**Repurchase of Common Stock**

El Paso Electric Company ( EE ) today filed its financial report for the quarter ended June 30, 2006 with the Federal Energy Regulatory Commission ( FERC ) on Form 3-Q. In its Form 3-Q, EE disclosed that, during the period from August 8, 2006 to August 23, 2006, it repurchased 402,100 shares of its common stock at an aggregate cost of approximately \$9.0 million, including commissions, pursuant to a buyback program previously approved by its Board of Directors in February 2004. EE also disclosed that approximately 1.3 million shares remain authorized to be repurchased under the currently authorized program. EE may in the future make additional purchases of its common stock pursuant to this buyback program at open market prices and may engage in private transactions, where appropriate. EE does not undertake to update its disclosure regarding the number of shares purchased pursuant to its buyback plan except as part of its quarterly and annual filings with the Securities and Exchange Commission and the FERC or as otherwise required by law.

A copy of a press release discussing this matter and containing a safe harbor statement is included as Exhibit 99.01 to this Current Report and is incorporated herein by reference. The Company does not intend for this exhibit to be incorporated by reference into future filings under the Securities Exchange Act of 1934.
