INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of THE CHINA FUND, INC. (the Fund) for use at the Annual Meeting of Stockholders, to be held at the Chesterfield Hotel, 363 Cocoanut Row, Library Room, Palm Beach, Florida 33480, on Thursday, February 26, 2004, at 10:00 A.M., local time, and at any adjournments thereof.

This Proxy Statement and the form of proxy are being mailed to stockholders on or about January 12, 2004. Any stockholder giving a proxy has the power to revoke it by mail (addressed to the Secretary, The China Fund, Inc., c/o State Street Bank and Trust Company, 225 Franklin Street, Boston, Massachusetts 02110), or in person at the meeting, by executing a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed proxies received in time for the meeting will be voted as specified in the proxy or, if no specification is made, for the proposal referred to in this Proxy Statement. Abstentions are included in the determination of the number of shares present and voting at the meeting.

The Board of Directors has fixed the close of business on January 2, 2004 as the record date for the determination of stockholders entitled to notice of and to vote at the meeting and at any adjournments thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding 10,073,173 shares of common stock.

Management of the Fund knows of no item of business other than those mentioned in Items 1 and 2 of the Notice of Meeting that will be presented for consideration at the meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its annual report for its fiscal year ended October 31, 2003 to any stockholder requesting such report. Requests for the annual report should be made by writing to The China Fund, Inc., c/o the Altman Group, Inc., 1275 Valley Brook Ave., Lyndhurst, NJ 07071, attention: Warren Antler, by email at wantler@altmangroup.com, or by calling (800) 249-7105.

PROPOSAL 1. ELECTION OF DIRECTORS

The Fund's By-Laws provide that the Board shall be divided into three classes: Class I, Class II and Class III. The terms of office of the present directors in each class expire at the Annual Meeting in the year indicated or thereafter in each case when their respective successors are elected: Class I, 2006; Class II, 2007; and Class III, 2005. At each subsequent annual election, directors that are chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

The terms of Mr. Joe O. Rogers and Mr. Michael F. Holland will expire at the 2004 Annual Meeting of Stockholders. In 2003, the Board of Directors had re-designated Mr. Rogers as a Class I director to ensure a balanced distribution of directors among the Classes, with the understanding that his term would expire early at the 2004 Annual Meeting of Stockholders. In addition, due to the retirement policy adopted by the Fund's Board of Directors on June 8, 2000, Mr. Burton Levin is not permitted to be nominated for re-election, having attained the age of 70. Persons named in the accompanying form of proxy intend in the absence of contrary instructions to vote all proxies for the election of Messrs. Joe O. Rogers and Michael F. Holland to serve for terms expiring on the date on which the Annual Meeting of Stockholders is held, with respect to Mr. Rogers, in 2006, and with respect to Mr. Holland, in 2007, or until his successor is elected and qualified. These two nominees have indicated that they will serve if elected. If any of these nominees should be unable to serve, an event not now anticipated, the proxies shall be voted for such person, if any, as shall be designated by the Board of Directors to replace the nominee. The election of a director will require the affirmative vote of a plurality of the votes cast at the meeting. For this purpose, abstentions will have no effect on the outcome of the election.

The Fund's Board of Directors has an Audit Committee which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is comprised of directors who are not interested persons of the Fund, and its actions are governed by the Fund's written Audit Committee Charter. All members of the Audit Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards. The Audit Committee met four times during the fiscal year ended October 31, 2003.

The Fund's Board has a Nominating Committee, comprised of the current members of the Audit Committee, which is responsible for nominating candidates to fill any vacancies on the Board. All of the members of the Nominating Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards. Currently, the Nominating Committee does not consider nominees recommended by security holders but it may reconsider that position in light of recent developments in the law. The Nominating Committee has a charter which is available on the Fund's website (www.chinafundinc.com). The Nominating Committee evaluates candidate's qualifications for Board membership and their independence from the Fund's managers and other principal service providers. The Nominating Committee does not have specific minimum qualifications that must be met by a Nominating Committee-recommended candidate and there is not a specific process for identifying such candidates. The Nominating Committee did not meet during the fiscal year ended October 31, 2003.

