ANNUAL MEETING OF STOCKHOLDERS

To be held on Tuesday, June 24, 2014, 11:00 a.m.

Raging Capital Management, LLC,

10 Princeton Ave.

Rocky Hill, NJ 08553-0228

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

Why am I receiving this Proxy Statement?

This proxy statement describes the proposals on which our Board of Directors would like you, as a stockholder, to vote at our 2014 Annual Meeting of the Stockholders, which will take place on Tuesday, June 24, 2014 at 11:00 a.m. local time at Raging Capital Management, LLC, 10 Princeton Ave., Rocky Hill, NJ 08553-0228.

This proxy statement also gives you information on these proposals so that you can make an informed decision. We intend to mail this proxy statement and accompanying proxy card on or about May 19, 2014, to all stockholders of record entitled to vote at the Meeting.

In this proxy statement, we refer to SMG Indium Resources Ltd. as the “Company”, “we”, “us” or “our.”

Who can vote at the annual meeting of stockholders?

Stockholders who owned shares of our common stock, par value \$.001 per share (“**Common Stock**”), at the close of business on April 28, 2014 (the “**Record Date**”) may attend and vote at the Meeting. Each share is entitled to one vote. There were 8,561,997 shares of Common Stock outstanding at the close of business on the Record Date. All shares of Common Stock shall have one vote per share and vote together as a single class. Information about the stockholdings of our directors and executive officers is contained in the section of this proxy statement entitled “Beneficial Ownership of Principal Stockholders, Officers and Directors” on page 28 of this proxy statement.

What is the proxy card?

The proxy card enables you to appoint Ailon Z. Grushkin, our President, and/or Richard Biele, our Secretary and Chief Operating Officer, as your representative at the Meeting. By completing and returning the proxy card as described herein, you are authorizing these persons to vote your shares at the Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Meeting. Even if you plan to attend the Meeting, we think that it is a good idea to complete and return your proxy card before the Meeting date just in case your plans change. If a proposal comes up for vote at the Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

What am I voting on?

You are being asked to vote on: (i) the election of our directors, Ailon Z. Grushkin, William C. Martin, Frederick C. Wasch, Allan J. Young and Fred Arena to terms of one (1) year, (ii) the approval (on a non-binding basis) of the compensation of our named executive officers, (iii) the frequency of the advisory vote on compensation of our named executive officers, and (iv) the ratification of the appointment of KPMG LLP, our independent registered public accounting firm for the year ending December 31, 2014. We may also transact such other business that properly comes before the Meeting.

How does the Board of Directors recommend that I vote?

Our Board of Directors unanimously recommends that the stockholders vote “FOR” the election of the director nominees, “FOR” the approval of the compensation of our named executive officers, for the advisory vote on the frequency of the advisory vote on the compensation of our named executive officers every “THREE YEARS”, and “FOR”

the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Some of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If, on the Record Date, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are a “stockholder of record” who may vote at the Meeting, and we are sending these proxy materials directly to you. As the stockholder of record, you have the right to direct the voting of your shares by returning the enclosed proxy card to us or to vote in person at the Meeting. Whether or not you plan to attend the Meeting, please complete, date and sign the enclosed proxy card to ensure that your vote is counted.

Beneficial Owner

If, at the close of business on the Record Date, your shares were held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held “in street name,” and these proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record for purposes of voting at the Meeting. As the beneficial owner, you have the right to direct your broker on how to vote your shares and to attend the Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you receive a valid proxy from your brokerage firm, bank or other nominee holder. To obtain a valid proxy, you must make a special request of your brokerage firm, bank or other nominee holder. If you do not make this request, you can still vote by using the voting instruction card enclosed with this proxy statement; however, you will not be able to vote in person at the Meeting.

How do I vote?

(1) You may vote by mail. You may vote by mail by completing, signing and dating your proxy card and returning it in the enclosed, postage-paid and addressed envelope. If we receive your proxy card prior to the Meeting and if you mark your voting instructions on the proxy card, your shares will be voted:

· as you instruct, and

· according to the best judgment of the proxies if a proposal comes up for a vote at the Meeting that is not on the proxy card.

If you return a signed card, but do not provide voting instructions, your shares will be voted:

· for the election of all director nominees;

· for the approval of the compensation of our named executive officers;

· for the advisory vote on the frequency of the advisory vote on compensation of our named executive officers every three years;

· to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014; and

· according to the best judgment of either Mr. Grushkin or Mr. Biele, if a proposal comes up for a vote at the Meeting that is not on the proxy card.

