In addition, as required by Rule 12b-15 under the Exchange Act, new certificates by our principal executive officer and principal financial officer are filed as exhibits to this Amendment.

PART III**Item 11. Executive Compensation.****Summary Compensation Table**

The following table sets forth information concerning compensation for services rendered in all capacities during the fiscal years ended June 30, 2016 and June 30, 2015, if applicable, awarded to, earned by or paid to: (i) all persons that served as our Chief Executive Officer during Fiscal 2016; (ii) our three most highly compensated executive officers other than the Chief Executive Officer who were serving as executive officers at the end of Fiscal 2016; and (iii) individuals who would qualify under (ii) but for the fact that the individual was not serving as an executive officer at the end of the fiscal year, collectively referred to herein as the named executive officers. No other executive officers who would have otherwise been includable in such table on the basis of total compensation for Fiscal 2016 have been excluded by reason of their termination of employment or change in executive status during that year.

(1) Sevion's fiscal year ends on June 30.

- (2) Such amount represents actual salary paid, including such amounts deferred in connection with our 401K plan. The amounts shown are the grant date fair value of stock options granted to each named executive officer, in accordance with FASB ASC Topic 718 pursuant to the Black-Scholes pricing model. For a discussion of valuation assumptions used in the calculations, see Notes 2 and 9 of Notes to Consolidated Financial Statements included in the Annual Report on Form 10-K filed by the Company with the SEC on October 13, 2016. The grant date fair values used to calculate such compensation costs were not adjusted to take into account any estimated forfeitures.

(4) Mr. Rector was appointed as the Company's Interim Chief Executive Officer on January 9, 2015 and is a consultant of the Company.

Narrative Explanation of Certain Aspects of the Summary Compensation Table

Each of our named executive officers is eligible to receive (i) a base salary and (ii) an annual performance bonus payable in cash, stock or a combination at the discretion of the compensation committee of the board of directors, or the Compensation Committee.

Cash Compensation

The base salary for each of our named executive officers for our Fiscal 2016, is listed in the table below:

Name	Fiscal 2016 Base Salary
David Rector	\$ 60,000 (1)
Vaughn Smider, M.D., Ph.D.	\$ 40,000 (2)
James Graziano, Ph.D.	\$ 122,500 (3)
Miguel de los Rios Ph.D.	\$ 87,500 (4)

(1) From June 30, 2015 through March 22, 2016, base salary was \$180,000. Effective March 23, 2016, base salary was decreased to \$60,000.

(2) From June 30, 2015 through March 22, 2016, base salary was \$200,000. Effective March 23, 2016, base salary was decreased to \$40,000.

(3) From June 30, 2015 through March 22, 2016, base salary was \$175,000. Effective March 23, 2016, base salary was decreased to \$122,500.

(4) From June 30, 2015 through March 22, 2016, base salary was \$175,000. Effective March 23, 2016, base salary was decreased to \$87,500.

On March 23, 2016, our senior management team recommended to our board of directors that certain executive level salaries be reduced by upwards of 80%, depending on position, to support our goal of cutting expenses and preserving our cash on hand. The salary reductions listed above were a result of such decision.

The Compensation Committee determined, as a result of reviewing several factors, and primarily because of our limited cash resources reserved for research and development activities, that no bonuses were or would be granted for Fiscal 2016.

Equity Compensation

During Fiscal 2016, the Compensation Committee determined that the performance metrics for the option granted in Fiscal 2015 had not been fully met. Therefore, a percentage of the options granted in Fiscal 2015 were forfeited as follows:

Name	Original Grant Date	Original Grant	Percentage Forfeited	Options Forfeited	Grant Date Fair Value
Vaughn Smider, M.D., Ph.D.	11/18/2014	42,210	40	% 16,884	\$ 15,297
Miguel de los Rios, Ph.D.	11/18/2014	34,020	25	% 8,505	\$ 15,411
James Graziano, Ph.D.	11/18/2014	28,140	45	% 12,663	\$ 9,348

The grant date fair values used to calculate such compensation costs were not adjusted to take into account the effect of the forfeitures.