The Fund does not have a specified process for shareholders to send communications to the Board because shareholders are able to communicate directly with the Board at the Annual Meeting of Stockholders and the Fund's reports to shareholders disclose contact information which may be used to direct communications to the Board.

The Fund s Board of Directors held four regular meetings and two special meetings during the fiscal year ended October 31, 2003. Each director attended at least seventy-five percent of the aggregate number of meetings of the Board and any committee on which he served.

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "1934 Act") requires the Fund's officers and directors, and persons who own more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange, Inc. The Fund believes that its officers and directors have complied with all applicable filing requirements for the fiscal year ended October 31, 2003, with the exception of one report of a transaction in shares of the Fund by Mr. Alan Tremain which was filed approximately one week late. KPMG acted as the independent auditors for the fiscal year ended October 31, 2003. The Fund knows of no direct financial or material indirect financial interest of KPMG in the Fund. **PROPOSAL 2. APPROVAL OR REJECTION OF AMENDED
INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT**

Stockholders of the Fund are being asked to approve a revised Investment Advisory and Management Agreement (the Amended Investment Advisory and Management Agreement) with Martin Currie, which, if approved, would increase, at current net asset values, advisory fees payable by the Fund to Martin Currie, the Fund's listed investment manager under an existing Investment Advisory and Management Agreement (the Existing Investment Advisory and Management Agreement), effective March 1, 2004. There are no other material changes in any other terms or conditions of the Existing Investment Advisory and Management Agreement. The Board of Directors has determined that the Amended Investment Advisory and Management Agreement is in the best interests of the Fund and its stockholders. If so approved, the Amended Investment Advisory and Management Agreement will go into effect as of March 1, 2004 for an initial two-year term and thereafter for successive annual periods as long as such continuance is approved in accordance with the 1940 Act. If the stockholders do not approve the Amended Investment Advisory and Management Agreement, then the Existing Investment Advisory and Management Agreement with the Martin Currie will continue in effect for successive annual periods as long as such continuance is approved in accordance with the 1940 Act and Martin Currie will be compensated at the current advisory fee.

The Board of Directors recommends that you vote in favor of the Amendment. The changes are explained in the discussion below and the reasons for the Board's decision are given. A description of the Amended Investment Advisory and Management Agreement, including the services to be provided by Martin Currie, thereunder, is set forth below. Under the terms of the Existing Investment Advisory and Management Agreement, Martin Currie manages the portion of the Fund's assets invested in listed investments (the Listed Assets), including furnishing advice and making recommendations regarding the purchase and sale of the Fund's Listed Assets. Under the terms of the Existing Investment Advisory and Management Agreement, Martin Currie is permitted to provide investment advisory services to other clients, including clients who may invest in China companies so long as the investment management services to the Fund are not impaired thereby. The Existing Investment Advisory and Management Agreement provides that Martin Currie is not liable for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund in connection with matters to which the Existing Investment Advisory and Management Agreement relates, except for losses resulting from willful misfeasance, bad faith or gross negligence on the part of Martin Currie in the performance of its duties, or from reckless disregard by Martin Currie of its obligations and duties under the Existing Investment Advisory and Management Agreement.

Martin Currie, with respect to the Fund's Listed Assets, will place all orders for the purchase or sale of portfolio securities for the Fund's Listed Assets with brokers or dealers it selects, and will be authorized as agent of the Fund to give instructions to the custodians of the Fund's Listed Assets as to deliveries of securities and payments of cash for the account of the Fund. Martin Currie will be responsible for the compensation and expenses of those of the Fund's Directors who are directors, officers and employees of Martin Currie, except that the Fund will bear travel expenses or an appropriate fraction thereof of Directors and officers of the Fund to the extent

such expenses related to attendance at meetings of the Board of Directors or any committee thereof.

Under the terms of the Amended Investment Advisory and Management Agreement, Martin Currie will be permitted to provide investment advisory services to other clients, including clients who may invest in listed investments in China companies so long as the investment management services to the Fund are not impaired thereby.

The Amended Investment Advisory and Management Agreement provides that Martin Currie will not be liable for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund in connection with matters to which the Amended Investment Advisory and Management Agreement relates, except for losses resulting from willful misfeasance, bad faith or gross negligence on the part of Martin Currie in the performance of its duties, or from reckless disregard by Martin Currie of its obligations and duties under the Amended Investment Advisory and Management Agreement.