(2) You may vote in person at the Meeting. We will pass out written ballots to anyone who wants to vote at the Meeting. However, if you hold your shares in street name, you must bring to the Meeting a valid proxy from the broker, bank or other nominee holding your shares that confirms your beneficial ownership of the shares and gives you the right to vote your shares. Holding shares in street name means you hold them through a brokerage firm, bank or other nominee, and therefore the shares are not held in your individual name. We encourage you to examine your proxy card closely to make sure you are voting all of your shares in the Company.

What does it mean if I receive more than one proxy card?

You may have multiple accounts at the transfer agent and/or with brokerage firms. Please sign and return all proxy cards to ensure that all of your shares are voted.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Meeting. You may do this by:

- sending a written notice to the Secretary of the Company stating that you would like to revoke your proxy of a particular date;
- signing another proxy card with a later date and returning it before the polls close at the Meeting; or
- attending the Meeting and voting in person.

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee, you must instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee. If your shares are held in street name, and you wish to attend the annual meeting and vote at the Meeting, you must bring to the Meeting a legal proxy from the broker, bank or other nominee holding your shares, confirming your beneficial ownership of the shares and giving you the right to vote your shares.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in street name or in your name and you do not sign and return your proxy card, your shares will not be voted unless you vote in person at the Meeting. “Broker non-votes,” which occur when brokers are prohibited from exercising discretionary voting authority for beneficial owners who have not provided voting instructions, will not be counted for the purpose of determining the number of shares present in person or by proxy on a voting matter and will have no effect on the outcome of the vote. Brokers who hold shares in street name may vote on behalf of beneficial owners with respect to Proposal 4 only.

How many votes are required to elect Ailon Z. Grushkin, William C. Martin, Frederick C. Wasch, Allan J. Young and Fred Arena as directors?

The affirmative vote of a plurality of the votes cast at the Meeting are required to elect Ailon Z. Grushkin, William C. Martin, Frederick C. Wasch, Allan J. Young and Fred Arena as directors. A plurality means that the nominees with

the largest number of votes are elected as directors, up to the maximum number of directors to be chosen at the Meeting.

How many votes are required to approve the compensation of our named executive officers?

The affirmative vote of a majority of the votes cast at the Meeting will determine, on an advisory basis, the approval of the compensation of our named executive officers. An abstention will have no effect on the outcome of the vote, as it will not be counted as a vote cast. If your broker holds your shares in “street name,” and if you do not vote your shares, your brokerage firm does not have authority to vote your unvoted shares held by the firm because this matter is considered to be non-routine. If your broker cannot vote your shares on matters such as these because it does not have instructions from you or discretionary voting authority on that matter, this is referred to as a “broker non-vote.” Broker non-votes will have no effect on the outcome of the vote.

How many votes are required to select the frequency with which the advisory vote on the compensation of our named executive officers is held?

The affirmative vote of a majority of the votes cast at the Meeting will determine, on an advisory basis, whether we will conduct an advisory vote on the compensation of our named executive officers every one, two, or three years. However, because this vote is advisory and is not binding on our Board of Directors, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders. Abstentions and broker non-votes will not be counted and, accordingly, will have no effect on the outcome of the vote on this proposal. Because there are three options for this proposal, it is possible that none of the options will receive a majority vote. In that case, the Board will nevertheless carefully consider the stockholder preferences indicated by the vote.

How many votes are required to ratify the appointment of Company’s independent registered public accounting firm.

The affirmative vote of a majority of the votes cast at the Meeting are required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014.

What happens if I don’t indicate how to vote my proxy?

If you just sign your proxy card without providing further instructions, your shares will be counted as a “for” vote for all of the nominees for directors, for the approval of an advisory vote on the compensation of our named executive

officers every three years, and all other proposals being placed before our stockholders at the Meeting.

Where do I find the voting results of the Meeting?

We will announce voting results at the Meeting, and following the Meeting we will file a Current Report on Form 8-K announcing the voting results of the Meeting.

Who can help answer my questions?

You can contact our Secretary and Chief Operating Officer, Mr. Richard Biele, at (212) 984-0635 or by sending a letter to Mr. Biele at offices of the Company at 100 Park Avenue, 16th Floor, New York, New York 10017, with any questions about proposals described in this proxy statement or how to execute your vote.

Any other matters that may be acted upon at the Meeting will be determined by the affirmative vote of the holders of a majority of the shares of our common stock represented in person or by proxy at the Meeting and entitled to vote on the matter. Board Composition

Our certificate of incorporation, as amended, and bylaws provide that the authorized number of directors may be changed only by resolution of the board of directors. We currently have five directors with each director serving a one-year term. At each annual meeting of stockholders, the successors to the directors will be elected to serve until the next annual meeting following the election.

