A. Special Private Offer of Securities to Controlling Shareholders of the Company

Introduction

On November 11, 2002, the board of directors of the Company, following the approval of the audit committee, resolved to approve a stock option plan for directors and employees of the Company and its subsidiaries, authorizing the grant of options to purchase up to 1,270,000 of the Company's ordinary shares par value NIS 0.50 each, subject to adjustments as set forth below (the "Options"). The board of directors of the Company also resolved to convene a Meeting wherein the agenda will include a proposal to approve the special private offer (the "Special Private Offer"). The directors of the Company are to be allotted 570,000 Options in the special private offer (the "Directors' Plan"), employees of the Company and its subsidiaries in Israel are to be allotted up to 480,000 Options under the provisions of the offer of securities to employees (the "Employees' Plan") and employees of the Company's US subsidiary who are not Israeli residents will be allotted 220,000 Options under an employee plan in accordance with the laws of the United States of America(*). The aggregate amount of options allotted to all employees of the Company and its subsidiaries is 700,000.

- (*) The principal terms (i.e. Exercise Price, Exercise periods etc.) of the 220,000 options allotted to the Company's US employees who are not Israeli residents (the "US option Plan") will be identical to the principal terms of the options allotted to Israeli employees and to the options allotted to directors according to this report. To the best of the Company's

knowledge, the none of the employee offerees under the US Option Plan are an interested party in the Company and will not become an interested party as a result of the allotment of said options. The options under the U.S. Option Plan will be subject to the Securities Regulations (details for paragraphs 15A through 15C of the Law), 2000.

At the Meeting to be convened on December 17, 2002, the Special Private Offer and the two option plans for employees will be submitted to shareholders for approval as one proposal, hence, it will not be possible to approve only one of the plans. A profile, including the details of the option plans for employees will be filed after the Company receives Tel Aviv Stock Exchange approval for registration of the shares underlining the Options for trading.

1. Details of the Special Private Offer

570,000 Options will be allotted under the Directors' Plan to nine (9) directors of the Company, such Options to be offered subject to fulfillment of the conditions hereinafter specified in this notice.

2. The Offerees

Rafael Aravot, Ahinoam Kra-Oz, Haim Schliefer, Gideon Missulawin, Menachem Zenziper, Arie Kraus, Alex Tal, Tammy Gotlieb and Amiram Dagan (the "Offerees").

The Options will be allotted to the Trustee for the Offerees in accordance with the following table:

Name of Offeree	Amount

(a) Rafael Aravot	90,000
(b) Ahinoam Kra-Oz	90,000

(d) Gideon Missulawin	50,000
(e) Menachem Zenziper	50,000
(f) Arie Kraus	50,000

(h) Tammy Gotlieb (outside director)	50,000

Total	570,000

Three of the Offerees are full-time employees of the Company (Messrs. Rafael Aravot - Chief Executive Officer; Ahinoam Kra-Oz - Co-CEO; Haim

Schliefer - Co-CEO), two of them are part-time employees of the Company (Menachem Zenziper and Gideon Missulawin) and two of them are outside directors of the Company (Tammy Gotlieb and Amiram Dagan).

3. Interested Party

According to "interested parties" definition in Section 270(5) of the Companies Law, 1999 (the "Companies Law"), Messrs. Rafael Aravot, Ahinoam Kra-Oz, Haim Schliefer, Gideon Missulawin, Menachem Zenziper and Arie Kraus are "interested parties" in the Company, since they are substantial shareholders whose ownership interest in the Company will increase following the Special Private Offer.

With regard to the approval of this Special Private Offer, those Offerees who are interested parties in the Company constitute "controlling shareholders" of the Company, as this term is defined in Section 268 of the Companies Law.

4. The Securities Offered

4.1 The Company will allot 570,000 Options to the Trustee for the Offerees. Each Option will authorize the grant to the optionee of the right to purchase one ordinary share par value NIS 0.50 of the Company in consideration for payment in cash of the Exercise Price on the Exercise Date (as are defined in Section 10 below).

