**Item 1.01. Entry into a Material Definitive Agreement**

On December 19, 2006, AMVAC Chemical Corporation ( AMVAC ), one of our subsidiaries, as borrower, and its affiliates (including registrant), as guarantors, entered into a Credit Agreement (the New Credit Agreement ) with a syndicate of commercial lenders led by Bank of the West (AMVAC's primary bank) as arranger, syndication agent, swing line lender and L/C issuer. The New Credit Agreement supersedes the Fifth Amendment (the Fifth Amendment ) to Amended and Restated Credit Agreement dated as of November 27, 2006 and more fully described in the Company's Form 8-K filed on November 29, 2006. The New Credit Agreement is a \$165 million senior secured lending facility consisting of a revolving line of credit of \$75 million and term loan commitments of \$60 million plus a \$30 million accordion feature. AMVAC has had a banking relationship with its primary bank for over 20 years.

**Item 1.02 Termination of a Material Definitive Agreement**

On December 19, 2006, AMVAC, as borrower, and its affiliates, as guarantors, terminated the Fifth Amendment concurrent with entry into the New Credit Agreement (as more fully described in Item 1.01, which is incorporated by reference herein). In connection with that termination, AMVAC paid the entire outstanding balance of the term loans and revolving line of credit plus accrued interest of the Fifth Amendment, using proceeds from the New Credit Facility as more fully described in Item 2.03 below, which is incorporated by reference herein.

**Item 2.03 Creation of a Direct Financial Obligation or under an Off- Balance Sheet Arrangement of a Registrant**

In connection with retiring the entire outstanding balance of the term loans and revolving credit facility (plus accrued interest) of the Fifth Amendment upon termination thereof, on December 19, 2006, AMVAC borrowed approximately \$87 million under the New Credit Facility consisting of approximately \$60 million in term loans and approximately \$27 million from the revolving line of credit. These loans bear interest at the prime rate plus an applicable rate, if any, dependent on certain debt ratios ( Prime Rate Loan ), or at AMVAC's option, a fixed rate of interest offered by the bank, based on the Eurodollar rate plus an applicable rate dependent on certain debt ratios ( Eurodollar Rate Loan ). The principal payments of the term loans are payable (a) in equal quarterly installments on or before the last business day of each March, June, September and December (beginning March 31, 2007) in the amount of (i) \$1 million, through the period ending December 31, 2009, and (ii) \$2 million, through the period January 1, 2010 through December 31, 2013, and (b) in one final installment in the amount necessary to repay the remaining outstanding principal balance of the term loans in full on the maturity date. Interest accruing on the Prime Rate Loans is payable monthly, in arrears, on the last day of each month, and on the maturity date of such loan in the amount of interest then accrued but unpaid. Interest accruing on the Eurodollar Rate Loans is payable on the last day of the interest period, provided that, with an interest period longer than three months, interest is payable on the last day of each three-month period after the commencement of such interest period. The senior secured revolving line of credit matures on December 19, 2011, and the term loans mature on December 19, 2013 and contain certain covenants (with which AMVAC is in compliance) as defined in the New Credit Agreement.
