(d) - (e) During the past five years, none of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the First Pacific Controlling Persons nor any of the directors and executive officers listed in Schedules A through F hereof, have been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or have been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, United States federal or state securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

As described in Item 4, Larouge purchased a total of 36,671 Common Shares between December 29, 2005 to January 3, 2006 as a result of a Capital Distribution under the terms and conditions of the Exchangeable Notes using funds received as dividends from its investment holdings in PLDT. As described in Item 5, SEI purchased 2,277,466 Common Shares/ ADSs from June 2, 2005 to January 12, 2006 using funds from intercompany loans from First Pacific.

As described in Item 4, the Reporting Persons may in the future decide to acquire beneficial ownership of additional Common Shares and/or ADSs. The Reporting Persons have not arranged any specific funding sources for any such acquisitions, and anticipate that, if they were to make such acquisitions, they would rely upon internal resources.

ITEM 4. PURPOSE OF TRANSACTION.

The last sentence of the fourth paragraph of Item 4 of the Schedule 13D is hereby amended and restated to read as follows:

On January 21, 2005, 700,000 Common Shares were lent pursuant to the Securities Lending Agreement dated January 18, 2005, of which 417,000 Common Shares are outstanding as of January 12, 2006.

The final paragraph of Item 4 of the Schedule 13D is hereby amended and restated to read as follows:

On July 14, 2005, PLDT distributed dividends on the Common Shares held as Exchange Property of US\$2,538,594.28. On December 28, 2005, PLDT distributed dividends on the Common Shares held as Exchange Property of US\$2,681,963.69. Total dividends to date with respect to the Common Shares held as Exchange Property relating to the accounting year ended December 31, 2005 were US\$5,220,557.97 which resulted in a Capital Distribution (as defined in Trust Deed) equivalent to US\$1,265,911.77. In accordance with the terms and conditions of the Exchangeable Notes, this amount has been applied by Larouge to purchase 36,671 additional Common Shares, on The Philippine Stock Exchange Inc., between December 29, 2005 to January 3, 2006, which have been added to the Exchange Property. An announcement describing these matters was issued by First Pacific Finance Limited, the Issuer of the Exchangeable Notes, to the Singapore Exchange Ltd. (the exchange upon which the Exchangeable Notes are listed), on January 4, 2006 and published on January 5, 2006. A copy of this announcement is attached as exhibit 46 hereto.

As of January 4, 2006, the holder of each Exchangeable Note had an Exchange Right to exchange such Exchangeable Note at any time during the exchange period for a pro rata share of the Exchange Property, comprising 342.7519 Common Shares (subject to adjustment) for each US\$10,000 principal amount of Exchangeable Notes. Assuming full exchange of the Exchangeable Notes at the revised amount of the Exchange Property, the Exchangeable Notes will be exchangeable into 6,820,762 Common Shares (subject to adjustment), representing approximately

Edgar Filing: FIRST PACIFIC COMPANY LTD /FI - Form SC 13D/A

3.8 per cent. of outstanding Common Shares, and reducing First Pacific's beneficial ownership in PLDT from approximately 30.7 per cent. to 26.9 per cent., and its economic interest in PLDT (defined as its effective interest in the shares of PLDT) from approximately 24.1 per cent. to 20.3 per cent. Assuming full exchange of the Exchangeable Notes, Larouge's direct beneficial ownership would be reduced from 8,573,250 Common Shares (representing approximately 4.7% of the outstanding Common Shares) to 1,752,488 Common Shares (representing approximately 1.0% of the outstanding Common Shares).

Page 16 of 35 Page

The Reporting Persons purchased, directly and indirectly, Common Shares and ADSs with a view to maintaining a significant direct and indirect equity interest in PLDT and significant influence over the management and policies of PLDT, including representation on PLDT's board of directors, that is at least commensurate with their aggregate direct and indirect interest from time to time.

As described in Item 5, in addition to the transfer of 1,555,000 Common Shares from Larouge to SEI, SEI purchased an additional 2,277,466 Common Shares/ ADSs from June 2, 2005 to January 12, 2006. The Reporting Persons have also made purchases of Common Shares and ADSs as set forth in Schedule G. Such acquisitions have been made principally to minimize the dilutive impact on the Reporting Persons' strategic investment in PLDT upon the conversion of outstanding PLDT convertible preferred shares and share options into new Common Shares and ADSs. As a result of these purchases and the purchase of additional Common Shares to be added to the Exchange Property as described in this Item 4, the Reporting Persons now control approximately 30.7% of the voting power attached to the Common Shares/ ADSs. The Reporting Persons may acquire beneficial ownership of additional Common Shares and/or ADSs through purchases, from time to time, in the open market at prices prevailing in the market at the time of such purchases, or through privately negotiated transactions for the purchase of such shares at prices deemed favourable by such Reporting Persons (that may or may not be related to prices of the Common Shares or ADSs prevailing in the open market) or by means of an offer, tender, exchange and/or otherwise, to purchase all or a portion of the securities of PLDT. Subject to any restrictions on disposals of those shares, each of the Reporting Persons reserves all of its rights in regard to its beneficial ownership of Common Shares and ADSs, including the right to dispose of some or all of its beneficial ownership of Common Shares and/or ADSs, whether in a single transaction or a series of related transactions, in the open market, in privately negotiated transactions or otherwise.

