Item 1.01. Entry into a Material Definitive Agreement.

The Compensation and Management Development Committee of the Board of Directors of Bristol-Myers Squibb Company (the Company) approved the appointment of Richard K. Willard as Senior Vice President and General Counsel, effective October 10, 2005, as well as a compensation package to accompany his appointment. Mr. Willard's annual base salary is \$700,000. His target total cash compensation (salary and target bonus) is \$1,330,000. Mr. Willard also received a grant of 19,300 performance share units under the Company's stockholder-approved 2002 Stock Incentive Plan. Grants of performance share units provide for the payout of Bristol-Myers Squibb Common Stock or the equivalent cash value, generally in three years, if the recipient has met certain continued service requirements. The performance share unit payout is also contingent on the Company's performance against a pre-determined set of objectives. The maximum number of shares payable to Mr. Willard and similarly situated executives equals 253% of target and the minimum number of shares is zero. The final award amount is determined based on earnings per share, sales and relative total shareholder return measures that were approved by the Compensation and Management Development Committee on March 1, 2005.

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

Effective October 10, 2005, Joseph C. Caldarella has been promoted to Vice President and Controller. David L. Zabor has assumed a new role at the Company and will no longer serve as the Company's Controller. Mr. Caldarella, 50, joined Bristol-Myers Squibb Company in 1979. He became Assistant Treasurer, International in 1995. From 1997 to 1998 he served as Vice President, Business Planning and Analysis and since 1998 he has been Vice President Finance, Pharmaceutical Research Institute.
