If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

During the twelve months ended December 31, 2015, the Company generated revenues of approximately \$6,500 compared with revenues of approximately \$62,500 for the year ended December 31, 2014. The decrease in revenues is mainly attributable to a decrease in capital deployed for marketing and promotional efforts.

During the twelve months ended December 31, 2015, the Company incurred operating expenses of approximately \$1,140,000 compared with operating expenses of approximately \$1,650,000 for the year ended December 31, 2014. The decrease in operating expenses is mainly attributable to a decrease in general and administrative expenses as a result of initial operations commencing in the prior year.