For its services under the Amended Investment Advisory and Management Agreement, Martin Currie will receive a fee, computed weekly and payable monthly, at the following annual rates: 0.70% of the first US\$400,000,000 of the Fund's average weekly net assets consisting of Listed Assets; and 0.50% of the Fund's average weekly net assets for all Listed Assets of the Fund in excess of US\$400,000,000.

The Amended Investment Advisory and Management Agreement may be terminated at any time, without payment of any penalty, by the Fund or by Martin Currie upon sixty days' written notice or by vote of the stockholders of the Fund. The Amended Investment Advisory and Management Agreement will automatically terminate (i) in the event of its assignment, as defined in the 1940 Act; (ii) if Martin Currie ceases to be a member of the Financial Services Authority of the United Kingdom, the regulator for financial services institutions in the United Kingdom (the FSA); or (iii) upon FSA's instructions. Based on the portion of the Fund's net assets invested in Listed Assets, as of October 31, 2003, the Fund would have paid management fees to the Listed Investment Manager under the Amended Investment Advisory and Management Agreement at the annual rate of 0.70%, or US\$1,335,074. While the Fund has allocated 25% of its assets for direct investments, at October 31, 2003, substantially less than 25% of its assets were invested in direct investments. If the full 25% amount allocated to direct investments in the future were to be invested in direct investments, the aggregate contractual management fee rate payable by the Fund to the Listed Investment Manager and the Direct Investment Manager would be at an annual rate no greater than 2.90%. This aggregate rate would consist of a rate of 0.70% under the Amended Investment Advisory and Management Agreement as applied to 75% of the Fund's assets, and a rate of 2.20% under the Direct Investment Manager's Investment Advisory and Management Agreement as applied to 25% of the Fund's assets. See the table below for an illustration of actual and pro forma fees and expenses.

Fee Table and Pro Forma for the Fund as of October 31, 2003

The Board of Directors, including a majority of the non-interested Directors, approved the Amended Investment Advisory and Management Agreement on December 11, 2003. If the Amended Investment Advisory and Management Agreement is approved by the Fund's stockholders, the Amended Investment Advisory and Management Agreement will effectively represent an increase to the fee payable to Martin Currie by the Fund, effective March 1, 2004, assuming the Fund's asset levels remain the same or higher.

The table below provides information about the actual annual fees the Fund would have paid to Martin Currie Inc. based on the Fund's assets invested in listed investments as of October 31, 2003 and, on a pro forma basis as of that date, assuming that the Amended Investment Advisory and Management Agreement had been in effect on such date:

<u>Actual Advisory Fees</u>	<u>Pro Forma Advisory Fees</u>	<u>Difference</u>

The next table shows the actual operating expenses incurred by the Fund during the fiscal year ended on October 31, 2003 and the expenses that would have been incurred if the amended fee arrangements had been in place during such year, in each case expressed as a percentage of the Fund's average weekly net assets.

The Example set forth above assumes the absence of a sales load, reinvestment of all dividends and distributions at net asset value and expense ratios of 1.76% and 1.82%, respectively. The tables above and the assumption in the Example of a 5% annual return are required by the Securities and Exchange Commission (the "Commission") regulations applicable to all investment companies. The Example should not be considered a representation of past or future expenses or annual rates of return. Actual expenses or annual rates of return may be greater or less than those assumed for purposes of the Example.

Board of Directors Considerations

In connection with their consideration of the proposed increase in advisory fees, the Directors received information from Martin Currie, which the Directors reviewed at meetings held on September 12, 2003 and December 11, 2003. At the meetings, the Directors were advised by counsel concerning their duties in considering the Amended Investment Advisory and Management Agreement and the various factors to be considered and standards to be applied. On December 11, 2003 the Directors, including the non-interested Directors, voted to approve the Amended Investment Advisory and Management Agreement with Martin Currie and submit the agreement to the Fund's stockholders for approval.

The Board received information relating to the quality of services rendered by Martin Currie and the reasonableness of the proposed fee increase. The information presented included comparative performance and

expense data of the Fund relative to single-country, Asian (excluding Japan), closed-end, U.S.-based funds (the Peer Group). The Board also received information on the increasing complexity of portfolio securities in which the Fund invests and on associated increases in costs borne by the Fund's investment adviser. The Directors further reviewed profitability information provided by Martin Currie. The Directors noted that if the Fund's assets were to fall below \$150 million, the investment advisory fee payable to Martin Currie would be lower than the fee that would be paid under the Existing Investment Advisory and Management Agreement with Martin Currie.

In deciding to approve the Agreement, the Board did not identify any single factor as all-important or controlling. The following paragraph summarizes some of the more significant conclusions reached by the Board in connection with the proposed amendment.

The Board concluded (i) that the services provided by the Martin Currie are superior, as evidenced by the fact that the Fund was the best performing fund, on a net asset value total return basis, among a group of ten similar China-oriented funds for the one-year, three-year and five-year periods ending October 31, 2003, and that it would have been the best performing fund even if the proposed fee increase had been in effect during these periods; (ii) that the Fund's total expense ratio was below the average for its Peer Group for the year ended October 31, 2003; (iii) that Martin Currie has made efforts to promote the Fund to investors, including meeting with institutional investors; (iv) that the Adviser is carrying an increasing cost burden in managing the Fund due to an increase in the complexity of portfolio securities and changes in market conditions; (v) that the current advisory fee is disproportionately low in light of fees paid to other advisers in the Peer Group and the superior performance of Martin Currie; and (vi) that the fee payable to Martin Currie under the Existing Investment Advisory and Management Agreement was negotiated at a relatively low rate because of Martin Currie's lack of a relationship or track record with the Fund at the time the Fund entered into the Existing Investment Advisory and Management Agreement with Martin Currie.

Based on its conclusions, and with the assistance of counsel, the Board of Directors, including a majority of the non-interested Directors, determined that the proposed increase in advisory fees payable to Martin Currie by the Fund is fair and reasonable. Accordingly, the Board of Directors, including the non-interested Directors, voted to approve the Amended Investment Advisory and Management Agreement. The Board of Directors, including a majority of the non-interested Directors, recommends that stockholders vote FOR the proposal to approve the Amended Investment Advisory and Management Agreement with Martin Currie.

Stockholder Approval

To become effective, the Amended Investment Advisory and Management Agreement must be approved by the vote of a majority of the outstanding voting securities, which is defined under the 1940 Act as the lesser of the vote of (i) 67% or more of the shares of the Fund entitled to vote thereon present at the Meeting if the holders of more than 50% of such outstanding shares of the Fund are present in person or represented by proxy; or (ii) more than 50% of the outstanding shares of the Fund entitled to vote thereon. The Board of Directors determined to submit the Agreement for consideration by the stockholders of the Fund. **THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDED INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT.**

WHEREAS, the Fund is a closed-end, non-diversified management investment company registered under the U.S. Investment Company Act of 1940, as amended (the 1940 Act), shares of common stock of which are registered under the Securities Act of 1933, as amended; and

WHEREAS, the Fund's investment objective is long-term capital appreciation which it seeks to achieve by investing primarily in equity securities of China companies (as that term is defined in the Prospectus, dated July 10, 1992 (the Prospectus) contained in the Fund's Registration Statement on Form N-2 (File No. 33-47965) (the Registration Statement)). The Fund is also permitted to invest, pursuant to an amendment to the Fund's investment policies adopted by the Fund's Board of Directors, up to 10% of its net assets in companies located in Taiwan; and

WHEREAS, the Fund and Martin Currie Global Investors Ltd. are party to an Investment Advisory and Management Agreement dated as of June 30, 2001 (the Original Agreement) and the parties now wish to terminate the Original Agreement and enter into this Agreement; and

WHEREAS, the Fund desires to retain the Investment Manager to render investment management services with respect to the Fund's assets other than those Fund assets invested in direct investments (as that term is defined below), and the Investment Manager is willing to render such services.

