Voting Procedures

The Class A Common Stock and the Class B Common Stock vote as a single class on Proposals 1 and 2. All record holders of issued and outstanding shares of Common Stock are entitled to vote on Proposals 1 and 2. Brokers who hold shares in street name for customers have the authority under the rules of the various stock exchanges to vote on certain items when they have not received instructions from beneficial owners. Brokers that do not receive instructions are entitled to vote those shares with respect to the election of directors, Proposal 1, but may not vote on Proposal 2. Shares for which brokers have not received instructions, and therefore are not voted with respect to a certain proposal are referred to as broker non-votes.

Under Florida law and our Articles of Incorporation, the presence in person or by proxy of shareholders entitled to cast a majority of all votes entitled to be cast on the matter at the annual meeting constitutes a quorum. A share that is represented for any purpose is deemed present for quorum purposes. Therefore, abstentions and broker non-votes will count for purposes of determining if there is a quorum present at the annual meeting.

PROPOSAL 1

ELECTION OF DIRECTOR

Proposal

Our Board of Directors consists of five directors, divided into three classes with members of each class of directors serving for staggered three-year terms. The Board members and classifications are as follows:

<u>Class I</u>	<u>Class II</u>	<u>Class III</u>
Steven E. Nielsen	Richard W. Miller Jeffrey A. Stoops	Steven E. Bernstein Donald B. Hebb, Jr.

The term of the Class I director will expire at the 2003 Annual Meeting of Shareholders.

Nominee to Serve for a Three-Year Term Expiring in 2006

The following person has been nominated by the Board for election to the Board of Directors as a Class I director to succeed himself for a term of three years, expiring at the 2006 Annual Meeting of Shareholders and until his successor is duly elected and qualified.

Steven E. Nielsen, 40, was appointed a director of SBA in November 2001. Mr. Nielsen has been President and Chief Executive Officer of Dycom Industries, Inc., a provider of engineering, construction and maintenance services to telecommunication providers, since March 1999. Prior to that time, Mr. Nielsen served as President and Chief Operating Officer of Dycom Industries, Inc. from August 1996 to March 1999 and as Vice President of Dycom Industries, Inc. from February 1996 to August 1996. Mr. Nielsen also serves as Chairman of the Board of Directors of Dycom Industries, Inc.

The nominee has consented to be named in this proxy statement and to serve as a member of our Board of Directors if elected. In the event that the nominee withdraws or for any reason is not able to serve as a director, the proxy will be voted for such other person as may be designated by the Board of Directors, but in no event will the proxy be voted for more than one nominee as a Class I director. Our management has no reason to believe that the nominee will not serve if elected.

Vote Required

The affirmative vote of a plurality of the votes cast by holders of outstanding shares of the Common Stock is required for the approval of the election of the director. You may vote in favor of the director or you may withhold your vote from the nominee. Votes that are withheld with

Edgar Filing: SBA COMMUNICATIONS CORP - Form DEF 14A

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the nominee.

Compensation of Directors

Our 2001 Equity Participation Plan provides that all non-employee directors, upon their initial election or appointment to the Board of Directors, will be granted non-qualified stock options to purchase 50,000 shares of Class A Common Stock with a per share exercise price equal to the fair market value per share of our Class A Common Stock at the grant date. Such options will vest and become exercisable in equal annual installments on each of the first five anniversaries of the grant date so long as the person continues to serve as a member of our Board of Directors. Additionally, as of 2001, during July of each fiscal year, each continuing non-employee director will receive an annual grant of non-qualified stock options to purchase shares of Class A Common Stock. The number of shares will be determined by the full Board of Directors annually. The per share exercise price of these options will equal the fair market value per share of our Class A Common Stock at the grant date. Each of these annual grants of options will fully vest and become exercisable on the first anniversary of the grant date. As of 2002, each non-employee director will receive annual compensation in the amount of \$20,000 plus \$1,000 for each regular meeting and each special meeting at which action is taken. On July 31, 2002, each of our continuing non-employee directors, Messrs. Hebb, Miller and Nielsen received an annual grant of non-qualified stock options to purchase 10,000 shares of our Class A Common Stock at an exercise price of \$1.75.

