WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE NOT REQUESTED TO SEND US A PROXY

To our stockholders:

NOTICE IS HEREBY GIVEN that the board of directors of North Bay Resources Inc., a Delaware corporation (which we refer to in this Notice as the “Company,” “we,” “us” or “our”), has approved, and the holders of a majority of the voting power of our outstanding capital stock have executed a Written Consent and Action of Stockholders in Lieu of a Meeting approving an amendment to our Certificate of Incorporation to effectuate a 1-for-200 reverse stock split of the Company’s issued and outstanding shares of common stock (the “Common Stock”) (the “Reverse Stock Split”).

The accompanying information statement (the “Information Statement”) is being furnished to our stockholders of record as of January 2, 2015 (the “Record Date”) for informational purposes only, pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations promulgated thereunder. Under the Delaware General Corporation Law and our by-laws, stockholder action may be taken by written consent without a meeting of stockholders. Your consent is not required and is not being solicited. The accompanying Information Statement will serve as notice pursuant to the Exchange Act and Section 228(e) of the Delaware General Corporation Law of the approval of the amendment to the Certificate of Incorporation by less than the unanimous written consent of our stockholders.

INFORMATION STATEMENT

Pursuant to Section 14(c) of the Securities Exchange Act of 1934

THIS INFORMATION STATEMENT IS BEING SENT TO YOU FOR INFORMATION PURPOSES ONLY AND NO VOTE OR OTHER ACTION OF THE COMPANY'S STOCKHOLDERS IS REQUIRED IN CONNECTION WITH THIS INFORMATION STATEMENT.

WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE NOT REQUESTED TO SEND US A PROXY.

North Bay Resources Inc., a Delaware corporation (which we refer to in this Information Statement as the "Company," "we," "us" or "our"), is sending you this Information Statement for the purpose of informing you, as one of our stockholders of record as of January 2, 2015 (the "Record Date"), in the manner required under Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Regulation 14C promulgated thereunder, that our board of directors (the "Board") has previously approved, and the holders of a majority of the voting power of our outstanding capital stock, as permitted by our by-laws and Section 228 of the Delaware General Corporation Law, have previously executed a Written Consent and Action of Stockholders in Lieu of a Meeting approving an amendment (the "Amendment") to our Certificate of Incorporation to effectuate a 1-for-200 reverse stock split of the Company's issued and outstanding shares of Common Stock (the "Reverse Stock Split"). The number of authorized shares and the par value of our Common Stock shall remain unchanged.

What action was taken by written consent?

We obtained stockholder consent for an amendment to our Certificate of Incorporation to effectuate a 1-for-200 Reverse Stock Split of the Company's issued and outstanding shares of Common Stock.

The Reverse Stock Split will become effective on the date that we file the Certificate of Amendment to the Certificate of Incorporation of the Company (the "Amendment") with the Secretary of State of the State of Delaware (the "Effective Date"). We intend to file the Amendment with the Secretary of State of the State of Delaware promptly after the twentieth (20th) day following the date on which this Information Statement is mailed to the Stockholders. Notwithstanding the foregoing, we are required to first notify FINRA of the intended Reverse Stock Split by filing the Issuer Company Related Action Notification Form no later than ten (10) days prior to the anticipated record date of such action.

We currently expect to file the Amendment on or about February 6, 2015. The form of Amendment to be filed with the Secretary of State of the State of Delaware is set forth as Appendix A to this information statement.

How many shares of voting stock were outstanding on January 2, 2015 (the "Record Date")?

On the Record Date, the date we received the consent of our board of directors and the consent of the holders of a majority of the voting power of our outstanding capital stock, there were 1,832,698,209 shares of common stock outstanding, 4,000,000 shares of Series A Preferred Stock outstanding, and 100 shares of Series I Preferred Stock outstanding. Each outstanding share of the Series A Preferred Stock has 10 votes per share. The Series I Preferred Stock votes with the Common Stock as one class on all matters submitted to stockholders and are entitled to 80% of the aggregate voting power.

What vote was obtained to approve the amendment to the articles of incorporation described in this information statement?

We obtained the approval of the holders of 80.02% of the voting power of our outstanding capital stock.

Purposes of the Reverse Stock Split

The Company believes that the Reverse Stock Split will facilitate compliance with the new listing requirements of the OTCQB which went into effect in May, 2014, and which requires a company's stock to maintain a minimum bid price of \$0.01. We also believe the Reverse Stock Split will enhance the acceptability of our Common Stock by institutional investors, the financial community and the investing public by increasing the trading price over what it would have been without the Reverse Stock Split. There can be no assurance, however, that our Common Stock will again be listed on the OTCQB or that any or all of these effects will occur.

Fractional Shares

No fractional shares of Common Stock will be issued as the result of the Reverse Stock Split. Instead, the Company will issue to the holders one additional share of Common Stock for each fractional share.

Principal Effects of the Reverse Stock Split

The Reverse Stock Split will not affect any stockholder's proportionate equity interest in the Company, except for negligible amounts resulting from the rounding up of fractional shares to the nearest whole share to avoid the issuance of fractional shares. The Reverse Stock Split will not affect the Company's total stockholder equity. All share and per share financial information would be retroactively adjusted following the Effective Date to reflect the Reverse Stock Split for all periods presented in future filings.

After the Reverse Stock Split, the Company's authorized but unissued and unreserved Common Stock will be approximately 6,360,144,108 shares of Common Stock, which will be available for future issuance by the board of directors without further action. The following table depicts the capitalization structure of the Company both pre-Reverse Stock Split and post-Reverse Stock Split as of the Record Date (the post-split shares of Common Stock may differ slightly based on the number of fractional shares):

Pre-Reverse Stock Split		
Authorized Shares of Common Stock	Issued Shares	Authorized but Unissued and Unreserved
7,500,000,000	1,832,698,209	263,301,791
Post-Reverse Stock Split		
Authorized Shares	Issued Shares	Authorized but Unissued and Unreserved
7,500,000,000	9,163,491	6,360,144,108

The additional shares of Common Stock available for issuance by the Board could potentially be used for acquisitions, raising additional capital, stock options or other corporate purposes. The additional shares of Common Stock could be also used for potential strategic transactions, including, among other things, strategic partnerships and/or joint ventures, although there are no immediate plans to do so. Assurances cannot be provided that any such transactions will be consummated on favorable terms or at all, that they will enhance stockholder value or that they will not adversely affect the Company's business or the trading price of the Common Stock. Any such issuance of additional shares of Common Stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of Common Stock. Other than convertible notes and other agreements previously disclosed by the Company in its public filings, there is currently no plan, agreement or other understanding that could require the Company to issue shares of Common Stock.

The Company has a number of outstanding convertible promissory notes with variable pricing provisions that have matured or will mature in Q1 2015. If these notes are not repaid in cash and subsequently are converted to equity, the following table shows a summary as of the Record Date of the number of shares that may have to be issued at our expected post-split share price as of the anticipated Effective Date, and the number of shares that may need to be issued if our share price subsequently decreases by as much as 75%.

Procedure for Effecting Reverse Stock Split and Exchange of Stock Certificates

We anticipate that the Reverse Stock Split will become effective on February 6, 2015, or as soon thereafter as is reasonably practicable (the “Effective Date”). Beginning on the Effective Date, each stock certificate representing pre-Reverse Stock Split shares of Common Stock will be deemed for all corporate purposes to evidence ownership of post-Reverse Stock Split shares of Common Stock.

Our transfer agent, Colonial Stock Transfer, will act as exchange agent (the “Exchange Agent”) for purposes of implementing the exchange of stock certificates. Holders of pre-Reverse Stock Split shares of Common Stock are asked to surrender to the Exchange Agent stock certificates representing pre-Reverse Stock Split shares of Common Stock in exchange for stock certificates representing post-Reverse Stock Split shares of Common Stock in accordance with the procedures set forth in the letter of transmittal enclosed with this Information Statement. No new stock certificates will be issued to a Stockholder until such Stockholder has surrendered the outstanding stock certificate(s) held by such Stockholder, together with a properly completed and executed letter of transmittal.

Stockholders whose shares are held in brokerage accounts or in a street name need not submit Old Common Stock certificates for exchange as those shares will automatically reflect the new share amount based on the Reverse Stock Split. Any stockholder whose Old Common Stock certificate has been lost, destroyed or stolen will be entitled to issuance of a New Common Stock certificate upon compliance with such requirements as the Company and the Exchange Agent customarily apply in connection with lost, stolen or destroyed certificates.

Further, prior to filing the amendment to the Certificate of Incorporation reflecting the Reverse Stock Split, we intend to notify the Financial Industry Regulatory Authority (“FINRA”) by filing the Issuer Company Related Action Notification Form no later than ten (10) days prior to our anticipated effective date of February 6, 2015, for the Reverse Stock Split.

STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATES AND SHOULD NOT SUBMIT ANY CERTIFICATES WITHOUT THE LETTER OF TRANSMITTAL.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following tables set forth certain information regarding the beneficial ownership of our Common Stock as of January 2, 2015, of (i) each person known to us to beneficially own more than 10% of Common Stock, (ii) our directors, (iii) each named executive officer, and (iv) all directors and named executive officers as a group. As of January 2, 2015, there were a total of 1,832,698,209 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote on matters on which holders of voting stock of the Company are eligible to vote. The column entitled "Percentage of Outstanding Common Stock" shows the percentage of voting common stock beneficially owned by each listed party.

The number of shares beneficially owned is determined under the rules promulgated by the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any shares as to which a person or entity has sole or shared voting power or investment power plus any shares which such person or entity has the right to acquire within sixty (60) days of January 2, 2015, through the exercise or conversion of any stock option, convertible security, warrant or other right. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares such power with that person's spouse) with respect to all shares of capital stock listed as owned by that person or entity.