NOW, THEREFORE, in consideration of the mutual covenants hereafter contained, it is hereby agreed by and between the parties hereto as follows:

1. Appointment of Investment Manager.

(a) The Fund hereby employs the Investment Manager for the period and on the terms and conditions set forth herein, subject at all times to the supervision of the Board of Directors of the Fund, to:

i. Other than with respect to the portion of the Fund's assets invested in direct investments, make all investment decisions for the assets of the Fund (the Listed Assets) and to manage the investment and reinvestment of the Listed Assets in accordance with the investment objective and policies of the Fund set forth in the Fund's Prospectus, and as such investment objective and policies are amended from time to time by the Fund's Board of Directors, and subject always to the restrictions of the Fund's Articles of Incorporation and By-Laws, as amended or restated from time to time, the provisions of the 1940 Act. policies of the Fund applicable to the Fund's Listed Assets and, with respect to the Fund's Listed Assets, to place all orders for the purchase or sale of portfolio securities for the Fund with brokers or dealers selected by it, and in connection therewith, the Investment Manager is authorized as agent of the Fund to give instructions to the custodians from time to time of the Fund's Listed Assets as to deliveries of securities and payments of cash for the account of the Fund. In connection with the selection of such brokers or dealers and the placing of such orders, the Investment Manager is directed at all times to seek to use its best efforts to obtain for the Fund the most favorable net results available ("best execution"). In using its best efforts to obtain for the Fund best execution, the Investment Manager shall consider all factors it deems relevant, including, by way of illustration, price, the size of the transaction, the nature of the market security, the amount of the commission, the timing of the transaction taking into account market prices and trends, the reputation, experience and financial stability of the broker or dealer involved and the quality of service rendered by the broker or dealer in other transaction. Subject to such policies as the Fund may communicate to the Investment Manager in writing, the Investment Manager shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement solely by reason of its having caused the Fund to pay a broker or dealer that provides brokerage and research services to the Investment Manager or its affiliates an amount of commission for effecting a portfolio investment transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Investment Manager determines in good faith that such amount of commission was reasonable. ii. Prepare and make available to the Fund pertinent research and statistical data; and

iii. Maintain or cause to be maintained for the Fund all books and records required under the 1940 Act, to the extent that such books and records are not maintained or furnished by administrators, custodians or other agents of the Fund.

(b) The Investment Manager accepts such appointment and agrees during the term of this Agreement to render such services, to permit any of its directors, officers or employees to serve without compensation as directors or officers of the Fund if elected to such positions and to assume the obligations herein for the compensation herein provided. The Investment Manager shall for all purposes herein provided be deemed to be an independent contractor, and unless otherwise expressly provided or authorized, shall have no authority to act for or represent the Fund in any way or otherwise be deemed an agent of the Fund.

(c) The Fund and the Investment Manager hereby acknowledge that the Fund has allocated 25% of the net proceeds of the Offering (as defined in the Prospectus) less 25% of the aggregate repurchase price of any shares of the Fund's Common Stock repurchased by the Fund to direct investments; provided, however, that such allocation shall be subject to review and modification by the Board of Directors of the Fund (the "Direct Investment Amount"). The portion of the Direct Investment Amount as is actually invested in direct investments shall be managed by such entity as may be appointed by the Fund to manage the assets of the Fund other than the Listed Assets (the "Direct Investment Manager") in accordance with the terms of a separate investment management and advisory services agreement entered into by and between the Fund and the Direct Investment Manager (the "Direct Investment Management Agreement"). The portion of the Direct Investment Amount as is not actually invested in direct investments shall be treated as Listed Assets to be managed by the Investment Manager pursuant to the terms of this Agreement. For purposes of the Agreement, a "direct investment" is any investment made under the direction of the Direct Investment Manager, which as of the date of this Agreement, consists of Captive Finance Limited, Tomoike Industrial Limited, and Siu Fung Ceramics Concepts Ltd. Whenever the Direct Investment Manager shall recommend the investment of Fund assets in a direct investment, the Direct Investment Manager shall notify the Investment Manager as to the amount of Fund assets sought to be invested in such direct investment, and the Investment Manager shall, within ten business days thereafter (or such other period of time as the Fund may direct in writing, but such period may not be less than 10 business days), liquidate sufficient portfolio

securities to realize such amount and make the net proceeds thereof available for investment in such direct investment. Upon the sale of a direct investment, the Direct Investment Manager shall make the net proceeds thereof available as soon as reasonably practicable for investment pursuant to this Agreement by the Investment Manager.

2. Compensation. For the services and facilities described in Section 1, the Fund agrees to pay in United States dollars to the Investment Manager, a fee in accordance with the schedule set forth as Exhibit A hereto. For the month and year in which this Agreement becomes effective or terminates, there shall be an appropriate proration on the basis of the number of days that this Agreement is in effect during such month and year, respectively.

3. Investment in Fund Stock. The Investment Manager agrees that it will not make a short sale of any capital stock of the Fund, or purchase any share of the capital stock of the Fund.

4. Non-Exclusivity of Services. Nothing herein shall be construed as prohibiting the Investment Manager or any of its affiliates from providing investment advisory services to, or entering into investment advisory agreements with, any other clients (including other registered investment companies), including clients which may invest in Chinese equity securities, so long as the Investment Manager's services to the Fund pursuant to this Agreement are not materially impaired thereby. The Investment Manager is not obligated to purchase or sell for the Fund any security which the Investment Manager or its affiliates may purchase or sell for their own accounts or other clients.

5. Standard of Care; Indemnification. The Investment Manager may rely on information reasonably believed by it to be accurate and reliable. Neither the Investment Manager nor its officers, directors, employees, agents or controlling persons (as defined in the 1940 Act) shall be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund, in the course of, connected with or arising out of any services to be rendered hereunder, except by reason of willful misfeasance, bad faith or gross negligence on the part of the Investment Manager in the performance of its duties or by reason of reckless disregard on the part of the Investment Manager of its obligations and duties under this Agreement. Any person, even though also employed by the Investment Manager, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Investment Manager. In no event will the Investment Manager have any responsibility for any portion of the Fund other than the Listed Assets or for the acts or omissions of the Direct Investment Manager or any other adviser of the Fund. In particular, the Investment Manager shall have no responsibility for the Fund's being in violation of any applicable law or regulation or investment policy or restriction or instruction applicable to the Fund as a whole or for the Fund's failing to qualify as a regulated investment company under the Internal Revenue Code of 1986, as amended (the Code), if the Fund's holding of the Listed Assets is such that the Listed Assets would not be in such violation or if the Fund would not fail to qualify if the Listed Assets were deemed a separate series of the Fund or a separate regulated investment company under the Code.

The Fund agrees to indemnify and hold harmless the Investment Manager, its officers, directors, employees, agents, shareholders, controlling persons or other affiliates (each an Indemnified Party), for any losses, costs and expenses incurred or suffered by any Indemnified Party arising from any action, proceeding or claims which may be brought against such Indemnified Party in connection with the performance or non-performance in good faith of its functions under this Agreement, except losses, costs and expenses resulting from willful misfeasance, bad faith or gross negligence in the performance of such Indemnified Party's duties or from reckless disregard on the part of such Indemnified Party of such Indemnified Party's obligations and duties under this Agreement.

(b) If the Investment Manager considers the purchase or sale of securities for the Fund and other advisory clients of the Investment Manager at or about the same time, transactions in such securities will be made for the Fund and such other clients in accordance with the Investment Manager's trade allocation procedures, as may be amended from time to time and approved by the Board of Directors of the Fund.

This Agreement shall automatically be terminated in the event of its assignment, provided, however, that a transaction which does not, in accordance with the 1940 Act, result in a change of actual control or management of the Investment Manager's business shall not be deemed to be an assignment for the purposes of this Agreement. This Agreement shall also be automatically terminated if the Investment Manager ceases to be a member of the FSA or any successor organization. In addition, this Agreement shall be terminated upon proper notice if the Investment Manager is required to terminate the Agreement on the FSA's instructions.

(c) Termination of this Agreement shall not (i) affect the right of the Investment Manager to receive payments of any unpaid balance of the compensation described in Section 2 earned prior to such termination, or (ii) extinguish the Investment Manager's right of indemnification under Section 5.

As used herein, the terms "interested person," "assignment," and "vote of a majority of the outstanding voting securities" shall have the meanings set forth in the 1940 Act.