Edgar Filing: SBA COMMUNICATIONS CORP - Form DEF 14A

The Board of Directors held 13 meetings, including 4 regularly scheduled meetings and 9 special meetings, during the year ended December 31, 2002. Each director attended at least 75% or more of the aggregate number of meetings held by the Board of Directors and the committees on which he served. Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating Committee. The Audit Committee and the Compensation Committee were established in May 1999. The Nominating Committee was established in March 2002 and commenced its activities during fiscal year 2002.

Table of Contents

Audit Committee. The Audit Committee presently consists of Messrs. Hebb, Miller and Nielsen. The members of the Audit Committee are independent directors as defined under Rule 4200(a)(14) of The Nasdaq Stock Market Inc.'s Marketplace Rules. The Audit Committee has been assigned the principal function of establishing our audit policies, selecting our independent auditors and overseeing the engagement of our independent auditors. The Audit Committee held 6 meetings during the year ended December 31, 2002.

Compensation Committee. The Compensation Committee presently consists of Messrs. Hebb, Miller and Nielsen. The Compensation Committee has been assigned the functions of establishing salaries, incentives and other forms of compensation for executive officers and administers incentive compensation and benefit plans provided for employees. The Compensation Committee held 2 meetings during the year ended December 31, 2002.

The Nominating Committee considers possible candidates from many sources, including shareholders, for nominees for directors. If a shareholder wishes to recommend a nominee for director, the recommendation should be sent to the Corporate Secretary by January 16, 2004 in accordance with the instructions set forth later in this proxy statement under General Information Shareholder Proposals for 2004 Annual Meeting. All recommendations should be accompanied by a complete statement of such person's qualifications (including education, work experience, knowledge of SBA's industry, membership on the Board of Directors of another corporation and civic activity) and an indication of the person's willingness to serve.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and persons who own more than 10% of our outstanding Common Stock, to file with the Securities and Exchange Commission reports of changes in their ownership of Common Stock. Officers, directors and greater than 10% shareholders are also required to furnish us with copies of all forms they file under this regulation. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, during the year ended December 31, 2002, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% shareholders were complied with, except that each of Messrs. Bagwell, Fiedor, Hunt, and Marino and Ms. Kline failed to report one transaction on a timely basis.

Compensation Committee Interlocks and Insider Participation

AUDIT COMMITTEE REPORT

On May 4, 2000, the Board of Directors adopted an Audit Committee Charter. On September 18, 2002, the Board of Directors adopted an amended Audit Committee Charter, under which the Audit Committee operates. The Audit Committee Charter, as amended, is attached to this Proxy Statement as Appendix A.

Management has the primary responsibility for SBA's internal controls, the financial reporting process and preparation of the consolidated financial statements of SBA. The independent auditors, Ernst & Young LLP, are responsible for performing an independent audit of SBA's consolidated financial statements in accordance with auditing standards generally accepted in the United States and to issue a report thereon. The Audit Committee's responsibility is to select the independent auditors and monitor and oversee these processes.

The Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that SBA's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed the audited consolidated financial statements with management and the independent auditors.

In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence. In connection with this discussion, the Audit Committee also considered whether the provision of services by the independent auditors not related to the audit of SBA's financial statements is compatible with maintaining the independent auditors' independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in SBA's Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

On July 30, 2002, the Sarbanes-Oxley Act was signed into law. On September 11, 2002, the Audit Committee met with representatives of management, internal legal counsel, external legal counsel and our independent accountants. During those meetings, the Audit Committee furthered its understanding of the provisions under the Sarbanes-Oxley Act. The Audit Committee also reviewed processes that are currently in place as well as those that will be implemented to comply with the requirements of the Sarbanes-Oxley Act as they become effective.

The Audit Committee has implemented procedures to ensure all audit and permitted non-audit services provided after January 1, 2003 are pre-approved by the Audit Committee. Specifically, the Audit Committee pre-approved the use of Ernst & Young for certain categories of non-audit services for 2003 and retained authority to approve other services on a case-by-case basis. All non-audit services provided in 2002 were reviewed by the Audit Committee, which concluded that the provision of such services by Ernst & Young was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee has discussed these matters with Ernst & Young and our management and will monitor our compliance with any new restrictions as they are put in place to continue to ensure that the services provided by its independent accountants are compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

See the portion of this proxy statement titled "Committees and Meetings of the Board" on page 4 for information on the Audit Committee's meetings in 2002.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this proxy statement, in whole or in part, the Audit Committee Report above and the Compensation Committee Report and the Performance Graph of Shareholder Return that follow shall not be incorporated by reference into any such filings.

