PRELIMINARY COPY SUBJECT TO COMPLETION

Frederick's of Hollywood Group Inc.
6255 Sunset Boulevard
Hollywood, CA 90028

[], 2014

Dear Shareholder of Frederick's of Hollywood Group Inc.:

You are cordially invited to attend a special meeting of the shareholders of Frederick's of Hollywood Group Inc., a New York corporation (the Company, we, our or us), which we will hold at our principal executive offices located at 6255 Sunset Boulevard, 6th Floor, Hollywood, California 90028, on [], 2014, at 10:00 a.m. local time.

At the special meeting, holders of our common stock, par value \$0.01 per share, will be asked to consider and vote upon a proposal to adopt and approve an Agreement and Plan of Merger (as it may be amended from time to time, the Merger Agreement), dated as of December 18, 2013, as amended on April 14, 2014, by and among the Company, FOHG Holdings, LLC, a Delaware limited liability company (Parent), and FOHG Acquisition Corp., a New York corporation and wholly owned subsidiary of Parent (Merger Sub). Pursuant to the Merger Agreement, Merger Sub will merge with and into the Company and the separate corporate existence of Merger Sub will cease. The Company will be the surviving corporation in the merger and will continue to be a New York corporation after the merger.

If the merger is completed, then each share of our common stock will be converted into the right to receive \$0.27 in cash (other than shares held by the Rollover Shareholders (as defined below), shares held by us or any wholly owned subsidiary of ours and shares held in our treasury). Immediately prior to the merger, HGI Funding, LLC (HGI Funding), a wholly owned subsidiary of Harbinger Group Inc., TTG Apparel, LLC (TTG) and Tokarz Investments, LLC (TKZ), each of which is controlled by Michael Tokarz, and Fursa Alternative Strategies LLC (Fursa) and Arsenal Group, LLC (Arsenal), each of which is controlled by William F. Harley III, a member of our Board of Directors, and Mr. Harley individually (collectively, the Rollover Shareholders) will cause all of their shares of our capital stock to be contributed to Parent in exchange for an increase in their equity interests in Parent. As a result of the merger, the Company will be privately owned and will be controlled by the Rollover Shareholders through their ownership of Parent.

The Rollover Shareholders, as a group, may be deemed to beneficially own 91,257,883 shares, or 88.7%, of our common stock, including 63,579,204 shares that they have the right to acquire pursuant to convertible preferred stock, warrants and options held by them.

In order to evaluate the fairness of the merger to our shareholders, the Company's Board of Directors delegated to its lead independent, disinterested director, Milton Walters (the Lead Director), authority to consider and negotiate the terms and conditions of the merger with Parent and to make a recommendation to the Board of Directors. The Lead Director, based in part on advice from his legal and financial advisors, determined that the merger and the Merger Agreement were fair to and in the best interests of the Company and its shareholders (other than the Rollover Shareholders and their respective affiliates and associates), and recommended that the Board of Directors approve the merger and the Merger Agreement, and that the Company's shareholders vote for the approval of the merger and adoption of the Merger Agreement. Based on the Lead Director's recommendation, our Board of Directors approved the merger and the Merger Agreement. Mr. Harley, who is a Rollover Shareholder, and Thomas J. Lynch, who is our

chairman and chief executive

TABLE OF CONTENTS

officer and who has received a new employment agreement which will take effect if the merger is completed and under which he will receive equity in Parent as described in the enclosed proxy statement, recused themselves from the deliberations.

At the special meeting, you will also be asked to approve, by non-binding, advisory vote, compensation that may become payable to our named executive officers (as defined in Item 402 of Regulation S-K of the Exchange Act) in connection with the merger.

Our Board of Directors (other than Messrs. Harley and Lynch) unanimously recommends that the shareholders of the Company vote FOR the proposal to approve the merger and adopt the Merger Agreement and FOR the non-binding, advisory proposal to approve compensation that may become payable to the Company's named executive officers in connection with the merger. In arriving at its recommendation to approve the merger and adopt the Merger Agreement, our Board of Directors and the Lead Director carefully considered a number of factors that are described in the enclosed proxy statement, including that (i) the Company has not reported an operating profit since fiscal year 2007, (ii) since that time the Company has suffered from negative working capital and, in many years, deficit equity and (iii) no firm or economically viable offers for strategic transactions resulted from the marketing efforts in which the Company engaged during 2012 and 2013 or from the solicitation permitted under the Merger Agreement.

The enclosed proxy statement describes the Merger Agreement, the merger and related agreements and provides specific information concerning the special meeting. In addition, you may obtain information about us from documents filed with the Securities and Exchange Commission. We urge you to, and you should, read the entire proxy statement carefully, including the appendices, as well as the Schedule 13E-3 relating to the Merger Agreement the transactions contemplated thereby, including the exhibits attached thereto, filed with the Securities and Exchange Commission, as they set forth the details of the Merger Agreement and other important information related to the merger.

The merger cannot be completed unless holders of two-thirds of the aggregate voting power of the outstanding shares of common stock vote in favor of approving the merger and adopting the Merger Agreement. Holders of common stock as of the record date have one vote for each share of common stock owned by the shareholder as of the close of business on the record date. Because the Rollover Shareholders beneficially hold more than two-thirds of our outstanding shares of common stock as of the record date, they can satisfy the required vote under New York law and the Merger Agreement to approve the merger and adopt the Merger Agreement without the affirmative vote of any of our other shareholders.

If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the approval of the merger and adoption of the Merger Agreement and the approval of the non-binding, advisory proposal regarding compensation that may become payable to the Company's named executive officers in connection with the merger. If you fail to vote or submit your proxy, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting (unless you are a record holder as of the record date, or you obtain a legal proxy from your bank, broker or other nominee, and attend the special meeting in person) and will have the same effect as a vote against the approval of the merger and the adoption of the Merger Agreement.

While shareholders may exercise their right to vote their shares in person, we recognize that many shareholders may not be able to attend the special meeting. Accordingly, we have enclosed a proxy that will enable your shares to be voted on the matters to be considered at the special meeting even if you are unable to attend. If you desire your shares to be voted in accordance with the recommendation of our Board of Directors, you need only sign, date and return the

proxy in the enclosed postage-paid envelope. Otherwise, please mark the proxy to indicate your voting instructions; date and sign the proxy; and return it in the enclosed postage-paid envelope. You also may submit a proxy by using a toll-free telephone number or the Internet. We have provided instructions on the proxy card for using these convenient services.

TABLE OF CONTENTS

Submitting a proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting.

Sincerely,

Thomas J. Lynch
Chairman and Chief Executive Officer

Neither the Securities and Exchange Commission nor any state securities regulatory agency has approved or disapproved the merger, passed upon the merits or fairness of the merger or passed upon the adequacy or accuracy of the disclosure in this document. Any representation to the contrary is a criminal offense.

This proxy statement is dated [], 2014 and is first being mailed to shareholders on or about [], 2014.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

To the Shareholders of Frederick s of Hollywood Group Inc.:

NOTICE IS HEREBY GIVEN that a Special Meeting of the Shareholders of Frederick s of Hollywood Group Inc. (the Company , we , our or us) will be held at our principal executive offices located at 6255 Sunset Boulevard, 6th Floor, Hollywood, California 90028, on [], 2014, at 10:00 a.m. local time, for the following purposes:

1. to consider and vote on a proposal to approve the merger and adopt the Agreement and Plan of Merger (as it may be amended from time to time, the Merger Agreement), dated as of December 18, 2013, as amended on April 14, 2014, by and among the Company, FOHG Holdings, LLC, a Delaware limited liability company (Parent), and FOHG Acquisition Corp., a New York corporation and wholly owned subsidiary of Parent (Merger Sub), pursuant to which the Company will be merged with and into Merger Sub, with the Company surviving as wholly owned subsidiary of Parent;
2. to approve, by non-binding, advisory vote, compensation that may become payable to the Company s named executive officers (as defined in Item 402 of Regulation S-K of the Exchange Act) in connection with the merger; and
3. to act upon other business as may properly come before the special meeting (provided the Company does not know, at a reasonable time before the special meeting, that such matters are to be presented at the meeting) or any adjournment or postponement thereof.

The holders of record of our common stock, par value \$0.01 per share (Common Stock), voting as a class, as of the close of business on [], 2014, are entitled to notice of and to vote at the special meeting or at any adjournment thereof. All shareholders of record are cordially invited to attend the special meeting in person. A list of our shareholders will be available at our headquarters located at 6255 Sunset Boulevard, 6th Floor, Hollywood, California 90028, during ordinary business hours for ten days prior to the special meeting.

On September 26, 2013, HGI Funding, LLC (HGI Funding), a wholly owned subsidiary of Harbinger Group Inc., TTG Apparel, LLC (TTG) and Tokarz Investments, LLC (TKZ), each of which is controlled by Michael Tokarz, and Fursa Alternative Strategies LLC (Fursa) and Arsenal Group, LLC (Arsenal), each of which is controlled by William F. Harley III, a member of the Company s Board of Directors, entered into a non-binding consortium term sheet agreement. HGI Funding, TTG, TKZ, Fursa and Arsenal are collectively referred to herein as the Consortium Members. Parent and Merger Sub were formed by the Consortium Members for the purpose of acquiring us pursuant to the Merger Agreement. Under the term sheet, the Consortium Members agreed, among other things, to jointly deliver a non-binding proposal to the Company s Board of Directors for the acquisition of all of the Company s publicly held Common Stock in a going private transaction with the Company, and to use their commercially reasonable efforts to work together to structure, negotiate and do all things necessary or desirable, subject to the Company s approval, to enter into definitive agreements in respect of the transactions contemplated under the non-binding proposal.

The Consortium Members delivered to the Board of Directors their non-binding, written proposal to acquire all of the

outstanding shares of the Company's Common Stock that they did not directly or indirectly own on September 26, 2013. Following receipt of the Consortium Members' non-binding written proposal, in order to evaluate the fairness of the merger to our shareholders, the Company's Board of Directors delegated to its lead independent, disinterested director, Milton Walters (the Lead Director), authority to consider and negotiate the terms and conditions of the merger with Parent and to make a recommendation to the Board of Directors. As a result of these considerations and negotiations, and upon the recommendation of the Lead Director, the Board of Directors (other than Mr. Harley and Thomas J. Lynch, for the reasons discussed below) caused the Company to enter into the Merger Agreement and is making the recommendations to the Company's shareholders set forth herein.

TABLE OF CONTENTS

We have described the merger and the Merger Agreement in the accompanying proxy statement, which you should read in its entirety before voting. A copy of the Merger Agreement (including the amendment thereto) is attached as *Annex A* to the proxy statement.

Immediately prior to the merger, the Consortium Members and Mr. Harley (collectively, the Rollover Shareholders) will cause all of their shares of our capital stock to be contributed to Parent in exchange for an increase in their equity interests in Parent. As a result of the merger, the Company will be privately owned and will be controlled by the Rollover Shareholders through their beneficial ownership of Parent. The Consortium Members and Mr. Harley, as a group, may be deemed to beneficially own 91,257,883 shares, or approximately 88.7%, of the Company's Common Stock, including 63,579,204 shares that they have the right to acquire pursuant to convertible preferred stock, warrants and options held by them.

Mr. Harley, who is a Rollover Shareholder, and Mr. Lynch, who is our chief executive officer and who has received a new employment agreement which will take effect if the merger is completed and under which he will receive equity in Parent as described in the accompanying proxy statement, recused themselves from all discussions by the Board of

Directors relating to the merger negotiations (except to the extent their presence was specifically requested by the Lead Director) and all deliberations by the Board of Directors with respect to the approval of the merger and adoption of the Merger Agreement and related agreements. The Board of Directors (other than Messrs. Harley and Lynch), after receiving the recommendation of the Lead Director, has determined that the merger is fair, advisable, and in the best interests of the Company and its shareholders (other than the Rollover Shareholders and their respective affiliates and associates) and has adopted the Merger Agreement. **The Board of Directors (other than Messrs. Harley and Lynch) unanimously recommends that the shareholders of the Company vote FOR the proposal to approve the merger and adopt the Merger Agreement and FOR the non-binding, advisory proposal to approve compensation that may become payable to the Company's named executive officers in connection with the merger.** In arriving at its recommendation to approve the merger and adopt the Merger Agreement, the Board of Directors and the Lead Director carefully considered a number of factors that are described in the accompanying proxy statement, including that (i) the Company has not reported an operating profit since fiscal year 2007, (ii) since that time the Company has suffered from negative working capital and, in many years, deficit equity and (iii) no firm or economically viable offers for strategic transactions resulted from the marketing efforts in which the Company engaged during 2012 and 2013 or from the solicitation permitted under the Merger Agreement.

Under New York law, the approval of the merger and the adoption of the Merger Agreement require the affirmative vote of holders of two-thirds of the aggregate voting power of outstanding shares of Common Stock. The non-binding, advisory proposal to approve compensation that may become payable to the Company's named executive officers in connection with the merger requires the affirmative vote of holders of a majority of the voting power present in person or by proxy and entitled to vote thereon. Holders of Common Stock as of the record date have one vote for each share of Common Stock owned by the shareholder as of the close of business on the record date.

You also may submit a proxy by using a toll-free telephone number or the Internet. We have provided instructions on the proxy card for using these convenient services.

If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the approval of the merger and adoption of the Merger Agreement and the non-binding, advisory proposal to approve compensation that may become payable to the Company's named executive officers in connection with the merger. If you fail to vote or submit your proxy (unless you are a record holder as of the record date, or you obtain a legal proxy from your bank, broker or other nominee, and you attend the special meeting in person), the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting and will have the same effect as a vote against the approval of the merger and the adoption of the Merger

Agreement, but will not affect the vote regarding the non-binding, advisory proposal to approve compensation that may become payable to the Company's named executive officers in connection with the merger.

TABLE OF CONTENTS

Your proxy may be revoked at any time before the vote at the special meeting by following the procedures outlined in the accompanying proxy statement. If you are a shareholder of record, attend the special meeting and wish to vote in person, you may revoke your proxy and vote in person.

BY ORDER OF THE BOARD OF DIRECTORS

Thomas Rende
Secretary

Dated [], 2014

YOUR VOTE IS IMPORTANT

Your vote is important, regardless of the number of shares of Common Stock you own. Whether or not you plan to attend the special meeting, please complete, sign, date and return the enclosed proxy. You also may submit a proxy by using a toll-free telephone number or the Internet. We have provided instructions on the proxy card for using these convenient services. Remember, if you do not return your proxy card or vote by proxy via telephone or the Internet or if you abstain from voting, that will have the same effect as a vote against approval of the merger and adoption of the Merger Agreement. If you are a shareholder of record, attend the special meeting and wish to vote in person, you may revoke your proxy and vote in person. **Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return the enclosed proxy and thus ensure that your shares will be represented at the special meeting if you are unable to attend.**

Mr. Harley has been a member of the Company's Board of Directors since January 2008. He currently serves as the chairman and chief executive officer of Arsenal. Mr. Harley is principally responsible for Arsenal's investment decisions. Mr. Harley also is president and chief investment officer of Fursa, which he co-founded in April 1999 (as HBV Capital Management, LLC) and sold to Mellon Financial Corporation in July 2002 (when it was re-named Mellon HBV Alternative Strategies LLC). Mr. Harley served as chief investment officer and chief executive officer of Fursa from July 2002 until he repurchased it from Mellon in December 2006. Mr. Harley is principally responsible for Fursa's investment decisions.

Immediately prior to the effective time of the Merger, the Rollover Shareholders will cause all of their shares of our capital stock to be contributed to Parent in exchange for an increase in their equity interests in Parent. The Rollover Shareholders, as a group, may be deemed to beneficially own 91,257,883 shares, or 88.7%, of our common stock, par value \$0.01 per share (Common Stock), including 63,579,204 shares that they have the right to acquire pursuant to convertible preferred stock, warrants and options held by them. Parent has not engaged in any business other than in connection with the transactions described in this proxy statement. For more information on Parent and the holdings of the Rollover Shareholders, see *Special Factors The Parties to the Merger* beginning on page 18.

FOHG Acquisition Corp.

FOHG Acquisition Corp., which we refer to as Merger Sub, is a New York corporation. The address of Merger Sub's principal executive office is 450 Park Avenue, 30th Floor, New York, NY 10022. Merger Sub is a wholly-owned subsidiary of Parent and was formed solely for the purpose of engaging in the Merger and other related transactions.

Parent owns 100% of the capital stock of Merger Sub. Merger Sub has not engaged in any business other than in connection with the transactions described in this proxy statement. See *Special Factors The Parties to the Merger* beginning on page 18.

The Merger Proposal (Page 73 and Annex A)

You are being asked to consider and vote upon the proposal to adopt the Agreement and Plan of Merger, dated as of December 18, 2013, as amended on April 14, 2014, by and among the Company, Parent and Merger Sub, as it may be further amended from time to time, which we refer to as the Merger Agreement and which is attached to this proxy statement as Annex A, and to approve the merger contemplated thereby, which we refer to as the Merger.

The Merger Agreement provides that Merger Sub will be merged with and into the Company, with the Company surviving as a wholly owned subsidiary of Parent, and each outstanding share of our Common Stock, other than Excluded Shares and Dissenting Shares, each as defined below, will be converted into the right to receive \$0.27 in cash, which we refer to as the merger consideration, without interest and less any required withholding taxes. Excluded Shares are shares of our capital stock currently held by the Rollover Shareholders, shares of Common Stock held by the Company or any wholly owned subsidiary of the Company and shares of Common Stock held in the Company's treasury. Dissenting Shares are shares of Common Stock outstanding immediately prior to the effective time of the Merger and which are held by a shareholder (i) who has neither voted for adoption of the Merger Agreement and the Merger nor consented thereto in writing and (ii) who is entitled to and shall have demanded properly in writing appraisal for such shares in accordance with Section 910 of the New York Business Corporation Law, or NYBCL.

Shares of our Common Stock owned by the members of our Board of Directors (other than Mr. Harley) and by the current executive officers of the Company, Thomas J. Lynch, the Company's chairman and chief executive officer, and Thomas Rende, the Company's chief financial officer (the Executive Officers), will receive the same treatment in the Merger as the shares of our Common Stock owned by the unaffiliated shareholders, as defined in Rule 13e-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act), which definition excludes the Rollover Shareholders.

On September 26, 2013, HGI Funding, TTG, TTZ, Fursa and Arsenal jointly delivered a non-binding proposal letter to our Board of Directors for the acquisition of all of our publicly held Common Stock in a going private transaction with us. We refer to HGI Funding, TTG, TTZ, Fursa and Arsenal as the

Consortium or the Consortium Members. The Board of Directors delegated authority to Milton Walters, our lead independent, disinterested member of our Board of Directors, who we refer to as the Lead Director, to consider and negotiate the terms and conditions of the Merger with the Consortium Members and to make a recommendation to the Board of Directors. The terms of the Merger, including the amount of the merger consideration, were the result of extensive negotiations between the Lead Director and the Consortium Members. During the negotiations, the Lead Director took over two months to analyze and evaluate the Consortium Members' initial proposal and to negotiate with the Rollover Shareholders the terms of the proposed Merger, including an increase in the merger consideration of approximately 17% and a 50% premium to the closing price of the Company's Common Stock on September 27, 2013, the last trading day before the announcement by the Consortium Members of their initial proposal. The merger consideration represents an independently negotiated amount for the acquisition of the shares of our Common Stock not already owned by the Rollover Shareholders through the proposed Merger.

The Special Meeting (Page 69)

A special meeting of our shareholders, or the Special Meeting, will be held at our principal executive offices located at 6255 Sunset Boulevard, 6th Floor, Hollywood, California 90028, on [], 2014, at 10:00 a.m. local time.

Record Date and Quorum (Page 69)

The holders of record of our Common Stock as of the close of business on [], 2014, the record date for determination of shareholders entitled to notice of and to vote at the Special Meeting, are entitled to receive notice of and to vote at the Special Meeting.

The presence at the Special Meeting, in person or by proxy, of the holders of a majority of shares of our Common Stock outstanding on the record date will constitute a quorum, permitting the Company to conduct its business at the Special Meeting.

Required Vote (Page 69)

For the Company to complete the Merger, under New York law and the Merger Agreement, shareholders holding at least two-thirds of the aggregate voting power of our Common Stock outstanding at the close of business on the record date must vote FOR the approval of the Merger and adoption of the Merger Agreement, which we refer to as the Shareholder Approval. The Merger is not structured to require the approval of at least a majority of the unaffiliated shareholders.

Subject to the terms of the Voting Agreement, as defined in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities* Voting Agreement beginning on page 87, the Rollover Shareholders have agreed to vote all shares of our Common Stock they beneficially own (and any shares acquired by them after the date of the Voting Agreement) in favor of approving the Merger and adopting the Merger Agreement. As of the record date, there were 39,273,254 shares of our Common Stock outstanding, of which the Rollover Shareholders own 27,678,679 shares of Common Stock, representing in the aggregate approximately 70.5% of the issued and outstanding shares of Common Stock.

This amount excludes the 63,579,204 shares of Common Stock that the Rollover Shareholders have the right to acquire pursuant to convertible preferred stock, warrants and options held by them. Because the Rollover Shareholders beneficially hold more than two-thirds of our outstanding shares of Common Stock as of the record date, they can satisfy the required vote under New York law and the Merger Agreement to approve the Merger and adopt the Merger

Agreement without the affirmative vote of any of our other shareholders.

Despite the fact that the Rollover Shareholders can satisfy the required vote, we are soliciting proxies and furnishing a proxy statement to shareholders for two reasons. First, we must hold a meeting because we are not permitted to take shareholder action by less than unanimous written consent, without a shareholder meeting, pursuant to our certificate of incorporation and Section 615(a) of the NYBCL. Second, we are soliciting proxies to give the unaffiliated shareholders the opportunity to express their respective views of the Merger, even though their approval is not required as a condition to the transaction.

TABLE OF CONTENTS

Except in their capacities as members of our Board of Directors and/or as the Lead Director, as applicable, no officer or director of the Company, nor any of the Rollover Shareholders, has made any recommendation either in support of or in opposition to the Merger or the Merger Agreement.

The directors and Executive Officers have informed the Company that as of date of this proxy statement, they intend to vote in favor of the approval of the Merger and adoption of the Merger Agreement. All references to the Board of Directors in this proxy statement relating to the Board of Directors' recommendation and/or approval and adoption of the Merger Agreement, the related agreements and the Merger exclude Messrs. Harley and Lynch. Mr. Harley is a Rollover Shareholder. Mr. Lynch, our chairman and chief executive officer, has received a new employment agreement which will take effect if the Merger is completed. Under the employment agreement, he will receive an equity interest in Parent in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms. Messrs. Harley and Lynch recused themselves from all discussions by the Board of Directors relating to the Merger negotiations (except to the extent their presence was specifically requested by the Lead Director) and all deliberations by the Board of Directors with respect to the approval of the Merger and adoption of the Merger Agreement and the related agreements.

Shareholders holding at least a majority of the shares of Common Stock voted at the Special Meeting must vote FOR the non-binding, advisory proposal regarding compensation that may become payable to the Company's named executive officers (as defined in Item 402 of Regulation S-K) in connection with the Merger (as described in *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger - Interests of Executive Officers* beginning on page 61), which we refer to as the Merger-Related Compensation Proposal, in order for the proposal to be approved. Approval of the Merger-Related Compensation Proposal is not a condition to the completion of the Merger, and the vote with respect to the Merger-Related Compensation Proposal is advisory only and will not be binding on the Parent or the Company. Because the Rollover Shareholders beneficially hold more than a majority of our outstanding shares of Common Stock as of the record date, they can approve or disapprove the Merger-Related Compensation Proposal regardless of how any other shareholder votes.

Providing Voting Instructions by Proxy

If you are a shareholder of record, you may provide voting instructions by (i) submitting a proxy by telephone or via the Internet or (ii) submitting the proxy card attached to this proxy statement. If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the approval of the Merger and adoption of the Merger Agreement, and the approval of the Merger-Related Compensation Proposal. If you fail to vote or return your proxy card, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the Special Meeting (unless you attend the special meeting in person) and will have the same effect as a vote against the approval of the Merger and adoption of the Merger Agreement, but will not affect the vote regarding the Merger-Related Compensation Proposal.

If your shares are held by a bank, broker or other nominee on your behalf in street name, your bank, broker or other nominee will send you instructions as to how to provide voting instructions for your shares by proxy. In accordance with the rules of the New York Stock Exchange, banks, brokers and other nominees who hold shares of Common Stock in street name for their customers do not have discretionary authority to vote the shares with respect to the approval of the Merger and adoption of the Merger Agreement. Accordingly, if banks, brokers or other nominees do not receive specific voting instructions from the beneficial owner of such shares, they may not vote such shares with respect to the approval of the Merger and adoption of the Merger Agreement. Under this circumstance, a broker non vote would arise. Broker non votes, if any, will have the same effect as a vote AGAINST the approval of the Merger and adoption of the Merger Agreement, but will have no effect on the Merger-Related Compensation Proposal, and

will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the Special Meeting. For shares of Common Stock held in street name, only shares of Common Stock affirmatively voted FOR approval of the Merger and adoption of the Merger Agreement will be counted as a favorable vote for the proposals.

TABLE OF CONTENTS

Abstentions

Abstentions will be included in the calculation of the number of shares of Common Stock represented at the Special Meeting for purposes of determining the presence of a quorum. Abstaining from voting will have the same effect as a vote AGAINST the proposal to approve the Merger and adopt the Merger Agreement, but are not deemed voted and will have no effect on the Merger-Related Compensation Proposal.

Certain Effects of the Merger (Page 54)

If the Shareholder Approval is obtained and the other conditions to the closing of the Merger, which we refer to as the Closing, are either satisfied or waived, Merger Sub will be merged with and into the Company with the Company being the surviving corporation. Upon completion of the Merger, shares of Common Stock, other than Excluded Shares and Dissenting Shares, will be converted into the right to receive \$0.27 per share, without interest and less any required withholding taxes. Following the completion of the Merger, the Common Stock will no longer be publicly traded, and you will cease to have any ownership interest in the Company.

Treatment of Company Awards and Warrants (Page 74)

Each Company stock option (other than those held by Mr. Harley) that is outstanding immediately prior to the effective time of the Merger, which we refer to as the Effective Time, whether or not vested or exercisable, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, if any, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to the stock option, multiplied by (b) the total number of shares of Common Stock then issuable upon the exercise of the stock option. As of the date of this proxy statement, there are outstanding stock options to purchase 360,000 shares of Common Stock with an exercise price of less than \$0.27, which will be cancelled for an aggregate consideration of \$30,900. All of the Company's other outstanding stock options (including all of those held by the Company's directors and Executive Officers) will be cancelled for no consideration.

Each Company share-based award other than a stock option, including restricted share awards (other than those held by Mr. Harley), whether or not vested, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) \$0.27 per share, multiplied by (b) the total number of shares of Common Stock constituting the award. As of the date of this proxy statement, the Company has outstanding an aggregate of 737,194 shares subject to restricted share awards, which will be cancelled in exchange for aggregate consideration of \$199,042.38. These amounts include an aggregate of 578,694 shares subject to restricted share awards held by the Company's directors (other than Mr. Harley) and Executive Officers, which will be cancelled for aggregate consideration of \$156,247.38.

Each Company warrant (other than those held by Mr. Harley and the other Rollover Shareholders), whether or not vested or exercisable, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, if any, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to the warrant, multiplied by (b) the total number of shares of Common Stock then issuable upon the exercise of the warrant. However, any Company warrant that will have no value after the Effective Time (because the warrant has an exercise price per share that is greater than the merger consideration and, as of the Effective Time, the holder of the warrant will be entitled to

receive, upon exercise of the warrant, only the merger consideration multiplied by the number of shares subject to the warrant), may remain outstanding. As of the date of the proxy statement, the Company has no outstanding warrants (other than those held by the Rollover Shareholders) with an exercise price of less than \$0.27 and, accordingly, no consideration will be paid with respect to these warrants.

Each Company stock option and restricted share award held by Mr. Harley and each warrant held by Mr. Harley and the other Rollover Shareholders, as of the Effective Time, will be cancelled on the terms and conditions set forth in the Rollover Agreement, as defined in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities* *Rollover Agreement* beginning on page 87.

Conditions to the Merger (Page 83)

The obligations of the Company, Parent and Merger Sub to effect the Merger are subject to the satisfaction or waiver, at or prior to the date of the Closing, referred to as the Closing Date, of the following mutual conditions:

the Shareholder Approval shall have been obtained; and
no court or U.S. governmental entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the consummation of the Merger or the other transactions contemplated by the Merger Agreement.

The obligation of Parent and Merger Sub to effect the Merger is subject to the satisfaction or waiver, at or prior to the Closing Date, of the following additional conditions:

the representations and warranties of the Company set forth in the Merger Agreement, disregarding any qualifications or limitations contained therein as to materiality or Material Adverse Effect (as such term is defined in the Merger Agreement, as described below in *The Merger Agreement Representations and Warranties* beginning on page 75), shall be true and correct as of the date of the Merger Agreement and as of the Closing Date as though made on and as of the Closing Date (or, if given as a specific date, at and as of that date), except where such failures to be true and correct, taken as a whole, have not had, and would not reasonably be expected to have, a Material Adverse Effect, and Parent shall have received a certificate from the Company to such effect;

the Company shall have performed or complied in all material respects with all agreements and covenants required to be performed by it under the Merger Agreement at or prior to the Closing Date, and Parent shall have received a certificate from the Company to such effect;

since July 27, 2013, there shall not have been any, or a worsening of any, states of facts, events, changes, effects, developments, conditions or occurrences that, when taken as a whole, have had or would reasonably be expected to have a Material Adverse Effect;

Parent shall have received a certification from the Company to the effect that the Company is not (and was not at any time during the five-year period ending on the Closing Date) a United States real property holding corporation within the meaning of the Internal Revenue Code; and

the aggregate number of Dissenting Shares shall not equal or exceed 10% of the issued and outstanding shares of our Common Stock immediately prior to the Effective Time.

The obligation of the Company to effect the Merger is subject to the satisfaction or waiver, at or prior to the Closing Date, of the following additional conditions:

the representations and warranties of Merger Sub and Parent set forth in the Merger Agreement, in each case, made as if none of such representations and warranties contained any qualifications or limitations as to materiality or a Parent Material Adverse Effect (as such term is defined in the Merger Agreement, as described below in *The Merger Agreement Representations and Warranties* beginning on page 75), shall be true and correct, in each case, as of the date of the Merger Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent that any such representation and warranty speaks as of another date), except where the failure of any such representation and warranty to be true and correct as so made, individually or in the aggregate with all such failures, has not had and could not reasonably be expected to have a Parent Material Adverse Effect, and the Company shall have received a certificate from Parent to such effect;

each of Merger Sub and Parent shall have performed or complied in all material respects with all agreements and covenants required to be performed by it under the Merger Agreement and the Ancillary Agreements at or prior to the Closing Date, and the Company shall have received a certificate from Parent to such effect; and

each of the Ancillary Agreements shall have been executed and delivered by each party thereto (other than the Company) and shall be in full force and effect.

TABLE OF CONTENTS

For the purposes of this proxy statement, Ancillary Agreements refers collectively to the Voting Agreement, the Rollover Agreement and the Purchase Agreement, as defined in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company Agreements Involving the Company's Securities* beginning on page 87.

When the Merger Will be Completed

We anticipate completing the Merger during our fourth fiscal quarter of 2014, which ends on July 26, 2014, subject to receipt of the Shareholder Approval and the satisfaction of the other conditions to Closing.

Reasons for the Merger; Recommendation of the Lead Director and of the Board of Directors; Fairness of the Merger (Page 36)

The Board of Directors (other than Messrs. Harley and Lynch), based upon the recommendation of the Lead Director, unanimously recommends that the shareholders of the Company vote FOR the proposal to approve the Merger and adopt the Merger Agreement. The Lead Director's reasons for the Merger included:

the Company's precarious financial condition and deteriorating financial performance, and the uncertainty that the Company will be able to effect changes to its operations to improve its financial performance;

the significant expense of remaining a public company;

all discussions with respect to the proposals for strategic transactions made during the Allen & Company LLC, or Allen & Co., marketing process had terminated by the time the Series B Preferred Stock transaction was completed because none of the proposals resulted in any firm or economically viable offers that would have produced any value for the unaffiliated shareholders;

the Company had not received any other proposals since the announcement of the Consortium Members' initial proposal;

the Lead Director's determination that the merger consideration of \$0.27 per share to be received by the common shareholders (other than the Rollover Shareholders, Parent and any of their respective affiliates or associates):

was more favorable to the unaffiliated shareholders of the Company than the potential value that might

- result from the Company's only other alternative of remaining a stand-alone public company, as the Company's financial condition continued to deteriorate because of ongoing operating losses;

- was the highest consideration that could be obtained at the time;

◦ represents a 50% premium to the market price of the Common Stock on the day prior to the announcement of the Consortium Members' initial proposal; and

was, in the opinion of Cassel Salpeter & Co., LLC rendered to the Lead Director on December 18, 2013, fair, from a financial point of view as of such date to the holders of the Common Stock other than the Rollover Shareholders, Parent and any of their respective affiliates or associates (which opinion was subject to the assumptions, qualifications and limitations set forth in such opinion);

the terms of the Merger Agreement were negotiated to include that the merger consideration is all cash and that procedural safeguards were employed;

the absence of regulatory approvals; and

the existence of financing for the Merger.

For a complete description of the reasons considered by the Lead Director and the Board of Directors, see *Special Factors - Reasons for the Merger; Recommendation of the Lead Director and of the Board of Directors; Fairness of the Merger* beginning on page 36.

TABLE OF CONTENTS

Opinion of the Lead Director's Financial Advisor (Page 41 and Annex B)

Cassel Salpeter & Co., LLC, or Cassel Salpeter, an investment banking firm, rendered its oral opinion to the Lead Director on December 18, 2013 (which was subsequently confirmed in writing by delivery of Cassel Salpeter's written opinion dated the same date) as to, as of December 18, 2013, the fairness, from a financial point of view, to the holders of Common Stock (other than the Rollover Shareholders, Parent and any of their respective affiliates or associates) of the merger consideration to be received by such holders in the Merger pursuant to the Merger Agreement. We refer to the holders of our Common Stock other than the Rollover Shareholders and any of their respective affiliates or associates as the Public Shareholders. The Public Shareholders include our directors (other than Mr. Harley) and our Executive Officers.

The opinion was provided for the use and benefit of the Lead Director (in his capacity as such) and with the consent of the Lead Director, the members of the Board (in their capacity as such) in connection with the Lead Director's and, as applicable, the Board's evaluation of the Merger and only addressed, as of the date of the opinion, the fairness, from a financial point of view, to the Public Shareholders of the merger consideration to be received by such holders in the Merger pursuant to the Merger Agreement and did not address any other aspect or implication of the Merger or the Merger Agreement. No opinion or view was expressed as to the relative merits of the Merger as compared to any alternative transaction or business strategy that might exist for the Company, or the merits of the underlying decision by the Lead Director, the Board or the Company to engage in or consummate the Merger. The summary of Cassel Salpeter's opinion in this proxy statement is qualified in its entirety by reference to the full text of the written opinion. The written opinion is included as *Annex B* to this proxy statement. It sets forth the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Cassel Salpeter in preparing its opinion. However, neither Cassel Salpeter's written opinion nor the summary of its opinion and the related analyses set forth in this proxy statement are intended to be, and do not constitute, advice or a recommendation to any shareholder or any other security holder as to how such holder should vote or act with respect to any matter relating to the Merger or otherwise.

Purpose and Reasons of the Rollover Shareholders, Parent and Merger Sub for the Merger (Page 49)

For the Rollover Shareholders, Parent and Merger Sub, the purposes and reasons for the Merger are:

- to operate the Company as a privately-held company;
- to afford the Company greater operating flexibility as a privately-held company, allowing management to concentrate on long-term growth and to reduce its focus on the quarter-to-quarter performance often emphasized by the public markets;
- to enable the Company to use in its operations those resources that would otherwise be expended in complying with requirements applicable to public companies; and
- to allow the Rollover Shareholders, Parent and Merger Sub to benefit from any future earnings and growth of the Company after the Common Stock ceases to be publicly traded.

For a full description of the purpose and reasons of the Rollover Shareholders, Parent and Merger Sub for the Merger, see *Special Factors Purpose and Reasons of Parent, Merger Sub and the Rollover Shareholders for the Merger* beginning on page 49.

Positions of the Rollover Shareholders, Parent, Merger Sub, HGI, Philip Falcone and Michael Tokarz as to the Fairness of the Merger (Page 50 and Page 53)

The Rollover Shareholders, Parent, Merger Sub, HGI, Philip Falcone and Michael Tokarz believe that the Merger is substantively and procedurally fair to the Company's shareholders (other than the Rollover Shareholders, Parent and any of their respective affiliates or associates). See *Special Factors – Positions of the Rollover Shareholders as to the Fairness of the Merger* beginning on page 50 and *Special Factors – Positions of the Parent, Merger Sub, HGI, Philip Falcone and Michael Tokarz as to the Fairness of the Merger* beginning on page 53.

Financing (Page 58)

The Company and Parent estimate that the total financing required to complete the Merger and related transactions and pay related fees and expenses will be approximately \$25,230,585, which consists of

TABLE OF CONTENTS

\$21,209,150 in rollover equity, \$3,161,435 in merger consideration payable in cash to the Public Shareholders and holders of Company stock options and an estimated \$860,000 in fees and expenses. The Company and Parent expect this amount to be provided through a combination of (i) the rollover of Common Stock, Series A Convertible Preferred Stock and Series B Convertible Preferred Stock by the Rollover Shareholders and (ii) debt financing (up to \$6,000,000 of which may be used for the Merger), which is available to us under our existing credit facility with Salus CLO 2012-1, Ltd., or Salus CLO, and Salus Capital Partners, LLC, or Salus. We refer to Salus CLO and Salus collectively as the Lenders.

Interests of the Company's Directors and Executive Officers in the Merger (Page 60)

In considering the recommendation of the Lead Director and the Board of Directors with respect to the Merger Agreement, you should be aware that some of the Company's directors and Executive Officers have interests in the Merger that are different from, or in addition to, the interests of the Company's unaffiliated shareholders generally. These interests include, among others:

if the Merger is completed, the Company will be 100% beneficially owned by the Rollover Shareholders, including Mr. Harley, a member of our Board of Directors, and by Mr. Lynch, our chief executive officer, upon his receipt of an equity interest in Parent as described below, including any permitted assignee or designee of the foregoing; Thomas J. Lynch, our chairman and chief executive officer, has entered into a new employment agreement, which was negotiated after the Lead Director negotiated the merger consideration of \$0.27 per share in cash. Under the new employment agreement, which will take effect if the Merger is completed, Mr. Lynch will receive an equity interest in Parent in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms, as discussed in *Interests of the Company's Directors and Executive Officers in the Merger - Interests of Executive Officers* beginning on page 61; Thomas Rende, our chief financial officer, will receive certain change in control payments under his employment agreement, if he is terminated without cause or resigns for good reason (each as defined in his employment agreement) after the Merger; the treatment of Company equity awards in the Merger, including cash payments with respect to Company restricted share awards (other than those held by Mr. Harley), whether or not vested; Peter Cole and William F. Harley III, each a member of our Board of Directors, became members of the board of managers of Parent on the date the Merger Agreement was executed. Currently, members of the board of managers of Parent receive no cash fees or equity awards for their service; indemnification of the officers and directors following the Effective Time and the purchase of a fully-paid, non-cancellable tail policy under the Company's existing directors and officers insurance policy that has an effective term of six years from the Effective Time; and other interests discussed in *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 60.

The Lead Director and the Board of Directors were aware of the different or additional interests described in this proxy statement and considered these interests along with other matters in approving the Merger Agreement and the transactions contemplated thereby, including the Merger.

Material United States Federal Income Tax Considerations (Page 63)

The receipt of cash in the Merger will generally be a taxable transaction for U.S. federal income tax purposes. If you are a U.S. holder for U.S. federal income tax purposes, your receipt of cash in exchange for your shares of Common Stock will generally cause you to recognize a gain or loss. The amount of gain or loss will equal the difference, if any, between the cash you receive in the Merger and your adjusted cost basis in your shares. If you are a non-U.S. holder, you generally will not be subject to United States federal income tax unless you have certain connections to the United States. You should consult your tax advisor for a full understanding of the tax consequences of the Merger in your particular circumstances.

TABLE OF CONTENTS

Anticipated Accounting Treatment of the Merger (Page 66)

The Company, as the surviving corporation, will account for the Merger as a business combination using the acquisition method of accounting for financial accounting purposes, whereby the consideration transferred will be allocated to the identifiable assets acquired and liabilities assumed following FASB Accounting Standards Codification Topic 805, Business Combinations.

Dissenters Rights (Page 102)

Sections 623 and 910 of the NYBCL provide that if the Merger is consummated, holders of shares of our Common Stock entitled to vote on the approval of the Merger and adoption of the Merger Agreement who object to such actions in writing prior to or at the Special Meeting, but before the vote, and who follow the procedures specified in Section 623 (as summarized in *Dissenters Rights* beginning on page 102) will have the right to receive cash payment of the fair value of their shares of Common Stock if the proposed Merger is completed. The express procedures of Section 623 must be followed precisely; if they are not, holders of shares of our Common Stock will lose their right to dissent. As described more fully below, such fair value would potentially be determined in judicial proceedings, the result of which cannot be predicted. We cannot assure you that holders of shares of our Common Stock exercising dissenters rights will receive consideration equal to or greater than the merger consideration.

Limited Solicitation (Page 80)

Generally, under the Merger Agreement, we may not solicit alternative Takeover Proposals (as defined in the Merger Agreement and as described below in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* beginning on page 80), but we may engage in a limited solicitation of certain designated parties that were agreed upon among Parent, Merger Sub and the Company as a result of the negotiations of the Merger Agreement by the Lead Director.

We will, and will direct each of our representatives to, immediately cease any discussions, negotiations, or communications with any party, except the designated parties, with respect to any Takeover Proposal. The Company shall not, nor shall it authorize or permit any of its representatives to (and shall use its reasonable best efforts to cause such persons not to), among other things, directly or indirectly:

except with respect to the designated parties, initiate, induce, solicit, knowingly facilitate or encourage any inquiry or the making, submission or announcement of any proposal that constitutes or could reasonably be expected to lead to a Takeover Proposal;

approve, adopt or recommend (or propose to do so) any Takeover Proposal or enter into any letter of intent, memorandum of understanding, agreement, arrangement or understanding relating to, or that could reasonably be expected to lead to, any Takeover Proposal;

enter into any agreement or agreement in principle requiring the Company to abandon, terminate or fail to consummate the Merger or any other transactions contemplated by the Merger Agreement or breach its obligations thereunder, or propose or agree to do any of the foregoing;

except with respect to the designated parties, fail to enforce, or grant any waiver under, any standstill or similar agreement with any person; or

except with respect to the designated parties, engage in, continue or otherwise participate in any discussions or negotiations regarding, furnish to any person any information or data with respect to the Company in connection with or in response to, or otherwise cooperate with or take any other action to facilitate any proposal that constitutes, or

could reasonably be expected to lead to, any Takeover Proposal or requires the Company to abandon, terminate or fail to consummate the Merger or any other transactions contemplated by the Merger Agreement.

However, prior to the receipt of the Shareholder Approval, the Company or the Lead Director may, in response to a bona fide written Takeover Proposal that did not result from a breach of the above paragraph, contact the party that submitted such Takeover Proposal to clarify the terms and conditions thereof and, subject to compliance with the provisions outlined in subsequent paragraphs below and provided that the Lead Director determines in good faith, after consultation with its outside legal counsel and financial advisors, that

TABLE OF CONTENTS

such Takeover Proposal constitutes or could reasonably be expected to lead to a Superior Proposal (as such term is defined in the Merger Agreement, as described in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* beginning on page 80):

furnish information or data with respect to the Company or any of its subsidiaries to the person making such Takeover Proposal and its representatives pursuant to a confidentiality agreement, provided that all such information provided has previously been provided to Parent or is provided to Parent prior to or concurrently with the time it is provided to such person; and

engage in, continue or otherwise participate in discussions or negotiations regarding, and otherwise cooperate with or take any other action to facilitate, such Takeover Proposal.

As promptly as practical and in any event within one business day of the receipt by the Company of any Takeover Proposal or any inquiry with respect to, or that could reasonably be expected to lead to, any Takeover Proposal, the Company will provide notice to Parent of such Takeover Proposal or inquiry. The notice will include the identity of the person making the Takeover Proposal or inquiry and the material terms and conditions of the Takeover Proposal or inquiry. The Company will keep Parent reasonably informed on a current basis of the status of the Takeover Proposal, including any material changes to its terms and conditions. The Company is required to provide Parent, within one business day after receipt, with copies of all written communications, other written materials and summaries of all other communications sent or provided to or by the Company and its representatives in connection with any Takeover Proposal.

The Lead Director will promptly consider in good faith any alteration of the terms of the Merger Agreement or the Merger proposed by Parent in response to any Takeover Proposal.

Prior to the Company receiving the Shareholder Approval, the Lead Director may, in response to a Superior Proposal, effect a change in the Company's recommendation that the shareholders approve the Merger, which we refer to as a Change in the Company Recommendation, or approve and enter into any agreement relating to a Superior Proposal, provided that the Lead Director determines in good faith that the failure to do so would constitute a breach of its fiduciary duties to the shareholders of the Company. At least five business days prior to effecting a Change in the Company Recommendation or approving and entering into an agreement relating to a Superior Proposal, the Lead Director will provide written notice to Parent of his intention to make a Change in the Company Recommendation or enter into such agreement. The notice shall include the reasonable details regarding the cause for, and nature of, the Change in the Company Recommendation or the entering into such agreement. In addition, the Lead Director may not effect the Change in the Company Recommendation or approve and enter into an agreement relating to a Superior Proposal unless Parent does not make, within five business days of receipt of such notice, an offer that the Lead Director determines, in good faith after consultation with his legal and financial advisors, results in the applicable Takeover Proposal no longer being a Superior Proposal.

As described in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* beginning on page 80, nothing in the Merger Agreement will prohibit the Company, the Board of Directors or the Lead Director from complying with securities laws in respect of any Takeover Proposal, including making any disclosure to the shareholders of the Company. However, any public disclosure by the Company relating to a Takeover Proposal shall be deemed to be a Change in the Company Recommendation unless the Board of Directors expressly publicly reaffirms its approval of or recommendation to approve the Merger and adopt the Merger Agreement in such disclosure, or in the case of a stop, look and listen or similar communication, in a subsequent disclosure.

Other than as otherwise described in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* beginning on page 80, neither the Board of Directors nor any committee thereof nor the Lead Director will, directly or indirectly, effect a Change in the Company Recommendation, take any formal action or make any

recommendation or public statement in connection with a tender offer or exchange offer other than a recommendation against such offer or a temporary stop, look and listen communication or approve any agreement, arrangement or understanding relating to, or that may reasonably be expected to lead to, any Takeover Proposal.

Termination (Page 83)

The Merger Agreement may be terminated and the transactions contemplated thereby may be abandoned at any time prior to the Effective Time, whether prior to or after receipt of the Shareholder Approval:

by mutual written consent of Parent and the Company (acting at the direction of the Lead Director);

by either Parent or the Company (with the prior approval of the Lead Director), if:

the Merger shall not have been consummated by June 15, 2014, which we refer to as the Termination Date, provided that the right to terminate the Merger Agreement pursuant to this provision is not available to any party whose failure to perform any of its obligations under the Merger Agreement has been the primary cause of the failure of the Merger to be consummated by the Termination Date;

a governmental entity of competent jurisdiction takes any action (which the party seeking to terminate the Merger Agreement shall have used its reasonable best efforts to resist, resolve, annul, quash or lift, as applicable) permanently restraining, enjoining or otherwise prohibiting the Merger and such action shall have become final and non-appealable, provided that the right to terminate the Merger Agreement pursuant to this provision shall not be available to any party whose failure to perform any of its obligations under the Merger Agreement has been the primary cause of any such action; or

the Shareholder Approval shall not have been obtained at the Special Meeting or any adjournment or postponement thereof;

by Parent, if:

the Company shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement, which breach or failure to perform is incapable of being cured by the Company prior to the Termination Date or if capable of being cured, is not cured within 30 days following receipt by the Company of written notice from Parent, and which would result in a failure of any Parent and Merger Sub condition to effect the Merger, as described in *The Merger Agreement Conditions to the Merger* beginning on page 83, provided that Parent's right to terminate the Merger Agreement pursuant to this provision shall not be available if Parent or Merger Sub is then in material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement; or

a Change in the Company Recommendation shall have occurred;

by the Company (with the prior approval of the Lead Director), if:

Parent or Merger Sub shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement, which breach or failure to perform is incapable of being cured by Parent or Merger Sub prior to the Termination Date or if capable of being cured, is not cured within 30 days following receipt by Parent of written notice from the Company, and which would result in a failure of any Company condition to effect the Merger, as described in *The Merger Agreement Conditions to the Merger* beginning on page 83, provided that the Company's right to terminate the Merger Agreement pursuant to this provision shall not be available if the Company is then in material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement; or

the Board of Directors, upon the recommendation of the Lead Director, causes the Company to enter into any agreement related to a Superior Proposal, provided that the Company has complied in all material respects with the provisions in the Merger Agreement relating to solicitation of Takeover Proposals, including the notice provisions therein, as summarized in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* beginning on page 80.

TABLE OF CONTENTS

The Merger Agreement provides that, if the Company terminates the Merger Agreement because the Board of Directors, upon recommendation of the Lead Director, causes the Company to enter into an agreement related to a Superior Proposal, the Company is obligated to reimburse Parent for its expenses (not to exceed \$300,000 in the aggregate) and pay Parent a termination fee of \$300,000. The Merger Agreement provides further that, if the Company terminates the Merger Agreement because Parent or Merger Sub breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement and (i) such breach was material and knowing, willful or intentional and (ii) at the time of such termination, the Company is then ready, willing and able to consummate the Merger and the conditions to Parent and Merger Sub's obligations under the Merger Agreement have been satisfied or waived, Parent is obligated to reimburse the Company for its expenses (not to exceed \$300,000 in the aggregate) and pay the Company a termination fee of \$300,000. If the Company terminates the Merger Agreement because Parent or Merger Sub breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement in circumstances other than those set forth in the preceding sentence, Parent will reimburse the Company for its expenses (not to exceed \$300,000 in the aggregate).

Litigation (Page 66)

Between January 24 and 31, 2014, three purported shareholders of the Company filed putative class action lawsuits in New York State Supreme Court challenging the Merger. These actions are: *Bruce H. Paul et al., v. Frederick's of Hollywood Group Inc., et al.*, Index No. 650252/2014 (N.Y. Sup. Ct. Jan. 24, 2014); *David Strassenburgh v. Frederick's of Hollywood Group Inc., et al.*, Index No. 650294/2014 (N.Y. Sup. Ct. Jan. 28, 2014); and *Stephen Dworkin v. Frederick's of Hollywood Group Inc., et al.*, Index No. 650356/2014 (N.Y. Sup. Ct. Jan. 31, 2014). On March 6, 2014, the parties to those lawsuits submitted to the court a stipulation and proposed order that would consolidate all three actions into a single action captioned *In re Frederick's of Hollywood Group Inc. Shareholder Litigation*, Index No. 650252/2014, and would appoint two of the five firms involved as co-lead plaintiffs' counsel and the other three firms as the executive committee. The proposed consolidation order also provided that the amended complaint filed *Bruce H. Paul, et al, v. Frederick's of Hollywood Group Inc., et al.* on February 11, 2014 would be the operative complaint in the consolidated action. The court has not yet entered the proposed consolidation order. The consolidated amended complaint alleges that the preliminary proxy filed by the Company contained material misstatements and omissions and that the members of the Board of Directors breached their fiduciary duty to maximize shareholder value by pursuing the Merger through a flawed process and for inadequate consideration. The complaint is more fully described in *Special Factors Litigation* beginning on page 66. Each of the defendants denies any allegations of wrongdoing and believes that the plaintiffs' claims are without merit. On March 14, 2014, after settlement discussions between plaintiffs' counsel and counsel for the Company, the parties agreed to resolve the litigation and permit the Merger to proceed as contemplated. The settlement provides, among other things, that certain agreed supplemental and/or modified disclosures be included in this proxy statement. The settlement was subject to confirmatory discovery by the plaintiffs, which was completed on March 31, 2014, and is now subject to court approval.

TABLE OF CONTENTS

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

The following questions and answers address briefly some questions you may have regarding the Special Meeting, the Merger Agreement and the Merger. These questions and answers may not address all questions that may be important to you as a shareholder of the Company. Please refer to the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents referred to in this proxy statement.

Q: What is the proposed transaction?

A: The proposed transaction is the Merger of Merger Sub with and into the Company pursuant to the Merger Agreement, with the Company surviving as a wholly-owned subsidiary of Parent. Parent is an entity formed by the Consortium Members for the purposes of acquiring us in the proposed transaction. The Rollover Shareholders hold 100% of the outstanding equity of Parent. Following the Effective Time, the Company will be privately held by the Rollover Shareholders (and by Mr. Lynch, upon his receipt of an equity interest in Parent, pursuant to his new employment agreement, in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms). See *The Merger Agreement* beginning on page 73.

Q: What will I receive in the Merger?

A: If the Merger is completed, you will be entitled to receive \$0.27 in cash, without interest and less any required withholding taxes, for each share of Common Stock that you own. For example, if you own 100 shares of Common Stock, you will be entitled to receive \$27.00 in cash in exchange for your shares of Common Stock, less any required withholding taxes. You will not be entitled to receive shares in the surviving corporation. Shares of Common Stock owned by the members of our Board of Directors (other than Mr. Harley) and by our Executive Officers will receive the same treatment in the Merger as the shares of common stock owned by the unaffiliated shareholders.

Q: Where and when is the Special Meeting?

A: The Special Meeting will take place at our principal executive offices located at 6255 Sunset Boulevard, 6th Floor, Hollywood, California 90028, on [], 2014, starting at 10:00 a.m. local time.

Q: What matters will be voted on at the Special Meeting?

A: You are being asked to consider and vote on the following proposals:

to approve the Merger and adopt the Merger Agreement;
to approve the Merger-Related Compensation Proposal; and

to act upon other business that may properly come before the Special Meeting (provided the Company does not know, at a reasonable time before the Special Meeting, that such matters are to be presented at the meeting) or any adjournment or postponement thereof.

