IMPORTANT

Whether or not you expect to attend our 2004 annual shareholders meeting, we strongly urge you to cast your vote on the Internet, by telephone, or by mailing in your proxy-voting card prior to our meeting, June 7, 2004, to help ensure the presence of a quorum for our meeting and to save the expense and extra work of additional solicitation. If you vote by telephone or the Internet you **DO NOT** need to mail your proxy-voting card. Proxy voting by any method prior to the meeting will not prevent you from attending our 2004 annual shareholders meeting or revoking your vote and voting at our 2004 annual shareholders meeting.

We urge you to please read all of the instructions in your proxy information packet as the instructions, Internet addresses, telephone numbers, and mailing addresses are DIFFERENT depending on whether you have direct or beneficial ownership of your shares. To cast your vote using the proxy-voting card, simply complete the enclosed proxy-voting card, sign, date, and return the card in the pre-addressed envelope contained in your proxy information packet. To vote your shares other than by mailing in your proxy-voting card you must use the control number printed in the box on your proxy-voting card. The control number on your proxy card is your personal code to access the telephone and Internet voting systems.

1. To vote using the Internet, log onto the website designated on your proxy-voting card and follow the instructions.
2. To vote using a touch-tone telephone, call the telephone number on your proxy-voting card and follow the instructions.

For your added convenience, and regardless of how you hold your shares, we have set up a toll-free telephone number with EquiServe, our voting tabulation service, to answer any questions you may have about voting or attending the meeting. The toll-free telephone number is 800-334-9287.

PROXY STATEMENT FOR OUR 2004 ANNUAL SHAREHOLDERS MEETING

TO BE HELD ON JUNE 7, 2004

General Information

The Board of Directors of Mannatech, Incorporated, a Texas corporation, is soliciting the enclosed proxy for use at its 2004 Annual Shareholders Meeting to be held on June 7, 2004 at 10:00 a.m. at the Grapevine Convention Center at 1209 South Main Street, Grapevine, Texas. This proxy statement, Mannatech's 2003 annual shareholders report, a pamphlet containing frequently asked questions, and the proxy-voting card are being mailed or delivered on or about April 28, 2004 to shareholders owning Mannatech stock on the close of business on April 20, 2004. The pamphlet containing frequently asked questions is also attached to this proxy statement as Appendix E, beginning on Page E-1. Unless otherwise stated, all references in this proxy statement to Mannatech, the Company, us, our, or we are to Mannatech, Incorporated.

Shareholders Entitled to Vote

Shareholders who owned common stock of Mannatech as of the close of business on April 20, 2004, the record date, are called *shareholders of record* and are entitled to vote at our 2004 annual shareholders meeting. On April 20, 2004, we had 26,325,190 outstanding shares of common stock, \$0.0001 par value, which is our only class of outstanding voting securities. On April 20, 2004, Mannatech had approximately 4,800 shareholders that held their common stock directly and approximately 10,200 beneficial shareholders who held their stock through approximately 125 brokers, representing approximately 52.0% of Mannatech's total common stock outstanding. Each share of Mannatech common stock entitles the shareholder to one vote. A complete list of direct shareholders entitled to vote at our 2004 annual shareholders meeting will be available for examination by shareholders for purposes pertaining to Mannatech's annual shareholders meeting at our corporate headquarters, in Coppell, Texas, during normal business hours, from May 24, 2004 until June 4, 2004. A shareholder wanting to examine the list should arrange an appointment by contacting Mannatech's Investor Relations department at 972-471-6512.

Voting by Proxy

Properly executed votes by proxy received prior to our 2004 annual shareholders meeting will be counted by EquiServe Trust Company N.A., our transfer agent, at our annual shareholders meeting on June 7, 2004 and at any adjournment(s) or postponements(s) thereof. If a shareholder specifies how their proxy-vote is to be cast on any business to come before the meeting, it will be voted in accordance with such specifications. If no specification is made, the shareholder's vote by proxy will be voted FOR each of the proposals as recommended by our Board of Directors. A shareholder may revoke, at any time prior to our annual shareholders meeting, any executed vote by proxy by submitting a revised vote by proxy bearing a later date. Attendance at our 2004 annual shareholders meeting without voting by ballot will not revoke a shareholder's vote by proxy.

Direct Ownership

Direct ownership is defined as a shareholder who holds the original stock certificates directly in his or her name, which is typically evidenced by the shareholder receiving all of Mannatech's mailings directly from either Mannatech, or its transfer agent EquiServe Trust Company N.A.

Table of Contents

Beneficial Ownership

Beneficial ownership is defined as shareholders who 1) deposited their stock certificates with a broker; 2) who purchased Mannatech shares directly through a broker; or 3) who sent their stock certificates to a broker to be deposited into their brokerage account. Beneficial ownership is typically evidenced by a shareholder receiving all of Mannatech's mailings from either their broker or through their broker's solicitor, which is usually ADP Proxy Services. As a beneficial owner, a shareholder still owns their shares, but Mannatech's transfer agent does not have access to any list of individual shareholders' names from the various brokers. The only information Mannatech's transfer agent has about shareholders owning stock through brokers is the broker's name, the aggregate total number of shares held by each broker on behalf of its clients, and the aggregate number of votes cast for any proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions, which may differ from the instructions provided by Mannatech's transfer agent. As a result, a shareholder should always read all the information provided in each of the proxy information packet(s) received and follow the specific voting instructions enclosed in each packet received in regard to, telephone numbers, Internet addresses, mailing addresses, and attending our Shareholders' meeting.

