Voting Restrictions under our Telecommunications Licenses

We provide our cellular services under a non-exclusive general license granted to us by the Ministry of Communications of the State of Israel. We also hold several other licenses for the provision of certain telecommunications services. According to our licenses, investors are prohibited from acquiring or transferring (alone or together with relatives or with other parties who collaborate on a regular basis) our Ordinary Shares, directly or indirectly (including by way of creating a pledge which if foreclosed, would result in the transfer of shares), in one transaction or a series of transactions, if such acquisition or transfer will result in a holding or transfer of 10% or more of any of our means of control, or from transferring any of our means of control if as a result of such transfer control over our Company will be transferred from one party to another, without the prior approval of the Ministry of Communications. In addition, according to our licenses, if you hold more than 5% of our means of control, you may not (i) hold, directly or indirectly, more than 5% of the means of control in Bezeq – The Israeli Telecommunications Corporation Ltd., or Bezeq, which is the incumbent landline operator in Israel, or in another cellular operator in Israel (subject to certain exceptions), (ii) serve as an office holder of one of our competitors, other than in specific circumstances and subject to the approval of the Ministry of Communications, or (iii) be party to any arrangement whatsoever with Bezeq or another cellular operator that is intended or is likely to restrict or harm competition in Israel in the field of cellular services, cellular handsets or other services provided through the cellular network. For more details relating to these restrictions, please see "Item 4.B – Business Overview – Government Regulations – Cellular Segment - Our Cellular License" of our Annual Report for 2017 on Form 20-F, filed with the U.S. Securities and Exchange Commission (the "SEC") on March 26, 2018, or our 2017 Annual Report, and our principal license, a convenience English translation of which is an exhibit to our Annual Reports. The holding and transfer restrictions under our licenses are posted on our website at <http://investors.cellcom.co.il> under "Investor Relations – Corporate Governance - Legal & Corporate."

As required under our license, our Articles of Association provide that any holdings of our Ordinary Shares that contravene the holding or transfer restrictions contained in our licenses will not entitle the holder thereof to voting rights. In addition, our licenses and our Articles of Association require that as a condition to voting by any shareholders, in person or by proxy, at any meeting of our shareholders, such shareholder must certify whether or not his, her or its holdings of our Ordinary Shares contravene any of the restrictions contained in our licenses.

The enclosed form of proxy includes a box to mark to confirm that your holdings of our Ordinary Shares do not contravene any of the holding or transfer restrictions set forth in our licenses. If you do not mark this box, your vote will not be counted. If only a portion of your holdings of Ordinary Shares so contravenes, you may be entitled to vote the portion that does not contravene. In that case, please contact the Company's VP Legal at +972-52-998-9595 for instructions on how to vote your non-contravening Ordinary Shares or, if you hold your shares in "street name", you may ask the representative managing your account to contact the Company on your behalf.

AGENDA OF THE 2018 ANNUAL GENERAL MEETING

Items 1 - 4 – Re-election/election of Directors

Our Board of Directors is currently comprised of seven directors - Ami Erel (Chairman), Mauricio Wior (Vice Chairman), Sholem Lapidot, Shlomo Waxe, Ephraim Kunda, Ronit Baytel and Joseph Barnea.

Messrs. Ami Erel, Sholem Lapidot and Ephraim Kunda were re-elected at our 2018 annual shareholders meeting, until our 2019 annual meeting. Mr. Shlomo Waxe was re-elected at our 2018 annual shareholders meeting until the earlier of (1) the Company's next general meeting of shareholders and (2) March 31, 2019.

At the Meeting, the shareholders will be asked to re-elect each of Ami Erel, Sholem Lapidot, and Ephraim Kunda and to elect Gustavo Traiber to our Board of Directors to serve until the next Annual General Meeting or their earlier resignation or removal from this office.

Mr. Ephraim Kunda and Mr. Gustavo Traiber were designated as "independent directors" under the Israeli Companies Law, 1999 (the "Companies Law") and also qualify as "independent directors" under the rules of the U.S. Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") applicable to audit committee members and under the rules of the New York Stock Exchange.

