Item 4. Description of Securities.

Not applicable.

Item 5. Interest of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

The Companies Law of Israel provides that an Israeli company cannot exempt an office holder from liability for a breach of the duty of loyalty. However, the Company's Articles of Association provide that, subject to the provisions of any laws, it may:

(1) Enter into a contract for insuring the liability of an officer, in part or in whole, for an obligation imposed on him as a result of an act or omission performed in his capacity as an officer with respect to:

- a breach of the duty of care with respect to the Company or another person;
- a breach of the duty of loyalty to the Company, provided that the officer acted in good faith and had reasonable grounds to presume that the act would not impair the Company's best interests; and
- a monetary obligation imposed upon the officer for the benefit of another person.

(2) Indemnify an officer for the following debts or expenses imposed on him as a result of an act which he performed in his capacity as an officer:

- A monetary debt imposed on him for the benefit of another person under a judgment, including a compromise settlement judgment or an arbitrator's decision which was approved by a court; and
- reasonable litigation expenses, including attorneys' fees, which the officer incurred or for which he was obligated by a court, in a proceeding instituted against him by the Company or in its name by another person, or in a criminal indictment of which he is acquitted, or in a criminal charge of which he is convicted, provided that the offense or offenses of which he is convicted do not require proof of mens rea.

The Company's Articles of Association also provide that the Company may undertake in advance to indemnify an officer, provided that the undertaking is limited to the types of events which, in the view of the Company's Board of Directors, may be foreseen at the time the obligation to indemnify is undertaken, and in an amount determined by the Board of Directors which shall be reasonable in the circumstances. The Company's Articles of Association also provide that the Company may undertake to indemnify retroactively an officer.

These provisions are specifically limited by the Companies Law of Israel. Under the Companies Law, a company may not indemnify an officer or director, or enter into an insurance contract which would provide coverage for any monetary liability incurred as a result of:

- a breach of the officer's duty of care, if such breach was done intentionally or in disregard of the circumstances of the breach or consequences;
- a breach of the officer's duty of loyalty, unless the officer acted in good faith and had reasonable cause to assume that the act would not prejudice the Company's interests;
- any act or omission done with the intent to derive an illegal personal benefit; or
- any fine levied against the officer as a result of a criminal offense.

The Companies Law also requires that indemnification of the Company's officers and procurement of insurance coverage for the Company's officers be approved by the Company's Audit Committee and its Board of Directors and, if the officer is a director, by its shareholders. The Company's Audit Committee and the Board of Directors resolved on August 14, and September 5, 2002 respectively, to undertake to indemnify the Company's officers, including its directors, and Shareholders' approval with respect to the undertaking to indemnify the members of the Company's Board of Directors was granted on October 31, 2002. Pursuant to these approvals, the Company has obtained insurance for its officers and provided them with indemnification undertakings in accordance with its Articles of Association.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume or price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933

each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

4

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

5

To the extent that the Optionee was not entitled to exercise the Option at the date of such termination, or does not exercise such Option within the time specified herein, the Option shall terminate. In the event that the Optionee's employment is terminated by the Company under circumstances which do not entitle such Optionee with the right to receive compensation for termination and/or in the event that the Optionee breaches any fiduciary duty and/or confidentiality and/or obligation towards the Company and is dismissed as a result of such breach, all Options including exercisable Options shall expire immediately upon the date in which a notice sent by the Company to the Optionee notifying the Optionee of its termination.

The Board shall have the exclusive discretion, in exceptional cases, to decide whether an extension to the aforesaid periods is to be granted, and

under which terms.

13

-
11. Non-Transferability of Options and Stock Purchase Rights. The Option may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee.
12. Adjustments Upon Changes in Capitalization or Merger.
- 12.1 Changes in Capitalization. Subject to any required action by the shareholders of the Company, the number of shares of Ordinary Stock covered by each outstanding Option, and the number of shares of Ordinary Stock which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option, as well as the Exercise Price shall be proportionately adjusted for any increase or decrease in the number of issued shares of Ordinary Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Ordinary Stock, or any other increase or decrease in the number of issued shares of Ordinary Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Committee, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Ordinary Stock subject to an Option.
- 12.2 Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Option will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Committee. The Committee may, in the exercise of its sole discretion in such instances, declare that any Option shall terminate as of a date fixed by the Committee and give each Optionee the right to exercise his Option as to all or any part of the Optioned Stock, including Shares as to which the Option would not otherwise be exercisable. In the event of a proposed sale of all or substantially all of the assets of the Company or the merger of the Company with or into another corporation, the Option shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless such successor corporation does not agree to assume the Option or to substitute an equivalent option, in which case the Committee shall, in lieu of such assumption or substitution, provide for the Optionee to have the right to exercise the Option as to all of the Optioned Stock, including Shares as to which the Option would not otherwise be exercisable. If the Committee makes an Option fully exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Committee shall notify the Optionee that the Option shall be fully exercisable for a period of fifteen (15) days from the date of such notice, and the Option will terminate upon the expiration of such period.

14

-
13. Time of Granting Options. The date of grant of an Option shall, for all purposes, be the date on which the Committee determines granting such Option. Notice of the determination shall be given to

each Employee or Consultant to whom an Option is so granted within a reasonable time after the date of such grant.

14. Amendment and Termination of the Plan

14.1 Amendment and Termination. The Committee may at any time amend, alter, suspend or discontinue the Plan from time to time in such respects as the Committee may deem advisable provided that the following revisions or amendments shall require approval of the Board

14.2 Effect of Amendment or Termination. Any such amendment or termination of the Plan shall not affect Options already granted, and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Board, which agreement must be in writing and signed by the Optionee and the Company.

15. Conditions Upon Issuance of Shares. Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned relevant provisions of law.