Q: What vote of our shareholders is required to approve the Merger and adopt the Merger Agreement?

A: For the Company to complete the Merger, under New York law, shareholders holding at least two-thirds of the aggregate voting power of the Common Stock outstanding at the close of business on the record date must vote **FOR**

the approval of the Merger and adoption of the Merger Agreement. Subject to the terms of the Voting Agreement between us, Parent and the Rollover Shareholders, the Rollover Shareholders have agreed to vote all shares of our Common Stock they beneficially own (and any shares acquired by them after the date of the Voting Agreement) in favor of approving the Merger and adopting the Merger Agreement. See *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities Voting Agreement* beginning on page 87. As of the record date, the Rollover Shareholders own 27,678,679 shares of Common Stock, representing in the aggregate approximately 70.5% of the issued and outstanding shares of Common Stock. This amount excludes the 63,579,204 shares of Common Stock that the Rollover Shareholders have the right to acquire pursuant to convertible preferred stock, warrants and options held by them. Because the

TABLE OF CONTENTS

Rollover Shareholders beneficially hold more than two-thirds of our outstanding shares of Common Stock as of the record date, they can satisfy the required vote under New York law and the Merger Agreement to approve the Merger and adopt the Merger Agreement without the affirmative vote of any of our other shareholders.

Except in their capacities as members of the Board of Directors and/or as the Lead Director, as applicable, no officer or director of the Company has made any recommendation either in support of or in opposition to the Merger or the Merger Agreement. The directors (excluding Mr. Harley) and Executive Officers of the Company, who collectively own 1,742,999 shares, or 4.4%, or our outstanding Common Stock (which excludes 1,648,920 shares of Common Stock that the directors (excluding Mr. Harley) and the Executive Officers have the right to acquire pursuant to options held by them), have informed the Company that as of date of this proxy statement they intend to vote in favor of approving the Merger and adopting the Merger Agreement.

See *The Special Meeting Required Vote* beginning on page 69.

Q: With respect to the Merger-Related Compensation Proposal, why am I being asked to cast a non-binding advisory vote to approve compensation that may become payable to the Company's named executive officers in connection with the Merger?

A: SEC rules require us to seek a non-binding, advisory vote with respect to certain categories of compensation that may be provided to named executive officers in connection with a merger transaction.

Q: What will happen if shareholders do not approve the non-binding Merger-Related Compensation Proposal?

A: Approval of the Merger-Related Compensation Proposal is not a condition to the completion of the Merger. The vote on the Merger-Related Compensation Proposal is an advisory vote and will not be binding on the Company.

Therefore, if the Shareholder Approval is obtained and the Merger is completed, the payments that are the subject of the Merger-Related Compensation Proposal may become payable to the named executive officers regardless of the outcome of the vote on the Merger-Related Compensation Proposal.

Q: What vote of our shareholders is required to approve the Merger-Related Compensation Proposal?

A: Shareholders holding at least a majority of the shares of Common Stock voted at the Special Meeting must vote FOR the Merger-Related Compensation Proposal in order for the proposal to be approved. Because the Rollover Shareholders beneficially hold more than a majority of our outstanding shares of Common Stock as of the record date, they can approve or disapprove the Merger-Related Compensation Proposal regardless of how any other shareholder votes.

Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors (other than Messrs. Harley and Lynch, who recused themselves from all deliberations relating to the recommendation and approval of the Merger and adoption of the Merger Agreement), acting upon the recommendation of the Lead Director, unanimously recommends that our shareholders vote FOR the approval of the Merger and adoption of the Merger Agreement and FOR the approval of the Merger-Related Compensation Proposal. You should read *Special Factors Reasons for the Merger; Recommendation of the Lead Director and of the Board of Directors; Fairness of the Merger* beginning on page 36 for a discussion of the factors that the Lead Director and Board of Directors considered in deciding to recommend the approval of the Merger and adoption of the Merger Agreement. See also *Special Factors Interests of the Company's Directors and Executive Officers in the Merger*

beginning on page 60.

Q: What effects will the Merger have on the Company?

A: The Common Stock is currently registered under the Securities Exchange Act of 1934, as amended, or the Exchange Act , and is quoted on the OTCQB under the symbol FOHL. As a result of the Merger,

15

TABLE OF CONTENTS

the Company will cease to be a publicly traded company and will be wholly owned by Parent. Following the consummation of the Merger, the registration of the Common Stock and our reporting obligations under the Exchange Act will be terminated upon application to the SEC. In addition, upon the consummation of the Merger, the Common Stock will no longer be quoted on any quotation system, including the OTCQB. See *Special Factors Plans for the Company after the Merger* beginning on page 54.

Q: What happens if the Merger is not consummated?

A: If the Shareholder Approval is not obtained or if the Merger is not consummated for any other reason, the Merger will not be effected and the Company's shareholders will not receive any payment for their shares. Instead, the Company will remain a public company and its shares of Common Stock will continue to be quoted on the OTCQB. Under specified circumstances, the Company may be required to reimburse Parent and Merger Sub for their costs and expenses and pay a termination fee. See *The Merger Agreement Termination* beginning on page 83 and *The Merger Agreement Fees and Expenses* beginning on page 84. The Company's results of operations and financial condition raise substantial doubt about its ability to continue as a going concern. If the Company is unsuccessful in consummating the Merger, it will need to raise additional capital through debt or equity financings, strategic relationships or other arrangements. Additional financing may not be available in amounts or on terms acceptable to the Company or at all, and if available, may be at prices and on terms that may not be as favorable as they would be without a going concern qualification. An inability to obtain additional financing may result in the Company's voluntary or involuntary bankruptcy.

Q: What do I need to do now?

A: We urge you to read this proxy statement carefully, including its annexes and the documents referred to in this proxy statement as well as the Schedule 13E-3, including the exhibits attached thereto, filed with the Securities and Exchange Commission, or the SEC, and to consider how the Merger affects you. If you are a shareholder of record, you can ensure that your shares are voted at the Special Meeting by submitting your proxy via:

telephone, using the toll-free number listed on each proxy card;
the Internet, at the address provided on each proxy card; or

mail, by completing, signing, dating and mailing each proxy card and returning it in the envelope provided.

If you hold your shares in street name through a broker, bank or other nominee, you should follow the directions provided by your broker, bank or other nominee regarding how to instruct your broker, bank or other nominee to vote your shares. Without those instructions, your shares will not be voted, which will have the same effect as voting against the approval of the Merger and adoption of the Merger Agreement.

Q: Should I send in my stock certificates or other evidence of ownership now?

A: No. After the Merger is completed, you will be sent a letter of transmittal with detailed written instructions for exchanging your shares of Common Stock for the merger consideration. If your shares of Common Stock are held in street name by your broker, bank or other nominee, you may receive instructions from your broker, bank or other nominee as to what action, if any, you need to take to effect the surrender of your street name shares in exchange for the merger consideration. Do not send in your certificates now.

Q: Can I revoke my voting instructions?

A: Yes. You can revoke your voting instructions at any time before your proxy is voted at the Special Meeting. If you are a shareholder of record, you may revoke your proxy by notifying the Company's Corporate Secretary in writing at

Frederick's of Hollywood Group Inc., Attn: Secretary, 6255 Sunset Boulevard, 6 Floor, Hollywood, California 90028, or by submitting a new proxy by telephone, the Internet or mail, in each case, dated after the date of the proxy being revoked. In addition, you may revoke your proxy by attending the Special Meeting and voting in person (simply attending the Special Meeting will not cause your proxy to be revoked). Please note that if you hold your shares in street name and you have instructed

TABLE OF CONTENTS

a broker, bank or other nominee to vote your shares, the above-described options for revoking your voting instructions do not apply, and instead you must follow the instructions received from your broker, bank or other nominee to revoke your voting instructions. See *The Special Meeting Voting; Proxies; Revocation Revocation of Proxies* beginning on page 71.

Q: What does it mean if I get more than one proxy card or voting instruction card?

A: If your shares are registered differently or are held in more than one account, you will receive more than one proxy or voting instruction card. Please complete and return all of the proxy cards or voting instruction cards you receive (or submit each of your proxies by telephone or the Internet, if available to you) to ensure that all of your shares are voted.

Q: Who will count the votes?

A: A representative of our transfer agent, American Stock Transfer & Trust Company, LLC, will count the votes and act as an inspector of election.

Q: Who can help answer my other questions?

A: If you have more questions about the Merger, or require assistance in submitting your proxy or voting your shares or need additional copies of the proxy statement or the enclosed proxy card, please contact AST Phoenix Advisors, a division of American Stock Transfer & Trust Company, LLC, at 1-877-732-3617. If your broker, bank or other nominee holds your shares, you should also call your broker, bank or other nominee for additional information.

TABLE OF CONTENTS

SPECIAL FACTORS

The Parties to the Merger

The parties to the Merger Agreement are the Company, Parent and Merger Sub.

The Company

For information regarding the Company, see *Important Information Concerning the Company* *Company Background* beginning on page 94.

Parent

Parent is a new Delaware limited liability company that was formed by HGI Funding to pursue the transaction contemplated by the non-binding consortium term sheet agreement among the Consortium Members. The Rollover Shareholders collectively hold 100% of the issued and outstanding equity of Parent. Immediately prior to the Effective Time, the Rollover Shareholders will cause all of their shares of our capital stock to be contributed to Parent in exchange for an increase in their equity interests in Parent. The Rollover Shareholders, as a group, may be deemed to beneficially own 91,257,883 shares, or 88.7%, of our Common Stock, including 63,579,204 shares that they have the right to acquire pursuant to convertible preferred stock, warrants and options held by them. Parent has not engaged in any business other than in connection with the Merger and the other related transactions contemplated thereby.

Merger Sub

Merger Sub is a newly formed New York corporation. Merger Sub was formed solely for the purpose of engaging in the Merger and other related transactions. Merger Sub is a wholly owned subsidiary of Parent. Merger Sub has not engaged in any business other than in connection with the Merger and other related transactions.

Background of the Merger

Introduction

Our financial condition is precarious. The opinion of our independent auditors included in our Annual Report on Form 10-K for the fiscal year ended July 27, 2013 without completing the Merger questions our ability to continue as a going concern. As of January 25, 2014, we had shareholders' deficiency of \$(29,223,000) or \$(0.74) per outstanding share and a working capital deficit of \$(23,507,000) or \$(0.60) per outstanding share.

During the past six years, we suffered from the economic recession, a protracted recovery and a downturn in consumer spending. In California, the location of many of our stores, the recession was particularly severe. We also faced rising operating costs, difficulties in paying vendors and significant long-term lease costs. Competition also increased from retailers including the GAP, H&M, Aerie and Victoria's Secret, the leader in our industry. Numerous steps to improve our financial performance were recommended by management and authorized by our Board of Directors. We reduced our workforce, wages and capital expenditures, sold our wholesale division and negotiated margin assistance with vendors. We also negotiated more favorable lending terms and eventually replaced our lender.

From fiscal years 2007 through 2013, annual operating expenses were reduced by approximately \$40,000,000. Despite these efforts, we incurred net operating losses of approximately \$114,000,000 from fiscal years 2008 through 2013 and have not reported an operating profit since fiscal year 2007. To sustain our operations and finance growth, we completed capital raises of approximately \$38,000,000 from fiscal years 2008 through 2013. These capital raises were accomplished through a \$20,000,000 rights offering and a \$3,000,000 private placement of Common Stock, followed by the \$15,000,000 placement of the Series A and Series B Convertible Preferred Stock described below. We also converted approximately \$23,000,000 of debt and preferred stock into Common Stock. From fiscal years 2008 through 2013, we struggled to remain solvent, suffering from negative working capital and, in many years, deficit equity. As a result, we had difficulty staying current with vendors. Our Board of Directors encouraged Messrs. Lynch and Rende to explore possible strategic alternatives.

TABLE OF CONTENTS

On April 16 and 18, 2012, we received two unsolicited acquisition inquiries. On April 18, 2012, our Board of Directors authorized Mr. Lynch to retain the investment banking firm, Allen & Co., to assist in evaluating and negotiating the indications of interest. Allen & Co. also was retained to undertake a broad effort to explore other potential strategic alternatives, including an investment of strategic capital. Neither the marketing process to approximately 120 parties nor the two initial unsolicited indications of interest described in further detail below resulted in any firm offers that our Board of Directors believed were viable or would produce any value for our shareholders.

On February 28, 2013, Kyle Shonak, the then Senior Vice President of Salus, arranged for Mr. Lynch to meet with Philip Falcone, Chief Executive Officer of HGI, and Phillip Gass, Managing Director of Investments of HGI, on March 1, 2013 to discuss a potential strategic transaction. Salus is a subsidiary of HGI. The discussions resulted in our \$10,000,000 Series B Convertible Preferred Stock and warrant sale on March 15, 2013. The buyer was Five Island Asset Management, LLC, a subsidiary of HGI, which we refer to as Five Island. These preferred shares and warrants may be converted into a majority interest in the Company. The negotiations relating to the Series B Convertible Preferred Stock transaction are described in detail below under *Evaluation of Strategic Transactions*.

On August 6, 2013, Five Island initially proposed the Merger to our Board of Directors. Five Island subsequently negotiated with our largest shareholders to form the Consortium, and negotiations between the Consortium and the Lead Director ultimately led to the execution of the Merger Agreement on December 18, 2013. Our Board of Directors, upon recommendation of the Lead Director, determined that the Merger is in the best interests of our unaffiliated shareholders. Our unaffiliated shareholders and our directors (other than Mr. Harley) and Executive Officers, who together own 11,594,575 shares, or approximately 29.5%, of our outstanding Common Stock as of April 14, 2014, will receive \$0.27 per share, or an aggregate of approximately \$3,100,000, upon the closing of the Merger. Shares of Common Stock owned by our directors (other than Mr. Harley) and Executive Officers will receive the same treatment in the Merger as the shares of Common Stock owned by the unaffiliated shareholders.

The indications of interest, the marketing process and the negotiations with HGI are described in detail below.

Series A Convertible Preferred Stock Transaction and New Credit Facility

Throughout fiscal year 2012, our business continued to be adversely affected by limited working capital. We were also in arrears with our vendors. Accordingly, Messrs. Lynch and Rende focused on negotiating vendor allowances, raising capital and pursuing other strategic possibilities. Because of our financial condition, it was difficult to attract new investors. As an alternative, in late April 2012, Mr. Lynch initiated discussions with our largest shareholders Michael Tokarz, who controls TTG and TKZ, and William F. Harley III, a member of our Board of Directors who controls Fursa and Arsenal regarding further investment in the Company. Mr. Tokarz expressed an interest in providing additional funding to the Company.

On May 11, 2012, Messrs. Lynch and Tokarz orally agreed in principle to TTG making a \$5,000,000 convertible preferred stock equity investment in the Company. On May 11 and 14, 2012, Marci Frankenthaler, General Counsel to the Company, emailed Edwards Wildman Palmer LLP, or Edwards Wildman, counsel to TTG, an initial draft of the Series A Convertible Preferred Stock purchase agreement, an initial draft of the amendment to the Company's certificate of incorporation establishing the Series A Convertible Preferred Stock and a non-binding term sheet prepared by the Company and Graubard Miller setting forth the proposed terms. The documents contemplated a non-voting, non-redeemable, zero coupon series of convertible preferred stock ranking senior to all other outstanding capital stock. The liquidation preference would be equal to the initial purchase price. The preferred stock would automatically convert into Common Stock, at the same price, if lower, as a subsequent closed private placement.

On May 15, 2012, Graubard Miller arranged for Messrs. Tokarz, Lynch and Rende, Ms. Frankenthaler, Edwards Wildman and Graubard Miller to have a conference call to discuss proposed revisions to the term sheet and transaction agreements. After the call, Edwards Wildman circulated a revised term sheet, which provided for, among other things, dividends, payable quarterly, at the Company's option, in cash or additional shares of Series A Convertible Preferred Stock ("PIK shares"), at the rate of 9% per annum; conversion at the option of the holder at an initial conversion price of \$1.25 per share (with the conversion price decreasing by

TABLE OF CONTENTS

\$0.25 per share on each of the first three anniversaries of the closing date); and anti-dilution protection. The term sheet also provided for the issuance of ten-year warrants to purchase the number of shares of Common Stock equal to \$1,500,000 divided by the closing price of the Common Stock on the day prior to the closing.

On May 17, 2012, Ms. Frankenthaler, Mr. Rende, Graubard Miller and Edwards Wildman had additional discussions regarding the proposed terms, and, following discussions with Mr. Tokarz, Edwards Wildman circulated a further revised term sheet to reflect what was discussed on the call. This further revised term sheet provided for: (i) beginning on the second anniversary of the closing date, the dividend rate to be the greater of 9% per annum or the highest rate the Company pays on any debt; (ii) conversion at the option of the holder at a price of \$1.05 per share for the preferred shares other than the PIK shares, and at a price of \$0.45 per share for the PIK shares; (iii) downward adjustments to the conversion price if the Company sells Common Stock or common stock equivalents at a price below the then conversion price, but not lower than the closing price of the Common Stock on the day prior to the closing date; (iv) a liquidation premium equal to 109% of the stated value of the shares (plus all accrued and unpaid dividends) until the first anniversary of the closing date and equal to 105% of the stated value of the shares (plus all accrued and unpaid dividends) from the first anniversary until the second anniversary of the closing date; and (v) three, five and seven year warrants to purchase an aggregate of 1,500,000 shares of Common Stock (500,000 shares each) at exercise prices of \$0.45, \$0.53 and \$0.60, respectively.

On May 21, 2012, Edwards Wildman circulated a revised Series A Preferred Stock purchase agreement, a revised certificate of amendment to the Company's certificate of incorporation establishing the Series A Convertible Preferred Stock and a form of warrant, each of which reflected the terms set forth in the May 17 revised term sheet. The revised agreements also included the following additional provisions: (i) the proceeds would be used to settle vendor payables, (ii) the preferred shares could be redeemed at the Company's option, and (iii) a redemption premium would apply to the preferred shares, other than the PIK shares, in an amount equal to 110% of the stated value (plus all accrued and unpaid dividends), if redemption occurred before the third anniversary of the closing, and equal to 108% of the stated value (plus all accrued and unpaid dividends), if the redemption occurred between the third and fifth anniversaries of the closing.

On May 23, 2012, our Board of Directors approved the Series A Convertible Preferred Stock purchase agreement and related documents, and we completed the sale of \$5,000,000 in shares of our Series A Convertible Preferred Stock to TTG. As of May 23, 2012, the outstanding shares of Series A Convertible Preferred Stock were convertible into 4,761,905 shares of Common Stock, or 10.9% of the outstanding shares of Common Stock as of May 23, 2012. By April 14, 2014, the outstanding shares of Series A Convertible Preferred Stock, including PIK shares issued as dividends, were convertible into 6,552,127 shares of Common Stock, or 14.3% of the outstanding shares of Common Stock as of April 14, 2014.

On May 23, 2012, pursuant to the Series A Preferred Stock purchase agreement, we also issued to TTG three, five and seven-year warrants, each to purchase 500,000 shares of Common Stock, at exercise prices of \$0.45, \$0.53 and \$0.60 per share, respectively. As required by the Series A Convertible Preferred Stock purchase agreement, the proceeds of the transaction were used to settle vendor accounts payable. We obtained approximately \$4,900,000 of vendor allowances during the fiscal quarter ended April 28, 2012. A complete description of the terms of the Series A Convertible Preferred Stock and warrants may be found in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company; Agreements Involving the Company's Securities - Series A Convertible Preferred Stock Transaction* beginning on page 91.

In addition to the Series A Convertible Preferred Stock investment, on May 31, 2012, we secured a new \$24,000,000 credit facility with Salus. At the closing, proceeds from the credit facility were used to repay outstanding secured indebtedness of the Company. The Salus credit facility includes a first in last out tranche, which was at the time for up

to \$9,000,000 million, that consists of the first advances made under the facility and the last amounts repaid thereunder. The credit facility also provides for a revolving line of credit, except that repayments of the first in last out tranche may not be reborrowed. The unpaid principal of the first in last out tranche bears interest, payable monthly, in arrears, at the 30-day LIBOR rate plus 11.5%, but not less than 12.0% regardless of fluctuations in the LIBOR rate. Up to 2.5% of the interest payable on the first in last out tranche is capitalized, compounded and added to the unpaid amount under the credit

facility each month. The unpaid principal of advances other than the first in last out tranche bears interest, payable monthly, in arrears, at the prime rate plus 4.0%, but not less than 7.0%, regardless of fluctuations in the prime rate.

The obligations of the borrowers under the credit facility are secured by first priority security interests granted to Salus in all of the borrowers' tangible and intangible property, including intellectual property such as trademarks and copyrights, as well as shares and membership interests of the borrowers.

Evaluation of Strategic Transactions

On April 16 and 18, 2012, Mr. Lynch received two unsolicited acquisition proposals. On April 18, 2012, all of the members of our Board of Directors held a special meeting to discuss the two proposals. Mr. Rende, Ms. Frankenthaler and Mr. Tokarz were in attendance. At the meeting, the Board considered engaging an investment banking firm to assist in the evaluation of the proposals, and to explore other potential strategic alternatives, including an investment of strategic capital, to enhance shareholder value. Mr. Lynch reported that he and Mr. Rende had recent discussions with two investment banking firms that expressed an interest in working with the Company. He reviewed their respective qualifications and their proposed fees for services. He explained that one firm did not have the extensive industry and financial contacts needed for a widespread marketing effort, and the other firm had industry expertise, but proposed to charge a high retainer and minimum fees. The Board then discussed, at the suggestion of Mr. Harley (who was employed by Allen & Co. prior to June 1996, but who has had no affiliation with and received no consideration from the firm since then), the possibility of engaging Allen & Co. Because of Allen & Co.'s reputation, national recognition and extensive contacts and expertise, the Board of Directors was positively disposed to discussing Allen & Co.'s interest in working with us. The Board of Directors authorized discussions with Allen & Co. and, later that day, Messrs. Walters and Harley met with John Simon, James Quinn and Denise Calvo of Allen & Co., who expressed an interest in working with the Company. On April 24, 2012, Allen & Co. sent a draft engagement letter to Messrs. Lynch and Walters. Between April 24, 2012 and May 3, 2012, Mr. Lynch, at the direction of the Board of Directors, negotiated the terms of Allen & Co.'s engagement. On May 3, 2012, following Board approval, Allen & Co. was retained, and the Company issued a press release announcing their engagement and their role to seek strategic alternatives for the Company. With the assistance of Allen & Co., we prepared confidential evaluation materials regarding the Company, our business and management. Mr. Lynch advised the two parties that had submitted proposals that Allen & Co. would contact them as part of a broader marketing effort.

Our Board of Directors and Messrs. Lynch and Rende continued their extensive business review of the Company, which included analysis of our deteriorating financial condition. They considered our financial and business prospects and further considered financial and strategic alternatives to enhance shareholder value, including, among other things, obtaining additional financing, selling all or a portion of our business and identifying strategic partners. Allen & Co. advised on strategic transactions that might be available to the Company.

Between June and October 2012, Allen & Co. contacted approximately 120 parties, including retailers, private equity firms and family offices and one of the two parties who had submitted unsolicited proposals in April 2012. No subsequent interest was expressed by the other party. Approximately 30 expressed an interest and executed non-disclosure agreements to receive the confidential evaluation materials and gain access to the Company's electronic data room. The non-disclosure agreements did not contain provisions restricting the purchase of the Company's securities or the taking of any other actions that could lead to a change of control of the Company at any time. In early October 2012, Allen & Co. called for written proposals from the approximately 12 remaining interested parties. In response, Allen & Co. received indications of interest from only three parties. Two were from private equity firms and contemplated pre-packaged bankruptcy filings, and a third was from a domestic specialty retailer that had previously submitted an indication of interest in April 2012.

Prior to the Company engaging in any negotiations with the interested parties, on November 8, 2012, our Board of Directors selected Mr. Walters to coordinate the full Board's review and negotiation of all of the proposals received during the marketing process. Mr. Walters was not individually authorized to, and did not, negotiate the terms of these proposals on behalf of the Company or make any final recommendations with respect to such proposals.

TABLE OF CONTENTS

From November 2012 to March 2013, all of the members of our Board of Directors, Messrs. Lynch and Rende, Ms. Frankenthaler, Mr. Tokarz and Allen & Co. met numerous times to evaluate a total of six indications of interest — three received in October 2012 plus three additional indications of interest subsequently received from parties unaffiliated with the Company. The two indications of interest that contemplated a pre-packaged bankruptcy process were considered by the Board of Directors, but rejected because our shareholders would receive no value. The Board gave no further consideration to these proposals. In making this decision, the Board considered the difficulty of obtaining debtor-in-possession financing and the uncertain outcome of a bankruptcy process. They also considered the Company's net losses of \$6,432,000 and \$12,055,000 for the years ended July 28, 2012 and July 30, 2011 and working capital deficiency of \$6,326,000 as of July 28, 2012. The Company had used \$6,571,000 and \$11,137,000 of cash in operating activities for the years ended July 28, 2012 and July 30, 2011. They also considered that, while vendor payables were reduced following the Series A Convertible Preferred Stock transaction in May 2012, during the first quarter of fiscal year 2013 vendor payables were increasing again. Based on these factors, they anticipated that, if the Company filed for bankruptcy protection, liquidation was a legitimate possibility. The Company's current vendor base would be unlikely to supply the inventory necessary for the Company to continue operations unless existing payables were brought current. Based on the Company's deteriorating financial condition during the fiscal year 2012 and the first quarter of fiscal year 2013, the Board of Directors ascertained that, if the Company liquidated, the value of its assets would be insufficient to pay its unsecured creditors and its preferred stockholders and, accordingly, the common shareholders would be left with no value.

At the direction of our Board of Directors, Messrs. Lynch and Rende, Ms. Frankenthaler and Allen & Co. engaged in negotiations with the other four parties. We sometimes refer to these parties collectively as the Proposing Parties. As described below, despite extensive negotiations between November 2012 and March 2013, we terminated discussions with each of the Proposing Parties because we were unable to reach definitive terms with any of them that the Board of Directors believed would produce any value for our shareholders.

On October 25, 2012, in response to Allen & Co.'s request for written proposals earlier that month, a domestic specialty retailer submitted an indication of interest to acquire the Company. We refer to this party as the Specialty Retailer. The Specialty Retailer was the same party who made the unsolicited acquisition inquiry on April 16, 2012. During November 2012, Allen & Co. and the Specialty Retailer's financial advisor arranged discussions between Mr. Lynch and the Specialty Retailer to further explore their interest in acquiring the Company.

On December 3, 2012, the Specialty Retailer submitted a non-binding letter of intent to Allen & Co. to acquire through a new entity all of the Company's outstanding capital stock for cash, including the Company's Series A Convertible Preferred Stock and the Common Stock held by TTG, TKZ, Fursa and Arsenal. The letter of intent also provided an option for TTG, TKZ, Fursa and Arsenal to roll their equity in the Company into a percentage interest in the new entity. The letter contained a 60-day exclusivity period for the Specialty Retailer to conduct due diligence and negotiate with the Company. It also required the Company to pay the Specialty Retailer's expenses up to \$500,000 if the Company terminated the letter of intent prior to the end of the exclusivity period or entered into a definitive agreement with a third party within 180 days after the end of the exclusivity period. With the assistance of Allen & Co. and Graubard Miller, and at the direction of our Board of Directors, Messrs. Lynch and Rende and Ms. Frankenthaler negotiated the terms of the letter of intent with the Specialty Retailer, but the parties were unable to reach an agreement on the length of the exclusivity period or when the Company's obligation to pay the Specialty Retailer's expenses would be triggered. Both time and amount were critical to the Company, because of its steadily deteriorating financial condition. The Specialty Retailer did not provide a reason why it would not shorten the exclusivity period or clarify the termination language. On December 21, 2012, the Company terminated discussions with the Specialty Retailer.

On December 5, 2012, a private equity firm with strategic relationships in the retail and entertainment industries submitted a proposal to Allen & Co. We refer to this party as the PE Firm. Under the proposal, the PE Firm would acquire all of the Company's outstanding capital stock for cash, including the Company's Series A Convertible Preferred Stock and the Common Stock held by TTG, TKZ, Fursa and Arsenal.

Repayment of the Company's credit facility with Salus and an infusion of equity capital also were contemplated. The proposal included a 60-day exclusivity period.

On December 10, 2012, Allen & Co. arranged for Messrs. Lynch and Rende and Ms. Frankenthaler to meet with the PE Firm and its financing source at Allen & Co.'s offices. The parties discussed proposed consideration, but the PE Firm and its financing source indicated that no firm offers could be made until it performed due diligence.

Over the next week, Messrs. Lynch and Rende and Ms. Frankenthaler proposed revisions to the PE Firm's initial indication of interest, including a reduction in the length of the exclusivity period. On December 20, 2012, the PE Firm submitted a non-binding letter of intent to Allen & Co. for the Board's consideration. It contained substantially the same terms as their initial indication of interest, but included a shortened, 45-day exclusivity period. The letter of intent required a response from the Company by the close of business on December 28, 2012.

On December 12, 2012, another private equity firm with strategic relationships in the retail industry submitted a proposal to acquire the Company. We refer to this party as the Second PE Firm. The Second PE Firm had previously submitted one of the two indications of interest that contemplated a pre-packaged bankruptcy process. The new proposal contemplated that the firm would, through a new entity, acquire for cash all of the Common Stock held by shareholders other than TTG, TKZ, Fursa and Arsenal, and that TTG, TKZ, Fursa and Arsenal would roll their equity in the Company into a percentage interest in the new entity. The new proposal also contemplated retiring the Series A Convertible Preferred Stock and infusing additional capital into the Company. The proposal included a 60-day exclusivity period. Mr. Lynch and the firm engaged in preliminary discussions. However, the Second PE Firm's financing could not be confirmed. Accordingly, the Company terminated discussions with the Second PE Firm and the Board gave no further consideration to the Second PE Firm's proposal.

On December 20, 2012, Mr. Lynch met with a foreign private equity firm with strategic relationships in the intimate apparel industry. We refer to this party as the Foreign Strategic Party. The meeting was arranged at the suggestion of Mr. Tokarz, who was introduced to the Foreign Strategic Party by one of his colleagues. The Foreign Strategic Party discussed with Mr. Lynch its potential interest to go public through a reverse merger with a U.S. exchange listed company, to assist us with our immediate financial needs and to help us source our core intimate apparel inventory. Mr. Lynch invited the Foreign Strategic Party to submit a formal indication of interest for our Board of Directors to consider.

On December 27, 2012, the Foreign Strategic Party submitted to Mr. Lynch a non-binding letter of intent for a \$5,000,000 convertible debt financing. On December 28, 2012, at the request of our Board of Directors, Mr. Lynch submitted a revised proposal to the Foreign Strategic Party, which instead contemplated a \$5,000,000 preferred stock transaction substantially similar to the Series A Convertible Preferred Stock transaction the Company completed in May 2012 with TTG. The letter of intent did not contain an exclusivity provision, but provided for funding to first occur by no later than January 18, 2013. The Foreign Strategic Party accepted the proposed changes.

On December 28, 2012, all of the members of our Board of Directors held a special meeting to further consider the proposals submitted by the PE Firm and the Foreign Strategic Party. Mr. Rende, Ms. Frankenthaler and Mr. Tokarz were in attendance. After further discussion and review of both proposals, our Board of Directors concluded that the Foreign Strategic Party offered a superior opportunity for the Company because, with its extensive experience in the lingerie industry, it possessed potential synergies that did not exist with the PE Firm. Accordingly, our Board of Directors authorized Mr. Lynch to terminate discussions with the PE Firm and enter into the non-binding letter of intent with the Foreign Strategic Party for a \$5,000,000 preferred stock investment, which Mr. Lynch executed and delivered later that day.

Following the execution of the letter of intent, the Foreign Strategic Party was given access to the Company's electronic data room, and performed extensive due diligence. After the completion of due diligence and further meetings and negotiations, the Foreign Strategic Party withdrew its preferred stock financing proposal. The Foreign Strategic Party believed that the Company's capital needs were greater than what the Foreign Strategic Party had anticipated. Instead, the Foreign Strategic Party discussed assisting the

Company with sourcing core intimate apparel inventory and with financing in a pre-packaged bankruptcy. No firm offer was made. Based on our prior determination that in a bankruptcy, liquidation was a legitimate possibility and the common shareholders would be left with no value, our Board of Directors authorized Mr. Lynch to terminate discussions with the Foreign Strategic Party and authorized Allen & Co. and Mr. Lynch to attempt to reinitiate discussions with the Specialty Retailer and the PE Firm.

On January 21, 2013, Mr. Lynch contacted the Specialty Retailer and Allen & Co. contacted the financing source for the PE Firm. The Specialty Retailer expressed an interest in reinitiating discussions with the Company. On the other hand, the PE Firm's financing source declined to engage in any further discussions. Accordingly, our Board of Directors gave no further consideration to the PE Firm's proposal. After negotiations resumed with the Specialty Retailer, the Company and the Specialty Retailer executed a non-binding letter of intent on January 25, 2013 with an exclusivity period expiring February 27, 2013. The letter of intent was substantially similar to the one that the parties had previously negotiated, but not signed, in December 2012. Specifically, it provided for the acquisition by the Specialty Retailer of all of the Company's outstanding Common Stock for \$0.45 per share, including the Common Stock held by TTG, TKZ, Fursa and Arsenal. The non-binding letter of intent also contemplated that the Specialty Retailer would purchase the Series A Convertible Preferred Stock and included an option for TTG, TKZ, Fursa and Arsenal to roll their equity in the Company into a 2.5% interest in the new entity.

From January 25, 2013 through February 21, 2013, the Specialty Retailer conducted extensive due diligence on the Company's operations, financial performance and financial projections, including meetings conducted at the Company's facilities. During this period, at the direction of the Board and with the assistance of Allen & Co. and Graubard Miller, Messrs. Lynch and Rende and Ms. Frankenthaler provided information to the Specialty Retailer. On February 21, 2013, the Specialty Retailer emailed a revised offer to Allen & Co. to present to the Board of Directors. Later that same day, a conference call was held with Messrs. Lynch and Rende, Allen & Co., the Specialty Retailer and its financial advisor to discuss the terms in more detail. The Specialty Retailer explained that the revised offer reflected its view that the Company had more liabilities than expected, and that they were not prepared to move forward on the previously indicated terms. The revised proposal contemplated (i) that no payment at all would be made to the Company's equity holders unless the Company could reduce the impact of its liabilities through, among other things, vendor concessions and (ii) that the Company must maintain its working capital levels, with any shortfall reducing equity value, which was equivalent to the pre-packaged bankruptcy plan proposals because, in each case, the unaffiliated shareholders of the Company were likely to receive no value.

On February 22, 2013, all of the members of our Board of Directors met to discuss the Specialty Retailer's revised offer. Mr. Rende, Ms. Frankenthaler, Allen & Co. and Graubard Miller were in attendance. Allen & Co. reviewed the financial terms of the revised proposal. After discussion, the Board concluded that, based on the Company's current financial condition and ongoing losses, the Company's shareholders were likely to be left with no value in the sale of the Company to the Specialty Retailer under the revised offer. The Board determined that further consideration and negotiations should take place, and that Allen & Co. should arrange a call with the Specialty Retailer and financial advisor to allow the Company an opportunity to respond. While the parties continued to negotiate over the next few weeks, little progress was made, primarily because of the Company's continuing losses and the Specialty Retailer's unwillingness to guarantee any value for the Company's common shareholders.

During the Company's strategic alternative evaluation process conducted with Allen & Co. described above, Messrs. Lynch and Rende provided regular status updates to Mr. Shonak regarding progress in the negotiations with the Proposing Parties. On February 28, 2013, Mr. Lynch advised Mr. Shonak that negotiations with the Specialty Retailer were continuing, but progress was limited. He also confirmed to Mr. Shonak that the Company's exclusivity agreement with the Specialty Retailer had expired on February 27, 2013. On February 28, 2013, Mr. Shonak arranged for Mr. Lynch to meet on March 1, 2013 with Philip Falcone, the Chief Executive Officer of HGI, and Phillip Gass, Managing

Director of Investments of HGI, the parent company of Salus and Parent.

TABLE OF CONTENTS

On March 1, 2013, Mr. Lynch met with Messrs. Falcone and Gass to discuss a potential strategic transaction between the Company and HGI or one of its subsidiaries. On the evening of March 1, 2013, Mr. Gass emailed Mr. Lynch a non-binding term sheet. The term sheet provided for a \$10,000,000 investment in the Company through the issuance of Series B Convertible Preferred Stock, which would result in HGI obtaining a controlling interest in the Company. The term sheet contemplated non-voting, non-redeemable, Series B Convertible Preferred Stock ranking senior to all other outstanding capital stock, with cumulative dividends payable quarterly in arrears either (i) at the rate of 9% per annum in cash or, at the Company's discretion, (ii) at the rate of 12% per annum in additional shares of Series B Convertible Preferred Stock. The Series B Convertible Preferred stock would be convertible, at the option of the holder, into 51% of the Company's fully diluted common stock. The proposed terms also included a liquidation preference equal to the initial purchase price, standard anti-dilution adjustments, and the ability of a majority of the Series B Convertible Preferred Stock holders to appoint three members of the Company's Board of Directors, which would consist of a maximum of eight members. The term sheet also contained a seven-day exclusivity period.

On the morning of March 3, 2013, all of the members of our Board of Directors met to review and consider the Series B Convertible Preferred Stock term sheet. Mr. Rende, Ms. Frankenthaler, Mr. Tokarz and Allen & Co. were in attendance. Our Board of Directors reviewed the proposed terms of the Series B Convertible Preferred Stock transaction, including the potential dilutive consequences, and developed a list of proposed changes to the term sheet. The proposed changes included a fixed, rather than a floating, conversion price, a lower interest rate on the cash and payment-in-kind dividends, and to add redemption rights at the Company's option. Our Board of Directors instructed Mr. Lynch and Ms. Frankenthaler to communicate the Company's position to Mr. Gass and Milbank, Tweed, Hadley & McCloy LLP, or Milbank, HGI's counsel. Our Board of Directors then determined to reconvene the meeting after Messrs. Lynch and Rende and Ms. Frankenthaler communicated the proposed changes to the term sheet to Mr. Gass and Milbank.

Also at the March 3, 2013 meeting, our Board of Directors considered two other alternatives—continuing to negotiate with the Specialty Retailer and filing for bankruptcy. Allen & Co. reviewed with the Board the potential transaction with the Specialty Retailer, the lack of progress in the negotiations, and the low likelihood of closing a transaction with them quickly enough to address our acute and deteriorating financial condition. Allen & Co. also discussed the Company filing for bankruptcy, the challenges in obtaining debtor-in-possession financing and the uncertain outcome of a bankruptcy process. The Board of Directors engaged in a similar analysis to the one it conducted in October 2012 in connection with the pre-packaged bankruptcy proposals. The Board considered that the Company had net losses of \$6,432,000 and \$12,055,000 for the years ended July 28, 2012 and July 30, 2011 and had a net loss of \$14,959,000 for the six months ended January 26, 2013. In addition, as of January 26, 2013, the Company had a working capital deficiency of \$12,349,000 and a shareholders' deficiency of \$17,401,000. The Company had used cash of \$6,571,000 and \$11,137,000 in operating activities for the years ended July 28, 2012 and July 30, 2011 and used cash of \$1,079,000 in operating activities for the six months ended January 26, 2013. They also considered that for the six months ended January 26, 2013, accounts payable and accrued expenses had increased by \$12,504,000 primarily as a result of slower payments to the Company's vendors.

The Board considered that, as a result of the Company's financial condition, procuring inventory from new vendors had become challenging, and our current vendors had been reluctant to produce new merchandise for the Company due to our inability to make timely payments to them. As in October 2012, the Board anticipated that, if the Company filed for bankruptcy protection, liquidation was a legitimate possibility. The Company's current vendor base would be unlikely to supply the inventory necessary for the Company to continue operations unless existing payables were brought current. Based on the Company's deteriorating financial condition during fiscal year 2012 and the first six months of fiscal year 2013, the Board of Directors ascertained that, if the Company liquidated, the value of its assets would be insufficient to pay its unsecured creditors and its preferred stockholders and, accordingly, the common shareholders would be left with no value.

Later that day, Mr. Gass emailed Mr. Lynch a revised term sheet, and all of the Board members reconvened the meeting to consider it. Mr. Rende, Ms. Frankenthaler, Mr. Tokarz and Allen & Co. were in attendance. The revised term sheet included the Company's right to redeem the Series B Convertible Preferred Stock after the fifth anniversary of the closing, but the dividend rate remained at 9% per annum for cash

TABLE OF CONTENTS

dividends and 12% for payment-in-kind dividends. The revised term sheet also provided for the conversion of the preferred stock at the option of the holder at a fixed conversion price of \$0.25 per share, for an aggregate of 40,000,000 shares of Common Stock. On conversion, HGI would own approximately 51% of the current outstanding shares of common stock. To ensure that HGI maintained their majority interest, a provision was added to the revised term sheet that HGI would receive warrants exercisable for a number of shares of Common Stock (Warrant Shares) such that the Warrant Shares plus the shares issuable upon conversion of the Series B Convertible Preferred Stock would equal 51% of the issued and outstanding Common Stock on a fully diluted basis. The number of warrants and their exercise price were left open pending a review of the terms of all currently outstanding derivative securities. The term sheet also required waivers from the holder of the Series A Convertible Preferred Stock, including waivers of (i) the anti-dilution adjustments that would otherwise result from the Series B Convertible Preferred Stock transaction, (ii) the holder's right to force the Company to repurchase the shares of Series A Convertible Preferred Stock upon consummation of the Series B Convertible Preferred Stock transaction, (iii) the holder's right to receive payment for PIK Shares and a redemption premium for shares other than PIK Shares in connection with any redemption of the Series A Convertible Preferred Stock by the Company, and (iv) the holder's right to convert its shares of Series A Convertible Preferred Stock after the Company delivers any such redemption notice. The term sheet also required the Company to amend its by-laws with respect to board size and composition and shareholder action by less than unanimous written consent. After reviewing and discussing the revised term sheet, the Board proposed a clarifying change to the term sheet that the warrants are only to cover the Company's current outstanding derivative securities. Based on conversations with Mr. Tokarz, an affiliate of TTG, the holder of the Series A Convertible Preferred Stock, whose consent was required for the transaction, the Board of Directors also proposed to limit the required waivers to those dealing with the repurchase right and the anti-dilution adjustments triggered by the proposed transaction. The Board authorized Messrs. Lynch and Rende and Ms. Frankenthaler to communicate these changes to Mr. Gass and Milbank and reconvene a meeting the next day.

On March 4, 2013, all of the members of our Board of Directors held a special meeting to consider a further revised draft of the Series B Convertible Preferred Stock term sheet, which Milbank emailed to Mr. Lynch, Ms. Frankenthaler and Graubard Miller earlier that day. Mr. Rende, Ms. Frankenthaler, Mr. Tokarz, Allen & Co. and Graubard Miller were in attendance. They discussed the changes made to the term sheet, noting that both of the requested changes had been made. Because the issuance of the Series B Convertible Preferred Stock would affect the rights of the Company's Series A Convertible Preferred Stock, Mr. Tokarz, an affiliate of TTG, the holder of the Series A Convertible Preferred Stock, excused himself from the meeting. After further review and consideration of the term sheet, our Board of Directors (with Mr. Eisel abstaining because his law firm represented Mr. Tokarz, including in the Series A Convertible Preferred Stock transaction) authorized Mr. Lynch to enter into the non-binding term sheet with HGI. Our Board of Directors also authorized Messrs. Lynch and Rende to terminate negotiations with the Specialty Retailer, which they did that day. Later on March 4, 2013, Mr. Lynch executed the non-binding term sheet and delivered it to Mr. Gass and Milbank.

On March 7, 2013, Mr. Gass and Kostas Cheliotis, Senior Vice President & Deputy General Counsel of HGI, invited Mr. Lynch to a meeting to discuss the Company's financial condition. Mr. Lynch provided Messrs. Gass and Cheliotis and Milbank with a draft of the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended January 27, 2013 and explained the reasons for the decrease in sales as compared to the prior year. They also discussed the possibility of HGI providing additional funding in the months following the consummation of the proposed Series B Convertible Preferred Stock transaction.

Between March 4 and March 15, 2013, Messrs. Lynch, Rende, Gass and Cheliotis, and Ms. Frankenthaler worked with Graubard Miller and Milbank to negotiate and prepare the Series B Convertible Preferred Stock transaction documentation, which included: (i) the Series B Preferred Stock Purchase Agreement, or Series B SPA; (ii) Certificate of Amendment to the Company's Restated Certificate of Incorporation, setting forth the rights and preferences of the

Series B Convertible Preferred Stock; (iii) Second Amended and Restated Bylaws of the Company, setting forth, among other things, the changes with respect to board size and composition and shareholder action by less than unanimous written consent to the extent permitted by the certificate of incorporation; and (iv) six separate common stock purchase warrants exercisable upon a

corresponding exercise or conversion of specified outstanding securities, as set forth in the warrants. Five of the warrants are to purchase an aggregate of up to 4,708,850 shares of common stock at prices ranging from \$0.67 to \$1.21 per share and expire at various times between June 2015 and February 2022. One warrant is to purchase up to 5,468,127 shares of common stock for \$.01 per share and expires 30 days following the date that the Series A Convertible Preferred Stock is no longer outstanding.

Additional transaction documentation included the Series A Convertible Preferred Stock waiver executed by TTG and a voting agreement executed by Five Island, TTG, TKZ, Fursa and Arsenal. The voting agreement, dated March 15, 2013, related to a requirement in the Series B SPA in which the Company agreed to hold a meeting of its shareholders, as soon as practicable, but not later than February 1, 2014, for the purpose of voting on the approval and adoption of an amendment to the Company's certificate of incorporation providing that the shareholders entitled to vote may take any action that they might have taken at a shareholders' meeting by a written consent signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action. Pursuant to the Voting Agreement entered into in connection with the Merger Agreement, HGI Funding waived the requirement to include the amendment in this proxy statement for the Special Meeting. Accordingly, the certificate of incorporation continues to prohibit the Company from taking action by less than unanimous consent.

On March 11, 2013, all of the members of our Board of Directors held a special meeting to review the terms of the Series B Convertible Preferred Stock transaction documents. Mr. Rende, Ms. Frankenthaler, Mr. Tokarz and Allen & Co. were in attendance. Among other things, they discussed the redemption and conversion rights of the Series B Convertible Preferred Stock as compared to the Series A Convertible Preferred Stock, the waiver of anti-dilution and repurchase rights by the holder of the Series A Convertible Preferred Stock in connection with the Series B Convertible Preferred Stock transaction, the representations and warranties contained in the Series B Convertible Preferred Stock purchase agreement and the minority shareholder protections. They also reviewed the terms of the warrants and how they could only be exercised upon exercise or conversion of corresponding securities, and noted that the terms of these warrants were being finalized, including the exercise prices and anti-dilution adjustment provisions. They also were informed that the Series A Convertible Preferred Stock holder was still in the process of negotiating the waiver with HGI. After further discussion, our Board of Directors determined to hold off on approving the transaction until these items were finalized, and instructed Messrs. Lynch and Rende, Ms. Frankenthaler and Graubard Miller to work with HGI and Milbank to address them. Over the next two days, anti-dilution protection terms of the warrants were agreed upon, and the Board of Directors received confirmation from Mr. Tokarz that the terms of the waiver of anti-dilution and repurchase rights by the holder of the Series A Convertible Preferred Stock were acceptable, and would only apply to this specific transaction.

On the evening of March 13, 2013, the Specialty Retailer submitted another unsolicited revised non-binding proposal to Mr. Lynch and Allen & Co. The proposal contemplated an initial purchase of the outstanding Series A Convertible Preferred Stock and Common Stock held by TTG, TKZ, Fursa and Arsenal at \$0.45 per share, the same price the Specialty Retailer had proposed in the non-binding letter of intent the Company and the Specialty Retailer had executed on January 25, 2013. Those purchases were to be followed by a tender offer for the shares of Common Stock held by the unaffiliated shareholders at that same price. That evening, all of the members of our Board of Directors except for Messrs. Walters and Harley, held a special meeting. Mr. Rende, Ms. Frankenthaler, Allen & Co. and Graubard Miller were in attendance. Our Board of Directors and Graubard Miller discussed the Board's fiduciary obligation to the Company and its shareholders to address the proposal, notwithstanding that the Company and Five Island had finalized negotiations on the Series B Preferred Stock transaction documents and were preparing for the closing. The Board determined to reconvene the meeting early the following morning when all of the Board members were available to attend.

Early the following morning on March 14, 2013, all of the members of our Board of Directors met to discuss the terms of the Specialty Retailer's proposal. Mr. Rende, Ms. Frankenthaler, Allen & Co. and Graubard Miller were in attendance. The Board discussed whether the Specialty Retailer could close quickly enough, or at all, based on the fact that the Specialty Retailer's proposal from just a few weeks prior would have likely left the shareholders with no value, as well as the risks related to further delay, including

27

TABLE OF CONTENTS

bankruptcy. Our Board of Directors considered ways to mitigate these risks and address the Company's critical need for additional capital. Accordingly, our Board of Directors directed Allen & Co. to communicate to the Specialty Retailer that the Board required the Specialty Retailer to provide a binding commitment letter that day for (i) the immediate purchase of all of the capital stock held by TTG, TKZ, Fursa and Arsenal at \$0.45 per share, followed by a tender offer for the shares of Common Stock held by the unaffiliated shareholders at \$0.45 per share, and (ii) the provision of interim financing through the closing of the tender offer. Our Board of Directors also requested a timeline for completion of the transaction, which was vital given the Company's tenuous financial condition. Messrs. Lynch and Ms. Frankenthaler, Allen & Co. and Graubard Miller held discussions with the Specialty Retailer through the day, and the Board reconvened several times for status updates and further discussions. Despite these efforts, the follow-up communication that the Company received from the Specialty Retailer on March 14, 2013 specifically stated that its offer was non-binding. The Specialty Retailer did not explain its refusal to make its offer binding as requested. Accordingly, after extensive discussion of the circumstances, including the history of negotiations with the Specialty Retailer, its refusal to provide the necessary binding commitment and the Company's deteriorating financing situation, a majority of our Board of Directors approved the Series B Convertible Preferred Stock transaction with Five Island. The Board of Directors authorized Messrs. Lynch and Rende to terminate discussions with the Specialty Retailer and execute the transaction agreements. The Board gave no further consideration to the Specialty Retailer's proposal.

The closing of the Series B Convertible Preferred Stock transaction took place on March 15, 2013. After expenses, the Company received approximately \$9,350,000 of net proceeds. A complete description of the terms of the Series B Convertible Preferred Stock and warrants may be found in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities - Series B Convertible Preferred Stock Transaction* beginning on page 88.

Upon completion of this transaction, Allen & Co. received a success fee and Allen & Co. and the Company mutually agreed to terminate Allen & Co.'s engagement, because the purpose for its engagement had been achieved. Allen & Co. did not continue its marketing efforts, provide any further advisory services or participate in any subsequent negotiations on the Company's behalf.

By this time, all discussions with respect to the previous proposals received by the Company had terminated, as described above, and the Company received no further communications with respect to any of the proposals. Following the Series B Convertible Preferred Stock transaction, the Company refocused substantially all of its attention on the operation of its business in the ordinary course on a stand-alone basis.

Negotiations Relating to the Merger

On April 24, 2013, all of the members of our Board of Directors held a regularly scheduled meeting. Mr. Rende, Ms. Frankenthaler, and Messrs. Falcone and Gass were in attendance. Mr. Rende reviewed with our Board of Directors and Messrs. Gass and Falcone the Company's financial statements for the one, two and eight months ended March 30, 2013, and discussed the anticipated third and fourth fiscal quarter losses, as well as the Company's need for between \$5,000,000 and \$10,000,000 of additional funding to pay outstanding payables, plus additional funds to build inventory for the upcoming fall and holiday selling seasons. Messrs. Lynch and Rende also presented the proposed fiscal 2014 budget, discussed the Company's poor performance of its expansion into non-core product categories such as dresses, sportswear and shoes. They also stressed the need for additional funding to pay vendors to ensure their continued support of the business during the Company's return to focusing on core intimate apparel product offerings such as bras, lingerie and corsets. Messrs. Gass and Falcone discussed the potential avenues for providing additional financial support to the Company.

Subsequent to the April 24, 2013 Board of Directors meeting, Messrs. Lynch and Gass discussed with Mr. Shonak the possibility of Salus providing the Company with additional temporary financial support with an advance under the Company's existing credit facility. On May 23, 2013, the revolving credit agreement with Salus was amended to increase the first in last out tranche of the Company's line of credit by \$5,000,000 to \$14,000,000, and decrease the revolving portion of the line of credit by the same amount, such that the maximum line of credit amount remained the same. The terms of the first in last out tranche of the

TABLE OF CONTENTS

line of credit, including the interest rate, remained the same. Concurrently with the execution of the amendment, the Company paid to the Lenders in cash a one-time fee of \$50,000 and agreed to an increase in the Lender's collateral monitoring fee from \$4,500 to \$12,500 per month.

On June 26, 2013, all of the members of our Board of Directors held a special meeting. Mr. Rende, Ms. Frankenthaler and Mr. Cheliotis were in attendance. The purpose of the meeting was for the Board to reiterate the Company's need for additional financing and the amounts required to satisfy its business objectives as previously discussed at the April 24, 2013 Board of Directors meeting.

On July 23, 2013, all of the members of our Board of Directors held a regularly scheduled meeting. Mr. Rende, Ms. Frankenthaler, Messrs. Gass and Cheliotis and Vernon Young, Chief Risk Officer of Front Street Re, a subsidiary of HGI, were in attendance. They reviewed a proposed third amendment to the Company's credit agreement to temporarily remove the facility's existing \$1,500,000 availability block and discussed the Company's weakening financial condition. After discussion, our Board of Directors concluded that even with the removal of the \$1,500,000 availability block as contemplated by the proposed amendment, the Company will continue to have limited liquidity. Mr. Gass informed our Board of Directors that HGI understood the Board of Director's view of the importance of working with the Lenders to increase the availability under the Company's credit facility.