Independent Auditor's Fees

Audit Fees. Fees for audit services rendered in connection with the fiscal year ended December 31, 2002 were approximately \$544,000, including fees associated with the annual audit, the reviews of our quarterly reports on Form 10-Q, statutory audits required internationally, fees related to filings with the Securities and Exchange Commission (SEC) and consultations on accounting issues and the application of new accounting pronouncements.

Audit-Related Fees. There were no fees for audit-related services for 2002.

Tax Fees. Fees for tax services rendered during the fiscal year ended December 31, 2002 were approximately \$285,000, relating to compliance fees for preparation of tax returns, assistance with tax planning strategies and tax examination assistance.

All Other Fees. No fees were billed for professional services for 2002 in connection with financial information systems design and implementation. Fees for all other services rendered during the fiscal years ended December 31, 2002 and December 31, 2001 not included above were approximately \$104,000 for 2002 and \$151,000 for 2001. These services principally included internal audit outsourcing services that were previously permitted under the SEC's auditor independence rules. In order to comply with the SEC's new auditor independence rules, we ended our relationship with Ernst & Young for the internal audit function prior to engaging them as independent certified public accountants.

Ernst & Young LLP advised the Audit Committee that it did not believe its audit was impaired by its provision of such services, particularly in view of the relationship of the related fees to its annual revenues. As a result, Ernst & Young LLP confirmed that, as of December 31, 2002, it was an independent accountant with respect to SBA within the meaning of the Securities Act and the requirements of the Independence Standards Board.

Table of Contents**Stock Option Exchange Program**

As many of our employees were holding outstanding options that had exercise prices that were significantly higher than the current market price of our Class A Common Stock, thereby rendering these options without value and negatively impacting the ability of such options to serve as a meaningful and positive part of our compensation and retention programs, our Board of Directors approved a voluntary stock option exchange program on March 28, 2002 which was subsequently approved by our shareholders on May 16, 2002. The stock option exchange program was commenced on May 20, 2002 and expired on June 18, 2002. Under the stock option exchange program, eligible employees (excluding our directors, former employees and retirees) holding options to purchase our Class A Common Stock with an exercise price in excess of \$8.00 could receive 2 new options for every 3 existing options surrendered. The new options were granted on December 19, 2002 with an exercise price of \$8.00.

By the expiration of the stock option exchange program, our employees tendered options to purchase a total of 1,236,328 shares of our Class A Common Stock. The following table details information on the options tendered by our executive officers:

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors is comprised of three independent directors and has the responsibility to:

establish our compensation philosophy and policies;

review and approve pay recommendations for our executive officers;

initiate all compensation actions for our Chief Executive Officer; and

administer our equity participation and other compensatory plans.

Philosophy. Our compensation policies have been designed to (i) attract and retain high-performing executive talent; (ii) achieve key operational and financial goals; (iii) reward key performers who achieve superior results; and (iv) align the financial interests of the senior management group with those of shareholders. Accordingly, the total compensation of the senior management group, has been set at levels that are intended to be competitive with companies of similar size and complexity.

To achieve its policy goals, the Compensation Committee has utilized salary, cash bonuses and non-cash compensation, including grants of stock and stock options. We do not currently provide executive officers with other long term incentive compensation other than the ability to contribute their earnings to SBA's 401(k) Plan or participate in SBA's Employee Stock Purchase Plan.

The Compensation Committee has focused on the establishment of salaries and other compensation levels that are externally competitive and internally equitable for each of its executive officers. In connection with this process, the Compensation Committee has reviewed publicly available information and data concerning compensation paid by corporations that compete with us for executive talent, including corporations engaged in telecommunications.

Salaries. For the 2002 year, as in prior years, the Compensation Committee reviewed salary recommendations for our executives and then approved such recommendations, with modifications that it deemed appropriate. The salary recommendations were made under the ultimate direction of the Chief Executive Officer, based on peer group and national industry surveys of total compensation packages, evaluations of each individual executive officer, market changes and the economic and business conditions affecting SBA at the time of the evaluation. Evaluations of each individual executive officer are based on a relative valuing of the duties and responsibilities of such executive officer, such executive officer's role in developing and implementing SBA's overall business strategy and such executive officer's past and expected future performance.

