PROXY STATEMENT
FOR
2006 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 19, 2006

The Board of Directors of Cutera, Inc., a Delaware corporation, is soliciting the enclosed proxy from you. The proxy will be used at our 2006 Annual Meeting of Stockholders to be held on Monday, June 19, 2006, beginning at 10:00 a.m., Pacific Time, which is the local time, at our principal executive offices located at 3240 Bayshore Blvd., Brisbane, California 94005-1021, and at any postponements or adjournments thereof. This proxy statement contains important information regarding the meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

In this proxy statement: the terms *we*, *our*, *Cutera* and the *Company* each refer to Cutera, Inc.; the term *Board* means our Board of Directors; the term *proxy materials* means this proxy statement, the enclosed proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2005, filed with the U.S. Securities and Exchange Commission on March 16, 2006; and the term *Annual Meeting* means our 2006 Annual Meeting of Stockholders.

We are sending these proxy materials on or about May 10, 2006, to all stockholders of record at the close of business on April 21, 2006 (the *Record Date*).

QUESTIONS AND ANSWERS REGARDING THIS SOLICITATION
AND VOTING AT THE ANNUAL MEETING

Why am I receiving these proxy materials?

You are receiving these proxy materials from us because you were a stockholder of record at the close of business on the Record Date (which was April 21, 2006). As a stockholder of record, you are invited to attend the meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

What is the purpose of the annual meeting?

At our meeting, stockholders of record will vote upon the items of business outlined in the notice of meeting (on the cover page of this proxy statement), each of which is described more fully in this proxy statement. In addition, management will report on the performance of the Company and respond to questions from stockholders.

Who is entitled to attend the meeting?

You are entitled to attend the meeting *only* if you were a Cutera stockholder (or joint holder) of record as of the close of business on April 21, 2006, or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admittance.

Please also note that if you are not a stockholder of record but hold shares in *street name* (that is, through a broker or nominee), you will need to provide proof of beneficial ownership as of the Record Date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership.

The meeting will begin promptly at 10:00 a.m., local time. Check-in will begin at 9:30 a.m., local time.

Table of Contents

<i>Who is entitled to vote at the meeting?</i>	Only stockholders who owned our common stock at the close of business on the Record Date are entitled to notice of and to vote at the meeting, and at any postponements or adjournments thereof.
<i>How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?</i>	As of the Record Date, 12,368,442 shares of our common stock were outstanding. Each outstanding share of our common stock entitles the holder to one vote on each matter considered at the meeting. Accordingly, there are a maximum of 12,368,442 votes that may be cast at the meeting. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of our common stock representing at least 6,184,221 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.
<i>What items of business will be voted on at the meeting?</i>	The items of business scheduled to be voted on at the meeting are as follows: 1. the election of two nominees to serve as Class II directors on our Board; and 2. the ratification of the appointment of our independent registered public accounting firm for the 2006 fiscal year. These proposals are described more fully below in this proxy statement. As of the date of this proxy statement, the only business that our Board intends to present or knows of that others will present at the meeting is as set forth in this proxy statement. If any other matter or matters are properly brought before the meeting, it is the intention of the persons who hold proxies to vote the shares they represent in accordance with their best judgment.
<i>How does the Board recommend that I vote?</i>	Our Board recommends that you vote your shares FOR each of the director nominees and FOR the ratification of our independent registered public accounting firm for the 2006 fiscal year.
<i>What shares can I vote at the meeting?</i>	You may vote all shares owned by you as of the Record Date, including (1) shares held directly in your name as the <i>stockholder of record</i> , and (2) shares held for you as the <i>beneficial owner</i> through a broker, trustee or other nominee such as a bank.
<i>What is the difference between holding shares as a stockholder of record and as a beneficial owner?</i>	Most of our stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.
	Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, Inc., you are considered, with respect to those shares, the <i>stockholder of record</i>, and these proxy materials are being sent directly to you by us. As the <i>stockholder of record</i>, you have the right to grant your voting proxy directly to Cutera or to vote in person at the meeting. We have enclosed a proxy card for you to use. Beneficial Owner. If your shares are held in a brokerage account or by another nominee, you are considered the <i>beneficial owner</i> of shares held <i>in street name</i>, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right