Director Independence

Our Board has reviewed the materiality of any relationship that each of our directors has with us, either directly or indirectly. Based on this review, the Board has determined that Messrs. Arena, Wasch and Young are “independent directors” under the NASDAQ independence standards.

Meetings of the Board of Directors

In 2013, the board of directors met three times telephonically. Each incumbent director attended at least 75% of the total number of meetings of the board of directors and all committees of the board on which such director served. All of our directors attended our 2012 annual meeting of stockholders. Directors are encouraged, but are not required, to attend our annual meeting of stockholders.

Board Committees

Our Board currently has three standing committees: Audit Committee, Nominating and Governance Committee, and a Compensation Committee, each of which is described below. All standing committees operate under charters that have been approved by the Board. Copies of the charters of the Audit Committee, Compensation Committee and the Nominating and Governance Committee can be found on our Internet site www.smg-indium.com.

Audit Committee. Our Audit Committee was composed of Fred Arena (Chairman), Mark Stephen Neuhof and Patrick James (P.J.) Richardson through December 9, 2013. Currently, the Audit Committee is composed of Fred Arena (Chairman), Frederick Wasch and Allan Young. All members of our Audit Committee are independent as defined in the NASDAQ rules. In addition, the Board of Directors has determined that Fred Arena satisfies the SEC’s criteria for an “audit committee financial expert.” The Audit Committee met four times telephonically during 2013. Each committee member was present for at least 75% of the Audit Committee meetings held during such director’s tenure as a member of the Audit Committee. Our Audit Committee oversees our corporate accounting, financial reporting practices and the annual audit and quarterly reviews of the financial statements. For this purpose the Audit Committee has a charter (which is reviewed annually) and performs several functions.

The Audit Committee's primary functions are:

- assist the Board in monitoring the integrity of our financial statements;
- appoint and retain the independent registered public accounting firm to conduct the annual audit and quarterly reviews of our books and records and review the firm's independence;
- review the proposed scope and results of the audit and discuss required communications in connection with the audit;
- review and pre-approve the independent registered public accounting firm's audit and non-audit services rendered;
- review accounting and financial controls with the independent registered public accounting firm and our financial and accounting staff;
- meet regularly with the independent registered public accounting firm without management present;
 - recognize and prevent prohibited non-audit services;
- establish procedures for complaints received by us regarding accounting matters;
- review, pass on the fairness of, and approve "related-party transactions" as required by and in conformance with the rules and regulations of Nasdaq or the SEC;
- establish procedures for the identification of management of potential conflicts of interest, and review and approve any transactions where such potential conflicts have been identified; and
- prepare the report of the audit committee that SEC rules require to be included in our annual meeting proxy statement.

Compensation Committee. Our Compensation Committee was composed of Mr. P.J. Richardson (Chairman), Mr. Fred Arena and Mr. Mark Stephen Neuhof through December 9, 2013. Currently, the Compensation Committee is composed of Fred Arena, Frederick Wasch (Chairman) and Allan Young. The Compensation Committee did not meet during 2013 and has a charter that is reviewed annually. Our Compensation Committee's primary functions are:

• review and recommend the compensation arrangements for management, including the compensation for our chief executive officer;

• establish and review general compensation policies with the objective to attract and retain superior talent, to reward individual performance and to achieve our financial goals;

• approve and oversee reimbursement policies for directors, executive officers and key employees;

• administer our stock incentive plan;

• review and discuss the compensation discussion and analysis prepared by management to be included in our annual report, proxy statement or any other applicable filings as required by the SEC; and

• prepare the report of the compensation committee that SEC rules require to be included in our annual meeting proxy statement.

Decisions regarding executive compensation are ultimately determined by the Board upon recommendations of the Compensation Committee, which reviews a number of factors in its decisions, including market information about the compensation of executive officers at similar-sized companies within our industry and geographic region, and recommendations from our Chief Executive Officer. The Compensation Committee may consult external compensation consultants to assist with the recommendation of executive compensation. The Compensation Committee did not utilize the services of an external compensation consultant in 2013.

Non-executive director compensation is determined by the entire Board after review and approval by the Compensation Committee. For further information regarding the 2013 director compensation program, please see “Director Compensation” below.

Nominating and Governance Committee. Our Nominating and Governance Committee was composed of Messrs. P.J. Richardson (Chairman), Mark Stephen Neuhof and Fred Arena through December 9, 2013. Currently, the Nominating and Governance Committee is composed of William Martin (Chairman), Fred Arena, Frederick Wasch and Allan Young. The Nominating and Governance Committee did not meet in 2013. The Nominating and Governance Committee has a charter which is reviewed annually.