Bonuses. The Compensation Committee also determines, based upon the recommendation of the Chief Executive Officer, the amount of bonus potential to be established for each of the executive officers and subsequently the amount of bonus actually paid. For 2002, executive officers were offered the opportunity to forego annual bonus potential in exchange for additional stock options. During 2002, each of Messrs. Stoops, Bagwell and Marino elected this alternative with respect to their compensation for fiscal year 2002.

Edgar Filing: SBA COMMUNICATIONS CORP - Form DEF 14A

Equity-Based Compensation. The Compensation Committee's philosophy is that a portion of an executive's compensation should be based directly upon the value of long-term incentive compensation in the form of stock ownership or stock option awards so as to align the financial interests of our executive officers with those of our shareholders. The Compensation Committee believes that providing executives with the opportunities to acquire significant stakes in our growth and prosperity (through grants of stock options), while maintaining other elements of our compensation program at externally equitable levels, will incentivize and reward executive officers for sound business management, develop a high-performance team environment, the accomplishment of short-term and long-term strategic and operational objectives and improvement in shareholder value which are essential to our ongoing success. Furthermore, the Compensation Committee believes that this approach to compensation motivates executives to perform to their full potential.

Table of Contents

In general, stock options for our executive officers are granted at least at the prevailing market price on the grant date and thus, will only have value if our stock price increases. However, during 2001, the Compensation Committee granted options with below-market exercise prices to certain executive officers in lieu of cash bonuses. Generally, grants vest in equal amounts over a period of four years (although certain special types of grants may vest either immediately or over a shorter period). The grants of stock options to those executive officers electing to forgo their bonus potential for 2000, 2001 and 2002 were calculated with the intent to provide value on the grant date at least equal to their base salary.

Compensation of Chief Executive Officer. The Compensation Committee fixes the base salary of the Chief Executive Officer based on a review of competitive compensation data, the Chief Executive Officer's overall compensation package and the Compensation Committee's assessment of his past performance and its expectation as to his future performance in leading SBA. During the last fiscal year, the Compensation Committee established the base salary and overall compensation of Mr. Stoops, who was appointed as Chief Executive Officer effective January 1, 2002, in accordance with the criteria mentioned above.

The Compensation Committee will continually evaluate our compensation policies and procedures with respect to executives. Although the Compensation Committee believes that current compensation policies have been successful in aligning the financial interests of executive officers with those of our shareholders and with SBA's performance, it continues to examine what modifications, if any, should be implemented to further link executive compensation with both individual and SBA's performance.

PROPOSAL 2
AMENDMENT OF
SBA COMMUNICATIONS CORPORATION
1999 EMPLOYEE STOCK PURCHASE PLAN

On August 1, 2003, our Board of Directors adopted an amendment (the Amendment) to the SBA Communications Corporation 1999 Employee Stock Purchase Plan (the Purchase Plan) which increased the number of shares of Class A Common Stock reserved for purchase under the Purchase Plan from 500,000 shares to 1,500,000 shares, subject to shareholder approval. The full text of the Amendment is set forth as Appendix B to this Proxy Statement.

Purpose

The purpose of the Purchase Plan is to provide our employees and the employees of our subsidiaries with the opportunity to acquire a stock ownership interest in us through the purchase of our Class A Common Stock and, thus, to develop a stronger incentive to work for our continued success. The Purchase Plan is an employee stock purchase plan under Section 423 of the Internal Revenue Code of 1986, as amended (the Code).

Administration

The Purchase Plan will be administered by the Compensation Committee. Subject to the provisions of the Purchase Plan, the Compensation Committee is authorized to determine any questions arising in the administration, interpretation and application of the Purchase Plan, and to make such uniform rules as may be necessary to carry out its provisions.

Eligibility and Number of Shares

Pursuant to the terms of the Amendment, the maximum aggregate number of shares of our Class A Common Stock that may be purchased through the Purchase Plan increased from 500,000 shares to 1,500,000 shares, subject to appropriate adjustments by the Compensation Committee in the event of certain changes in the outstanding shares of Class A Common Stock by reason of stock dividends, stock splits or other subdivisions.