In reaching any conclusion as to the foregoing, the Reporting Persons may take into consideration various factors, including, without limitation, actions taken by PLDT, PLDT's board of directors, management or its principal shareholders; PLDT's business, results of operations, prospects and financial conditions; available sources of financing for additional purchases of ADSs or Common Shares; the market for PLDT's securities; further issuances of PLDT's Common Shares and/or ADSs; dilution of current shareholding (including, but not limited to, exercise of the Exchange Right under the Exchangeable Notes); other opportunities available to the Reporting Persons, general economic, financial and stock market conditions; and other further developments.

(b) (j) Other than as set forth above, the Reporting Persons have no plans or proposals which relate to or would result in any of the matters specified in Item 4 of Schedule 13D.

(b) As at the close of business on January 12, 2006, PTIC is the direct beneficial owner of, with voting and dispositive power over, 26,034,263 Common Shares (representing approximately 14.4% of the outstanding Common Shares). First Pacific may, by virtue of its indirect interests in PTIC, Larouge, MPR and SEI, be deemed to be a beneficial owner (as defined in Rule 13d-3 of the Exchange Act) of, and share the power to vote and dispose of, those Common Shares/ ADSs of which PTIC, Larouge, MPR and SEI are the respective direct beneficial owners. Each of EIH, MPHI, MPIL, MPR and MPAH may, by virtue of its respective direct or indirect interest in PTIC, be deemed to be a beneficial owner (defined as stated above) of, and share the power to vote and dispose of, those Common Shares of which PTIC is the direct beneficial owner. Each of HPNV and IntaLink may, by virtue of its respective direct or indirect interest in Larouge, be deemed to be a beneficial owner (defined as stated above) of, and share the power to vote and dispose of, those Common Shares of which Larouge is the respective direct beneficial owner. Each of EIH and MPHI may, by virtue of its respective direct or indirect interests in MPR, be deemed to be a beneficial owner (defined as stated above) of, and share the power to vote and dispose of, those Common Shares of which MPR is the direct beneficial owner. Osbert may, by virtue of its direct interest in SEI, be deemed to be a beneficial owner (defined as stated above) of, and share the power to vote and dispose of, those Common Shares as represented by ADSs of which SEI is the direct beneficial owner.

(c) Schedule G lists the number of ADSs and Common Shares purchased or sold by the Reporting Persons and, to the best knowledge of the Reporting Persons, each other person named in Item 2 (and related schedules) during the past 60 days, the dates of those purchases and sales and the price(s) per share paid or received for each such transaction. To the best knowledge of the Reporting Persons, unless otherwise indicated in Schedule G, all such transactions were effected on The Philippine Stock Exchange Inc. or the New York Stock Exchange (NYSE).

(d) In certain circumstances involving a default under the equity swap facility between SEI and Calyon in Item 6 of this Statement, Calyon has the right to receive the proceeds from the sale of the 1,558,118 ADSs pledged to it in connection with the equity swap facility.

(e) not applicable

Between June 6, 2005 and August 24, 2005, 1,555,000 Common Shares were transferred from Larouge to SEI and subsequently converted into 1,555,000 ADSs. However, the aggregate number of Common Shares/ ADSs with respect to which the Reporting Persons collectively disclosed beneficial ownership at the time of this transfer did not change as a result of this intra-group transfer. In addition, between June 2, 2005 and January 12, 2006, SEI purchased 1,430,126 ADSs on the NYSE at an average price of US\$31.02 and 847,340 Common Shares on The Philippine Stock Exchange Inc. at an average price of Pesos 1,601. Such Common Shares were subsequently converted into ADSs.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF PLDT.

The final paragraph of Item 6 of the Schedule 13D is amended and restated as follows:

As described under Item 4, First Pacific purchased additional Common Shares pursuant to the terms and conditions of the Exchangeable Notes.

On July 19, 2005, SEI entered into a secured financing in the form of an equity swap facility with Calyon Corporate and Investment Bank (Calyon) which was unconditionally guaranteed by First Pacific whereby SEI agreed to transfer legal title over 1,558,118 ADSs and deliver an additional 1,558,118 ADSs to Calyon to secure a loan facility of US\$50 million subject to the terms and conditions of the equity swap facility documents. This ADSs transfer was effected on November 29, 2005 and the transaction will automatically terminate on November 23, 2012 if not already terminated by SEI before this date. Pursuant to the terms of such financing, Calyon has appointed SEI as its proxy for voting in respect of the Common Shares represented by such ADSs that had their legal title transferred to Calyon. SEI and First Pacific thus retain the voting rights, all dividends and other distribution entitlements and beneficial interests in the Common Shares represented by ADSs that had their legal title transferred to Calyon. Also, SEI has the right, but not the obligation, to terminate such financing at any time and on one or more

Edgar Filing: FIRST PACIFIC COMPANY LTD /FI - Form SC 13D/A

occasions. Upon termination, Calyon shall deliver such ADSs that had their legal title transferred to Calyon to SEI. Copies of the equity swap facility documents are attached as exhibits 47, 48, 49, 50 and 51 hereto.

Any description contained in this Schedule 13D relating to the announcement, press announcement or the closing press announcement or the transaction contemplated therein does not purport to be complete and is qualified in its entirety by reference to such exhibits.
