Item 7.01. Regulation FD Disclosure.

On January 5, 2006, Microtune, Inc. (the Company) issued a media alert regarding the incorporation of certain of the Company's single-chip silicon TV tuners into products being displayed by certain manufacturers demonstrating products at the 2006 International Consumer Electronics Show (CES®) in Las Vegas, Nevada, January 5-8, 2006.

In accordance with General Instruction B.2 of Form 8-K, the information set forth in this Item 7.01 shall be deemed to be furnished and shall not be deemed to be filed for purposes of the Exchange Act of 1934, as amended.

FORWARD-LOOKING STATEMENTS

All statements in this Current Report on Form 8-K other than statements of historical fact are forward-looking statements that are subject to risks and uncertainties that could cause such statements to differ materially from actual future events or results. Such forward-looking statements are generally, but not necessarily, accompanied by words such as plan, if, estimate, expect, believe, could, would, anticipate, may, or other words that convey uncertainty of future events or outcomes. These forward-looking statements and other statements made elsewhere in this release are made in reliance, in part, on the Private Securities Litigation Reform Act of 1995. Factors which could cause actual results to differ from anticipated results include the Company's ability to introduce new products, achieve design wins, maintain customer and strategic partner relationships, forecast customer demand and manage inventory levels, control and budget expenses, protect proprietary technology and intellectual property, and successfully prosecute and defend any future litigation. Any one of these factors may cause the Company's actual financial results to differ materially from its projected results. The forward-looking statements in this Current Report on Form 8-K speak only as of the date they are made. We undertake no obligation to revise or update publicly any forward-looking statement for any reason. Readers are referred to our Annual Report on Form 10-K, subsequent Quarterly Reports on Form 10-Q, recent Current Reports on Form 8-K, and other Securities and Exchange Commission filings which discuss the foregoing factors as well as other important risk factors that could affect our business, results of operations and financial condition.