Our Nominating and Governance Committee's primary functions are:

- identify the appropriate size, functioning and needs of and nominate members of the board of directors;
- develop and recommend to the board of directors a set of corporate governance principles applicable to our company and review at least annually our code of conduct and ethics;
- review and maintain oversight of matters relating to the independence of our board and committee member, in light of the independence standards of the Sarbanes-Oxley Act of 2002 and the rules of the NASDAQ Stock Market; and
- oversee the evaluation of the board of directors and management.

The Nominating and Governance Committee recommends to the Board of Directors candidates for nomination to the Board of Directors. When considering individuals to recommend for nomination as directors, our Nominating and Governance Committee seeks persons who possess the following characteristics: integrity, education, commitment to the Board of Directors, business judgment, relevant business experience, diversity, reputation, and high performance standards. While the Board values a diversity of viewpoints and backgrounds, it does not have a formal policy regarding the consideration of diversity in identifying director nominees. The Nominating and Governance Committee may engage the services of third party search firms to assist in identifying and assessing the qualifications of director candidates. During 2013, the Nominating and Governance Committee did not pay any fees to third parties to assist in the identification of Director nominees.

The Nominating and Governance Committee will consider recommendations for director candidates from stockholders, provided that the stockholder submits the director nominee and reasonable supporting material concerning the nominee by the due date for a stockholder proposal to be included in the Company's Proxy Statement for the applicable annual meeting as set forth in Section 2.14 of the Company's Bylaws and the rules of the SEC then in effect. See "Shareholder Proposals and Director Nominations" below. During 2013, we did not receive any director nominations from stockholders.

The Nominating and Governance Committee will consider properly and timely submitted director candidates recommended by stockholders of the Company. Stockholders who wish to suggest qualified candidates for election to the Board should write to the Company's headquarters' address, Attn: Richard Biele. These recommendations should include detailed biographical information concerning the nominee, his or her qualifications to be a member of the Board and a description of any relationship the nominee has to other stockholders of the Company. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation. For further information regarding the timeliness of submitting recommendations for director candidates, see "Deadline for Submission of Stockholder Proposals for 2015 Annual Meeting of Stockholders."

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors evaluates its leadership structure and role in risk oversight on an ongoing basis. Since our initial public offering in 2011, our leadership structure has divided the roles of Chairman of the Board of Directors, Chief Executive Officer and the President into two positions. Through December 9, 2013, Alan Benjamin served as Chairman of the Board of Directors and Chief Executive Officer while Ailon Z. Grushkin served as our President. Currently, Ailon Grushkin serves as Chairman of the Board and President and Alan Benjamin serves as Chief Executive Officer. Our Board of Directors determines what leadership structure it deems appropriate based on factors such as the experience of the applicable individuals, the current business environment of the Company and other relevant factors. After considering these factors, our Board of Directors has determined that the individual roles of Chairman of the Board of Directors and Chief Executive Officer, and President, are an appropriate board leadership structure for our company at this time.

The Board of Directors is also responsible for oversight of our risk management practices, while management is responsible for the day-to-day risk management processes. This division of responsibilities is the most effective approach for addressing the risks facing the Company, and the Company's board leadership structure supports this approach. Through our Chief Executive Officer and President, and other members of management, the Board of Directors receives periodic reports regarding the risks facing the Company. In addition, the Audit Committee assists the Board of Directors in its oversight role by receiving periodic reports regarding our risk and control environment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our directors, executive officers and persons who beneficially own more than ten percent of our Common Stock file with the SEC initial reports of their ownership of our common stock and reports of changes in such ownership.

Based solely upon a review of copies of Section 16(a) reports and representations received by us from reporting persons, and without conducting any independent investigation of our own, in fiscal year 2013, all of these filing requirements were satisfied.

Corporate Code of Conduct and Ethics

We have adopted a corporate Code of Conduct and Ethics which is reviewed annually. The text of our Code of Conduct and Ethics, which applies to our officers and each member of our Board, is posted in the “Corporate Governance” section of our website, www.smg-indium.com. We intend to satisfy 5.05 of Form 8-K regarding any amendments to, or waiver from, a provision of our Code of Conduct and Ethics by posting such information on our website, www.smg-indium.com. A copy of our Code of Conduct and Ethics is also available in print; free of charge, upon written request to 100 Park Avenue, 16th Floor, New York, New York 10017, Attn: Richard Biele.