Our Board of Directors also confirmed that each of the nominees possesses the professional qualifications required under the Companies Law. For additional details as to Mr. Traiber's nomination process, see Items 5-6 below.

These nominees have been approved by our Board of Directors.

If elected, Mr. Ami Erel, as our Chairman of the Board, shall be entitled to a monthly fixed payment of NIS 87,500 plus VAT, linked to the Israeli Consumer Price Index, or CPI for April 2017, as approved at our 2017 extraordinary shareholders meeting, and Sholem Lapidot, Ephraim Kunda and Gustavo Traiber, shall each be entitled to remuneration equal to that paid to our external directors, in accordance with the regulations promulgated under the Companies Law, as set forth in the Company's compensation policy approved by the Company's compensation committee, board of directors and shareholders in November 2017. Specifically, each of our external directors is paid the maximum amount of compensation payable to an external director of a dual-listed company under the applicable law and regulations, which is in the amount of NIS 134,180 per year and NIS 4,035 per meeting which such external director attends (including meetings of committees of the Board of Directors), adjusted for changes in the Israeli CPI since October 2015. In addition, if elected, each nominee will be entitled to the same insurance, indemnification and exculpation arrangements as currently in effect for the Company's directors based on the Company's compensation policy, as approved by the Company's compensation committee, board of directors and shareholders in 2017.

For information regarding the election of our two new statutory external directors see items 5-6 below.

Our cellular license requires that at least 10% of our directors will be appointed and removed by shareholders who are Israeli citizens and Israeli residents from among our founding shareholders. If our Board of Directors is comprised of 14 directors or less, these Israeli shareholders will appoint one director, and if our Board of Directors is comprised of between 15 and 24 directors, these Israeli shareholders will appoint two directors. Our Articles of Association so provide as well. Accordingly, Mr. Wior was appointed in February 2018 by the Israeli shareholders as their appointee to our Board of Directors, for an indefinite period, and his appointment as our director does not require approval of the shareholders at the Meeting.

A brief biography of each nominee is set forth below:

Item 5 - 6 – Election of Varda Liberman and Shmuel Hauzer as External Directors

Companies incorporated under the laws of the State of Israel whose securities have been offered to the public, such as the Company, are required by the Israeli Companies Law to appoint at least two external directors. The Companies Law provides that a person may not be appointed as an external director of a company that has a controlling shareholder if the person is a relative of the controlling shareholder, or if the person, or the person's relative, partner, employer, direct or indirect supervisor or any entity under the person's control, has or had during the two years preceding the date of appointment, any affiliation with the company or any entity controlling, controlled by or under common control with the company. The term affiliation includes: (i) an employment relationship, (ii) a business or professional relationship maintained on a regular basis, (iii) control and (iv) service as an office holder. In addition, no individual may serve as an external director if the individual's position or other activities create or may create a conflict of interest with his or her role as an external director. For a period of two years from termination of an external director's service, the Company may not appoint such former external director as a director or employee of the Company or receive professional services from such former external director for pay.

Pursuant to the Companies Law, external directors are required to be elected by the shareholders for a term of three years, which may be renewed for two additional three-year terms. Further extensions for terms of up to three years each are possible under certain conditions. All of the external directors of a company must be members of its audit committee and compensation committee and each other committee of a company's board of directors which is authorized to exercise powers of the board of directors must include at least one external director. Our external directors are also considered independent directors under the rules of the Sarbanes-Oxley Act applicable to audit committee members.

Our current external directors, Ronit Baytel and Joseph Barnea, were initially elected to our board of directors in our 2007 annual meeting of shareholders and thereafter were re-elected for additional terms which will end on the earlier of (1) the Company's next general meeting of shareholders and (2) March 31, 2019.