Edgar Filing: CUTERA INC - Form DEF 14A

to direct your broker, trustee or nominee how to vote and are

Table of Contents

	also invited to attend the meeting. Please note that since a beneficial owner is not the <i>stockholder of record</i> , you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.
<i>How can I vote my shares without attending the meeting?</i>	Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. Stockholders of record of our common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelope. Our stockholders who hold shares beneficially in street name may vote by mail by completing, signing and dating the voting instruction cards provided by the broker, trustee or nominee and mailing them in the accompanying pre-addressed envelope.
<i>How can I vote my shares in person at the meeting?</i>	Shares held in your name as the stockholder of record may be voted in person at the meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. <i>Even if you plan to attend the meeting, we recommend that you also submit your proxy card or voting instructions as described above so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.</i>
<i>Can I change my vote?</i>	You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.
<i>Is my vote confidential?</i>	Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Cutera or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy card, which are then forwarded to our management.
<i>What vote is required to approve each item and how are votes counted?</i>	The vote required to approve each item of business and the method for counting votes is set forth below: Election of Directors. The two director nominees receiving the highest number of affirmative FOR votes at the meeting (a plurality of votes cast) will be elected to serve as Class II directors. You may vote either FOR or WITHHOLD your vote for the director nominees. A properly executed proxy marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Table of Contents

Ratification of Independent Registered Public Accounting Firm. For the ratification of the appointment of our independent registered public accounting firm, the affirmative **FOR** vote of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. You may vote **FOR**, **AGAINST** or **ABSTAIN** for these items of business. If you **ABSTAIN**, your abstention has the same effect as a vote **AGAINST**.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (**FOR** all of the Company's nominees to the Board and **FOR** ratification of the independent registered public accounting firm, and in the discretion of the proxy holders on any other matters that properly come before the meeting).

What is a broker non-vote ?

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have the discretion to vote such shares on routine matters. The election of directors and the ratification of the appointment of an independent registered public accounting firm are considered routine matters. Therefore, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares **FOR** all of the Company's nominees to the Board and **FOR** ratification of the independent registered public accounting firm. A *broker non-vote* occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine.

How are broker non-votes counted?

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will *not* be counted in tabulating the voting result for any particular proposal.

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting on all matters, the shares represented will be counted for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be voted on any matter at the meeting. In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote **AGAINST** a proposal.

What happens if additional matters are presented at the meeting?

Other than the two proposals described in this proxy statement, we are not aware of any other business to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holders, Kevin P. Connors (our President and Chief Executive Officer) and Ronald J. Santilli (our Chief Financial Officer) will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Who will serve as inspector of election?

We expect a representative of Computershare Trust Company, Inc., our transfer agent, to tabulate the votes and act as inspector of election at the meeting.

What should I do in the event that I receive more than one set of proxy/voting materials?

You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than

Table of Contents

	one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, If you are a stockholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each Cutera proxy card and voting instruction card that you receive to ensure that all your shares are voted.
<i>Who is soliciting my vote and who will bear the costs of this solicitation?</i>	Your vote is being solicited on behalf of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We may also engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be material.
<i>Where can I find the voting results of the meeting?</i>	We intend to announce preliminary voting results at the meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2006.
<i>What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?</i>	As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.
	Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the annual meeting to be held in 2007, the written proposal must be received by our corporate Secretary at our principal executive offices no later than January 10, 2007, which is the date 120 calendars days before the anniversary of the mailing date of this Proxy Statement. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable time before we begin to print and mail its proxy materials. Such proposals also must comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the <i>Exchange Act</i>), and any other applicable rules established by the U.S. Securities and Exchange Commission (the <i>SEC</i>). Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws. Proposals should be addressed to:
	Secretary
	Cutera, Inc.
	3240 Bayshore Blvd.
	Brisbane, California 94005-1021
	Nomination of Director Candidates: You may propose director candidates for consideration by our Board. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to the Secretary at the address of our principal executive offices set forth above. In addition, our Bylaws permit stockholders to nominate directors for election at an annual

