- (1) Restricted Stock Units vest ratably over three years. Upon vesting these securities automatically convert into an equal number of shares of the Company common stock.
- (2) As Restricted Stock Units automatically convert upon the vesting date, there is no expiration date for this award.
- (3) Represents the target number of Performance Stock Units. The actual number of shares to be issued, which could range from 0 to 175 percent of the initial target amount, will depend upon, among other things, the issuer's financial performance during the relevant performance period compared to that of a selected peer group. The shares, if any, will be issued 36 months from the grant date.