If a shareholder receives more than one proxy information packet it means that shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account and control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in each proxy information packet to ensure his or her vote is properly included in the tabulation of votes.

Beneficial shareholders are also instructed to read the proxy-voting card instructions given to them by each broker or each brokers solicitor prior to the meeting in order to obtain instructions on how to vote at our annual shareholders' meeting. If the beneficial shareholder does not follow his or her brokers' instructions, our transfer agent will not count their vote by ballot at our annual shareholders' meeting.

Tabulating the Votes

Representatives from Mannatech's transfer agent, EquiServe Trust Company N.A., formerly First Chicago Trust Division, are responsible for tabulating all of the votes for Mannatech's 2004 annual shareholders' meeting. The presence, in person, or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding as of the record date is necessary to have a quorum for Mannatech's 2004 annual shareholders' meeting. Abstentions and broker non-votes will be counted as present for purposes of determining a quorum for Mannatech's 2004 annual shareholders' meeting. A broker non-vote is defined as a vote by proxy in which a beneficial owner does not give its broker or broker's solicitor discretionary voting powers. If a proxy-voting card is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote FOR each of the proposals.

For **Proposal 1** the election of Directors, broker non-votes will **NOT** be counted in tabulating the number of votes FOR each nominee. The three nominees receiving the highest number of FOR votes from the shares present in person or represented by proxy-votes and entitled to vote will be elected as Directors. The shares represented by the enclosed proxy-voting card will be voted FOR all of the nominees, unless the shareholder specifies differently. To specify differently the shareholder must check either the box FOR ALL NOMINEES EXCEPT or WITHHELD. If the shareholder checkmarks the FOR ALL NOMINEES EXCEPT box, the shareholder should then list the names of the nominee(s) they wish to vote against in the space provided. If the shareholder checkmarks the WITHHELD box, the shareholder's vote will be

considered a vote against *all* of the named nominees.

Table of Contents

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at Mannatech's 2004 annual shareholders meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot the shareholder will need to checkmark either the WITHHELD box or the FOR ALL NOMINEES EXCEPT box on the ballot and then list the names of the nominees they wish to vote against in the space provided. The shareholder is allowed to write-in only as many nominees as the shareholder has voted against. For example, if there are a total of three nominees listed on the ballot and the shareholder wishes to withhold their vote for two of the three nominees then the shareholder should list the names of the two nominees for whom the vote is withheld and write-in up to two additional names for nominees to Mannatech's Board of Directors.

For **Proposal 2** the ratification of the appointment of independent auditors, ABSTENTIONS will be counted as a vote against the appointment of independent auditors. The ratification of the appointment of independent auditors requires a FOR vote from a majority of shares present or represented by proxy votes entitled to vote at Mannatech's 2004 annual shareholders meeting.

MANNATECH'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF MANNATECH'S PROPOSALS.

Solicitation of Proxy-Votes

Mannatech or its solicitor, Georgeson Shareholder, may solicit proxy-votes through the mail, in person, and by telecommunications. Mannatech will bear all expenses in preparing, printing, and mailing the proxy materials to its shareholders. Mannatech hired Georgeson Shareholder to assist in the solicitation of proxies at a cost of approximately \$6,000 plus out-of-pocket expenses.

Admission and Voting at Our Annual Shareholders Meeting

Attendance at Mannatech's 2004 annual shareholders meeting will be limited to shareholders having evidence of ownership as of the record date and invited guests of Mannatech. If your securities are not held in your name, Mannatech may require you to show evidence of your ownership at the meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on April 20, 2004. At the meeting, shareholders will be admitted upon verification of stock ownership. Mannatech will tape the meeting in its entirety and therefore, Mannatech will not allow any other cameras or recording equipment in the meeting room. As a courtesy and as time permits, Mannatech will provide a brief question and answer period for its shareholders of record.

Direct shareholders will be given ballots upon check-in and verification of stock ownership. Remember that beneficial shareholders must obtain a power of attorney form or legal proxy from their broker prior to the meeting in order for a vote by ballot to be counted at our meeting. **Beneficial shareholders are urged prior to the meeting, to read their proxy-voting card instructions on how to attend and vote at our annual shareholders meeting. If the beneficial shareholder does not follow his or her brokers instructions, our transfer agent will not count their vote by ballot at our annual shareholders meeting. The instructions are usually located on the back of the proxy-voting card.**

Shareholder Procedures for Nominating Board Members or Introducing Proposals

For the 2004 Annual Shareholders Meeting

For Mannatech's 2004 annual meeting, the deadline for nominating a director to Mannatech's Board of Directors and for introducing proposals to be included in this proxy information package expired on December 31, 2003. A shareholder of record is prohibited from writing in nominees for Mannatech's Board of Directors on their proxy-voting card. However, a shareholder of record may write-in nominees for Mannatech's Board of Directors on their ballot at our 2004 annual shareholders meeting by following the above instructions under the heading *Tabulating the Votes*. Mannatech reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Table of Contents

Pursuant to Rule 14a-4(c) (1) under the Securities Exchange Act of 1934, as amended, if any shareholder proposals were intended to be presented at Mannatech's 2004 annual shareholders' meeting without inclusion in its proxy statement, the proposal must have been submitted in writing to Stephen D. Fenstermacher, Mannatech's Chief Financial Officer, by March 14, 2004, which is 45 days from the estimated mailing date of this proxy statement. The holder of a proxy has the ability to confer discretionary authority to vote on such proposal. However, Mannatech's Board of Directors reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements. Mannatech did not receive any nominees for directors from shareholders or shareholder proposals for its 2004 annual shareholders' meeting.