Our website is not a part of this proxy statement; references to our website address in this proxy statement are intended to be inactive textual references only.

As amended in July 2010, a maximum of 1,000,000 shares of Common Stock has been reserved for issuance under this plan. The plan expires on January 31, 2018. Our Board has authorized our Compensation Committee to administer our plan. In connection with the administration of our 2008 Long-Term Incentive Compensation Plan, the Compensation Committee, with respect to awards to be made to any person who is not one of our directors, will:

- determine which employees and other persons will be granted awards under our 2008 Long-Term Incentive Compensation Plan;

- grant the awards to those selected to participate;

- determine the exercise price for options; and

- prescribe any limitations, restrictions and conditions upon any awards, including the vesting conditions of awards.

With respect to stock options or restricted stock awards to be made to any of our directors, the Compensation Committee will make recommendations to our Board as to:

- which of such persons should be granted stock options, restricted stock awards, performance units or stock appreciation rights;

- the terms of proposed grants of awards to those selected by our Board to participate;

- the exercise price for options; and

- any limitations, restrictions and conditions upon any awards.

Any grant of awards to any of directors under our 2008 Long-Term Incentive Compensation Plan must be approved by our Board. In addition, the Compensation Committee will:

- interpret our 2008 Long-Term Incentive Compensation Plan; and

- make all other determinations and take all other action that may be necessary or advisable to implement and administer our 2008 Long-Term Incentive Compensation Plan.

Our Board may amend our Long-Term Incentive Compensation Plan at any time. However, without stockholder approval, our 2008 Long-Term Incentive Compensation Plan may not be amended in a manner that would:

- increase the number of shares that may be issued under our 2008 Long-Term Incentive Compensation Plan;
- materially modify the requirements for eligibility for participation in our 2008 Long-Term Incentive Compensation Plan;
- materially increase the benefits to participants provided by our 2008 Long-Term Incentive Compensation Plan; or
- otherwise disqualify our 2008 Long-Term Incentive Compensation Plan for coverage under Rule 16b-3 promulgated under the Exchange Act.

Awards previously granted under our 2008 Long-Term Incentive Compensation Plan may not be impaired or affected by any amendment of our 2008 Long-Term Incentive Compensation Plan, without the consent of the affected grantees.

Transferability

With the exception of Non-Qualified Stock Options, awards are not transferable other than by will or by the laws of descent and distribution. Non-Qualified Stock Options are transferable on a limited basis. Restricted stock awards are not transferable during the restriction period.

Change of Control Event

The 2008 Long-Term Incentive Compensation Plan provides that in the event of a change of control the Board shall have the discretion to determine whether, and to what extent to, accelerate the vesting, exercise or payment of an Award.

Termination of Employment/Relationship

Awards granted under our 2008 Long-Term Incentive Compensation Plan that have not vested will generally terminate immediately upon the grantee's termination of employment or business relationship with us or any of our subsidiaries for any reason other than retirement with our consent, disability or death. The Board or a committee of the Board may determine at the time of the grant that an award agreement should contain provisions permitting the grantee to exercise the stock options for any stated period after such termination, or for any period the Board or a committee of the Board determines to be advisable after the grantee's employment or business relationship with us terminates by reason of retirement, disability, death or termination without cause. Incentive Stock Options will, however, terminate no more than three months after termination of the optionee's employment, twelve months after termination of the optionee's employment due to disability and three years after termination of the optionee's employment due to death. The Board or a committee of the Board may permit a deceased optionee's stock options to be exercised by the optionee's executor or heirs during a period acceptable to the Board or a committee of the Board following the date of the optionee's death but such exercise must occur prior to the expiration date of the stock option.

Dilution; Substitution

As described above, our 2008 Long-Term Incentive Compensation Plan will provide protection against substantial dilution or enlargement of the rights granted to holders of awards in the event of stock splits, recapitalizations, asset acquisitions, consolidations, reorganizations or similar transactions. New award rights may, but need not, be substituted for the awards granted under our 2008 Long-Term Incentive Compensation Plan, or our obligations with respect to awards outstanding under our 2008 Long-Term Incentive Compensation Plan may, but need not, be assumed by another corporation in connection with any asset acquisition, consolidation, acquisition, separation, reorganization, sale or distribution of assets, liquidation or like occurrence in which we are involved. In the event that our 2008 Long-Term Incentive Compensation Plan is assumed, the stock issuable with respect to awards previously granted under our 2008 Long-Term Incentive Compensation Plan shall thereafter include the stock of the corporation granting such new option rights or assuming our obligations under the 2008 Long-Term Incentive Compensation Plan.

