Pursuant to Article 14 of the Articles of Incorporation, 614,735 shares of stock option were granted to the Group's executives and employees through the resolution of our general shareholders' meeting for the fiscal year of 2008. The exercise price will be determined as the greater of a) the base exercise price or b) the base exercise price multiplied by $(1 + \text{Big 3's average stock growth rate} \times 0.2)$. The base exercise price, which is defined as the arithmetic average of the volume-weighted average closing price for the (x) 2-month period, (y) 1-month period and (z) 1-week period immediately preceding the GSM date, has been determined as KRW 23,405 per share. In addition, the Big 3 refers to KB Financial Group, Woori Financial Group and Hana Financial Group.

As of today, the fair value of stock option granted is KRW 5,808 per share. Monte Carlo Simulation model and PDE model pursuant to article 22 of the Korea Financial Accounting Standards have been applied to the valuation, based on the following assumptions;

Price at valuation date: KRW 23,000

Average holding period before exercise: 5 years

Risk free interest rate: 4.40%

Average volatility of stock price: 35.00%

Expected dividend yield : 2.62%

In addition, including the stock options granted herein there are 7,364,772 number of total outstanding stock option as of date.