4.2 The shares that are covered by the plan (the "Shares") will have the same rights as the existing ordinary shares of the Company and will entitle their holders to the full cash dividend and any other distribution, including distribution of bonus shares, if the date of determination of the rights for such dividend or distribution occurs on or after the date of allotment thereof.

Edgar Filing: ROBOGROUP TEK LTD - Form 6-K

- 4.3 The Options will not initially be registered for trading on the Tel Aviv Stock Exchange or on Nasdaq. The Shares will be registered for trading on Nasdaq, subject to the filing of a registration statement (Form S-8) with the Securities and Exchange Commission, and on the Tel Aviv Stock Exchange, subject to the approval of the Tel Aviv Stock Exchange for registration of the Shares for trading.

Assuming that the 570,000 Options offered to the Offerees under this Special Private Offer are all exercised, the Shares will comprise 4.83% of the voting rights and of the issued and paid-up capital of the Company as of the date following the allotment of the Options and 4.53% of the voting rights and of the issued and paid-up capital of the Company after full dilution.

For the purposes of this report, "full dilution" assumes that: 75,400 Options allotted to the Trustee under the option plan of 1997 for employees of the Company and its subsidiaries, that have not yet been exercised as at the date of this report will be exercised(1); all of the 12,500 Options allotted to an interested party in 2001 are exercised; and all 700,000 of the Options under the Employee Option Plans are allotted and exercised(2).

-
- (1) These Options may be exercised through December 31, 2006.
- (2) The Option Plan for employees of the Company and its Israeli subsidiaries will be subject to the approval of the Meeting which is to convene on December 17, 2002 and to the approval of the Tel Aviv Stock Exchange of the registration for trading of the Shares that are covered by the Directors' plan.
- (3) The Offerees Tammy Gotlieb and Amiram Dagan will end their first terms of office as outside directors of the Company in 2005. Should they be elected for an additional term, they will serve until 2008. If they are not elected for an additional term, they will be entitled to exercise only 40% of the Options allotted to them.
- 4.4 In the event that the right of any of the Offerees to exercise the Options allotted to him or her as set forth above expires, the Company will be entitled to instruct the Trustee to transfer such Options or part thereof to another director of the Company, upon such conditions as may be determined by the board of directors of the Company, subject to the conditions of the Directors' Plan and the provisions of the Israeli law.
- 4.5 Subject to the provisions of Section 4.4 above, the Options granted to the Offerees are non-transferable, non-assignable and may not be assigned by the Offerees in favor of others, other than transfers to heirs in the event of death or to a guardian in the event of loss of legal capacity.

5. Terms of Exercise and Dates of Exercise of the Options

- 5.1 Subject to the provisions of Sections 5.3-5.5 below, each of the Offerees(3) will be entitled to exercise the Options allotted to him or her in five installments in accordance with the following dates, without derogating from the lock up provisions applying to the Options as described in Section 16 below:

Options not exercised prior to the End of the Exercise Period will expire and will not grant any rights whatsoever to their owners.

5.3 The Options may be exercised for as long as the Offeree acts as director of the Company or a subsidiary and/or for as long as employment relations exist between the Offeree and the Company and/or a subsidiary, and for a period of twelve months from the date of termination of the Offeree's term of office as a director of the Company or of a subsidiary and/or from the date of termination of employment relations between the Offeree and the Company and/or a subsidiary, whichever is the later.

In the event of termination of office of an Offeree as a director of the Company or of a subsidiary and/or in the event of termination of employment relations between the Offeree and the Company and/or a subsidiary for any reason whatsoever other than death, dismissal or resignation under circumstances set out in Section 5.5 below, the entitlement of the Offeree to exercise the Options allotted to him or her will expire at the end of one year following the date of termination of office as director of the Company or of a subsidiary or one year following the date of termination of employment relations between the Offeree and the Company or a subsidiary, whichever is the later, but not later than the End of the Exercise Period (the "Date of Expiry of the Right to Exercise"). On the Date of Expiry of the Right to Exercise, the Offeree will not be entitled to exercise the Options allotted to him or her, which have not vested, nor will he even be entitled to exercise such Options allotted to him or her which have vested, but which have not at such date been exercised.