Any of our employees and the employees of any of our subsidiary corporations (including officers and any directors who are also employees) will be eligible to participate in the Purchase Plan for any Option Period (as defined below) so long as, on the first day of such Option Period, the employee has been continuously employed for at least 90 consecutive days and the employee is employed at least 20 hours per week and for more than 5 months in any calendar year. An Option Period means any of the two six month periods ending on May 31 and November 30, respectively, of each year during which participants make contributions to the Purchase Plan.

Any eligible employee may elect to become a participant in the Purchase Plan for any Option Period by delivering to us a written payroll deduction authorization or a written notice of election to participate in the Purchase Plan by lump sum payment in the calendar month prior to the applicable Offering Date (as defined below). The written payroll deduction authorization will authorize payroll deductions beginning with the first payday in such Option Period and continuing until the employee modifies his or her authorization, withdraws from the Purchase Plan or ceases to be eligible to participate. An Offering Date means the date the relevant Option Period begins, or December 1 and June 1, respectively, of each year.

No employee may participate in the Purchase Plan if such employee would be deemed for purposes of the Code to own stock possessing 5% or more of the total combined voting power or value of all classes of our stock. As of July 31, 2003, we have approximately 619 employees who are eligible to participate in the Purchase Plan.

Table of Contents

Participation

An eligible employee who elects to participate in the Purchase Plan will authorize us to make payroll deductions or will make a lump sum payment: (i) equal to at least 1% of his compensation as of the Offering Date; (ii) equal to at least \$5.00 per pay period, if payroll deduction is selected; and (iii) that is expressed either as a whole number percentage or a fixed dollar amount. A participant may elect to stop participating in the Purchase Plan at any time during an Option Period by delivering to us a written notice of such early termination. Upon delivery of such notice, all future payroll deductions will cease or the participant will be relieved from any future lump sum payment obligations, as the case may be. Upon such early termination, a participant may elect to: (i) withdraw from the Purchase Plan; or (ii) have amounts credited to his plan account for the purchase of our Class A Common Stock. If a participant chooses to withdraw from the Purchase Plan, we will refund the entire amount, if any, in his plan account to him within 21 days of our receipt of the notice of withdrawal. Any participant who withdraws from the Purchase Plan will not be eligible to reenter the Purchase Plan until the next succeeding Option Period.

Purchase of Stock

As of the applicable Exercise Date (as defined below), the amounts withheld for a participant in the Purchase Plan will be used to purchase shares of our Class A Common Stock. The purchase price of each share will be equal to 85% of the lesser of the Fair Market Value (as defined in the Purchase Plan) of a share of Class A Common Stock on either the Offering Date or the Exercise Date of the Option Period. An Exercise Date under the Purchase Plan are the last days of the Option Periods, or May 31 and November 30, respectively, of each calendar year on which participants purchase shares of our Class A Common Stock under the Purchase Plan. All amounts so withheld will be used to purchase the number of shares of Class A common stock that can be purchased with such amounts at such price. On August 1, 2003, the closing sales price of a share of our Class A Common Stock reported on the Nasdaq National Market was \$3.85.

No more than \$25,000 in Fair Market Value (determined on the Offering Date of the respective Option Periods) of shares of Class A Common Stock may be purchased by any participant for each calendar year under the Purchase Plan. If purchases by all participants would exceed the number of shares of Class A Common Stock available for purchase under the Purchase Plan, each participant will be allocated a ratable portion of such available shares. Any amount not used to purchase shares of Class A Common Stock will be refunded to the participant in cash.

Shares of Class A Common Stock acquired by each participant will be electronically delivered to a brokerage account in the participant's name with Salomon Smith Barney. Each participant will be entitled to vote all shares held for the benefit of such participant in such brokerage account. Certificates for the number of shares of Class A Common Stock purchased by a participant will be issued and delivered to him or her only upon the request of such participant or his or her representative. Although we currently establish brokerage accounts with Salomon Smith Barney for all participating employees, we may in the future establish brokerage accounts with a different broker. We will advise the participants in advance of any change.