For the 2005 Annual Shareholders' Meeting

Under Mannatech's Fourth Amended and Restated Bylaws, dated August 8, 2001, our Nominating and Governance Committee of our Board of Directors recommends all candidates for nomination to Mannatech's Board of Directors. A shareholder should deliver to Mannatech's Chief Financial Officer at its United States corporate headquarters written notice of any proposed candidates for Director no later than December 31, 2004 to allow Mannatech's Board of Directors time to consider such persons for nomination at its 2005 annual shareholders' meeting. The written notice should include the candidates' full name, age, biographical background, and qualifications. The Chief Financial Officer will forward all written notices to Mannatech's Nominating and Governance Committee. Mannatech's Nominating and Governance Committee consists of a total of four directors, two of whom are independent Directors, one who is a non-independent director, and one who is a non-voting member. Mannatech's Nominating and Governance Committee reviews each proposed candidate and submits a recommended list of proposed candidates to Mannatech's Board of Directors. Mannatech's Board of Directors then approves a list of proposed candidates, which are the only nominees that are listed on its ballot, its proxy-voting card, and in its proxy statement on Schedule 14A. Mannatech expects to file its 2005 proxy statement with the United States Securities and Exchange Commission on or before April 29, 2005.

Proposals by shareholders that comply with all applicable provisions of Rule 14a-8 under the Securities Exchange Act of 1934, intended to be presented at Mannatech's 2005 annual shareholders' meeting must be delivered in writing to Mannatech's Chief Financial Officer at its United States corporate offices, on or before December 31, 2004, in order to be eligible for inclusion in Mannatech's 2005 proxy statement and proxy-voting card.

Pursuant to Rule 14a-4(c) (1) under the Securities Exchange Act of 1934, any shareholder proposal intended to be presented at Mannatech's 2005 annual shareholders' meeting without inclusion in its 2005 proxy statement should be submitted in writing to Mannatech's Chief Financial Officer by March 14, 2005, which is 45 days from the estimated mailing date of its 2005 proxy statement. The holder of a proxy has the ability to confer discretionary authority to vote on such proposal. However, Mannatech's Board of Directors reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

A copy of Mannatech's Fourth Amended and Restated Bylaws, dated August 8, 2001, may be obtained upon written request to Mannatech's General Counsel, Ms. Bettina Simon, at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppell, Texas 75019 or by reviewing the Bylaws in Exhibit 99.1 of Mannatech's Form 8-K filed with the United States Securities and Exchange Commission on August 22, 2001.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Bylaws provide for a classified Board of Directors, divided into three staggered classes - I, II, and III. The terms of office for each of these classes are scheduled to expire on the dates of our annual shareholders' meeting in 2006, 2004, and 2005, respectively. At our 2004 annual shareholders' meeting, three Class II Directors are up for election.

Nominees

The three nominees for Class II Directors to be elected at our 2004 annual shareholders meeting are Messrs. Samuel L. Caster, J. Stanley Fredrick, and Mrs. Patricia A. Wier. Mrs. Wier was appointed as a Class II Director on October 15, 2003 to replace Mr. Jules Zimmerman, who resigned for personal reasons. Once elected, our Class II Directors term will expire on the earlier of the date of our 2007 annual shareholders meeting or the date of their disqualification, resignation, death, or removal.

Table of Contents

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THESE NOMINEES. A FOR VOTE ON A PROXY OR BALLOT WILL BE SO VOTED UNLESS A CONTRARY VOTE IS INDICATED BY THE SHAREHOLDER. PROPOSAL 2 RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

Shareholder ratification of the selection of Mannatech's independent auditors is not required by Mannatech's Articles of Incorporation or Bylaws, as amended, or other applicable legal requirements. However, Mannatech's Board of Directors, as a matter of good corporate governance, has always sought shareholder ratification of its independent auditors. For the fiscal year ending December 31, 2004, the Board is seeking ratification of the appointment of PricewaterhouseCoopers LLP as its independent auditors.

Our Board of Directors appoints its independent auditors on an annual basis. The decision is based on the recommendation from Mannatech's Audit Committee, which reviews the scope of the audit, estimated audit fees, and non-auditing services that are performed by PricewaterhouseCoopers LLP. PricewaterhouseCoopers LLP has served as Mannatech's independent auditors and audited its consolidated financial statements and has provided certain tax and consulting services since 1997. Representatives from PricewaterhouseCoopers LLP will attend our 2004 annual shareholders' meeting and will have the opportunity to make a statement if such representative so desires, as well as be available to respond to any appropriate questions from shareholders.

Pre-Approval Policies and Procedures

All services provided by PricewaterhouseCoopers LLP must be preapproved by Mannatech's Audit Committee. The non-audit services specified in Section 10-A(g) of the Securities Exchange Act of 1934 may not be provided by PricewaterhouseCoopers LLP.

