We have audited the accompanying statement of net assets available for benefits of the LandAmerica Financial Group, Inc. Savings and Stock Ownership Plan (the Plan) as of December 31, 2004 and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the 2004 financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2004, and the changes in its net assets available for benefits for the year then ended, in conformity with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the 2004 financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2004 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the 2004 basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Savings and Stock Ownership Plan

We have audited the accompanying statement of net assets available for benefits of the LandAmerica Financial Group, Inc. Savings and Stock Ownership Plan (the Plan) as of December 31, 2003. This financial statement is the responsibility of the Plan's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audit provided a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003, in conformity with U.S. generally accepted accounting principles.

LandAmerica Financial Group, Inc. Savings and Stock Ownership Plan

Notes to Financial Statements

December 31, 2004 and 2003

1. Description of the Plan

The LandAmerica Financial Group, Inc. Savings and Stock Ownership Plan (the "Plan") is a defined contribution plan covering salaried employees of LandAmerica Financial Group, Inc. (the "Company"), who have completed 30 days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Overall responsibility for administering the Plan rests with the Benefits Committee appointed by the Board of Directors of the Company. Merrill Lynch Trust Company (the "Trustee") maintains custody of the Plan's assets and serves as the trustee of the Plan.

The following description of the Plan provides only general information. For a more complete description of the Plan's provisions, copies of the Summary Plan Description are available on the Company's website and from the Company's Human Resources Department.

Contributions

Participants may contribute up to 25% of pretax annual compensation as defined in the Plan. Prior to January 1, 2004, participants could contribute up to 25% of pretax and after-tax annual compensation.

Beginning in 2002, participants age 50 or older may make additional catch-up contributions of \$1,000 per year, increasing by \$1,000 each year to a maximum of \$5,000 in 2006.

The Company makes matching contributions equal to 80% of a participant's contributions not to exceed 3% of the participant's compensation. In addition, the Company may make discretionary matching contributions which are determined by the board of directors of the Company. The discretionary match for the 2004 and 2003 Plan years was 50% of the next 3% of a participant's compensation over the first 3% contributed to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions and were \$444,214 as of December 31, 2004 and \$380,281 as of December 31, 2003.

2. Summary of Significant Accounting Policies (continued)

Assets underlying the Merrill Lynch Retirement Preservation Trust Fund are primarily guaranteed investment contracts. These contracts are valued at contract values which approximate fair value. Contract value represents contributions made under the contract, plus interest at the contract rate, less Plan withdrawals.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

	Net Realized and Unrealized Appreciation in Fair Value of Investments
Common stock	\$ 1,299,685
Common/collective trusts	2,453,579
Mutual funds	12,993,851
	\$ 16,747,115

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Administrative Expenses

Although not required by the Plan, the Company absorbs a portion of the costs of plan administration.

Notes to Financial Statements (continued)

7. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated June 5, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

8. Party-in-Interest Transactions

Participants may direct the Trustee as to the voting of the LandAmerica Financial Group, Inc. stock credited to their account. In addition, the Plan invests in a number of the Trustee's mutual funds and common/collective trusts, which are identified as a transaction with a party-in-interest in the accompanying schedule.

9. Distributions Payable to Withdrawn Participants

Amounts related to participants who had withdrawn from participation in the earnings and operations of the Plan as of the Plan year end but for which disbursement had not been made were approximately \$323,481 and \$231,968 as of December 31, 2004 and 2003, respectively. Such amounts are required to be reported as liabilities on the prescribed financial statements of Form 5500 and, accordingly, will be a reconciling item between the net assets available for benefits as reported in the financial statements of Form 5500 and the accompanying financial statements.

10. Subsequent Events

Effective January 1, 2005, the Company's matching contribution will be equal to 100% of a participant's contributions, not to exceed 4% of a participant's compensation. These Company contributions are known as Safe Harbor Matching Contributions. A participant is 100% vested in the Safe Harbor Matching Contributions made to his or her account.

Effective March 16, 2005, the investment option of AIM Small Cap Growth Fund was eliminated and replaced by the Pioneer Oak Ridge Small Cap Growth Fund.