Merger, Acquisition or Liquidation

If we are merged or consolidated into another corporation, or if another corporation acquires all or substantially all of our assets or 80% or more of our then outstanding voting stock, or if we are liquidated or dissolved, the date of exercise with respect to outstanding options to purchase our Class A Common Stock will be accelerated to the business day immediately preceding the effective date of such merger, consolidation, acquisition, liquidation or dissolution unless the Compensation Committee shall, in its sole discretion, provide for the assumption or substitution of such options in compliance with Section 424(a) of the Code.

Table of Contents

Death, Disability, or Other Termination of Employment

If the employment of a participant terminates for any reason, including death, disability, termination for cause or termination without cause, any remaining balance of the amounts previously withheld will be refunded to the participant or the participant's estate within 21 days of the date the participant ceased to be eligible or was no longer employed by us or any of our subsidiaries. Upon payment to the participant, the participant's beneficiary or estate of any remaining balance in his plan account, the participant's interest in the Purchase Plan and his option under the Purchase Plan immediately terminate.

Rights not Transferable

The rights of a participant under the Purchase Plan are exercisable only by the participant during his or her lifetime. No right or interest of any participant in the Purchase Plan may be sold, pledged, assigned or transferred in any manner other than by will or the laws of descent and distribution.

Amendment or Modification

The Board of Directors may at any time amend, suspend or terminate the Purchase Plan, provided that approval by our shareholders within 12 months (before or after) of action by our Board of Directors is required to (i) increase the number of shares to be reserved under the Purchase Plan (except for adjustments by reason of stock dividends, stock splits, or other subdivisions), or (ii) change the designation or class of eligible employees.

Additionally, the Compensation Committee has the power to make, amend and repeal rules and regulations for the interpretation and administration of the Purchase Plan consistent with the qualification of the Purchase Plan under Section 423 of the Code. The Compensation Committee is also authorized to change the Option Periods, Offering Dates and Exercise Dates under the Purchase Plan by providing written notice to all employees at least 15 days prior to the date any modifications will become effective.

Termination

All rights of participants in any offering under the Purchase Plan will terminate at the earlier of (i) the day that participants become entitled to purchase a number of shares of our Class A common stock equal to or greater than the number of shares remaining available for purchase; or (ii) May 2013. Upon termination of the Purchase Plan, shares of Class A Common Stock will be purchased for participants in accordance with the terms of the Purchase Plan, and cash, if any, previously withheld and not used to purchase shares of Class A Common Stock will be refunded to the participants, as if the Purchase Plan were terminated at the end of an Option Period.

Application of Funds

Edgar Filing: SBA COMMUNICATIONS CORP - Form DEF 14A

The proceeds we receive from the sale of our Class A Common Stock pursuant to options granted under the Purchase Plan may be used for any corporate purposes.

Federal Tax Considerations

The following summarizes certain United States federal income tax considerations for employees participating in the Purchase Plan and certain tax effects to SBA. This summary, however, does not address every situation that may result in taxation. For example, it does not discuss foreign, state, or local taxes, or any of the tax implications arising from a participant's death. This summary is not intended as a substitute for careful tax planning, and each employee is urged to consult with and rely on his or her own advisors with respect to the possible tax consequences (federal, state, local and foreign) of exercising his or her rights under the Purchase Plan. The Purchase Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974 nor the provisions of Section 401(a) of the Code.

Table of Contents

For U.S. federal income tax purposes, an employee does not realize income at the time of entry into the Purchase Plan or purchase of a share. If no disposition of the shares is made within two years from the first day of an Option Period, or one year from the date the shares are purchased by the employee, upon subsequent disposition of the shares, ordinary income will be realized to the extent of the lesser of (1) 15% of the average market value on the first business day of the Option Period, or (2) the amount by which the net proceeds of the sale exceed the price paid. Any further gain will be treated as capital gain. No income tax deduction will be allowed SBA for shares purchased by the employee, provided such shares are held for the periods described above. If the shares are disposed of within the periods described above, the employee will recognize ordinary income for the taxable year of the disposition equal to the excess of the fair market value of the shares on the date of purchase over the price paid, and in these circumstances, SBA will be entitled to a deduction equal to the amount of ordinary income recognized by the employee.