THE BOARD RECOMMENDS A VOTE "FOR" THE ELECTION OF AILON Z. GRUSHKIN, WILLIAM C. MARTIN, FREDERICK C. WASCH, ALLAN J. YOUNG and Fred Arena TO SERVE AS DIRECTORS FOR A TERM OF ONE YEAR.

PROPOSAL 2—ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS (SAY-ON-PAY)

The Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, requires that our stockholders have the opportunity to cast an advisory (non-binding) vote on executive compensation at the Meeting, commonly referred to as a “Say-on-Pay” vote.

The advisory vote on executive compensation is a non-binding vote on the compensation of our “named executive officers,” as described in the tabular disclosure regarding such compensation and the accompanying narrative disclosure, set forth in this proxy statement.

The advisory vote on executive compensation is not a vote on our general compensation policies, the compensation of our Board of Directors, or our compensation policies as they relate to risk management. The Dodd-Frank Act requires that we hold the advisory vote on executive compensation at least once every three years.

The Compensation Committee of our Board of Directors oversees and administers our executive compensation program, including the evaluation and approval of compensation plans, policies and programs offered to our named executive officers. The Compensation Committee has designed the executive compensation program for our named executive officers to meet the following objectives:

- Ensure executive compensation is aligned with our corporate strategies and business objectives.
- Reinforce the importance of meeting and exceeding identifiable and measurable goals through superior awards for superior performance.
- Provide total direct compensation that is competitive in markets in which we compete for management talent in order to attract, retain and motivate the best possible executive talent.
- Provide an incentive for long-term continued employment with our Company.

Reinforce our desired culture and unique corporate environment by fostering a sense of ownership, urgency and overall entrepreneurial spirit.

The vote solicited by this Proposal No. 2 is advisory, and therefore is not binding on the Company, our Board of Directors or our Compensation Committee. The outcome of the vote will not require the Company, our Board of Directors or our Compensation Committee to take any action, and will not be construed as overruling any decision by the Company or the Board of Directors.

Furthermore, because this non-binding, advisory resolution primarily relates to the compensation of our named executive officers that has already been paid or contractually committed, there is generally no opportunity for us to revisit these decisions. However, our Board of Directors, including our Compensation Committee, values the opinions of our stockholders and, to the extent there is any significant vote against the executive officer compensation as disclosed in this proxy statement, we will consider our stockholders' concerns and evaluate what actions, if any, may be appropriate to address those concerns.

Stockholders will be asked at the Meeting to approve the following resolution pursuant to this Proposal No. 2:

RESOLVED, that the stockholders of SMG Indium Resources Ltd. approve, on an advisory basis, the compensation of the Company's named executive officers, disclosed pursuant to Item 402 of Regulation S-K in the Company's definitive proxy statement for the 2014 Annual Meeting.

Approval of this resolution requires the affirmative vote of a majority of the shares of SMG Indium Resources Ltd.'s common stock voted at the 2014 Annual Meeting. Abstentions and broker non-votes will not be counted and, accordingly, will have no effect on the outcome of the vote on this proposal.

THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL OF COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL 3—ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS (SAY ON FREQUENCY)

In connection with Proposal No. 2 above seeking advisory approval of our executive compensation program, the Dodd-Frank Act also requires that we include in this proxy statement a separate advisory (non-binding) stockholder vote to advise on whether the Say-on-Pay vote should occur every one, two or three years. You have the option to vote for any one of the three options, or to abstain on the matter. For the reasons described below, our Board of Directors recommends that our stockholders select a frequency of three years, or a triennial vote. We are required to solicit stockholder approval on the frequency of future Say-on-Pay proposals at least once every six years, although we may seek stockholder input more frequently.

Our Board of Directors believes that our current executive compensation programs directly link executive compensation to our financial performance and align the interests of our executive officers with those of our stockholders. Our Board of Directors believes that, of the three choices, submitting a nonbinding, advisory Say-on-Pay resolution to stockholders every three years is the most appropriate choice. Our compensation program does not change significantly from year to year and is designed to induce performance over a multi-year period. A vote held every three years would be more consistent with, and provide better input on, our long-term compensation, which constitutes a significant portion of the compensation of our named executive officers. Our Board of Directors believes that stockholder feedback every three years will be more useful as it will provide stockholders with a sufficient period of time to evaluate the overall compensation paid to our named executive officers, the components of that compensation and the effectiveness of that compensation. The amount of compensation and mix of components of such compensation in any one year may differ from year to year, and the three year period will provide stockholders with a more complete view of the amount and mix of that compensation. The triennial Say-on-Pay vote will also provide stockholders with the benefit of assessing over a period of years whether the components of the compensation paid to our named executive officers have achieved positive results for the Company. A three-year vote cycle also gives the Board and Compensation Committee sufficient time to thoughtfully consider the results of the advisory vote, to engage with stockholders to understand and respond to the vote results and effectively implement any appropriate changes to our executive compensation policies and procedures.

