**Item 1.01 Entry into a Material Definitive Agreement.**

In accordance with our compensation program for non-employee directors, we pay a quarterly cash retainer of \$3,750 to each non-employee director. Pursuant to our 2004 Equity Incentive Plan, five non-employee directors elected to receive the value of their quarterly retainers in the form of stock options having an exercise price per share equal to 50% of the average closing price of a share of our common stock as reported on the American Stock Exchange on the ten trading days preceding the date of grant. As a result of negative tax consequences for discounted stock option programs arising under recently enacted internal revenue service regulations, we agreed to cancel certain outstanding options in exchange for payment of the difference between the closing price of a share of our common stock as reported on the American Stock Exchange on December 9, 2005, and the exercise price of the applicable options. The aggregate amount to be paid to non-employee directors in connection with cancellation of the options is \$75,544. In addition, the board of directors revised the non-employee director compensation program such that directors may no longer elect to receive all or a portion of the value of the quarterly retainer in the form of stock-based fee award.

**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

Levy was appointed to serve as interim Chief Financial Officer and Vice President-Finance, effective December 15, 2005.