meeting of stockholders. To nominate a director, the stockholder must provide the information required by our Bylaws, as well as a statement by the nominee consenting to being named as a nominee and to serve as a director if elected. In addition, the stockholder must give timely notice to our corporate Secretary in accordance with the provisions of our Bylaws, which require that the notice be received by our corporate Secretary no later than January 10, 2007.

Copy of Bylaw Provisions: You may contact our corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Table of Contents**STOCK OWNERSHIP****Security Ownership of Certain Beneficial Owners and Management**

The following table provides information relating to the beneficial ownership of our common stock as of the Record Date, by:

each stockholder known by us to own beneficially more than 5% of our common stock;

each of our executive officers named in the Summary Compensation Table on page 22 (our Chief Executive Officer and our four other most highly compensated executive officers);

each of our directors; and

all of our directors and executive officers as a group.

The number of shares beneficially owned by each entity, person, director or executive officer is determined in accordance with the rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of April 21, 2006 (the Record Date) through the exercise of any stock option or other right. The number and percentage of shares beneficially owned is computed on the basis of 12,368,442 shares of our common stock outstanding as of the Record Date. The information in the following table regarding the beneficial owners of more than 5% of our common stock is based upon information supplied by principal stockholders or Schedules 13D and 13G filed with the SEC.

Shares of our common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. To our knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person or entity named in the table has sole voting and dispositive power with respect to the shares set forth opposite such person's or entity's name. The address for those persons for which an address is not otherwise provided is c/o Cutera, Inc., 3240 Bayshore Blvd., Brisbane, California 94005-1021.

Compensation Committee. The Compensation Committee, together with the Board, establishes compensation for the Chief Executive Officer and the other executive officers and administers the 2004 Equity Incentive Plan, the 2004 Employee Stock Purchase Plan, and the 1998 Stock Plan. The Compensation Committee has a written charter, which was adopted by our Board in January 2004, a copy of which was attached as

Table of Contents

Appendix B to our 2005 proxy statement and can also be found on our website. The report of the Compensation Committee appears beginning on page 15 this proxy statement.

Meetings Attended by Directors

The Board held four meetings during 2005, the Audit Committee held six meetings and the Compensation Committee held two meetings. No director attended fewer than 75% of the meetings of the Board or committee(s) on which he or she served during 2005.

The directors of the Company are encouraged to attend the Company's annual meeting of stockholders, and all attended the meeting in 2005, in person or telephonically, except for W. Mark Lortz and Guy P. Nohra.

Director Nominees

Nominations. Our Board does not currently have a nominating committee or other committee performing a similar function nor do we have any formal written policies outlining the factors and process relating to the selection of nominees for consideration for Board membership by the full Board and the stockholders. Our Board has adopted resolutions in accordance with the Nasdaq Marketplace Rules authorizing a majority of its independent members to recommend qualified nominees for consideration by the full Board. Our Board believes that it is appropriate for us to not have a standing nominating committee because of a number of factors, including the number of independent directors who want to participate in consideration of candidates for membership on the Board. Our Board consists of seven members, five of whom are independent. Our Board considered forming a nominations committee consisting of several of the independent members of our Board. Forming a committee consisting of less than all of the independent members was unattractive because it would have omitted the other independent members of our Board who wanted to participate in considering qualified candidates for Board membership. Since our Board desired the participation in the nominations process of all of its independent members, it therefore decided not to form a committee and authorized a majority of the independent members of our Board to make and consider nominations for Board membership. The independent members of our Board do not have a nominating committee charter, but act pursuant to Board resolutions as described above. Each of the members of our Board authorized to recommend nominees to the full Board is independent within the meaning of the current independent director standards established by Nasdaq's rules. Our Board intends to review this matter periodically, and may in the future elect to designate a formal nominations committee. Each member of our Board has historically participated in the consideration of director nominees.

