 27, 2011, neither 22nd Century Group, Inc. nor anyone acting on its behalf consulted Freed regarding either: (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

AUDIT COMMITTEE REPORT

The Board of Directors, acting in the capacity as the audit committee, has reviewed and discussed the audited financial statements with management, which has represented that the financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Board of Directors discussed with management the quality and acceptability of the accounting principles employed, including all critical accounting policies used in the preparation of the financial statements and related notes, the reasonableness of judgments made, and the clarity of the disclosures included in the statements.

The Board of Directors also reviewed our consolidated financial statements for fiscal 2012 with Freed, our independent auditors for fiscal 2012, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Board of Directors has discussed with Freed the matters required to be discussed by Statement on Auditing Standards No. 61, as amended.

The Board of Directors has received the written disclosures and the letter from Freed mandated by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Board of Directors concerning independence and has discussed with Freed its independence and has considered whether the provision of non-audit services provided by Freed is compatible with maintaining Freed's independence.

Based on the reviews and discussions referred to above, the Board of Directors recommended that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2012 for filing with the Securities and Exchange Commission. The Board of Directors has selected Freed as our independent auditor

for 2013.