On July 25, 2013, the Company's credit agreement with the Lenders was amended to remove the \$1,500,000 credit line block until October 31, 2013. However, the block was reinstated by Salus, effective October 10, 2013, in connection with a subsequent amendment to the credit agreement which is described below. Through October 10, 2013, the initial \$1,500,000 of the outstanding balance under the revolving portion of the Company's line of credit bore interest at a 20% annual rate. Concurrently with the execution of the amendment, the Company paid to the Lenders a one-time \$50,000 cash fee.

On August 6, 2013, Mr. Cheliotis emailed Mr. Lynch a non-binding preliminary proposal letter from Five Island to our Board of Directors regarding a potential going private transaction in which a group led by Five Island or its affiliates would acquire the outstanding publicly traded common shares of the Company (excluding shares owned by Five Island's acquisition group) in an all cash transaction ranging from \$0.20 to \$0.225 per share. Based on discussions between Mr. Lynch and Messrs. Gass and Cheliotis following receipt of the letter, HGI's indication of interest was highly contingent upon the Company's largest shareholders agreeing to form an investor consortium with HGI affiliates to take the Company private.

On August 7, 2013, all of the members of our Board of Directors held a special meeting. Mr. Rende and Ms. Frankenthaler were in attendance. They discussed the Five Island proposal and the Board of Directors' fiduciary obligations to the Company and its shareholders in connection with its consideration of the proposed transaction. As our Board of Directors had done previously in connection with its review of strategic alternatives for the Company, Mr. Walters was appointed by the Board of Directors to coordinate the full Board's review and negotiation of the HGI proposal.

On September 26, 2013, after a period of extensive negotiations, HGI successfully formed a consortium with our largest shareholders, which was comprised of HGI Funding (a subsidiary of HGI and successor in interest to Five Island), TTG, TKZ, Fursa and Arsenal. Also on September 26, 2013, Mr. Cheliotis delivered to Mr. Lynch a non-binding, written proposal from the Consortium to acquire all of the outstanding shares of the Company's Common Stock that they did not directly or indirectly own at a price of \$0.23 per share.

On September 27, 2013, the Company issued a press release announcing that the Consortium's proposal had been received. Also on that day, all of the members of our Board of Directors held a special meeting. Mr. Rende, Ms.

Frankenthaler and Graubard Miller were in attendance. The Board discussed the Consortium's proposal and (i) appointed Mr. Walters, the sole disinterested, independent director, as the Lead Director, with the power to evaluate and negotiate the terms and conditions of the proposed transaction, (ii) authorized the Lead Director to hire his own legal, financial and other advisors and (iii) made the recommendation of the Lead Director a requirement for approval of the proposed transaction. Our Board of Directors did not consider electing additional independent directors to assist the Lead Director in negotiating with the Consortium. Messrs. Lynch and Rende then reviewed with our Board of Directors the Company's financial condition, and informed them that the Lenders were preparing an amendment to the credit agreement to increase the

TABLE OF CONTENTS

Company's line of credit by an additional \$5,000,000, which was expected to close quickly. Subsequently, Mr. Walters, after considering whether a conflict of interest existed, decided to use Graubard Miller, the Company's outside general counsel, as his counsel with respect to the Merger. Mr. Walters concluded that no conflict of interest existed because he determined that it was in the best interests of both the Company and the Lead Director to seek the most favorable terms for the Merger. Further, he observed that Graubard Miller did not have a relationship with any of the Rollover Shareholders (except to the extent the firm advised the Board of Directors) and each of the Rollover Shareholders was represented by separate legal counsel in connection with and prior to the Consortium's proposal. Mr. Walters reserved the right to retain separate counsel at any time.

On September 30, 2013, the Lead Director emailed Messrs. Gass and Cheliotis, confirming his role as Lead Director and the role of Graubard Miller as his counsel and informing them of his intention to retain a financial advisor. He also suggested a time for the parties to meet in person to discuss background issues and transaction terms, including merger consideration, after retaining and receiving input from the financial advisor.

On October 3, 2013, following discussions with several investment banking firms, the Lead Director retained Cassel Salpeter as his financial advisor in connection with the proposed going private transaction.

On October 4, 2013, the Lead Director and Mr. Lynch met with Messrs. Gass and Cheliotis at HGI's offices. The Lead Director reviewed the process the Company had conducted over the past year to explore strategic alternatives, including the Company's negotiations with other parties. He also reviewed the timeline of discussions between the Company and HGI leading up to the presentation of the Consortium's going private proposal, and reviewed the deterioration of the Company's financial condition and relationships with key vendors over this period of time. The parties agreed to meet again on October 11, 2013 for further discussions.

On October 8, 2013, all of the members of our Board of Directors held a special meeting to consider a fourth amendment to the Company's credit agreement proposed by Salus. Mr. Rende and Ms. Frankenthaler were in attendance. The Board reviewed the terms of the amendment proposed by Salus, which would provide an immediate \$5,000,000 advance to the Company and up to an additional \$6,000,000 advance to become available upon the closing of the proposed going private Merger transaction with the Consortium to be used to cover Merger related expenses, including the merger consideration to the Company's Public Shareholders. The Lead Director informed our Board of Directors that he had retained Cassel Salpeter and provided the Board of Directors with an update on the October 4, 2013 meeting with Messrs. Gass and Cheliotis.

On October 10, 2013, the Company's credit agreement was amended to provide an immediate \$5,000,000 advance and up to an additional \$6,000,000 advance to become available upon the closing of the proposed going private transaction with HGI. The unpaid principal of the \$5,000,000 advance currently bears annual interest at the LIBOR rate plus 11.5%, but not less than an annual rate of 14%. In addition, the \$1,500,000 credit block which had been removed in July 2013 was reinstated. In connection with the amendment, the Company and the Lenders agreed to an additional origination fee equal to the greater of (i) \$110,000, or (ii) 1% of the amount funded by the Lenders in respect of the \$11,000,000 in total advances, \$50,000 of which was paid in cash on the amendment date and the balance of which will be paid on the closing of the Merger, or earlier under certain circumstances. The Company issued a press release announcing the execution of the credit agreement amendment.

On October 11, 2013, Milbank distributed a first draft of the Merger Agreement to the Lead Director and Graubard Miller. Between October 11 and December 18, 2013, Mr. Cheliotis, the Lead Director, Milbank and Graubard Miller negotiated and revised the draft Merger Agreement.

On October 11, 2013, the Lead Director and Mr. Lynch met with Messrs. Gass and Cheliotis at HGI's offices to negotiate the per share merger consideration for shares held by the Company's Public Shareholders. Mr. Rende participated by telephone. The Lead Director rejected the Consortium's \$0.23 per share offer as inadequate. In seeking to obtain the highest per-share consideration for the unaffiliated shareholders, the Lead Director argued that the merger consideration in a going private transaction typically represents a 50% premium to the closing price on the trading day prior to the announcement of a proposal, but in this case, the

TABLE OF CONTENTS

\$0.23 per share offer represented only 27% premium. After discussion, Messrs. Gass and Cheliotis asked for the Lead Director's input on the latest draft of the Merger Agreement before continuing merger consideration discussions.

On October 15, 2013, at the Lead Director's request, the Lead Director and Messrs. Lynch and Rende met with Mr. Cheliotis at HGI's offices. The Lead Director stressed the importance of closing the proposed transaction expeditiously given the Company's deteriorating financial condition. The Lead Director proposed that Mr. Cheliotis consider a tender offer followed by a short form merger as an alternative to the proposed one-step merger transaction. Mr. Cheliotis rejected that proposal, stating that the Consortium preferred the certainty of a one-step merger transaction, primarily because a successful tender would be difficult to achieve given the large number of Public Shareholders who own a small amount of shares. Accordingly, a substantial number of the Company's Public Shareholders would need to participate for the Consortium to acquire the 90% of shares of Common Stock required for a short form merger. In addition, the Consortium noted the disproportionate costs it would bear in obtaining the tenders of the Public Shareholders. However, he did indicate that he would continue to consider increasing the merger consideration to be paid to the Company's Public Shareholders while simultaneously negotiating the other Merger Agreement terms.

On October 16, 2013, Mr. Cheliotis communicated to the Lead Director and Mr. Lynch that the Consortium would agree to a 10% increase in the per share merger consideration to be paid to the Company's Public Shareholders, and would not consider any further increases in merger consideration until after negotiation of the terms of the Merger Agreement and related documents had concluded. The Lead Director believed that a greater premium over the closing price on the trading day prior to the announcement of the proposal was justified and that the Consortium could be persuaded to further increase its offer.

Also on October 16, 2013, all of the members of our Board of Directors held a regularly scheduled meeting. Mr. Rende, Ms. Frankenthaler and Graubard Miller were in attendance. Messrs. Lynch and Rende reviewed the status of outstanding payables and discussed our continued underfinanced position, even with the recent \$5,000,000 advance from Salus. They discussed the Company not meeting its sales plan as a result of starting the fiscal year over \$2,000,000 below required inventory levels. Mr. Lynch informed our Board of Directors that he had scheduled a meeting with Salus and Messrs. Gass and Cheliotis for October 21, 2013 to provide a business update and to discuss the transaction process, especially in light of the timing and importance of the Company procuring inventory and executing sales during the upcoming holiday season. The Lead Director updated our Board of Directors on his meetings with Messrs. Gass and Cheliotis, and explained that negotiations regarding merger consideration and Merger Agreement terms were in process. Graubard Miller reviewed the substantive provisions being negotiated in connection with the Merger Agreement, including, among other things, the ability for the Lead Director to terminate the agreement upon acceptance of a superior proposal, a go shop provision and a majority of minority voting requirement. At this meeting, our Board of Directors approved compensating the Lead Director for serving as Lead Director in the amount of \$5,000 per month for a minimum of four months commencing as of September 1, 2013. Mr. Lynch also confirmed that to date, there had been no discussions with HGI regarding post-transaction employment arrangements.

On October 18, 2013, Graubard Miller distributed the Lead Director's initial comments to Milbank's draft of the Merger Agreement to the Rollover Shareholders and their counsel.

On October 21, 2013, Messrs. Lynch, Gass, Cheliotis and Young met with Mr. Shonak and Andrew Moser, President of Salus, at the Lenders' offices in Boston. Mr. Rende participated by phone. They discussed the Company's financial condition and Mr. Lynch provided a general business update.

On October 24, 2013, the Lead Director and Messrs. Lynch and Rende met with Mr. Cheliotis to continue negotiations on the proposed going private transaction. The Lead Director proposed including a majority of the minority voting provision in the Merger Agreement. Mr. Cheliotis rejected this primarily because the vote would be

difficult to obtain given the large number of Public Shareholders who own a small amount of shares representing a relatively small dollar value, and would entail significant expenditure on the part of the Company to obtain the requisite shareholder participation. Mr. Cheliotis indicated that the Consortium was willing to consider adding other shareholder protections such as a limited go shop provision (along with the payment of a termination fee if the Company accepts a superior proposal). After

TABLE OF CONTENTS

discussion, Mr. Cheliotis suggested a meeting including himself, the Lead Director, Messrs. Lynch and Rende and Ms. Frankenthaler, Milbank and Graubard Miller to settle any outstanding Merger Agreement issues and to complete the merger consideration negotiations.

On October 29, 2013, the Lead Director, Mr. Cheliotis, Mr. Lynch, Ms. Frankenthaler, Milbank and Graubard Miller met at Milbank's offices. Mr. Rende participated by telephone. At the meeting, Mr. Cheliotis proposed the addition of a limited go shop provision, indicating that it was in lieu of a further increase in the merger consideration. The Lead Director was interested in a limited go shop provision, but rejected the concept of it being in lieu of a further increase in merger consideration, noting that the Company had agreed to move forward without a majority of minority vote. Mr. Cheliotis agreed to discuss a further merger consideration increase with the Consortium and to address it with the Lead Director once the negotiation of the other terms of the Merger Agreement had concluded.

On October 30, 2013, the Company opened its electronic data room to Milbank.

On November 6, 2013, Milbank circulated a revised draft of the Merger Agreement. At Graubard Miller's request, Milbank, Ms. Frankenthaler and Graubard Miller had a call to discuss the termination provisions included in the Merger Agreement as revised.

On November 8, 2013, at the Lead Director's request, the Lead Director and Mr. Cheliotis held a conference call. They discussed the termination fee payable to the Company and the Company having the ability to seek specific performance in certain circumstances. Mr. Cheliotis suggested that they discuss the termination fee issue, as well as continuing to negotiate merger consideration, at a follow up meeting to be held on November 11, 2013.

Also on November 8, 2013, Milbank circulated drafts of the ancillary transaction agreements, including the Voting Agreement, Rollover Agreement and Series A Preferred Stock Purchase and Sale Agreement. On November 9, 2013, Ms. Frankenthaler and Graubard Miller discussed modifying the Voting Agreement so that it would terminate upon termination of the Merger Agreement. Later the same day, Graubard Miller proposed the revision to Milbank. There were no discussions between the Lead Director and the Consortium Members relating to material terms of the Rollover Agreement and the Series A Preferred Stock Purchase and Sale Agreements, as to which the Company was not a party.

On November 11, 2013, the Lead Director, Messrs. Lynch and Rende and Mr. Cheliotis held a call to follow up on the discussion from the November 8, 2013 call between the Lead Director and Mr. Cheliotis. With respect to the termination fee issue, Mr. Cheliotis agreed to permit the Company to seek specific performance in certain circumstances. He and the Lead Director also resolved an issue relating to the timing of the closing date and continued to negotiate merger consideration.

On November 15, 2013, at the Lead Director's request, the Lead Director and Mr. Cheliotis had a call to discuss the Voting Agreement. The Lead Director requested that the Voting Agreement be modified to terminate upon termination of the Merger Agreement, and Mr. Cheliotis agreed. The Lead Director also continued to request an increase in the merger consideration to be paid to the Company's Public Shareholders.

On November 21, 2013, Mr. Cheliotis emailed Mr. Walters the Consortium's final offer for a transaction with the Company. Under the terms of the final offer, Parent would acquire all of the Company's outstanding Common Stock of the Public Shareholders in a merger transaction with per share merger consideration of \$0.27, which the Lead Director accepted. In accepting the \$0.27 per share offer, Mr. Walters considered, among other things, that it represented a premium of approximately 50% to the closing price of the Company's Common Stock on September 27, 2013, the last trading day before the announcement by the Consortium Members of their initial proposal. He also weighed the \$0.27

per share offer against the Company's current precarious financial position, and the fact that, in a bankruptcy, the holders of the Company's Common Stock would likely receive no value, and concluded that agreeing to the \$0.27 per share offer was a better alternative to the unaffiliated shareholders. The final offer was conditioned on the completion of a review of the change of control provision contained in employment agreements of Messrs. Lynch and Rende and Ms. Frankenthaler, which were identical other than the payment amounts.

TABLE OF CONTENTS

Between November 22, 2013 and December 17, 2013, Graubard Miller, Milbank, Messrs. Lynch and Cheliotis and Ms. Frankenthaler discussed the applicability of the change of control payments to this transaction. They also discussed the change of control payment amount that would be payable to Mr. Lynch (\$675,000), Mr. Rende (\$387,500) and Ms. Frankenthaler (\$337,500) if they were terminated after the consummation of the Merger.

On December 3, 2013, Mr. Cheliotis confirmed with Mr. Lynch that under the existing employment agreements, the change of control payments to Mr. Lynch, Mr. Rende and Ms. Frankenthaler would be payable upon a termination of employment by the Company after the completion of the Merger. He also required that, prior to the execution of the Merger Agreement, he and Mr. Lynch negotiate an amended employment agreement for Mr. Lynch to serve as Chief Executive Officer to take effect following, and only in the event of, the completion of the Merger.

Between December 3, 2013 and December 17, 2013, Messrs. Cheliotis and Lynch negotiated an employment agreement for Mr. Lynch to take effect following, and only in the event of, the completion of the Merger. The employment agreement was executed in connection with the execution of the Merger Agreement. The change of control provision in Mr. Lynch's existing employment agreement was not included in the new employment agreement.

On December 18, 2013, the Lead Director held a meeting with Graubard Miller, Ms. Frankenthaler and Cassel Salpeter. The Lead Director reviewed the timeline and process and progress of the negotiations with the Consortium, and, among other things, discussed his efforts to obtain the highest merger consideration for the Company's unaffiliated shareholders. Graubard Miller then reviewed the Lead Director's fiduciary duties in connection with his consideration of the final offer from the Consortium, and provided a detailed review of the terms of the Merger Agreement, including, among other things, the termination provisions and the nature of the fiduciary outs contained in the Merger Agreement.

At the request of the Lead Director, Cassel Salpeter then reviewed and discussed its financial analyses with respect to the Company and the proposed Merger. Thereafter, Cassel Salpeter rendered its oral opinion to the Lead Director (which was confirmed in writing by delivery of Cassel Salpeter's written opinion dated the same date), as to, as of December 18, 2013, the fairness, from a financial point of view, to the Company's Public Shareholders of the merger consideration to be received by such holders in the Merger pursuant to the Merger Agreement. The full text of the written opinion of Cassel Salpeter, which describes, among other things, the assumptions, qualifications, limitations and other matters considered in connection with the preparation of its opinion is attached as *Annex B*.

After discussion, the Lead Director adopted resolutions declaring the Merger Agreement and the transactions contemplated thereby, including the Merger, to be advisable, and fair to and in the best interests of the Company's unaffiliated shareholders and recommended that our Board of Directors approve the Merger Agreement and the transactions contemplated thereby, including the Merger.

Later that day, a special meeting of the Board of Directors was convened with all directors present. Mr. Rende, Ms. Frankenthaler and Graubard Miller were in attendance. Messrs. Harley and Lynch recused themselves from the deliberations and left the meeting because they have interests in the Merger different from the interests of the Company's unaffiliated shareholders generally, as described in *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 60. The Lead Director first summarized the basic terms of the proposed Merger Agreement and Merger. He then reviewed the history of the Company's efforts to obtain funding and execute strategic alternatives to address the challenges the Company has faced with its business, including the Consortium's proposed going private transaction. The Lead Director next reviewed the timeline, process and progress of the negotiations with the Consortium, and, among other things, discussed his efforts to obtain the highest merger consideration for the Company's unaffiliated shareholders. Graubard Miller then reviewed our Board of Directors fiduciary obligations to the Company and its shareholders in connection with its consideration of the proposed going

private transaction. He then provided a detailed review of the terms of the Merger Agreement, including, among other things, the termination provisions and the nature of the fiduciary outs contained in the draft Merger Agreement. Our Board of Directors considered the positive and negative factors and risks in connection with the proposed Merger transaction as discussed in *Special Factors Reasons for the Merger*;

TABLE OF CONTENTS

Recommendation of the Lead Director and of the Board of Directors; Fairness of the Merger beginning on page 36. Our Board of Directors, on the basis of the Lead Director's recommendation, with the unanimous vote of all present, adopted resolutions: declaring the Merger Agreement and the transactions contemplated thereby, including the Merger, to be advisable, and fair to and in the best interests of the Company's unaffiliated shareholders; approving and adopting the Merger Agreement; and authorizing certain Company officers to take necessary actions to effect the transactions contemplated by the Merger Agreement, including the preparation of this proxy statement, solicitation of shareholder approval of the Merger Agreement, holding a special meeting of shareholders for such purpose, and preparing and filing documents required by applicable law.

On December 18, 2013, the Company executed the Merger Agreement with Parent and Merger Sub and the Company publicly announced the signing of the Merger Agreement on December 19, 2013.

The Merger Agreement generally provides that we may not solicit alternative Takeover Proposals (as defined in the Merger Agreement and described in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* on page 80), but we may engage in a limited solicitation of 12 designated parties. Ten of the 12 designated parties are companies the Lead Director believed to have expressed a legitimate interest in a strategic transaction with the Company during the marketing efforts conducted by Allen & Co. between June 2012 and March 2013, including all of the Proposing Parties. The other two designated parties are (1) a brand company new to our industry that communicated with the Company for business purposes and which the Lead Director believed to be a prospect for an alternative transaction and (2) one of the Company's licensing partners which had conversations with the Company concerning a possible strategic transaction prior to Allen & Co.'s marketing efforts. In selecting ten parties from the Allen & Co. marketing process as designated parties, the Lead Director did not rely on any information provided by Allen & Co. regarding these parties or their prior proposals. Even though previous contacts with them had not led to a successful transaction, based on their prior interest in the Company, the Lead Director nonetheless determined that these parties were most likely to be interested in a potential strategic transaction. Based on the Lead Director's and management's knowledge regarding the participants and investors in the Company's industry, the Lead Director believed that there were no other parties who had not been previously contacted and who would be likely to propose a potential strategic transaction.

All 12 of the designated parties were contacted to determine whether they would be interested in a transaction with us that would be superior to the transactions contemplated by the Merger Agreement, including the Consortium's agreement to pay the unaffiliated shareholders \$0.27 per share. Five of the parties, including the Specialty Retailer and the PE Firm, expressly declined to make an offer to acquire the Company. Three of the parties did not respond to communications from the Lead Director or Mr. Lynch. The Lead Director received inquiries from four of the parties, including the Foreign Strategic Party and the Second PE Firm, requesting more information. We notified Parent of the inquiries as required under the Merger Agreement. We entered into non-disclosure agreements with all four of these parties and gave each of them access to the Company's electronic data room and the opportunity to communicate with management. All four of these parties expressly declined to make an offer to acquire the Company.

Between January 29, 2014 and February 28, 2014, Messrs. Lynch and Rende provided updates to Messrs. Falcone, Gass and Cheliotis and Mr. George Nicholson of HGI and separately to Salus through Mr. Shonak and Andrew Moser, President of Salus, regarding the Company's financial condition. Messrs. Lynch and Rende discussed with them possible ways to alleviate the Company's limited liquidity and to obtain the funding needed to pay vendors to assure goods are shipped. In the course of these discussions, Mr. Lynch proposed to Mr. Moser that Salus lift the \$1,300,000 availability block under the credit agreement and Messrs. Cheliotis and Nicholson suggested to Messrs. Lynch and Rende the possibility of HGI purchasing a portion of the Company's outstanding payables from certain of the Company's vendors.

On March 1, 2014, Salus counsel emailed Graubard Miller, Ms. Frankenthaler and Mr. Rende a draft of a proposed Fifth Amendment to the Company's credit agreement (the Fifth Amendment). In addition to requiring that the Company hire a consultant to assist with developing a vendor payment plan, the draft contemplated extending the repayment date of the \$5,000,000 term loan advance under the credit agreement

34

from April 10, 2014 to May 31, 2014 and that the Company raise at least \$5,000,000 of capital. It also contemplated a one-time payment of \$130,000 to Salus and an increase in its monthly monitoring fee from \$12,500 to \$20,000.

Between March 1, 2014 and March 7, 2014, Messrs. Lynch and Rende, Graubard Miller, Salus and Salus counsel negotiated the terms of the Fifth Amendment. Following these negotiations, the Fifth Amendment was revised to provide the Company with the option to either raise at least \$5,000,000 of capital or to have another party purchase at least \$5,000,000 of its outstanding vendor payables.

Between March 6, 2014 and March 19, 2014, Messrs. Lynch and Rende of the Company and Messrs. Cheliotis, Young and Nicholson of HGI negotiated the structure of the vendor payables purchases. They reached an agreement in principle for HGI to purchase at least \$5,000,000 of the Company's outstanding payables from its five largest vendors and to defer the Company's payment of that amount for 90 days.

On March 25, 2014, the Lead Director held a meeting with Graubard Miller and Ms. Frankenthaler. The Lead Director reviewed the transactions contemplated by the Fifth Amendment, including the prospective vendor payables purchases to be made by HGI. He considered that the Company was significantly past due on payables, and that pending orders for new inventory may not be fulfilled. He also determined that the Fifth Amendment could provide the Company with an arrangement that was necessary for it to continue to obtain inventory to operate its business. He concluded that the transactions contemplated by the Fifth Amendment were in the best interests of the unaffiliated shareholders and determined to recommend to the Board of Directors that it approve the Fifth Amendment and related agreements and the contemplated transactions.

Following the Lead Director meeting, a special meeting of the Board of Directors was convened with all directors present. Mr. Rende, Ms. Frankenthaler and Erik Frederick, the Company's Senior Vice President of Finance, were in attendance. Messrs. Harley and Lynch recused themselves from the deliberations and left the meeting. The Board of Directors (other than Messrs. Harley and Lynch), on the basis of the Lead Director's recommendation, unanimously approved the Fifth Amendment and related agreements and the contemplated transactions.

On March 26, 2014, the Lenders and the Borrowers entered into the Fifth Amendment. Pursuant to the Fifth Amendment, the Lenders agreed to extend the repayment date of the \$5,000,000 term loan advance from April 10, 2014 to June 15, 2014. The Lenders also agreed to suspend the requirement that the Borrowers maintain a minimum of \$1,300,000 of availability under the revolving line of credit until June 16, 2014, at which time the Borrowers will be required to maintain a minimum of \$1,500,000 of availability. The Fifth Amendment also required that, by no later than March 31, 2014, the Borrowers would either have (i) received cash proceeds of a capital infusion in an amount not less than \$5,000,000, in the form of equity or subordinated debt, on terms reasonably satisfactory to the Lenders, which amount will be used entirely to reduce the outstanding balance under the credit agreement, or (ii) made arrangements reasonably satisfactory to the Lenders to defer payment of at least \$5,000,000 of the Company's outstanding vendor payables.

On March 27, 2014, pursuant to arrangements deemed satisfactory by the Lenders, HGI, through its subsidiary HGI Funding, purchased an aggregate of approximately \$5,238,900 of the Company's outstanding payables from the Company's five largest vendors and agreed to defer the payment of that amount for 90 days or until June 28, 2014. The Fifth Amendment also required the Company to engage a consultant to assist in negotiating with vendors and developing a vendor payment plan, and to present a proposed plan to the Lenders by April 4, 2014. The Company satisfied both of these requirements. Concurrently with the execution of the Fifth Amendment, the Borrowers paid to the Lenders a one-time \$130,000 cash fee in consideration for the Lenders' agreement to enter into the Fifth Amendment. In connection with the Fifth Amendment, the Borrowers and the Lenders also entered into an amended and restated fee letter which provides for an increase in the monthly monitoring fees from \$12,500 to \$20,000.

On April 14, 2014, we entered into an amendment to the Merger Agreement with Parent and Merger Sub, pursuant to which the parties agreed to extend the termination date under the Merger Agreement from April 30, 2014 to June 15, 2014.

TABLE OF CONTENTS

On April 23, 2014, HGI Funding made a subsequent purchase of approximately \$2,792,000 of the Company's outstanding payables from the Company's five largest vendors and agreed to defer the payment of that amount for 90 days, or July 22, 2014.

Reasons for the Merger; Recommendation of the Lead Director and of the Board of Directors; Fairness of the Merger

The Lead Director

As described above, the Board of Directors delegated to the Lead Director the exclusive authority to review, evaluate, reject, negotiate and, if appropriate, make a recommendation to the Board of Directors regarding the proposal from the Consortium Members or any alternative thereto. The Lead Director evaluated, with the assistance of his legal and financial advisors, the Merger Agreement and the Merger and, on December 18, 2013, determined that the transactions contemplated by the Merger Agreement and the Ancillary Agreements, including the Merger, are advisable, and fair to, and in the best interests of, the unaffiliated shareholders of the Company.

The Lead Director engaged his own financial advisor and received advice throughout the negotiations from outside counsel to the Company. Since the Lead Director is an independent non-employee director, the Lead Director believed that he could effectively represent the unaffiliated shareholders of the Company in negotiating the terms of the Merger and did not believe it necessary to retain a separate unaffiliated representative to act solely on behalf of unaffiliated shareholders of the Company for the purposes of negotiating the Merger.

The Lead Director also recommended to the Board of Directors that the Board:

determine that the Merger Agreement and the Ancillary Agreements and the transactions contemplated thereby, including the Merger, are advisable, and fair to and in the best interests of the unaffiliated shareholders of the Company;

approve the Merger and adopt the Merger Agreement and the Ancillary Agreements and the transactions contemplated thereby, including the Merger;

recommend approval of the Merger and adoption of the Merger Agreement by the shareholders of the Company and direct that the Merger and the Merger Agreement be submitted to the shareholders of the Company for their approval and adoption; and

approve the consummation of the Merger and the other transactions contemplated by the Merger Agreement, and the Ancillary Agreements, and the performance of the Company's obligations thereunder.

In the course of reaching the determinations and decisions, and making the recommendation, described above, the Lead Director considered the following positive factors relating to the Merger Agreement, the Merger and the other transactions contemplated thereby, each of which the Lead Director believed supported his decision:

all discussions with respect to the proposals for strategic transactions made during the Allen & Co. marketing process had terminated by the time the Series B Preferred Stock transaction was completed because none of the proposals resulted in any firm or economically viable offers that would have produced any value for the unaffiliated shareholders;

that the Lead Director believed the merger consideration of \$0.27 per share was more favorable to the unaffiliated shareholders of the Company than the potential value that might result from the Company's only other alternative of remaining a stand-alone public company, as the Company's financial condition continued to deteriorate because of ongoing operating losses. The Lead Director considered the following risks and uncertainty associated with remaining

a stand-alone public company:

- the Company's significant liquidity issues;
- the Company's limited availability under its line of credit for operations;

36

TABLE OF CONTENTS

o the Company's merchandise vendors ceasing to ship new product without being paid in full for their past due invoices, in which event the Company will not have sufficient capital resources to fund its planned activities;

o the Company's need for substantial additional capital, which the Company may not be able to secure on acceptable terms or at all; and

o the voluntary or involuntary bankruptcy, restructuring or liquidation of the Company, in which the holders of the Company's Common Stock may receive little or no value;

the current and historical market prices of the Common Stock, including the market performance of the Common Stock relative to that of other participants in the Company's industry and general market indices, and the fact that the merger consideration of \$0.27 per share represents a premium of approximately 50% to the closing price of the Company's shares on September 27, 2013, the last trading day before the announcement by the Consortium Members of their initial proposal, and a premium of approximately 46% over the average closing price of the Company's Common Stock for the 45 trading days prior to that date;

that, subsequent to the Company's announcement on September 27, 2013 of the Consortium Members' initial proposal to acquire the Company, no third party has submitted a proposal to the Company, the Lead Director or the Lead Director's advisors regarding a potential transaction;

the Lead Director's understanding of the Company's business, assets, financial condition and results of operations, its competitive position and historical and projected financial performance, and the nature of the industry in which the Company competes, including that the Company has not reported an operating profit since fiscal year 2007 and since that time has suffered from negative working capital and, in many years, deficit equity;

the uncertainty that the Company will be able to effect the changes to its operations necessary to improve its liquidity and ultimately profitability;

the Lead Director's belief that the \$0.27 per share merger consideration, which is \$0.04, or approximately 17%, greater than the Consortium Members' original proposal of \$0.23 per share, and \$0.02, or approximately 8%, greater than the \$0.25 per share conversion price of the Series B Convertible Preferred Stock purchased by Five Island in March 2013 (pursuant to which Five Island obtained beneficial ownership over a majority of our Common Stock), represents the highest per-share consideration that could be obtained at that time in light of the negotiations that took place;

that the Company's net book value per share as of October 26, 2013 was approximately \$(0.63), or \$0.90 lower than the \$0.27 per share cash merger consideration;

the efforts of the Lead Director and his advisors to negotiate and execute a Merger Agreement favorable to the Company and the unaffiliated shareholders of the Company under the circumstances, and the fact that extensive negotiations regarding the Merger Agreement were held between the Lead Director and his advisors, on the one hand, and Parent, the Consortium Members and their respective advisors, on the other hand;

that the proposed merger consideration is all cash, so that the transaction allows the unaffiliated shareholders of the Company to realize a fair value, in cash, for their investment and provides these shareholders certainty of value for their shares, especially when viewed against the risks confronting the Company's business, including the risks set forth in the Company's Annual Report on Form 10-K for the fiscal year ended July 27, 2013 and the amendment to the Annual Report attached to this proxy statement as *Annexes F-1 and F-2*;

that the Lead Director believed the merger consideration is fair in light of the Company's business, operations, financial condition, strategy and prospects, as well as the Company's historical and projected financial performance;

the absence of material regulatory approvals or third party consents required to consummate the Merger;

37

the Lead Director's consideration of alternative outcomes, including bankruptcy, which the Lead Director concluded were unlikely to provide a superior alternative to the Merger;

the financial analysis reviewed by Cassel Salpeter with the Lead Director, and the oral opinion of Cassel Salpeter to the Lead Director (which was subsequently confirmed in writing by delivery of Cassel Salpeter's written opinion dated the same date), as to, as of December 18, 2013, the fairness, from a financial point of view, to the Public Shareholders of the merger consideration to be received by these holders in the Merger pursuant to the Merger Agreement, as more fully described in *Special Factors - Opinion of the Lead Director's Financial Advisor* beginning on page 41;

the terms and conditions of the Merger Agreement, including:

- the provision of the Merger Agreement allowing the Board of Directors to terminate the Merger Agreement in response to a Superior Proposal, subject to payment of a \$300,000 termination fee and the reimbursement of expenses up to \$300,000;
- that the Company would receive reimbursement of its expenses up to \$300,000, if the Merger Agreement is terminated because of a material breach by the Parent and would receive a termination fee of \$300,000 and reimbursement of its expenses up to \$300,000 if the Merger Agreement is terminated because of an intentional material breach by the Parent while the Company stands ready and able to close; and
- the Company's ability, under certain circumstances, to seek specific performance to prevent breaches of the Merger Agreement and to enforce specifically the terms of the Merger Agreement;

the Company has financing arrangements already in place to fund the payment of the merger consideration;

the Lead Director's belief that he is fully informed about the extent to which the interests of the Consortium Members and members of management in the Merger differed from those of the Company's other shareholders; and

the fact that, in the absence of the Merger, the Company will continue to incur significant expenses by remaining a public company, including the legal, accounting, transfer agent, printing and filing fees and that those expenses could adversely affect the Company's financial performance and the value of the Common Stock.

In the course of reaching the determinations and decisions, and making the recommendation described above, the Lead Director also considered the following factors relating to the procedural safeguards that the Lead Director believed were and are present to ensure the fairness of the Merger and to permit the Lead Director to represent the unaffiliated shareholders of the Company, each of which safeguards the Lead Director believed supported his decision and provided assurance of the fairness of the Merger to the unaffiliated shareholders of the Company:

the Lead Director is not an officer or controlling shareholder of the Company, or affiliated with any of the Rollover Shareholders;

the Lead Director was adequately compensated for his services and his compensation was in no way contingent on his approving the Merger Agreement;

- the Lead Director will not personally benefit from the completion of the Merger in a manner materially different from the unaffiliated shareholders of the Company;
- the Lead Director had the power to retain, and retained, legal and financial advisors;

the Lead Director was involved in extensive deliberations over a period of over two months regarding the Consortium Members' proposal to acquire the Company, and was provided with full access to the Company's management in connection with his due diligence;

TABLE OF CONTENTS

the Lead Director had ultimate authority to decide whether or not to proceed with a transaction or any alternative thereto, subject to the Board of Directors' approval of the Merger Agreement, as required by New York law; the Lead Director was aware that he had no obligation to recommend any transaction, including the proposal put forth by the Consortium Members;

the Lead Director had the authority to take such actions as the Lead Director deemed necessary or appropriate in connection with anti-takeover provisions;

the Company is permitted to engage in a limited solicitation, to respond to unsolicited inquiries regarding acquisition proposals under certain circumstances and, upon payment of a \$300,000 termination fee to the Consortium Members, to terminate the Merger Agreement to accept a Superior Proposal (as defined in the Merger Agreement and as described in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* beginning on page 80); and

the Lead Director made his evaluation of the Merger Agreement and the Merger based upon the factors discussed in this proxy statement, independent of members of management and with knowledge of the interests of management and the other directors in the Merger.

In the course of reaching the determinations and decisions, and making the recommendation described above, the Lead Director considered the following risks and potentially negative factors relating to the Merger Agreement, the Merger and the other transactions contemplated thereby:

the unaffiliated shareholders of the Company will have no ongoing equity participation in the Company following the Merger, and that these shareholders will cease to participate in the Company's future earnings or growth, if any, or to benefit from increases, if any, in the value of the Common Stock, and will not participate in any potential future sale of the Company to a third party;

the participation in the Merger by the Rollover Shareholders and the fact that their interests in the transaction differ from those of the unaffiliated shareholders of the Company;

the possibility that the Rollover Shareholders could, at a later date, engage in unspecified transactions including a restructuring effort or the sale of some or all of the surviving corporation or its assets to one or more purchasers that could conceivably produce a higher aggregate value than that available to shareholders in the Merger;

the risk of incurring substantial expenses related to the Merger, including in connection with any litigation that may result;

the fact that there can be no assurance that all conditions to the parties' obligations to complete the Merger will be satisfied and that, as a result, it is possible that the Merger may not be completed even if the Shareholder Approval is obtained;

the Merger Agreement's restrictions on the conduct of the Company's business prior to the completion of the Merger, generally requiring the Company to conduct its business only in the ordinary course, subject to specific limitations, which may delay or prevent the Company from undertaking business opportunities that may arise pending completion of the Merger;

the risks and costs to the Company if the Merger does not close, including the diversion of management and employee attention, potential employee attrition and the potential effect on business and customer relationships;

the receipt of cash in exchange for shares of Common Stock pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes;

the possibility that, under certain circumstances under the Merger Agreement, the Company may be required to reimburse the Parent's expenses and/or pay a termination fee to the Parent; and

TABLE OF CONTENTS

although the Company already has financing arrangements in place, the possibility that the debt financing necessary for the Merger will not be funded at the time required by the Merger Agreement.

The Lead Director did not conduct a going concern valuation, because he believed the other factors he considered, as described above, addressed the fairness of the Merger.

In the course of reaching his decision to recommend to the Board of Directors that they approve the Merger Agreement, the Lead Director considered the liquidation value of the Company in the event the Merger was not consummated, based on the going concern opinion provided by the Company's independent auditors in their audit report included in the Company's Annual Report on Form 10-K for the fiscal year ended July 27, 2013. In doing so, the Lead Director relied on the estimate by the Company's management that the liquidation value would be negative, after payment of anticipated liquidation expenses and repayment of its secured debt.

Since the Company has not received any firm or economically viable offers concerning a potential acquisition of the Company or similar fundamental transaction during the past two years from any party (other than the offer from the Consortium Members that led to the Merger Agreement), as described in *Special Factors Background of the Merger* beginning on page 18, the consideration of any alternative or recent firm or economically viable offers was not a factor available for the Lead Director to consider. However, the Lead Director did consider that no firm or economically viable offers resulted from the marketing efforts in which the Company engaged during 2012 and 2013 with the assistance of a nationally recognized investment banking firm.

The Lead Director also considered the inclusion in the Merger Agreement of a requirement that at least a majority of the unaffiliated shareholders approve the Merger and adopt the Merger Agreement, as described above in *Special Factors Background to the Merger* beginning on page 18. However, the Consortium Members rejected this provision. The Lead Director determined that the other factors described above in favor of the Merger collectively outweighed the omission of this provision.

The Lead Director also considered that, after the formation of the Consortium, the Rollover Shareholders expressed an unwillingness to sell their stake in the Company to a third party, which likely would have a chilling effect on proposals for alternative transactions. Notwithstanding this statement, the Lead Director believed that, if the terms of an alternative transaction were sufficiently favorable, some or all of the Rollover Shareholders might in fact participate in such an alternative transaction. Accordingly, the Company negotiated for the right under the Merger Agreement to conduct a limited solicitation, to respond to unsolicited inquiries regarding acquisition proposals under certain circumstances and to terminate the Merger Agreement and the Voting Agreement to accept a Superior Proposal.

The foregoing discussion of the information and factors considered by the Lead Director includes the material factors considered by the Lead Director. In view of the variety of factors considered in connection with his evaluation of the Merger, the Lead Director did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determination and recommendation. The Lead Director recommended the Merger Agreement and the Merger based upon the totality of the information he considered.

The Board of Directors

The Board of Directors consists of five directors, one of whom, Mr. Lynch, is an employee of the Company, and two of whom, Messrs. Harley and Lynch, have interests in the Merger different from the interests of the unaffiliated shareholders of the Company generally. The Board of Directors delegated to the Lead Director the exclusive authority to review, evaluate, reject, negotiate and, if appropriate, make a recommendation to the Board of Directors regarding

the proposal from the Consortium Members or any alternative thereto. On December 18, 2013, on the basis of the Lead Director's recommendation and the other factors described below, the Board of Directors unanimously (with Messrs. Harley and Lynch recusing themselves from the deliberations because they have interests in the Merger different from the interests of the

TABLE OF CONTENTS

unaffiliated shareholders of the Company generally, as described in *Special Factors Interests of the Company's Directors and Executive Officers in the Merger Interests of Executive Officers* beginning on page 61):

determined that the Merger Agreement and the Ancillary Agreements and the transactions contemplated thereby, including the Merger, are advisable, and fair to and in the best interests of the unaffiliated shareholders of the Company;

approved the Merger and adopted the Merger Agreement and the Ancillary Agreements and the transactions contemplated thereby, including the Merger;

recommended approval of the Merger and adoption of the Merger Agreement by the shareholders of the Company and directed that the Merger and the Merger Agreement be submitted to the shareholders of the Company for their approval and adoption;

approved the consummation of the Merger and the other transactions contemplated by the Merger Agreement, and the Ancillary Agreements, and the performance of the Company's obligations thereunder; and

duly and validly approved for the purposes of, and authorized the taking of all other corporate actions required to be taken, under the Company's certificate of incorporation and bylaws and pursuant to applicable law, including the NYBCL, by the Board of Directors to authorize the consummation of the transactions contemplated by the Agreements, including the Merger.

In determining that the Merger Agreement is advisable, and fair to and in the best interests of the unaffiliated shareholders of the Company, and approving the Merger Agreement, the Merger and the other transactions contemplated thereby, and recommending that the Company's shareholders vote for the approval of the Merger and the adoption of the Merger Agreement, the Board of Directors (excluding Messrs. Harley and Lynch) expressly and unanimously adopted the analysis of the Lead Director, which is discussed above. Messrs. Harley and Lynch recused themselves from all deliberations concerning the Merger Agreement, the Merger and the other transactions contemplated thereby because they have interests in the Merger different from the interests of the unaffiliated shareholders of the Company generally, as described in *Special Factors Interests of the Company's Directors and Executive Officers in the Merger Interests of Executive Officers* beginning on page 61. Accordingly, the members of the Board of Directors who deliberated on the Merger Agreement, the Merger and the other transactions contemplated thereby were the Lead Director and Messrs. John Eisel and Peter Cole.

The foregoing discussion of the information and factors considered by the Board of Directors includes the material factors they considered. In view of the variety of factors considered in connection with its evaluation of the Merger, the Board of Directors did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determination and recommendation. In addition, individual directors may have given different weights to different factors. The Board of Directors approved and recommends the Merger Agreement and the Merger based upon the totality of the information presented to and considered by it.

Opinion of the Lead Director's Financial Advisor

On December 18, 2013, Cassel Salpeter rendered its oral opinion to the Lead Director (which was confirmed in writing by delivery of Cassel Salpeter's written opinion dated the same date), as to, as of December 18, 2013, the fairness, from a financial point of view, to the Public Shareholders of the merger consideration to be received by such holders in the Merger pursuant to the Merger Agreement. The summary of the opinion in this proxy statement is qualified in its entirety by reference to the full text of the written opinion, which is included as *Annex B* to this proxy statement and sets forth the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Cassel Salpeter in preparing its opinion.

The opinion was provided for the use and benefit of the Lead Director (in his capacity as such) and with the consent of the Lead Director, the members of the Board of Directors (in their capacity as such) in connection with the Lead Director's and, as applicable, the Board of Directors' evaluation of the Merger. In

TABLE OF CONTENTS

addition, Cassel Salpeter consented to the inclusion of the opinion and the summary of the opinion set forth below in this proxy statement. Cassel Salpeter's opinion may not be used for any other purpose without Cassel Salpeter's prior written consent. Neither the opinion nor the summary of the opinion and related analyses set forth in this proxy statement is intended to and they do not constitute advice or a recommendation to any of the shareholders or any other security holders as to how such holder should vote or act with respect to any matter relating to the Merger or otherwise. Cassel Salpeter's opinion should not be construed as creating any fiduciary duty on Cassel Salpeter's part to the Company or any other party to the Merger Agreement, any security holder of the Company or such other party, any creditor of the Company or such other party, or any other person. Cassel Salpeter's opinion was just one of the several factors the Lead Director took into account in making his determination to recommend that the Company board approve the Merger, including those described elsewhere in this proxy statement.

Cassel Salpeter's opinion only addressed whether, as of the date of the opinion, the merger consideration to be received by the Public Shareholders in the Merger pursuant to the Merger Agreement was fair, from a financial point of view, to such holders and does not address any other terms, aspects, or implications of the Merger or the Merger Agreement, the Rollover Agreement, the Voting Agreement or any arrangements, understandings, agreements, or documents related to the Merger including, without limitation (i) any term or aspect of the Merger that is not susceptible to financial analyses, (ii) the fairness of any portion or aspect of the Merger, or all or any portion of the consideration, to any security holders of the Company or any creditors or other constituencies of the Company, other than the Public Shareholders, or (iii) the fairness of the Merger or all or any portion of the merger consideration, to any other security holders of the Company or any other person or any creditors or other constituencies of the Company or any other person, nor the fairness of the amount or nature, or any other aspect, of any compensation or consideration payable to or received by any officers, directors, or employees of any parties to the Merger, or any class of such persons, relative to the merger consideration to be received by the Public Shareholders pursuant to the Merger Agreement, or otherwise. Cassel Salpeter is not expressing any opinion as to the prices at which shares of the Common Stock, the Company's Series A Convertible Preferred Stock or Company's Series B Convertible Preferred Stock may trade, be purchased or sold at any time.

Cassel Salpeter's opinion did not address the relative merits of the Merger as compared to any alternative transaction or business strategy that might exist for the Company, or the merits of the underlying decision by the Lead Director, the Board or the Company to engage in or consummate the Merger. The financial and other terms of the Merger were determined pursuant to negotiations between the parties to the Merger Agreement and were not determined by or pursuant to any recommendation from Cassel Salpeter. In addition, Cassel Salpeter was not authorized to, and did not, solicit indications of interest from third parties regarding a potential transaction involving the Company.

Cassel Salpeter's analysis and opinion were necessarily based upon market, economic, and other conditions as they existed on, and could be evaluated as of, the date of the opinion. Accordingly, although subsequent developments could arise that would otherwise affect its opinion, Cassel Salpeter did not assume any obligation to update, review, or reaffirm the opinion to the Lead Director or any other person or otherwise to comment on or consider events occurring or coming to its attention after the date of the opinion.

In arriving at its opinion, Cassel Salpeter made such reviews, analyses, and inquiries as Cassel Salpeter deemed necessary and appropriate under the circumstances. Among other things, Cassel Salpeter:

Reviewed an execution version, received by Cassel Salpeter on December 16, 2013, of the Merger Agreement.

Reviewed an execution version, received by Cassel Salpeter on December 16, 2013, of the Rollover Agreement.

Reviewed an execution version, received by Cassel Salpeter on December 16, 2013, of the Voting Agreement.

TABLE OF CONTENTS

Reviewed certain publicly available financial information and other data with respect to the Company that Cassel Salpeter deemed relevant, including its Annual Report on Form 10-K for the most recent fiscal year, as amended by amendment no. 1 thereto on Form 10-K/A, certain other communications to shareholders, and certain other publicly available filings with SEC.

Reviewed certain other information and data with respect to the Company made available to Cassel Salpeter by the Company, including financial projections with respect to the future financial performance of the Company for the fiscal year ending July 26, 2014, prepared by management of the Company, which we refer to as the Company Projections, and other internal financial information furnished to Cassel Salpeter by or on behalf of the Company. Considered and compared the financial and operating performance of the Company with that of other companies with publicly traded equity securities that Cassel Salpeter deemed relevant.

Considered the publicly available financial terms of certain transactions that Cassel Salpeter deemed relevant.

Discussed the business, operations, and prospects of the Company and the proposed Merger with the Company's management and certain of the Company's representatives.

Conducted such other analyses and inquiries, and considered such other information and factors as Cassel Salpeter deemed appropriate.

In arriving at its opinion, Cassel Salpeter, with the Lead Director's consent, relied upon and assumed, without independently verifying, the accuracy and completeness of all of the financial and other information that was supplied or otherwise made available to it or available from public sources, and Cassel Salpeter further relied upon the assurances of the Company's management that they were not aware of any facts or circumstances that would have made any such information inaccurate or misleading. Cassel Salpeter is not a legal, tax, environmental, or regulatory advisory firm and Cassel Salpeter did not express any views or opinions as to any legal, tax, environmental, or regulatory matters relating to the Company, the Merger, or otherwise. Cassel Salpeter understood and assumed that the Company had obtained or would obtain such advice as it deemed necessary or appropriate from qualified legal, tax, environmental, regulatory, and other professionals. The Lead Director also advised Cassel Salpeter that the Company does not prepare, and Cassel Salpeter did not have access to, long-term forecasts with respect to the future financial performance of the Company, and the Lead Director directed Cassel Salpeter to use and rely upon, for purposes of its analyses and opinion, the Company Projections, which with the Lead Director's consent Cassel Salpeter assumed were reasonably prepared on a basis reflecting the best currently available estimates and judgments of management of the Company with respect to the future financial performance of the Company, and that the Company Projections provided a reasonable basis upon which to analyze and evaluate the Company and form an opinion. Cassel Salpeter expressed no view with respect to the Company Projections or the assumptions on which they were based. Cassel Salpeter did not evaluate the solvency of the Company or any other party to the Merger, the fair value of the Company or any of its assets or liabilities, or whether the Company or any other party to the Merger is paying or receiving reasonably equivalent value in the Merger under any applicable foreign, state, or federal laws relating to bankruptcy, insolvency, fraudulent transfer, or similar matters, nor did Cassel Salpeter evaluate, in any way, the ability of the Company or any other party to the Merger to pay its obligations when they come due. Cassel Salpeter did not physically inspect the Company's properties or facilities and did not make or obtain any evaluations or appraisals of the Company's assets or liabilities (including any contingent, derivative, or off-balance-sheet assets and liabilities). Cassel Salpeter did not attempt to confirm whether the Company has good title to its assets. Cassel Salpeter's role in reviewing any information was limited solely to performing such reviews as Cassel Salpeter deemed necessary to support its own advice and analysis and was not on behalf of the Lead Director, the Board of Directors, the Company or any other party.

Cassel Salpeter assumed, with the Lead Director's consent, that the Merger would be consummated in a manner that complies in all respects with applicable foreign, federal, state, and local laws, rules, and regulations and that, in the course of obtaining any regulatory or third party consents, approvals, or agreements in the Merger, no delay, limitation, restriction, or condition would be imposed that would have an

TABLE OF CONTENTS

adverse effect on the Company or the Merger. Cassel Salpeter also assumed, with the Lead Director's consent, that the final executed form of the Merger Agreement would not differ in any material respect from the draft Cassel Salpeter reviewed and that the Merger would be consummated on the terms set forth in the Merger Agreement, without waiver, modification, or amendment of any term, condition, or agreement thereof that was material to its analyses or opinion. Cassel Salpeter also assumed that the representations and warranties of the parties to the Merger Agreement contained therein were true and correct and that each such party would perform all of the covenants and agreements to be performed by it under the Merger Agreement. Cassel Salpeter offered no opinion as to the contractual terms of the Merger Agreement or the likelihood that the conditions to the consummation of the Merger set forth in the Merger Agreement would be satisfied.

Management of the Company advised Cassel Salpeter that (i) the Company had been and was currently experiencing significant liquidity issues, (ii) the Company only had a limited amount of availability under its line of credit for operations, and (iii) if the Company's merchandise vendors did not continue to ship new product without being paid in full for their past due invoices, the Company would not have sufficient capital resources to fund its planned activities beyond December 31, 2013. Management of the Company also advised Cassel Salpeter that the Company would require substantial additional capital to operate on a standalone basis in accordance with the Company business plan underlying the Company Projections and the Company had not been able to, and did not expect to be able to, identify or otherwise access any sources of equity or debt financing for the future operations of the Company prior to the date that it would exhaust its remaining cash resources, if ever. Management of the Company advised Cassel Salpeter that the inability of the Company to continue as a going concern would likely result in a voluntary or involuntary bankruptcy, restructuring or liquidation of the Company in which the Company could receive less than the value at which its assets were carried on the Company's consolidated financial statements, and holders of Company Common Stock would likely receive little or no value and would likely lose all or substantially all of their investment in the Company.

In connection with preparing its opinion, Cassel Salpeter performed a variety of financial analyses. The following is a summary of the material financial analyses performed by Cassel Salpeter in connection with the preparation of its opinion. It is not a complete description of all analyses underlying such opinion. The preparation of an opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. As a consequence, neither Cassel Salpeter's opinion nor the respective analyses underlying its opinion is readily susceptible to partial analysis or summary description. In arriving at its opinion, Cassel Salpeter assessed as a whole the results of all analyses undertaken by it with respect to the opinion. While it took into account the results of each analysis in reaching its overall conclusions, Cassel Salpeter did not make separate or quantifiable judgments regarding individual analyses and did not draw, in isolation, conclusions from or with regard to any individual analysis or factor. Therefore, Cassel Salpeter believes that the analyses underlying the opinion must be considered as a whole and that selecting portions of its analyses or the factors it considered, without considering all analyses and factors underlying the opinion collectively, could create a misleading or incomplete view of the analyses performed by Cassel Salpeter in preparing the opinion.

The implied multiple ranges and implied value reference ranges indicated by Cassel Salpeter's analyses are not necessarily indicative of actual values nor predictive of future results, which may be significantly more or less favorable than those suggested by such analyses. Much of the information used in, and accordingly the results of, Cassel Salpeter's analyses are inherently subject to substantial uncertainty.

The following summary of the material financial analyses performed by Cassel Salpeter in connection with the preparation of its opinion includes information presented in tabular format. The tables alone do not constitute a complete description of these analyses. Considering the data in the tables below without considering the full narrative

description of the analyses, as well as the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses Cassel Salpeter performed.

