SCORE ONE, INC. (THE "COMPANY")
CONDENSED NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2006 (UNAUDITED)

Edgar Filing: SCORE ONE INC - Form 10QSB

NOTE 1 - ORGANIZATION AND OPERATIONS

The interim financial statements of the Company for the three months ended March 31, 2006 were not audited. The financial statements are prepared in accordance with the requirements for unaudited interim periods, and consequently do not include all disclosures required to be in conformity with accounting principles generally accepted in the United States of America.

These consolidated financial statements reflect all adjustments that, in the opinion of management, are necessary to present fairly the results of operations for the interim periods presented. All adjustments are of a normal recurring nature, unless otherwise disclosed.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A summary of the Company's significant accounting policies applied in the preparation of the accompanying financial statements follows.

USE OF ESTIMATES

In preparing the Company's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could materially differ from those estimates.

BASIC AND DILUTED EARNINGS (LOSS) PER SHARE

In accordance with SFAS No. 128, "Earnings per Share," the basic earnings (loss) per common share is computed by dividing net earnings available to common stockholders by the weighted average number of common shares outstanding. Diluted earnings (loss) per common share is computed similarly to basic earnings (loss) per common share, except that the denominator is increased to include the number of additional common shares that would have been outstanding if the potential common shares had been issued and if the additional common shares were dilutive. As of March 31, 2006, the Company did not have any dilutive common stock equivalents save for the Series A Convertible Preferred Stock issued and outstanding.

RECENT ACCOUNTING PRONOUNCEMENTS

Management believes that the adoption of any new relevant accounting pronouncements will not have a material effect on the Company's results of operations or its financial position.

NOTE 3 - SUBSEQUENT EVENTS

The Company was formerly in the printed circuit board manufacture business. As of March 25, 2003, the Board of Directors determined to dispose of Advanced Technology, a wholly-owned subsidiary, by transferring to I.World Limited, the 82% shareholder of the Company, all of Advanced Technology securities held by the Company in exchange for all of the securities of the Company held by I.World Limited (for cancellation). The exchange transaction closed as of March 25, 2003. Accordingly, the Company has not had any business operations since March 25, 2003 up to late 2005.

On October 21, 2005, the Company entered into a Business Restructuring Agreement (the "Agreement") with Team Allied Profits Limited, a British Virgin Islands

Edgar Filing: SCORE ONE INC - Form 10QSB

corporation (the "Consultant"). The Consultant was engaged by the Company to provide business restructuring services in order to solicit suitable businesses in Hong Kong or China with net asset values not less than \$4,000,000 for acquisitions by the Company in order to restructure its business operations. In this connection, 30,000,000 shares of the Company's common stock were issued to the Consultant on April 7, 2006.

On February 7, 2006, the Company purchased a Hong Kong corporation called RC Capital Limited ("RC Capital") for \$1.00 as a wholly-owned subsidiary. RC Capital was a dormant company with no assets and liabilities and was formerly known as Richley (China) Limited. There is no written agreement for the purchase of RC Capital. RC Capital is currently the Company's wholly owned operating subsidiary.

On April 9, 2006, the Company entered into a Sale and Purchase Agreement (the "Sale and Purchase Agreement") with RC Capital, Dalian Fengming International Recreation Town Co., Ltd. ("Dalian Fengming") and Ms. Hoi-ho Kiu, CEO of the Company, which sets forth the terms and conditions of the acquisition of Dalian Fengming International Recreation Town Phase II ("Recreation Town") in exchange for 28,000,000 shares of common stock in the Company. The transaction is contemplated to be closed on or before July 31, 2006.

Recreation Town is a piece of undeveloped land of 1,000,000 square meters located in a peninsula in Dalian, China. Recreation Town was part of a large resort project originally planned to be developed by Dalian Fengming in 1992 which was never started due to lack of financing for development. According to Dalian Fengming, the current market value of Recreation Town is approximately RMB 600 million (approximately \$75,000,000).

There were never any operations conducted with Recreation Town. The Company plans to commence the development of Recreation Town in the near future. Accordingly, it is actively seeking equity and/or debt financing in an amount up to \$25,000,000, in order to finance the anticipated development costs.

Pursuant to the Agreement, the Company shall issue 18,000,000 shares and 10,000,000 shares of common stock to Ms. Hoi-ho Kiu and Dalian Fengming, respectively. The total fair market value of such shares is considered to be \$75,000,000.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

OVERVIEW

Edgar Filing: SCORE ONE INC - Form 10QSB

The following discussion and analysis should be read in conjunction with the financial statements, including the notes thereto, appearing elsewhere in this report.