In order to identify candidates to serve as external and independent directors on our board of directors, we engaged Emda, an Israeli company specializing in locating, vetting and examining the candidates' suitability to serve as directors. The Company's search criteria included (among others) the following: (1) each candidate must have managerial experience in one or more of the following fields: financial expertise, telecom, regulation, telecommunications infrastructure and technologies, marketing and services; and (2) undisputed professional capabilities, spotless record, ability to think independently, ability to work within a diversified team, experience as a

director in public companies, business and strategic understanding in managerial level, and high proficiency in English. Experience with dually listed companies, and gender diversification, were defined as an advantage.

7

After a search and vetting process, Prof. Hauzer and Prof. Liberman were recommended by Emda as external directors and Mr. Traiber as an independent director. Our Board of Directors, after further discussions, confirmed that each of the nominees possesses the professional qualifications required under the Companies Law and the regulations promulgated thereunder. Our Board of Directors and Audit Committee also confirmed that the nominees qualify as “independent directors” under the Sarbanes-Oxley Act applicable to audit committee members and under the rules of the New York Stock Exchange and also designated Shmuel Hauzer as our “audit committee financial expert” under the Sarbanes-Oxley Act and SEC rules. For more details relating to the qualifications, please see “Item 6.C – Directors, Senior Management and Employees – Board Practices – External Directors” of our Annual Report for 2017 on Form 20-F, filed with the SEC on March 26, 2018.

At the Meeting, the shareholders will be asked to elect each of Varda Liberman and Shmuel Hauzer as external directors, each for a term of three-year commencing on March 29, 2019.

If elected, our external directors shall be entitled to the maximum amount of compensation payable to an external director of a dual-listed company under the applicable law and regulations, as set in the Company's compensation policy approved by the Company's compensation committee, board of directors and shareholders in November 2017. According to the Companies Law, for this purpose, "control" means the ability to direct the Company's activities, except such ability

Item 7 –Appointment of Independent Auditors

In 2018, our Annual General Meeting of shareholders appointed Somekh Chaikin, a member of KPMG International, an independent certified public accountants in Israel, and Keselman & Keselman, a member of PricewaterhouseCoopers International Limited, as our joint independent auditor until the next Annual General Meeting.

The Company prefers to use one independent auditor firm's services, and since the appointment of Keselman & Keselman as the independent auditor of the Company is required for the Company's indirect controlling shareholder's audit, whose independent auditor is also a member of PricewaterhouseCoopers International Limited, Somekh Chaikin will not stand for re-election as the Company's joint independent registered public accounting firm at the Meeting, pursuant to the recommendation of our audit committee, the shareholders will be asked to approve the appointment of Keselman & Keselman as our sole independent auditor until the next Annual General Meeting.

A representative of each of Somekh Chaikin and Keselman & Keselman will be present at the Meeting and will be available to respond to appropriate questions from the shareholders.

Somekh Chaikin's audit reports on the consolidated financial statements for the fiscal years ended December 31, 2017 and 2016 of the Company did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principle, except as follows: Somekh Chaikin's report on the consolidated financial as of and for the year ended December 31, 2017, contained a separate paragraph stating that "As discussed in Note 2F to the consolidated financial statements, the Company has changed its method of accounting for revenue recognition as of January 1, 2017 due to the adoption of International Financial Reporting Standard No. 15 Revenue from Contracts with Customers". The audit reports of Somekh Chaikin on the effectiveness of internal control over financial reporting as of December 31, 2017 and 2016 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company's fiscal years ended December 31, 2017 and 2016 and the subsequent interim period through September 30, 2018 and thereafter, there were no disagreements between the Company and Somekh Chaikin on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Somekh Chaikin's satisfaction, would have caused Somekh Chaikin to make reference to the matters in their reports on the Company's consolidated financial statements for such periods. During the Company's fiscal years ended December 31, 2017 and 2016 and the subsequent interim period through September

30, 2018 and thereafter, there have been no reportable events (as defined in S-K 304(a)(1)(v)).

9

In accordance with our Articles of Association and as contemplated by the Sarbanes-Oxley Act, our board of directors has delegated to our audit committee the authority to fix the fees paid to our independent auditors. Such fees paid to our independent auditors for the past fiscal year will be disclosed under Item 16C of our 2018 Annual Report and we will report them to the shareholders at the Meeting, as well.