The approval of the annual audit, audit-related, and routine tax services takes place at the last Audit Committee meeting each calendar year for the subsequent calendar years' estimated services. In addition, during the course of the year requests for unforeseen or additional allowable services to be provided by PricewaterhouseCoopers LLP must be preapproved by Mannatech's Audit Committee, except for those qualifying for the de minimis exception. The de minimis exception provides that the pre-approval requirements for certain non-audit services may be waived if:

the aggregate amount of such non-audit services provided to Mannatech constitutes not more than 5% of the total fees paid by Mannatech to PricewaterhouseCoopers LLP in the calendar year that such non-audit services are provided;

such services were not recognized by Mannatech as non-audit services at the time they were provided; and

such services are promptly brought to the attention of the Audit Committee.

The Audit Committee may delegate to its Chairman of the Audit Committee the authority to grant preapprovals. In such event, the decisions of the Chairman regarding preapprovals will then be presented to the full Audit Committee at the next scheduled meeting. In order to be presented to the Chairman of the Audit Committee or the full Audit Committee for approval, all unforeseen or additional proposed services must first be approved by the Chief Financial Officer.

PricewaterhouseCoopers LLP provides a revised estimate for the year, by project, for all planned and approved services to the Chief Financial Officer prior to each regularly scheduled Audit Committee meeting and then will review such fee estimates at the Audit Committee meeting.

The employment agreement expired in August 2003. In August 2003, Mannatech entered into a new two-year employment agreement with Dr. McAnalley. Under the terms of this new agreement, Dr. McAnalley's annual salary was increased to \$330,000 and he is eligible to participate in all employee benefits available to other company executives. If Mannatech cancels the employment agreement without cause, Mannatech is required to pay his remaining annual salary for the duration of the agreement.

On November 1, 1999, Mannatech entered into a three-year employment agreement with Mr. Terry L. Persinger, its Chief Operating Officer, President and board member. The employment agreement specifies an annual salary and provides that either party can cancel the agreement. If Mannatech cancels the employment agreement without cause, Mannatech is required to pay his annual salary for the remaining duration of the agreement. Mr. Persinger is also eligible to participate in all employee benefits available to other company executives. On November 1, 2001, Mannatech amended this employment agreement to extend the term to December 31, 2004 and to increase his annual salary to \$340,000 beginning on January 1, 2002.

On April 15, 2003, Robert M. Henry resigned from Mannatech as its Chief Executive Officer and as a member of its Board of Directors, and Mannatech entered into a Separation Agreement with Mr. Henry. Mannatech will pay Mr. Henry \$0.4 million in 2004 and the remaining \$0.4 million in 2005. The severance payments primarily related to Mannatech's contractual obligations related to terminating Mr. Henry's employment agreement, which would have expired in 2004, outplacement fees, attorney fees, relocation fees, health and life insurance, and title to his leased vehicle. In addition, Mannatech extended the term of Mr. Henry's 266,667 vested stock options to the earlier of ten years from the original date of grant or one year after Mr. Henry's death and recorded a one-time non-cash compensation charge of \$0.6 million. As of December 31, 2003, Mr. Henry had exercised 108,333 of his stock options. Pursuant to the Separation Agreement, Mr. Henry agreed to provide certain consulting services to Mannatech through December 31, 2005 and is prohibited from being affiliated with another dietary supplement network-marketing company that specializes in products that are glyconutritional or aloe-based for a specified period.

During 2000, 2001, and 2002, Mannatech incurred expenses related to this agreement of approximately \$312,000, \$628,000, and \$162,000. On March 5, 2002, Mannatech's Board of Directors elected to terminate the consulting agreement with Mr. Caster and hire him as an employee. In October 2002, Mannatech entered into a written employment agreement with Mr. Caster whereby Mr. Caster is employed by Mannatech until December 31, 2005 and is paid an annual salary of \$600,000. Mr. Caster is also eligible to participate in all employee benefits available to other company executives. Mannatech's 1997 Stock Option Plan was adopted by its Board of Directors and approved by its shareholders on May 14, 1997. Mannatech's 1998 Incentive Stock Option Plan was adopted by its Board of Directors, approved by its shareholders on April 8, 1998, and amended on September 4, 1998 to increase the number of shares reserved for issuance from 500,000 to 1,000,000 shares. All three of Mannatech's stock option plans were further amended and restated effective August 7, 2003, to amend certain provisions of the plans for recent regulatory changes. Mannatech's stock option plans are intended to encourage investment by Mannatech's officers, employees, and non-employee Directors in shares of Mannatech's common stock so that they will have an increased vested interest in, and greater concern for, Mannatech's welfare.

Options granted under Mannatech's 1997 and 2000 stock option plans may be either incentive stock options or options that do not qualify for treatment as incentive stock options under Section 422 of the United States Internal Revenue Code of 1986. Options granted under Mannatech's 1998 Incentive Stock Option Plan may only be granted to Mannatech's Directors and employees.

Incentive stock options may be granted under Mannatech's stock option plans to any person who is an employee of Mannatech (including Mannatech's Directors) or any parent or subsidiary that may exist in the future. The exercise price of incentive stock options must equal the approximate fair market value of a share of its common stock on the date of grant. Stock options granted to persons owning more than 5% of Mannatech stock are required to be issued at an exercise price of at least 110% of the fair market value on the date of grant and can be issued for a term not to exceed five years.

