Item 4. Description of Securities

Not applicable

Item 5. Interests of Named Experts and Counsel

The validity of the shares of Verizon common stock to be issued in connection with this registration statement will be passed upon for Verizon by William P. Barr, its Executive Vice President and General Counsel. As of December 31, 2005, Mr. Barr was the beneficial owner of approximately 13,447 shares of Verizon common stock and had options to purchase an aggregate of 1,435,700 shares of Verizon Common Stock which are exercisable currently or within the next 60 days.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law permits a corporation to indemnify officers and directors for actions taken in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation, and with respect to any criminal action, which they had no reasonable cause to believe was unlawful.

As permitted by the Delaware General Corporation Law, Verizon's restated certificate of incorporation provides that Verizon will indemnify certain representatives against reasonable expenses, judgments, fines and amounts paid in settlement actually incurred by the representative in connection with a proceeding to which the indemnified person was a party because he or she was or is an authorized representative of Verizon.

Verizon's restated certificate of incorporation permits the advancement of expenses to an indemnified party, subject to Verizon's right to recover the advanced amount under certain circumstances.

Verizon maintains liability insurance for the benefit of the directors and officers against certain liabilities which might be incurred by them in such capacities and against which they cannot be indemnified by Verizon. See also the undertakings set out in response to Item 9.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

Edgar Filing: VERIZON COMMUNICATIONS INC - Form S-8 POS

An Exhibit Index, containing a list of all exhibits filed with this registration statement, is included on page II-7.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes as follows:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act );

II-2

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of this issue.