GENERAL

The Company was incorporated in the State of Nevada on June 7, 1996.

The Company was formerly in the printed circuit board manufacture business but has not had any business operations since March 25, 2003. As of March 25, 2003, the Board of Directors determined to dispose of Advanced Technology, a wholly-owned subsidiary, by transferring to I.World Limited, the 82% shareholder of the Company, all of Advanced Technology securities held by the Company in exchange for all of the securities of the Company held by I.World Limited (for cancellation). The exchange transaction closed as of March 25, 2003. Accordingly, the Company has not had any business operations since March 25, 2003 up to late 2005.

On February 7, 2006, the Company purchased a Hong Kong corporation called RC Capital Limited ("RC Capital") for \$1.00 as a wholly-owned subsidiary. RC Capital was a dormant company with no assets and liabilities and was formerly known as Richley (China) Limited. There is no written agreement for the purchase of RC Capital. RC Capital is currently the Company's wholly owned operating subsidiary.

On October 21, 2005, the Company entered into a Business Restructuring Agreement with Team Allied Profits Limited, a British Virgin Islands corporation (the "Consultant"). The Consultant was engaged by the Company to provide business restructuring services in order to solicit suitable businesses in Hong Kong or China with net asset values not less than \$4,000,000 for acquisitions by the Company in order to restructure its business operations.

6

On April 9, 2006, the Company entered into a Sale and Purchase Agreement (the "Sale and Purchase Agreement") with RC Capital, Dalian Fengming International Recreation Town Co., Ltd. ("Dalian Fengming") and Ms. Hoi-ho Kiu, CEO of the Company, which sets forth the terms and conditions of the acquisition of Dalian Fengming International Recreation Town Phase II ("Recreation Town") in exchange for 28,000,000 shares of common stock in the Company. The transaction is contemplated to be closed on or before July 31, 2006.

PLAN OF OPERATION

Recreation Town is a piece of undeveloped land of 1,000,000 square meters located in a peninsula in Dalian, China. Recreation Town was part of a large resort project originally planned to be developed by Dalian Fengming in 1992 which was never started due to lack of financing for development. According to Dalian Fengming, the current market value of Recreation Town is approximately RMB 600 million (approximately \$75,000,000).

There were never any operations conducted with Recreation Town. The Company plans to commence the development of Recreation Town in the near future. Accordingly, it is actively seeking equity and/or debt financing in an amount up to \$25,000,000, in order to finance the anticipated development costs.

The Company, through its new subsidiary, RC Capital, is offering the following services to clients in Hong Kong and China:

1. merger and acquisitions business opportunities;

Edgar Filing: SCORE ONE INC - Form 10QSB

2. equity or debt financing opportunities;
3. introduction of Hong Kong and/or United States listing professional parties including legal firms and accounting firms; and
4. financial reporting consultancy services for Hong Kong and/or United States listings.

As of the date of this Report, RC Capital has successfully been engaged as financial consultant of one client in China to provide the above services. It is actively negotiating with another Malaysian client to provide our services. Accordingly, the Company will be recording revenues from the second quarter of 2006 onwards.

As of the date of this Report, the Team Allied Profits Limited is performing due diligence reviews on several real estate projects in China which may be suitable acquisition candidates for the Company.

The Company is also actively seeking acquisition opportunities to acquire profitable businesses or operations which may include plant and significant equipment. As such, it is expected by the management that the Company may need to raise additional funds in addition to the \$25,000,000 as referred above in the next twelve months for such acquisition purposes. Management does not expect that the Company will incur significant research and development costs.

OFF-BALANCE SHEET ARRANGEMENTS

The Company does not have any off-balance sheet arrangements that have or are reasonably likely to have a current or future effect on the Company's financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that are material to investors.

7

ITEM 3. CONTROLS AND PROCEDURES

Our Chief Executive Officer and Chief Financial Officer (the "Certifying Officers") are responsible for establishing and maintaining disclosure controls and procedures for the Company. The Certifying Officers have designed such disclosure controls and procedures to ensure that material information is made known to them, particularly during the period in which this report was prepared. The Certifying Officers have evaluated the effectiveness of the Company's disclosure controls and procedures as of the end of the period covered by this report and believe that the Company's disclosure controls and procedures are effective based on the required evaluation. market value of such shares is considered to be \$75,000,000.