Unless the context indicates otherwise, share prices for the selected companies used in the selected companies analysis described below were as of December 17, 2013, and estimates of financial performance for the Company were based on the Company Projections. Estimates of financial performance for the selected

TABLE OF CONTENTS

companies listed below for the years ending December 31, 2013 and 2014 were based on publicly available research analyst estimates for those companies.

Selected Companies Analysis

Cassel Salpeter considered certain financial data for the Company and selected companies with publicly traded equity securities Cassel Salpeter deemed relevant. The selected companies were selected because they were deemed to be similar to the Company in one or more respects including, the nature of their business, size and financial performance.

The selected companies with publicly traded equity securities were:

Coldwater Creek Inc.
 New York & Company, Inc.
 The Wet Seal, Inc.
 American Apparel, Inc.
 Joe s Jeans Inc.
 Danier Leather Inc.
 dELiA*s, Inc.

The financial data reviewed included:

Enterprise value as a multiple of revenue for the latest twelve month period, or LTM Revenue.

Enterprise value as a multiple of the relevant company s projected revenue for the calendar year ended December 31, 2013, or CY 2013 P Revenue.

Enterprise value as a multiple of the relevant company s projected revenue for the fiscal year ending July 26, 2014, or FY 2014 P Revenue.

Enterprise value as a multiple of the relevant company s earnings before interest, taxes, depreciation and amortization for the fiscal year ending July 26, 2014, or FY 2014 P EBITDA.

Cassel Salpeter calculated the following multiples with respect to the selected companies:

Total Invested Capital Multiple of	High	Mean	Median	Low
LTM Revenue	0.59x	0.33x	0.27x	0.15x
CY 2013 P Revenue	0.59x	0.35x	0.28x	0.16x
FY 2014 P Revenue	0.56x	0.31x	0.27x	0.16x
FY 2014 P EBITDA	12.5x	7.1x	6.7x	3.3x

Taking into account the results of the selected companies analysis and its experience as investment bankers and professional judgment, Cassel Salpeter applied multiple ranges to corresponding financial data for the Company. Cassel Salpeter applied multiples of 0.30x to 0.35x to the Company s LTM Revenue, 0.30x to 0.35x to the Company s CY 2013 P Revenue, 0.25x to 0.30x to the Company s FY 2014 P Revenue, and 6.5x to 7.5x to the Company s FY 2014 P EBITDA. The selected companies analysis indicated an aggregate implied enterprise value reference range for the Company of \$29,000,000 to \$34,000,000 as compared to the implied enterprise value of the Company based on the merger consideration of approximately \$55,106,000.

None of the selected companies have characteristics identical to the Company. An analysis of selected publicly traded companies is not mathematical; rather it involves complex consideration and judgments concerning differences in financial and operating characteristics of the selected companies and other factors that could affect the public trading values of the companies reviewed.

TABLE OF CONTENTS**Selected Transactions Analysis**

Cassel Salpeter considered certain financial data for the Company and the financial terms of the following business transactions Cassel Salpeter deemed relevant. The selected transactions were selected because they involved acquisition targets that were deemed to be similar to the Company in one or more respects including, the nature of their business, size and financial performance. The selected transactions were:

Target	Acquirer
Lucky Brand Dungarees, Inc.	Leonard Green & Partners, L.P.
Maidenform Brands, Inc.	Hanesbrands Inc.
True Religion Apparel Inc.	TRLG Holdings, Inc.
Intermix, Inc.	The Gap, Inc.
Warnaco Group, Inc.	PVH Corp.
Charming Shops Inc.	Ascena Retail Group Inc.
Kenneth Cole Productions Inc.	Kenneth D. Cole and Family of Kenneth D. Cole
Avenue Stores	Versa Capital Management, Inc.
Boston Proper, Inc.	Chico's FAS, Inc.
Urban Brands, Inc.	GB Merchant Partners, LLC
VOLCOM, Inc.	PPR S.A.

The financial data reviewed included the enterprise value (calculated based on the consideration paid in the relevant transaction) as a multiple of LTM Revenue.

Enterprise Value as a Multiple of LTM Revenue	High	Mean	Median	Low
	1.86x	0.87x	1.00x	0.09

In addition, Cassel Salpeter noted that the mean enterprise value as a multiple of LTM Revenue was 0.27x for those selected transactions involving acquisition targets that had an EBITDA margin of less than 5% or that were acquired in connection with a bankruptcy.

Taking into account the results of the selected transactions analysis and its experience as investment bankers and professional judgment, Cassel Salpeter applied multiple ranges to corresponding financial data for the Company. Cassel Salpeter applied multiples of 0.30x to 0.40x to the Company's LTM Revenue. The selected transactions analysis indicated an aggregate implied enterprise value reference range for the Company of \$25,000,000 to \$33,300,000 as compared to the implied enterprise value of the Company based on the merger consideration of approximately \$55,106,000.

None of the target companies in the selected transactions have characteristics identical to the Company. Accordingly, an analysis of selected business combinations is not mathematical; rather it involves complex considerations and judgments concerning differences in financial and operating characteristics of the target companies in the selected transactions and other factors that could affect the respective acquisition values of the transactions reviewed.

Other Matters Relating to Cassel Salpeter's Opinion

As part of its investment banking business, Cassel Salpeter regularly is engaged in the evaluation of businesses and their securities in connection with mergers, acquisitions, corporate restructurings, private placements and other purposes. Cassel Salpeter is a recognized investment banking firm that has substantial experience in providing

financial advice in connection with mergers, acquisitions, sales of companies, businesses and other assets and other transactions.

Cassel Salpeter received a fee of \$75,000 for rendering its opinion, no portion of which was contingent upon the completion of the Merger. In addition, the Company agreed to reimburse Cassel Salpeter for certain expenses incurred by it in connection with its engagement and to indemnify Cassel Salpeter and its related parties for certain liabilities that may arise out of its engagement or the rendering of its opinion. There has been no other material relationship in the last two years, and no other material relationship is mutually contemplated, between Cassel Salpeter, its affiliates or representatives and the Company or its affiliates.

TABLE OF CONTENTS

Cassel Salpeter is a recognized investment banking firm which is regularly engaged in providing financial advisory services in connection with mergers and acquisitions. The Lead Director selected Cassel Salpeter to act as his financial advisor in connection with the Merger on the basis of Cassel Salpeter's experience in similar transactions and its reputation in the investment community. The Lead Director also believed Cassel Salpeter's fee was proportionate to the transaction size. In selecting a financial advisor in connection with the Merger, the Lead Director approached three investment banking firms other than Cassel Salpeter, including Allen & Co. Allen & Co. declined to be considered because the minimum fee it would accept was disproportionate to the size of the transaction based on the Consortium's initial offer of \$0.23 per share. The second firm declined because of its limited experience in rendering fairness opinions in merger and acquisition transactions. The Lead Director selected Cassel Salpeter over the third firm because Cassel Salpeter's fee was more commensurate with the transaction size.

In accordance with Cassel Salpeter's policies and procedures, a fairness committee was not required to, and did not, approve the issuance of the opinion.

Company Projections

As part of its financial planning process, the Company from time to time prepares financial projections for upcoming fiscal years. In connection with the consideration of the Consortium Members' proposal, the Lead Director and Cassel Salpeter, the Lead Director's financial advisor, were provided on October 4, 2013 with previously prepared Company Projections through fiscal year 2014. The Company does not, as a matter of course, publicly disclose projected financial information.

We have included these projections solely for the purpose of giving our shareholders access to certain nonpublic information considered by the Lead Director and Cassel Salpeter in evaluating the Merger. The projections are, in general, prepared solely for internal use in assessing strategic direction, related capital and resource needs and allocations and other management decisions. Projections of this type are based on estimates and assumptions that, in many cases, reflect subjective judgment, and which are subject to significant uncertainties and contingencies, including apparel industry performance, general business, economic, regulatory, market and financial conditions, as well as changes to the business, financial condition and results of operations of the Company. These factors, which may prevent the financial projections or underlying assumptions from being realized, are difficult to predict, and many of them are beyond the Company's control. Therefore, the projections are forward-looking statements and should be read with caution. See *Cautionary Statement Concerning Forward-Looking Information* beginning on page 68.

When preparing projections the Company makes assumptions based on its past performance, its current financial condition and general economic conditions. When preparing the budget for fiscal year 2014, management assumed, among other things:

Based on the receipt of additional financing and the assumption that further financing would be available, the Company would be able to maintain sufficient inventory levels in fiscal year 2014. During fiscal year 2013, as a result of the Company's liquidity issues, the Company was paying its product vendors beyond the normal payment terms. Accordingly, the Company's vendors were not shipping and/or producing goods in a timely manner or in some cases not at all and, as a result, the Company's inventory levels had been inadequate; The Company's unsuccessful expansion into non-core product categories (dresses, sportswear and shoes) would be significantly reduced and sold primarily through the Company's website; The Company would be able to reduce costs related to its catalog and reallocate those resources to digital marketing initiatives; and

The Company would use the additional financing to increase its overall marketing efforts.

There can be no assurance that the underlying assumptions (including those set forth above) will prove to be accurate, that the projected results will be realized or that actual results will not be significantly different than projected. For example, from May 2013 through January 2014, while the Company had obtained an additional \$10,000,000 in funding, through increases under the term loan portion of its credit facility, and had

TABLE OF CONTENTS

been reducing its non-core product inventory, it continued to experience liquidity issues that adversely affected inventory levels of its core product categories (bras, lingerie and corsets) and marketing efforts.

These projections were prepared solely for internal use and not for publication or with a view toward complying with the published guidelines of the SEC regarding projections or with guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Our independent registered public accounting firm has not examined, compiled or otherwise applied procedures to the financial projections presented herein and, accordingly, has not, and does not, express an opinion or any other form of assurance with respect to them. The Merger Agreement includes no representations by the Company or its management as to this projected financial information. In light of the uncertainties inherent in projections of this type, neither the Company nor any other person has expressed any opinion or assurance to shareholders on this information or its achievability, and the inclusion of this information should not be regarded as an indication that the Company, the Lead Director, the Rollover Shareholders, any of their representatives or anyone who received this information then considered, or now considers, it to be necessarily predictive of actual future events.

The Company Projections do not reflect any impact of the Merger, nor do they take into account the effect of any failure of the Merger to occur. None of the Company, the Lead Director, the Rollover Shareholders or any of their representatives intends to update or revise the summary projected financial information set forth below to reflect circumstances existing after the date when made, except as may be required by applicable securities laws.

(\$ in thousands)	FY 2014 (Projected)	FY 2013 (Actual)	FY 2012 (Actual)	FY 2011 (Actual)

Adjusted EBITDA	5,142	(16,558)	(1,120)	(2,858)

The above projections set forth, among other measures, the Company's projected adjusted EBITDA for fiscal year 2014 that was made available to the Lead Director and Cassel Salpeter. These measures were thought to be useful for evaluating, on a prospective basis, the Company's potential operating performance. The Company defines adjusted EBITDA as net income from continuing operations before preferred stock dividends in accordance with generally accepted accounting principles, or GAAP, adjusted to exclude interest, taxes, depreciation and amortization, stock compensation, changes in the fair value of the warrant liability and impairment of long lived-assets.

Because adjusted EBITDA as calculated by the Company is a non-GAAP financial measure, this measure should not be considered in isolation from, nor as a substitute for, net income as calculated in accordance with GAAP. Adjusted EBITDA, as calculated by the Company, may not be comparable to similarly titled measures employed by other companies. In addition, this measure does not necessarily represent funds available for discretionary use and is not necessarily a measure of the Company's ability to fund the Company's cash needs. Adjusted EBITDA excludes certain

financial information compared to net income in accordance with GAAP, the most directly comparable GAAP financial measure. Shareholders should consider the types of events and transactions that are excluded when reviewing this financial information.

As required by the SEC in accordance with Regulation G, the tables below provide a reconciliation of net income (as calculated in accordance with GAAP) to EBITDA.

Purpose and Reasons of the Rollover Shareholders, Parent and Merger Sub for the Merger

Under a possible interpretation of the SEC rules governing going-private transactions, each of the Rollover Shareholders, Parent and Merger Sub may be deemed to be affiliates of the Company and, therefore, required to express their purpose and reasons for the Merger to the unaffiliated shareholders of the Company. The Rollover Shareholders, Parent, and Merger Sub are making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

For the Rollover Shareholders, Parent and Merger Sub, the purpose of the Merger is to enable Parent to acquire control of the Company, in a transaction in which the unaffiliated shareholders of the Company will be cashed out for \$0.27 per share of Common Stock. For Merger Sub, the purpose of the Merger is to effectuate the transactions contemplated by the Merger Agreement. Following the Merger, Parent and the Rollover Shareholders will bear the rewards and risks of the ownership of the Company and the Company's Common Stock will cease to be publicly traded.

The Merger provides an opportunity for the Company's unaffiliated shareholders to immediately receive, in cash, a substantial premium for their shares based upon the closing price of the Company's Common Stock on September 27, 2013, the last trading date before the Consortium's offer to acquire all of the outstanding shares of Common Stock of the Company was announced. In addition, the Rollover Shareholders, Parent and Merger Sub believe the Merger is the best way to address the Company's liquidity needs, as the Company (a) requires substantial additional capital to operate on a standalone basis in accordance with the Company's business plan as informed by management and (b) has not been able to, and does not expect to be able to, identify or otherwise access any sources of equity or debt financing for the future operations of the Company prior to the date that it would exhaust its remaining cash resources, if ever.

The Merger will also allow the Rollover Shareholders to maintain a significant portion of their investment in the Company through their obligations to make an equity investment in Parent via the rollover of their existing holdings of Common Stock and Preferred Stock as described in *Special Factors Financing of the Merger Rollover Financing* beginning on page 58.

As stated in the Consortium's initial proposal letter for the Merger submitted to the Company, the Consortium decided to pursue the Merger because they believe that the Company can be operated more effectively as a privately-owned

company. Recent market challenges have created a sharply competitive landscape and the Rollover Shareholders believe, at this point in time in the Company's operating history, it is now more important than ever to embrace a more entrepreneurial approach where the Company and its stakeholders are incentivized to grow and develop the Company's products, brand and business with a longer term perspective. The Rollover Shareholders believe it is increasingly difficult to develop this type of culture in a public company context, where the public markets are increasingly focused on short-term results. As a privately-owned company, the Company would have increased flexibility to make decisions that may negatively affect quarterly results but that may, over the long-term, increase the Company's value. In contrast, as a publicly-traded company, the Company currently faces public shareholder pressure to make decisions that may produce better short-term results, but which may over the long-term lead to a reduction in the per share

TABLE OF CONTENTS

price of its publicly-traded equity securities. As a privately-owned company, the Company would also be relieved of many of the other burdens and constraints imposed on public companies. The need for management to be responsive to public shareholder concerns and to engage in an ongoing dialogue with public shareholders may at times distract management's time and attention from the effective operation and improvement of the business.

For these reasons, the Rollover Shareholders, Parent and Merger Sub believe that private ownership is in the best interests of the business and the organization and that the Merger is in the best interests of the Company's shareholders.

Positions of the Rollover Shareholders as to the Fairness of the Merger

Under a possible interpretation of the SEC rules governing going-private transactions, the Rollover Shareholders may be deemed to be affiliates of the Company and, therefore, are required to express their beliefs as to the substantive and procedural fairness of the Merger to the unaffiliated shareholders of the Company. The Rollover Shareholders are making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

As described below, the Rollover Shareholders believe that the Merger is fair to the unaffiliated shareholders of the Company on the basis of (i) the factors as described in *Special Factors - Reasons for the Merger; Recommendation of the Lead Director and the Board of Directors; Fairness of the Merger* beginning on page 36, which factors the Rollover Shareholders agree with and adopt, and (ii) the additional factors described below. In this section and in *Special Factors - Positions of Parent, Merger Sub, HGI, Philip Falcone and Michael Tokarz as to the Fairness of the Merger* beginning on page 53, we refer to the Board to mean the Board of Directors other than Messrs. Harley and Lynch, who recused themselves from all discussions by the Board of Directors relating to the Merger negotiations (except to the extent their presence was specifically requested by the Lead Director) and all deliberations by the Board of Directors with respect to the approval of the Merger and adoption of the Merger Agreement and related agreements.

None of the Rollover Shareholders participated in the deliberations of the Lead Director or the Board regarding, or received advice from the Company's legal advisor or the Lead Director's financial advisor as to, the fairness of the Merger. As described in *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 60, and in *Special Factors - Certain Effects of the Merger* beginning on page 54, the Rollover Shareholders have interests in the Merger different from those of the unaffiliated shareholders of the Company by virtue of the Rollover Shareholders' obligation to make an equity investment in Parent via the rollover of their existing holdings of Common Stock and Preferred Stock.

The unaffiliated shareholders were represented by the Lead Director, who negotiated the terms and conditions of the Merger Agreement and evaluated the fairness of the Merger, with the assistance of the Lead Director's financial advisor and the Company's outside counsel. The Rollover Shareholders have not performed, nor engaged a financial advisor to perform, any valuation or other analysis for the purpose of assessing the fairness of the Merger to the unaffiliated shareholders of the Company.

Based on the Rollover Shareholders' knowledge and analysis of available information regarding the Company, as well as discussions with members of the Company's senior management regarding the Company and its business and the factors considered by, and the analysis and resulting conclusions of, the Board and the Lead Director described in *Special Factors - Reasons for the Merger; Recommendation of the Lead Director and the Board of Directors; Fairness of the Merger* beginning on page 36, with which the Rollover Shareholders agree and which analysis and

resulting conclusions the Rollover Shareholders adopt, the Rollover Shareholders believe that the Merger is substantively fair to the unaffiliated shareholders of the Company. In particular, the Rollover Shareholders considered the following:

the Rollover Shareholders are not willing to sell their stake in the Company to a third party or allow the Company to merge with or be acquired by another entity; however, the Rollover Shareholders have not applied a minority discount to the merger consideration even though the Rollover Shareholders believe that the possibility of a competing bid by another party is highly unlikely;

other than his receipt of Board of Director and Lead Director fees (which are not contingent upon the consummation of the Merger or the Lead Director's or the Board of Director's recommendation

50

TABLE OF CONTENTS

or approval of the Merger) and his interests described in *Special Factors Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 60, the Lead Director has no financial interest in the Merger that is different from, or in addition to, the interests of the unaffiliated shareholders generally, although the Merger Agreement does include customary provisions for indemnity and the continuation of liability insurance for the Company's officers and directors;

the Board determined, by the unanimous vote of the members of the Board, based on the recommendation of the Lead Director, that the Merger is fair to, and in the best interests of, the Company and its unaffiliated shareholders;

the fact that the Company (i) had been and was currently experiencing significant liquidity issues and (ii) only had a limited amount of availability under its line of credit for operations;

during the fiscal year ended July 27, 2013, the Company's (i) total net sales declined approximately 22.3% over the prior year period, (ii) the net loss increased approximately 250%, and (iii) the working capital deficiency increased by approximately 95%;

as a result of its continuing weak financial results, the Company experienced a coinciding decline in the market price of its common stock;

management of the Company's belief that if the Company's merchandise vendors did not continue to ship new product without being paid in full for their past due invoices, the Company would not have sufficient capital resources to fund its planned activities beyond December 31, 2013;

the fact that the Company would require substantial additional capital to operate on a standalone basis in accordance with the Company business plan;

the fact that the Company had not been able to, and did not expect to be able to, identify or otherwise access any sources of equity or debt financing for the future operations of the Company prior to the date that it would exhaust its remaining cash resources, if ever;

the possibility that (i) the Company's inability to continue as a going concern would likely result in a voluntary or involuntary bankruptcy, restructuring or liquidation in which the Company could receive less than the value at which its assets were carried on the Company's consolidated financial statements and (ii) in the event of a voluntary or involuntary bankruptcy, restructuring or liquidation of the Company, the holders of the Company's Common Stock would likely receive little or no value and would likely lose all or substantially all of their investment in the Company;

the per share merger consideration of \$0.27 represents (i) a 50% premium to the closing price of the Company's Common Stock on September 27, 2013, the last trading day before the announcement by the Consortium of its initial proposal and (ii) a 46% premium over the average closing price of the Company's Common Stock for the 45 trading days prior to September 27, 2013, the last trading day before the announcement by the Consortium of its initial proposal;

the Merger will provide consideration to the unaffiliated shareholders of the Company entirely in cash, allowing the unaffiliated shareholders of the Company to immediately realize a certain and fair value for their shares of Common Stock and eliminating any uncertainty in valuing the consideration to be received by such shareholders;

the Merger shifts the risks relating to the Company's ability to continue as a going concern from the unaffiliated shareholders to the Rollover Shareholders;

the Merger shifts the risk of future financial performance from the unaffiliated shareholders to the Rollover Shareholders; and

the Merger allows unaffiliated shareholders to receive value for their stock, which would likely not be available if the Company voluntarily or involuntarily liquidated.

The Rollover Shareholders did not establish, and did not consider, a pre-Merger public company going concern value of Common Stock for the purposes of determining the per share merger consideration or the

TABLE OF CONTENTS

fairness of the per share merger consideration to the unaffiliated shareholders of the Company because, following the Merger, the Company will have a significantly different capital structure. However, to the extent the pre-Merger going concern value was reflected in the pre-announcement per share price of Common Stock, the per share merger consideration of \$0.27 represented a premium to the going concern value of the Company. In addition, the Rollover Shareholders did not consider net book value of Common Stock because they believe that net book value, which is an accounting concept, does not reflect, or have any meaningful impact on, either the market trading prices of Common Stock or the Company's value as a going concern. The Rollover Shareholders did not consider liquidation value in determining the fairness of the Merger to the unaffiliated shareholders of the Company because of (i) their belief that liquidation sales generally result in proceeds substantially less than sales of a going concern, (ii) the impracticability of determining a liquidation value given the significant execution risk involved in any breakup, (iii) their belief that the Company is a viable, going concern and (iv) the Company's plans to continue to operate its business following the Merger.

The Rollover Shareholders believe that the Merger is procedurally fair to the unaffiliated shareholders of the Company based upon the following:

the Lead Director conducted an extensive due diligence investigation of the Company before commencing negotiations, which the Rollover Shareholders believe provided the Lead Director with the information necessary to effectively represent the interests of the unaffiliated shareholders;

the Lead Director retained its own recognized financial advisor;

other than their receipt of Board of Directors and Lead Director fees (which are not contingent upon the consummation of the Merger or the Lead Director's or the Board's recommendation or approval of the Merger) and their interests described in *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 60, the Lead Director, who is disinterested and independent and is not affiliated with the Rollover Shareholders, Parent or Merger Sub, and who has no financial interest in the Merger that is different from, or in addition to, the interests of the unaffiliated shareholders generally, was given exclusive authority to, among other things, review, evaluate and negotiate the terms of the proposed Merger, to decide not to engage in the Merger and to consider alternatives to the Merger;

the per share merger consideration of \$0.27, and the other terms and conditions of the Merger Agreement, resulted from extensive negotiations between Parent and its advisors, on the one hand, and the Lead Director and his advisors, on the other hand;

the Lead Director was deliberate in his process, taking over two months to analyze and evaluate the Consortium's initial proposal and to negotiate with the Consortium the terms of the proposed Merger, ultimately resulting in a \$0.04, or 17%, per share increase in the merger consideration to be paid in connection with the Merger over that initially proposed by the Consortium;

the Lead Director received an opinion of his financial advisor as to, as of December 18, 2013, the fairness, from a financial point of view, to the Public Shareholders of the merger consideration to be received by such holders in the Merger pursuant to the Merger Agreement;

the Board determined, by the unanimous vote of the members of the Board, based on the recommendation of the Lead Director, that the Merger is fair to, and in the best interests of, the Company and its unaffiliated shareholders; and shareholders who do not vote in favor of the Merger Agreement and who comply with certain procedural requirements will be entitled, upon completion of the Merger, to exercise statutory appraisal rights under New York law, which allow shareholders to have the fair value of their shares determined by a court; and

the fact that there are no unusual requirements or conditions to the Merger to provide the financing necessary to consummate the Merger expeditiously, increasing the likelihood that the Merger will be consummated and that the consideration to be paid to the unaffiliated shareholders of the Company in the Merger will be received.

TABLE OF CONTENTS

The foregoing discussion of the information and factors considered and given weight by the Rollover Shareholders in connection with the fairness of the Merger Agreement and the Merger is not intended to be exhaustive, but is believed to include all material factors considered by them. The Rollover Shareholders did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching their position as to the fairness of the Merger Agreement and the Merger. Rather, the Rollover Shareholders made the fairness determinations after considering all of the foregoing as a whole. The Rollover Shareholders believe these factors provide a reasonable basis upon which to form their belief that the Merger is fair to the unaffiliated shareholders of the Company. This belief should not, however, be construed as a recommendation to any Company shareholder to approve the Merger or adopt the Merger Agreement. The Rollover Shareholders do not make any recommendation as to how shareholders of the Company should vote their shares of Common Stock relating to the Merger.

The decision to undertake the going-private transaction at this time was made after taking into account the negative effects that the Company's financial results have had on the Company's ability to take advantage of certain benefits of being a public entity, including financing opportunities and an active, liquid market for its Common Stock. Despite the capital infusion provided by the Series B Preferred convertible transaction and the recent increase in the amount of funds available under the Company's credit facility, the Company continued to face significant liquidity and other financial difficulties. The Company has not been able to, and does not expect to be able to, identify or otherwise access any sources of equity or debt financing for the future operations of the Company prior to the date that it would exhaust its remaining cash resources. In light of these factors, the Rollover Shareholders and the Lead Director have determined that the costs and challenges associated with keeping the Company a public company far exceed the benefits and that undertaking the going private transaction at this time would alleviate such costs and challenges.

Positions of Parent, Merger Sub, HGI, Philip Falcone and Michael Tokarz as to the Fairness of the Merger

Under a possible interpretation of the SEC rules governing going-private transactions, Parent, Merger Sub, HGI, Philip Falcone and Michael Tokarz may be deemed to be affiliates of the Company and, therefore, required to express their beliefs as to the substantive and procedural fairness of the Merger to the unaffiliated shareholders of the Company. Parent, Merger Sub, HGI, Mr. Falcone and Mr. Tokarz are making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

None of Parent, Merger Sub, HGI, Mr. Falcone or Mr. Tokarz participated in the deliberations of the Lead Director or the Board regarding, or received advice from the Company's legal advisor or the Lead Director's legal or financial advisors as to, the fairness of the Merger to the Company's unaffiliated shareholders. Parent, Merger Sub, HGI, Mr. Falcone and Mr. Tokarz considered the same factors considered by, and adopted the analysis and resulting conclusions of, the Rollover Shareholders, as described in *Special Factors - Positions of the Rollover Shareholders as to the Fairness of the Merger* beginning on page 50. Based on the information and factors set forth in the foregoing discussion, as well as Parent's, Merger Sub's, HGI's, Mr. Falcone's and Mr. Tokarz's knowledge and analysis of available information regarding the Company, as well as discussions with members of the Company's senior management regarding the Company and its business and the factors considered by, and the analysis and resulting conclusions of, the Board and the Lead Director described in *Special Factors - Reasons for the Merger; Recommendation of the Lead Director and the Board of Directors; Fairness of the Merger* beginning on page 36 (including, without limitation, the Board's and Lead Director's analysis with respect to the Company's going concern value), with which Parent, Merger Sub, HGI, Mr. Falcone and Mr. Tokarz agree and which analysis and resulting conclusions Parent, Merger Sub, HGI, Mr. Falcone and Mr. Tokarz adopt, Parent, Merger Sub, HGI, Mr. Falcone and Mr. Tokarz believe that the Merger is fair to the unaffiliated shareholders of the Company. Parent, Merger Sub, HGI, Mr. Falcone and Mr. Tokarz believe that the foregoing information and factors provide a reasonable basis for their belief that the Merger is fair to the

unaffiliated shareholders of the Company. This belief should not, however, be construed as a recommendation to any Company shareholder to approve the Merger or adopt the Merger Agreement. Parent, Merger Sub, HGI, Mr. Falcone and Mr. Tokarz do not make any recommendation as to how shareholders of the Company should vote their shares of Common Stock relating to the Merger.

TABLE OF CONTENTS

Plans for the Company after the Merger

After the Effective Time, neither the Company's corporate structure nor its business will change. Parent anticipates that the Company will continue its current operations, except that it will (i) cease to be an independent public company and will instead be a wholly owned subsidiary of Parent and (ii) have significantly more debt than it currently has. There are no current plans to repay the debt taken out to finance the Merger, which is due on May 31, 2015 if the Merger is consummated. If the Merger is consummated, the Common Stock will cease to be quoted on the OTCQB and will cease to be registered under the Exchange Act (via termination of registration pursuant to Section 12(g) of the Exchange Act). After the Effective Time: (i) no member of the present Board of Directors of the Company will continue to serve as a director of the Company, and (ii) the present directors of Merger Sub will become the directors of the Company. The named Executive Officers of the Company immediately prior to the Effective Time will remain the named Executive Officers of the Company, specifically Thomas J. Lynch and Thomas Rende, in each case until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be. Parent has entered into a new employment agreement with Thomas J. Lynch, the chief executive officer and chairman of the Board of Directors of the Company, but has not entered into a new employment agreement with Mr. Rende or any other executive officer of the Company.

Mr. Lynch's new employment agreement, which was negotiated after the Lead Director negotiated the merger consideration of \$0.27 per share in cash, will commence only upon the Effective Time. The new employment agreement makes the following material changes to the terms of Mr. Lynch's employment: (i) the term of his new employment will continue until the third anniversary of the Effective Time, unless terminated earlier as provided in the agreement, or unless extended by mutual written agreement of the Company, Parent and Mr. Lynch, (ii) the Company will pay Mr. Lynch a one-time cash signing bonus of \$150,000, (iii) as additional compensation, Parent will recommend to its board of managers that Mr. Lynch be granted an equity interest in Parent, representing approximately 5% of the outstanding equity interests of Parent outstanding after the Merger, in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms, to be made promptly, but in no event more than sixty days, following the Effective Time, (iv) Mr. Lynch must deliver to the Company a general release of all claims in a form and substance acceptable to the Company, in order to receive any payments upon termination of his employment (other than payments required by law), and (v) the change of control provision in Mr. Lynch's existing employment agreement, which would have provided him with a cash bonus of \$675,000 if his employment was terminated under certain circumstances following a change of control, was not included. For a full description of the employment agreements of Messrs. Lynch and Rende, see *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 60.

Certain Effects of the Merger

If the Shareholder Approval is obtained and the other conditions to the Closing are either satisfied or waived, Merger Sub will be merged with and into the Company, with the Company surviving as a wholly owned subsidiary of Parent. Except for the Rollover Shareholders (and Mr. Lynch, upon his receipt of an equity interest in Parent, pursuant to his new employment agreement, in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms), none of our current shareholders will have any ownership interest in, or be a shareholder of, the Company after the completion of the Merger. As a result, our current shareholders (other than the Rollover Shareholders and Mr. Lynch) will no longer benefit from any increase in our value, nor will they bear the risk of any decrease in our value. Following the Merger, Parent (and Mr. Lynch) will benefit from any increase in our value and also will bear the risk of any decrease in our value.

Upon the consummation of the Merger:

each issued and outstanding share of Common Stock held by the Public Shareholders will be converted automatically into and will represent the right to receive \$0.27 in cash, without interest and less any required withholding taxes, and each share shall otherwise cease to be outstanding and shall otherwise automatically be cancelled and cease to exist;

54

each issued and outstanding share of Common Stock that is owned by the Rollover Shareholders (all of which stock shall, immediately prior to the Effective Time, be held indirectly by Parent pursuant to the terms of the Rollover Agreement between Parent and each of the Rollover Shareholders, as described in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities* beginning on page 87) immediately prior to the Effective Time shall cease to be outstanding and shall automatically be cancelled and shall cease to exist;

each Company stock option (other than those held by Mr. Harley) that is outstanding immediately prior to the Effective Time, whether or not vested or exercisable, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, if any, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to the stock option, multiplied by (b) the total number of shares of Common Stock then issuable upon the exercise of the stock option. As of the date of this proxy statement, the Company has outstanding options to purchase 360,000 shares with an exercise price of less than \$0.27, which will be cancelled for an aggregate consideration of \$30,900. All of the Company's other outstanding stock options (including all of those held by the Company's directors and Executive Officers) will be cancelled for no consideration;

each Company share-based award other than a stock option, including restricted share awards (other than those held by Mr. Harley), whether or not vested, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) \$0.27 per share, multiplied by (b) the total number of shares of Common Stock constituting the award. As of the date of this proxy statement, the Company has outstanding an aggregate of 737,194 shares subject to restricted share awards, which will be cancelled in exchange for aggregate consideration of \$199,042.38. These amounts include an aggregate of 578,694 shares subject to restricted share awards held by the Company's directors (other than Mr. Harley) and Executive Officers, which will be cancelled for aggregate consideration of \$156,247.38;

each Company warrant (other than those held by Mr. Harley and the other Rollover Shareholders), whether or not vested or exercisable, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, if any, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to the warrant, multiplied by (b) the total number of shares of Common Stock then issuable upon the exercise of the warrant. However, any Company warrant that will have no value after the Effective Time (because the warrant has an exercise price per share that is greater than the merger consideration and, as of the Effective Time, the holder of the warrant will be entitled to receive, upon exercise of the warrant, only the merger consideration multiplied by the number of shares subject to the warrant), may remain outstanding. As of the date of the proxy statement, the Company has no outstanding warrants (other than those held by one of the Rollover Shareholders) with an exercise price of less than \$0.27 and, accordingly, no consideration will be paid with respect to these warrants; and

each Company stock option and restricted share award held by Mr. Harley and each warrant held by Mr. Harley and the other Rollover Shareholders, as of the Effective Time, will be cancelled on the terms and conditions set forth in the Rollover Agreement between Parent and the Rollover Shareholders.

Following the Merger, the entire equity in the Company, as the surviving corporation, will be owned by Parent. If the Merger is completed, the Rollover Shareholders (and Mr. Lynch, upon his receipt of an equity interest in Parent, pursuant to his new employment agreement, in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms) will be the sole beneficiaries of our future earnings and growth, if any, and will be entitled to vote on corporate matters affecting the Company following the Merger. Similarly, the Rollover Shareholders

TABLE OF CONTENTS

(and Mr. Lynch, upon his receipt of such equity interest) will also bear the risks of ongoing operations, including the risks of any decrease in our value after the Merger and the operational and other risks related to the incurrence by the Company, as the surviving corporation, of additional debt as described below in *Special Factors Financing of the Merger* beginning on page 58.

If the Merger is completed, the Company's shareholders other than the Rollover Shareholders (and Mr. Lynch) will have no interest in the Company's net book value or net earnings.

Following the Merger, the Rollover Shareholders (and Mr. Lynch, upon his receipt of an equity interest in Parent, pursuant to his new employment agreement, in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms) will own 100% of Parent (and thereby indirectly 100% of the Company). The following table sets forth, among other things, the percentage ownership of the Company by each of the Rollover Shareholders and Mr. Lynch pre-and post-Merger, as well as the interest in the net book value and net earnings of the Company of each of the Rollover Shareholders and Mr. Lynch pre-and post-Merger.

(3) Based on a net loss of \$23,455,000 for the fiscal year ended July 27, 2013.

The equity interest in Parent that is to be granted to Mr. Lynch under his new employment agreement will be in the (4) form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and will be subject to vesting and other terms.

As of the consummation of the Merger, the Rollover Shareholders (and Mr. Lynch), and any permitted assignee or designee thereof, will have an indirect interest in our net book value and earnings as a result of their ownership of all the equity interests in Parent.

TABLE OF CONTENTS

A primary benefit of the Merger to the unaffiliated shareholders of the Company will be the right of such shareholders to receive a cash payment of \$0.27, without interest, for each share of Common Stock held by such shareholders, representing a premium of approximately 50% to the closing price of the Common Stock on September 27, 2013, the last trading day before the announcement by the Consortium Members of their proposal to acquire all outstanding shares of Common Stock not owned by him, as well as a premium of approximately 46% over the average closing price of the Company's Common Stock for the 45 trading days prior to that date.

The primary detriments of the Merger to the unaffiliated shareholders of the Company include the lack of interest of such shareholders in our potential future earnings, growth or value. Additionally, the receipt of cash in exchange for shares of Common Stock pursuant to the Merger will generally be a taxable sale transaction for U.S. federal income tax purposes to our shareholders who surrender shares of our Common Stock in the Merger.

In connection with the Merger, the Rollover Shareholders (and Mr. Lynch), and any permitted assignee or designee of the foregoing, will receive benefits and be subject to obligations that are different from, or in addition to, the benefits received by our unaffiliated shareholders generally. The primary benefits of the Merger to the Rollover Shareholders (and Mr. Lynch), based on their ownership of all the equity interests in Parent, include their interest in our potential future earnings and growth which, if they successfully execute their business strategies, could be substantial.

Additionally, following the Merger, we will be a private company, and as such will be relieved of the burdens imposed on companies with publicly traded equity, including the requirements and restrictions on trading that our directors, officers and beneficial owners of more than 10% of the shares of our Common Stock face as a result of the provisions of Section 16 of the Exchange Act and the requirement of furnishing a proxy statement in connection with shareholders' meetings pursuant to Section 14(a) of the Exchange Act. Termination of registration of our Common Stock under the Exchange Act will also substantially reduce the information required to be furnished by the Company to the public and the SEC. It is estimated that the Company will save approximately \$700,000 per year as a result of no longer being a publicly traded company. Additionally, following the Merger, the Rollover Shareholders will control the surviving corporation. Additional anticipated benefits to the Rollover Shareholders include receiving tax-free treatment with respect to the contribution of shares of Common Stock in the transaction pursuant to the Rollover Agreement discussed in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities* *Rollover Agreement* beginning on page 87. As a result of the Merger, the Rollover Shareholders (and Mr. Lynch) may also become the beneficiaries of the Company's future use of net operating loss carryforwards, which, as of July 27, 2013, equaled approximately \$80,000,000 before any ownership change adjustments under Section 382 of the Code. The Company's management determined that an ownership change of the Company under Section 382 of the Code occurred in connection with the sale of the Series B Convertible Preferred Stock on March 15, 2013. Accordingly, management determined, on a preliminary basis, that the amount of net operating loss carryforwards that may be utilized to offset future taxable income will be limited to approximately \$365,000 per year until the last of the net operating loss carryforwards expire in 20 years, or approximately \$7,300,000 in the aggregate. It is possible that the Company's income may be higher following the Merger due in part to the cost savings noted above relating to the Company's avoidance of costs associated with being a publicly traded company. The ownership changes of the Company that occurred on March 3, 2005 and January 28, 2008 would have resulted in a higher annual limitation and therefore have no effect on these estimates. The Company's management also determined, on a preliminary basis, that the Merger will not result in a further annual limitation, because it will not result in an ownership change of the Company.

The primary detriments of the Merger to the Rollover Shareholders (and Mr. Lynch) include the fact that all of the risk of any possible decrease in our earnings, growth or value, and all of the risks related to our additional leverage, which is substantial, following the Merger will be borne by Parent and indirectly by such shareholders. Additionally, the interests of the Rollover Shareholders (and Mr. Lynch) in Parent and the Company will not be liquid, with no public trading market for such securities, and the equity securities of Parent and the Company may be subject to contractual

restrictions on transfer, including, in the case of our securities, liens to the extent provided under the terms of our debt financing.

TABLE OF CONTENTS

In connection with the Merger, the Executive Officers will receive benefits and be subject to obligations that are different from, or in addition to, the benefits and obligations of the Company's unaffiliated shareholders generally, as described above with respect to Mr. Lynch and as described generally in more detail in *Special Factors Interests of the Company's Directors and Executive Officers in the Merger* beginning on page 60. Such incremental benefits are expected to include, among others, Mr. Lynch continuing as an executive officer of the surviving corporation and receiving, pursuant to his new employment agreement, an equity interest in Parent in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms. Additionally, Thomas Rende, if he does not continue as executive officer of the surviving corporation, will receive certain change in control payments.

The Common Stock is currently registered under the Exchange Act and is quoted on the OTCQB under the symbol FOHL. As a result of the Merger, the Company will be a privately held corporation and there will be no public market for its stock. After the Merger, the Common Stock will cease to be quoted on the OTCQB and price quotations with respect to sales of Common Stock in the public market will no longer be available. In addition, registration of the Common Stock under the Exchange Act will be terminated.

The certificate of incorporation and the by-laws of the Company will be amended in the Merger to read in their entirety in the form of Exhibit D to the Merger Agreement (in the case of the certificate of incorporation) and Exhibit E to the Merger Agreement (in the case of the by-laws), and, as so amended, will be the certificate of incorporation and by-laws of the Company following the Merger until thereafter amended in accordance with their respective terms and the NYBCL. The Merger Agreement (including the amendment thereto) is attached to this proxy statement as *Annex A*.

Financing of the Merger

The Company and Parent estimate that the total financing required to complete the Merger and related transactions and pay related fees and expenses will be approximately \$25,230,585, which consists of \$21,209,150 in rollover equity, \$3,161,435 in merger consideration payable in cash to the Public Shareholders and holders of Company stock options and an estimated \$860,000 in fees and expenses. Parent expects this amount to be provided through a combination of the proceeds of:

the rollover of Common Stock by the Rollover Shareholders immediately prior to the Merger (representing 27,678,679 shares of Common Stock, 58,056 shares of Series A Convertible Preferred Stock and 110,804 shares of Series B Convertible Preferred Stock, the equivalent of an approximately \$21,209,150 investment based upon the per share merger consideration of \$0.27 and valuing the convertible preferred stock on an as-converted basis), which is described in *Special Factors Financing of the Merger Rollover Financing* beginning on page 58; and debt financing (up to \$6,000,000 of which may be used for the Merger), which is available to us under our existing credit facility with the Lenders and which is described in *Special Factors Financing of the Merger Debt Financing* beginning on page 59.

Rollover Financing

On December 18, 2013, the Rollover Shareholders entered into the Rollover Agreement with Parent, pursuant to which the Rollover Shareholders collectively committed to contribute, immediately prior to the consummation of the Merger, an aggregate amount of 27,678,679 shares of Common Stock, 58,056 shares of Series A Convertible Preferred Stock and 110,804 shares of Series B Convertible Preferred Stock to Parent (the equivalent of a \$21,209,150 investment based on the per share merger consideration of \$0.27 and valuing the convertible preferred stock on an as-converted basis) in exchange for an increase in their equity interests in Parent. The obligations of the Rollover

Shareholders pursuant to the Rollover Agreement are conditioned upon the satisfaction or waiver of the conditions to the obligations of Parent to complete the Merger contained in the Merger Agreement.

The Rollover Agreement is further described in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities* beginning on page 87.

Debt Financing

The Company is party to that certain Credit and Security Agreement, dated as of May 31, 2012, which, as amended, supplemented, modified and in effect on the date of this proxy statement, we refer to as the Credit Agreement, with FOH Holdings, Inc., Frederick's of Hollywood, Inc., Frederick's of Hollywood Stores, Inc. and Hollywood Mail Order, LLC, each a direct or indirect subsidiary of the Company, and which we refer to as the Borrowers, and the Lenders.

The Credit Agreement, among other things, provides for a line of credit of up to \$35,000,000, which includes two tranches of first in last out advances. The second such tranche, or the Second Tranche, in the amount of \$11,000,000, represents (i) \$5,000,000 that was advanced to the Company on October 10, 2013 to provide short term working capital and (ii) up to \$6,000,000 that may be advanced upon consummation of the Merger, at the Borrowers' option, subject to the terms and conditions of the Credit Agreement, in order to finance the payment of the merger consideration and for other fees, expenses, costs and obligations incurred by Borrowers in connection with the Merger, or the Merger Advance. The Company will pay an additional origination fee in an amount equal to \$60,000, which will be due and payable on the earliest of (A) the date on which the Lender funds the Merger Advance, (B) the occurrence of an Event of Default under the Credit Agreement, or (C) June 15, 2014, if the Merger has not occurred by such date.

The \$5,000,000 advance is to be repaid on June 15, 2014 if the Merger is not consummated by that date, or May 31, 2015 if the Merger is consummated on or before June 15, 2014. The \$6,000,000 advance, if made, plus any additional amount that the Lender may elect to advance in its sole discretion, is to be repaid on May 31, 2015. The unpaid principal of the Second Tranche will bear interest, payable monthly, in arrears, at an amount equal to the LIBOR Rate (as defined in the Credit Agreement) in effect from time to time plus 11.5% per annum, but not less than 14% per annum regardless of fluctuations in the LIBOR Rate. Following the consummation of the Merger, so long as no Event of Default (as defined in the Credit Agreement) has occurred and is continuing, a portion of the interest payable on the Second Tranche equal to 6% per annum (or such lesser amount as the Borrowers may elect) shall be capitalized, compounded and added to the unpaid amount of the total obligations due under the credit facility on each interest payment date and shall also accrue interest at the applicable rate and will be due and payable in cash on May 31, 2015.

The obligations of the Borrowers under the Credit Agreement, including for the Merger Advance, are secured by first priority security interests granted to the Lenders in all of the Borrowers' tangible and intangible property, including intellectual property such as trademarks and copyrights, as well as shares and membership interests of the Borrowers that are subsidiaries of other Borrowers.

The Merger Advance is subject to certain conditions, including, without limitation:

the absence of any Default (as defined in the Credit Agreement) or Event of Default as of the date of Borrowers' notice to Lenders regarding the Merger Advance and as of the effective date of the proposed increase in the amounts under the Second Tranche;

Borrowers shall have concurrently with the making of such Merger Advance consummated the Merger; after giving effect to the requested Merger Advance (x) the aggregate principal amount of the two tranches of first in last out advances exclusive of paid-in-kind interest accrued thereon shall not exceed the lesser of \$25,000,000 and the fair market value of the Company's intellectual property, unless the Merger closes after June 15, 2014, in which case the limit shall be the lesser of \$19,000,000 and 85% of the fair market value of the Company's intellectual property rights, and (y) the outstanding balance of all advances under the Credit Agreement shall not exceed the Borrowing Base (as defined in the Credit Agreement); and

payment by Borrowers to Lender of the additional origination fee described above.

Although the debt financing described in this proxy statement is not subject to due diligence or a market out provision, which allows lenders not to fund their commitments if certain conditions in the financial markets prevail, there is still a risk that such debt financing may not be funded when required. As of

59

the date of this proxy statement, no alternative financing arrangements or alternative financing plans have been made in the event the debt financing described in this proxy statement is not available as anticipated.

The Lenders are affiliates of HGI, HGI Funding and Parent. Salus commenced operations in December 2011 and is a subsidiary of HGI engaged primarily in the business of providing secured asset-based loans across a variety of industries. Salus CLO is a collateralized loan obligation vehicle of Salus providing for the issuance of collateralized obligations. The Lenders under the Credit Agreement have in the past engaged, and may in the future engage, in transactions with and perform services, including commercial banking, financial advisory and investment banking services, for the Company and its affiliates in the ordinary course of business for which they have received or will receive customary fees and expenses.

No plans or arrangements have been made to refinance or repay the Merger Advance.

Copies of the Credit Agreement and the amendments thereto are attached as exhibits to the Current Reports on Form 8-K filed by the Company with the SEC June 6, 2012, May 30, 2013, July 31, 2013, October 16, 2013 and April 1, 2014.

Interests of the Company's Directors and Executive Officers in the Merger

When considering the recommendation of the Board of Directors, you should be aware that certain members of the Board of Directors and our Executive Officers have interests in the Merger other than their interests as shareholders generally, including those described below. These interests may be different from, or in conflict with, your interests as a shareholder of the Company. The members of the Board of Directors and the Lead Director were aware of these additional interests, and considered them, when they approved the Merger Agreement and recommended that shareholders vote in favor of approving the Merger and adopting the Merger Agreement.

At the Effective Time, shares of Common Stock held by the members of the Board of Directors (other than Mr. Harley) and our Executive Officers will be converted into the right to receive the merger consideration in the same manner as all outstanding shares of Common Stock held by the unaffiliated shareholders of the Company, as described in *Special Factors – Certain Effects of the Merger* beginning on page 54.

Interests of the Non-Employee Directors

Each Company stock option that is held by a non-employee director (other than those held by Mr. Harley) and that is outstanding immediately prior to the Effective Time, whether or not vested or exercisable, will, as of the Effective Time, be cancelled and will entitle each holder thereof to receive a payment, if any, in cash from the Company (less any applicable withholding taxes), promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to such stock option, multiplied by (b) the total number of shares of Common Stock then issuable upon the exercise of such stock option. As of the date of this proxy statement, none of the non-employee directors (including Mr. Harley) hold stock options with an exercise price of less than \$0.27. Accordingly, all of the stock options held by the non-employee directors will be cancelled for no consideration.

As of the Effective Time, each Company share-based award other than a stock option, including restricted share awards (other than those held by Mr. Harley), whether or not vested, will be cancelled and will entitle each holder thereof to receive a payment, in cash from the Company (less any applicable withholding taxes) promptly following

the Effective Time, equal to (a) \$0.27 per share, multiplied by (b) the total number of shares of Common Stock constituting the award. As of the date of this proxy statement, the non-employee directors (other than Mr. Harley) hold an aggregate of 99,500 shares subject to restricted share awards, which will be cancelled in exchange for aggregate consideration of \$26,865.

Mr. Harley and the other Rollover Shareholders will contribute, immediately prior to the consummation of the Merger, their shares of our capital stock beneficially owned by them (after taking into account the transfer of shares of Series A Convertible Preferred Stock from TTG to HGI Funding pursuant to the Purchase Agreement) to Parent in exchange for an increase in their equity interests in Parent. Following the Merger, the Company will be 100% beneficially owned by Mr. Harley and the other Rollover Shareholders (and Mr. Lynch, upon his receipt of an equity interest in Parent, pursuant to his new employment agreement, in the

TABLE OF CONTENTS

form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms), and any permitted assignee or designee thereof. For a description of the treatment of the Common Stock beneficially owned by Mr. Harley in the Merger and a discussion of Mr. Harley's continuing interest in the Company as a Rollover Shareholder, see *Special Factors - Certain Effects of the Merger* beginning on page 54. Each Company stock option and restricted share award held by Mr. Harley and each warrant held by Mr. Harley and the other Rollover Shareholders, as of the Effective Time, will be cancelled on the terms and conditions set forth in the Rollover Agreement between Parent and the Rollover Shareholders.

Peter Cole and William F. Harley III, each a member of our Board of Directors, became members of the board of managers of Parent on the date the Merger Agreement was executed. Currently, members of the board of managers of Parent receive no cash fees or equity awards for their service.

Interests of Executive Officers

Each Company stock option that is held by an Executive Officer (or any other holder who is not a Rollover Shareholder) and that is outstanding immediately prior to the Effective Time, whether or not vested or exercisable, will, as of the Effective Time, be cancelled and will entitle each such holder thereof to receive a payment, if any, in cash from the Company (less any applicable withholding taxes), promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to such stock option, multiplied by (b) the total number of shares of Common Stock then issuable upon the exercise of such stock option. As of the date of this proxy statement, the Executive Officers do not hold stock options with an exercise price of less than \$0.27.

Accordingly, all of the stock options held by the Executive Officers will be cancelled for no consideration.

As of the Effective Time, each Company share-based award other than a stock option that is held by an Executive Officer (or any other holder who is not a Rollover Shareholder), including restricted share awards, whether or not vested, will be cancelled and will entitle each holder thereof to receive a payment, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) \$0.27 per share, multiplied by (b) the total number of shares of Common Stock constituting the award. As of the date of this proxy statement, our employees hold an aggregate of 637,694 shares of Common Stock subject to restricted share awards (of which 479,194 shares are held by our Executive Officers), which will be cancelled in exchange for aggregate consideration of \$172,177.38 (of which \$129,382.38 will be paid to our Executive Officers).

We have an employment agreement with Thomas Rende, our chief financial officer, which expired on December 31, 2013, although its terms generally continue to apply after its expiration. Under the continuing terms of his employment agreement, Mr. Rende will be entitled to enhanced severance benefits if (1) a change of control (as defined in his employment agreement) occurs (which includes the consummation of the Merger) and (2) within 24 months thereafter, his employment as an at will employee is terminated. In such event, we will pay Mr. Rende an amount equal to 125% of his base salary, in addition to all other compensation and benefits otherwise to be paid pursuant to his employment agreement. Under the continuing terms of his employment agreement, the change of control payment will be made in two installments: (x) the first installment will be paid ten days after his employment is terminated, in an amount equal to twice the lesser of: (a) the sum of his total compensation (including salary and bonus) for the calendar year preceding the year in which his employment with the Company was terminated (adjusted for any increase during that year that was expected to continue indefinitely if he had not terminated employment), and (b) the maximum amount that may be taken into account under a qualified plan under section 401(a)(17) of the Code for the year in which his employment with the Company is terminated; and (y) the second installment will be paid on the first business day following the day that is six months after his employment is terminated, in an amount equal to the balance, if any, of the change of control payment. The other compensation and benefits otherwise to be paid to Mr.

Rende include: (i) the sum of \$250,000; (ii) any non-equity incentive compensation that would have become payable for the year in which his employment was terminated, pro-rated for the number of months worked during the fiscal year of termination; (iii) company-paid continuation of medical coverage for one year after termination; (iv) all valid business expense reimbursements; and (v) all accrued but unused vacation pay.

TABLE OF CONTENTS**Named Executive Officer Merger-Related Compensation Table**

The descriptions of the payments immediately above as they relate to our named executive officers, Thomas J. Lynch and Thomas Rende, and the quantifications of the payments in the table below are intended to comply with Item 402(t) of Regulation S-K of the Exchange Act, which requires disclosure of information about compensation and benefits that each of the Company's named executive officers will or may receive in connection with the Merger. This compensation is referred to as golden parachute compensation by applicable SEC disclosure rules, and such compensation is subject to a non-binding, advisory vote of the Company's shareholders, as described below in *Advisory Vote Regarding Merger-Related Compensation Proposal* beginning on page 101.

Named Executive Officer	Cash (\$)	Equity (\$) ⁽¹⁾	Perquisites/benefits (\$)	Total (\$)
Thomas J. Lynch ⁽²⁾		87,345		87,345
Thomas Rende	637,500 ⁽³⁾	42,037	23,739 ⁽⁴⁾	703,276

None of the Company's named executive officers currently hold any unvested equity awards. The amounts represent each Company stock-based award that is held immediately prior to the Effective Time, which will, as of (1) the Effective Time, be cancelled and will entitle the holder to receive a payment in cash from the Company (less any applicable withholding taxes), promptly following the Effective Time, equal to (a) \$0.27 per share, multiplied by (b) the total number of shares of Common Stock represented by such award.