Our Board of Directors is aware of and took into account views that some have expressed in support of conducting an annual advisory vote on executive compensation. We are aware that some stockholders believe that annual advisory votes will enhance or reinforce accountability. However, we have in the past been, and will in the future continue to be, proactively engaged with our stockholders on a number of topics and in a number of forums. Thus, we view the advisory vote on executive compensation as an additional, but not exclusive, opportunity for our stockholders to communicate with us regarding their views on the Company's executive compensation programs. In addition, because our executive compensation programs have typically not changed materially from year to year and are designed to operate over the long-term and to enhance long-term performance, we are concerned that an annual advisory vote on executive compensation could lead to short-term perspective inappropriately bearing on our executive compensation programs. Finally, although we believe that holding an advisory vote on executive compensation every three years will reflect the right balance of considerations in the normal course, we will periodically reassess that view and can provide for an advisory vote on executive compensation on a more frequent basis if changes in our compensation programs or other circumstances suggest that a more frequent vote would be appropriate.

We understand that our stockholders may have different views as to what is the best approach for SMG Indium Resources Ltd., and we look forward to hearing from our stockholders on this proposal.

The Board of Directors will continue to engage with stockholders on executive compensation between stockholder votes.

You may cast your vote on your preferred voting frequency by choosing the option of three years, two years, one year, or abstain from voting when you vote in response to the resolution set forth below.

RESOLVED, that the stockholders of SMG Indium Resources Ltd. determine, on an advisory basis, that the frequency with which the stockholders of the Company shall have an advisory vote on executive compensation, as disclosed pursuant to the compensation disclosure rules of the SEC, is:

Choice 1—every year;

Choice 2—every two years;

Choice 3—every three years; or

Choice 4—abstain from voting.

The option of three years, two years or one year that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on the compensation of our named executive officers that has been selected by stockholders. However, because this vote is advisory and is not binding on our Board of Directors, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders. Abstentions and broker non-votes will not be counted and, accordingly, will have no effect on the outcome of the vote on this proposal.

This vote may not be construed (1) as overruling a decision by the Company or our Board of Directors or (2) to create or imply any change or addition to the fiduciary duties of the Company or our Board of Directors.

THE BOARD RECOMMENDS A VOTE FOR THE APPROVAL OF AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY “THREE YEARS”. STOCKHOLDERS ARE NOT VOTING TO APPROVE OR DISAPPROVE THE BOARD OF DIRECTORS’ RECOMMENDATION. STOCKHOLDERS MAY CHOOSE AMONG THE FOUR CHOICES INCLUDED IN THE RESOLUTION SET FORTH ABOVE.

PROPOSAL 4**RATIFICATION OF THE APPOINTMENT OF THE
COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2014**

On April 10, 2014, the Audit Committee of the Board approved the appointment of the firm of KPMG LLP (“**KPMG**”) to serve as our independent registered public accountant for our year ending December 31, 2014. The independent registered public accountant’s report of KPMG on our consolidated financial statements for the year ended December 31, 2013 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. In the event of a negative vote on this proposal by the stockholders, the Audit Committee may consider whether it is appropriate, either for this fiscal year or in the future, to consider the selection of other independent registered public accounting firms.

Audit Fees. The following table summarizes fees payable for services provided to us by our independent registered public accounting firm, which were pre-approved by the Audit Committee:

	2013	2012
Audit Fees (1):	\$90,000	\$98,000
Audit-Related Fees:	-	-
Tax Fees (2):	18,000	10,000
All Other Fees:	-	-
Total	\$108,000	\$108,000

(1) Audit fees include fees for professional services rendered for the audits of the financial statements of the Company, quarterly reviews, consents and assistance with the review of documents filed with the SEC.

(2) Tax fees include fees for tax services, including tax compliance.

The Audit Committee of the board of directors has established its preapproval policies and procedures, pursuant to which the Audit Committee approved the forgoing audit and tax services provided by KPMG. Consistent with the Audit Committee’s responsibility for engaging our independent auditors, all audit and permitted non-audit services require pre-approval by the Audit Committee. The full Audit Committee approves proposed fee estimates for these services. Pursuant to these procedures, the Audit Committee approved the foregoing audit and tax services provided by KPMG.

