Special Transactions Committee and Transactions with Cargill, Incorporated**

Cargill, Incorporated and its affiliates other than The Mosaic Company ( Mosaic ) and its subsidiaries (collectively Cargill ) own approximately 64.7% of the outstanding Common Stock, par value \$.01 per share, of Mosaic. Pursuant to the Investor Rights Agreement, dated as of January 26, 2004, as amended and restated on August 17, 2006, by and between Mosaic and Cargill, Incorporated, commercial or other transactions, arrangements or agreements (or series of related transactions) between Cargill, on the one hand, and Mosaic and its subsidiaries (collectively the Company ), on the other hand, except as provided below, require the approval of a majority of the former IMC Directors (as defined in the Investor Rights Agreement) serving on Mosaic s Board of Directors who are deemed non-associated directors (such members comprising the Special Transactions Committee of the Board of Directors). Mosaic s Board of Directors has adopted a charter for the Special Transactions Committee which provides that the Special Transactions Committee will oversee transactions between Mosaic and Cargill with the objective that such transactions be fair and reasonable to Mosaic, with arm s length terms and conditions. Pursuant to the Investor Rights Agreement and the Special Transactions Committee s charter, the Special Transactions Committee may delegate all or a portion of its duties in respect of the review and approval of such transactions to a committee of senior management, a subcommittee of the Special Transactions Committee or the Chairman of the Special Transactions Committee. The Special Transactions Committee has approved a policy implemented by Mosaic known as the Guidelines for Related Party Transactions with Cargill, Incorporated (the Guidelines ), whereby the Special Transactions Committee has delegated approval authority for certain transactions with Cargill to an internal committee comprised of senior managers of Mosaic. The internal management committee is required to report its activities to the Special Transactions Committee on a periodic basis.

Pursuant to the Guidelines, the following transactions, arrangements or agreements (or series of related transactions) with Cargill must be approved by the Special Transactions Committee:

agreements or relationships which require payment by Mosaic or Cargill, as the case may be, of \$2 million or more to the other party during any fiscal year of the Company;

multi-year commitments (i.e., contracts with terms of greater than one year) on behalf of Mosaic;

evergreen contracts (i.e., contracts with annual renewal clauses or no stated contract term);

renewals of commercial agreements previously requiring Special Transactions Committee approval; and

licenses or other arrangements involving any material intellectual property of Mosaic.

The review and approval of transactions, arrangements or agreements (or series of related transactions) which do not meet any of the criteria set forth above have been delegated by the Special Transactions Committee to Mosaic s internal management committee.

Pursuant to approval of the Special Transactions Committee, the Company and Cargill entered into the following contracts:
