**Item 4. Changes in Registrant's Certifying Accountant.**

On February 23, 2004, Grant Thornton LLP ( Grant Thornton ) resigned as the independent accountant of Life Sciences, Inc. ( Life Sciences ).

The last two fiscal years of Life Sciences on which Grant Thornton reported were the fiscal years ended May 31, 1999 and 2000. Neither of the reports of Grant Thornton on the financial statements of Life Sciences for those two fiscal years contained an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles, except as described in the next sentence. Each of those reports of Grant Thornton noted substantial doubt about the ability of Life Sciences to continue as a going concern and that the financial statements on which those reports were rendered did not contain any adjustments that might result from that uncertainty.

During the two fiscal years ended May 31, 2000, and during the period from that date to February 23, 2004, there were no disagreements, whether or not resolved, with Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of the former accountant, would have caused the former accountant to make reference to the subject matter of the disagreement in connection with its report.

A copy of the letter dated February 25, 2004 from Grant Thornton to the Securities and Exchange Commission affirming the agreement of Grant Thornton with the statements in the three preceding paragraphs is filed as Exhibit 16.01 to this Form 8-K.
