Item 1.01 Results of Operations and Financial Condition.

On July 26, 2006, APAC Customer Services, Inc. (the "Company") issued a press release setting forth the Company's financial results for the second fiscal quarter ended July 2, 2006. A copy of this press release is attached hereto as Exhibit 99.1 and is incorporated by reference in this filing in its entirety.

Item 2.05 Costs Associated with Exit or Disposal Activities.

As previously reported on a Current Report on Form 8-K dated July 29, 2005, and subsequently updated on Current Reports on Form 8-K dated November 3, 2005, February 7, 2006 and April 25, 2006, on July 26, 2005, the Company's Board of Directors approved a restructuring plan of the Company. Pursuant to the restructuring plan, the Company exited virtually all of its outbound customer acquisition business, closed over half of its customer interaction centers, eliminated 400 salaried positions and pursued other operational improvements. The Company exited non-strategic and unprofitable client relationships in order to focus on profitable client relationships in a limited number of industries in an effort to improve its near term financial performance and position the Company for long-term growth.

As of July 26, 2005, the Company expected to incur approximately \$10 to \$15 million in restructuring charges, including approximately \$3 to \$6 million of one-time termination benefit charges, approximately \$3 to \$4 million of lease termination charges and approximately \$4 to \$5 million in asset impairment charges. At that time, the Company expected that approximately \$6 to \$10 million of such costs would result in future cash expenditures.

Based on progress to date of the restructuring, as of November 2, 2005, the Company expected to incur approximately of \$8 to \$13 million in restructuring charges, including approximately \$3 to \$4 million in one-time termination benefits charges, approximately \$3 to \$6 million in lease termination charges, and approximately \$2 to \$3 million in asset impairment charges. The Company expected that approximately \$6 to \$10 million of such costs would result in future cash expenditures.

As of February 8, 2006, the restructuring plan was substantially completed; however, the wind-down of a limited number of client applications and the closing of some customer care centers continues into 2006.

Based on progress to date of the restructuring, as of February 8, 2006, the Company expected to incur approximately \$8 to \$11 million in restructuring charges, including approximately \$2.0 to \$2.5 million in one-time termination benefits charges, approximately \$5.0 to \$6.5 million in lease termination charges, and approximately \$1 to \$2 million in asset impairment charges. The Company expected that approximately \$7 to \$9 million of such costs would result in future cash expenditures.

Based on progress to date of the restructuring plan, as of April 26, 2006, the Company expected to incur approximately \$9 to \$11 million in restructuring changes, including approximately \$2.0 to \$2.5 million in one-time termination benefit charges, approximately \$5.5 to \$6.5 million in lease termination charges, and approximately \$1.5 to \$2.0 million in asset impairment charges. The Company expected that approximately \$7.5 to \$9.0 million of such costs would result in future cash expenditures.

Based on progress to date of the restructuring plan, as of July 26, 2006, the Company now expects to incur approximately \$8 to \$10 million in restructuring changes, including approximately \$2.0 to \$2.5 million in one-time termination

benefit charges, approximately \$5 to \$6 million in lease termination charges, and approximately \$1.0 to \$1.5 million in asset impairment charges. The Company expects that approximately \$7.0 to \$8.5 million of such costs would result in future cash expenditures.

Item 9.01 Financial Statements and Exhibits.
