Item 8 of the Schedule 14D-9 is hereby amended and supplemented as follows:

*(j) Closing of Offer*

The initial offering period expired at 12:00 midnight, New York City time, on Friday, February 15, 2008. Prior to the expiration of the Offer, Merger Sub and Parent waived the Other Regulatory Approvals Condition to the Offer in respect of receipt of the Kazakhstan Offer Approval. On February 17, 2008, the Company, consistent with its previously disclosed intention, waived the requirement under the Merger Agreement that Merger Sub extend the Offer through February 28, 2008, on the basis that (x) all of the conditions to the Offer were either satisfied or waived as of the initial expiration date of 12:00 midnight, New York City time, on February 15, 2008 and (y) Merger Sub did not elect to extend the Offer and confirmed that it was prepared to accept for payment and pay for all shares of Common Stock tendered (and not withdrawn) pursuant to the Offer.

According to Citibank, N.A., the depository for the Offer, as of 12:00 midnight, New York City time, on Friday, February 15, 2008, approximately 36,533,255 shares of Common Stock were tendered and not withdrawn prior to the expiration of the Offer (including approximately 1,239,567 shares of Common Stock that were tendered pursuant to guaranteed delivery procedures), representing approximately 90.5% of the issued and outstanding shares of Common Stock, thereby satisfying the Minimum Condition. Merger Sub has accepted for payment all validly tendered and not withdrawn shares of Common Stock.

On February 18, 2008, VimpelCom issued a press release announcing the results of the Offer and that Merger Sub has accepted for payment all shares of Common Stock that were validly tendered and not withdrawn through the Initial Expiration Date,

and had elected to provide a subsequent offering period for all remaining untendered shares of Common Stock, which will expire at 5:00 p.m., New York City time, on Tuesday, February 26, 2008. During the subsequent offering period, holders of shares of Common Stock who did not previously tender their shares of Common Stock into the Offer may do so and, upon properly tendering such shares, will receive the same purchase price of \$105.00 per share to be paid pursuant to the Offer in cash, without interest (and less any amounts required to be deducted and withheld under any applicable law). The procedures for accepting the Offer and tendering shares of Common Stock during the subsequent offering period are the same as those described for the Offer in the Offer to Purchase, except that (i) the guaranteed delivery procedures may not be used during the subsequent offering period and (ii) shares of Common Stock tendered during the subsequent offering period may not be withdrawn.

Following the subsequent offering period, Parent and Merger Sub intend to effect a merger (the Merger ) of Merger Sub into the Company. In connection with the Merger, all remaining Company stockholders who did not tender their shares in the tender offer (other than those, if any, properly perfecting dissenters' rights) will receive the same \$105.00 per share in cash paid in the tender offer.

A copy of VimpelCom's press release announcing the results of the Offer is incorporated by reference as Exhibit (a)(5)(B) hereto.