5.4 The change of employment of an Offeree from the Company to a subsidiary and/or the change of office of a director of the Company to that of director of a subsidiary will not be deemed to be termination of employment and/or office for the purposes of Section 5.3 above, and the Offeree's rights to exercise the Options allotted to him or her will not change due to such transfer.

5.5 Notwithstanding the aforesaid, if any of the Offerees ceases to be an employee and/or ceases to act as a director of the Company or of

Edgar Filing: ROBOGROUP TEK LTD - Form 6-K

a subsidiary of the Company due to death, dismissal or resignation due to bad health, such Offeree or his legal heirs will have the right to exercise the Options that such Offeree would have been able to exercise on the date of termination of employment or, for a period of eighteen months from the date of termination of employment relations between the Offeree and the Company or a subsidiary or of the date of termination of office of director of the Company or a subsidiary, whichever is the later (but not later than the end of the exercise term).

For the purpose of this Section only, "subsidiary" is defined as a company in which the Company holds 25% or more of the par value of its issued share capital, or of the voting rights in it, or is entitled to appoint 25% or more of its directors.

6. Provisions to Protect Holders of Options

Upon the occurrence of any of the events set forth below as of the date of allotment of the Options and until the end of the Exercise Period, the holders of Options not yet exercised before the occurrence of one of the following allotment events will be entitled to the following benefits:

6.1 Allotment of bonus shares

In the event of distribution of bonus shares where the date of determination of entitlement to receive such (in this paragraph: the "Date of Determination") is prior to the End of the Exercise Period, the Company will transfer the sum equivalent to the sum of the par value of the bonus shares which would have been owing to the Offerees holding Options not yet exercised by such date had they exercised their Options for shares prior to the Date of Determination, including - in the event of a second or further distribution of bonus shares in respect of which the Company acts in accordance with the provisions of this paragraph - entitlement resulting from any prior distribution of bonus shares as aforesaid, into a special fund that will be set up for the purpose of distribution of the bonus shares in the future, shortly before the date of allotment of the bonus shares.

that would have existed in the issued and paid-up capital of the Company on the date of distribution of the bonus shares, by appropriate capitalization from out of the special fund.

In such case, the number of Shares to which a holder of Options is entitled will not increase nor will the payment for one Shares decrease.

Edgar Filing: ROBOGROUP TEK LTD - Form 6-K

6.2 Offer by way of Rights

In the event of issuance of rights to shareholders of the Company, in the event that the date of determination of entitlement to receive such rights is in the period between the date of allotment of Options to the Offerees and the End of the Exercise Period, the number of exercise shares will be adjusted to the bonus component of the rights. The bonus component of the rights will be calculated for this purpose in accordance with the ratio of the price of the share on the Tel Aviv Stock Exchange on the date of determination of the right to take part in the rights issue and the base price for trading of the shares on the Tel Aviv Stock Exchange "ex- rights", on the first date on which the shares are to be traded without rights. Calculation of the bonus component will be audited by the Company's accountant.

6.3 Additional Provisions to Protect Holders of Options

- 6.3.3 In the event that a resolution of voluntary winding up of the Company will be approved, the Company will notify in writing

all of the holders of the Options regarding the passing of such resolution, and regarding the right of exercise referred to below. In such event, every person holding Options may, within 30 days of the date of the notice, give notice in writing to the Company of his or her desire to be considered to have exercised his or her exercise right immediately before such resolution have been approved. The holder of such Options as aforesaid will be entitled to payment equivalent to the sum that would be owing to him or her on winding up were he or she the holder of shares following exercise of the Options owned by him or her immediately prior to the approval of the resolution to wind up, less the Exercise Price.

Where the sum to which a holder of Options is entitled following exercise of the Options held by him or her immediately prior to the passing of the resolution of winding up, and after deduction of the Exercise Price from the money received from his or her portion of the winding up, if positive, he or she will be deemed to have exercised his or her right to exercise as aforesaid.