Director Qualifications. While the independent members of our Board have not established specific minimum qualifications for director candidates, the candidates for Board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with our Code of Ethics. While the independent members of the Board have not formalized specific minimum qualifications they believe must be met by a candidate to be recommended by the independent members, the independent members of the Board believe that candidates and nominees must reflect a Board that is comprised of directors who (i) have broad and relevant experience, (ii) are predominantly independent, (iii) are of high integrity, (iv) have qualifications that will increase overall Board effectiveness and enhance long-term stockholder value, and (v) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members.

Stockholder Nominations and Recommendations. As described above in the Question and Answer section of this proxy statement under "What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?", our Bylaws set forth the procedure for the proper submission of stockholder nominations for membership on our Board. In addition, the independent members of our Board may consider properly submitted stockholder recommendations (as opposed to formal nominations) for candidates for membership on the Board. A stockholder may make such a recommendation by

Table of Contents

submitting the following information to our Secretary at 3240 Bayshore Blvd., Brisbane, California 94005-1021: the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, professional and personal references, information regarding any relationships between the candidate and Cutera within the last three years and evidence of ownership of Cutera stock by the recommending stockholder.

Identifying and Evaluating Director Nominees. Typically new candidates for nomination to the Board are suggested by existing directors or by our executive officers, although candidates may initially come to our attention through professional search firms, stockholders or other persons. The independent members of the Board shall carefully review the qualifications of any candidates who have been properly brought to its attention. Such a review may, in the Board's discretion, include a review solely of information provided to the Board or may also include discussion with persons familiar with the candidate, an interview with the candidate or other actions that the Board deems proper. The Board shall consider the suitability of each candidate, including the current members of the Board, in light of the current size and composition of the Board. In evaluating the qualifications of the candidates, the independent members of the Board considers many factors, including, issues of character, judgment, independence, age, expertise, diversity of experience, length of service, and other commitments. The Board evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the independent directors using the same criteria as other candidates.

Director Compensation

Our non-employee directors are paid \$5,000 for each regular board meeting; \$1,500 for each regular compensation committee meeting; and \$1,500 per quarter for one or more audit committee meetings in a quarter that they attend. Additionally, the Chairman of the Audit Committee receives an annual \$10,000 retainer and the Chairman of the Compensation Committee receives an annual \$5,000 retainer.

We have in the past granted directors options to purchase our common stock pursuant to the terms of our 1998 Stock Plan, which has been replaced with our 2004 Equity Incentive Plan. Non-employee directors may receive additional cash compensation from time to time as the Board may determine.

Our 2004 Equity Incentive Plan also provides for the automatic grant of options to our non-employee directors. Each non-employee director appointed to the Board receives an initial option to purchase 30,000 shares of common stock upon such appointment. In addition, non-employee directors who have been directors for at least the preceding six months will receive a subsequent option to purchase 10,000 shares of our common stock immediately following each annual meeting of our stockholders. All options granted under the automatic grant provisions will have a term of ten years and an exercise price equal to fair market value on the date of grant. Each option to purchase 30,000 shares will become exercisable as to one-third of the shares subject to the option on each anniversary of its date of grant, provided the non-employee director remains a director on such dates. Each option to purchase 10,000 shares will become exercisable as to 100% of the shares subject to the option on the third anniversary of its date of grant, provided the non-employee director remains a director on such date.

