On November 10, 2004, PECO II, Inc. issued a press release relating to the Company's earnings for the third quarter of 2004. A copy of the press release is furnished as Exhibit 99.1 to this Form 8-K and is incorporated into Item 2.02 of this Form 8-K by reference.

The information contained in Item 2.02 of this Form 8-K, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference to such filing.

The information contained in this Form 8-K contains forward-looking statements, including certain statements regarding intent, beliefs, expectations, projections, forecasts and plans, which are subject to numerous assumptions, risks, and uncertainties. Item 2.03. Creation of a Direct Financial Obligation.

On October 18, 2004 the Company entered into a Security Agreement and Promissory Note (collectively, the Promissory Note and Security Agreement are referred to herein as the Agreement), with National City Bank (the Bank), pursuant to which the Company is permitted to draw up to \$3.5 million on a revolving line of credit.

Under the Agreement, the interest rate on borrowings is one and one half of one percent (1.5%) per annum plus the one-month LIBOR. If the one-month LIBOR is unavailable, the contract rate shall be a fluctuating rate equal to three quarter of one percent (.75%) below the Prime Rate.

Interest on borrowings under the Agreement is payable in arrears beginning on December 1, 2004 and on the first day of each month thereafter and on demand. Lender shall adjust the one-month LIBOR at the end of each banking day during the term hereof. The annual interest rate under this Agreement is computed on a 365/360 basis; that is, by applying the ratio of the annual interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding.

As part of the Agreement, the Company granted to the Bank, a security interest in a certificate of deposit account of \$3.5 million with the Bank, as collateral which secures full and prompt payment to the Bank of all obligations of the Company. The Company shall not have the right to withdraw any amount from the certificate of deposit unless the Company obtains the Bank's prior written consent.

Copies of the Security Agreement and Promissory Note are attached as Exhibits 10.1 and 10.2, respectively, to this Agreement, and are incorporated herein by reference.
