(1) Restricted Stock Units vest ratably over three years. These securities automatically convert into an equal number of shares of the Company's common stock on the vesting date.

(2) As Restricted Stock Units automatically convert upon the vesting date, there is no expiration date for this derivative security.

(3) Represents the target number of Performance Stock Units. The actual number of shares to be issued, which could range from 0 to 200 percent of the initial target amount, will depend upon, among other things, the issuer's financial performance during the relevant performance period. The shares, if any, will be issued 27 months from the grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *See* Instruction 6 for procedure.
