Represents a grant of restricted stock that is subject to transfer restrictions, forfeiture and acceleration. The grant also vests in equal annual installments such that the transfer restrictions are removed relating to the shares as follows: one third annually for three years commencing one year from the date of grant.

Represents a grant of the right to receive shares of common stock subject to (i) achievement of certain milestones related to the market price of Indevus' Common Stock, and (ii) recipient remaining employed by Indevus on the three year anniversary of the date of grant. The number of shares the recipient is entitled to receive, if any, at such time is dependent on the market price at which Indevus' Common Stock trades for 20 consecutive business days at any time during the three year period prior to the vesting date. Depending on such prices as may be attained, the recipient could receive either (i) 54,520, (ii) 72,693 or (iii) 90,867 shares. Subject to certain acceleration events, if such market prices are not attained during such three year period, the recipient will not receive any shares under this award.
