Item 4.01 Changes in Registrant's Certifying Accountant.

(a) Dismissal of Independent Registered Public Accounting Firm.

The Audit Committee (the “Audit Committee”) of the Board of Directors of Ceres, Inc. (the “Company”) has completed a competitive process to determine the Company’s independent registered public accounting firm for the fiscal year ending August 31, 2016. As a result of this process, on February 17, 2016, the Audit Committee approved and the Board of Directors (the “Board”) ratified (i) the dismissal of the Company’s independent registered public accounting firm KPMG LLP (“KPMG”) effective immediately and (ii) the engagement of Marcum LLP (“Marcum”) as the Company’s independent registered public accounting firm for the remainder of the fiscal year ending August 31, 2016.

During the Company’s two most recent fiscal years ended August 31, 2015 and August 31, 2014, and during the subsequent interim period preceding KPMG’s dismissal, there were no (i) disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused KPMG to make reference in connection with their opinion to the subject matter of the disagreement or (ii) reportable events except that in connection with the Company’s assessment of the effectiveness of internal control over financial reporting, the Company identified three material weaknesses that existed as of August 31, 2015. A further description of the material weaknesses and management’s plan of remediation can be found in the 10-K report filed with the U.S. Securities and Exchange Commission (“SEC”) on November 23, 2015.

The audit reports of KPMG on the consolidated financial statements of Ceres, Inc. as of and for the years ended August 31, 2015 and 2014, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except as follows:

KPMG’s report on the consolidated financial statements as of and for the years ended August 31, 2015 and 2014, contained a separate paragraph stating that “The Company has incurred recurring losses and expects that the current level of cash and cash equivalents will only be sufficient to fund operations until January 2016 which raises substantial doubt about its ability to continue as a going concern. Management’s plans in regard to these matters are also described in note 1. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.”

The Company provided KPMG with a copy of this Current Report on Form 8-K prior to its filing with the SEC and requested that KPMG furnish the Company with a letter addressed to the SEC stating whether or not KPMG agrees with the above statements. A copy of the letter from KPMG dated February 22, 2016 is filed with this Current Report on Form 8-K as Exhibit 16.1.

(b) Engagement of New Independent Registered Public Accounting Firm.

As set forth above, concurrent with the decision to dismiss KPMG as the Company's independent registered public accounting firm, the Audit Committee approved and the Board ratified the engagement of Marcum as the Company's new independent registered public accounting firm. During the Company's two most recent fiscal years ended August 31, 2015 and August 31, 2014, and during the subsequent interim periods preceding Marcum's engagement, neither the Company, nor anyone on its behalf, has consulted with Marcum regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report was provided to the Company nor oral advice was provided to the Company that Marcum concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Item 9.01. Financial Statements and Exhibits.