Mr. Lynch has entered into a new employment agreement described below to become effective at the Effective Time. The change of control provision in Mr. Lynch's existing employment agreement, which would have provided (2) him with a cash bonus of \$675,000 if his employment was terminated under certain circumstances following a change of control, was not included in the new employment agreement. Accordingly, Mr. Lynch will not be entitled to receive any severance or change of control benefits upon the consummation of the Merger other than the equity he will receive as described in footnote 1, above.

Represents (a) \$250,000 severance payment and (b) a change of control payment equal to 125% of Mr. Rende's (3) base salary (\$387,500). The change of control payment is a double-trigger payment, meaning that it is conditioned upon the Merger occurring and the termination of Mr. Rende's employment by the Company without cause or by Mr. Rende for good reason within 24 months following the Merger).

(4) Represents \$23,739 for continuation of medical insurance benefits for one year after termination.

Employment Agreements

In connection with the execution of the Merger Agreement, we entered into a new employment agreement with Thomas J. Lynch, our chairman and chief executive officer, and Parent, which was negotiated after the Lead Director negotiated the merger consideration of \$0.27 per share in cash. The new employment agreement will commence only upon the Effective Time and will continue until the third anniversary of the Effective Time, unless terminated earlier as provided in the agreement, or unless extended by mutual written agreement of the Company, Parent and Mr. Lynch.

If the Merger is not consummated, the agreement will not take effect. Until the new employment agreement takes effect, the terms of Mr. Lynch's employment will continue to be governed by his existing employment agreement. The existing employment agreement expired on January 2, 2014, but its terms generally continue to apply after its expiration.

The new employment agreement provides for Mr. Lynch to continue to serve as the Company's chief executive officer at a base salary of \$540,000 per year. Within 30 days of the Effective Time, the Company will pay Mr. Lynch a one-time cash signing bonus of \$150,000. In addition to his base salary, Mr. Lynch is eligible to receive a target annual incentive bonus of up to 65% of his base salary in accordance with the terms of an annual bonus plan approved

by the Company's Board of Directors and Parent. From time to time, Mr. Lynch also will be eligible to receive such discretionary bonuses as the Company's Board of Directors and Parent deem appropriate. As additional compensation, Parent will recommend to its board of managers that Mr. Lynch be granted an equity interest in Parent, pursuant to his new employment agreement, in the form of incentive units that are part of a separate series of units from those being issued to the Rollover Shareholders and are subject to vesting and other terms, to be made promptly, but in no event more than

62

TABLE OF CONTENTS

sixty days, following the Effective Time. The equity interest granted to Mr. Lynch will represent approximately 5% of the outstanding equity interests of Parent outstanding after the Merger.

The new employment agreement provides that if, during the employment term, we terminate Mr. Lynch without cause or he terminates his employment for good reason (as such terms are defined in the new employment agreement), or if we do not continue his employment at the end of the employment term upon substantially similar terms, and if Mr. Lynch delivers to us a general release of all claims in a form and substance acceptable to us, we will be required to pay to him (i) his base salary through the end of the employment term, (ii) any bonus that would have become payable to him through the end of the employment term, (iii) the insurance benefits provided in his employment agreement through the end of the employment term, (iv) the lump sum of \$450,000 and (v) medical coverage at our expense for one year commencing on either (a) the last day of the employment term if his employment is terminated during the employment term or (b) the date of termination if his employment is terminated after the end of the employment term; provided that medical coverage will terminate upon becoming covered under a similar program by reason of employment elsewhere. The change of control provision in Mr. Lynch's existing employment agreement, which would have provided him with a cash bonus of \$675,000 if his employment was terminated under certain circumstances following a change of control, was not included in the new employment agreement.

The employment agreement provides for us to pay the premiums on a life insurance policy for Mr. Lynch providing a death benefit of \$1,500,000 to his designated beneficiary and a disability insurance policy for Mr. Lynch providing a non-taxable benefit of at least \$10,000 per month payable to him in the event of his disability. Under the new employment agreement, Mr. Lynch is prohibited from disclosing confidential information about us and employing or soliciting any of our current employees to leave the Company during his employment and for a period of one year thereafter. The employment agreement does not contain any change of control or non-competition provisions.

Compensation of the Lead Director

At a meeting of the Board of Directors held on October 16, 2013, the Board authorized the Company to pay Milton Walters \$5,000 per month for a minimum of four months effective September 1, 2013 as compensation for serving in his capacity as Lead Director. On January 30, 2014, the Board authorized the Company to extend these monthly payments through the closing of the Merger.

In recommending and approving his compensation for serving as Lead Director, the Board of Directors considered, among other things, the size of the proposed transaction, the complexities added to the transaction by the involvement of the Consortium Members and Mr. Harley, the time expected to be required by the Lead Director, the need for the Lead Director to evaluate matters in addition to the Consortium Members' proposal and the publicly-reported compensation of the special committees and lead directors of other companies.

Indemnification of Directors and Officers

For a description of the indemnification of directors and officers by the Company following the Merger, see *The Merger Agreement - Other Covenants and Agreements - Indemnification; Directors and Officers Insurance* beginning on page 79.

Material United States Federal Income Tax Considerations

The following is a general discussion of the material U.S. federal income tax consequences of the Merger to U.S. holders and non-U.S. holders (each as defined below) of Common Stock whose shares are converted into the right to

receive the merger consideration. We base this summary on the provisions of the Internal Revenue Code of 1986, as amended, or the Code, applicable U.S. Treasury Regulations, judicial authority, and administrative rulings and practice, all of which are subject to change, possibly on a retroactive basis. This discussion is not binding on the Internal Revenue Service or the courts and, therefore, could be subject to challenge, which could be sustained. No ruling is intended to be sought from the Internal Revenue Service with respect to the Merger.

This discussion assumes that each shareholder holds its shares of Common Stock as a capital asset within the meaning of Section 1221 of the Code (generally, property held for investment). This discussion does not address all aspects of U.S. federal income tax that may be relevant to a shareholder in light of its particular

TABLE OF CONTENTS

circumstances, or that may apply to a shareholder that is subject to special treatment under the U.S. federal income tax laws (including, for example, insurance companies, dealers in securities or foreign currencies, traders in securities who elect the mark-to-market method of accounting for their securities, shareholders subject to the alternative minimum tax, persons that have a functional currency other than the U.S. dollar, tax-exempt organizations, financial institutions, mutual funds, certain expatriates, corporations that accumulate earnings to avoid U.S. federal income tax, shareholders who hold shares of Common Stock as part of a hedge, straddle, constructive sale or conversion transaction, shareholders who will hold, directly, indirectly or constructively, an equity interest in the surviving corporation or U.S. holders who acquired their shares of Common Stock through the exercise of employee stock options or other compensation arrangements). In addition, the discussion does not address any tax considerations under state, local or foreign laws or U.S. federal laws other than those pertaining to the U.S. federal income tax that may apply to shareholders. You are urged to consult your own tax advisors to determine the tax consequences in your particular circumstances, including the application and effect of any state, local or foreign income and other tax laws, of the receipt of cash in exchange for Common Stock pursuant to the Merger.

If a partnership holds Common Stock, the tax treatment of a partner will generally depend on the status of the partners and the activities of the partnership. If you are a partner of a partnership holding Common Stock, you should consult your tax advisor.

U.S. Holders

For purposes of this discussion, we use the term **U.S. holder** to mean a beneficial owner of Common Stock that is for U.S. federal income tax purposes:

a citizen or individual resident of the United States;
a corporation, or other entity taxable as a corporation, created or organized in or under the laws of the United States or any state or the District of Columbia;
a trust if it (1) is subject to the primary supervision of a court within the United States and one or more U.S. persons have the authority to control all substantial decisions of the trust or (2) has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a U.S. person; or
an estate the income of which is subject to U.S. federal income tax regardless of its source.

The receipt of cash in the Merger by U.S. holders of Common Stock will be a taxable transaction for U.S. federal income tax purposes. In general, a U.S. holder of Common Stock will recognize gain or loss in an amount equal to the difference between:

the amount of cash received in exchange for the Common Stock; and
the U.S. holder's adjusted tax basis in the Common Stock.

Such gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if the holding period in the Common Stock surrendered in the Merger is greater than one year as of the date of the Merger. Long-term capital gains of non-corporate holders, including individuals, are generally eligible for reduced rates of taxation. The deductibility of a capital loss recognized on the exchange is subject to limitations. If a U.S. holder acquired different blocks of Common Stock at different times and different prices, such holder must determine its adjusted tax basis and holding period separately with respect to each block of Common Stock.

A U.S. holder of Common Stock may be subject, under certain circumstances, to information reporting on the cash received in the Merger unless such U.S. holder is a corporation or other exempt recipient. Backup withholding may also apply (currently at a rate of 28%) with respect to the amount of cash received, unless a U.S. holder provides proof of an applicable exemption or a correct taxpayer identification number, and otherwise complies with the applicable

requirements of the backup withholding rules. Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be refunded or credited against a U.S. holder's U.S. federal income tax liability, if any, provided that such U.S. holder furnishes the required information to the Internal Revenue Service in a timely manner.

TABLE OF CONTENTS

Rollover Shareholders

Parent, the Company and the Rollover Shareholders expect to take the position that the Rollover Shareholders will generally not recognize gain or loss with respect to their contribution of Common Stock, Series A Convertible Preferred Stock and Series B Convertible Preferred Stock, referred to as the Rollover Shares, to Parent. Assuming this position is correct, the Rollover Shareholders' tax basis in their Parent membership interests will generally equal their tax basis in the Rollover Shares contributed to Parent and their holding period in the Parent membership interests received by Rollover Shareholders will generally include the holding period of the Rollover Shares. Alternative tax treatments to the Rollover Shareholders are possible, which may in part depend on the particular circumstances of the Rollover Shareholders, and there can be no assurance that the Internal Revenue Service will agree with the expected treatment described above.

Non-U.S. Holders

For the purposes of this discussion, we use the term non-U.S. holder to mean a beneficial owner of Common Stock (other than an entity that is classified as a partnership) that is not a U.S. holder.

Any gain realized upon the exchange of Common Stock for cash pursuant to the Merger by a non-U.S. holder generally will not be subject to U.S. federal income tax unless:

the gain is effectively connected with a trade or business of the non-U.S. holder in the United States and, if required by an applicable income tax treaty, is attributable to a U.S. permanent establishment of the non-U.S. holder or, in the case of an individual non-U.S. holder, a fixed base of business by the non-U.S. holder;

the non-U.S. holder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met; or

we are or have been a United States real property holding corporation for U.S. federal income tax purposes at any time during the shorter of the five-year period ending on the date of the Merger and such non-U.S. holder's holding period in such shares of our Common Stock, and either (i) the non-U.S. holder beneficially owns, or has owned, more than 5% of the total fair market value of our Common Stock at any time during the shorter of the five-year period ending on the date of the Merger or such non-U.S. holder's holding period in such shares of our Common Stock or (ii) our Common Stock is not considered to be regularly traded on an established securities market at any time during the calendar year in which the Merger occurs.

We believe that we are not and have not been a United States real property holding corporation for U.S. federal income tax purposes during the relevant period.

An individual non-U.S. holder described in the first bullet point immediately above will be subject to U.S. federal income tax on the net gain derived from the disposition under applicable graduated U.S. federal income tax rates. An individual non-U.S. holder described in the second bullet point immediately above will be subject to U.S. federal income tax at a 30% gross rate, subject to any reduction or reduced rate under an applicable income tax treaty, on the net gain derived from the disposition, which may be offset by U.S. source capital losses. If a non-U.S. holder that is a foreign corporation falls under the first bullet point immediately above, it will be subject to U.S. federal income tax on its net gain in the same manner as if it were a United States person (as defined under the Code) and, in addition, may be subject to the branch profits tax equal to 30% of its effectively connected earnings and profits, subject to any exemption or lower rate as may be specified by an applicable income tax treaty.

A non-U.S. holder is subject to the backup withholding requirements (described above for U.S. holders). In order for a non-U.S. holder to qualify as an exempt recipient, that non-U.S. holder must submit an appropriate IRS Form W-8 or

Substitute Form W-8.

Regulatory Approvals

No regulatory approvals are required in connection with the merger.

65

TABLE OF CONTENTS**Anticipated Accounting Treatment of the Merger**

The Company, as the surviving corporation, will account for the Merger as a business combination using the acquisition method of accounting for financial accounting purposes, whereby the consideration transferred will be allocated to the identifiable assets acquired and liabilities assumed following FASB Accounting Standards Codification Topic 805, Business Combinations.

Fees and Expenses

The estimated fees and expenses incurred or expected to be incurred in connection with the Merger are as follows:

Description	Amount
Financial advisory fees	\$ 80,000
Legal fees and expenses	300,000
Accounting fees and expenses	10,000
Proxy solicitation expenses	10,000
SEC filing fees	407
Printing and mailing costs	30,000
Paying agent fees	20,000
Miscellaneous expenses	9,593
Total	\$ 460,000

In addition, it is expected that Parent will incur approximately \$400,000 of expenses, including legal and other advisory fees (excluding in all cases the expenses of the Company set forth above) in connection with the Merger.

Except as described in *The Merger Agreement Fees and Expenses* beginning on page 84, all costs and expenses incurred in connection with the Merger, the Merger Agreement and the transactions contemplated thereby will be paid by the party incurring or required to incur such expenses.

Litigation

Between January 24 and 31, 2014, three purported shareholders of the Company filed putative class action lawsuits in New York State Supreme Court challenging the Merger. These actions are: *Bruce H. Paul et al., v. Frederick s of Hollywood Group Inc., et al.*, Index No. 650252/2014 (N.Y. Sup. Ct. Jan. 24, 2014); *David Strassenburgh v. Frederick s of Hollywood Group Inc., et al.*, Index No. 650294/2014 (N.Y. Sup. Ct. Jan. 28, 2014); and *Stephen Dworkin v. Frederick s of Hollywood Group Inc., et al.*, Index No. 650356/2014 (N.Y. Sup. Ct. Jan. 31, 2014). An amended complaint adding plaintiffs and additional allegations was filed in *Bruce H. Paul, et al., v. Frederick s of Hollywood Group Inc., et al.* on February 11, 2014. The complaints collectively name as defendants the Board of Directors, the Company, Parent, Merger Sub, HGI Funding, TTG, TKZ, Fursa and Arsenal.

On March 6, 2014, the parties to those lawsuits submitted to the court a stipulation and proposed order that would consolidate all three actions into a single action captioned *In re Frederick s of Hollywood Group Inc. Shareholder Litigation*, Index No. 650252/2014, and would appoint two of the five firms involved as co-lead counsel and the other three firms as the executive committee. The proposed consolidation order also provided that the amended complaint in *Bruce H. Paul, et al., v. Frederick s of Hollywood Group Inc., et al.* on February 11, 2014 would be the operative complaint in the consolidated action. The court has not yet entered the proposed consolidation order.

The consolidated amended complaint alleges that the preliminary proxy filed by the Company contained material misstatements and omissions and that the members of the Board of Directors breached their fiduciary duty to maximize shareholder value by pursuing the Merger through a flawed process and for inadequate consideration. The complaint further alleges that (i) the Merger took advantage of a temporary depression in the market price of the Common Stock that occurred due to its delisting from the NYSE MKT LLC, (ii) the Board of Directors acquiesced to unreasonable deal protection devices, (iii) the merger process employed by the Board of Directors was unfair because the process did not include a right for minority shareholders to

TABLE OF CONTENTS

approve the Merger and the Lead Director was not positioned to effectively advocate for the minority shareholders, and (iv) the Board of Directors misstated and/or failed to disclose supposedly material information in the preliminary proxy statement. The complaint further alleges that Merger Sub colluded in or aided and abetted the breaches by the Board of Directors. The complaint seeks, among other things, a declaration that the Merger Agreement was entered in breach of the Board of Directors' fiduciary duties and is therefore unenforceable, an injunction barring the consummation of the Merger until full disclosures have been made or rescinding, to the extent already implemented, the Merger, an order directing the Board of Directors to require approval of the majority of the minority shareholders, and an award of costs and disbursements of the action, including attorneys' fees. Each of the defendants denies any allegations of wrongdoing and believes that the plaintiffs' claims are without merit.

On March 14, 2014, after settlement discussions between plaintiffs' counsel and counsel for the Company, the parties agreed to resolve the litigation and permit the Merger to proceed as contemplated. The settlement provides, among other things, that certain agreed supplemental and/or modified disclosures be included in this proxy statement. The settlement was subject to confirmatory discovery by the plaintiffs, which was completed on March 31, 2014, and is now subject to court approval. There is no assurance that the settlement will be approved by the court. If the settlement does not become effective and litigation resumes before the Merger, the outcome in these lawsuits could have an impact on the consummation of the Merger.

This proxy statement and the enclosed form of proxy are first being mailed to our shareholders on or about [], 2014.

Record Date and Quorum

The holders of record of Common Stock as of the close of business on [], 2014, the record date for the determination of shareholders entitled to notice of and to vote at the Special Meeting, are entitled to receive notice of and to vote at the Special Meeting. On the record date, 39,273,254 shares of Common Stock were outstanding. Holders of Common Stock as of the record date have one vote for each share of Common Stock owned by such shareholder as of the close of business on the record date.

The presence at the Special Meeting, in person or by proxy, of the holders of a majority of shares of Common Stock outstanding on the record date will constitute a quorum, permitting the Company to conduct its business at the Special Meeting. Any shares of Common Stock held in treasury by the Company or by any of our subsidiaries are not considered to be outstanding for purposes of determining a quorum. Once a share is represented at the Special Meeting, it will be counted for the purpose of determining a quorum at the Special Meeting and any adjournment of the Special Meeting. However, if a new record date is set for the adjourned Special Meeting, then a new quorum will have to be established. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the Special Meeting. Broker non-votes, as described in *The Special Meeting Voting; Proxies; Revocation Providing Voting Instructions by Proxy* beginning on page 70, also will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the Special Meeting.

Required Vote

For the Company to complete the Merger, under New York law and the Merger Agreement, shareholders holding at least two-thirds of the aggregate voting power of our Common Stock outstanding at the close of business on the record date must vote FOR the approval of the Merger and adoption of the Merger Agreement. The Merger is not structured to require the approval of at least a majority of the unaffiliated shareholders.

Subject to the terms of the Voting Agreement between us, Parent and the Rollover Shareholders, the Rollover Shareholders have agreed to vote all shares of our Common Stock they beneficially own (and any shares acquired by them after the date of the Voting Agreement) in favor of approving the Merger and adopting the Merger Agreement. See *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the*

Company Agreements Involving the Company's Securities Voting Agreement beginning on page 87. As of the record date, there were 39,273,254 shares of our Common Stock outstanding, of which the Rollover Shareholders own 27,678,679 shares of Common Stock, representing in the aggregate approximately 70.5% of the issued and outstanding shares of Common Stock. This amount excludes the 63,579,204 shares of Common Stock that the Rollover Shareholders have the right to acquire pursuant to convertible preferred stock, warrants and options held by them. Because the Rollover Shareholders beneficially hold more than two-thirds of our outstanding shares of Common Stock as of the record date, they can satisfy the required vote under New York law and the Merger Agreement to approve the Merger and adopt the Merger Agreement without the affirmative vote of any of our other shareholders.

TABLE OF CONTENTS

Despite the fact that the Rollover Shareholders can satisfy the required vote, we are soliciting proxies and furnishing a proxy statement to shareholders for two reasons. First, we must hold a meeting because we are not permitted to take shareholder action by less than unanimous written consent, without a shareholder meeting, pursuant to our certificate of incorporation and Section 615(a) of the NYBCL. Second, we are soliciting proxies to give the unaffiliated shareholders the opportunity to express their respective views of the Merger, even though their approval is not required as a condition to the transaction.

Except in their capacities as members of our Board of Directors and/or as the Lead Director, as applicable, no officer or director of the Company, nor any of the Rollover Shareholders, has made any recommendation either in support of or in opposition to the Merger or the Merger Agreement. The directors and Executive Officers of the Company have informed the Company that as of date of this proxy statement, they intend to vote in favor of the approval of the Merger and adoption of the Merger Agreement.

Shareholders holding at least a majority of the shares of Common Stock voted at the Special Meeting must vote FOR the Merger-Related Compensation Proposal, in order for such proposal to be approved. However, such approval is not required for, and does not have any impact on, the treatment of the Company stock options and other stock-based awards held by our named executive officers or the completion of the Merger. Approval of the Merger-Related Compensation Proposal is not a condition to the completion of the Merger, and the vote with respect to the Merger-Related Compensation Proposal is advisory only and will not be binding on the Parent or the Company. Because the Rollover Shareholders beneficially hold more than a majority of our outstanding shares of Common Stock as of the record date, they can approve or disapprove the Merger-Related Compensation Proposal regardless of how any other shareholder votes.

Voting; Proxies; Revocation

Attendance

All holders of shares of Common Stock as of the close of business on [], 2014, the record date for voting at the Special Meeting, including shareholders of record and beneficial owners of Common Stock registered in the street name of a bank, broker or other nominee, are invited to attend the Special Meeting. If you are a shareholder of record, please be prepared to provide proper identification, such as a driver's license. If you hold your shares in street name, you will need to provide proof of ownership, such as a recent account statement or letter from your bank, broker or other nominee, along with proper identification.

Voting in Person

Shareholders of record as of the record date will be able to vote in person at the Special Meeting. If you are not a shareholder of record as of the record date, but instead hold your shares in street name through a bank, broker or other nominee, you must provide a legal proxy executed in your favor from your bank, broker or other nominee in order to be able to vote in person at the Special Meeting.

Providing Voting Instructions by Proxy

To ensure that your shares are represented at the Special Meeting, we recommend that you provide voting instructions promptly by proxy, even if you plan to attend the Special Meeting in person.

If you are a shareholder of record, you may provide voting instructions by proxy using one of the methods described below.

Submit a Proxy by Telephone or via the Internet. This proxy statement is accompanied by a proxy card with instructions for submitting voting instructions. You may vote by telephone by calling the toll-free number or via the Internet by accessing the Internet address as specified on the enclosed proxy card. Your shares will be voted as you direct in the same manner as if you had completed, signed, dated and returned your proxy card, as described below.

Submit a Proxy Card. If you complete, sign, date and return the enclosed proxy card by mail so that it is received before the Special Meeting, your shares will be voted in the manner directed by you on your proxy card.

TABLE OF CONTENTS

If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the approval of the Merger and adoption of the Merger Agreement and the Merger-Related Compensation Proposal. If you fail to vote or return your proxy card, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the Special Meeting (unless you are a record holder as of the record date, or you obtain a legal proxy from your bank, broker or other nominee, and attend the Special Meeting in person) and will have the same effect as a vote against the approval of the Merger and adoption of the Merger Agreement, but will not affect the vote regarding the Merger-Related Compensation Proposal.

If your shares are held by a bank, broker or other nominee on your behalf in street name, your bank, broker or other nominee will send you instructions as to how to provide voting instructions for your shares by proxy. Many banks and brokerage firms have a process for their customers to provide voting instructions by telephone or via the Internet, in addition to providing voting instructions by proxy card.

In accordance with the rules of the New York Stock Exchange, banks, brokers and other nominees who hold shares of Common Stock in street name for their customers do not have discretionary authority to vote the shares with respect to the approval of the Merger and adoption of the Merger Agreement. Accordingly, if banks, brokers or other nominees do not receive specific voting instructions from the beneficial owner of such shares they may not vote such shares with respect to the approval of the Merger and adoption of the Merger Agreement. Under such circumstance, a broker non-vote would arise. Broker non-votes, if any, will have the same effect as a vote AGAINST the approval of the Merger and adoption of the Merger Agreement, but will have no effect on the Merger-Related Compensation Proposal, and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the Special Meeting. For shares of Common Stock held in street name, only shares of Common Stock affirmatively voted FOR approval of the Merger and adoption of the Merger Agreement will be counted as a favorable vote for such proposal.

Revocation of Proxies

Your proxy is revocable. If you are a shareholder of record, you may revoke your proxy at any time before the vote is taken at the Special Meeting by:

submitting a new proxy with a later date, by using the telephone or Internet proxy submission procedures described above, or by completing, signing, dating and returning a new proxy card by mail to the Company;

attending the Special Meeting and voting in person; or

sending written notice of revocation to the Corporate Secretary of the Company at Frederick's of Hollywood Group Inc., Attn: Secretary, 6255 Sunset Boulevard, Hollywood, California 90028.

Attending the Special Meeting without taking one of the actions described above will not in itself revoke your proxy.

Please note that if you want to revoke your proxy by mailing a new proxy card to the Company or by sending a written notice of revocation to the Company, you should ensure that you send your new proxy card or written notice of revocation in sufficient time for it to be received by the Company before the day of the Special Meeting.

If you hold your shares in street name through a bank, broker or other nominee, you will need to follow the instructions provided to you by your bank, broker or other nominee in order to revoke your proxy or submit new voting instructions.

Abstentions

Abstentions will be included in the calculation of the number of shares of Common Stock represented at the Special Meeting for purposes of determining the presence of a quorum. Abstaining from voting will have the same effect as a vote AGAINST the proposal to approve the Merger and adopt the Merger Agreement, but are not deemed voted and will have no effect on the Merger-Related Compensation Proposal.

Postponements

The Company expects there will be present, in person or by proxy, sufficient favorable voting power to secure the vote of the shareholders of the Company necessary to approve the Merger and adopt the Merger Agreement. The Company does not anticipate that it will postpone the Special Meeting for the purpose of soliciting additional proxies unless it is advised by counsel that failure to do so could reasonably be expected to result in a violation of applicable law. Any postponement of the Special Meeting for the purpose of soliciting additional proxies will allow the Company's shareholders who have already sent in their proxies to revoke them at any time prior to their use at the Special Meeting as postponed.

Solicitation of Proxies

We will bear the cost of solicitation of proxies. This includes the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding Common Stock. We may solicit proxies by mail, personal interview, e-mail, telephone, or via the Internet. The Company has retained a proxy solicitation firm, AST Phoenix Advisors, a division of American Stock Transfer & Trust Company, LLC, to assist it in the solicitation of proxies for the Special Meeting and will pay a fee of \$7,500, plus reimbursement of out-of-pocket expenses.

THE MERGER AGREEMENT

The following is a summary of the material provisions of the Merger Agreement, a copy of which (including the amendment thereto) is attached to this proxy statement as *Annex A*, and which we incorporate by reference into this proxy statement. This summary may not contain all of the information about the Merger Agreement that is important to you. We encourage you to read carefully the Merger Agreement in its entirety, as the rights and obligations of the parties thereto are governed by the express terms of the Merger Agreement and not by this summary or any other information contained in this proxy statement.

Explanatory Note Regarding the Merger Agreement

The following summary of the Merger Agreement, and the copy of the Merger Agreement (including the amendment thereto) attached hereto as *Annex A* to this proxy statement, are intended to provide information regarding the terms of the Merger Agreement and are not intended to modify or supplement any factual disclosures about the Company in its public reports filed with the SEC. In particular, the Merger Agreement and the related summary are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to the Company or any of its subsidiaries or affiliates. The Merger Agreement contains representations and warranties by the Company, Parent and Merger Sub which were made only for purposes of that agreement and as of specified dates. The representations, warranties and covenants in the Merger Agreement were made solely for the benefit of the parties to the Merger Agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures; are made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts; and may apply contractual standards of materiality or material adverse effect that generally differ from those applicable to investors. In addition, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. Moreover, the description of the Merger Agreement below does not purport to describe all of the terms of such agreement, and is qualified in its entirety by reference to the full text of such agreement, a copy of which (including the amendment thereto) is attached hereto as *Annex A* and is incorporated herein by reference. Notwithstanding the foregoing, to the extent specific material facts exist that contradict the representations or warranties in the Merger Agreement, the Company has provided corrective disclosure in this proxy statement.

Additional information about the Company may be found elsewhere in this proxy statement and the Company's other public filings. See *Where You Can Find Additional Information* beginning on [page 106](#).

Structure of the Merger

At the Closing of the Merger, Merger Sub will merge with and into the Company and the separate corporate existence of Merger Sub will cease. The Company will be the surviving corporation in the Merger and will continue to be a New York corporation after the Merger. At the Closing of the Merger, the certificate of incorporation of the Company, as in effect immediately prior to the Effective Time, will be amended in accordance with applicable law to reflect the form of certificate of incorporation attached as an exhibit to the Merger Agreement. At the Closing of the Merger, the bylaws of the Company, as in effect immediately prior to the Effective Time, will be amended in accordance with applicable law to reflect the form of bylaws attached as an exhibit to the Merger Agreement. Subject to applicable law, the directors of Merger Sub immediately prior to the Effective Time will from and after the Effective Time be the initial directors of the surviving corporation and will hold office until their respective successors are duly elected and qualified, or their earlier death, resignation or removal. The officers of the Company immediately prior to the

Effective Time will from and after the Effective Time be the initial officers of the surviving corporation and will hold office until their respective successors are duly elected and qualified, or their earlier death, resignation or removal.

When the Merger Becomes Effective

The Closing of the Merger will take place on a date to be specified by the Parent after the satisfaction or waiver of the conditions to Closing stated in the Merger Agreement (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions) or at such

TABLE OF CONTENTS

other time as the parties may agree in writing, but if Parent fails to specify a Closing Date, the Closing Date shall be no later than three business days after such conditions have been satisfied or waived (or June 15, 2014, if earlier). The Merger will become effective at the time, which we refer to as the Effective Time, when the Company and Parent file a certificate of Merger with the Department of State of the State of New York or at such later date or time as Parent and the Company agree in writing and specify in the certificate of Merger.

Effect of the Merger on the Capital Stock

At the Effective Time, each issued and outstanding share of Common Stock immediately prior to the Effective Time, other than the Excluded Shares and the Dissenting Shares, will be converted automatically into and will represent the right to receive \$0.27 in cash, without interest, and each such share shall otherwise cease to be outstanding and shall otherwise automatically be cancelled and cease to exist.

At the Effective Time, each issued and outstanding Excluded Share immediately prior to the Effective Time, including each share of capital stock that is currently owned by the Rollover Shareholders (all of which such stock shall, immediately prior to the Effective Time, be held indirectly by Parent pursuant to the terms of the Rollover Agreement), shall cease to be outstanding and shall automatically be cancelled and shall cease to exist.

At the Effective Time, each share of common stock of Merger Sub shall be converted into one share of newly issued common stock of the Company as the surviving corporation of the Merger.

Treatment of Stock Options and Other Stock-Based Awards

Each Company stock option (other than those held by Mr. Harley) that is outstanding immediately prior to the Effective Time, whether or not vested or exercisable, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, if any, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to the stock option, multiplied by (b) the total number of shares of Common Stock then issuable upon the exercise of the stock option. As of the date of this proxy statement, there are outstanding options to purchase 360,000 shares of Common Stock with an exercise price of less than \$0.27, which will be cancelled for an aggregate consideration of \$30,900. All of the Company's other outstanding stock options (including all of those held by the Company's directors and Executive Officers) will be cancelled for no consideration.

Each Company share-based award other than a stock option, including restricted share awards (other than those held by Mr. Harley), whether or not vested, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) \$0.27 per share, multiplied by (b) the total number of shares of Common Stock constituting the award. As of the date of this proxy statement, the Company has outstanding an aggregate of 737,194 shares subject to restricted share awards, which will be cancelled in exchange for aggregate consideration of \$199,042.38. These amounts include an aggregate of 578,694 shares subject to restricted share awards held by the Company's directors (other than Mr. Harley) and Executive Officers, which will be cancelled for aggregate consideration of \$156,247.38.

Each Company warrant (other than those held by Mr. Harley and the other Rollover Shareholders), whether or not vested or exercisable, as of the Effective Time, will be cancelled. Each holder will be entitled to receive a payment, if any, in cash from the Company (less any applicable withholding taxes) promptly following the Effective Time, equal to (a) the amount, if any, by which \$0.27 exceeds the exercise price per share with respect to the warrant, multiplied

by (b) the total number of shares of Common Stock then issuable upon the exercise of the warrant. However, any Company warrant that will have no value after the Effective Time (because the warrant has an exercise price per share that is greater than the merger consideration and, as of the Effective Time, the holder of the warrant will be entitled to receive, upon exercise of the warrant, only the merger consideration multiplied by the number of shares subject to the warrant), may remain outstanding. As of the date of the proxy statement, the Company has no outstanding warrants (other than those held by the Rollover Shareholders) with an exercise price of less than \$0.27 and, accordingly, no consideration will be paid with respect to these warrants.

TABLE OF CONTENTS

Each Company stock option and restricted share award held by Mr. Harley and each warrant held by Mr. Harley and the other Rollover Shareholders, as of the Effective Time, will be cancelled on the terms and conditions set forth in the Rollover Agreement between Parent and the Rollover Shareholders. See *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities* *Rollover Agreement* beginning on page 87.

Dissenting Shares

Notwithstanding anything in the Merger Agreement to the contrary, Dissenting Shares shall not be converted into the right to receive the merger consideration at the Effective Time unless and until the holder of such shares fails to perfect, withdraws or otherwise loses such holder's right to appraisal. If a holder of Dissenting Shares shall withdraw (in accordance with Section 910 of the NYBCL) the demand for such appraisal or shall become ineligible for such appraisal or if a court of competent jurisdiction shall make a final, non-appealable determination that such holder is not entitled to the relief provided by Section 910 of the NYBCL with respect to such Dissenting Shares, then, as of the Effective Time or the occurrence of such event, whichever last occurs, such holder's Dissenting Shares shall cease to be Dissenting Shares and shall be converted or deemed to have been converted, as the case may be, into the right to receive the merger consideration. We have agreed to give Parent (i) prompt notice of any written demands for appraisal, withdrawals (or attempted withdrawals) of demands for appraisal and any other instruments served pursuant to Section 910 of the NYBCL and received by us and (ii) the opportunity to direct all negotiations and proceedings with respect to demands for appraisal.

Payment for the Common Stock in the Merger

Contemporaneously with the Effective Time, Parent will deposit, or cause to be deposited, with a bank or trust company that will be appointed by Parent (and reasonably acceptable to the Company), as the paying agent, in trust for the benefit of the Public Shareholders, sufficient cash to pay to the Public Shareholders the merger consideration of \$0.27 per share of Common Stock. As soon as reasonably practicable following the Effective Time but not later than the fifth business day following the Effective Time, the surviving corporation will instruct the paying agent to mail to each Public Shareholder of record of shares of Common Stock that were converted into the merger consideration a letter of transmittal and instructions for use in effecting the surrender of certificates that formerly represented shares of the Common Stock or non-certificated shares represented by book-entry in exchange for the merger consideration.

the financial capacity of Parent to perform its obligations under this Agreement and to cause Merger Sub to perform its obligations under this Agreement.

Some of the representations and warranties in the Merger Agreement are qualified by materiality or include a Material Adverse Effect or Parent Material Adverse Effect qualifier, as applicable.

For purposes of the Merger Agreement, a Material Adverse Effect with respect to the Company and its subsidiaries means any effect, together with other effects, that is or would reasonably be expected to be materially adverse to the business, assets (including intangible assets), condition (financial or otherwise) or results of operations of the Company or its subsidiaries or would reasonably be expected to materially impair the Company's ability to perform its obligations under the Merger Agreement; provided, however, that none of the following shall be deemed to constitute or contribute to a Material Adverse Effect: (A) any adverse effect that results from general economic or market conditions (including changes in financial, securities or currency markets, changes in prevailing interest rates or exchange rates) and that does not disproportionately affect the Company or any of its subsidiaries relative to the other participants in the industry or industry sectors in which the Company or any subsidiary operates, (B) any adverse effect generally affecting the industry or industry sectors in which the Company or any of its subsidiaries operates that does not disproportionately affect the Company or any of its subsidiaries relative to the other participants in the industry or industry sectors in which the Company or any subsidiary operates, (C) changes, after the date of the Merger Agreement, in laws or other legally enforceable requirements or applicable accounting regulations (including GAAP) or principles or interpretations thereof, or political, legislative or business conditions in the countries in which the Company or any of its subsidiaries operates, that do not disproportionately affect the Company or any of its subsidiaries relative to the other participants in the industry or industry sectors in which the Company or any subsidiary operates, (D) acts of war (whether or not declared), the commencement, continuation or escalation of a war, acts of armed hostility, sabotage or terrorism or other international or national calamity (whether natural or man-made) or any material worsening of such conditions threatened or existing as of the date of the Merger Agreement that do not disproportionately affect the Company or any of its subsidiaries relative to the other participants in the industry or industry sectors in which the Company or any subsidiary operates, (E) any failure by the Company to meet internal or published projections, forecasts or estimates of revenue, earnings or other financial or operating metrics (but not any event, condition, fact, change, occurrence or effect underlying such change or failure that is not otherwise excepted), or (F) any adverse effect that results from actions taken by the Company pursuant to the business plan of the Company developed at the direction of the lenders under the Credit Agreement.

For the purpose of the Merger Agreement, a Parent Material Adverse Effect means circumstances that would, or would reasonably be expected to, individually or in the aggregate, prevent or materially delay the performance by Parent or Merger Sub of any of its obligations under this Agreement or the Ancillary Agreements or the consummation of any of the transactions contemplated hereby or thereby.

Conduct of Business Pending the Merger

other than in the ordinary course of business consistent with past practice, accelerate or delay the payment of any material accounts payable or extend or make any agreement to extend, the payment terms of any material accounts receivable;

revalue in any material respect any assets, other than in the ordinary course of business consistent with past practice or as may be consistent with GAAP;

permit any of its subsidiaries or affiliates or their directors, employees, independent contractors, representatives or agents to violate the Foreign Corrupt Practices Act of 1977, as amended, or other applicable law or legally enforceable requirement;

take any actions or omit to take any actions that would or would be reasonably likely to result in any of the conditions described in *The Merger Agreement Conditions to the Merger* beginning on page 83 below not being satisfied or materially impair or delay the ability of the parties to the Merger to consummate the Merger; or

agree or commit to do anything described in the foregoing bullet points.

Other Covenants and Agreements

Indemnification; Directors and Officers Insurance

All rights to indemnification, advancement of expenses and exculpation now existing in favor of each individual who, as of the Effective Time, is a present or former director or officer of the Company or any of its subsidiaries, referred to as the indemnified parties, will, with respect to matters occurring at or prior to the Effective Time, survive the Merger and continue in full force and effect. Until the sixth anniversary of the Closing Date, the organizational documents of the surviving corporation and its subsidiaries will, with respect to matters occurring at or prior to the Effective Time, contain provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of the indemnified persons than as in effect prior to execution of the Merger Agreement. All rights to indemnification or advancement of expenses now existing in favor of the indemnified persons in any indemnification agreement between such person and the Company or any of its subsidiaries, as the case may be, or under law shall survive the Merger and continue in full force and effect in accordance with the terms of such agreement or law. In the event that Parent, the Company or any of their successors or assigns subsequently (i) consolidates with or merges into any other entity and is not be the continuing or surviving entity of such consolidation or merger or (ii) transfers or conveys a majority of its properties and assets to one or more persons in one or more transactions, then, and in each such case, proper provision shall be made so that the successors, assigns and transferees of Parent or the Company or their respective successors or assigns, as the case may be, assume the obligations described in this paragraph.

Prior to the Effective Time, the Company shall purchase a fully-paid, non-cancellable tail policy under the Company's existing directors and officers insurance policy that has an effective term of six years from

79

TABLE OF CONTENTS

the Effective Time, covers the indemnified persons for actions and omissions occurring at or prior to the Effective Time and contains terms with respect to coverage and amount no less favorable than those of the applicable policy in effect immediately prior to the execution of the Merger Agreement. Notwithstanding the foregoing, in no event shall the Company be permitted to expend for such tail policy in excess of 300% of the annual premium currently provided by the Company for its existing policy of directors and officers liability insurance. If the premium of such insurance coverage exceeds such amount, the Company shall be permitted to obtain a policy with the greatest coverage available for a cost not to exceed such amount.

Access and Information

During normal business hours throughout the period prior to the Effective Time, the Company will provide Parent access to the Company's records, contracts, financial and other data, properties and facilities (and, if requested by Parent, to conduct, at the sole cost of Parent, an environmental assessment of such properties and facilities), personnel, auditors, management reports and to such other information as Parent shall reasonably request. Prior to the Effective Time, the Company shall provide to Parent, promptly when available, financial statements of the Company and its subsidiaries for each quarter and month through the Effective Time, as prepared by management, a copy of each report, schedule, registration statement and other document filed by the Company or any of its subsidiaries after the date of the Merger Agreement and prior to the Effective Time pursuant to the requirements of federal or state securities laws, and any update of quarterly projections.

Efforts to Consummate

Subject to the terms and conditions of the Merger Agreement, each of the parties to the Merger Agreement (and each of their respective subsidiaries) will use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and make the Merger effective as promptly as practicable, and to cooperate with each other for such purposes. The parties to the Merger Agreement will use their respective reasonable best efforts to resist, contest or defend any suit, claim, action or proceeding (including administrative or judicial actions and proceedings) challenging the Merger.

Limited Solicitation

Generally, under the Merger Agreement, we may not solicit alternative Takeover Proposals (as such term is defined in the Merger Agreement, as described below in this *The Merger Agreement Other Covenants and Agreements Limited Solicitation* section), but we may engage in a limited solicitation of certain designated parties that were agreed upon among Parent, Merger Sub and the Company as a result of the negotiations of the Merger Agreement by the Lead Director.

The Company will direct its representatives to, immediately cease any discussions, negotiations, or communications with any party, except the designated parties, with respect to any Takeover Proposal. The Company shall not, nor shall it authorize or permit any of its subsidiaries or its and their representatives to (and shall use its reasonable best efforts to cause such persons not to), among other things, directly or indirectly:

except with respect to the designated parties, initiate, induce, solicit, knowingly facilitate or encourage any inquiry or the making, submission or announcement of any proposal that constitutes or could reasonably be expected to lead to a Takeover Proposal;

approve, adopt or recommend (or propose to do so) any Takeover Proposal or enter into any letter of intent, memorandum of understanding, agreement, arrangement or understanding relating to, or that could reasonably be

expected to lead to, any Takeover Proposal;
enter into any agreement or agreement in principle requiring the Company to abandon, terminate or fail to consummate the Merger or any other transactions contemplated by the Merger Agreement or breach its obligations thereunder, or propose or agree to do any of the foregoing;
except with respect to the designated parties, fail to enforce, or grant any waiver under, any standstill or similar agreement with any person; or

80

TABLE OF CONTENTS

except with respect to the designated parties, engage in, continue or otherwise participate in any discussions or negotiations regarding, furnish to any person any information or data with respect to the Company in connection with or in response to, or otherwise cooperate with or take any other action to facilitate any proposal that constitutes, or could reasonably be expected to lead to, any Takeover Proposal or requires the Company to abandon, terminate or fail to consummate the Merger or any other transactions contemplated by the Merger Agreement.

However, prior to the receipt of the Shareholder Approval, the Company or the Lead Director may, in response to a bona fide written Takeover Proposal that did not result from a breach of the above paragraph, contact the party that submitted such Takeover Proposal to clarify the terms and conditions thereof and, subject to compliance with the provisions outlined in subsequent paragraphs below and provided that and that the Lead Director determines in good faith, after consultation with its outside legal counsel and financial advisors, that such Takeover Proposal constitutes or could reasonably be expected to lead to a Superior Proposal (as such term is defined in the Merger Agreement, as described below in this *The Merger Agreement Other Covenants and Agreements Limited Solicitation* section):

furnish information or data with respect to the Company or any of its subsidiaries to the person making such Takeover Proposal and its representatives pursuant to a confidentiality agreement, provided that all such information provided has previously been provided to Parent or is provided to Parent prior to or concurrently with the time it is provided to such person; and

engage in, continue or otherwise participate in discussions or negotiations regarding, and otherwise cooperate with or take any other action to facilitate, such Takeover Proposal.

As promptly as practical and in any event within one business day of the receipt by the Company of any Takeover Proposal or any inquiry with respect to, or that could reasonably be expected to lead to, any Takeover Proposal, the Company will provide notice to Parent of such Takeover Proposal or inquiry. The notice will include the identity of the person making the Takeover Proposal or inquiry and the material terms and conditions of the Takeover Proposal or inquiry. The Company will keep Parent reasonably informed on a current basis of the status of the Takeover Proposal, including any material changes to its terms and conditions. The Company is required to provide Parent, within one business day after receipt, with copies of all written communications and other written materials, and summaries of all other communications, sent or provided to or by the Company and its representatives in connection with any Takeover Proposal.

The Lead Director will promptly consider in good faith any alteration of the terms of the Merger Agreement or the Merger proposed by Parent in response to any Takeover Proposal.

Prior to the Company receiving the Shareholder Approval, the Lead Director may, in response to a Superior Proposal, effect a Change in the Company Recommendation or approve and enter into any agreement relating to a Superior Proposal, provided that the Lead Director determines in good faith that the failure to do so would constitute a breach of its fiduciary duties to the shareholders of the Company. At least five business days prior to effecting a Change in the Company Recommendation or approving and entering into an agreement relating to a Superior Proposal, the Lead Director will provide written notice to Parent of its intention to make a Change in the Company Recommendation or enter into such agreement. The notice shall include the reasonable details regarding the cause for, and nature of, the Change in the Company Recommendation or the entering into such agreement. In addition, the Lead Director may not effect the Change in the Company Recommendation or approve and enter into an agreement relating to a Superior Proposal unless Parent does not make, within five business days of receipt of such notice, an offer that the Lead Director determines, in good faith after consultation with its legal and financial advisors, results in the applicable Takeover Proposal no longer being a Superior Proposal.

As described in this *The Merger Agreement Other Covenants and Agreements Limited Solicitation* section, nothing in the Merger Agreement will prohibit the Company, the Board of Directors or the Lead Director from complying with securities laws in respect of any Takeover Proposal, including making any disclosure to the

shareholders of the Company. However, any public disclosure by the Company relating to a Takeover Proposal shall be deemed to be a Change in the Company Recommendation unless the Board of

TABLE OF CONTENTS

Directors expressly publicly reaffirms its approval or recommendation of the Merger Agreement and the Merger in such disclosure, or in the case of a stop, look and listen or similar communication, in a subsequent disclosure.

Other than as otherwise described in this *The Merger Agreement Other Covenants and Agreements Limited Solicitation* section, neither the Board nor any committee thereof nor the Lead Director will, directly or indirectly, effect a Change in the Company Recommendation, take any formal action or make any recommendation or public statement in connection with a tender offer or exchange offer other than a recommendation against such offer or a temporary stop, look and listen communication or approve any agreement, arrangement or understanding relating to, or that may reasonably be expected to lead to, any Takeover Proposal.

For purposes of this proxy statement:

A Takeover Proposal refers to any proposal or offer in respect of:

a tender or exchange offer, merger, consolidation, business combination, share exchange, reorganization, recapitalization, liquidation, dissolution or similar transaction involving the Company or a significant subsidiary with a third party;

the Company's acquisition of any third party in a tender or exchange offer, merger, consolidation, business combination, share exchange, reorganization, recapitalization, liquidation, dissolution or similar transaction in which the shareholders of the third party will own more than 20% of the Company's outstanding capital stock immediately following such transaction;

any acquisition by any third party of 20% or more of any class of capital stock of the Company or of 20% or more of the consolidated assets of the Company and its subsidiaries, in a single transaction or a series of related transactions;

or any transaction which is similar in form, substance or purpose to any of the foregoing transactions, other than the transactions contemplated by the Merger Agreement.

A Superior Proposal refers to any bona fide written proposal or offer made by a third party in respect of a business combination transaction involving, or any purchase or acquisition of, a majority of the voting power of the Company's capital stock or a majority of the consolidated assets of the Company and its subsidiaries, which transaction or other purchase or acquisition contains terms and conditions that the Lead Director determines in good faith would result in a transaction that:

if consummated, would be more favorable to the Public Shareholders than the Merger and the transactions contemplated by the Merger Agreement; and

is reasonably capable of being consummated on the terms so proposed.

Shareholder Litigation

The Company will give Parent the opportunity to participate in the defense or settlement of any shareholder litigation against the Company and/or its directors relating to the transactions contemplated by the Merger Agreement, whether commenced prior to or after the execution and delivery of the Merger Agreement. The Company will not settle or offer to settle any litigation commenced prior to or after the execution of the Merger Agreement against the Company or any of its directors or executive officers by any shareholder of the Company relating to the Merger Agreement, the Merger, any other transaction contemplated thereby or otherwise, without the prior written consent of Parent, which shall not be unreasonably withheld or delayed.

SEC Reports

During the period prior to the Effective Time, the Company shall continue to timely file or furnish all forms, reports, statements, schedules and other materials with the SEC required to be filed or furnished pursuant to federal securities laws.

TABLE OF CONTENTS

Conditions to the Merger

The obligations of the Company, Parent and Merger Sub to effect the Merger are subject to the satisfaction or waiver, at or prior to the Closing Date, of the following mutual conditions:

the Shareholder Approval shall have been obtained; and
no court or U.S. governmental entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the consummation of the Merger or the other transactions contemplated by the Merger Agreement.

The obligation of Parent and Merger Sub to effect the Merger is subject to the satisfaction or waiver, at or prior to the Closing Date, of the following additional conditions:

the representations and warranties of the Company set forth in the Merger Agreement, disregarding any qualifications or limitations contained therein as to materiality or Material Adverse Effect, shall be true and correct as of the date of the Merger Agreement and as of the Closing Date as though made on and as of the Closing Date (or, if given as a specific date, at and as of that date), except where such failures to be true and correct, taken as a whole, have not had, and would not reasonably be expected to have, a Material Adverse Effect, and Parent shall have received a certificate from the Company to such effect;

the Company shall have performed or complied in all material respects with all agreements and covenants required to be performed by it under the Merger Agreement at or prior to the Closing Date and Parent shall have received a certificate from the Company to such effect;

since July 27, 2013, there shall not have been any, or a worsening of any, states of facts, events, changes, effects, developments, conditions or occurrences that, when taken as a whole, have had or would reasonably be expected to have a Material Adverse Effect; and

Parent shall have received a certification from the Company to the effect that the Company is not (and was not at any time during the five-year period ending on the Closing Date) a United States real property holding corporation within the meaning of the Internal Revenue Code; and

the aggregate number of Dissenting Shares shall not equal or exceed 10% of the issued and outstanding shares of our Common Stock immediately prior to the Effective Time.

The obligation of the Company to effect the Merger is subject to the satisfaction or waiver, at or prior to the Closing Date, of the following additional conditions:

the representations and warranties of Merger Sub and Parent set forth in the Merger Agreement, disregarding any qualifications or limitations contained therein as to materiality or a Parent Material Adverse Effect, shall be true and correct, in each case, as of the date of the Merger Agreement and as of the Closing Date as though made on and as of the Closing Date (or, if given as a specific date, at and as of such date), where such failures to be true and correct, taken as a whole, have not had, and would not reasonably be expected to have, a Parent Material Adverse Effect, and the Company shall have received a certificate from Parent to such effect;

each of Merger Sub and Parent shall have performed or complied in all material respects with all agreements and covenants required to be performed by it under the Merger Agreement and the Ancillary Agreements at or prior to the Closing Date and the Company shall have received a certificate from Parent to such effect; and

each of the Ancillary Agreements shall have been executed and delivered by each party thereto (other than the Company) and shall be in full force and effect.

Termination

The Merger Agreement may be terminated and the transactions contemplated thereby may be abandoned at any time prior to the Effective Time, whether prior to or after receipt of the Shareholder Approval:

by mutual written consent of Parent and the Company (acting at the direction of the Lead Director);

83

by either Parent or the Company (with the prior approval of the Lead Director), if:
the Merger shall not have been consummated by the Termination Date, provided that the right to terminate the Merger Agreement pursuant to this provision is not available to any party whose failure to perform any of its obligations under the Merger Agreement has been the primary cause of the failure of the Merger to be consummated by the Termination Date;
a governmental entity of competent jurisdiction takes any action (which the party seeking to terminate the Merger Agreement shall have used its reasonable best efforts to resist, resolve, annul, quash or lift, as applicable) permanently restraining, enjoining or otherwise prohibiting the Merger and such action shall have become final and non-appealable, provided that the right to terminate the Merger Agreement pursuant to this provision shall not be available to any party whose failure to perform any of its obligations under the Merger Agreement has been the primary cause of any such action; or
the Shareholder Approval shall not have been obtained at the Special Meeting or any adjournment or postponement thereof;

by Parent, if:

the Company shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement, which breach or failure to perform is incapable of being cured by the Company prior to the Termination Date or if capable of being cured, is not cured within 30 days following receipt by the Company of written notice from Parent, and which would result in a failure of any Parent and Merger Sub condition to effect the Merger, as described in *The Merger Agreement Conditions to the Merger* beginning on page 83, provided that Parent's right to terminate the Merger Agreement pursuant to this provision shall not be available if Parent or Merger Sub is then in material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement; or

◦ a Change in the Company Recommendation shall have occurred;

by the Company (with the prior approval of the Lead Director), if:

Parent or Merger Sub shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement, which breach or failure to perform is incapable of being cured by Parent or Merger Sub prior to the Termination Date or if capable of being cured, is not cured within 30 days following receipt by Parent of written notice from the Company, and which would result in a failure of any Company condition to effect the Merger, as described in *The Merger Agreement Conditions to the Merger* beginning on page 83, provided that the Company's right to terminate the Merger Agreement pursuant to this provision shall not be available if the Company is then in material breach of any of its representations, warranties, covenants or agreements under the Merger Agreement; or

the Board of Directors, upon the recommendation of the Lead Director, causes the Company to enter into any agreement related to a Superior Proposal, provided that the Company has complied in all material respects with the provisions in the Merger Agreement relating to solicitation of Takeover Proposals, including the notice provisions therein, as summarized in *The Merger Agreement Other Covenants and Agreements Limited Solicitation* beginning on page 80.

Fees and Expenses

Except as otherwise provided in the Merger Agreement as described in this *The Merger Agreement Fees and Expenses* section, all fees and expenses incurred in connection with the Merger and the other transactions contemplated by the Merger Agreement shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated.