Grants of Plan-Based Awards

The Company did not grant any stock awards, option awards or equity incentive plan awards to its named executive officers during the fiscal year ended June 30, 2016.

Outstanding Equity Awards at Fiscal Year-End

The following table summarizes the equity awards we have made to our named executive officers, which remain outstanding as of June 30, 2016.

Name	Option Awards		Number of Securities Underlying Unexercised Options (#) Unexercisable	Equity Incentive Plan Awards: Number of Securities Underlying Unexercised Unearned Options (#)	Option Exercise Price (\$)	Option Expiration Date
	Grant Date	Number of Securities Underlying Unexercised Options (#) Exercisable				
David Rector						
Vaughn Smider, M.D., Ph.D.	11/18/2014	10,289	—	15,037	(1) \$ 0.83	11/18/2024
James Graziano, Ph.D.	11/18/2014	6,288	—	9,189	(1) \$ 0.83	11/18/2024
Miguel de los Rios Ph.D.	5/16/2014 11/18/2014	103,658 10,365	(2) —	9,424 15,150	(2) \$ 2.65 (1) \$ 0.83	7/9/2023 11/18/2024

Such amounts consist of performance based options with the maximum number of option shares in which the optionee may vest to be determined by the Compensation Committee within 90 days following the fiscal year-end based on achievement of performance metrics and shall vest one-quarter on the first anniversary of the date of grant with one-thirty-sixth of the balance vesting each month thereafter with continued service.

(2) 47,114 of the options were exercisable on the date of grant, with one-twenty-eighth of the balance vesting each month thereafter.

Option Exercises and Stock Vested

There were no option exercises or stock vested activity for our named executive officers during the year ended June 30, 2016.

Executive Benefits and Perquisites

In General – The named executive officers are also provided with certain market competitive benefits, described below. It is the Compensation Committee’s belief that such benefits are necessary for us to remain competitive and to attract and retain top caliber executive officers, since such benefits are typically provided by companies in the biotechnology industry and with other companies with which we compete for executive talent.

Retirement Benefits – The named executive officers may participate in our 401(k) plans administered by Sevion and Fabrus, Sevion’s wholly-owned subsidiary

Other Benefits and Perquisites – All administrative employees, including the named executive officers, are eligible to receive standard health, disability, and life insurance. We do not provide any additional benefits and perquisites.

Severance and Change in Control Benefits

Retention Policy

On October 9, 2012, our board of directors approved a Retention Policy for those officers who do not have an employment agreement as of the date of their termination (the "Policy"). Pursuant to the terms and provisions of the Policy, in the event that an officer is terminated or resigns for good reason (as such term is defined in the Policy) in connection with a change of control transaction (as such term is defined in the Policy), such officer will be entitled to receive the following (subject to the limitation discussed below):

- (i) The involuntary termination benefits provided in the officer's employment agreement, if any, including unpaid compensation and benefits.

- (ii) The full incentive bonus allocated to the officer for the calendar year in which termination occurs, as determined by the Board.

- (iii) A multiple of the officer's annual base salary: (CEO=2x, CFO=1.5x, VP R&D=1.5x, VP Clinical=1.5x, other officers=1x).

- (iv) Medical coverage with term equal to base salary continuation under the Company's group health insurance.

- (v) Allowance for all vested options to be exercisable for the remainder of each such vested option's full remaining exercise period.

- (vi) Immediate vesting of all unvested options granted to the officer.

Notwithstanding the foregoing, if the aggregate compensation set forth in clauses (i), (ii), (iii) and (iv) above to be paid to all officers exceeds 10% of the value of the transaction as determined by the parties (as reflected in a definitive agreement, including the fair market value of any publicly traded securities), or if not reflected in a definitive agreement, then as determined by a qualified, independent third party selected by our board of directors, then the

board of directors shall have the discretion to reduce such compensation pro-rata to the extent necessary to consummate the change of control transaction.