Mannatech's stock option plans may be amended or canceled by its Board of Directors at any time without the approval of its shareholders, with a few exceptions. However, Mannatech's Board of Directors may not take any action without the approval of its shareholders that affects options previously granted under its stock option plans.

401(k) Plan

On May 9, 1997, Mannatech adopted a 401(k) Pre-tax Savings Plan. All employees who have been employed by Mannatech for at least 90 days at the beginning of a quarter and are at least 21 years of age are eligible to participate in Mannatech's 401(k) Plan. Employees may contribute up to the maximum annual limit, as statutorily prescribed, of their current annual compensation to the 401(k) Plan. Mannatech makes regular matching contributions to its 401(k) Plan in the amount of \$0.25 for each \$1.00 contributed by a participating employee up to a maximum of 6% of the participant's annual salary. The 401(k) Plan also provides that Mannatech can make profit-sharing contributions to the 401(k) Plan each year based upon our profit. Mannatech did not make any profit-sharing contributions in 2003. Employee contributions and Mannatech's matching contributions are paid to a corporate trustee and are invested as directed by the participating employee. Mannatech's contribution to its 401(k) Plan vests over five years or earlier if the participating employee retires at age 65, becomes disabled or dies. Payments to participating employees may also be made in the case of financial hardship. Payments may be made in a lump sum. Mannatech's 401(k) Plan is intended to qualify under Section 401 of the United States Internal Revenue Code of 1986, so that contributions made by employees or by Mannatech to its 401(k) Plan, and income earned on these contributions, are not taxable to Mannatech employees until withdrawn from the 401(k) Plan.

REPORT OF THE COMPENSATION AND STOCK OPTION PLAN COMMITTEE

Mannatech's Report of the Compensation and Stock Option Plan Committee summarizes Mannatech's executive compensation policies and the basis for the compensation paid to its Executive Officers, including Mr. Samuel L. Caster, Mannatech's Chief Executive Officer, and Mr. Robert M. Henry, its former Chief Executive Officer during the year ended December 31, 2003.

Compensation policy. Mannatech's policy with respect to its executive compensation is designed to:

adequately and fairly compensate its Executive Officers in relation to their responsibilities, capabilities and contributions to Mannatech in a manner that is commensurate with compensation paid by other similarly-sized companies or other companies within the same industry; and

reward its Executive Officers for the achievement of short-term operating goals and the enhancement of long-term value.

Components of compensation. The primary components of compensation paid to Mannatech's Executive Officers and the relationship of such components of compensation to Mannatech's performance are discussed below:

- (a) **Base salary.** During each year Mannatech's Compensation and Stock Option Plan Committee reviews the base salaries of Mannatech's Executive Officers to ensure its salaries are reasonable based upon a number of factors. These factors include Mannatech's performance (to the extent such performance can fairly be attributed or related to each Executive Officer's performance), as well as the nature of each Executive Officer's responsibilities, capabilities, loyalties and contributions. Mannatech's Compensation and Stock Option Plan Committee believes that the base salaries for Mannatech's Executive Officers are reasonable as compared to other similarly-sized companies or other companies within the same industry.
- (b) **Bonus.** Each Executive Officer is eligible to participate in Mannatech's Management Bonus Plan. The bonus plan is based upon Mannatech achieving certain consolidated financial results, which are certified by its independent auditors. Bonuses earned by Mannatech's Executive Officers are reviewed and approved by its Compensation and Stock Option Plan Committee and paid by March 15th of the following year. For fiscal 2003, Mannatech declared an aggregate cash bonus of \$1.1 million, which was paid on February 21, 2004.
- (c) **All other annual compensation.** Mannatech maintains certain other plans and arrangements for the benefit of its Executive Officers and other members of its management, including participation in its 401(k) plan, use of a company vehicle, payment of travel expenses, and enrollment in health, life, automobile and long-term disability insurance. All of its Vice Presidents are paid monthly auto allowances of \$500. In addition, Senior or Executive Vice Presidents and above are either paid an auto allowance of \$1,000 or provided with a company-leased vehicle. Mannatech's Compensation and Stock Option Plan Committee believes these benefits are reasonable in comparison to the executive compensation practices of other similarly-sized companies or other companies within the same industry.
- (d) **Long-term compensation.** Mannatech maintains stock option plans to reward Mannatech's executives and employees for the attainment of certain goals or events. Stock option grants are reviewed and approved by the Compensation and Stock Option Plan Committee. Mannatech's Compensation and Stock Option Plan Committee believes these long-term compensation arrangements are reasonable in relation to the executive compensation practices of other similarly-sized companies or other companies within the same industry.

