DEREGISTRATION OF SECURITIES

CNET Networks, Inc. (the Company) previously issued \$125,000,000 principal amount of 0.75% Convertible Senior Notes due 2024 (the Notes) and, pursuant to a Registration Statement on Form S-3 (File No. 333-115569) filed with the Commission on May 17, 2004 (the Registration Statement), registered for resale both the Notes and 8,333,337 shares of the Company s Common Stock (the Shares) that are issuable upon conversion of the Notes if certain conditions are satisfied.

In accordance with the undertaking contained in the Registration Statement on Form S-3, (File No. 333-115569), pursuant to Item 512(a)(3) of Regulation S-K, we are filing this Post-Effective Amendment to remove from registration all of the aggregate principal amount of the Notes and the Shares that remain unsold under the Registration Statement as of the date hereof. We are seeking to deregister these securities because our obligation to maintain the effectiveness of the Registration Statement pursuant to the registration rights agreement had expired. In addition, in October 2006 the trustee for the Notes delivered to us a notice of acceleration and we repaid all amounts outstanding under the Notes. No Notes or Shares issuable upon conversion of Notes remain outstanding.

Accordingly, we are filing this Post-Effective Amendment No. 1 to the Registration Statement to deregister \$7,000,000 principal amount of Notes and 466,667 Shares issuable upon conversion of such Notes, this being the aggregate principal amount of the Notes and such number of the Shares registered pursuant to the Registration Statement which would have otherwise remained available for sale under the Registration Statement as of the date hereof.