TABLE OF CONTENTS

Payment or Reimbursement of Fees and Expenses by the Company

If the Merger Agreement is terminated by Parent because of a Change in the Company Recommendation, as described in *The Merger Agreement Termination* beginning on page 83, the Company will reimburse Parent for its expenses (not to exceed \$300,000 in the aggregate). If the Merger Agreement is terminated by the Company because the Board of Directors, upon the recommendation of the Lead Director, causes the Company to enter into an agreement related to a Superior Proposal, as described in *The Merger Agreement Termination* beginning on page 83, the Company will reimburse Parent for its expenses (not to exceed \$300,000 in the aggregate) and will pay Parent a termination fee of \$300,000. Parent's right to receive such reimbursement of expenses and/or such termination fee, as applicable, shall be the sole and exclusive remedy in the event of a termination of the Merger Agreement as described, except in the event of a willful or intentional material breach of any provision of the Merger Agreement by the Company.

Payment or Reimbursement of Fees and Expenses by Parent

If the Merger Agreement is terminated by the Company because Parent or Merger Sub breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement, as described in *The Merger Agreement Termination* beginning on page 83, and (i) such breach was material and knowing, willful or intentional and (ii) at the time of such termination, the Company is then ready, willing and able to consummate the merger and the conditions to Parent and Merger Sub's obligations under the Merger Agreement have been satisfied or waived, Parent will reimburse the Company for its expenses (not to exceed \$300,000 in the aggregate) and will pay the Company a termination fee in an amount equal to \$300,000. If the Merger Agreement is terminated by the Company because Parent or Merger Sub breached or failed to perform in any material respect any of its representations, warranties, covenants or agreements contained in the Merger Agreement, as described in *The Merger Agreement Termination* beginning on page 83, in circumstances other than those set forth in the preceding sentence, Parent will reimburse the Company for its expenses (not to exceed \$300,000 in the aggregate). The Company's right to terminate and receive such reimbursement of expenses and/or such termination fee, as applicable, shall be the sole and exclusive monetary remedy of the Company. In the event the Merger Agreement is terminated as described, under no circumstances shall the Company be permitted or entitled to receive any injunction, specific performance or other equitable relief.

Amendments and Waivers

The Merger Agreement may not be amended and no waiver, consent or approval by or on behalf of the Company (or Lead Director, if applicable) may be granted except pursuant to an instrument in writing signed by or on behalf of the Company (or Lead Director, if applicable) following approval of such action by the Lead Director and signed by Parent; provided, however, that following the Shareholder Approval, no amendment may be made to the Merger Agreement that by law requires further approval or authorization by the shareholders of the Company or Merger Sub without such further approval or authorization.

At any time prior to the Effective Time, whether before or after receipt of the Shareholder Approval:

the Lead Director on behalf of the Company may, but will not be obligated to, extend the time for the performance of any of the obligations of Merger Sub and Parent, waive any inaccuracies in the representations and warranties of Merger Sub or Parent, or waive compliance by Merger Sub or Parent with any of the covenants or with any conditions to the Company's obligations; and

Parent may, but will not be obligated to, extend the time for the performance of any of the obligations of the Company, waive any inaccuracies in the representations and warranties of the Company or waive compliance by the

Company with any of the agreements or with any conditions to Merger Sub or Parent's obligations.

Equitable Remedies

The Company will not be entitled to receive both equitable remedies and the reimbursement of expenses and/or a termination fee, as described in *The Merger Agreement Fees and Expenses Payment or Reimbursement of Fees and Expenses by Parent* beginning on page 85. Parent and/or Merger Sub shall be entitled to an injunction or injunctions to prevent breaches of the Merger Agreement or to enforce specifically the performance of the terms hereof in addition to any other remedies to which they are entitled at law or in

85

TABLE OF CONTENTS

equity. The Company has waived any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. Except as otherwise provided in the Merger Agreement, as described in this paragraph, the exercise by Parent or Merger Sub of a particular remedy shall not preclude the exercise of any other remedy.

Vote Required and Board Recommendation

For the Company to complete the Merger, under New York law and the Merger Agreement, shareholders holding at least two-thirds of the aggregate voting power of our Common Stock outstanding at the close of business on the record date must vote **FOR** the approval of the Merger and adoption of the Merger Agreement. For purposes of the proposal to approve the Merger and adopt the Merger Agreement, abstentions and shares deemed present at the meeting but not entitled to vote with respect to the proposal (because of either shareholder withholding or broker non-vote) will have the same effect as a vote **AGAINST** the proposal. If you fail to submit a proxy or vote in person at the Special Meeting, the shares of Common Stock not voted will have the same effect as a vote **AGAINST** this proposal.

Subject to the terms of the Voting Agreement between us, Parent and the Rollover Shareholders, the Rollover Shareholders have agreed to vote all shares of our Common Stock they beneficially own (and any shares acquired by them after the date of the Voting Agreement) in favor of approving the Merger and adopting the Merger Agreement.

See *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company Agreements Involving the Company's Securities Voting Agreement* beginning on page 87. As of the record date, there were 39,273,254 shares of our Common Stock outstanding, of which the Rollover Shareholders own 27,678,679 shares of Common Stock, representing in the aggregate approximately 70.5% of the outstanding shares of Common Stock. This amount excludes the 63,579,204 shares of Common Stock that the Rollover Shareholders have the right to acquire pursuant to convertible preferred stock, warrants and options held by them. Because the Rollover Shareholders beneficially hold more than two-thirds of our outstanding shares of Common Stock as of the record date, they can satisfy the required vote under New York law and the Merger Agreement to approve the Merger and adopt the Merger Agreement without the affirmative vote of any of our other shareholders.

THE BOARD OF DIRECTORS, BASED ON THE RECOMMENDATION OF THE LEAD DIRECTOR, RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE MERGER AND THE ADOPTION OF THE MERGER AGREEMENT.

Voting Agreement

In connection with the execution of the Merger Agreement, on December 18, 2013, Parent, HGI Funding and the Rollover Shareholders entered into an agreement with the Company, which we refer to as the Voting Agreement, pursuant to which each Rollover Shareholder agreed, subject to the terms and conditions set forth therein, to vote the Subject Shares (as defined therein, and including any shares acquired by them after the date of the Voting Agreement) in favor of approving the Merger and adopting the Merger Agreement. The Rollover Shareholders further agreed to vote against (i) any Takeover Proposal or Superior Proposal, (ii) any action, proposal, transaction or agreement which could reasonably be expected to result in a breach of any covenant, representation or warranty or any other obligation or agreement of the Company under the Merger Agreement or of such shareholder under the Voting Agreement, and (iii) any action, proposal, transaction or agreement that could reasonably be expected to impede, interfere with, delay, discourage, adversely affect or inhibit the timely consummation of the Merger or the fulfillment of Parent's, the Company's or Merger Sub's conditions under the Merger Agreement or change in any manner the voting rights of any class of shares of the Company. The Voting Agreement will terminate upon the occurrence of certain events, including the termination of the Merger Agreement in accordance with its terms.

A copy of the Voting Agreement is attached to this proxy statement as *Annex C* and is incorporated by reference into this proxy statement. The summary of the Voting Agreement in the preceding paragraph does not purport to be complete and may not contain all of the information about the Voting Agreement that may be important to you and is qualified in its entirety by reference to the full text of such agreement. We encourage you to read the Voting Agreement carefully and in its entirety, as the rights and obligations of the parties thereto are governed by the express terms of the Voting Agreement and not by this summary or any other information contained in this proxy statement.

As of the record date, there were 39,273,254 shares of our Common Stock outstanding, of which the Rollover Shareholders own 27,678,679 shares of Common Stock, representing in the aggregate approximately 70.5% of the outstanding shares of Common Stock. This amount excludes the 63,579,204 shares of Common Stock that the Rollover Shareholders have the right to acquire pursuant to convertible preferred stock, warrants and options held by them.

Rollover Agreement

In connection with the execution of the Merger Agreement, on December 18, 2013, the Rollover Shareholders entered into an agreement with Parent, which we refer to as the Rollover Agreement, pursuant to which, simultaneously with the execution of the Rollover Agreement, Parent issued to each Rollover Shareholder an equity interest in Parent. Subject to the consummation of the transactions contemplated by the Purchase Agreement (as defined in *Agreements Involving the Company's Securities; Transactions Between the Rollover Shareholders and the Company* *Agreements Involving the Company's Securities* *Purchase and Sale Agreement* below), immediately prior to the Effective Time, each Rollover Shareholder will contribute the shares of Common Stock, Series A

Convertible Preferred Stock and Series B Convertible Preferred Stock held by such Rollover Shareholder (after taking into account the transfer of shares of Series A Convertible Preferred Stock from TTG to HGI Funding pursuant to the Purchase Agreement) to Parent in exchange for an increase in their equity interests in Parent. The issuance of the equity interests will be effected by increasing the value of the capital account corresponding to such Rollover Shareholder's existing equity interests.

In addition, each stock option, stock-based award (other than a stock option) and warrant held by the Rollover Shareholders will, immediately following the Effective Time, automatically and without the taking of any further action on the part of the Company or any Rollover Shareholder, be cancelled (and to the extent formerly exercisable shall no longer be exercisable) and shall no longer represent the right to receive or acquire shares of Common Stock or receive any other consideration therefor.

TABLE OF CONTENTS

In the event that the transactions contemplated by the Rollover Agreement are consummated but the Merger Agreement is terminated in accordance with its terms, then the transactions contemplated by the Rollover Agreement will be deemed not to have occurred. The Rollover Agreement will terminate upon the termination of the Merger Agreement in accordance with its terms.

A copy of the Rollover Agreement is attached to this proxy statement as *Annex D* and is incorporated by reference into this proxy statement. Purchase and Sale Agreement

In connection with the execution of the Merger Agreement, on December 18, 2013, HGI Funding and TTG entered into an agreement, which we refer to as the Purchase Agreement, pursuant to which, subject to the terms and conditions of the agreement, HGI Funding agreed to purchase and TTG agreed to sell 14,900 shares of the Company's Series A Convertible Preferred Stock for an aggregate purchase price of \$1,490,000. The sale will close immediately prior to the closing of the Merger (with a condition subsequent that the closing of the Merger occurs) and the transactions contemplated by the Rollover Agreement. The Purchase Agreement will terminate upon the termination of the Merger Agreement in accordance with its terms.

A copy of the Purchase Agreement is attached to this proxy statement as *Annex E* and is incorporated by reference into this proxy statement. The summary of the Purchase Agreement in the preceding paragraph does not purport to be complete and may not contain all of the information about the Purchase Agreement that may be important to you and is qualified in its entirety by reference to the full text of such agreement. Series B Convertible Preferred Stock Transaction

Purchase Agreement

On March 15, 2013, the Company entered into a Series B Convertible Preferred Stock Purchase Agreement, the Series B SPA, pursuant to which the Company sold \$10,000,000 of Series B Convertible Preferred Stock to Five Island, a subsidiary of HGI. In addition, the Company issued to Five Island warrants to purchase up to an aggregate of 10,246,477 shares of Common Stock at exercise prices ranging from \$0.01 to \$1.21 per share. The warrants are exercisable only upon a corresponding exercise or conversion of specified outstanding securities, as set forth in the warrants. On September 26, 2013, Five Island transferred the Series B Convertible Preferred Stock and the warrants, along with its rights under the agreements described below, to HGI Funding.

Series B Convertible Preferred Stock

The terms of the Series B Convertible Preferred Stock, as set forth in a certificate of amendment, or the Series B Certificate of Amendment, to the Company's certificate of incorporation, are as follows:

Dividends. Cumulative dividends on the Series B Convertible Preferred Stock are payable quarterly in arrears either (i) at the rate of 9% per annum in cash or, at the Company's discretion, (ii) at the rate of 12% per annum in additional shares of Series B Convertible Preferred Stock. The dividends on the Series B Convertible Preferred Stock will be paid prior to dividends on the Company's common stock and preferred stock ranking junior to the Series B Convertible Preferred Stock, or the Junior Preferred Stock.

Rank. The Series B Convertible Preferred Stock ranks, with respect to rights upon a Liquidation Event (as defined below), (a) junior to any other class or series of capital stock of the Company subsequently created that by its terms ranks senior to the Series B Convertible Preferred Stock; (b) senior to the common stock and the Series A Convertible Preferred Stock; (c) senior to any class or series of capital stock of the

TABLE OF CONTENTS

Company subsequently created that does not specifically rank senior to or on parity with the Series B Convertible Preferred Stock; and (d) on parity with any class or series of capital stock of the Company subsequently created that by its terms ranks on parity with the Series B Convertible Preferred Stock.

Voting Rights. Except as otherwise required by law or by the terms of the Series B Certificate of Amendment, the Series B Convertible Preferred Stock does not have voting rights. However, as long as any shares of Series B Convertible Preferred Stock are outstanding, the Company may not, without the vote or written consent of the holders of at least a majority of the outstanding shares of Series B Convertible Preferred Stock: (a) amend, alter or repeal of any provision of the Company's certificate of incorporation or by-laws; (b) alter or change the powers, preferences or other special rights, privileges or restrictions of the Series B Convertible Preferred Stock; (c) authorize or designate any new security ranking on a parity with or senior to the Series B Convertible Preferred Stock; (d) issue any common stock or equity or debt security convertible into common stock (other than shares of Series A Convertible Preferred Stock issued as dividends on the outstanding shares of Series A Convertible Preferred Stock), whether senior, on parity or junior to the Series B Convertible Preferred Stock; (e) issue any equity or debt in a Series B Qualifying Investment (as defined in the Series B Certificate of Amendment) where the securities issued in such investment are by their terms mandatorily redeemable by the Company; (f) incur, assume or guarantee any indebtedness for borrowed money in excess of \$1,000,000 or permit any liens other than in connection with such indebtedness; (g) enter into any transaction with affiliates other than salary and benefits in the ordinary course of business or conversion of the Series A Convertible Preferred Stock into common stock; (h) purchase, redeem or otherwise acquire any equity interests of the Company, other than a mandatory redemption of the Series A Convertible Preferred Stock pursuant to its terms; (i) declare or pay any dividend or distribution to any equity holders of the Company other than preferred dividends on the Series B Convertible Preferred Stock, the Series A Convertible Preferred Stock and any dividends payable in additional shares of common stock; (j) except as provided in the Series B Certificate of Amendment, increase or decrease the size of the Board of Directors; or (k) liquidate, dissolve or wind up, or commence any bankruptcy or similar proceeding, with respect to the Company.

Director Election Rights. As long as the holders of the Series B Convertible Preferred Stock (together with former holders (or affiliates thereof) who have exercised their conversion rights) represent (A) at least 25% of the outstanding shares of the Company's common stock (assuming (x) conversion of the Series A Convertible Preferred Stock and the Series B Convertible Preferred Stock and (y) exercise of any warrants held by the holders of the Series A Convertible Preferred Stock and Series B Convertible Preferred Stock), the holders of a majority of the outstanding shares of Series B Convertible Preferred Stock will be entitled to elect 35% of the Board of Directors (rounded up to the nearest whole number of directors and in all cases at least two directors) or (B) at least 15%, but less than 25%, of the outstanding shares of the Company's common stock (assuming (x) conversion of the Series A Convertible Preferred Stock and the Series B Convertible Preferred Stock and (y) exercise of any warrants held by the holders of the Series A Convertible Preferred Stock and Series B Convertible Preferred Stock), the holders of a majority of the outstanding shares of Series B Convertible Preferred Stock will be entitled to elect one director of the Board of Directors (in either case, such directors or director shall be referred to as the Series B Directors or Series B Director).

At any annual or special meeting of the Company's shareholders, the holders of a majority of the outstanding shares of Series B Convertible Preferred Stock will be entitled to elect the Series B Directors. Series B Directors may be removed, with or without cause, only by a vote of the holders of a majority of the outstanding shares of Series B Convertible Preferred Stock. Vacancies in seats held by Series B Directors can only be filled by a vote of the holders of a majority of the outstanding shares of Series B Convertible Preferred Stock.

Additionally, as long as the holders of the Series B Convertible Preferred Stock (together with any former holders (or affiliates thereof) of shares of Series B Convertible Preferred Stock who have exercised their conversion rights) represent at least a majority of the outstanding shares of the Company's common stock (assuming (x) conversion of the

Series A Convertible Preferred Stock and the Series B Convertible Preferred Stock and (y) exercise of any warrants held by the holders of the Series A Convertible Preferred Stock and Series B Convertible Preferred Stock), upon delivery of written notice to the Company from all of the remaining holders of Series B Convertible Preferred Stock exercising their right to convert all of the

TABLE OF CONTENTS

Series B Convertible Preferred Stock, the number of members of the Board of Directors will automatically increase, without any action required by the Company or the Board of Directors, such that the number of newly created seats plus the number of Series B Directors will constitute a majority of the Board of Directors. The holders of a majority of the outstanding shares of Series B Convertible Preferred Stock delivering the conversion notice will be entitled to elect directors to fill all of the newly created seats.

Liquidation Rights. Upon the occurrence of an Acquisition or Asset Transfer (each as defined in the Series B Certificate of Amendment) or upon any bankruptcy, liquidation, dissolution or winding up of the Company, whether voluntary or involuntary (any such Acquisition, Asset Transfer, bankruptcy, liquidation, dissolution or winding up, a Series B Liquidation Event), the holders of Series B Convertible Preferred Stock will be entitled to receive, in preference to the holders of any security not ranking by its terms senior to or on parity with the Series B Convertible Preferred Stock, including the common stock and any Junior Preferred Stock, an amount equal to: (i) the stated value of the Series B Convertible Preferred Stock plus all accrued but unpaid dividends thereon, multiplied by (ii) (A) 1.05, if the Liquidation Event occurs by March 15, 2015 or (B) 1.00, if the Series B Liquidation Event occurs after March 15, 2015.

Mandatory Repurchase Obligation. A holder of the Series B Convertible Preferred Stock will have the right to require the Company to purchase its shares of Series B Convertible Preferred Stock for a price equal to the amount the holder would be entitled to receive upon a Series B Liquidation Event in the event of a cash investment in the Company (other than by holders of the Series B Convertible Preferred Stock) resulting in (i) 30% or more of the equity of the Company being held by one or more parties that did not own it immediately prior to the investment and (ii) the securities issued under such investment are not by their terms mandatorily redeemable by the Company.

Conversion. The Series B Convertible Preferred Stock may be converted at any time, at the option of the holder, into shares of common stock at a conversion price of \$0.25 per share, or the Series B Conversion Price. The Series B Conversion Price is subject to adjustment resulting from dividends, distributions, stock combinations, splits, recapitalizations or similar capital adjustments. The Series B Conversion Price is also subject to adjustment if the Company sells common stock or common stock equivalents at a price below the Series B Conversion Price; provided, however, that the foregoing conversion price adjustments can never result in a conversion price of less than \$0.07 per share, as adjusted from time to time for any stock combinations, splits, recapitalizations or similar capital adjustments.

Upon full conversion and exercise of all preferred stock, HGI Funding would own a majority of the Company's common stock and be entitled to appoint a majority of the Company's Board of Directors. Formerly, TTG, TKZ, Fursa and Arsenal collectively controlled a majority of the Company's common stock.

Optional Redemption by the Company. The Series B Convertible Preferred Stock is redeemable, at the option of the Company, at any time after March 15, 2018. Upon redemption, a holder of Series B Convertible Preferred Stock will be paid, for each share of Series B Convertible Preferred Stock, a price equal to the stated value of the Series B Convertible Preferred Stock then in effect plus all accrued or cumulated but unpaid dividends thereon.

The Series B Certificate of Amendment was adopted by the Board of Directors on March 12, 2013 and became effective upon filing with the New York Secretary of State on March 15, 2013.

Registration Rights

Pursuant to the Series B SPA, the Company agreed to file, by May 14, 2013, a registration statement to register the resale of the shares of Common Stock issuable upon conversion of the Series B Convertible Preferred Stock, the shares of Common Stock underlying any shares of Series B Convertible Preferred Stock issuable as dividends on such

shares and shares of Common Stock issuable upon exercise of the warrants. The requirement to file a registration statement was waived, but HGI Funding reserves its right to rescind the waiver in the future. In addition, HGI Funding has certain demand and piggyback registration rights with respect to such shares of Common Stock.

Shareholder Meeting

Pursuant to the Series B SPA, the Company agreed to cause a general or special meeting of its shareholders to be duly called and held, as soon as practicable, but not later than February 1, 2014, for the

90

purpose of voting on the approval and adoption of an amendment to the Company's certificate of incorporation providing that the shareholders entitled to vote may take any action that they might have taken at a shareholders meeting by a written consent signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action. The Company agreed to use its best efforts to prepare and file a proxy statement with the SEC for use in soliciting proxies for the general or special meeting of shareholders.

Pursuant to the Voting Agreement, HGI Funding waived the requirement to include the amendment in this proxy statement for the Special Meeting. Accordingly, the certificate of incorporation continues to prohibit the Company from taking action by less than unanimous consent.

Amendments to By-laws

Pursuant to the Series B SPA, effective on March 15, 2013, the Board of Directors adopted the Second Amended and Restated By-laws of the Company to, among other things, provide for the Series B Directors to serve on the Board of Directors as described above and to allow the shareholders of the Company to act by majority written consent if the Company's certificate of incorporation is amended as described above under the heading "Shareholder Meeting." Under the Company's prior effective by-laws, the shareholders could only act by unanimous written consent. Additionally, the new by-laws provide that for so long as the holders of Series B Convertible Preferred Stock are entitled to appoint one Series B Director to the Board of Directors, each committee of the Board of Directors (including the executive committee) shall include at least one Series B Director.

Series B Directors

Pursuant to the Series B SPA, the Company agreed to use its best efforts to cause the rights granted to the holder of the Series B Convertible Preferred Stock with respect to the nomination and appointment of the Series B Directors to be effectuated. The Company will enter into separate indemnification agreements with each Series B Director upon his or her appointment or election to the Board of Directors. As of the date of this proxy statement, a Series B Director has not been appointed.

Consent and Waiver of Holder of Series A Convertible Preferred Stock

In connection with the transaction, TTG, the holder of the outstanding shares of Series A Convertible Preferred Stock, consented to the transaction and waived, on behalf of itself and any transferees of the Series A Convertible Preferred Stock, (a) any and all anti-dilution adjustments applicable to the Series A Convertible Preferred Stock which might otherwise be made to the conversion prices of such shares and any additional shares of Series A Convertible Preferred Stock that may be issued as a dividend on such shares and (b) any and all rights to redemption in connection with a Qualifying Investment (as defined in the Company's certificate of incorporation), in each case as a result of the transactions contemplated by the Series B SPA.

The payment

of dividends will be within the discretion of the Board of Directors and will be contingent upon our revenue and earnings, if any, capital requirements, general financial condition and such other factors as the Board of Directors may consider. In addition, the terms of our Series A Convertible Preferred Stock and Series B Convertible Preferred Stock and covenants contained in our Credit Agreement restrict our ability to pay cash dividends so long as the Series A Convertible Preferred Stock or the Series B Convertible Preferred Stock is outstanding or any amount is owed and outstanding under the Credit Agreement, respectively.

ADVISORY VOTE REGARDING MERGER-RELATED COMPENSATION PROPOSAL

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which we refer to as the Dodd-Frank Act, and pursuant to Section 14A of the Exchange Act, we are providing our shareholders with an opportunity to cast a non-binding advisory vote to approve the golden parachute compensation that the Company's named executive officers (as defined in Item 402 of Regulation S-K of the Exchange Act) will or may receive in connection with the Merger. Under the Dodd-Frank Act and for this purpose, golden parachute compensation is any type of compensation, whether present, deferred or contingent, that is based on or otherwise relates to the Merger pursuant to arrangements entered into with the Company and as disclosed in this proxy statement. Accordingly, we are asking our shareholders to approve the following non-binding resolution at the Special Meeting:

RESOLVED, that the shareholders of Frederick's of Hollywood Group Inc. approve, on a non-binding advisory basis, the golden parachute compensation based on or otherwise related to the Merger that the Company's named executive officers will or may receive in connection with the Merger as disclosed pursuant to Item 402(t) of Regulation S-K in *Special Factors - Interests of the Company's Directors and Executive Officers in the Merger - Interests of Executive Officers.*

Vote Required and Board Recommendation

The vote on this proposal is a vote separate and apart from the vote to approve the Merger. Accordingly, you may vote not to approve the Merger-Related Compensation Proposal and vote to approve the Merger and adopt the Merger Agreement and vice versa.

Approval of this resolution, commonly referred to as a say-on-golden-parachute resolution, requires the affirmative vote of a majority of the votes cast at the Special Meeting with respect to the Merger-Related Compensation Proposal.

For purposes of this proposal, abstentions and shares deemed present at the meeting but not entitled to vote with respect to the proposal (because of either shareholder withholding or broker non-vote) are not deemed voted and therefore will have no effect on this proposal. If you fail to submit a proxy or vote in person at the Special Meeting, the shares of Common Stock not voted will not be counted in respect of, and will not have an effect on, this proposal.

Because the vote is advisory in nature only, it will not be binding on either the Company or the Parent regardless of whether the Merger is completed. Approval of the Merger-Related Compensation Proposal is not a condition to completion of the Merger, and failure to approve this advisory matter will have no effect on the vote to approve the Merger. Because the compensation to be paid in connection with the Merger is based on contractual arrangements with the named executive officers, regardless of the outcome of this advisory vote, such compensation will be payable, subject only to the contractual conditions applicable thereto, if the Merger is completed.

Because the Rollover Shareholders beneficially hold more than a majority of our outstanding shares of Common Stock as of the record date, they can approve or disapprove the Merger-Related Compensation Proposal regardless of how any other shareholder votes.

**THE BOARD OF DIRECTORS, BASED ON THE RECOMMENDATION OF THE LEAD DIRECTOR,
RECOMMENDS THAT YOU VOTE FOR THE MERGER-RELATED COMPENSATION PROPOSAL.**

DISSENTERS RIGHTS

Sections 623 and 910 of the NYBCL provide that if the Merger is consummated, holders of shares of our Common Stock entitled to vote on the approval of the Merger and adoption of the Merger Agreement who object to such actions in writing prior to or at the Special Meeting, but before the vote, and who follow the procedures specified in Section 623 (summarized below) will have the right to receive cash payment of the fair value of their shares of Common Stock if the proposed corporate actions are taken. The express procedures of Section 623 must be followed precisely; if they are not, holders of shares of Common Stock will lose their right to dissent. As described more fully below, such fair value would potentially be determined in judicial proceedings, the result of which cannot be predicted. We cannot assure you that holders of shares of Common Stock exercising dissenters rights will receive consideration equal to or greater than the merger consideration.

The statutory procedures outlined below are complex. What follows is a summary and is qualified in its entirety by reference to the full text of Section 623 and Section 910 of the NYBCL, which are attached hereto as *Annex H*. Holders of shares of Common Stock wishing to exercise their dissenters rights should consult their own legal advisors to ensure that they fully and properly comply with the requirements of New York law.

Any holder of shares of Common Stock who is entitled to vote on the approval of the Merger and adoption of the Merger Agreement will have the right to receive cash payment of the fair value of his or her shares of Common Stock and the other rights and benefits provided in Section 623 if such shareholder:

files with the Company a written objection to the Merger and Merger Agreement prior to the vote by the Company shareholders on the approval of the Merger and the adoption of the Merger Agreement. The written objection must include: (1) notice of the shareholder's election to dissent; (2) the shareholder's name and residence address; (3) the number of shares of Common Stock as to which the shareholder dissents; and (4) a demand for payment of the fair value of such shares of Common Stock if the proposed corporate actions are taken; and

does not vote in favor of the approval of the Merger and adoption of the Merger Agreement.

A vote against approval of the Merger and adoption of the Merger Agreement will not satisfy the requirement of filing a written objection. Failure to vote against approval of the Merger and adoption of the Merger Agreement will not waive the right of a holder of shares of Common Stock to receive payment if such holder has filed a written objection in accordance with Section 623 and has not voted in favor of approval of the Merger and adoption of the Merger Agreement. If a holder of shares of Common Stock abstains from voting on approval of the Merger and adoption of the Merger Agreement, this will not waive his or her dissenters rights so long as the appropriate written objection to the approval of the Merger and adoption of the Merger Agreement are properly and timely filed. Since a proxy left blank will be voted for approval of the Merger and adoption of the Merger Agreement, any holder of shares of Common Stock who wishes to exercise his or her dissenters rights must either vote against approval of the Merger and adoption of the Merger Agreement or abstain. Written objection prior to the vote by the Company shareholders on the approval of the Merger Agreement and adoption of the Merger Agreement may not be required from any holder of shares of Common Stock to whom the Company did not give proper notice of the Special Meeting of shareholders contemplated by this proxy statement.

A holder of shares of Common Stock may not dissent as to less than all shares of Common Stock held of record by him or her that he or she owns beneficially. A nominee or fiduciary may not dissent on behalf of any beneficial owner of shares of Common Stock as to less than all of the shares of Common Stock of such owner held of record by the nominee or fiduciary for such beneficial owner.

All written objections to the Merger and notices of election to dissent should be addressed to:

Frederick's of Hollywood Group Inc.
6255 Sunset Boulevard
Hollywood, California 90028
Attention: Secretary

TABLE OF CONTENTS

If the Merger Agreement is approved and adopted by the Company's shareholders, within 10 days after such action the Company will give written notice of such approval and adoption by registered mail to each holder of shares of Common Stock who filed a timely written objection or from whom written objection was not required, except for any holder of shares of Common Stock who voted in favor of approval of the Merger and adoption of the Merger Agreement. Any holder of shares of Common Stock from whom objection was not required and who elects to dissent must file with the Company, within 20 days after the giving of such notice to him or her, a written notice of election to dissent, stating his or her name and residence address, the number of shares of Common Stock as to which he or she dissents and a demand for payment of the fair value for his or her Common Stock.

Either at the time of filing of the notice of election to dissent or within one month after the filing of the notice of election to dissent, a dissenting holder of Common Stock must submit the certificates representing his or her shares of Common Stock to the Company, or to its transfer agent, which shall note conspicuously on the certificates that a notice of election has been filed and will then return such certificates to such holder. Any holder of Common Stock who fails to submit his or her certificates for notation within one month after the filing of the notice of election to dissent shall, at the option of the Company upon written notice to such holder of Common Stock within 45 days from the date of filing of such notice of election to dissent, lose his or her dissenters' rights unless a court, for good cause shown, otherwise directs.

Within 15 days after the expiration of the period within which holders of Common Stock may file their notices of election to dissent, or within 15 days after the completion of the Merger, whichever is later (but in no case later than 90 days after the Company's shareholders approve the Merger and adopt the Merger Agreement), the surviving corporation will make a written offer by registered mail to each holder of Common Stock who has filed a notice of election to pay for his or her dissenting shares of Common Stock at a specified price which the surviving corporation considers to be their fair value. If the Merger has occurred, such offer must be accompanied by an advance payment to each holder of Common Stock who has submitted, in accordance with the foregoing requirements, his or her share certificates to the Company of an amount equal to 80% of the amount of the offer or, if such holder has not yet submitted his or her share certificates, a statement that an advance payment equal to 80% of the offer will be made promptly upon submission of his or her certificates. Acceptance of such payment shall not constitute a waiver of any dissenters' rights. The offer must be made at the same price per share to all the holders of Common Stock who have filed their notices of election to dissent before the expiration of the period within which to do so. If, within 30 days after the making of an offer, the surviving corporation and any holder of shares of Common Stock agree on the price to be paid for his or her shares, the balance of payment for such shares must be made within 60 days after the making of the offer or the completion of the Merger, whichever is later, upon surrender of the certificates representing such shares of Common Stock.

If the surviving corporation fails to make an offer to dissenting holders of shares of Common Stock within the 15-day period described above, or if it makes the offer and any dissenting holder of shares of Common Stock fails to agree with it within 30 days thereafter upon the price to be paid for his or her shares, the surviving corporation is required, within 20 days after the expiration of whichever is the applicable of the two periods referred to above, to institute a special proceeding in the Supreme Court of the State of New York in the judicial district in which the office of the surviving corporation is located to determine the rights of dissenting holders of shares of Common Stock and to fix the fair value of their shares of Common Stock. If the Company fails to institute such proceeding within such 20-day period, any dissenting holder of shares of Common Stock may institute such proceeding for the same purpose not later than 30 days after the expiration of such 20-day period. If such proceeding is not instituted within such 30-day period, all dissenters' rights are lost unless the Supreme Court of the State of New York, for good cause shown, otherwise directs.

During each proceeding, the court will determine whether each dissenting holder of shares of Common Stock who has not agreed to an offer by the Company is entitled to receive payment for his or her shares and, if so, will fix the value of such shares, which shall be the fair value as of the close of business on the day prior to the date the Company's shareholders voted to approve the Merger and adopt the Merger Agreement, taking into consideration the nature of the transaction giving rise to the right of the dissenting holder of shares of Common Stock to receive payment for his or her shares of Common Stock and its effect on the surviving corporation and its shareholders, the concepts and methods then customary in the relevant securities and

financial markets for determining the fair value of shares of a corporation engaging in a similar transaction under comparable circumstances and all other relevant factors. The court shall determine the fair value of the shares of Common Stock without a jury and without referral to an appraiser or referee. The court will also award interest on such amount to be paid from the date of the completion of the Merger to the date of payment unless the court finds that the refusal by a dissenting holder of Common Stock to accept the surviving corporation's offer of payment was arbitrary, vexatious or otherwise not in good faith. Each party to such proceeding will bear his, her or its respective costs and expenses unless the court finds the refusal by any such dissenting holders to accept the surviving corporation's offer of payment was arbitrary, vexatious or otherwise not in good faith, in which case the court, in its discretion, may apportion and assess the Company's costs against any or all such dissenting holders. The court, in its discretion, may also apportion or assess any part of the costs of dissenting holders of Common Stock against the surviving corporation if it finds that the fair value of the dissenting holders' shares of Common Stock as determined materially exceeds the amount which the surviving corporation offered to pay, or that no offer or advance payment was made by the surviving corporation, or that the surviving corporation failed to institute such special proceeding within the specified period, or that the actions of the surviving corporation in complying with its obligations under Section 623 of the NYBCL were arbitrary, vexatious or otherwise not in good faith. Within 60 days following the final determination of the applicable proceeding, the surviving corporation shall pay to each dissenting holder of shares of Common Stock the amount found to be due him or her upon the surrender by such holder of all certificates representing dissenting shares.

The enforcement by a holder of shares of Common Stock of his or her right to receive payment for shares in accordance with Section 623 of the NYBCL excludes the enforcement by such holder of Common Stock of any other right to which he or she might otherwise be entitled by virtue of his or her ownership of shares (unless the holder of Common Stock timely withdraws his or her notice of election or the Merger is abandoned), except that the holder of Common Stock will retain the right to bring or maintain an appropriate action to obtain relief on the grounds that the Merger will be or is unlawful or fraudulent as to him or her. A notice of election by a holder of Common Stock may be withdrawn at any time prior to his or her acceptance in writing of an offer to purchase his or her dissenting shares of Common Stock by the Company, but no withdrawal may be made later than 60 days from the completion of the Merger (unless the Company failed to make a timely offer) without the consent of the Company.

In view of the complexity of Sections 623 and 910 of the NYBCL, shareholders who may wish to dissent from the Merger and pursue dissenters' rights should consult their legal advisors.

MULTIPLE SHAREHOLDERS SHARING ONE ADDRESS

In accordance with Rule 14a-3(e)(1) under the Exchange Act, one proxy statement will be delivered to two or more shareholders who share an address, unless the Company has received contrary instructions from one or more of the shareholders. The Company will deliver promptly upon written or oral request a separate copy of the proxy statement to a shareholder at a shared address to which a single copy of the proxy statement was delivered. Requests for additional copies of the proxy statement, and requests that in the future separate proxy statements be sent to shareholders who share an address, should be directed to Frederick's of Hollywood Group Inc., 6255 Sunset Boulevard, 6th Floor, Hollywood, California 90028, Attn: Secretary or by calling our secretary, Thomas Rende, at (212) 779-8300. In addition, shareholders who share a single address but receive multiple copies of the proxy statement may request that in the future they receive a single copy by contacting the Company at the address and phone number set forth in the prior sentence.

SUBMISSION OF SHAREHOLDER PROPOSALS

If the Merger is completed, we may not hold an annual meeting of shareholders in 2014. If the Merger is not completed, you will continue to be entitled to attend and participate in our annual meetings of shareholders and we will hold a 2014 annual meeting of shareholders, in which case we will provide notice of or otherwise publicly disclose the date on which such 2014 annual meeting will be held. If the 2014 meeting is held, shareholder proposals will be eligible for inclusion in the proxy statement and form of proxy for our 2014 annual meeting of shareholders in accordance with Rule 14a-8 under the Exchange Act and our bylaws, as described below.

In order for any shareholder proposal to be eligible for inclusion in our proxy statement for such meeting, we must receive them at our principal executive offices a reasonable time before we print proxy materials (because the date of the 2014 annual meeting will have changed by more than 30 days from the date of the 2013 annual meeting) and they must be submitted in compliance with the Rule 14a-8 under the Exchange Act. Each proposal should include the exact language of the proposal, a brief description of the matter and the reasons for the proposal, the name and address of the shareholder making the proposal and the disclosure of that shareholder's number of shares of common stock owned, length of ownership of the shares, representation that the shareholder will continue to own the shares through the annual shareholder meeting, intention to appear in person or by proxy at the annual shareholder meeting and material interest, if any, in the matter being proposed.

Any shareholder proposal or nomination for director that a shareholder wishes to propose for consideration at the 2014 annual meeting of shareholders, but does not seek to include in our proxy statement under applicable SEC rules, must be submitted in accordance with our bylaws. Any such shareholder proposal must be an appropriate subject for shareholder action under applicable law and must otherwise comply with our bylaws. Pursuant to SEC Rule 14a-4(c)(1), if we receive any shareholder proposal that is intended to be presented at the 2014 annual meeting, without inclusion in the proxy statement for the meeting, at our principal executive offices after a reasonable time before we print proxy materials (because the date of the 2014 annual meeting will have changed by more than 30 days from the date of the 2013 annual meeting), the proxies designated by the Board will have discretionary authority to vote on such proposal.

Shareholders who wish to recommend to the Nominating and Governance Committee a candidate for election to the Board of Directors should send their letters to Frederick's of Hollywood Group Inc., 6255 Sunset Boulevard,

Hollywood, California 90028, Attention: Nominating and Governance Committee. The Corporate Secretary will promptly forward all such letters to the members of the Nominating and Governance Committee. Shareholders must follow certain procedures to recommend to the Nominating and Governance Committee candidates for election as directors. In general, to provide sufficient time for the Nominating and Governance Committee to evaluate candidates recommended by shareholders to be considered for nomination in connection with our Annual Meeting of Shareholders, the Corporate Secretary must receive the shareholder's recommendation no later than thirty days after the end of our fiscal year.

TABLE OF CONTENTS

The recommendation must contain the following information about the candidate:

Name and age;

Current business and residence addresses and telephone numbers, as well as residence addresses for the past 20 years; Principal occupation or employment and employment history (name and address of employer and job title) for the past 20 years (or such shorter period as the candidate has been in the workforce);

Educational background;

Permission for us to conduct a background investigation, including the right to obtain education, employment and credit information;

Three character references and contact information;

The number of shares of our common stock beneficially owned by the candidate;

The information that would be required to be disclosed by us about the candidate under the rules of the SEC in a proxy statement soliciting proxies for the election of such candidate as a director (which currently includes information required by Items 401, 404 and 405 of Regulation S-K); and

A signed consent of the nominee to serve as a director of our company, if elected.

AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this Agreement), dated as of December 18, 2013, is entered into by and among FOHG HOLDINGS, LLC, a Delaware limited liability company (Parent), FOHG ACQUISITION CORP., a New York and wholly-owned subsidiary of Parent (Merger Sub), and FREDERICK S OF HOLLYWOOD GROUP INC., a New York corporation (the Company and, together with Parent and Merger Sub, the Parties). Certain capitalized terms used in this Agreement and not otherwise defined are used as defined in Section 8.11.

RECITALS

WHEREAS, as of the date of this Agreement, the Persons listed on Exhibit A (the Rollover Shareholders) own, in the aggregate, 27,678,679 Common Shares (as defined herein), 56,778 Series A Preferred Shares (as defined herein) and 107,576 Series B Preferred Shares (as defined herein) (the Rollover Shares);

WHEREAS, concurrently with the execution and delivery of this Agreement, (i) the Rollover Shareholders are entering into a rollover agreement with Parent and Merger Sub, dated as of the date of this Agreement (the Rollover Agreement) substantially in the form of Exhibit B, providing for the contribution immediately prior to the Effective Time of the Rollover Shares to Parent, in exchange for that class and number of membership interests of Parent set forth opposite such Rollover Shareholder s name on Exhibit A to the Rollover Agreement;

WHEREAS, the Board of Directors of the Company (the Board of Directors) (other than the Rollover Director, who abstained and recused himself from all discussions relating to the negotiations (except to the extent his presence was specifically requested by the Lead Director), and all deliberations with respect to the approval and adoption, of this Agreement, the Ancillary Agreements and the Merger), based on the recommendation of Milton Walters, the lead director of the Board of Directors (the Lead Director), has determined that a business combination with Parent, on the terms and subject to the conditions set forth herein, is fair to, and in the best interests of, the Company and the holders of Common Shares, other than the Rollover Shareholders and any Affiliate or Associate of the Rollover Shareholders (such holders, the Public Shareholders);

WHEREAS, the Board of Directors (other than the Rollover Director, who abstained and recused himself from all discussions relating to the negotiations (except to the extent his presence was specifically requested by the Lead Director), and all deliberations with respect to the approval and adoption, of this Agreement, the Ancillary Agreements and the Merger), based on the recommendation of the Lead Director, has (a) approved and adopted this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby, including the Merger, and (b) recommended approval and adoption of this Agreement by the shareholders of the Company; and

WHEREAS, concurrently with the execution and delivery of this Agreement, the Rollover Shareholders and Parent are entering into a voting agreement with the Company, substantially in the form of Exhibit C (the Voting Agreement), pursuant to which, among other things, the Rollover Shareholders and Parent have agreed to vote the Rollover Shares in favor of the adoption of this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth in this Agreement, the Parties hereby agree as follows:

ARTICLE I

TABLE OF CONTENTS

Section 1.02. Closing. The closing of the transactions contemplated by Section 1.01 (the Closing) shall take place on a date to be specified by Parent after all of the conditions set forth in Article VI have been satisfied or waived other than those conditions that by their nature are to be satisfied at the Closing (the Closing Date), unless this Agreement has been theretofore terminated pursuant to its terms or unless another date is agreed to in writing by Parent and the Company. If Parent fails to specify such closing date after all of the conditions set forth in Article VI have been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing), the Closing Date shall be no later than three (3) Business Days after such conditions have been satisfied or waived (or the Termination Date, if earlier), unless this Agreement has been theretofore terminated pursuant to its terms. The Closing shall occur at the offices of Milbank, Tweed, Hadley & McCloy LLP at One Chase Manhattan Plaza, New York, New York, or as otherwise agreed in writing by the Parties. At the Closing, the Company and Parent shall file a certificate of merger executed in accordance with, and in such form as is required by, the NYBCL (the Merger Certificate) with the Department of State of the State of New York in respect of the Merger, and the Merger shall become effective upon such filing or at such later time as is agreed to by the Company and Parent and specified in the Merger Certificate (the time at which the Merger becomes effective is herein referred to as the Effective Time)

Section 1.03. Effects of the Merger. The Merger shall have the effects set forth in this Agreement and the NYBCL (including Section 906 thereof).

Section 1.04. Certificate of Incorporation and By-laws. The certificate of incorporation and the by-laws of the Company shall be amended in the Merger to read in their entirety in the form of Exhibit D (in the case of the certificate of incorporation) and Exhibit E (in the case of the by-laws), and, as so amended, shall be the certificate of incorporation and by-laws of the Surviving Corporation until thereafter amended in accordance with their respective terms and the NYBCL.

Section 1.05. Directors. The directors of Merger Sub immediately prior to the Effective Time shall from and after the Effective Time be the initial directors of the Surviving Corporation, each to hold office, subject to the applicable provisions of the certificate of incorporation and by-laws of the Surviving Corporation, until their respective successors shall be duly elected or appointed and qualified in the manner provided in the certificate of incorporation and by-laws of the Surviving Corporation, or until their earlier death, resignation or removal, or as otherwise provided by Law.

Section 1.06. Officers. The officers of the Company immediately prior to the Effective Time shall from and after the Effective Time be the initial officers of the Surviving Corporation, subject to the applicable provisions of the by-laws of the Surviving Corporation, until their respective successors are duly elected or appointed and qualified in the manner provided in the certificate of incorporation and by-laws of the Surviving Corporation, or until their earlier death, resignation or removal, or otherwise as provided by Law.

Section 1.07. Conversion of Shares.

(a) Common Shares. At the Effective Time, by virtue of the Merger and without any action on the part of the Parties hereto or any holder of Company Shares, each Common Share issued and outstanding immediately prior to the Merger (other than Excluded Shares and any Dissenting Shares) shall be converted into the right to receive \$0.27 in cash, without interest (the Merger Consideration). At the Effective Time, all Common Shares (other than Excluded Shares and any Dissenting Shares) shall cease to be outstanding and shall automatically be cancelled and shall cease to exist, and each holder of (i) a certificate that immediately prior to the Effective Time represented such Common Share (a Certificate) or (ii) uncertificated shares represented by book-entry that immediately prior to the Effective Time represented such Common Shares (Book-Entry Shares) shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration for each Common Share represented by such Certificate or

Book-Entry Share, to be paid in consideration therefor, without interest, upon surrender of such Certificate or Book-Entry Share in accordance with Section 2.02(b).

(b) Excluded Shares. At the Effective Time, all Excluded Shares shall cease to be outstanding and shall automatically be cancelled and shall cease to exist, and each holder of (i) a Certificate that immediately prior to the Effective Time represented such shares, or (ii) Book-Entry Shares that

immediately prior to the Effective Time represented such shares, shall cease to have any rights with respect thereto and no consideration shall be delivered in exchange therefor.

(c) Shares of Merger Sub. At the Effective Time, each share of common stock of Merger Sub shall be converted into one share of newly issued common stock of the Surviving Corporation.

Section 1.08. Stock Options, Company Awards and Warrants. The provisions of this Section 1.08 shall be applicable to each Stock Option, Company Award and Warrant except (i) each Stock Option, Company Award and Warrant held by the Rollover Shareholders (which are subject to Section 1.09), or (ii) to the extent that Parent and the holder of a Stock Option, Company Award and/or Warrant, as applicable, otherwise agree in writing prior to the Closing Date.

(a) Stock Options. Prior to the Effective Time, the Company shall take all actions necessary to provide, effective as of the Effective Time, for the cancellation, on the terms and conditions set forth in this Section 1.08(a) and without any payment therefor except as otherwise provided in this Section 1.08(a), of all outstanding options to purchase Common Shares (each, a Stock Option) outstanding at the Effective Time (whether or not then vested or exercisable). As of the Effective Time, each Stock Option shall be cancelled (and to the extent formerly so vested or exercisable shall no longer be vested or exercisable) and shall entitle each holder thereof, in cancellation and settlement therefor, to receive a payment, if any, in cash from the Company (less any applicable withholding taxes), as promptly as reasonably practicable following the Effective Time, equal to (i) the amount, if any, by which the Merger Consideration exceeds the exercise price per share with respect to such Stock Options, multiplied by (ii) the total number of Common Shares then issuable upon the exercise of such Stock Options (whether or not then vested or exercisable). Each Stock Option, when cancelled pursuant to this Section 1.08(a), shall no longer represent the right to acquire Company Shares and shall represent the right to receive the cash consideration, if any, as set forth in this Section 1.08(a). Notwithstanding the foregoing, no Stock Option shall be subject to this Section 1.08(a), if, in accordance with its terms, upon consummation of the Merger, (i) the exercise price per Company Share of such Stock Option will be greater than the Merger Consideration per Company Share and (ii) the holder of such Stock Option will be entitled to receive, upon exercise of such Stock Option, only the Merger Consideration multiplied by the number of Company Shares subject to such Stock Option. For the avoidance of doubt, in the event that a Stock Option is forfeited by its terms prior to the Effective Time, the holder thereof shall not be entitled to any payment in respect of such Stock Option pursuant to this Section 1.08(a) or otherwise.

(b) Other Awards. Prior to the Effective Time, the Company shall take all action necessary to provide, effective as of the Effective Time, for the cancellation, on the terms and conditions set forth in this Section 1.08(b) and without any payment therefor except as otherwise provided in this Section 1.08(b), of each award, including each share of restricted Company Shares, restricted stock unit, performance share and stock equivalent (whether or not then vested or exercisable), but excluding Stock Options outstanding immediately before the Effective Time (the Company Awards). As of the Effective Time, each Company Award shall be cancelled (and to the extent formerly so exercisable shall no longer be exercisable) and shall entitle each holder thereof, in cancellation and settlement therefor, to receive a payment in cash from the Company (less any applicable withholding taxes), as promptly as reasonably practicable following the Effective Time, equal to (i) the amount, if any, by which the Merger Consideration exceeds the exercise price per share, if any, with respect to such Company Award multiplied by (ii) the total number of Common Shares then issuable with respect to such Company Award. For the avoidance of doubt, in the event that a Company Award is forfeited by its terms prior to the Effective Time, the holder thereof shall not be entitled to any payment in respect of such Company Award pursuant to this Section 1.08(b) or otherwise. Each Company Award, when cancelled pursuant to this Section 1.08(b), shall no longer represent the right to acquire Company Shares and shall represent the right to receive the cash consideration, if any, as set forth in this Section 1.08(b).

(c) Warrants. Prior to the Effective Time, the Company shall take all action necessary to provide, effective as of the Effective Time, for the cancellation, on the terms and conditions set forth in this Section 1.08(c) and without any payment therefor except as otherwise provided in this Section 1.08(c), of each Warrant that is issued and outstanding immediately prior to the Effective Time (whether or not then

vested or exercisable). As of the Effective Time, each Warrant shall be cancelled (and to the extent formerly so exercisable shall no longer be exercisable) and shall entitle each holder thereof, in cancellation and settlement therefor, to receive, as of the Effective Time, as promptly as reasonably practicable after the Effective Time, an amount in cash equal to (i) the amount, if any, by which the Merger Consideration exceeds the exercise price per share with respect to such Warrant, multiplied by (ii) the total number of Common Shares then issuable upon the exercise of such Warrant. Each Warrant, when cancelled pursuant to this Section 1.08(c), shall no longer represent the right to acquire Company Shares and shall represent the right to receive the cash consideration, if any, as set forth in this Section 1.08(c). Notwithstanding the foregoing, no Warrant shall be subject to this Section 1.08(c), if, in accordance with its terms, upon consummation of the Merger, (i) the exercise price per Company Share of such Warrant will be greater than the Merger Consideration per Company Share and (ii) the holder of such Warrant will be entitled to receive, upon exercise of such Warrant, only the Merger Consideration multiplied by the number of Company Shares subject to such Warrant.

(d) Required Action. At or prior to the Effective Time, the Company, the Board of Directors and the compensation committee of the Board of Directors, as applicable, shall adopt any and all resolutions and take any and all other actions which are reasonably necessary to effectuate the provisions of Sections 1.08(a), (b) and (c). The Company shall use reasonable best efforts to ensure that, from and after the Effective Time, neither Parent nor the Surviving Corporation will be required to deliver any payments (other than as set forth in this Section 1.08 or Section 1.09 below), any Company Shares or other capital stock of the Company or Parent to any Person pursuant to or in settlement of Stock Options, Company Awards, or Warrants.

Section 1.09. Stock Options, Company Awards and Warrants Held by Rollover Shareholders.

(a) Stock Options. Prior to the Effective Time, the Company, Parent and Merger Sub shall take all actions necessary to provide, effective as of the Effective Time, for the cancellation, on the terms and conditions set forth in this Section 1.09(a) and without any payment therefor except as otherwise provided in this Section 1.09(a), of all Stock Options held by the Rollover Shareholders outstanding immediately prior Effective Time (whether or not then vested or exercisable) (each such Stock Option, an Affiliate Stock Option). As of the Effective Time, each Affiliate Stock Option shall be cancelled (and to the extent formerly so exercisable shall no longer be exercisable) on the terms and conditions set forth in the Rollover Agreement.

(b) Other Awards. Prior to the Effective Time, the Company, Parent and Merger Sub shall take all action necessary to provide, effective as of the Effective Time, for the cancellation, on the terms and conditions set forth in this Section 1.09(b) and without any payment therefor except as otherwise provided in this Section 1.09(b), of any Company Awards held by the Rollover Shareholders that are outstanding immediately prior to the Effective Time (whether or not then vested or exercisable) (each such Company Award, an Affiliate Company Award). As of the Effective Time, each Affiliate Company Award shall be cancelled (and to the extent formerly so exercisable shall no longer be exercisable) on the terms and conditions set forth in the Rollover Agreement.

(c) Warrants. Prior to the Effective Time, the Company, Parent and Merger Sub shall take all action necessary to provide, effective as of the Effective Time, for the cancellation, on the terms and conditions set forth in this Section 1.09(c) and without any payment therefor except as otherwise provided in this Section 1.09(c), of each Warrant held by the Rollover Shareholders, that is issued and outstanding immediately prior to the Effective Time (whether or not then vested or exercisable) (each such Warrant, an Affiliate Warrant). As of the Effective Time, each Affiliate Warrant shall be cancelled (and to the extent formerly so exercisable shall no longer be exercisable) on the terms and conditions set forth in the Rollover Agreement.

(d) Required Action. At or prior to the Effective Time, the Company, the Board of Directors and the compensation committee of the Board of Directors, as applicable, and Parent and Merger Sub shall adopt any and all resolutions and take any and all actions which are necessary to effectuate the provisions of Sections 1.09(a), (b) and (c). The Company, Parent and Merger Sub shall use reasonable best efforts to ensure that, from and after the Effective Time, neither Parent nor the Surviving Corporation will be

required to deliver any payments (other than as set forth in this Section 1.09 or Section 1.08 above), any Company Shares or other capital stock of the Company or Parent to any Person pursuant to or in settlement of Affiliate Stock Options, Affiliate Company Awards, or Affiliate Warrants.

Section 1.10. Shareholders Meeting; Proxy Materials and Other SEC Filings.