2003 Chief Executive Officer's Compensation. As previously described, Mannatech's Compensation and Stock Option Plan Committee considers several factors in determining Mannatech's Chief Executive Officer's compensation package. The primary factors focus on Mannatech's financial performance and the competitive compensation paid to other executive officers of similarly-sized companies or other companies within the same industry. Specific actions taken by the Compensation and Stock Option Plan Committee regarding Mr. Caster's compensation paid in 2003 are summarized below:

Table of Contents

Mr. Samuel L. Caster:

- (a) **Base salary.** Mr. Caster's base salary was based on a number of factors, including Mannatech's overall performance and its consolidated financial results, as well as the nature of Mr. Caster's responsibilities, capabilities, loyalties and contributions to Mannatech's performance. For fiscal 2003, Mr. Caster's base salary was \$600,000 per annum.
- (b) **Bonus.** Mr. Caster participated in Mannatech's Management Bonus Plan. The bonus plan is based upon the attainment of certain consolidated financial results, which are certified by Mannatech's independent auditors. For Fiscal 2003, Mannatech declared a cash bonus of \$240,000 for Mr. Caster, which was paid on February 21, 2004.
- (c) **All other annual compensation.** Mr. Caster, as well as all other executive officers, may participate in Mannatech's 401(k) plan. Mr. Caster was also provided with a company leased vehicle, reimbursed for certain personal travel expenses, and is enrolled in health, life, automobile, and disability insurance.
- (d) **Long-term compensation.** On November 7, 2003, Mr. Caster was granted 200,000 stock options at an exercise price of \$8.195 per share. 40,000 of his stock options vested immediately and thereafter 20%, or 40,000 stock options, vest each anniversary grant date for four years. The stock options expire on November 6, 2008. The stock options were granted to Mr. Caster as an incentive to link Mr. Caster's future compensation directly with the future return on Mannatech's stock and as a reward for his hard work and dedication.

Specific compensation paid to its former Chief Executive Officer, Mr. Henry, who resigned on April 15, 2003, is summarized below:

Mr. Robert M. Henry:

- (a) **Base salary.** Mr. Henry's base salary was \$400,000 per annum, payable through December 31, 2005.
- (b) **Bonus.** No cash bonus was accrued or paid to Mr. Henry during fiscal 2003.
- (c) **All other annual compensation.** Mr. Henry participated in Mannatech's 401(k) plan. Mr. Henry was also provided with a company leased vehicle and was reimbursed for certain personal expenses. As a result of his resignation, Mr. Henry was paid \$80,000 in outplacement fees, \$15,000 in attorney fees, \$50,000 in relocation fees, \$18,000 in health and life insurance, and \$88,000 for title and taxes related to his leased vehicle.
- (d) **Long-term compensation.** Mr. Henry was not granted any stock options during fiscal 2003. However, the term of his 183,334 vested stock options at an exercise price of \$2.63 per share and 83,333 vested stock options at an exercise price of \$2.69 per share was extended through the earlier of ten years from the original date of grant or one year after his death.

\$1 million pay deductibility cap. Under Section 162(m) of the United States Internal Revenue Code, public companies are precluded from receiving a tax deduction on compensation paid to their executive officers in excess of \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. At this time, Mannatech's executive officers' cash compensation levels have not exceeded the \$1 million limit and we do not anticipate exceeding this limit in the near future. Nonetheless, the Compensation and Stock Option Plan Committee periodically reviews all of Mannatech's executive officers' compensation in light of Section 162(m).

Conclusion. Mannatech's Compensation and Stock Option Plan Committee believes the concepts discussed above further Mannatech's shareholders' interests and encourage responsible management by its executive officers. Notwithstanding, Mannatech's Compensation and Stock Option Plan Committee will regularly monitor and consider the effect of executive compensation on Mannatech's shareholders' interests. The factors set forth above, reports from the various Committees of the Board of Directors and discussions with, and information compiled by, various independent consultants are used in determining the compensation of Mannatech's executive officers.

The Amended and Restated Audit Committee Charter is attached to this proxy statement as [Appendix A](#), beginning on page A-1.

Mannatech is responsible for the preparation of its consolidated financial statements and its systems of internal controls. The independent auditors are responsible for auditing Mannatech's consolidated financial statements in accordance with generally accepted auditing standards of the United States of America. The activities of the Audit Committee are in no way designed to supersede or alter the responsibilities of Mannatech or its independent accountant. The Audit Committee assists Mannatech's Board of Directors in fulfilling its responsibilities for oversight of the quality and integrity of the accounting, auditing, and reporting practices of Mannatech and such other duties as directed by Mannatech's Board of Directors. The Audit Committee's role does not provide any special assurances with regard to Mannatech's consolidated financial statements, nor does it involve a professional evaluation of the quality of the audits performed by its independent auditors. To strengthen the Audit Committee's ability to assist the Board of Directors, the Audit Committee formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of seven executives who report to the Audit Committee, as well as Mannatech's Chief Executive Officer and Chief Financial Officer. The Disclosure Committee is responsible for reviewing all of Mannatech's filings with the United States Securities and Exchange Commission. Mannatech's Audit Committee has furnished its Board of Directors the following report:

The Audit Committee has reviewed and discussed with Mannatech's management its consolidated audited financial statements of and for the year ended December 31, 2003 and the certification process required by the Sarbanes-Oxley Act of 2002. Mannatech has represented to the Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles of the United States of America. The Audit Committee has also discussed the following with Mannatech's independent auditors (1) the auditor's responsibilities, (2) any significant issues arising during the audit, and (3) other matters required to be discussed by Statements on Auditing Standards No. 61, Communication with Audit Committees, as amended by statement on Auditing Standard No. 90 Communications with Audit Committees. The Audit Committee received the written disclosures and the letter from Mannatech's independent auditors required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and has discussed with the independent auditors, the independent auditors independence from management. In addition, the Audit Committee discussed the adequacy of Mannatech's internal controls and disclosure controls with its independent auditors and management.