Code of Ethics

We are committed to maintaining the highest standards of business conduct and ethics. Our Code of Ethics (the "Code") reflects our values and the business practices and principles of behavior that support this commitment. The Code satisfies SEC rules for a code of ethics required by Section 406 of the Sarbanes-Oxley Act of 2002, as well as the Nasdaq listing standards requirement for a code of conduct. The Code is an Exhibit to our Form 8-K filed with the SEC on April 29, 2004 and is available on the Company's website at www.cutera.com under

Company Investor Relations Corporate Governance. We will post any amendment to the Code, as well as any waivers that are required to be disclosed by the rules of the SEC or the Nasdaq, on our website.

REPORT OF THE COMPENSATION COMMITTEE

The material in this report and under the caption Performance Graph are not soliciting material, and are not deemed filed with the Securities and Exchange Commission and is not incorporated by reference in any filing of Cutera under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in those filings.

The Compensation Committee of the Board of Directors is comprised solely of non-employee directors, as such term is defined in Rule 16b-3 under the Securities and Exchange Act of 1934, as amended. Each of our Compensation Committee members meets all applicable federal securities and Nasdaq National Market listing requirements to qualify as an independent director. The Compensation Committee operates pursuant to a written charter adopted by the Board of Directors, a copy of which can be found on our website, and has overall responsibility for executive compensation programs, policies and practices.

Compensation Philosophy

The Compensation Committee is responsible for ensuring that Cutera adopts and maintains responsible and responsive compensation programs for its officers and directors. Cutera operates in the competitive and rapidly changing environment of high technology- and medical device businesses. The Compensation Committee seeks to establish compensation policies that allow Cutera flexibility to respond to changes in its business environment. Our overall executive compensation philosophy is designed to enhance stockholder value. To meet this philosophy, we follow a set of guiding principals that requires us to provide competitive compensation to attract and retain highly qualified directors, officers and employees and to align the financial interest of the executive team with those of our stockholders through effective implementation of the compensation programs discussed below.

The Compensation Committee determines, together with the Board, the compensation levels for the Chief Executive Officer and the other executive officers based on competitive compensation opportunities, their relative contribution to the financial success of Cutera, and their personal performance. It is the Compensation Committee's objective to have a substantial portion of each officer's compensation contingent upon Cutera's performance as well as upon his or her own level of performance. Accordingly, the compensation package for the chief executive officer and other executive officers is comprised of three elements: (i) base salary which reflects individual performance and is designed primarily to be competitive with salary levels in the industry, (ii) annual variable performance awards payable in cash and tied to Cutera's achievement of financial performance targets and personal performance, and (iii) long-term stock-based incentive awards which strengthen the mutual interests of the executive officers and Cutera's stockholders.

Compensation Program

In addition to determining general compensation policy and setting salaries, the Compensation Committee and the whole Board is also responsible for the administration of the 2004 Equity Incentive Plan, the 2004 Employee Stock Purchase Plan, and the 1998 Stock Plan. The Compensation Committee considers the total current and potential long-term compensation of each executive officer in establishing each element of compensation.

Base Salary. In setting compensation packages for executive officers, the Compensation Committee reviews compensation levels for comparable positions within our industry and other high technology and medical device companies. Individual executive officer base salary may vary depending on time in position, assessment of individual performance, salary relative to equity and critical nature of the position relative to our success.

Discretionary Bonus Program. In addition to base salary compensation, Cutera has established a bonus program for executive officers and other personnel pursuant to which cash bonus payments and performance unit awards may be made. The Board, upon the review and recommendation by the Compensation Committee,

Table of Contents

effective as of June 1, 2005, set the annual target bonus levels as a percentage of base salary for its named executive officers. Target bonuses are calculated based upon a matrix of revenue growth and operating profit percent before stock-based compensation expense. For example, at 10% revenue growth and 10% operating profit, an individual will receive 100% of their target bonus. At 50% revenue growth and 25% operating profit, an individual would receive 375% of his or her target bonus. Payments under the bonus program are made quarterly and only in the event that Cutera has a quarterly operating profit before stock-based compensation expense.

