Item 5. Other Events and Required FD Disclosure

On September 30, 2003, Captaris, Inc. (Captaris) and its indirect wholly-owned subsidiary 3082012 Nova Scotia Company, a Nova Scotia, Canada unlimited liability company (Nova Scotia Subsidiary), acquired Teemplate, Inc., an Alberta, Canada corporation (Teemplate).

Under the terms of the agreement, Nova Scotia Subsidiary acquired all of the stock of Teemplate for US \$ 8.15 million in cash and 574,727 shares of Captaris common stock, which are subject to resale limitations pursuant to Rule 144 of the Securities Act of 1933. The purchase price is subject to a post closing net working capital adjustment. The common stock will be held in a third-party escrow account for one year as security for certain post closing obligations of the Teemplate shareholders, including indemnification obligations. On the first anniversary of the closing, each Teemplate shareholder will have the option to require Captaris to purchase all of the shareholder's portion of the Captaris common stock issued in the transaction at a price per share of \$5.22 if (a) the average of the last sale prices of the common stock for the 20 trading days prior to September 30, 2004 is less than \$5.22; and (b) the last sale price of the common stock on September 30, 2004 is less than \$5.22.

The five founders of Teemplate, including Brent Stankowski, Teemplate's President and CEO, have agreed to join the Captaris team. As part of a management incentive program still being negotiated, these founders may receive up to US \$ 5.5 million of total compensation over the three year period following the closing, in addition to normal salary and benefits, if the business plan for the Teemplate/Captaris combination achieves certain performance targets.

Captaris will host a conference call on Wednesday, October 1 at 9:00 a.m. Eastern/6:00 a.m. Pacific to discuss the Teemplate acquisition and the previously announced disposition of its CallXpress product line. The conference dial-in number is 800-240-2134 and no access code is required.