The Policy also provides that our board of directors shall have discretion to grant a termination package in the event an officer is terminated by the board without cause (as such term is defined in the Policy) or resigns for good reason (as such term is defined in the Policy).

The Compensation Committee believes that the severance benefits under the Policy provide financial protection against the potential loss of employment in designated circumstances and will allow our executive officers to focus attention on changes that are in the best interests of the stockholders, without undue concern as to each officer's own financial situation. The Compensation Committee also believes the accelerated vesting of equity awards is justified because those awards are designed to serve as the primary vehicle for the executives to accumulate financial resources for retirement. Finally, given the time periods and risks involved in pharmaceutical development, the Compensation Committee believes that the extended exercise period is an appropriate way to provide the officers with an opportunity to realize financial gains from decisions made during his or her tenure as an officer.

Executive Compensation Agreements

Consulting Agreement

On January 9, 2015, we entered into a consulting agreement with The David Stephen Group LLC, an entity controlled by David Rector, our interim President and Chief Executive Officer, setting forth Mr. Rector's monthly compensation amount for the provision of his services as our interim President and Chief Executive Officer, as well as certain other standard provisions, such as confidentiality and invention assignment. Effective as of March 23, 2016, our consulting agreement with The David Stephen Group LLC was amended to reflect a reduction in the compensation payable under such agreement.

Director Compensation

We pay our non-employee directors cash compensation, paid in quarterly increments as consideration for their service on our board for each fiscal year as follows:

Annual (Base) Retainer	\$10,000
Per Scheduled Board Meeting Fee	\$1,500 (1)
Per Committee Meeting Fee	\$750 (2)
Additional Annual Retainer:	
Chairman of the Board	\$5,000
Audit Committee Chair	\$3,500
Compensation Committee Chair	\$3,500
Nominating and Corporate Governance Committee Chair	\$1,500
Non-Chair Committee Member Additional Retainer (All Committees)	\$1,000
Maximum Per Diem For All Meetings	\$2,000

(1) \$750 for telephonic meetings (less than 30 minutes: \$375).

(2) \$375 for telephonic meetings.

Equity Compensation***Equity Election Program***

A director may elect to receive, in lieu of such cash retainer and meeting fees, either (i) restricted stock units, or RSUs, covering that number of shares having a fair market value on the grant date equal to such cash award or (ii) a number of option shares equal to twice the number of RSU's that would have been received, with an exercise price per share equal to the fair market value of our common stock on the option grant date. Such election must be timely made and generally applies for the entire year. The awards are fully-vested on the grant date and each option has a maximum term of 10 years subject to earlier termination 3 months following cessation of board service. The RSUs or options are generally granted quarterly, effective two (2) days following the filing of our quarterly reports on Form 10-Q for that quarter, and are fully vested as of the grant date.

Edgar Filing: Sevion Therapeutics, Inc. - Form 10-K/A

For Fiscal 2016, all of the directors elected to receive options in lieu of cash. Accordingly, the directors received options to purchase shares of our common stock pursuant to the provisions of the 2008 Stock Plan and their equity elections with the exercise price per share equal to the closing price on the option grant date. The dollar amount of the fees paid in equity pursuant to such program by each director for Fiscal 2016 and the number of shares subject to such equity awards was as follows:

Director	Grant Date	\$ Amount of Fees paid in Equity	Number of Shares subject to Options
Harlan W. Waksal, M.D.(1)	11/19/15	\$ 10,000	40,000
John N. Braca	11/19/15	\$ 10,625	42,500
	6/13/16	\$ 9,875	89,773
Phillip Frost, M.D.	11/19/15	\$ 8,125	32,500
	6/13/16	\$ 8,625	78,409
Steven Rubin	11/19/15	\$ 10,000	40,000
	6/13/16	\$ 9,875	89,773

(1) Such director resigned from the board on March 4, 2016.

Annual Equity Awards

We do not automatically grant options or other equity to our non-employee board members. Our Compensation Committee reviews the equity program each year and determines the appropriate level of the equity awards to be made for that year. The Compensation Committee did not approve any grant of options or other equity to our non-employee board members during Fiscal 2016.