Long-Term Incentives. Our 2004 Equity Incentive Plan provides for the issuance of options to our officers and employees to purchase shares of our common stock at an exercise price equal to the fair market value of such stock on the date of grant. Stock options are granted as a reward for past individual and corporate performance and as an incentive for future performance and are an essential component in aligning the interests of management and the stockholders.

During the second quarter of 2005, Cutera began issuing performance unit awards (otherwise commonly referred to as restricted stock units) pursuant to and as provided under the 2004 Equity Incentive Plan. Each recipient of an award enters into a performance unit award agreement (or Award Agreement). Each issued performance unit award vests 25% of the units per year for four years, provided the recipient continues to provide Cutera with services. Pursuant to the Award Agreement, the awards will be settled in stock following each vesting date. Under the terms of the 2004 Equity Incentive Plan and the Award Agreement, each unit has an initial value equal to the fair market value of our common stock on the date of grant. On its vesting date the unit has a value equal to the fair market value of our common stock on the date of vesting. The issuance of any performance unit awards is determined in the same manner as the issuance of options under the 2004 Equity Incentive Plan described above.

Cutera also has a 2004 Employee Stock Purchase Plan that provides employees with the opportunity to purchase shares of our common stock.

2005 Compensation for the Chief Executive Officer

Kevin P. Connor's salary for 2005 was determined by the Compensation Committee and the Board based on an assessment of the current market and compensation for an executive of his level of experience and expertise in similar companies within the medical device and biotechnology industry, with consideration for past performance and anticipated future contribution.

Internal Revenue Code Section 162(m) and Limitations on Executive Compensation

Section 162(m) of the United States Internal Revenue Code of 1986, as amended, may limit our ability to deduct for United States federal income tax purposes compensation paid to either our Chief Executive Officer or to any four other highest paid executive officers in any one fiscal year that is, for each such person, in excess of \$1,000,000. None of our executive officers received any such compensation in excess of this limit during fiscal year 2005.

Grants under the 2004 Equity Incentive Plan are not subject to the deduction limitation; however, in order to preserve our ability to deduct the compensation income associated with options granted to such executive officers pursuant to Section 162(m) of the Code, our 2004 Equity Incentive Plan provides that no optionee may be granted option(s) to purchase more than 500,000 shares of our common stock in any one fiscal year; provided in connection with any optionee's initial service, an optionee may be granted an option to purchase up to 1,000,000 shares of our common stock in the fiscal year in which such optionee is hired.

The foregoing report is provided by the undersigned members of the Compensation Committee.

Board of Directors Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2006.

Audit and Non-Audit Services

The Audit Committee is directly responsible for the appointment, compensation, and oversight of the Company's independent registered public accounting firm. In addition to retaining PricewaterhouseCoopers LLP to audit the Company's consolidated financial statements for 2005, the Audit Committee retained PricewaterhouseCoopers LLP to provide other auditing and advisory services in 2005. The Audit Committee understands the need for PricewaterhouseCoopers LLP to maintain objectivity and independence in its audits of the Company's financial statements. The Audit Committee has reviewed all non-audit services provided by PricewaterhouseCoopers LLP in 2005 and has concluded that the provision of such services was compatible with maintaining PricewaterhouseCoopers LLP's independence in the conduct of its auditing functions.

To help ensure the independence of the independent registered public accounting firm, the Audit Committee has adopted a policy for the pre-approval of all audit and non-audit services to be performed for the Company by its independent registered public accounting firm. Pursuant to this policy, all audit and non-audit services to be performed by the independent registered public accounting firm must be approved in advance by the Audit Committee. The Audit Committee may delegate to one or more of its members the authority to grant the required approvals, provided that any exercise of such authority is presented to the full Audit Committee at its next regularly scheduled meeting.

The aggregate fees incurred by the Company for audit and non-audit services in 2005 and 2004 were as follows:
