## SONY COMMUNICATION NETWORK CORPORATION ANNOUNCES REVISION OF CONSOLIDATED FORECAST FOR THE CURRENT FISCAL YEAR

Sony Communication Network Corporation (hereinafter, the "SCN Group"), a subsidiary the performance of which is linked to a tracking stock issued by Sony Corporation, announced today the following revisions to the forecast for consolidated results for the fiscal year ending March 31, 2005. The previous forecast was announced on January 27, 2005 when consolidated results for the quarter ended December 31, 2004 were released.

1. The SCN Group announces the following revisions to the forecast for the year ending March 31, 2005 (the period from April 1, 2004 to March 31, 2005).

|                      | Sales             | Operating Income | Ordinary Income | Net Income |
|----------------------|-------------------|------------------|-----------------|------------|
|                      | (millions of yen) |                  |                 |            |
| Prior forecast (A)   | 40,000            | 2,500            | 2,500           | 3,300      |
| Revised forecast (B) | 40,000            | 2,500            | 2,500           | 4,000      |
| Difference (B-A)     | 0                 | 0                | 0               | +700       |
| Difference (%)       | 0                 | 0                | 0               | +21.2      |
| (For reference)      |                   |                  |                 |            |

## Edgar Filing: SONY CORP - Form 6-K

Prior FY results            38,166                            (870)                            (911)                            (412)

2. Reasons for the revised forecast: The SCN Group's affiliated company accounted for by the equity method DeNA Co., Ltd. (Shibuya Ward, Tokyo; Representative Director and CEO Tomoko Namba) (the SCN Group has 27.7% of the voting rights of the company) plans to list on the Tokyo Stock Exchange Mothers Market on February 16, 2005. It has been decided that on that day, the offering price of the company will be 220,000 yen per share. Based on this offering price, as a result of the public offering of 14,000 shares, it is expected that the SCN Group will record a gain on issuance of stock by equity investee in which the SCN Group has investment. The SCN Group has thus revised its forecast for consolidated results.