Vote Required

You may vote in favor of or against the proposal or you may abstain. If you abstain, your vote will be counted for purposes of determining a quorum, but will have no effect on the proposal. Broker non-votes will have no effect on the proposal.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Ernst & Young LLP has been selected by our Audit Committee to serve as our independent certified public accountant for the fiscal year ending December 31, 2003. Ernst & Young LLP also served as our independent certified public accountant for the fiscal year ended December 31, 2002. Prior to the engagement as independent certified public accountants, Ernst & Young LLP served as our internal audit outsourcing partner. Representatives from Ernst & Young LLP are expected to be present at the annual meeting, will have the opportunity to make a statement if they desire, and will be available to answer questions.

On April 11, 2002, our Board of Directors, upon recommendation of the Audit Committee, terminated Arthur Andersen LLP's engagement as our independent certified public accountant and engaged Ernst & Young LLP to serve as our independent certified public accountant. Prior to engaging Ernst & Young LLP, we had not consulted Ernst & Young LLP on any matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Arthur Andersen LLP's reports on our consolidated financial statements for each of the years ended December 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2001 and 2000, and through the date hereof, there were no disagreements with Arthur Andersen LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP's satisfaction, would have caused them to make reference to the subject matter in connection with their report on our consolidated financial statements for such years.

During the years ended December 31, 2001 and 2000 there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

Edgar Filing: SBA COMMUNICATIONS CORP - Form DEF 14A

We provided Arthur Andersen LLP with a copy of the foregoing disclosures. We filed with our Form 8-K, on April 15, 2002, as Exhibit 16.1, a copy of Arthur Andersen LLP's letter, dated April 11, 2002, stating its agreement with such statements.

GENERAL INFORMATION

Other Matters. The Board of Directors does not intend to present any matter for action at this meeting other than the matters described in this proxy statement. If any other matters properly come before the annual meeting, it is intended that the holders of the proxies hereby solicited will act in respect to such matters in accordance with their best judgment.

Multiple Shareholders Sharing the Same Address. Regulations regarding the delivery of copies of proxy materials and annual reports to shareholders permit us, banks, brokerage firms and other nominees to send one annual report and proxy statement to multiple shareholders who share the same address under certain circumstances. This practice is known as householding. Shareholders who hold their shares through a bank, broker or other nominee may have consented to reducing the number of copies of materials delivered to their address. In the event that a shareholder wishes to revoke a householding consent previously provided to a bank, broker or other nominee, the shareholder must contact the bank, broker or other nominee, as applicable, to revoke such consent. In any event, if a shareholder wishes to receive a separate proxy statement for the 2003 Annual Meeting or a 2002 Annual Report, the shareholder may receive printed copies by contacting SBA Communications Corporation Investor Relations, 5900 Broken Sound Parkway NW, Boca Raton, Florida 33487 by mail or by calling (561) 995-7670.

Any shareholders of record sharing an address who now receive multiple copies of our annual reports and proxy statements and who wish to receive only one copy of these materials per household in the future should also contact SBA Communications Corporation Investor Relations by mail or telephone as instructed above. Any shareholders sharing an address whose shares of Common Stock are held by a bank, broker or other nominee who now receive multiple copies of our annual reports and proxy statements, and who wish to receive only one copy of these materials per household, should contact the bank, broker or other nominee to request that only one set of these materials be delivered in the future.

Shareholder Proposals for 2004 Annual Meeting. Shareholder proposals should be sent to SBA at the address set forth in the Notice of Annual Meeting of Shareholders. The deadline for submission of shareholder proposals pursuant to Rule 14a-8 of the Securities Exchange Act of 1934 for inclusion in our proxy statement for the 2003 Annual Meeting of Shareholders is January 16, 2004. Additionally, SBA must receive notice of any shareholder proposal to be submitted at the 2004 Annual Meeting of Shareholders (but not required to be included in our proxy statement) by March 3, 2004, or such proposal will be considered untimely pursuant to Rule 14a-4 and 14a-5(e) under the Exchange Act and the persons named in the proxies solicited by management may exercise discretionary voting authority with respect to such proposal.

Expenses of Solicitation. Proxies will be solicited by mail, telephone, or other means of communication. Solicitation also may be made by our directors, officers and regular employees. The entire cost of solicitation will be borne by SBA.

By Order of the Board of Directors,

STEVEN E. BERNSTEIN

Chairman