Title Of Class	Name And Address Of Beneficial Owner (1)	Amount And Nature Of Beneficial Ownership (2)	Approximate Ownership Percent of Class (%)**	Total Voting Percent of Class (%)**
Common	Perry Leopold(2)(3)	22,130,228	1.21%(2)	80.00%(3)
Common	Fred Michini	1,439,890	0.08%	0.02%
Common	All executive officers and directors as a group (2 persons)	23,570,118	1.29%	80.02%
Series A Preferred	Perry Leopold(2)	4,000,000	100%	100%
Series I Preferred	Perry Leopold(3)	100	100%(3)	100%(3)

** The percentages listed for each shareholder assume the exercise or exchange by that shareholder only, of his or its entire convertible or exchangeable security (including options or warrants), as the case may be, and thus include the shares underlying said convertible or exchangeable security (including options or warrants). However, the percentages do not assume the exercise of all convertible or exchangeable securities (including options or warrants) by all the shareholders holding such securities.

- (1) The address for the above identified officers and directors of the Company is c/o North Bay Resources Inc., 2120 Bethel Road, Lansdale, PA 19446.
- (2) Mr. Leopold, the Company's CEO and Chairman owns 4,000,000 shares of the Company's Series A Preferred Stock. Each outstanding share of the Series A Preferred Stock has 10 votes per share, and may be converted to shares of common at a ratio of 5 to 1, which would thus convert to 20,000,000 shares of common stock. The Series A Preferred Stock was issued in August 2009. Mr. Leopold is prohibited from converting any of his Preferred Stock without providing the Company with at least 61 days advance notice.
- (3) Mr. Leopold owns 100 shares of the Company's Series I Preferred Stock. Each outstanding share of the Series I Preferred Stock represents its proportionate share of eighty per cent (80%) of all votes entitled to be voted and which is allocated to the outstanding shares of Series I Preferred Stock. These shares are not convertible into common stock or any commodities. The Series I Preferred Stock was issued in February 2007. These shares were issued our Chief Executive Officer, Mr.

Perry Leopold, in February 2007 as an anti-takeover measure to insure that Mr. Leopold maintains control of the Company during periods when the Company's stock may be severely undervalued and subject to hostile takeover in the open market. As specified in the Certificate of Designation filed by the Company with the Delaware Secretary of State in February 2007, "the outstanding shares of Series I Preferred Stock shall vote together with the shares of common stock of the Corporation as a single class and, regardless of the number of shares of Series I Preferred Stock outstanding and as long as at least one of such shares of Series I Preferred Stock is outstanding, shall represent eighty percent (80%) of all votes entitled to be voted at any annual or special meeting of shareholders of the Corporation or action by written consent of shareholders. Each outstanding share of the Series I Preferred Stock shall represent its proportionate share of the 80% that is allocated to the outstanding shares of Series I Preferred Stock. The Series I preferred shares supersede any other shares that Mr. Leopold may own so that any additional securities that Mr. Leopold may own do not increase his 80% voting rights, and are therefore included within the 80%.

Voting Power of Principal Stockholders and Officers

The following table sets forth information as of the Record Date and the date of this Information Statement, with respect to the beneficial ownership of our Officers and Directors and their associated voting power of the common stock holders:

Name	Common Stock Number of Shares	Percent of Class	Series I Preferred Number of Shares	Percent of Class	Total Voting Power
Perry Leopold, CEO	22,130,228(1)	1.21%(1)	100	100.00%	80.00%(2)
Fred Michini, Director	1,439,890	0.08%	-	0%	0.02%
Totals	23,570,118	1.29%	100	100.00%	80.02%

- (1) Includes 22,130,228 shares of common stock and 4,000,000 shares of the Company's Series A Preferred Stock owned by Mr. Leopold, the Company's CEO and Chairman. Each outstanding share of the Series A Preferred Stock has 10 votes per share, and may be converted to shares of common at a ratio of 5 to 1, which would thus convert to 20,000,000 shares of common stock. The Series A Preferred Stock was issued in August 2009. Mr. Leopold is prohibited from converting any of his Preferred Stock without providing the Company with at least 61 days advance notice.
- (2) Mr. Leopold owns 100 shares of the Company's Series I Preferred Stock. Each outstanding share of the Series I Preferred Stock represents its proportionate share of eighty per cent (80%) of all votes entitled to be voted and which is allocated to the outstanding shares of Series I Preferred Stock. These shares are not convertible into common stock or any commodities. The Series I Preferred Stock was issued in February 2007.

DISSENTER'S RIGHTS

Under the Delaware General Corporate Law, holders of shares of common stock are not entitled to dissenters' rights with respect to any aspect of the Amendment, and we will not independently provide holders with any such right.