(a) The Company, acting through or under direction of the Board of Directors, upon the recommendation of the Lead Director, shall (i) duly take all lawful action to call, give notice of, convene and hold a meeting of its shareholders on a date as soon as reasonably practicable after SEC Clearance of the Proxy Statement (each such term as defined below) by the SEC (the Company Shareholders Meeting), for the purpose of obtaining the Company Shareholder Approval with respect to the approval and adoption of this Agreement and the transactions contemplated hereby, including the Merger, and (ii) use reasonable best efforts to solicit the approval and adoption of this Agreement and the transactions contemplated hereby, including the Merger, by the vote required for the Company Shareholder Approval; provided that, in the event of a Change in the Company Recommendation pursuant to Section 5.07(c) or Section 5.07(d), notwithstanding clause (ii) of this Section 1.10(a), the Company may disclose the fact of such Change in the Company Recommendation in any solicitation made by the Company to its shareholders. The Board of Directors and the Lead Director shall recommend approval and adoption of this Agreement and the transactions contemplated hereby, including the Merger, by the shareholders of the Company as set forth in Section 3.21 (the Company Board Recommendation), and shall not withdraw, modify or qualify (or propose to withdraw, modify or qualify) in any manner adverse to Parent or any of its Affiliates, such Company Board Recommendation or take any action or make any statement in connection with the Company Shareholders Meeting inconsistent with such Company Board Recommendation, including approving or recommending or proposing to approve or recommend a Takeover Proposal with respect to the Company or failing to recommend the approval and adoption of this Agreement and the transactions contemplated hereby, including the Merger (collectively, a Change in the Company Recommendation); provided, however, that the Board of Directors or the Lead Director may make a Change in the Company Recommendation pursuant to and in accordance with Section 5.07(c) or Section 5.07(d) hereof. Notwithstanding any Change in the Company Recommendation, unless this Agreement shall have been terminated in accordance with its terms, the Company shall submit this Agreement to the holders of Company Shares as promptly as reasonably practicable for the purpose of obtaining the Company Stockholder Approval at the Company Shareholders Meeting. The Company shall, upon the reasonable request of Parent, advise Parent in writing at least on a daily basis on each of the last ten (10) Business Days prior to the date of the Company Shareholders Meeting as to the aggregate tally of proxies received by the Company with respect to the Company Shareholder Approval. Without the prior written consent of Parent, the approval of this Agreement and the transactions contemplated hereby (including the Merger) shall be the only matter which the Company shall propose to be acted on by the shareholders of the Company at the Company Shareholders Meeting, except as otherwise required by applicable Law.

(b) As promptly as practicable following the date of this Agreement, in cooperation with, and subject to, the approval of the Lead Director, the Company shall prepare and file with the SEC a proxy statement on Schedule 14A relating to the approval and adoption of this Agreement and the transactions contemplated hereby, including the Merger, by the Company's shareholders (as amended or supplemented, the Proxy Statement), and the Company and Parent shall prepare and file with the SEC a Schedule 13E-3 (as amended or supplemented, the Schedule 13E-3). As promptly as practicable following the date of this Agreement, Parent shall request from the Rollover Shareholders any information about such Persons that is required to be included in the Proxy Statement or the Schedule 13E-3. Each of the Company and Parent shall use its reasonable best efforts to cause the Proxy Statement and Schedule 13E-3, respectively, to be filed with the SEC not later than the date that is twenty (20) Business Days after the date of this Agreement. The Company shall use its reasonable best efforts to ensure that the Proxy Statement, and the Company and Parent shall use its reasonable best efforts to ensure that the Schedule 13E-3, do not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the

statements contained therein, in light of the circumstances under which they were made, not misleading, other than

with respect to statements made based on information supplied in writing by a Party other than the Company or its Subsidiaries specifically for inclusion therein. Each of the Company and Parent shall use its reasonable best efforts to ensure that none of the information it supplies in writing specifically for inclusion in the Proxy Statement or Schedule 13E-3 contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. The Parties shall cooperate with each other in connection with the preparation of the foregoing documents and the SEC's review of such documents. The Company shall use its reasonable best efforts to have the Proxy Statement, and the Parent shall use their reasonable best efforts to have the Schedule 13E-3, cleared by the SEC as promptly as practicable.

(c) The Company shall cause the Proxy Statement to be mailed to the Company's shareholders as promptly as practicable, but in no event more than five (5) Business Days, after the Proxy Statement is cleared by the SEC or the expiration of the review period therefor if there is or has been no review by the SEC (SEC Clearance). The Company shall retain a proxy solicitor on terms reasonably acceptable to Parent in connection with the solicitation of the Company Shareholder Approval.

(d) The Company shall promptly notify Parent in writing of the receipt of any oral or written comments from the SEC relating to the Proxy Statement or the Schedule 13E-3. Parent shall promptly notify the Company in writing of the receipt of any oral or written comments by Parent from the SEC relating to the Schedule 13E-3. The Company shall cooperate with Parent with respect to, and provide Parent with a reasonable opportunity to review and comment on, drafts of the Proxy Statement (including each amendment or supplement thereto), and the Parties shall cooperate with respect to, and provide each other with a reasonable opportunity to review and comment on, the draft Schedule 13E-3 (including each amendment or supplement thereto) and all responses to requests for additional information by, and replies to comments of, the SEC, prior to filing such with or sending such to the SEC, and the Parties shall provide each other with copies of all such filings made and correspondence with the SEC.

(e) If at any time prior to the Effective Time, any information should be discovered by any Party that should be set forth in an amendment or supplement to the Proxy Statement or the Schedule 13E-3 so that the Proxy Statement or the Schedule 13E-3, as the case may be, would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party that discovers such information shall promptly notify in writing the other Parties and, to the extent required by applicable Law, an appropriate amendment or supplement describing such information shall be promptly filed by the appropriate Party with the SEC and disseminated by the Company to the shareholders of the Company.

(f) Parent and Merger Sub shall promptly provide in writing any information reasonably requested by the Company with respect to Parent, Merger Sub or their respective Affiliates or Associates as may be reasonably deemed relevant by such Party for use in the Proxy Statement or for the purposes of complying with Schedule 13E-3 filing requirements and assisting the Company in fulfilling its related obligations under this Section 1.10.

Section 1.11. Further Assurances. After the Effective Time, the officers and directors of the Surviving Corporation will be authorized to execute and deliver, in the name and on behalf of any Party, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of any Party, any other actions and things to vest, perfect or confirm of record or otherwise in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties or assets acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger.

ARTICLE II

DISSENTING SHARES; PAYMENT FOR SHARES

Section 2.01. Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, Common Shares outstanding immediately prior to the Effective Time and which are held by a shareholder (i) who shall have neither voted for adoption of this Agreement and the Merger nor consented thereto in writing and (ii) who shall be entitled to and shall have demanded properly in writing appraisal for such shares in accordance with Section 910 of the NYBCL (Dissenting Shares), shall not be converted into the right to receive the Merger Consideration at the Effective Time unless and until the holder of such Common Shares fails to perfect, withdraws or otherwise loses such holder's right to appraisal. If a holder of Dissenting Shares shall withdraw (in accordance with Section 910 of the NYBCL) the demand for such appraisal or shall become ineligible for such appraisal or if a court of competent jurisdiction shall make a final, non-appealable determination that such holder is not entitled to the relief provided by Section 910 of the NYBCL with respect to such Dissenting Shares, then, as of the Effective Time or the occurrence of such event, whichever last occurs, such holder's Dissenting Shares shall cease to be Dissenting Shares and shall be converted or deemed to have been converted, as the case may be, into the right to receive the Merger Consideration in the manner provided in Section 1.07. The Company shall give Parent (i) prompt notice of any written demands for appraisal, withdrawals (or attempted withdrawals) of demands for appraisal and any other instruments served pursuant to Section 910 of the NYBCL and received by the Company and (ii) the opportunity to direct all negotiations and proceedings with respect to demands for appraisal. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

Section 2.02. Payment Fund.

(a) Payment Fund. Prior to the Effective Time, Parent and the Company shall enter into an agreement (the Paying Agent Agreement) with a bank or trust company selected by Parent and reasonably satisfactory to the Company to act as paying agent hereunder for the purpose of exchanging Certificates and Book-Entry Shares for the Merger Consideration (the Paying Agent). Contemporaneously with the Effective Time, Parent shall deposit or cause to be deposited with the Paying Agent, in trust for the benefit of holders of Common Shares (other than Excluded Shares and any Dissenting Shares), an amount of cash representing the aggregate Merger Consideration payable pursuant to Section 1.07. Any cash deposited with the Paying Agent shall hereinafter be referred to as the Payment Fund.

(b) Payment Procedures. As soon as reasonably practicable, but no later than the fifth (5th) day, after the Effective Time, the Surviving Corporation will instruct the Paying Agent to mail to each holder of record of Common Shares (other than Excluded Shares and any Dissenting Shares) (i) a form letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates or Book-Entry Shares shall pass, only upon proper delivery of the Certificates to the Paying Agent or, in the case of Book-Entry Shares, upon adherence to the procedures set forth in the letter of transmittal, and shall be in such form and have such other provisions as the Surviving Corporation may reasonably specify) and (ii) instructions for use in effecting the surrender of such Certificates or Book-Entry Shares in exchange for the Merger Consideration pursuant to Section 1.07. Upon surrender of such a Certificate or Book-Entry Share for cancellation to the Paying Agent or to such other agent or agents as may be appointed by the Surviving Corporation, together with a letter of transmittal, duly executed, and such other customary documents as may be required pursuant to such instructions (collectively, the Transmittal Documents), the holder of such Certificate or Book-Entry Share shall be entitled to receive in exchange therefor the Merger Consideration for each Company Share formerly represented by such Certificate or Book-Entry Share, without any interest thereon, less any required withholding of taxes, and the Certificate or Book-Entry Share so surrendered shall thereupon be canceled. In the event of a transfer of ownership of Company Shares that is not registered in the transfer records of the Company, the Merger Consideration may be issued and paid in accordance with this Article II to the

transferee of such shares if the Certificate evidencing such shares is presented to the Paying Agent and is properly endorsed or otherwise in proper form for transfer. In such event, the signature on the Certificate or any related

stock power must be properly guaranteed and the Person requesting payment of the Merger Consideration must either pay any Transfer Tax or other Taxes required by reason of the payment to a Person other than the registered holder of the Certificate so surrendered or establish to the Surviving Corporation that such Tax has been paid or is not applicable. The Merger Consideration will be delivered by the Paying Agent as promptly as practicable following surrender of such a Certificate and the related Transmittal Documents. Cash payments may be made by check unless otherwise required by a depository institution in connection with Book-Entry Shares. No interest will be payable on any Merger Consideration. Until surrendered in accordance with this Section 2.02, each Certificate and Book-Entry Share shall be deemed at any time after the Effective Time to evidence only the right to receive, upon such surrender, the Merger Consideration for each share of Company Shares (other than Excluded Shares and any Dissenting Shares) formerly represented by such Certificate or Book-Entry Share. The Payment Fund shall not be used for any purpose other than as set forth in this Article II. Any interest, dividends or other income earned on the investment of cash held in the Payment Fund shall be for the account of the Surviving Corporation. The Merger Consideration delivered upon surrender of the Certificates and the Book-Entry Shares in accordance with the terms hereof shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares represented by such Certificates or Book-Entry Shares.

(c) Termination of the Payment Fund. Any portion of the Payment Fund (including the proceeds of any investments thereof) that remains undistributed to the Public Shareholders on the first (1st) anniversary of the Effective Time shall be delivered by the Paying Agent to the Surviving Corporation. Any Public Shareholders who have not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation (subject to abandoned property, escheat or other similar Laws) as a general creditor thereof with respect to the payment of any Merger Consideration that may be payable upon surrender of any Certificates or Book-Entry Shares held by such holders, as determined pursuant to this Agreement, without any interest thereon. Any amounts remaining unclaimed by such holders at such time at which such amounts would otherwise escheat to or become property of any Governmental Entity shall become, to the extent permitted by applicable Law, the property of the Surviving Corporation or its designee, free and clear of all claims or interest of any Person previously entitled thereto.

(d) No Liability. None of the Company, the Surviving Corporation, Parent, Merger Sub or the Paying Agent shall be liable to any Person for any cash delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(e) Investment of the Payment Fund. The Paying Agent shall invest any cash included in the Payment Fund, in accordance with the Paying Agent Agreement, as directed by Parent on a daily basis in (i) short-term direct obligations of the United States of America, (ii) short-term obligations for which the full faith and credit of the United States of America is pledged to provide for the payment of principal and interest, (iii) short-term commercial paper rated the highest quality by either Moody's Investors Service, Inc. or Standard and Poor's Ratings Services or (iv) certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$1 billion; provided that any gain or loss thereon shall not affect the amounts payable to the shareholders of the Company pursuant to Article I or this Article II and the Surviving Corporation shall promptly replace or cause to be replaced any funds deposited with the Paying Agent lost through any investment made pursuant to this Section 2.02(e). Any interest and other income resulting from such investments shall promptly be paid to the Surviving Corporation.

(f) Withholding Rights. Each of the Surviving Corporation, Parent and the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable to any Person pursuant to this Agreement such amounts as it reasonably determines that it is required to deduct and withhold with respect to the making of such payment under the United States Internal Revenue Code of 1986, as amended (the Code), and the rules and regulations promulgated thereunder, or under any provision of state, local or foreign Law. To the extent that amounts are so withheld, such

withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

(g) Lost, Stolen or Destroyed Certificates. In the event any Certificate shall have been lost, stolen or destroyed, the holder of such lost, stolen or destroyed Certificate shall execute an affidavit of that fact upon request. The holder of any such lost, stolen or destroyed Certificate shall also deliver a reasonable indemnity against any claim that may be made against Parent, the Surviving Corporation or the Paying Agent with respect to such Certificate alleged to have been lost, stolen or destroyed. The affidavit and any indemnity which may be required hereunder shall be delivered to the Paying Agent (or, after the first anniversary of the Effective Time, the Surviving Corporation), which shall be responsible for making payment for such lost, stolen or destroyed Certificates pursuant to the terms hereof.

Section 2.03. Stock Transfer Books. At the Effective Time, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of Company Shares that were outstanding immediately prior to the Effective Time. From and after the Effective Time, the holders of Certificates or Book-Entry Shares representing Company Shares shall cease to have any rights with respect to such shares, except as provided in this Agreement or by applicable Law. Any Certificate or Book-Entry Share presented to the Paying Agent or the Surviving Corporation for any reason at or after the Effective Time shall be canceled and, in the case of any Certificates or Book-Entry Shares representing Company Shares (other than Excluded Shares and any Dissenting Shares), exchanged for the Merger Consideration pursuant to the terms of this Article II.

Section 2.04. Adjustments to Prevent Dilution. In the event that prior to the Effective Time, solely as a result of a reclassification, combination, stock split (including a reverse stock split), stock dividend or stock distribution which in any such event is made on a pro rata basis to all holders of Company Shares, there is a change in the number of Company Shares outstanding or issuable upon the conversion, exchange or exercise of securities or rights convertible or exchangeable or exercisable for Company Shares, then the Merger Consideration shall be equitably adjusted to eliminate the effects of such event.

Section 5.02. Notification of Certain Matters. The Company shall give prompt written notice to Parent, and Parent shall give prompt written notice to the Company, of the occurrence, or failure to occur, of any event which occurrence or failure to occur would be likely to cause (a) any representation or warranty contained in this Agreement to be untrue or inaccurate in any material respect or (b) any material failure of the Company, on the one hand, or Merger Sub or Parent, on the other hand, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it under this Agreement; provided, however, that no such notification shall affect or modify the representations, warranties or agreements of the Parties or the conditions to the performance by the Parties hereunder.

Parent and the Company further agree that all rights to indemnification or advancement of expenses now existing in favor of Indemnified Persons in any indemnification agreement between such person and the Company or any of its Subsidiaries, as the case may be, or under Law shall survive the Merger and continue in full force and effect in accordance with the terms of such agreement or Law. (b) Prior to the Effective Time, the Company shall purchase a fully-paid, non-cancellable tail policy under the Company's existing directors' and officers' insurance policy, in a form reasonably acceptable to Company and Parent (a correct and complete copy of which will be provided or made available to Parent), which (i) has an effective term of six years from the Effective Time, (ii) covers the Indemnified Persons for actions and omissions of such Indemnified Persons (in their capacities as officers and directors) occurring at or prior to the Effective Time and (iii) contains terms with respect to coverage and amount no less favorable than those of the applicable policy in effect on the date of this Agreement; provided, however, that in no event shall the Company be permitted to expend for such tail policy in excess of 300% of the annual premium currently provided by the Company for its existing policy of directors' and officers' liability insurance; and provided, further, that if the premium of such insurance coverage exceeds such amount, the Company shall be permitted to obtain a policy with the greatest coverage available for a cost not to exceed such amount.

Section 5.06. Efforts to Consummate.

(a) Subject to the terms and conditions of this Agreement, each of the Parties hereto agrees (and shall cause its respective Subsidiaries) to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective as promptly as practicable the transactions contemplated by this Agreement and the Ancillary Agreements, and to cooperate with each other in connection with the foregoing, including using its reasonable best efforts to (i) obtain all necessary Consents from other parties to material agreements, leases and other contracts, including those set forth in Section 3.04 of the Company Disclosure Letter, (ii) prepare, execute and deliver such instruments and take or cause to be taken such actions as any other party shall reasonably request, (iii) obtain all necessary Consents from Governmental Entities as are required to be obtained under any applicable Law, (iv) lift or rescind any injunction or restraining order or other Order adversely affecting the ability of the Parties to consummate the transactions contemplated hereby and (v) effect any necessary registrations and filings and submissions of information requested or required by Governmental Entities, including those contemplated by or required in connection with the performance of the obligations contained in Section 1.10.

(b) The Parties shall use their respective reasonable best efforts to resist, contest or defend any Proceeding challenging the Merger or the completion of the transactions contemplated hereby. Subject to applicable Law and the instructions of any Governmental Entity, the Parties shall keep each other reasonably apprised of the status of matters relating to the completion of the transactions contemplated hereby, including promptly furnishing the other with copies of notices or other written communications received by such Party or any of their respective subsidiaries, from any Governmental Entity and/or Third Party with respect to such transactions, and, to the extent practicable under the circumstances, shall provide the other Party and its counsel with the opportunity to participate in any meeting with any Governmental Entity in respect of any filing, investigation or other inquiry in connection with the transactions contemplated hereby.

(c) In connection with and without limiting the generality of clause (v) of Section 5.06(a), each of the Parties hereto shall make or cause to be made, in consultation and cooperation with the others and as promptly as practicable after the date of this Agreement (but in any event, within ten (10) Business Days following the date of this Agreement), all necessary registrations, declarations, notices and filings relating to the Merger with any other Governmental Entities under any other antitrust, competition, trade regulation or similar Laws.

Section 5.07. No Solicitation.

(a) The Company shall not, nor shall it authorize or permit any of its Subsidiaries or any of its or their respective Representatives to (and shall use its reasonable best efforts to cause such Persons not to), directly or indirectly (i) except with respect to the Persons set forth in Section 5.07 of the Company Disclosure Letter, initiate, induce, solicit, knowingly facilitate or knowingly encourage (including by way of furnishing non-public information) any inquiry or the making, submission or announcement of any proposal that constitutes or would reasonably be expected to lead to a Takeover Proposal, (ii) approve, adopt or recommend, or propose to approve, adopt or recommend, any Takeover Proposal or enter into any letter of intent, memorandum of understanding, merger agreement or other agreement, arrangement or understanding relating to, or that would reasonably be expected to lead to, any Takeover Proposal, (iii) enter into any agreement or agreement in principle requiring the Company to abandon, terminate or fail to consummate the Merger or any other transactions contemplated by this Agreement or breach its obligations hereunder, or propose or agree to do any of the foregoing, (iv) except with respect to the Persons set forth in Section 5.07 of the Company Disclosure Letter, fail to enforce, or grant any waiver under, any standstill or similar agreement with any Person or (v) except with respect to the Persons set forth in Section 5.07 of the Company Disclosure Letter, engage in, continue or otherwise participate in any discussions or negotiations regarding, furnish to any Person any information

or data with respect to the Company in connection with or in response to, or otherwise cooperate with or take any other action to facilitate any proposal that (A) constitutes, or would reasonably be expected to lead to, any Takeover Proposal or (B) requires the Company to abandon, terminate or fail to consummate the Merger or any

other transactions contemplated by this Agreement. Except with respect to the Persons set forth in Section 5.07 of the Company Disclosure Letter, the Company shall, and shall direct each of its Subsidiaries and each agent or representative of any of the foregoing to, immediately cease any discussions, negotiations, or communications with any party with respect to any Takeover Proposal. Notwithstanding the foregoing, prior to the receipt of the Company Shareholder Approval, the Company or the Lead Director or its Representative may, in response to a bona fide written Takeover Proposal that did not result from a breach of this Section 5.07(a), and subject to compliance with Section 5.07(c):

(A) contact the party that submitted such Takeover Proposal to clarify the terms and conditions thereof;

(B) furnish information or data with respect to the Company or any of its Subsidiaries to the Person making such Takeover Proposal and its Representatives pursuant to and in accordance with a customary confidentiality agreement, provided that (i) such confidentiality agreement shall not contain any provisions that would prevent the Company from complying with its obligation to provide the required disclosure to Parent pursuant to this Section 5.07, and (ii) all such information provided to such Person has previously been provided to Parent or is provided to Parent prior to or concurrently with the time it is provided to such Person; and

(C) engage in, continue or otherwise participate in discussions or negotiations regarding, and otherwise cooperate with or take any other action to facilitate, such Takeover Proposal.

provided, in the case of clause (B) and (C), that the Lead Director determines in good faith, by resolution duly adopted, after consultation with its outside legal counsel of nationally or regionally recognized reputation (including Graubard Miller) and with its financial advisor of nationally or regionally recognized reputation (including Cassel Salpeter), that such Takeover Proposal constitutes or would reasonably be expected to lead to a Superior Proposal. The Company shall promptly notify Parent (within one (1) Business Day) in writing of any such determination by the Lead Director that such Takeover Proposal constitutes or would reasonably be expected to lead to a Superior Proposal. The Company shall promptly inform its Representatives of the obligations undertaken in this Section 5.07. Without limiting the foregoing, any violation of the restrictions set forth in this Section 5.07 by any Representative of the Company or any of its Subsidiaries, whether or not such Person is purporting to act on behalf of the Company or any of its Subsidiaries, shall be deemed to be a breach of this Section 5.07 by the Company.

(b) As promptly as practicable after the receipt by the Company of any Takeover Proposal or any inquiry with respect to, or that would reasonably be expected to lead to, any Takeover Proposal, and in any case within one (1) Business Day after the receipt thereof, the Company shall provide oral and written notice to Parent of (i) such Takeover Proposal or inquiry, (ii) the identity of the Person making any such Takeover Proposal or inquiry, and (iii) the material terms (including the price) and conditions of any such Takeover Proposal or inquiry (including any amendments or modifications thereto). The Company shall keep Parent reasonably informed on a current basis of the status of any such Takeover Proposal, including any material changes to the terms and conditions thereof, and promptly (but in any event within one (1) Business Day after the receipt thereof) provide Parent with copies of all written or e-mail correspondence or other communications and other written materials, and summaries of all oral correspondence or other communications, sent or provided to or by the Company and its Representatives in connection with any Takeover Proposal. The Lead Director shall promptly consider in good faith (in consultation with its outside legal counsel of nationally or regionally recognized reputation (including Graubard Miller) and with its financial advisor of nationally or regionally recognized reputation (including Cassel Salpeter)), any proposed alteration of the terms of this Agreement or the Merger proposed by Parent in response to any Takeover Proposal. The Company shall not take any action to exempt any Person from the restrictions on business combinations contained in any applicable Laws or to otherwise cause such restrictions not to apply.

(c) Except as permitted by this Section 5.07(c) or Section 5.07(d), neither the Board of Directors nor any committee thereof, nor the Lead Director, shall, directly or indirectly, (i) effect a Change in the Company Recommendation or fail to include the Company Board Recommendation in the Proxy Statement, (ii) take any formal action or make any recommendation or public statement in connection

with a tender offer or exchange offer other than a recommendation against such offer or a temporary stop, look and listen communication by the Board of Directors pursuant to Rule 14d-9(f) of the Exchange Act or (iii) approve any letter of intent, memorandum of understanding, merger agreement or other agreement, arrangement or understanding relating to, or that may reasonably be expected to lead to, any Takeover Proposal. At any time prior to the Company Shareholder Approval having been obtained, but not after, the Board of Directors or the Lead Director may, in response to a Superior Proposal, effect a Change in the Company Recommendation or approve and enter into any agreement related to any Superior Proposal, provided that the Lead Director determines in good faith, by resolution duly adopted after consultation with its outside legal counsel of nationally or regionally recognized reputation (including Graubard Miller) and with its financial advisor of nationally or regionally recognized reputation (including Cassel Salpeter), that the failure to do so would constitute a breach of the Lead Director's fiduciary duties to the shareholders of the Company under applicable Law; provided, further, that the Board of Directors or the Lead Director may not effect a Change in the Company Recommendation pursuant to this Section 5.07(c) or approve and enter into any agreement related to any Superior Proposal unless (i) the Lead Director shall have first provided prior written notice to Parent of its intention to make such Change in the Company Recommendation, at least five (5) Business Days in advance of taking such action, which notice shall include the reasonable details regarding the cause for, and nature of, the Change in the Company Recommendation (including, without limitation, the most current version of the proposed agreement under which such Superior Proposal is proposed to be consummated and the identity of the third party making such proposal, together with a reasonably detailed description of the reasons for making such Change in the Company Recommendation), and (ii) Parent does not make, after being provided with reasonable opportunity to have good faith negotiations with the Lead Director (to the extent Parent and Merger Sub desire to have such negotiations), within five (5) Business Days of receipt of such notice, an offer that the Lead Director determines, in good faith after consultation with its legal and financial advisors, results in the applicable Takeover Proposal no longer being a Superior Proposal. In the event of any material revisions to a Superior Proposal, the Company shall be required to deliver a new notice to Parent and to comply with the requirements of this Section 5.07(c) with respect to such new written notice.

(d) Nothing contained in this Section 5.07 shall prohibit the Company, the Board of Directors or the Lead Director from (i) complying with Rule 14d-9 and Rule 14e-2 promulgated under the Exchange Act in respect of any Takeover Proposal or (ii) making any disclosure to the shareholders of the Company or taking any other action required to comply with applicable Law (including their fiduciary duties thereunder). Any public disclosure by the Company relating to a Takeover Proposal (other than a stop, look and listen or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) shall be deemed to be a Change in the Company Recommendation unless the Board of Directors expressly publicly reaffirms its approval or recommendation of this Agreement and the Merger in such disclosure, or in the case of a stop, look and listen or similar communication, in a subsequent disclosure on or before the earlier of (i) the last day of the ten (10) Business day period under Rule 14d-9(f) under the Exchange Act and (ii) two (2) Business Days before the Company Shareholders Meeting.

(e) For purposes of this Agreement:

Takeover Proposal means any proposal or offer in respect of (i) a tender or exchange offer, merger, consolidation, business combination, share exchange, reorganization, recapitalization, liquidation, dissolution, or similar transaction involving the Company or any Subsidiary that would constitute a significant subsidiary (as defined in Rule 1-02 of Regulation S-X, but substituting 20% for the references to 10% therein) (any of the foregoing, a Business Combination Transaction) with any Third Party, (ii) the Company's acquisition of any Third Party in a Business Combination Transaction in which the shareholders of the Third Party immediately prior to consummation of such Business Combination Transaction will own more than 20% of the Company's outstanding capital stock immediately following such Business Combination Transaction, including the issuance by the Company of more than 20% of any class of its equity securities as consideration for assets or securities of a Third Party, (iii) any direct or indirect

acquisition by any

Third Party of 20% or more of any class of capital stock of the Company or of 20% or more of the consolidated assets of the Company and its Subsidiaries, in a single transaction or a series of related transactions or (iv) any transaction which is similar in form, substance or purpose to any of the foregoing transactions, in each case other than the transactions contemplated by this Agreement.

Superior Proposal means any bona fide written proposal or offer made by a Third Party in respect of a Business Combination Transaction involving, or any purchase or acquisition of, (i) a majority of the voting power of the Company's capital stock or (ii) a majority of the consolidated assets of the Company and its Subsidiaries, which Business Combination Transaction or other purchase or acquisition contains terms and conditions that the Lead Director determines in good faith, by resolution duly adopted after consultation with its outside legal counsel of nationally or regionally recognized reputation (including Graubard Miller) and with its financial advisor of nationally or regionally recognized reputation (including Cassel Salpeter)), based on the written advice of such legal counsel and legal advisor, would result in a transaction that (A) if consummated, would be more favorable to the Public Shareholders than the Merger and the transactions contemplated by this Agreement, taking into account all of the terms and conditions of such proposal and of this Agreement (including any proposal by Parent to amend the terms of this Agreement and including in each case the risks, probabilities and timing of consummation), and (B) is reasonably capable of being consummated on the terms so proposed, taking into account all financial, regulatory, legal and other aspects of such proposal.

Section 5.08. Shareholder Litigation. The Company shall give Parent the opportunity to participate in the defense or settlement of any shareholder litigation against the Company and/or its directors relating to the transactions contemplated by this Agreement, whether commenced prior to or after the execution and delivery of this Agreement. The Company agrees that it shall not settle or offer to settle any litigation commenced prior to or after the date of this Agreement against the Company or any of its directors or executive officers by any shareholder of the Company relating to this Agreement, the Merger, any other transaction contemplated hereby or otherwise, without the prior written consent of Parent, which shall not be unreasonably withheld or delayed.

Section 5.09. Expenses. Except as expressly set forth in Section 7.03, all Expenses shall be paid by the party incurring such Expenses (it being understood and agreed that Expenses associated with the printing, filing and mailing of the Proxy Statement and the Schedule 13E-3 and any amendments or supplements thereto, and the solicitation of shareholder approvals shall be borne by the Company), provided that, in the event the Closing occurs, any such Expenses incurred by Parent and its Affiliates shall be paid by the Surviving Corporation.

Section 5.10. Transfer Taxes. Subject to the provisions of Section 2.02(b), all Transfer Taxes, including any Transfer Taxes attributable to the transfer, if any, of a controlling interest in the Real Property, incurred in connection with the transactions contemplated by this Agreement and the Ancillary Agreements, including the Merger, shall be paid by either Parent or the Surviving Corporation and expressly shall not be a liability of any holder of Company Shares. The Company shall cooperate with Parent in preparing, executing and filing any Tax Returns with respect to such Transfer Taxes, including supplying in a timely manner a complete list of all of the Real Property and any information with respect to such Real Property that is reasonably necessary to complete such Tax Returns. The portion of the Merger Consideration allocable to the Real Property shall be determined by Parent in its reasonable discretion.

Section 5.11. Ancillary Agreements. At the Closing, the Parties shall duly execute and deliver to each other, or cause to be duly executed and delivered, those Ancillary Agreements to which the Company is a party between them not entered into concurrently herewith.

In the event of the termination of this Agreement as provided in Section 7.01, this Agreement shall forthwith become void and have no effect, and there shall be no liability on the part of any Party, except for the provisions of this Section 7.02, Section 7.03 and Article VIII, each of which shall remain in full force and effect; provided, however, that the Company shall not be relieved or released from any liability or damages arising from a willful or intentional material breach of any provision of this Agreement prior to the time of such termination.

conditions set forth in Section 6.02 are satisfied or waived, Parent shall pay to the Company by wire transfer of same day funds to an account designated by the Company, a fee in an amount equal to \$300,000 (the Parent Termination Fee), within two (2) Business Days after such termination, and reimbursement for the Expenses of the Company (not to exceed \$300,000 in the aggregate), within two (2) Business Days after demand therefor by the Company following the termination event giving rise to the reimbursement obligation, which such payment of the Parent Termination Fee and Expense reimbursement shall be the Company's sole remedy in connection with a termination by Company of this Agreement as described in this Section 7.03(d). For the avoidance of doubt, in connection with a termination by Company of this Agreement as described in this Section 7.03(d), under no circumstances shall the Company be (A) entitled to monetary damages other than the Parent Termination Fee and Expense reimbursement or (B) permitted or entitled to receive any injunction, specific performance or other equitable relief.

(e) In addition, Parent shall reimburse the Company for the Expenses of the Company (not to exceed \$300,000 in the aggregate) if this Agreement is terminated in accordance with Section 7.01(d)(i), in circumstances other than those set forth in Section 7.03(d). Any such Expense reimbursement shall be paid by wire transfer of same day funds to an account designated by the Company within two (2) Business Days after demand therefor by the Company following the termination event giving rise to the reimbursement obligation. For the avoidance of doubt, in connection with a termination by Company of this Agreement as described in this Section 7.03(e), under no circumstances shall the Company be (A) entitled to monetary damages other than the Expense reimbursement, or (B) permitted or entitled to receive any injunction, specific performance or other equitable relief.

(f) Notwithstanding anything to the contrary contained herein (including Section 7.02), the Company's right to receive the Parent Termination Fee and/or Expense reimbursement from Parent shall be the sole and exclusive monetary remedy of the Company or any of its former, current or future shareholders, directors, officers, employees, representatives, agents or Affiliates (collectively, the Company Related Parties) against Parent, Merger Sub, the Rollover Shareholders, the parties to the Rollover Agreement or any of their respective direct or indirect former, current or future general or limited partners, shareholders, financing sources, managers, members, directors, officers, employees, representatives, agents or Affiliates (collectively, the Parent-Related Parties) for, and the Company shall be deemed to have waived all other monetary remedies with respect to, any loss suffered as a result of any failure of the Merger to be consummated or for any breach by Parent or Merger Sub of its obligation to consummate the Merger or any representation, warranty, covenant or agreement set forth herein or for any breach by any Parent-Related Party of any representation, warranty, covenant or agreement set forth in any Ancillary Agreement, and upon payment of such amount none of the Parent-Related Parties shall have any further liability or obligation relating to or arising out of this Agreement and the Ancillary Agreements.

(g) In the event that the Company or Parent shall fail to pay the Company Termination Fee or the Parent Termination Fee, respectively, required pursuant to this Section 7.03 when due, the Company Termination Fee and the Parent Termination fee, as the case may be, shall accrue interest for the period commencing on the date the Company Termination Fee or the Parent Termination Fee, as the case may be, became past due, at a rate equal to the prime rate of interest as published in the Wall Street Journal on the date that such payment was due. In addition, if the Company or Parent shall fail to pay the Company Termination Fee or the Parent Termination Fee, respectively, when due, the defaulting party shall pay to the other party all of its reasonable costs and expenses (including reasonable attorneys fees) in connection with efforts to collect the Company Termination Fee or the Parent Termination Fee, as the case may be. Each of the Company and Parent acknowledges that the Company Termination Fee, the Parent Termination Fee and the other provisions of this Section 7.03 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Parent and the Company, as the case may be, would not enter into this Agreement.

(h) Parent acknowledges and agrees that the Company Termination Fee contemplated by this Section 7.03 shall be payable by the Company on only one occasion, whether or not the facts or circumstances giving rise to the Company's obligation to pay the Company Termination Fee may

otherwise trigger an obligation to pay the Company Termination Fee under more than one subsection of this Section 7.03 or on more than one occasion pursuant to the same subsection of this Section 7.03. The Company acknowledges and agrees that the Parent Termination Fee contemplated by this Section 7.03 shall only be payable by Parent on one occasion in accordance with this Section 7.03 and there are no other facts or circumstances contemplated by this Agreement or otherwise which would give rise to Parent's obligation to pay the Parent Termination Fee.

Section 7.04. Amendment; Company Action. This Agreement may not be amended and no waiver, consent or approval by or on behalf of the Company (or Lead Director, if applicable) may be granted except pursuant to an instrument in writing signed by or on behalf of the Company (or Lead Director, if applicable) following approval of such action by the Lead Director and signed by Parent; provided, however, that following the Company Shareholder Approval at the Company Shareholders Meeting, if applicable, no amendment may be made to this Agreement that by law requires further approval or authorization by the shareholders of the Company or Merger Sub without such further approval or authorization. From and after the date of this Agreement, the Board of Directors shall act solely through the Lead Director with respect to any actions of the Company to be taken with respect to this Agreement, including any amendment, modification, or waiver of this Agreement.

Section 7.05. Extension and Waiver. At any time prior to the Effective Time, whether before or after receipt of the Company Shareholder Approval at the Company Shareholders Meeting, if applicable:

Section 8.03. Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the Laws of the State of New York, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof, except to the extent that mandatory provisions of federal Law apply. Each of the Parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the courts of the State of New York located in the borough of Manhattan (and any appellate court thereof) and the United States District Court for the Southern District of New York (and any appellate court thereof), in any action or proceeding arising out of or relating to this Agreement or the agreements delivered in connection herewith or the transactions contemplated hereby or thereby or for recognition or enforcement of any judgment relating thereto, and each of the Parties hereby irrevocably and unconditionally (a) agrees not to commence any such action except in such courts, (b) agrees that any claim in respect of any such action or proceeding may be heard and determined in such courts, (c) waives, to the fullest extent it may legally and effectively do so any objection which it may now or hereafter have to venue of any such action or proceeding in any such courts, and (d) waives, to the fullest extent permitted by Law, the defense of any inconvenient forum to the maintenance of such action or proceeding in any such courts. To the extent permitted by Law, the Company hereby irrevocably agrees that any suit, action or other proceeding brought by it or its Affiliates against any Parent-Related Party or its Affiliates or its or their respective Representatives (including any lender agent or lender) shall be brought, heard and determined solely in such courts. Each of the Parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each of the Parties to this Agreement irrevocably consents to service of process in any such action or proceeding in the manner provided for notices in Section 8.02 of this Agreement; provided, however, that nothing in this Agreement shall affect the right of any Party to this Agreement to serve process in any other manner permitted by Law.

Section 8.04. Entire Agreement; Assignment. This Agreement (together with the Exhibits hereto and the Company Disclosure Letter) and the Ancillary Agreements to which the Company is a party, where applicable, contain the entire agreement among the Parties with respect to the Merger and the other transactions contemplated hereby and thereby and supersede all prior agreements and undertakings, both written and oral, among the Parties, or any of them, with respect to these matters. Each Party has participated in the drafting of this Agreement, which each Party acknowledges

is the result of extensive negotiations between the Parties. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Neither this Agreement nor any

of the rights, interests or obligations hereunder shall be assigned by any of the Parties, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other Parties, and any attempt to make any such assignment without such consent shall be null and void, except that each of Parent and Merger Sub may assign, in its sole discretion, any or all of its rights, interests and obligations under this Agreement to any wholly owned Subsidiary of Parent, or, after the Closing, to any Affiliate of Parent, without the consent of the Company, but no such assignment shall relieve Parent of any of its obligations under this Agreement. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and assigns.

Section 8.05. Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any terms or provisions of this Agreement in any other jurisdiction so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

Section 8.06. Interpretation. When a reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Section 8.07. Third-Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of each party hereto and their respective successors or permitted assigns, and except as otherwise expressly provided for herein, it is not the intention of the parties to confer third-party beneficiary rights upon any other person.

Section 8.08. Remedies.

(a) The Company hereby agrees that irreparable harm would occur in the event any of the provisions of this Agreement were not to be performed by the Company in accordance with the terms hereof and that Parent and/or Merger Sub shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms hereof in addition to any other remedies to which they are entitled at Law or in equity. The Company hereby waives any defenses in any action for specific performance, including the defense that a remedy at Law would be adequate. Except as otherwise provided herein, all remedies available to Parent or Merger Sub under this Agreement, at Law or otherwise, shall be deemed cumulative and not alternative or exclusive of other remedies. The exercise by Parent and/or Merger Sub of a particular remedy shall not preclude the exercise by Parent or Merger Sub of any other remedy. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, under no circumstance shall the Company be permitted or entitled to receive both a grant of injunction, specific performance or other equitable relief pursuant to this Section 8.08 and payment of the Parent Termination Fee or other amounts payable pursuant to Section 7.03.

(b) The Parties hereto further agree that (i) the current, former and prospective members of Parent and their respective Affiliates (other than Parent and Merger Sub) are not Parties to this Agreement, (ii) the Company shall not have any right to cause any monies or other assets to be contributed to Parent or Merger Sub by any current, former or prospective holder of interests in Parent or any of their respective Affiliates, trustees or beneficiaries, and (iii) the Company may not otherwise pursue any claim

Regular and special meetings of the board of directors may be held at such times and at such places, within or without the State of New York as the board of directors or the President, or, in the absence or disability of the President, any Vice President, may determine.

Section 2.10 Notice of Meetings. Regular meetings of the board of directors may be held without notice if the times and places of such meetings are fixed by the board. Except as provided in the preceding sentence, notice of each regular or special meeting of the board of directors to be held in accordance with Section 2.09, stating the time and place thereof, shall be given by the President, the Secretary, any Assistant Secretary or any member of the board to each member of the board (a) not less than three days before the meeting by depositing the notice in the United States mail, with first-class postage thereon prepaid, directed to each member of the board at the address designated by him or her for such purpose (or, if none is designated, at his or her last known address), or (b) not less than twenty-four (24) hours before the meeting by either (i) delivering the same to each member of the board personally, (ii) sending the same by telephone, telegraph, cable, electronic mail or other transmission method to the address or contact information designated by him or her for such purposes (or, if none is designated, to his or her last known address or other contact information) or (iii) delivering the notice to the address or other contact information designated by him or her for such purpose (or, if none is designated, to his or her last known address or contact information). Notice of a meeting need not be given to any director who submits a signed waiver of notice whether before or after the meeting. The notice of any meeting of the board of directors need not specify the purpose or purposes for which the meeting is called, except as provided in Section 2.06 and as provided in Article IX of these by-laws.

At all meetings of the board of directors, except as otherwise provided by law, the certificate of incorporation or these by-laws, a quorum shall be required for the transaction of business and shall consist of not less than a majority of the entire board, and the vote of a majority of the directors present shall decide any question that may come before the meeting. A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time or place without notice other than announcement at the meeting of the time and place to which the meeting is adjourned.

Section 2.12 Procedure. The order of business and all other matters of procedure at every meeting of directors may be determined by the person presiding at the meeting.

Section 2.13 Action Without a Meeting. Any action required or permitted to be taken by the board or any committee thereof may be taken without a meeting if all members of the board or the committee consent

Unless otherwise restricted by the certificate of incorporation of the corporation, members of the board of directors or any committee thereof may participate in a meeting of such board or committee by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at such meeting.

Article V

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 5.01 Right of Indemnification. Each director or officer of the corporation, whether or not then in office, and any person whose testator or intestate was such a director or officer, shall be indemnified by the corporation for the defense of, or in connection with, any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, administrative or investigative, in accordance with and to the fullest extent permitted by the Business Corporation Law of the State of New York or other applicable law, as such law now exists or may hereafter be adopted or amended, against, without limitation, all judgments, fines, amounts paid in settlements, and all expenses, including attorneys' and other experts' fees, costs and disbursements, actually and reasonably incurred by such person as a result of such action or proceeding, or actually and reasonably incurred by such person (a) in making an application for payment of such expenses before any court or other governmental body, (b) in otherwise seeking to enforce the provisions of this Section 5.01, or (c) in securing or enforcing such person's right under any policy or director or officer liability insurance provided by the corporation; provided, however, that the corporation shall provide

A-60

indemnification in connection with an action or proceeding (or part thereof) initiated by such a director or officer only if such action or proceeding (or part thereof) was authorized by the board of directors.

Section 5.02 Advancement of Expenses. Expenses incurred by a director or officer in connection with any action or proceeding as to which indemnification may be given under Section 5.01 may be paid by the corporation in advance of the final disposition of such action or proceeding upon (a) the receipt of an undertaking by or on behalf of such director or officer to repay such advancement in case such director or officer is ultimately found not to be entitled to indemnification as authorized by this Article V and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by the shareholders. To the extent permitted by law, the board of directors or, if applicable, the shareholders, shall not be required to find that the director or officer has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding before the corporation makes any advance payment of expenses hereunder.

Section 5.03 Availability and Interpretation. To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in this Article V (a) shall be available with respect to events occurring prior to the adoption of this Article V, (b) shall continue to exist after any rescission or restrictive amendment of this Article V with respect to events occurring prior to such rescission or amendment, (c) shall be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding or, at the sole discretion of the director or officer or, if applicable, the testator or intestate of such director or officer seeking such rights, on the basis of applicable law in effect at the time such rights are claimed and (d) shall be in the nature of contract rights that may be enforced in any court of competent jurisdiction as if the corporation and the director or officer for whom such rights are sought were parties to a separate written agreement.

Section 5.04 Other Rights. The rights of indemnification and to the advancement of expenses provided in this Article V shall not be deemed exclusive of any other rights to which any director or officer of the corporation or other person may now or hereafter be otherwise entitled whether contained in the certificate of incorporation, these by-laws, a resolution of the shareholders, a resolution of the board of directors or an agreement providing for such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the foregoing, the rights of indemnification and to the advancement of expenses provided in this Article V shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any director or officer of the corporation or other person in any action or proceeding to have assessed or allowed in his or her favor, against the corporation or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

Section 5.05 Severability. If this Article V or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Article V shall remain fully enforceable.

Article VI

The shares of the corporation shall be represented by certificates which shall be numbered and shall be entered in the records of the corporation as they are issued. Each share certificate shall when issued state upon the face thereof that the corporation is formed under the laws of the State of New York, the name of

The signatures of the officers upon a certificate may be facsimiles if (a) the certificate is countersigned by a transfer agent or registered by a registrar other than the corporation itself or its employee or (b) the corporation's shares are listed on a registered national securities exchange. In case any officer who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer before such certificate is issued, it may be issued by the corporation with the same effect as if he or she were such officer at the date of issue. The board of directors may fix, in advance, a day and hour not more than sixty (60) days nor less than ten (10) days before the date on which any meeting of the shareholders entitled to notice of and to vote at such meeting and at all adjournments thereof shall be determined; and, in the event such record date and time are fixed by the board of directors, no one other than the holders of record on such date and time of shares entitled to notice of and to vote at such meeting shall be entitled to notice of or to vote at such meeting or any adjournment thereof. If a record date and time shall not be fixed by the board of directors for the determination of shareholders entitled to notice of and to vote at any meeting of the shareholders, shareholders of record at the close of business on the day next preceding the day on which notice of such meeting is given, and no others, shall be entitled to notice of and to vote at such meeting or any adjournment thereof; provided, however, that if no notice of such meeting is given, shareholders of record at the close of business on the day next preceding the day on which such meeting is held, and no others, shall be entitled to vote at such meeting or any adjournment thereof.

The board of directors may fix, in advance, a day and hour not more than sixty (60) days before the date fixed for the payment of a dividend of any kind or the allotment of any rights, as the record time for the determination of shareholders entitled to receive such dividend or rights, and in such case only shareholders of record at the date and time so fixed shall be entitled to receive such dividend or rights; *provided, however*, that if no record date and time for the determination of shareholders entitled to receive such dividend or rights are fixed, shareholders of record at the close of business on the day on which the resolution of the board of directors authorizing the payment of such dividend or the allotment of such rights is adopted shall be entitled to receive such dividend or rights.

Section 6.04 Record of Shareholders. The corporation shall keep at its office in the State of New York, or at the office of its transfer agent or registrar in this state, a record containing the names and addresses of all shareholders, the number and class of shares held by each and the dates when they respectively became the owners of record thereof.

Section 6.05 Lost Share Certificates. The board of directors may in its discretion cause a new certificate for shares to be issued by the corporation in place of any certificate theretofore issued by it, alleged to have been lost or destroyed, and the board may require the owner of the lost or destroyed certificate, or his or her legal representatives, to give the corporation a bond sufficient to indemnify the corporation against any claim that may be made against it on account of the alleged loss or destruction of any such certificate or the issuance of any such new certificate; but the board of directors may in its discretion refuse to issue such new certificate save upon the order of a court having jurisdiction in such matters.

Attention: The Lead Director of the Board of Directors

Lead Director of the Board of Directors:

We understand that Frederick's of Hollywood Group Inc. (the Company) intends to enter into an Agreement and Plan of Merger (the Merger Agreement) by and among FOHG Holdings, LLC (Parent), FOHG Acquisition Corp., a wholly-owned subsidiary of Parent (Merger Sub), and the Company, pursuant to which, among other things, the Company will merge with and into Merger Sub, with the Company to be the surviving company in the merger and a wholly owned subsidiary of Parent (the Merger), and each share of common stock, par value \$0.01 per share, of the Company (Company Common Stock) that is issued and outstanding immediately prior to the effective time of the Merger, other than Excluded Shares and any Dissenting Shares (each as defined in the Merger Agreement), will be converted into the right to receive \$0.27 in cash (the Merger Consideration). We further understand that Arsenal Group, LLC; Fursa Alternative Strategies LLC, on behalf of certain funds and accounts affiliated with or managed by it or its affiliates; Tokarz Investments, LLC; TTG Apparel, LLC and William F. Harley (collectively, the Rollover Shareholders) intend to enter into a Rollover Agreement (the Rollover Agreement) with Parent pursuant to which such Rollover Shareholders will exchange shares of Company Common Stock, shares of Series A Convertible Preferred Stock, par value \$0.01 per share, of the Company (Company Series A Preferred Stock), and shares of Series B Convertible Preferred Stock, par value \$0.01 per share, of the Company (the Company Series B Preferred Stock) for membership interests in Parent. Holders of Company Common Stock other than the Rollover Shareholders, HGI Funding, LLC, Parent and any of their respective affiliates or associates are referred to herein as the Unaffiliated Shareholders.

You have requested that Cassel Salpeter & Co., LLC (CS) render an opinion (this Opinion) to the Lead Director (the Lead Director) of the Board of Directors (the Board) of the Company as to whether, as of the date of this Opinion, the Merger Consideration to be received by the Unaffiliated Shareholders in the Merger pursuant to the Merger Agreement is fair, from a financial point of view, to the Unaffiliated Shareholders.

In arriving at this Opinion, we have made such reviews, analyses, and inquiries as we have deemed necessary and appropriate under the circumstances. Among other things, we have:

Reviewed an execution version, received by us on December 16, 2013, of the Merger Agreement.

Reviewed an execution version, received by us on December 16, 2013, of the Rollover Agreement.

Reviewed an execution version, received by us on December 16, 2013, of the Voting Agreement (the Voting Agreement) to be entered into by the Rollover Shareholders, HGI Funding, LLC, Parent and the Company pursuant to which the Rollover Shareholders will, upon the terms and conditions set forth therein, agree to, among other things, vote the Company Common Stock beneficially owned by them in favor of the resolution approving the Merger.

Reviewed certain publicly available financial information and other data with respect to the Company that we deemed relevant, including its Annual Report on Form 10-K for the most recent fiscal year, as amended by amendment no. 1 thereto on Form 10-K/A, certain other communications to stockholders, and certain other publicly available filings with the Securities and Exchange Commission.

B-1

TABLE OF CONTENTS

Reviewed certain other information and data with respect to the Company made available to us by the Company, including financial projections with respect to the future financial performance of the Company for the fiscal year ending July 26, 2014, prepared by management of the Company (the Projections) and other internal financial information furnished to us by or on behalf of the Company.

Considered and compared the financial and operating performance of the Company with that of other companies with publicly traded equity securities that we deemed relevant.

Considered the publicly available financial terms of certain transactions that we deemed relevant.

Discussed the business, operations, and prospects of the Company and the proposed Merger with the Company's management and certain of the Company's representatives.

Conducted such other analyses and inquiries, and considered such other information and factors as we deemed appropriate.

This Opinion only addresses whether, as of the date hereof, the Merger Consideration to be received by the Unaffiliated Shareholders in the Merger pursuant to the Merger Agreement is fair, from a financial point of view, to the Unaffiliated Shareholders and does not address any other terms, aspects, or implications of the Merger or the Merger Agreement, the Rollover Agreement, the Voting Agreement or any arrangements, understandings, agreements, or documents related to the Merger including, without limitation (i) any term or aspect of the Merger that is not susceptible to financial analyses, (ii) the fairness of any portion or aspect of the Merger, or all or any portion of the consideration, to any security holders of the Company or any creditors or other constituencies of the Company, other than the Unaffiliated Shareholders, or (iii) the fairness of the Merger or all or any portion of the Merger Consideration, to any other security holders of the Company or any other person or any creditors or other constituencies of the Company or any other person, nor the fairness of the amount or nature, or any other aspect, of any compensation or consideration payable to or received by any officers, directors, or employees of any parties to the Merger, or any class of such persons, relative to the Merger Consideration to be received by the Unaffiliated Shareholders pursuant to the Merger Agreement, or otherwise. We are not expressing any opinion as to the prices at which shares of Company Common Stock, Company Series A Preferred Stock or Company Series B Preferred Stock may trade, be purchased or sold at any time.

This Opinion does not address the relative merits of the Merger as compared to any alternative transaction or business strategy that might exist for the Company, or the merits of the underlying decision by the Lead Director, the Board or the Company to engage in or consummate the Merger. The financial and other terms of the Merger were determined pursuant to negotiations between the parties to the Merger Agreement and were not determined by or pursuant to any recommendation from us. In addition, we were not authorized to, and we did not, solicit indications of interest from third parties regarding a potential transaction involving the Company.

In arriving at this Opinion, we have, with your consent, relied upon and assumed, without independently verifying, the accuracy and completeness of all of the financial and other information that was supplied or otherwise made available to us or available from public sources, and we have further relied upon the assurances of the Company's management that they were not aware of any facts or circumstances that would make any such information inaccurate or misleading. We are not legal, tax, environmental, or regulatory advisors and, we do not express any views or opinions as to any legal, tax, environmental, or regulatory matters relating to the Company, the Merger, or otherwise. We understand and have assumed that the Company has obtained or will obtain such advice as it deems necessary or appropriate from qualified legal, tax, environmental, regulatory, and other professionals. You have also advised us that the Company does not prepare, and we did not have access to, long-term forecasts with respect to the future financial performance of the Company, and you have directed us to use and rely upon, for purposes of our analyses and this Opinion, the Projections, which we with your consent have assumed were reasonably prepared on a basis reflecting the best currently available estimates and judgments of management of the Company with respect to the future financial performance of the Company, and that the Projections provide a reasonable basis upon which to analyze and evaluate the Company and form an opinion. We express no view with respect to the Projections

TABLE OF CONTENTS

or the assumptions on which they are based. We have not evaluated the solvency of the Company or any other party to the Merger, the fair value of the Company or any of its assets or liabilities, or whether the Company or any other party to the Merger is paying or receiving reasonably equivalent value in the Merger under any applicable foreign, state, or federal laws relating to bankruptcy, insolvency, fraudulent transfer, or similar matters, nor have we evaluated, in any way, the ability of the Company or any other party to the Merger to pay its obligations when they come due. We have not physically inspected the Company's properties or facilities and have not made or obtained any evaluations or appraisals of the Company's assets or liabilities (including any contingent, derivative, or off-balance-sheet assets and liabilities). We have not attempted to confirm whether the Company has good title to its assets. CS's role in reviewing any information was limited solely to performing such reviews as CS deemed necessary to support its own advice and analysis and was not on behalf of the Lead Director, the Board, the Company, or any other party.

