## Forward-Looking Statements

*Any statements that are not historical fact (including, but not limited to statements that contain words such as “may,” “will,” “believes,” “plans,” “intends,” “anticipates,” “expects,” “estimates”) should also be considered to be forward-looking statements. Additional factors that could cause actual results to differ materially from the results anticipated in these forward-looking statements are contained in BioTime’s periodic reports filed with the SEC under the heading “Risk Factors” and other filings that BioTime may make with the Securities and Exchange Commission. Undue reliance should not be placed on these forward-looking statements which speak only as of the date they are made, and the facts and assumptions underlying these statements may change. Except as required by law, BioTime disclaims any intent or obligation to update these forward-looking statements.*

## Section 8 - Other Events

### Item 8.01 - Other Events.

We have appointed Lesley Stolz, Ph.D. as Executive Vice President, Corporate Development. Dr. Stolz will have primary responsibility for interactions with both investors and corporate partners. Additionally, she will focus on identifying and implementing strategic initiatives for BioTime and its subsidiaries. Dr. Stolz has more than 18 years of life science industry experience in corporate and business development. Prior to joining BioTime, Dr. Stolz was vice president of business development of Sutro Biopharma, Inc., a company focused on protein therapeutics, where she was responsible for all corporate partnering activities as well as business strategy development and implementation, and capital raising. Earlier in her career, Dr. Stolz worked with Sunesis Pharmaceuticals, Inc., Aerovance, Inc., and GPC Biotech AG in Munich, Germany. Dr. Stolz holds a Ph.D. in chemistry from the University of Rochester, and a bachelor of science degree in chemistry from the University of Virginia. She conducted postdoctoral research at the Harvard Medical School Department of Biochemistry and Molecular Pharmacology.