Based on the review and discussions referred to above, the Audit Committee recommended to Mannatech's Board of Directors and the Board of Directors subsequently approved that the year-end audited consolidated financial statements be included in Mannatech's 2003 Annual Report and in its Form 10-K for the year ended December 31, 2003 for filing with the United States Securities and Exchange Commission.

MANNATECH, INCORPORATED

FREQUENTLY ASKED QUESTIONS

Mannatech's Board of Directors urges each shareholder to read all of the information included in its proxy materials provided to them. As a courtesy, Mannatech's Board of Directors is providing each shareholder with a list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and helping to make sure its shareholders are informed of the various policies and procedures that must be followed for its 2004 annual shareholders' meeting.

1. What information is contained in these materials?

The information in Mannatech's proxy statement contains information about its proposals, background information about its Board nominees and compensation of Mannatech's Officers and Board of Directors. In addition, the materials include Mannatech's 2002 annual shareholders' report and a proxy-voting card, which provides shareholders instructions on how to cast their vote.

2. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is what is mailed to a shareholder. It gives the shareholder specific instructions on how to cast their vote by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns its shares directly or own its shares through a broker. Shareholders should make sure they read and follow all of the enclosed instructions carefully to ensure their vote is counted. Ballots will be handed out at Mannatech's 2004 annual shareholders' meeting to shareholders of record who own shares on the close of business on April 20, 2004.

3. What shares owned by a shareholder can be voted either by proxy or at the annual meeting?

All shares owned by a shareholder directly or as a beneficial owner as of the record date may be voted by the shareholder prior to the meeting using their proxy-voting card. At Mannatech's 2004 annual shareholders' meeting, shareholders who directly own their shares will be verified and given a ballot card. At the meeting, beneficial owners of record will be verified by the beneficial shareholder having a power of attorney form from their broker allowing them to vote at the meeting. If a shareholder does not have this information from their broker, Mannatech's transfer agent will not be able to count their vote as their broker may have already cast a vote on their behalf. Mannatech strongly recommends that shareholders read the back of their proxy-voting cards prior to the 2004 annual meeting to understand how they can attend Mannatech's shareholders' meeting and cast their vote at the meeting. A shareholder's broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

4. What is the difference between direct ownership and beneficial ownership?

Edgar Filing: MANNATECH INC - Form DEF 14A

DIRECT OWNERSHIP is defined as a shareholder who directly holds their stock certificates in their own name, which is evidenced by the shareholder receiving all of Mannatech's mailings from either Mannatech, or its transfer agent, EquiServe Trust Company N.A., or its solicitor, Georgeson Shareholder.

BENEFICIAL OWNERSHIP is defined as a shareholder who has delivered its stock certificates to a broker or purchased shares through a broker and receives all of Mannatech's mailings either from a broker or through a solicitor, which is usually ADP Proxy Services. As a beneficial owner, the shareholder still owns Mannatech shares, but Mannatech's transfer agent does not have individual shareholders' names from the brokers. The only information Mannatech's transfer agent has about shareholders owning stock through their broker is the aggregated total number of shares each broker holds on behalf of its clients.

5. What does it mean if a shareholder receives more than one proxy-voting card?

If a shareholder receives more than one proxy-voting card it means that their shares are registered with different names or the shareholder has more than one account in which they hold shares of Mannatech stock. Each proxy-voting card may have different instructions, phone numbers, or email addresses so a shareholder should make sure they read all instructions on the back of each proxy-voting card.

6. How is voting different for direct holders versus beneficial owners?

Mannatech's transfer agent has the names of the shareholders who directly hold shares of Mannatech stock, but does not have any detailed information such as the individual shareholder names who own shares held through their brokers. Only the individual brokers have the detailed information about each shareholder's beneficial ownership or individuals who own Mannatech stock through their brokerage group. Each brokerage group is responsible for reporting their shareholders votes to Mannatech's transfer agent and for all mailings to Mannatech's shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm using their proxy-voting card.

7. Can a shareholder change their vote?

Both direct shareholders and beneficial shareholders can revoke their proxy-vote. Attendance at the annual shareholders' meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at the annual shareholders' meeting. A shareholder should contact the customer service department in their information packet to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke their proxy-votes may be different depending on whether they are a direct shareholder or a beneficial shareholder.

Each set of instructions should include the shareholder's account number, the solicitor's telephone number, and their email address. Mannatech's transfer agent or its solicitor will only count the verified proxy-votes received with the latest date as the vote by each shareholder and brokerage firm. Each share of Mannatech's stock represents one vote. A shareholder should contact the customer service telephone number provided to them in their shareholder information packet if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

8. How can a shareholder attend Mannatech's 2004 annual shareholders' meeting?

The 2004 annual shareholders' meeting will be held on June 7, 2004 at 10:00 a.m., at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in and verification of stock ownership. No cameras or recording equipment will be permitted in the meeting room as Mannatech will be taping the meeting in its entirety.

9. Where can a shareholder find the voting results of Mannatech's 2004 annual meeting?

Edgar Filing: MANNATECH INC - Form DEF 14A

Mannatech will announce preliminary voting results of its 2004 annual shareholders meeting in a press release and publish final voting results in its quarterly report on Form 10-Q for the second quarter of 2004, which is expected to be filed with the SEC on or before August 9, 2004.