We have assumed, with your consent, that the Merger will be consummated in a manner that complies in all respects with applicable foreign, federal, state, and local laws, rules, and regulations and that, in the course of obtaining any regulatory or third party consents, approvals, or agreements in connection with the Merger, no delay, limitation, restriction, or condition will be imposed that would have an adverse effect on the Company or the Merger. We also have assumed, with your consent, that the final executed form of the Merger Agreement will not differ in any material respect from the draft we have reviewed and that the Merger will be consummated on the terms set forth in the Merger Agreement, without waiver, modification, or amendment of any term, condition, or agreement thereof that is material to our analyses or this Opinion. We have also assumed that the representations and warranties of the parties to the Merger Agreement contained therein are true and correct and that each such party will perform all of the covenants and agreements to be performed by it under the Merger Agreement. We offer no opinion as to the contractual terms of the Merger Agreement or the likelihood that the conditions to the consummation of the Merger set forth in the Merger Agreement will be satisfied.

Management of the Company has advised us that (i) the Company has been and currently is experiencing significant liquidity issues, (ii) the Company currently only has a limited amount of availability under its line of credit for operations, and (iii) if the Company's merchandise vendors do not continue to ship new product without being paid in full for their past due invoices, the Company will not have sufficient capital resources to fund its planned activities beyond December 31, 2013. Management of the Company has also advised us that the Company will require substantial additional capital to operate on a standalone basis in accordance with the Company business plan underlying the Projections and the Company has not been able to, and does not expect to be able to, identify or otherwise access any sources of equity or debt financing for the future operations of the Company prior to the date that it will exhaust its remaining cash resources, if ever. Management of the Company has advised us that the inability of the Company to continue as a going concern would likely result in a voluntary or involuntary bankruptcy, restructuring or liquidation of the Company in which the Company may receive less than the value at which its assets are carried on the Company's consolidated financial statements, and holders of Company Common Stock would likely receive little or no value and would likely lose all or substantially all of their investment in the Company.

Our analysis and this Opinion are necessarily based upon market, economic, and other conditions as they exist on, and could be evaluated as of, the date hereof. Accordingly, although subsequent developments may arise that would otherwise affect this Opinion, we do not assume any obligation to update, review, or reaffirm this Opinion to you or any other person or otherwise to comment on or consider events occurring or coming to our attention after the date hereof.

This Opinion is addressed to the Lead Director for the use and benefit of the Lead Director (in his capacities as such) and with the consent of the Lead Director, the members of the Board (in their capacity as such) in connection with the Lead Director's and, as applicable, the Board's evaluation of the Merger. This Opinion may not be used for any other purpose without our prior written consent. This Opinion is not intended to and does not constitute advice or a

recommendation to any of the Company's shareholders or any other security holders as to how such holder should vote or act with respect to any matter relating to the Merger or otherwise. This Opinion should not be construed as creating any fiduciary duty on our part to the Company or any other party to the Merger Agreement, any security holder of the Company or such other party, any creditor of the Company or such other party, or any other person.

NOW, THEREFORE, in consideration of the mutual promises, covenants, representations and warranties contained herein, the parties hereto agree as follows:

1. Issuance of Series A Units; Rollover; Cancellation of Securities.

(a) Simultaneously with the execution of this Agreement, (i) Parent shall issue to each Rollover Shareholder that number of Series A Units set forth opposite such Rollover Shareholder's name on Annex A hereto and (ii) any and all membership interests of Parent previously issued shall automatically be cancelled, cease to exist and no longer be issued and outstanding.

(e) In the event that the Rollover is consummated but the Merger Agreement is terminated in accordance with its terms, then the Rollover will be void *ab initio* and deemed not to have occurred, the Capital Value of the Series A Units shall not be increased pursuant to Section 1(b) and Parent will return to each Rollover Shareholder the Rollover Shares previously delivered by such Rollover Shareholder to Parent. For the avoidance of doubt, unless and until the Merger has been consummated and the Effective Time has occurred, the cancellation of Affiliate Stock Options, Affiliate Company Awards and Affiliate Warrants contemplated by Section 1(d) shall not occur (and shall not be deemed to have occurred).

2. Closing.

(a) The closing of the transactions contemplated by this Agreement (the Rollover Closing) will take place at the offices of Milbank, Tweed, Hadley, & McCloy LLP, One Chase Manhattan Plaza, New York, New York, immediately prior to the Effective Time.

(b) At the Rollover Closing, each Rollover Shareholder will deliver to Parent stock certificates duly endorsed for transfer to Parent, or accompanied by stock powers duly endorsed in blank, representing each such Rollover Shareholder's Rollover Shares, free and clear of any and all Liens, and upon receipt of such Rollover Shares in the form and manner described in this Section 2(b) (but subject to Section 1(c)), the Capital Value of the then issued and outstanding Series A Units shall be increased as provided in this Agreement and the Parent LLC Agreement.

3. Representations and Warranties of the Rollover Shareholders. Each Rollover Shareholder represents and warrants, severally but not jointly, as follows:

(a) Binding Agreement. Such Rollover Shareholder has the capacity to execute and deliver this Agreement and to consummate the transactions contemplated hereby, and (i) in the case of each Rollover Shareholder that is an individual, the execution and delivery of this Agreement does not require any consent from such Rollover Shareholder's spouse or any other person and (ii) if such Rollover Shareholder is a corporation or an unincorporated business entity, such Rollover Shareholder has the requisite corporate or organizational power and authority to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby. Such Rollover Shareholder has duly and validly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of such Rollover Shareholder, enforceable against such Rollover Shareholder in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization or other similar laws affecting creditors' rights generally and by general equitable principles (regardless of whether enforceability is considered in a proceeding in equity or at law).

(b) Ownership of Shares. Such Rollover Shareholder is the beneficial owner (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended, which meaning will apply for all purposes of this Agreement) of, and has the sole (or shared with one or more Rollover Shareholders) power to vote and dispose of the number of Rollover Shares set forth opposite such Rollover Shareholder's name in Annex A hereto free and clear of any and all Liens, except as may exist by reason of this Agreement, the Voting Agreement, the Series A SPA or pursuant to applicable law. Except as

provided for in this Agreement and the Series A SPA, there are no outstanding options or other rights to acquire from such Rollover Shareholder, or obligations of such Rollover Shareholder to sell or to dispose of, any of such Rollover Shares.

(c) No Conflict. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby, nor the performance of such Rollover Shareholder's obligations hereunder will (a) result in a violation or breach of, or constitute (with or without due notice or lapse of time or both) a default (or give rise to any right of termination, cancellation, or acceleration) under any contract, agreement, instrument, commitment, arrangement or understanding to which such Rollover Shareholder is a party, or result in the creation of a security interest, lien, charge, encumbrance, equity or claim with respect to such Rollover Shareholder's Rollover Shares, (b) require any material consent, authorization or approval of any Person, entity or Governmental Entity, or (c) violate or conflict with any writ, injunction or decree applicable to such Rollover Shareholder or such Rollover Shareholder's Rollover Shares.

(d) Accredited Investor. Such Rollover Shareholder is an accredited investor as such term is defined in Rule 501(a) promulgated under the Securities Act of 1933, as amended (the Securities Act).

(e) Investor's Experience. Such Rollover Shareholder's financial situation is such that the Rollover Shareholder can afford to bear the economic risk of holding the Series A Units to be received by such Rollover Shareholder, and such Rollover Shareholder can afford to suffer complete loss of its investment in such Series A Units. Such Rollover Shareholder's knowledge and experience in financial and business matters are such that the Rollover Shareholder is capable of evaluating the merits and risks of the Rollover Shareholder's investment in such Series A Units.

(f) Investment Intent. Such Rollover Shareholder is acquiring Series A Units solely for the Rollover Shareholder's own account for investment and not with a view to or for sale in connection with any distribution thereof. Such Rollover Shareholder agrees that the Rollover Shareholder will not, directly or indirectly, offer, transfer, sell, pledge, hypothecate or otherwise dispose of any Series A Units (or solicit any offers to buy, purchase or otherwise acquire or take a pledge of any of the Series A Units), except in compliance with (i) the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, (ii) applicable state and non-U.S. securities or blue sky laws and (iii) the provisions of this Agreement and any other agreement among Parent and the Rollover Shareholders.

4. Conditions Precedent. The obligations of each Rollover Shareholder to consummate the transactions contemplated hereby are subject to the conditions set forth in Sections 6.01 and 6.02 of the Merger Agreement being satisfied or waived by Parent (other than any conditions that by their nature are to be satisfied at the Closing, but subject to the prior or substantially concurrent satisfaction of such conditions).

5. Tax Matters.

The parties hereto (i) shall treat the Rollover as a tax-free partnership contribution under Section 721 of the Internal Revenue Code of 1986, as amended, for all federal, state and local income tax purposes, and (ii) will not take any position on any return that is inconsistent with such treatment.

6. Transfer and Other Restrictions

Until the termination of this Agreement pursuant to Section 7(i), and except as provided in the Series A SPA, each Rollover Shareholder agrees not to sell, sell short, transfer (including by gift), pledge, encumber, assign, deposit or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to the sale,

transfer, pledge, encumbrance, assignment or other disposition of, any of its Rollover Shares or any interest therein (a Transfer), other than in the case of a Rollover Shareholder who is a natural person, a Transfer of the Rollover Shares held by such Rollover Shareholder to any member of such Rollover Shareholder's immediate family, or upon the death of such Rollover Shareholder, to such Rollover Shareholder's estate, provided that, as a condition to such Transfer, the transferee agrees to be bound as a Rollover Shareholder by the terms and conditions of this Agreement.

WHEREAS, concurrently with the execution and delivery of this Agreement, Parent, FOHG Acquisition Corp., a New York corporation and wholly-owned subsidiary of Parent (Merger Sub), and the Company are entering into an Agreement and Plan of Merger (as amended from time to time in accordance with the terms thereof, the Merger Agreement ; capitalized terms used and not otherwise defined herein have the meanings assigned to them in the Merger Agreement), which provides, among other things, for the merger of Merger Sub with and into the Company, with the Company surviving as a wholly-owned subsidiary of Parent (the Merger);

WHEREAS, as of the date hereof, each Shareholder is the beneficial owner of, and has the right to vote and dispose of, that number of shares of common stock, par value \$0.01 per share, of the Company (Common Shares), set forth opposite such Shareholder's name on Annex B hereto (such shares, the Subject Shares); and

WHEREAS, as a condition to its willingness to enter into the Merger Agreement, the Company has required that each of the Shareholders agree, and each of the Shareholders is willing to agree, to the matters set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the agreements set forth below, the parties hereto agree as follows:

1. Voting of Securities.

1.1 Voting Agreement. From the date hereof, and until the termination of this Agreement pursuant to Section 8, each Shareholder hereby agrees to vote (or cause to be voted) all of its Subject Shares: (i) in favor of the approval and adoption of the Merger and the Merger Agreement, at any annual, special or other meeting of the shareholders of the Company, and at any adjournment or adjournments or postponement thereof, or pursuant to any consent in lieu of a meeting or otherwise, which such Shareholder has the right to so vote, and (ii) against (1) any Takeover Proposal or Superior Proposal, (2) any action, proposal, transaction or agreement which could reasonably be expected to result in a breach of any covenant, representation or warranty or any other obligation or agreement of the Company under the Merger Agreement or of such Shareholder under this Agreement, and (3) any action, proposal, transaction or agreement that could reasonably be expected to impede, interfere with, delay, discourage, adversely affect or inhibit the timely consummation of the Merger or the fulfillment of Parent's, the Company's or Merger Sub's conditions under the Merger Agreement or change in any manner the voting rights of any class of shares of the Company (including any amendments to the Company's Constituent Documents).

1.2 Irrevocable Proxy. Solely with respect to the matters described in Section 1.1, each Shareholder constitutes and appoints HGI Funding, from and after the date hereof until the earlier to occur of the Effective Time and the termination of this Agreement pursuant to Section 8 (at which point such constitution and appointment shall automatically be revoked), as such Shareholder's attorney, agent and proxy (each such constitution and appointment, an Irrevocable Proxy), with full power of substitution, for and in the name, place and stead of such Shareholder, to vote and otherwise act with respect to all of such Shareholder's Subject Shares at any annual, special or other meeting

Each Shareholder hereby revokes all

other proxies and powers of attorney with respect to all of such Shareholder's Subject Shares that may have heretofore been appointed or granted with respect to the matters covered by Section 1.1, and no subsequent proxy or power of attorney shall be given (and if given, shall not be effective) by such Shareholder with respect thereto on the matters covered by Section 1.1. Counterparts may be delivered via facsimile, electronic mail (including .pdf) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

7.6 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

7.7 Notices. All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given upon the earlier of actual receipt or: (a) personal delivery to the party to be notified, (b) when sent, if sent by electronic mail or facsimile during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next Business Day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) Business Day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications shall be sent to the respective parties at their address as set forth on the signature page, or to such e-mail address or address as subsequently modified by written notice given in accordance with this Subsection 7.7. If notice is given to Seller, a copy shall also be sent to Edwards Wildman Palmer LLP, 225 West Wacker Drive, Suite 2800, Chicago, Illinois 60606-1229, Attn: Adam S. Kaye, Esq. and Roland Hlawaty, Esq.

7.8 No Finder's Fees. Each party represents that it neither is nor will be obligated for any finder's fee or commission in connection with this transaction. Purchaser agrees to indemnify and to hold harmless Seller from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which Purchaser or any of its officers, employees, or representatives is responsible. Seller agrees to indemnify and hold harmless Purchaser from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which Seller or any of its officers, employees or representatives is responsible.

7.9 Amendments and Waivers. This Agreement may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement is sought. Any term or condition of this Agreement may be waived at any time by the party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed

No waiver by any party of any term or condition of this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of the same or any other term or condition of this Agreement on any future occasion. All remedies, either under this Agreement or by Law or otherwise afforded, will be cumulative and not alternative.

7.10 Severability. The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision.

7.11 Delays or Omissions. No delay or omission to exercise any right, power or remedy accruing to any party under this Agreement, upon any breach or default of any other party under this Agreement, shall impair any such right, power or remedy of such non-breaching or non-defaulting party nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the courts of the State of New York located in the borough of Manhattan (and any appellate court thereof) and the United States District Court for the Southern District of New York (and any appellate court thereof), in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby or for recognition or enforcement of any judgment relating thereto, and each of the parties hereby irrevocably and unconditionally (a) agrees not to commence any such action except in such courts, (b) agrees that any claim in respect of any such action or proceeding may be heard and determined in such courts, (c) waives, to the fullest extent it may legally and effectively do so any objection which it may now or hereafter have to venue of any such action or proceeding in any such courts, and (d) waives, to the fullest extent permitted by Law, the defense of any inconvenient forum to the maintenance of such action or proceeding in any such courts. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each of the parties to this Agreement irrevocably consents to service of process in any such action or proceeding in the manner provided for notices in Subsection 7.7 of this Agreement; provided, however, that nothing in this Agreement shall affect the right of any party to this Agreement to serve process in any other manner permitted by Law.

7.14 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED

HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT

TABLE OF CONTENTS

Proposed Going Private Transaction

On September 26, 2013, our board of directors received a non-binding proposal letter from HGI Funding, LLC (HGI Funding), TTG Apparel, LLC (TTG Apparel), Tokarz Investments, LLC (Tokarz Investments), Fursa Alternative Strategies LLC (Fursa), and Arsenal Group LLC (Arsenal and together with HGI Funding, TTG Apparel, Tokarz Investments and Fursa, the Consortium Members), pursuant to which the Consortium Members proposed to acquire all of the outstanding shares of our common stock not currently owned by them at a proposed price of \$0.23 per share as part of a going private transaction, subject to certain conditions.

HGI Funding is an affiliate of Five Island; TTG Apparel is the holder of our Series A Convertible Preferred Stock, and together with Tokarz Investments, own approximately 25.9% of the outstanding shares of our common stock; and Fursa and Arsenal are controlled by William F. Harley, a member of our board of directors, and own, in the aggregate, approximately 43.5% of the outstanding shares of our common stock as of October 7, 2013.

The board of directors has appointed Milton Walters, its sole disinterested independent director, to serve as the lead director in connection with the full board's review and consideration of the proposed transaction. Any proposed transaction must be approved by the lead director.

To date, no decisions have been made with respect to the board's response to the proposal or the fairness of its terms. There can be no assurance that any definitive offer will be made, that any agreement will be executed or that this or any other transaction will be approved or consummated. We will provide relevant updates with respect to the going private transaction or any other transaction as required under applicable law.

Amendment to Credit Agreement

On October 10, 2013, we entered into a fourth amendment to the Credit and Security Agreement (Credit Agreement) with Salus Capital Partners, LLC (Salus), which among other things, increased the revolving line of credit provided for under the Credit Agreement (Salus Facility) by \$11,000,000, from \$24,000,000 to \$35,000,000, with \$5,000,000 having been advanced on October 10, 2013 and the remaining \$6,000,000 to be advanced upon the consummation of the proposed going private transaction described above. The \$5,000,000 advance is to be repaid on April 10, 2014 if such transaction is consummated by that date, or on May 31, 2015 if such transaction is not consummated on or before April 10, 2014. The \$6,000,000 advance, if made, plus any additional amount that Salus may elect to advance in its sole discretion, is to be repaid on May 31, 2015. The terms of the Salus Facility are described in Note 7 *Financing Agreement*, included in the notes to the consolidated financial statements appearing later in this report.

Our Business

Frederick's of Hollywood Group Inc., through its subsidiaries, sells women's apparel and related products under its proprietary *Frederick's of Hollywood*® brand predominantly through its U.S. mall-based specialty retail stores, which are referred to as Stores, and through its catalog and retail website at www.fredericks.com, which are referred to collectively as Direct. As of July 27, 2013, we operated 113 Frederick's of Hollywood stores in 28 states and during fiscal year 2013 mailed approximately 4.3 million catalogs.

We also have a license agreement with a subsidiary of Emirates Associated Business Group (EABG), which provides for EABG to build and operate Frederick's of Hollywood retail stores in the Middle East. As of October 7, 2013, EABG had opened three stores in the region. In addition, we have licensed the right to use the *Frederick's of Hollywood*® brand and logo on specified categories of products manufactured and sold by other companies. Our

licensed merchandise categories currently include Halloween costumes and accessories, and we do not expect to renew the accessories license upon its expiration in December 2013.

Market and Products

We sell women's apparel and related products under our proprietary *Frederick's of Hollywood*® brand through our retail stores, website and catalog. Our customer target is women primarily between the ages of 18 and 45. Our major merchandise categories are foundations (including bras, corsets, shapewear and panties), lingerie (including daywear and sleepwear), ready-to-wear (dresses and sportswear, including denim), and

F-1-2

TABLE OF CONTENTS

fragrance and accessories (including shoes, handbags, jewelry, personal care products and novelties). Our full retail prices generally range from approximately \$8.00 for panties up to approximately \$139.00 for dresses. Certain merchandise is marketed as collections of related items to increase the average sale amount. Our product lines and color pallets are updated seasonally in an effort to satisfy our customers' desire for fashionable merchandise and to keep our selections fresh and appealing.

The following table shows the percentage of sales that each of these product categories represented for the year ended July 27, 2013:

Product Category	% of Retail Sales
Foundations	53 %
Lingerie	29 %
Ready-to-Wear	11 %
Fragrance and Accessories	7 %
Total	100 %

Merchandising and Product Development

Our merchandising efforts focus on satisfying customer demand for current trends and identifying new fashion trends and opportunities. Our merchandising team conducts research and utilizes its industry expertise to identify new product and category initiatives to appeal to our core customer base and attract new customers. This team works directly with our merchandise vendors to develop these products to meet our customers' needs.

Store Operations

We operated 113 Frederick's of Hollywood retail stores as of July 27, 2013. These stores are primarily located in shopping malls in 28 states. Approximately one-third of the stores are in California. Of the stores outside of California, approximately 32% are situated in our other key operating states, which include Florida, Texas, New York and Nevada. Our flagship store is on Hollywood Boulevard in Hollywood, California.

Our retail stores range in size from 900 to 3,200 square feet and our flagship store is 5,700 square feet. A typical store uses approximately 75% of its square footage as selling space. Depending on size, square footage and past sales history, our retail stores showcase branded merchandise best suited for their respective locations, which may include expanded product categories. Depending on the size, newer and remodeled stores are either designed in the contemporary Modern Hollywood format or the sophisticated Red Carpet format. We continue to operate many of our older stores with legacy designs that evolved through the history of Frederick's of Hollywood. Periodically, in connection with lease renewals or as other opportunities arise, older stores are remodeled. New store locations are typically selected on the basis of local demographics, the proposed location within the mall and projected sales and cost.

During fiscal year 2013, we relocated five stores and closed six stores upon expiration of the respective leases. As leases are scheduled to expire or we are required to relocate our store within a mall, we attempt to negotiate favorable renewal or relocation terms, as the case may be. However, if we are unsuccessful, we typically will close the store.

Direct Operations

We have an extensive history dating back to the first Frederick's of Hollywood catalog produced in 1947 of offering women's apparel directly to the consumer. Today, we market and sell our products directly to consumers primarily through our retail website, *www.fredericks.com*, and catalog.

In addition to our website's value as an important distribution channel and source of revenue, it is a key marketing tool we use to test new products, build brand equity and increase store traffic. We also partner with Internet search engines and participate in social media advertising programs to drive traffic to our stores and website. Over 90% of all Direct orders are placed online through our retail website.

Our e-commerce web platform is hosted by a third-party service provider, which we believe provides a stable foundation upon which we can continue to upgrade and enhance our website. During fiscal year 2012,

F-1-3

TABLE OF CONTENTS

we redesigned our website and mobile site to improve navigation, showcase a cleaner design, and present a more modern look and feel. We are continuing to refine the improved functionality that we implemented and add upgrades as they become available.

Our catalog has evolved over the past few years to serve more as a marketing tool to build brand awareness and drive traffic to our website and stores. Historically, we have mailed four seasonal catalogs annually (fall, holiday, spring and summer), as well as several smaller direct mail pieces. During fiscal year 2013, we mailed approximately 4.3 million catalogs to approximately 2.2 million households, from approximately 10.8 million catalogs mailed to approximately 5.0 million households in fiscal year 2012. We have steadily reduced catalog circulation due to the costs involved in producing a traditional catalog, and have continued to allocate resources to more innovative direct mail pieces and cost-effective digital marketing alternatives such as partnership marketing with magazine websites, digital display advertising, email retargeting, affiliate marketing and increased search marketing.

During fiscal year 2013, we also began offering our products on Amazon.com through a branded storefront. The products we primarily sell to Amazon are typically items that we have successfully sold on our website and in stores.

All creative and copy design for our website and direct mail is coordinated by our in-house design staff. Photography is conducted on location or in studios. We utilize third party vendors to print and mail. Our direct mailings are currently sent only within the United States.

Licensing

Store Licensing. We have an exclusive multi-year licensing agreement for EABG to build and operate Frederick's of Hollywood retail stores in the Middle East. The agreement provides for EABG to open at least 10 stores in six Middle Eastern countries by April 2014, with additional store openings based on a mutually agreed upon expansion plan. As of October 7, 2013, EABG had opened three stores in the region and we do not expect EABG to be successful in opening the remaining seven stores by April 2014. The agreement also requires EABG to purchase products from us to sell in their licensed Frederick's of Hollywood stores. We are entitled to receive royalties based on sales of our products in these stores, however, as a result of EABG's poor performance, royalties and product purchases from EABG represented less than 1% of our total sales in fiscal year 2013.

Product Licensing. We currently have product license agreements in place for Halloween costumes and accessories, and we do not expect to renew the accessories license upon its expiration in December 2013. Our product license arrangements represented less than 1% of our total sales in fiscal year 2013.

Due to the poor performance of our licensing initiatives to date, we are continuing to evaluate our long-term licensing strategy and explore ways in which to work with our remaining licensees to increase revenues.

Sourcing, Production and Quality

We utilize a variety of third-party vendors to source and manufacture our merchandise. Orders are typically placed approximately four to six months prior to the selling season for new products, and approximately three to four months prior to the required delivery dates for reorders.

In fiscal year 2013, we purchased products from approximately 96 vendors. Our top ten vendors accounted for approximately 74% of the dollar value of those purchases. We had three suppliers that individually accounted for 10% or more of total purchases in fiscal year 2013. One supplier based in China accounted for approximately 22% of total

purchases and two suppliers based in Canada accounted for approximately 13% and 11% of total purchases in fiscal year 2013. Many of our third-party domestic and foreign suppliers purchase products from foreign sources. Although we do not have direct relationships with these foreign sources, we believe that our suppliers source products primarily from China, Vietnam, the Philippines and Sri Lanka.

Although we have no long-term manufacturing contracts, our relationships with vendors are long-standing, with several vendors supplying products for over twenty years. To assure adequate sources, each major product category is sourced from multiple vendors. We also test products from new suppliers and

F-1-4

TABLE OF CONTENTS

expand their services to us as appropriate. We do not believe that we are overly dependent on any one supplier, and the loss of any one of them would not have a material effect on our business. However, due to our liquidity issues, we have had difficulty developing relationships with new vendors to source and manufacture our merchandise.

Brand Development and Marketing

We believe that *Frederick's of Hollywood* is one of the world's most widely recognized apparel brand names. We primarily utilize digital and print media advertising, including display advertising, email retargeting, affiliate and search marketing, direct mail pieces and catalogs, to market our products. We believe the concurrent operation of retail stores and a website proves to be advantageous in brand development and exposure. We use our website and store locations to test new items and promotional strategies that may, in turn, develop into successful programs.

Our brand development and marketing activities have focused on enhancing the customer experience in stores and online through updated imagery and increasing online shopping functionality. We also increase brand awareness with the announcement of new product launches and the arrival of seasonal collections through public relations activities and social media. Combinations of press releases, media events, gift with purchase offers, and product placements in national magazines and regional and national television programs are also used.

Distribution and Customer Service

During fiscal year 2013, we outsourced our customer contact center to a third party provider. This function was previously performed in-house in our Phoenix, Arizona facility. Our third party provider performs phone order placement and customer services, as well as online customer support. We regularly monitor customer service calls for quality assurance purposes.

Also during fiscal year 2013, we outsourced our Stores distribution to a third party provider. This function also was previously performed in-house in our Phoenix, Arizona facility. The majority of shipments received for stores are allocated to individual stores and shipped within a few days. We continue to handle Direct fulfillment in-house from our Phoenix, Arizona facility. Website and catalog orders are typically processed within 48 hours. We believe that our current distribution and customer service arrangements are adequate to meet our needs for the next several years.

Information Technology

During fiscal year 2013, we relocated our data center from our Phoenix, Arizona facility to an interim facility in Scottsdale, Arizona. During fiscal year 2014, we plan to permanently relocate our data center to a facility in Aurora, Colorado managed by a third party provider.

We maintain information technology systems to support our merchandising, marketing, planning, store operations, inventory, order management and fulfillment, finance, accounting and human resources functions.

In our retail stores, sales are updated daily in the merchandise reporting systems by polling sales information from each store's point of sale terminals. Through automated nightly communication with each store, sales information and payroll hours are uploaded to the host system, and stock changes are downloaded through the terminals. We evaluate information obtained through daily reporting to implement merchandising decisions.

Customer orders are captured and processed on our e-commerce website, *www.fredericks.com*, which interfaces with our in-house systems for order management and fulfillment. Our e-commerce web platform is hosted by a third-party service provider, which we believe provides a stable foundation upon which we can continue to upgrade and enhance our website and, in turn, our customers' overall online shopping experience for our products.

Trademarks and Service Marks

We have a variety of trademark applications and registrations in the United States and foreign countries. The registered United States trademarks that are material to the marketing of our products are *Frederick's of Hollywood*®, *Frederick's*®, *Fredericks.com*®, *The Original Sex Symbol*®, *Hollywood Exxtreme Cleavage*®,

F-1-5

TABLE OF CONTENTS

Seduction by Frederick's of Hollywood®, and *Hollywood Icon®*. We believe that Frederick's of Hollywood products are identified by their intellectual property. We have and intend to maintain our intellectual property by vigorously protecting it against infringement.

Seasonality

Our business experiences seasonal sales patterns. Sales and earnings typically peak during the second and third fiscal quarters (November through April), primarily during the holiday season in November and December, as well as the Valentine's Day holiday in the month of February. As a result, higher inventory levels are maintained during these peak selling periods.

Competition

The retail apparel business is highly competitive with numerous competitors, including individual and chain fashion specialty stores, department stores and discount retailers. It is multi-faceted and operates through various channels; primarily retail stores, catalog and e-commerce. Brand image, marketing, fashion design, price, service, fashion assortment and quality are the principal competitive areas affecting the retail apparel business.

We believe that we have competitive strengths because of our widely recognized brand, presence in shopping malls and direct marketing expertise. However, many of our competitors have greater financial, distribution, logistics, marketing and other resources available to them and may be able to adapt to changes in customer requirements more quickly, devote greater resources to the design, sourcing, distribution, marketing and sale of their products, generate greater national brand recognition or adopt more aggressive pricing policies, and there can be no assurance that we will be able to compete successfully with them in the future.

Employees

As of October 7, 2013, we had 306 full-time employees and 596 part-time employees. Due to seasonal sales patterns, we hire additional temporary staff at our retail stores and distribution and customer contact centers during peak sales periods. We have never experienced an interruption of our operations because of a work stoppage. We believe our relationship with our employees to be good. We are not a party to any collective bargaining agreement with any union.

F-1-6

TABLE OF CONTENTS

ITEM 1A. RISK FACTORS

Our significant losses and working capital deficiency raise questions about our ability to continue as a going concern.

We had net losses of \$23,455,000 and \$6,516,000 for the years ended July 27, 2013 and July 28, 2012. As of July 27, 2013, we had a working capital deficiency of \$12,349,000 and a shareholders' deficiency of \$17,401,000. We used cash of \$13,126,000 and \$6,571,000 in operating activities for the years ended July 27, 2013 and July 28, 2012. These conditions raise substantial doubt about our ability to continue as a going concern.

Management's plans to address our need for capital, which include entering into the amendment to our Credit Agreement with Salus and potentially consummating a going private transaction with the Consortium Members, is discussed in the section appearing later in this report titled *Management's Discussion and Analysis of Financial Condition and Results of Operations - Liquidity and Capital Resources - Future Financing Requirements*.

If management's plans are unsuccessful, we will need to raise additional capital. We could seek to raise additional capital through debt or equity financings, strategic relationships or other arrangements. However, additional financing may not be available in amounts or on terms acceptable to us or at all, and if available, may be at prices and on terms that may not be as favorable as they would be without a going concern qualification. The foregoing could negatively impact our results of operations.

General economic conditions may affect consumer purchases of discretionary items, which could adversely affect our sales.

Our results are dependent on a number of factors impacting consumer spending, including general economic and business conditions; consumer confidence; wages and employment levels; the housing market; consumer debt levels; availability of consumer credit; credit and interest rates; fuel and energy costs; energy shortages; taxes; general political conditions, both domestic and abroad; and the level of customer traffic within department stores, malls and other shopping and selling environments. Consumer purchases of discretionary items, including our products, may decline during recessionary periods and at other times when disposable income is adversely affected. An incremental downturn in the U.S. economy or an uncertain economic outlook could adversely affect our business and our revenue and profits.

If we cannot compete effectively in the retail apparel industry, our business, financial condition and results of operations may be adversely affected.

The retail apparel industry is highly competitive. We compete with a variety of retailers, including national department store chains, national and international specialty apparel chains, apparel catalog businesses and online apparel businesses that sell similar lines of merchandise. Many of our competitors have greater financial, distribution, logistics, marketing and other resources available to them and may be able to adapt to changes in customer requirements more quickly, devote greater resources to the design, sourcing, distribution, marketing and sale of their products, generate greater national brand recognition or adopt more aggressive pricing policies. If we are unable to overcome these potential competitive disadvantages, such factors could have an adverse effect on our business, financial condition and results of operations.

The failure to successfully order and manage inventory to reflect customer demand and anticipate changing consumer preferences and buying trends may adversely affect our revenue and profitability.

Our success depends, in part, on our ability to anticipate and respond effectively to rapidly changing fashion trends and consumer tastes and to translate market trends into appropriate, saleable product offerings. Generally, merchandise must be ordered well in advance of the applicable selling season and the extended lead times may make it difficult to respond rapidly to new or changing product trends or price changes. If we are unable to successfully anticipate, identify or react to changing styles or trends and we misjudge the market for our products or our customers purchasing habits, then our product offerings may be poorly received by consumers and may require substantial discounts to sell, which would reduce sales revenue and lower profit margins. Brand image also may suffer if customers believe that we are unable to offer innovative products, respond to the latest fashion trends, or maintain product quality.

F-1-7

TABLE OF CONTENTS

We depend on key personnel and we may not be able to operate and grow the business effectively if we lose the services of any key personnel or are unable to attract qualified personnel in the future.

We are dependent upon the continuing service of key personnel and the hiring of other qualified employees. In particular, we are dependent upon the management and leadership of Thomas J. Lynch, our Chairman and Chief Executive Officer, and Thomas Rende, our Chief Financial Officer. The loss of either of them or other key personnel could affect our ability to operate the business effectively.

We historically have depended on a high volume of mall traffic, the lack of which would hurt our business.

Most Frederick's of Hollywood stores are located in shopping malls. Sales at these stores are influenced, in part, by the volume of mall traffic. Our stores benefit from the ability of the malls' anchor tenants, generally large department stores, and other area attractions to generate customer traffic in the vicinity of its stores and the popularity of malls as shopping destinations. A decline in the desirability of the shopping environment of a particular mall, whether due to the closing of an anchor tenant or competition from non-mall retailers, could reduce the volume of mall traffic, which could have an adverse effect on our business, financial condition and results of operations.

If store leases cannot be negotiated or renewed on reasonable terms, our ability to achieve profitability could be harmed.

Our sales are dependent on our ability to operate retail stores in desirable locations with capital investments and lease costs that allow for the opportunity to earn a reasonable return. Desirable locations and configurations may not be available at a reasonable cost, or at all. If we are unable to renew or replace our store leases, enter into leases for new stores or terminate leases for unprofitable stores on favorable terms, our ability to achieve profitability could be harmed.

We rely on third parties for some essential business operations and services, and disruptions or failure in service or changes in terms may adversely affect our ability to deliver goods and services to our customers.

We currently depend on third parties for important aspects of our business, including distribution of merchandise to our retail stores and operation of our customer contact center and e-commerce website. We have limited control over these third parties, and we are not their only client. In addition, we may not be able to maintain satisfactory relationships with any of these third parties on acceptable commercial terms. Further, we cannot be certain that the quality or cost of the services that they provide will remain at current levels or the levels needed to enable us to conduct our business efficiently and effectively.

The extent of our foreign sourcing and manufacturing may adversely affect our business, financial condition and results of operations.

Substantially all of the products that we purchase from third-party vendors are manufactured outside the United States. As a result of the magnitude of foreign sourcing and manufacturing, our business is subject to the following risks:

We depend on key personnel and we may not be able to operate and grow the business effectively if we lose the se 421

political and economic instability in foreign countries, including heightened terrorism and other security concerns, which could subject imported or exported goods to additional or more frequent inspections, leading to delays in deliveries or impoundment of goods, or to an increase in transportation costs of raw materials or finished products; the imposition of regulations and quotas relating to imports, including quotas imposed by bilateral textile agreements between the United States and foreign countries;

the imposition of duties, taxes and other charges on imports;
significant fluctuation of the value of the U.S. dollar against foreign currencies;
restrictions on the transfer of funds to or from foreign countries; and
violations by foreign contractors of labor and wage standards and resulting adverse publicity.

F-1-8

TABLE OF CONTENTS

If these risks limit or prevent us from selling or acquiring products from foreign suppliers, our operations could be disrupted until alternative suppliers are found, which could negatively impact our business, financial condition and results of operations.

Any disruptions at our distribution facilities could materially affect our ability to distribute products, which could lead to a reduction in our revenue and/or profits.

Our distribution center in Phoenix, Arizona serves our Direct business and we distribute products to Stores through a third party distribution facility. If we experience disruptions at our distribution center or third party facility that impede the timeliness or fulfillment of the products to be distributed, or our distribution center or third party facility is partially or completely destroyed, becomes inaccessible, or is otherwise not fully usable, whether due to unexpected circumstances such as weather conditions or disruption of the transportation systems or uncontrollable factors such as terrorism and war, it would have a material adverse effect on our ability to distribute products, which in turn would have a material adverse effect on our business, financial condition and results of operations.

Our product licensees may not comply with standards, which could harm our brand, reputation and business.

We license our trademarks to third parties for various products. While we enter into comprehensive licensing agreements with our licensees covering product design, product quality, sourcing, manufacturing, marketing and other requirements, our licensees may not comply fully with those agreements. Non-compliance could include marketing products under our brand name that do not meet our quality and other requirements, which could harm our brand equity, reputation and business.

Our store licensing and other arrangements may not be successful and could impair the value of our brand.

Our license agreement with EABG provides for EABG to build and operate Frederick's of Hollywood stores in the Middle East. We have no prior experience operating through this type of third party arrangement, and it may not be successful. The effect of this type of arrangement on our business and results of operations remains uncertain and depends upon various factors, including the demand for our products in new markets internationally. In addition, certain aspects of this arrangement are not directly within our control, such as the ability of EABG to meet its projections regarding store openings and sales. Moreover, while the agreement may provide us with certain termination rights, to the extent that EABG does not operate its stores in a manner consistent with our brand and store concepts, the value of our brand could be impaired. In addition, our failure to comply with applicable laws and regulations in connection with this agreement could have an adverse effect on our results of operations.

Any material disruption of our information systems could disrupt our business and reduce our sales.

We rely on various information technology systems to manage our operations. We may experience operational problems with our information systems as a result of system failures, viruses, computer hackers or other causes. Any material disruption or slowdown of our systems, including a disruption or slowdown caused by our failure to successfully upgrade our systems, could cause information, including data related to customer orders, to be lost or

delayed which could result in delays in the delivery of merchandise to our stores and customers or lost sales, which could reduce demand for our merchandise and cause our sales to decline. Moreover, we may not be successful in developing or acquiring technology that is competitive and responsive to the needs of our customers and might lack sufficient resources to make the necessary investments in technology to compete with our competitors. Accordingly, if changes in technology cause our information systems to become obsolete, or if our information systems are inadequate to handle our business requirements, we could lose customers.

The processing, storage and use of personal data could give rise to liabilities as a result of governmental regulation, conflicting legal requirements or differing views of personal privacy rights.

The collection of data and processing of transactions through our e-commerce website and our outsourced customer contact center require us to receive and store a large amount of personally identifiable data. This type of data is subject to legislation and regulation in various jurisdictions. We may become exposed to

F-1-9

TABLE OF CONTENTS

potential liabilities with respect to the data that we collect, manage and process, and may incur legal costs if our information security policies and procedures are not effective or if we are required to defend our methods of collection, processing and storage of personal data. Future investigations, lawsuits or adverse publicity relating to our methods of handling personal data could adversely affect our business, financial condition and results of operations due to the costs and negative market reaction relating to such developments.

Our collection and remittance of sales and use tax may be subject to audit and may expose us to liabilities for unpaid sales or use taxes, interest and penalties on past sales.

Our Direct business collects and pays sales tax to the relevant state taxing authority on sales made to residents in any state in which we have a physical presence. It is possible that one or more states may disagree with our method of assessing and remitting these taxes, including sales taxes on Direct sales. We expect to challenge any and all future assertions by state governmental authorities or private litigants that we owe sales or use tax, but we may not prevail. If we do not prevail, we could be held liable for additional sales and use taxes, interest and penalties which could have an adverse effect on our profitability.

We could be sued for infringement, which could force us to incur substantial costs and devote significant resources to defend the litigation.

We use many trademarks and product designs in our business and believe these trademarks and product designs are important to our business, competitive position and success. As appropriate, we rely on trademark and copyright laws to protect these designs even if not formally registered as marks, copyrights or designs. Third parties may sue us for alleged infringement of their proprietary rights. The party claiming infringement might have greater resources than us to pursue its claims, and we could be forced to incur substantial costs and devote significant management resources to defend the litigation. Moreover, if the party claiming infringement were to prevail, we could be forced to discontinue the use of the related trademark, patent or design and/or pay significant damages, or to enter into expensive royalty or licensing arrangements with the prevailing party, assuming these royalty or licensing arrangements are available at all on an economically feasible basis, which they may not be.

If we cannot protect our trademarks and other proprietary intellectual property rights, our business may be adversely affected.

We may experience difficulty in effectively limiting unauthorized use of our trademarks and product designs worldwide, which may cause significant damage to our brand name and our ability to effectively represent ourselves to our agents, suppliers, vendors and/or customers. We may not be successful in enforcing our trademark and other proprietary rights and there can be no assurance that we will be adequately protected in all countries or that we will prevail when defending our trademark and proprietary rights.

Because our common stock is quoted on the OTCQB instead of an exchange or national quotation system, our shareholders may have more difficulty selling their stock or may experience negative volatility in the market price of our stock.

Our common stock is traded on the OTCQB, which is subject to greater volatility than a national exchange or quotation system. This volatility may be caused by a variety of factors, including the lack of readily available price quotations, the absence of consistent administrative supervision of bid and ask quotations, lower trading volume, and market conditions. Our shareholders may experience high fluctuations in the market price and volume of the trading market for our common stock. These fluctuations, when they occur, have a negative effect on the market price for our common stock. Accordingly, our shareholders may not be able to realize a fair price from the sale of their shares or may have to hold their shares for a substantial period of time.

ITEM 2. PROPERTIES

We lease approximately 23,000 square feet of space for our principal executive offices at 6255 Sunset Boulevard, Hollywood, CA for an annual base rent of approximately \$742,000 pursuant to a lease that expires in February 2015.

We lease approximately 37,000 square feet of space for our distribution and customer contact center at 5005 S. 40th Street, Phoenix, AZ for an annual base rent of approximately \$252,000 pursuant to a lease that expires in March 2018.

We lease approximately 1,600 square feet of executive office space at 8 West 38th Street, New York, NY for an annual base rent of approximately \$61,000 pursuant to a lease that expires in May 2014.

Our 113 Frederick's of Hollywood stores are located in leased facilities, primarily in shopping malls, in 28 states. A substantial portion of these lease commitments consist of store leases with an initial term of ten years. The leases expire at various dates between 2013 and 2020, with some leases currently operating on a month-to-month basis. Rental terms for new locations often include a fixed minimum rent plus a percentage of sales in excess of a specified amount. We typically pay certain operating costs such as common area maintenance, utilities, insurance and taxes. We will continue to close certain underperforming stores upon the expiration of their respective leases. See

Business Store Operations.

The following table sets forth the locations of Frederick's of Hollywood stores as of July 27, 2013.

Michigan 3 Minnesota 2 Missouri 1 Nevada 5 New Hampshire 1 New Jersey 1 New Mexico 1 New York 5 Ohio 3 Oklahoma 2

Oregon 2 Pennsylvania 1 South Carolina 1 Tennessee 1 Texas 12 Virginia 1 Washington 1 Wisconsin 1

Typically, when space is leased for a store in a mall shopping center, all improvements, including interior walls, floors, ceilings, fixtures and decorations are performed by contractors designated by Frederick's of Hollywood. The cost of improvements varies widely, depending on the design, size and location of the store. As a lease incentive in certain cases, the landlord of the property may provide a construction allowance to fund all, or a portion, of the cost of improvements.

We believe that our facilities are adequate for our current and reasonably foreseeable future needs and that our properties are in good condition and suitable to conduct our business.

ITEM 3. LEGAL PROCEEDINGS

On February 2, 2012, a former California store employee filed a purported class action lawsuit in the California Superior Court, County of San Francisco, naming Frederick's of Hollywood, Inc., one of our subsidiaries, as a defendant (Michelle Weber, on behalf of herself and all others similarly situated v. Frederick's of Hollywood, Inc., Case No. CGC-12-517909). The complaint alleged, among other things, violations of the California Labor Code,

failure to pay overtime, failure to provide meal and rest periods and termination compensation and violations of California's Unfair Competition Law. On May 23, 2013, the parties entered into a Joint Stipulation of Settlement and Release, which was filed with the Court on May 31, 2013 and finally approved by the Court on October 2, 2013. Without admitting or denying liability, we agreed to pay a gross settlement amount of \$365,000, which was paid in full on October 10, 2013.

TABLE OF CONTENTS

On December 18, 2012, a former California store employee filed a purported class action lawsuit in the California Superior Court, County of Los Angeles, against the Company, Frederick's of Hollywood, Inc. and Frederick's of Hollywood Stores, Inc. (Kassandra Harvey-Smith, on behalf of herself and all others similarly situated v. Frederick's of Hollywood Group Inc. et al, Case No. BC497673). The complaint alleges, among other things, violations of the California Labor Code, failure to pay overtime, failure to provide meal and rest periods and termination compensation, various additional wage violations and violations of California's Unfair Competition Law. The first amended complaint seeks, among other relief, collective and class certification of the lawsuit (the class being defined as all California part-time sales associates), unspecified damages, costs and expenses, including attorneys' fees, and such other relief as the Court might find just and proper. The parties agreed to stay discovery proceedings, engaged in mediation, and on September 25, 2013, the parties entered into a Joint Stipulation of Settlement and Release. Without admitting or denying liability, we have agreed to pay a gross settlement amount of \$95,000. The hearing for the Court's preliminary approval of the settlement has not yet been scheduled, but is expected to occur within the next 60 to 90 days, after which a final approval hearing date will be set. After preliminary approval, class members will receive notice of the settlement and will have an opportunity to elect not to participate or file objections to the settlement. We expect that funding of payment of the settlement will occur in the second half of fiscal year 2014.

We also are involved from time to time in litigation incidental to our business. We believe that the outcome of such litigation will not have a material adverse effect on our results of operations or financial condition.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Overview

Frederick's of Hollywood Group Inc., through its subsidiaries, sells women's apparel and related products under its proprietary *Frederick's of Hollywood*® brand predominantly through its U.S. mall-based specialty retail stores, which are referred to as Stores, and through its catalog and website at *www.fredericks.com*, which are referred to collectively as Direct. As of July 27, 2013, we operated 113 Frederick's of Hollywood stores in 28 states.

For financial reporting purposes, we have one reportable segment representing the aggregation of our two operating segments (Stores and Direct), based on their similar economic characteristics, products and target customers. We also have store and product license agreements; however, licensing income from these agreements is currently immaterial.

Financial information for the fiscal years ended July 27, 2013 and July 28, 2012 is included in the consolidated financial statements appearing later in this report.

Critical Accounting Policies and Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the appropriate application of certain accounting policies, many of which require estimates and assumptions about future events and their impact on amounts reported in the financial statements and related notes. Since future events and their impact cannot be determined with certainty, the actual results will inevitably differ from our estimates. Such differences could be material to the financial statements.

Management believes that the application of accounting policies, and the estimates inherently required by the policies, are reasonable. These accounting policies and estimates are constantly re-evaluated, and adjustments are made when facts and circumstances dictate a change. Historically, management has found the application of accounting policies to be appropriate, and actual results generally do not differ materially from those determined using necessary estimates.

Our accounting policies are more fully described in Note 2 to the consolidated financial statements appearing later in this report. Management has identified certain critical accounting policies that are described below.

Our most significant areas of estimation and assumption are:

determination of the appropriate amount and timing of markdowns to clear unproductive or slow-moving inventory and overall inventory obsolescence;

estimation of future cash flows used to assess the recoverability of long-lived assets, including trademarks;

estimation of expected customer merchandise returns;

estimation of the net deferred income tax asset valuation allowance;

estimation of gift card breakage;

estimation of our warrant liability; and

capitalization of deferred catalog costs and the estimated amount of future benefit to be derived from the catalogs.

Revenue Recognition We record revenue for Stores at the point at which the customer receives and pays for the merchandise at the register. For Direct sales, goods are shipped to the customer when payment is made and we record the revenue at the time that we estimate the customer receives the merchandise. We estimate and defer revenue and

the related product costs for shipments that are in transit to the customer. Customers typically receive goods within a few days of shipment. Outbound shipping charges billed to customers are included in net sales. We record an allowance for estimated returns from our customers in the

period of sale based on prior experience. At July 27, 2013 and July 28, 2012, the allowance for estimated returns was \$559,000 and \$665,000, respectively. If actual returns are greater than expected, additional sales returns may be recorded in the future. Historically, management has found its return reserve to be appropriate, and actual results generally do not differ materially from those determined using necessary estimates. Sales are recorded net of sales taxes collected from customers at the time of the transaction.

Merchandise Inventories Stores inventories are valued at the lower of cost or market using the first-in, first-out (FIFO) method, and Direct inventories are valued at the lower of cost or market, on an average cost basis that approximates the FIFO method. Stores and Direct inventories consist entirely of finished goods. Freight costs are included in inventory and vendor allowances are recorded as a reduction in inventory cost.

These inventory methods inherently require management judgments and estimates, such as the amount and timing of permanent markdowns to clear unproductive or slow-moving inventory, which may impact the ending inventory valuations and gross margins. Markdowns are recorded when the sales value of the inventory has diminished. Factors considered in the determination of permanent markdowns include current and anticipated demand, customer preferences, age of the merchandise, and fashion trends. We reserve for the difference between the cost of inventory and the estimated market value based upon assumptions about future demand, market conditions, and the age of the inventory. If actual market conditions are less favorable than those projected by management, additional inventory reserves may be required. Markdown allowances received from vendors are reflected as reductions to cost of sales in the period they are received if these allowances are received after goods have been sold or marked down. When markdown allowances are received prior to the sale or markdown, the allowance will be recognized as a reduction in the cost basis of the inventory. Markdown allowances received from vendors and recorded as a reduction of the cost basis of the inventory were \$34,000 and \$223,000 as of July 27, 2013 and July 28, 2012, respectively. Historically, management has found its inventory reserves to be appropriate, and actual results generally do not differ materially from those determined using necessary estimates. Inventory reserves were \$939,000 and \$628,000 at July 27, 2013 and July 28, 2012, respectively.

Deferred Catalog Costs Deferred catalog costs represent direct-response advertising that is capitalized and amortized over its expected period of future benefit. The capitalized costs of the advertising are amortized over the expected revenue stream following the mailing of the respective catalog, which is generally less than three months.

The realizability of the deferred catalog costs are also evaluated as of each balance sheet date by comparing the capitalized costs for each catalog, on a catalog by catalog basis, to the probable remaining future gross profit of the related revenue. Direct-response advertising costs of \$370,000 and \$564,000 are included in prepaid expenses and other current assets in the accompanying consolidated balance sheets at July 27, 2013 and July 28, 2012, respectively. Management believes that they have appropriately determined the expected period of future benefit as of the date of our consolidated financial statements; however, should actual sales results differ from expected sales, deferred catalog costs may be written off on an accelerated basis.

Impairment of Long-Lived Assets We review long-lived assets, including property and equipment, for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable based on undiscounted cash flows. If long-lived assets are impaired, an impairment loss is recognized and is measured as the amount by which the carrying value exceeds the estimated fair value of the assets. The estimation of future undiscounted cash flows from operating activities requires significant estimates of factors that include future sales growth and gross margin performance. Management believes they have appropriately estimated future cash flows and operating performance; however, should actual results differ from those expected, additional impairment may be required. For the year ended July 27, 2013, we recorded impairment charges for property and equipment of \$2,184,000. We did not record any impairment charges for the year ended July 28, 2012.

Intangible Assets We have certain indefinite lived intangible assets, principally the Frederick's of Hollywood trade name and domain names. Our intangible assets are comprised of \$18,090,000 attributable to our trademarks and \$169,000 to our domain names as of July 27, 2013 and July 28, 2012. Applicable accounting guidance requires us to not amortize indefinite life intangible assets, but to test those intangible

assets for impairment annually and between annual tests when circumstances or events have occurred that may indicate a potential impairment has occurred. The fair value of the trademarks was determined using the relief-from-royalty method. The relief-from-royalty method estimates the royalty expense that could be avoided in the operating business as a result of owning the respective asset or technology. The royalty savings are measured, tax-effected and, thereafter, converted to present value with a discount rate that considers the risk associated with owning the intangible asset. No impairment was present and no write-down was required when the trademarks were reviewed for impairment in connection with the annual impairment test.

Income Taxes Income taxes are accounted for under an asset and liability approach that requires the recognition of deferred income tax assets and liabilities for the expected future consequences of events that have been recognized in our financial statements and income tax returns. We provide a valuation allowance for deferred income tax assets when it is considered more likely than not that all or a portion of such deferred income tax assets will not be realized.

Results of Operations

Management considers certain key indicators when reviewing our results of operations and liquidity and capital resources. One key operating metric is the performance of comparable store sales, which are the net merchandise sales of stores that have been open at least one complete year. Because our results of operations are subject to seasonal variations, retail sales are reviewed against comparable store sales for the similar period in the prior year. A material factor that we consider when reviewing sales is the gross profit percentage. We also consider our selling, general and administrative expenses as a key indicator in evaluating our financial performance. Inventory and our outstanding borrowings are the main indicators we consider when we review our liquidity and capital resources, particularly the size and age of the inventory. We review all of our key indicators against the prior year and our operating projections in order to evaluate our operating performance and financial condition.

The following table shows each specified item as a dollar amount and as a percentage of net sales in each fiscal period, and should be read in conjunction with the consolidated financial statements included later in this report (in thousands, except for percentages, which percentages may not add due to rounding):