Changes In and Disagreements with Accountants on Accounting and Financial Disclosure. None.

A representative of KPMG may attend the Meeting, may have the opportunity to make a statement should they desire to do so and may respond to appropriate questions.

THE BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPROVAL OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2014.

Certain Relationships and Related Transactions

The following is a description of the transactions we have engaged in since January 1, 2013, with our directors and officers and beneficial owners of more than five percent of our voting securities and their affiliates.

In December 2013, we entered into an Amended and Restated Management Services Agreement with the Manager to govern the management and operations of our company. See “Management of SMG Indium Resources Ltd. — Management Services Agreement.” The members of our Manager are as follows: Ailon Z. Grushkin, our chairman and president; BRACK Advisors LLC, a New Jersey limited liability company, with the managing member being Richard A. Biele, our chief operating officer; Alan C. Benjamin, our chief executive officer and RCM Indium LLC, a Delaware limited liability company, whose members include Raging Capital Fund (QP), LP and Raging Capital Management, LLC, with the sole member being William C. Martin, our director. Specialty Metals Group Advisors LLC is managed by Ailon Z. Grushkin. Pursuant to this agreement the Manager fees during the year ended December 31, 2013 approximated \$0.6 million. For further information, see the Summary Compensation Table on page 17 and the Director Compensation Table on page 18.

We believe that all of the transactions above were made on terms no less favorable to us than could have been obtained from unaffiliated third-parties. We will not engage in any transactions with our officers, principal stockholders, or affiliates involving purchasing, lending, or selling indium to or from us, except pursuant to the terms of our Management Services Agreement.

Conflicts of Interest

None of our officers and directors are required to commit their full time to our affairs and, accordingly, they may have conflicts of interest in allocating their time among various business activities. In the course of their other business activities, our officers and directors may become aware of investment and business opportunities that may be appropriate for presentation to us as well as the other entities with which they are affiliated. They may have conflicting fiduciary duties in determining to which entity a particular business opportunity should be presented. Our officers and directors currently are, and may in the future become affiliated with additional entities that are, engaged in business activities similar to those intended to be conducted by us and, accordingly, may have conflicts of interest in determining to which entity a particular business opportunity should be presented. Such officers and directors may become subject to conflicts of interest regarding us and other business ventures in which they may be involved, which conflicts may have an adverse effect on our ability to purchase, hold and sell indium.

We have not adopted a policy that expressly prohibits our directors, officers, security holders or affiliates from having a direct or indirect pecuniary interest in any investment to be acquired or disposed of by us or in any transaction to which we are a party or have an interest. Nor do we have a policy that expressly prohibits any such persons from engaging for their own account in business activities of the types conducted by us. Accordingly, such parties may have an interest in certain transactions in which we are involved, and may also compete with us.

In general, officers and directors of a corporation incorporated under the laws of the State of Delaware are required to present business opportunities to a corporation if:

- the corporation could financially undertake the opportunity;

- the opportunity is within the corporation's line of business; and

- it would not be fair to the corporation and its stockholders for the opportunity not to be brought to the attention of the corporation.

Accordingly, as a result of multiple business affiliations, our officers and directors may have similar legal obligations relating to presenting business opportunities meeting the above-listed criteria to multiple entities. In addition, conflicts of interest may arise when our board evaluates a particular business opportunity with respect to the above-listed criteria. There is no assurance that any of the above mentioned conflicts will be resolved in our favor.

Deadline for Submission of Stockholder Proposals for 2015 Annual Meeting of Stockholders

Stockholders may present proposals intended for inclusion in our proxy statement for our 2015 Annual Meeting of Stockholders provided that such proposals are received by the Secretary of the Company on or before January 19, 2015, and otherwise in compliance with, applicable SEC regulations, and the Company's Amended and Restated Bylaws, as applicable. If we do not receive notice of any matter to be considered for presentation at the Annual Meeting of Stockholders, although not included in the proxy statement, by January 19, 2015, management proxies may confer discretionary authority to vote on the matters presented at the Annual Meeting of Stockholders by a stockholder in accordance with Rule 14a-4 under the Exchange Act.

Stockholder Communications

Stockholders wishing to communicate with the Board may direct such communications to the Board c/o the Company, 100 Park Avenue, 16th Floor, New York, New York 10017, Attn: Richard Biele. Mr. Biele will present a summary of all stockholder communications to the Board at subsequent Board meetings. The directors will have the opportunity to review the actual communications at their discretion.