10. Can a shareholder have someone else cast their vote for them at Mannatech's shareholders' meeting?

In order to have someone else cast their vote a shareholder must provide the person with whom they would like to cast their vote a power of attorney form. This person is called a shareholder designee (designee). A valid power of attorney form must be notarized and contain the following:

the date;

the full name of the designee;

the number of shares held by the shareholder to be voted by the designee;

the nature and extent of the authority granted to the designee;

an expiration date that terminates the designee's rights to cast a shareholder's vote on their behalf; and

the shareholder's signature.

The original power of attorney form must be attached to the ballot that is turned in by the designee. If the original shareholder is a beneficial owner, the original shareholder must also provide the proper documentation from their broker to the designee, which would allow the original shareholder to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at Mannatech's 2004 annual shareholders' meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as the designee for each shareholder.

11. How can a shareholder vote against some or all of the nominees for Mannatech's Board of Directors?

To vote against some but not all of the Board nominees a shareholder should checkmark the **FOR ALL NOMINEES EXCEPT** box on their proxy-voting card or ballot and write-in the nominee(s) name they wish to vote against in the space provided.

If a shareholder wants to withhold their vote for all of the nominees, they can checkmark the **WITHHELD** box on their proxy-voting card or ballot.

12. How can a shareholder write-in a nominee for Mannatech's Board of Directors?

Edgar Filing: MANNATECH INC - Form DEF 14A

A shareholder CANNOT write-in nominees on their proxy-voting card when they vote by mail, telephone, or the Internet. A shareholder can ONLY write-in the names of additional nominees they wish to vote for on the ballot at Mannatech's 2004 annual shareholder meeting.

To write-in a nominee on the ballot the shareholder needs to checkmark either the WITHHELD box or FOR ALL NOMINEES EXCEPT box. The WITHHELD box casts their vote against all of the nominees, whereas a vote FOR ALL NOMINEES EXCEPT casts their vote for all of the nominees except for the nominees they list in the blank provided. Any of the nominees not listed in the blank provided will be automatically voted as FOR. A shareholder can only write-in as many nominees as they voted against. For example, if there were a total of three nominees listed on the ballot and a shareholder withheld their vote for two of the three nominees, they could write-in up to two additional nominees.

13. How can a shareholder nominate a person to be listed on the ballot as a nominee?

A shareholder needed to submit in writing any nominee(s) for the Board of Directors to Mannatech's CFO by December 28, 2002 so Mannatech's Board of Directors could consider them for nomination at its 2004 annual shareholders' meeting. The nomination needed to include a candidate's name, age, biographical information, and qualifications. The CFO forwards the list of nominees to the Nominating and Governance Committee of its Board of Directors. The Nominating and Governance Committee reviews all of the nominees and recommends a list of nominees to its Board of Directors. Mannatech's Board of Directors then votes on the nominees. The nominees approved by Mannatech's Board of Directors are the only nominees that will be listed on the ballot, proxy-voting card and in Mannatech's proxy statement on Schedule 14A, which is expected to be filed with the SEC on or before April 28, 2004. To submit a nominee for Mannatech's 2004 annual meeting, a shareholder should submit in writing the nominee's information to Mannatech's Chief Financial Officer by December 31, 2004. The written nomination should be either faxed to 972-471-6512 or mailed to Mannatech's Chief Financial Officer at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppell, Texas 75019.

14. How are the votes counted?

Representatives from Mannatech's transfer agent, EquiServe Trust Company N.A., will be responsible for tabulating all of the votes for Mannatech's 2004 annual shareholders' meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of Mannatech's common stock outstanding as of the record date is necessary to have a quorum for its 2004 annual shareholders' meeting. Abstentions and broker non-votes will be counted as present for purposes of determining a quorum. A broker non-vote occurs when the beneficial owner does not give their broker or broker's solicitor discretionary voting powers.

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions the shareholder's vote will be counted as a vote FOR each of the proposals.

For the election of Mannatech's Board of Directors, broker non-votes will not be counted in tabulating the number of votes for each nominee. The two nominees receiving the highest number of FOR votes from the shares present in person or represented by proxy-votes entitled to vote will be elected as Directors.

For the ratification of the appointment of independent auditors, ABSTENTIONS will be counted as a vote against this proposal. The ratification of appointment of independent auditors requires a FOR vote from a majority of shares present or represented by proxy-votes entitled to vote at Mannatech's 2004 annual shareholders' meeting.

15. What should a shareholder do if they never received their proxy materials or if they have lost their proxy materials?

If a shareholder owns shares directly and they never received their proxy-voting card or voting materials or if they have lost or destroyed their proxy-voting card and/or proxy materials they can call Mannatech's solicitor's toll-free customer service telephone number at (800)334-9287. Mannatech's solicitor will verify that they are a direct shareholder holding shares on the close of business on April 20, 2004. Once verified, the solicitor will mail or fax them the information packet and provide them with instructions on how they can cast their vote by mail, telephone, or the Internet.

Edgar Filing: MANNATECH INC - Form DEF 14A

If a shareholder is a beneficial shareholder, meaning they own their shares through a broker, they should contact their broker's customer service department. Their broker will verify that they are a shareholder on the close of business on April 20, 2004 and give them specific instructions on how to obtain a new proxy-voting card, information packet and how to cast their vote. Anyone can view Mannatech's 2004 proxy statement by logging onto their corporate website www.mannatech.com.
